## Ike Supports Jenner; Blasts Demo Nominee

INDIANAPOLIS (AP) — Gen. Dwight D. Eisenhower appealed to Indiana voters Tuesday to "spare no efforts" to elect Sen. William E. Jenner and the whole GOP ticket and end government by "farmers, quack doctors and bareface looters."

And the Republican presidential nominee slapped at his Democratic rival, Adlai Stevenson, as "using every trick in the book to get himself off the hook of the present administration's record."

"When the hand picked heirs wants no part of the heirlooms," Eisenhower asked a party rally at Butler university fieldhouse, "why should we?"

**Boost for Jenner**

Tuesday's night's address combined a boost for Jenner with one of the bitterest attacks Eisenhower has made against the administration.

Keeping on with an obvious allusion to Jenner, the general said that the Republicans "want independent minds and men who speak their minds."

"In this campaign," he said, "I am requesting voters to support the entire Republican ticket from top to bottom at every stop in every state I visit . . ."

From a text of his own, Eisenhower went to the Bible and the words of Ecclesiastes that: "There is . . . a time to keep and a time to cast away."

**Time to Cast Away**

This, he said, is a time to cast away some "stupid and wicked things."

He proposed as first on the list what he termed "the incompetent, the unfit, the cronies and the chislers."

Number two, the general said, is to cast away "the alien philosophy that our national destiny lies in the supremacy of government over all"—a philosophy he said that sometimes calls itself by the fine old name of liberal but actually represents progress backwards.

**Things to Keep**

Going back, then to the words of his text, Eisenhower said that these are the things to be kept:

1. Faith in the American people, in the provisions of the Constitution and Declaration of Independence.
2. Government that is "close to the people and responsive to their will — we would never vote for regimentation."
3. In the field of foreign affairs, a faith in the mission of the American people in the world. American leadership, Eisenhower said, now is crippled by "piecemeal programs," which he said are whole continents largely are ignored.

## Moscow Radio Claims Russians Live Longer

LONDON (AP) — In Russia, where everything is first and fastest and biggest and best — you have the word of Moscow radio — the people live longer than anywhere in the world.

"Soviet statistics show that Khoja, a peasant in the Georgian Republic, was the oldest man in the world — he lived to be 155," Moscow announced in a broadcast.

But this wasn't anything unusual, the radio insisted.

"There are now some 30,000 centenarians in the Soviet Union."

## Ohio Republicans Promise 'Clean Sweep'

SIGNS AND BROOMS HELD BY SUPPORTERS OF DWIGHT D. EISENHOWER promise a clean sweep as the GOP nominee is met at the Cleveland Hopkins airport. Left to right: Charles P. Taft, GOP candidate for Ohio governor; Sen. Richard Nixon, Eisenhower's running mate; the general; Ohio senator John W. Bricker and George Bender, state Republican chairman.

## Love Not Enough

OXFORD, England (AP) — Dr. David R. Mace of Madison, N.J., said Tuesday that marriages based on romantic love alone could not last.

Mace, who is professor of human relations at Drew university at Madison, spoke at the International Union of Family Organizations conference here. His subject: "The Husband-Wife Relationship."

In the old days, said Mace, marriage was a mutual exchange of services—the man provided economic security and the wife ran the home.

He added: "Today in the age of nylon and the automat, of careers for women and professional security for all, the plain and practical incentives which once propelled men and women into marriage have lost much of their drive."

## Texans Reject Endorsement Of Stevenson

ARMARILLO, Tex. (AP) — Rebellious Texas Democrats Tuesday put Adlai Stevenson's name on the ballot, making it plain they were not endorsing him or the national party platform.

They rejected a plan to make Dwight Eisenhower the candidate of the "Texas Democratic party" and Stevenson the nominee of the "National Democratic party."

This plan, offered by a fighting States Rights faction, was turned down by a 2 to 1 majority.

**Approve Resolution**

After putting Stevenson's name on the ballot, the convention let go with roaring approval of a resolution requesting the governor, all other state officials, and every Democrat to vote for, and actively campaign for, Eisenhower.

The convention's action came after Gov. Allan Shivers told the cheering, stamping delegates that he is not going to vote for Stevenson, and they don't have to either.

Shivers keynoted the state convention with harsh criticism of Stevenson, President Truman and the national party platform. He linked this with a demand that the only correct legal and moral course was to certify Stevenson anyway.

**States Rights Rebuffed**

A States Rights faction is trying to persuade Texas Democrats to certify Dwight D. Eisenhower as their presidential candidate.

Shivers met this threat with these words:

"In this critical hour of decision, our just resentment at platform provisions and expressed views of the nominees of the Democratic National convention, should not and must not stamper us into following any course that is not right, lawful and sound."

The 1,200-plus delegates howled and stamped their approval when the governor said putting Stevenson's name on the ballot should not be taken as an endorsement of him or the Chicago convention platform.

# McCarthy Smashes To Victory In Heated Wisconsin Primary

## Bus Line Asks Raise in Fares In Quad Cities

DAVENPORT (AP) — The Rock Island-Moline city lines applied to the Illinois commerce commission Tuesday for authority to establish a straight 15-cent fare on its buses operating in the two cities. Company drivers, as well as those for the Davenport city lines, are on strike.

George Troutwine, district manager for the National City Lines which operates both the Rock Island-Moline and Davenport lines, said he had informed striking union leaders of the intentions to ask higher fares on the Rock Island-Moline Lines.

Troutwine said that after 45 to 60 days of operations at the proposed higher fare rate the company would be willing to resume negotiations for a driver wage increase. This offer is similar to one made to the drivers of the Davenport lines Aug. 31 in a last minute pre-strike meeting. The Davenport city council previously approved a change from a straight 10-cent fare to the 15-cent of two-for-a-quarter fare.

The strike now has gone on nine days in the quad cities. The drivers say that if they go back now, they would probably go out again in the 45 to 60 days unless a new wage offer is made. Meanwhile, opposition to a raise in fares was developing in Illinois.

Mayor Paul C. Johnson of Moline and Mayor Melvin L. McKay of Rock Island declared their opposition. McKay said further he opposed any increase unless the extra amount was to be used to better employ working conditions.

## Demos, GOP Have Different Opinions On Maine Results

PORTLAND, Me. (AP) — Republican and Democratic national and state leaders disagreed Tuesday on the effects of the GOP clean sweep of major offices in Monday's Maine state election.

Stephen A. Mitchell, Democratic national chairman, said in Washington that the "low Republican vote" would "seem to indicate a Democratic victory in the November presidential election."

He said GOP candidates for governor and senator didn't get as large a percentage of the total vote as did winning Republican candidates four years ago.

His Republican counterpart, Arthur E. Summerfield, termed Maine's election "a latent landslide sentiment in the United States for a complete change in Washington."

## UN OFFICIAL RETIRES

UNITED NATIONS, N.Y. (AP) — Dr. Ivan S. Kerno of Czechoslovakia is retiring this month from his post as assistant secretary-general of the United Nations in charge of the Legal Department.

## Lists 'Pressure' Men

T. LAMAR CAUDLE, former assistant attorney general fired last November by President Truman, confers with Robert Collier (left), counsel for the Chief subcommittee probing the justice department. Caudle is reported to have named officials who sought to exert pressure on him in tax cases. One prober said the list included members of the White House staff.

SEN. JOSEPH MCCARTHY smiles broadly Tuesday as he sits in his office confidently awaiting the results of the Wisconsin primary elections. McCarthy, seeking renomination for senator on the Republican ticket, wasn't disappointed as primary election returns showed that he had won a smashing victory over his main opponent Leonard Schmitt, an upstate attorney, who was expected to have given McCarthy a much closer race.

## Angry Schmitt Terms Election 'Amazing Hoax'

By The Associated Press

Sen. Joseph R. McCarthy, won a smashing victory for re-election Tuesday night on the stormy record of his controversial campaign against alleged Communists in government.

His chief opponent, Len Schmitt, bitterly conceded McCarthy's nomination at 10:50 p.m., (CST) as vote returns across the state indicated a landslide for the 42-year-old senator.

Schmitt said in his statement: "The result of this election is an appalling thing . . . What is important is that a man with the most corrupt record ever made by a Wisconsin senator is overwhelmingly endorsed by Wisconsin voters."

## Schmitt Charges Hoax

Schmitt charged McCarthy had perpetrated "the most amazing and fraudulent hoax ever practiced by a high public figure" upon the voters of any state.

And he added: "When the full truth dawns many people will recall their support of Joseph R. McCarthy in this election with shame."

There were primary elections in seven other states, but the bitterly campaigned Wisconsin battle held most of the national attention.

## Other Elections Held

The other elections were in Arizona, Colorado, New Hampshire, Minnesota, Utah, Vermont and Washington.

Scattered early returns from the New Hampshire voting gave Hugh Gregg a 4-1 lead in the four-way Republican race for governor. William H. Craig took an early lead on the Democratic side. Gov. Sherman Adams is not seeking re-election.

The state's two U.S. representatives, both Republicans, were given good chances of renomination. They are Chester E. Morrow and Norris Cotton.

## Vermont Governor Leading

Gov. Lee E. Emerson, seeking re-election in Vermont, took an early lead over state Sen. Henry D. Vail in a Republican primary. Sen. Ralph E. Flanders held a big margin over William Semeraro in the state's Republican senatorial race. Winston L. Prouty, Vermont's only U.S. representative, trailed George H. Abbott with only one town vote in. Republican nomination is tantamount to election in the state.

A battle between Marriner S. Eccles and Sen. Arthur V. Watkins for the Republican senatorial nomination featured the Utah election. For many years Eccles was a member of the federal reserve board.

In Colorado there was a light turnout for an election in which only one congressional and eight state office nominations were at stake.

## Minnesota Voting Light

Because no county officials were up for election, voting was light in Minnesota's primary despite a choice of 84 candidates seeking office. In the Republican column, Sen. Edward J. Thye faced five opponents to his renomination. Gov. Elmer Anderson was running against five opponents in the GOP gubernatorial fight.

## Remorseful Bandit Repays \$30 'Loan'

NEW YORK (AP) — Last July a well-dressed young Negro held up a saleslady in a 42d street candy store, took \$30 and told her: "This is the first time I ever did anything like this but I need the money bad."

He took the name and address of the saleslady, Mrs. Bertha Romano, and promised to return the money in 30 days.

Tuesday the money came back to Mrs. Romano in the mail with a note that read: "I am returning the \$30 I borrowed which I badly needed for my room rent. Sorry I couldn't return it sooner."

And the bandit signed it, "Your friend."

## Russia Holds Key to Spending In U.S., Stevenson Declares

SAN FRANCISCO (AP) — Gov. Adlai E. Stevenson declared Tuesday night the greatest threat to the free world is a danger of Soviet conquest of Asia. And he said Russia holds the key to when taxes and huge defense spending can be cut in this country.

The Democratic presidential nominee coupled that appraisal with a vigorous attack on the foreign policy views of what he called the Republican Old Guard.

In a speech prepared for the Veterans Memorial auditorium, the Illinois governor said his GOP opponent for the presidency, Gen. Dwight D. Eisenhower, actually endorsed the foreign policy of the Democratic regime in his speech at Philadelphia last Thursday night.

**Hits GOP Disunity**

But, said Stevenson, the Republicans are disunited in that field as in others, and he asked:

"How, then, can a disunited party unite the country for the hard tasks that lie ahead? I don't think it can."

Then, in an obvious allusion to Eisenhower, the Democratic nominee said: "No matter how great their commander, divided and bitter men do not win battles."

## Call Asia Important

In naming Asia as the place where the United States and the rest of the free world must check the advance of communism as a major threat to liberty, Stevenson said:

"In Europe, our efforts to build patiently for peace are meeting with success . . . Europe is not yet wholly secure against subversion from within, but this goal of security is in sight."

"I wish I could say the same for Asia, but I clearly cannot, and there would be no greater disservice to the American people than

to underestimate the gravity of the dangers that America faces in this area, perhaps for many years."

## Agrees with Ike

Like Eisenhower did in Philadelphia, Stevenson said he believes World War III is not inevitable. And, like the general, he said America must build its strength as the best means of preventing war.

Stevenson put it this way: "With 85 per cent of our budget allotted to defense, it is the Soviet Union which now fixes the level of our defense expenditures and thus, our tax rates."

Stevenson flew here from Seattle for the major foreign policy speech of his campaign. At stake in California is the rich November prize of 32 electoral votes for the presidency. Truman carried the state in 1948, but it is regarded as in the doubtful class this year in many quarters in both political camps.

## Naguib Gives Egypt's Politicians Ultimatum To Clean Up Parties

CAIRO, Egypt (AP) — Egypt's military premier, Maj. Gen. Mohammed Naguib, served an ultimatum on the country's political parties Tuesday to purge themselves and framed a drastic division of landed wealth.

Moving promptly to consolidate the power he seized in a dramatic acceptance of the premiership Sunday, the army commander enlisted the support of two of Egypt's strongest politicians, Mustapha Nahas, titular leader of the powerful Wafdist party, declared in a statement that the "movement of the gallant army should be given full support, especially as it has no aim but the welfare of the country."

Nahas, the former premier who was ousted for failing to keep order during Cairo's disastrous fire riots last January, spoke up after nearly a score of his party's most influential men had been jailed in the army's anti-corruption roundup Sunday.

At the same time it was announced that former Premier Aly Maher, who resigned Sunday under army fire for dragging his feet in the political cleanup campaign, would serve the new government as its representative in Arab league meetings beginning here today.

Also, a royal decree from the regency council which is ruling in the name of the baby king, Fuad II, made Gen. Naguib the military governor of Egypt under the martial law decree of last January.

## World News Briefs

A Condensation of Late Developments

**MAINZ, GERMANY (AP)** — The Western Allies Tuesday surveying for a new military airfield in the German state of Rhineland-Palatinate and agreed to negotiate with German protesting against giving up any more land for airbases. There already are seven Allied airfields in this strategic area east of the Rhine river. The state parliament protested that is enough valuable farmland to contribute to Allied defenses.

**NICE, FRANCE (AP)** — Winston Churchill helped a British European Airways crew fly him to the French Riviera Tuesday for a two-week vacation. The British Prime Minister told reporters he had piloted the plane for about 10 minutes while cruising over the French Alps at 17,500 feet in the vicinity of Grenoble. Churchill took over at the invitation of Capt. Charles Riley, the pilot.

**TEHRAN, IRAN (AP)** — The German economist Hjalmar Schacht arrived by plane Tuesday on the invitation of Premier Mossadegh to help straighten out Iran's jumbled finances. Newspapers here have said that Mossadegh is anxious to have Schacht by his side to advise on an alternate step should the current negotiations over Iran's oil industry with Britain and the United States break down.

**BELGRADE, YUGOSLAVIA (AP)** — The ferryboat Nis turned over in the Danube river Tuesday and 90 persons were reported drowned. The Belgrade radio estimated 30 escaped. Strong winds, rain and hail struck the little craft at the confluence of the Sava and the Danube, an area of swift currents, 10 minutes after she headed from Belgrade for the suburb of Zemin in clear, hot weather.

## Broadway Honors Gertrude Lawrence

NEW YORK (AP) — Theater marquees dimmed along Broadway's Great White Way Tuesday night in final tribute to a fallen star, Gertrude Lawrence.

The dimming of the light at 6:30 p.m. (Iowa time) — certain time on Broadway — was duplicated in London's theatrical west end in memory of the English-born girl who died of cancer Saturday at the height of her career. Her funeral was Tuesday.

Some 5,000 persons stood in somber silence outside the Fifth ave. Presbyterian church for the afternoon funeral service.

Inside, 1,800 others attended the service.

The body of Miss Lawrence, in private life Mrs. Richard Aldrich, will be buried Wednesday in the private plot of her producer-husband's family at Upton, Mass.

# Lighter Work For Hawkeyes

Iowa's football squad took it a bit easier at Tuesday's practice, working mostly on fundamentals. This was the first day since last Thursday that Coach Forest Evashevski didn't send his men through an hour-long scrimmage. Linemen concentrated on the all-important blocking, a weak link in scrimmage to date. They worked against dummies running through several blocking assignment drills.

Live tackling also was emphasized with linemen working against each other then backs and ends practiced tackling a moving target. The prospective first team defensive lineup took part in a dummy scrimmage, walking through their moments on the various plays.

Tackle George Palmer, one of the top line prospects, was absent from practice Tuesday. No reason was given.

Jack Willett, a halfback who was shifted to offensive guard last week, has reportedly quit the squad. John Jaqua, a fullback who checked out a suit last week although not invited back for fall drills, also has dropped out. Morning practice ended one-half hour early because of the extreme heat.

## Golfer Doubts Pro's Marathon Feat Possible

DUBUQUE (AP) — "I can hardly believe it's humanly possible." Thus did Bob Barnes, husky ex-marine, cheerfully voice his doubts when told Tuesday that Grant Bennett, pro at New Bern, N.C., had set a record of 343 holes of golf in 24 hours in Sept., 1949. Barnes had limped to bed Tuesday morning believing he set a marathon record during a 27-hour, 225-hole golf grind which ended at 8 a.m.

His feat was achieved over the hilly 6,111-yard Dubuque Golf and Country Club course which is a rugged par 71. Despite 94 strokes on the last 18 holes, Barnes averaged 84 strokes per round. "I wouldn't try it again for a thousand dollars," said Barnes. "But right here and now I'm going to stake out my claim to the amateur marathon golf title for consecutive holes played on a regulation 18-hole, USGA-approved course."

Barnes, frankly incredulous at word of Bennett's mark, said he is curious to know the par, the yardage, and the number of holes for the course at New Bern.

## Robinson Confers With Warren Giles, Fine Not Returned

BROOKLYN (AP) — Jackie Robinson, Brooklyn's star second baseman, had his much discussed hearing before National League President Warren Giles Tuesday but his \$75 fine was not returned. "I gained considerable satisfaction in my talk with Mr. Giles," said Robinson. "As far as I am concerned the matter is closed. Any further announcement will come from Mr. Giles."

## Grouped at 143

Grouped at 143 were Dick Patton, 22-year-old TCU graduate from Ft. Worth; Chris Gers, Oklahoma Aggie student from Oklahoma City, and Robert Knowles Jr., the Walker Cup player from Beverly Farms, Mass., and great grandson of Henry Wadsworth Longfellow. Each had final 73s. The 144 bracket included Tom Stephenson of Kansas City, Mo.; Tom Veeh of Milwaukee, former Notre Dame golf captain and Wisconsin State winner, and John Levinson, Chicago lawyer. Most of the favorites qualified for the man-to-man competition starting Wednesday with defending champion Frank Stranahan leading survivors into the first round of 32 matches. Among them were Harvie Ward of Atlanta, the British Amateur champion, with 145; Jim Blair of Jefferson City, Mo., the 1951 Western runner-up, with 146, and Chick Evans, 62-year-old, eight time Western Amateur winner, who barely got in with 351.

Each registered 36-hole totals of 141, one under par. Coyle, strapping 26-year-old former Louisiana State star and runner-up in the 1947 National Intercollegiate, fired a second round 71. They took qualifying honors by a one stroke edge over Hillman Robbins Jr., of Memphis, 20-year-old 1951 Western Junior champion. Robbins matched Cherry's finishing 69 for 142.

## National Semi-Finalist

Cherry, a semi-finalist in the recent National Amateur, shot the most spectacular golf of the double qualifying rounds which trimmed the record field from 223 to the 64 match play bracket. He deuced the 170-yard seventh with a 15 foot putt and the 142-yard ninth with a 10 footer.

His No. 8 iron shot stopped six inches from the cup on the 147-yard 13th for a cinch birdie 2. He three putted three greens.

Coyle, who left Springfield, Ill., a year ago to become an executive in an oil news service company at Dallas, had only one sour streak in his 36-35 round. He forfeited two strokes to par by three-putting the sixth and seventh holes.

## 'Bean Ball' Epidemic Costs Durocher 2 Day Suspension

NEW YORK (AP) — Manager Leo Durocher of the New York Giants Tuesday was fined \$100 and suspended for two days, effective today by National League President Warren Giles as the result of Monday's "bean ball" epidemic at the Polo Grounds. Pitcher Montia Kennedy was fined \$50 and pitcher Larry Jansen \$25 but Jansen's fine was "remitted" because of his good record.

In a lengthy telegram to the Giant officials, Giles said Kennedy was fined because it was believed under the circumstances that he threw deliberately at Brooklyn batters.

Giles pointed out that, under his "bean ball" directive of Aug. 15, a manager is held responsible for the actions of his pitcher.

## No Implication Intended

Giles wired that the fine to Kennedy and suspension of Durocher were not intended to imply that Durocher gave instructions to throw at hitters. "On the contrary," the wire read. "It appears Durocher did exercise some control of the situation by voluntarily removing Kennedy from the game after Kennedy was warned by the umpire."

Giles said it was mandatory, under his directive, that the manager be fined and suspended a minimum of two days.

## 3d Suspension of Year

It was Durocher's third suspension of the season. He was set down for three days after he accidentally kicked umpire Bill Stewart and drew a five-day suspension for threatening gestures to Augie Donatelli later.

Durocher left the clubhouse after Tuesday's game without learning of his fine and suspension.

There were three hit batsmen, all Dodgers in Monday's day game.

Kennedy didn't hit anybody but he drew a warning for two inside pitches to Joe Black, Brooklyn pitcher.

Jansen was involved in a bizarre incident in the ninth. When batter Billy Cox left the plate for the Dodger bench, Jansen started to

walk off the field toward the Giants' dugout. Ordered back to the mound, he hit Cox on the back with his first pitch. Then he was ejected by plate umpire Lee Balfanz.

## X-RAYS OK GARVER'S ARM

# Cleveland, Giants Cut Margins

NEW YORK (AP) — The New York Giants home run bats belted Pittsburgh into submission Tuesday, 11-6, and the Polo Grounds crew picked up a full game on the Brooklyn Dodgers who were defeated by Chicago in a night game.

The on-rushing Giants, who caught Brooklyn in a furious stretch drive for the pennant last fall, thus trimmed the Dodgers' National league lead to four games.

Don Mueller, Monte Irvin and Al Dark hit home runs off the ragged Pirates' pitching while Clyde McCullough, Sonny Senecchia and Ralph Kiner blasted homers off rookie Bill Connelly.

## Tribe Swats Shantz

CLEVELAND (AP) — Early Wynn beat Philadelphia 6-1 Tuesday night to win his 20th game for the Cleveland Indians who now have copped six in a row in their feverish race to catch up with the league-leading New York Yankees. Bobby Shantz, only other 20-game winner in the league, was the loser—his fourth setback in attempting to win victory No. 23.

## Hacker Paces Cubs

BROOKLYN (AP) — Knuckleball expert Warren Hacker pitched the Chicago Cubs to a 7-1 victory over Brooklyn Tuesday night to slice the Dodgers' National league lead to four games over the oncoming New York Giants.

A five-run outburst by the Cubs in the fourth inning broke up a scoreless pitching duel between Hacker and Brooklyn's Ray Moore. A run-producing triple by ex-Dodger Dee Fondy, sand-

wiched in between singles by Frankie Baumholtz and Toby Atwell, another ex-Dodger, sent Moore to cover.

## Stars Fall, 5-4

ST. LOUIS (AP) — Ray Scarborough struck Clint Courtney with a pitched ball in the ninth frame with the sacks loaded to force in a run and give the St. Louis Browns a 5-4 triumph over the New York Yankees Tuesday night.

## Detroit Homers Win

DETROIT (AP) — Cliff Mages and Joe Ginsberg boomed successive home runs off righthander Ivan Delock in the 11th inning with one out to haul the Detroit Tigers from behind to a 4-3 victory over the Boston Red Sox Tuesday.

## Cards Win 7-4

PHILADELPHIA (AP) — Solly Hemus' bases-loaded double and Red Schoendienst' booming triple were the telling blows for St. Louis Tuesday night as the Cardinals tallied five runs in the ninth inning rally to defeat the Philadelphia Phillies 7-4. The batting spurge drove both starter Curt Simmons and reliefer Karl Drews to the showers, and Andy Hansen finally stopped the Red Birds.

## Braves, Reds Split

BOSTON (AP) — The Boston Braves and Cincinnati Reds, battling for sixth place, took turns shutting each other out Tuesday night in a double-header. The Tribesmen won the twilight opener, 1-0, behind Warren Spahn's three-hit pitching then bowed, 2-0, to Harry Perkowski's four-hit performance.
