The Weather

Mostly fair and warm today. Fair and continued warm Wednesday. High today, 79; low, 42. High Wednesday, 77; low, 46.

'Open House' Prizes Displayed

PART OF THE \$500 WORTH of prizes to be given away on Wednesday evening's "College-Nite Open House," are displayed above. A total of 65 Iowa City firms will be open to welcome SUI students from 7 to 9 p.m. Prizes will be awarded to 16 winners of a drawing to be held Thursday morning. The winners will then be announced in The Daily Iowan Friday.

Local Merchants Offer Prizes Valued at \$500

Five hundred dollars worth of prizes will go to lucky persons who sign up during Wednesday evening's "College Nite Open House," sponsored by Iowa City merchants. Over 65 firms will open their doors to get acquainted with students from 7 to 9 p.m.

Fifteen prize winners will be selected at a drawing Thursday, and they will divide awards including a portable typewriter, worth \$105; a record player, valued at \$87; and four 17-jewel wrist watches, worth \$35 each.

Other prizes include four pen and pencil sets, valued at \$30 each; two sweaters, worth \$25 each; an electric shaver, worth \$25; and two hair dryers, valued at \$15 each.

Prize winners will be announced in Friday's issue of The Daily Iowan. The Iowan will print a special Open House issue Wednesday morning with rules and last-minute plans for the prize drawing.

Sponsor of the event is the retail trade division of the Iowa City Chamber of Commerce, headed by J. K. Schaaf. Under rules stated by Schaaf the drawing will be conducted in two portions Thursday morning. The name of a merchant will be drawn, then the name of a person who signed up at that merchant's store will be selected.

"You may sign up for the drawing with any or all of the merchants taking part Wednesday night," Schaaf said, "but you may sign up only once in each store."

No purchase is necessary for a person to sign up for the drawing though stores will do business "as usual" Wednesday night.

Schaaf said the Open House is an attempt on the part of merchants to get acquainted with the students they will serve.

This year's Open House will be the first event of its kind in Iowa City. It was planned at three meetings earlier this month.

Young Republicans To Meet Tonight

SUI Young Republicans will hold their first meeting of the year tonight at 7:45 in conference room 2 of the Iowa Memorial Union.

Alec MacKenzie, L4, Iowa City, state chairman of Young Republicans, will speak on "An Orientation Into Organized Politics."

Plans will be made at the meeting to canvass non-resident SUI students about writing home for absentee ballots for the Nov. 4 election. Bill Ebert, L3, Iowa City, chairman of the SUI Republicans, said Monday.

Precinct committeemen will be selected at the meeting, he said.

STORM WRECKS BASES

LA ROCHELLE, France (AP) — Week-end storms with winds up to 105 miles an hour blew down 120 American troop tents and caused an estimated damage of \$200,000 to U. S. bases in southwestern France, it was disclosed Monday.

MASON CITY (AP) — Dixie Lee Walls, 2, daughter of Mr. and Mrs. Donald Walls who farm near Rockwell, died in a Mason City hospital Monday of injuries suffered when she was run over by a car.

The car was driven by the girl's uncle, Ralph W. Walls.

State Senator Outlines New Program To Replace Iowa's Retirement Statute

Security Chief Bares Red Infiltration

WASHINGTON (AP) — Gen. Walter Bedell Smith said Monday he believes Communists have infiltrated every U. S. security organization, including the hush-hush Central Intelligence Agency which he had headed for the past two years.

Smith said he did not know what persons in the CIA are Communists.

"I wish I did," he added. "I do everything I can to detect them."

"I believe they are so adroit and adept they have infiltrated every security agency of the government."

Testifies at Hearing

The general made his statement while testifying at a deposition hearing in Sen. Joseph R. McCarthy's two million dollar libel-slander suit against Sen. William Benton.

Benton summoned Smith to testify about a speech McCarthy made in the Senate last year attacking the record of Gen. George C. Marshall, the war-time Army chief of staff and later secretary of state.

In that speech, McCarthy said Marshall was "stepped in falsehood" and described him as "mysterious, powerful figure" who sided with Russia in historic decisions which "lost the peace for America."

Questioned by Attorney

The question of Communists in government arose while Smith was being questioned by McCarthy's attorney, Warren Magee. Magee asked the general if he agreed with a statement of Benton at a previous deposition hearing that there were Communists in the State Department.

"I do," Smith replied.

"I believe there are Communists in my own organization."

After the deposition hearing ended, reporters asked Smith if he could elaborate on his statement about Reds in his agency. At first he asked that all his remarks on the subject be kept off the record because "I don't want to charge my people with anything."

Little Change Seen In Fall Enrollment, McCarrel Reports

This year's enrollment figure should be about the same as last year's when final tabulation is completed, Registrar Ted McCarrel, said Monday.

Last year's enrollment was just under 7,000.

The Registrar stated that his office would not have this semester's total registration figures until Wednesday. He did not reveal any preliminary figures, but said that "nursing and engineering enrollment is up."

He said there "is nothing to" an Associated Press story that enrollment may be down 4,000 from the peak of 10,883 in 1948.

Veterans, Freshmen Fill In

McCarrel expects returning Korean veterans and new freshmen to make up the absence of those students who have gone into service or graduated. With the GI bill now in effect, more Korean veterans will be attending college, he said.

The SUI information service said Monday that a report Saturday that fall enrollment figures amount to 6,700 was based on approximation taken a month ago.

The survey, which had been taken by the Associated Press, indicated a considerable drop in enrollment from last year.

Registration Not Complete

President Virgil M. Hancher announced that official registration figures can not be published until they are complete. Not all students have signed up for their first semester classes.

The story from the Associated Press stated that enrollment may well be down 4,000 from the peak year of 1948. President Hancher was quoted as predicting a leveling off in enrollment now, with a slow, then sharp, upswing to peaks higher than those in the record years following World War II.

SUI Young Democrats Hear Loveless' Views On Liquor, Highways

Herschel C. Loveless, Democratic candidate for governor of Iowa, discussed his views on liquor control laws, road improvement, and other campaign platform issues in Iowa City Sunday, Sept. 28, at the opening meeting of the SUI Young Democrats organization.

The meeting was held at 7:30 p.m. in the Shambaugh lecture room of the SUI library.

Other proposals Loveless favored in his talk were removing the state superintendent of public instruction from politics, enactment of an Iowa public utilities commission, increased appropriations for mental institutions, and improvement of Iowa highways.

The talk was followed by a question and answer session open to the audience, which resulted in a lively discussion.

Members of the state central committee and county central committee were present at the meeting. Clair Williams, Danville, Democratic candidate for first district congressman also attended.

Following the discussion a reception was held in the smoking lounge of the library where the public had a chance to meet and talk to Loveless.

The next meeting of the SUI Young Democrats will be Thursday, Oct. 2, at 7:30 p.m. in 221A Schaeffer hall. It will be an organizational meeting in which plans for the coming fall will be discussed and in which desires for committee preferences may be indicated.

Ike to Outline Financial Status Before Public

NEW YORK (AP) — Gen Dwight D. Eisenhower Monday accepted Gov. Adlai E. Stevenson's challenge to bare his personal financial position.

Just when the Republican presidential nominee will do so was not announced.

His headquarters said it was unlikely the statement would be ready before he left for Columbia, S. C., today on the first leg of an 8,000-mile campaign tour that will take him to the west coast.

Stevenson Reports Income

Stevenson, the Democratic nominee, Sunday reported that his own gross income for the past 10 years totaled \$500,046 and that he paid federal taxes of \$211,890 on it.

He had put it up to Eisenhower to match his action by declaring all candidates for high office should disclose their personal financial condition dating back over a period of years.

James C. Hagerly, the general's press secretary, said he did not know details of what form Eisenhower's report would take.

Newsmen had asked whether it would be a general statement of his financial position or whether it would include a breakdown of his income and tax payments year by year, as Stevenson's report did.

Hagerly Makes Statement

Hagerly said in a statement: "Since the general has not previously been in politics and since he has not had a political fund, and does not now have such a

Fraternity Welcomes Tunisian

SIGMA ALPHA EPSILON, social fraternity president Bill Merner, A4, Cedar Falls, (second from left), greets Azzedine Cherif of Tunis, Tunisia, who arrived Monday at SUI to study electrical engineering. He is the third foreign student to be sponsored by SAE for a year's study here. The other two students were from Germany and Greece. Cherif will live at the SAE chapter house, 303 N. Riverside drive. Also pictured are Don Daughton, C4, Mount Ayr, (second from right), and Darwin Baer, A3, Cedar Rapids, members of SAE.

fund, he has given little attention to the stories in the papers in the last few days regarding the relationship of such funds to income tax returns.

"Since there now seems to be a public interest in his financial situation, he will get his records together and I am sure he will issue a statement later on."

Student Council Sees Likely Re-Affiliation With National Group

The student council will decide at the next council meeting whether it will re-affiliate with the United States National Student Association this year, Peter Van Metre, L4, Waterloo, student council president said Monday.

The council dropped out of the association last year.

Representatives of five schools in the Iowa-Nebraska region listened to Leonard Wilcox of the University of Michigan and nationally vice-president of the USNSA at an informal regional conference Saturday, Sept. 27.

Wilcox outlined the international, national and campus programs and answered questions concerning the organization. Wilcox was president of the student council at the University of Michigan last year and is now working full-time as vice-president of the USNSA for one year.

10 Schools Represented

The informal regional meeting was held to explore the possibility of re-activating the Iowa-Nebraska region. Colleges represented at the meeting were Marycrest, Davenport; Clarke college, Dubuque; Dubuque university, Dubuque; Nebraska State college, Kearney, Neb., and SUI.

The USNSA includes 300 member colleges and 800,000 students. In 1949, 13 colleges in the Iowa-Nebraska region belonged to the USNSA with SUI the leading member school in the region.

Members of the USNSA are entitled to the student information services which include surveys of the experiences of student governments throughout the country with campus chests, book exchanges, student co-ops, faculty evaluation programs and other campus activities.

Represents Student Opinion

Nationally, the USNSA represents student opinion and is the only national student group which is non-sectarian.

The student council sent three observers to the National Student Congress, annual convention of the USNSA, in August of this year at the University of Indiana.

The two council representatives sent to the convention were Connie Hastings, A3, Iowa City; Bill Isenberger, A2, Sioux City. The non-council representative was Tom Brown, A4, Iowa City.

The observers will report on the work and activities of the convention at the next council meeting.

Would Include Social Security In Special Plan

DES MOINES (AP) — Tentative recommendations to repeal the present state retirement law for Iowa's public employees and adopt a new program based on participation in the federal social security system were outlined Monday to the Iowa League of Municipalities.

The recommendations were discussed before the group by state Sen. Herman B. Lord (R-Muscatine), chairman of a joint study committee created by the 1951 Iowa legislature.

The basis on which the committee is now proceeding involves these proposals:

1. To liquidate and abolish the Iowa retirement fund which has been found financially unsound.

2. To bring all the state's public employees under the federal social security act dating back to Jan. 1, 1951.

Include New System

3. To adopt a new state annuity and retirement system which would supplement the federal act and provide more retirement benefits than could be obtained under the social security law alone.

Senator Lord emphasized that this course is entirely tentative and that there are a great many questions which the committee must have answered before it can draft a final report to the 1953 legislature. It will seek answers to the questions and reaction to its proposals at a series of meetings throughout the state starting Oct. 8.

Would Raise Contributions

Senator Lord pointed out present social security contributions are now 1 1/2 per cent of salary and that the proposed supplemental state system would cost employees 3 1/2 per cent of salary, making a total of 5 per cent a year. The amounts would be matched by the employer. Under the present Iowa system the employee and employer pay 4 per cent of salary.

Lord gave some idea of monthly retirement benefits that might be paid under a combined social security and new state retirement plan. Examples were \$81.86 a month for a person who retired at 65 after 10 years service at a salary of \$200 a month and \$132.24 if he retired after 35 years service. In each case the monthly figure would include \$70 of social security benefits. But he explained these figures would depend on how the system finally was set up.

Has Large Reserve

The present Iowa retirement fund has reserves estimated at about \$37 million. If the old system is abolished this money would be used to:

Continue retirement and death benefits to all persons now receiving them.

Pay for the social security contributions of all public employees from Jan. 1, 1951 up to the time the legislature brings them under the federal act, or sometime in 1953.

Pay refunds of contributions of all public employees from Jan. 1, 1951 up to the time the legislature brings them under the federal act, or sometime in 1953.

Pay refunds of contributions under the old law to all persons who are no longer in public service and received no benefits.

Blue Cross Open To SUI Employees

All SUI employees who have not joined the Blue Cross hospital insurance plan may do so Wednesday at the university or the hospital business offices, the SUI personnel office announced Monday. Blue Cross representatives will be in both offices from 8 to 12 a.m. and from 1 to 5 p.m.

This will be the only opportunity during the 1952-53 school year for persons presently employed by SUI to join the organization.

New employees may become members at any time during their first 30 days of service, but only one opportunity a year is offered thereafter.

World News Briefs

A Condensation of Late Developments

SEOUL (AP) — Chinese Communists hurled tanks, troops and heavy artillery in eight concentrated attacks along a 10-mile sector of the Korean central front Monday and seized one hill. Allied defenders staved off six of the Red drives and stood firm on Capitol hill, a major position. The U.S. eighth army said reports were incomplete on an eighth Red thrust. The Chinese sent tanks and 1,600 infantrymen charging up the slopes of Capitol hill and nearby Finger ridge west of the Pukhan river before dawn. More than 5,600 rounds of artillery and mortars fell on the defenders. The South Korean capitol division, however, rode out the storm and held firm on Capitol hill.

PARIS (AP) — Gen. Matthew B. Ridgway, NATO commander, said Monday it will take more than a year to build up enough military reserve to protect free Europe. Ridgway told newsmen, "We do not and will not have in the next 12 months a large enough land reserve available to move from one end of the continent to another. We are still short on military protection." He added that the disparity between military forces of the West and Russia is still great.

HONOLULU (AP) — The air force announced Monday a B-47 medium jet bomber flew from California to Hawaii Saturday in four hours, 52 minutes to set a speed record for the 2,434-mile hop. The previous best time was reported unofficially to be five hours 23 minutes, made by a B-45 bomber. Hickam air force base said the jet flew from Travis air force base, Calif., at an average speed of about 500 miles an hour.

Loveless Meets with Young Democrats

HERSCHEL LOVELESS, DEMOCRATIC CANDIDATE FOR IOWA GOVERNOR, is pictured at the Jefferson hotel a short time before he spoke at the SUI Young Democrats meeting Sunday night. From left to right are Jim White, A4, Iowa City, secretary of the Young Democrats; Dave Koch, A4, Ames, chairman of the Young Democrats; Ruth Duffy, A4, Churdan; Loveless; Marge McGivern, L3, Marcus, first district Iowa Young Democratic committeewoman; George Murphy, L2, Dubuque, vice-chairman of the Young Democrats, and Jim Jensen, G, Missouri Valley, first district committeeman of the Iowa Young Democrats.

UWA Open House Today At Union

ADVANCE PREPARATION for the UWA open house today were underway Monday at the Union. Orientation leader Sally Irish, A4, Forest City, (second from left), and council member Jane Blake, A3, Cedar Rapids, (second from right), explained to Peg Milota, A2, Davenport, (left), and Jane Redenbaugh, A2, Waterloo, (right), about orientation and next year's council and its functions.

A University Women's association open house for all new students will be today in the River room of the Iowa Memorial Union from 3 to 5 p.m.

The guidepost orientation theme will be followed through.

A new UWA council will be chosen in November and orientation leaders and assistants for the 1953-54 school year will be chosen in April. They will be chosen from a list of those who sign up at the open house, and followed by personal interviews.

Personal interviews will be held Oct. 2 through 10 at the UWA desk in the office of student affairs. They will be conducted by last year's freshmen council.

At the Profile Preview booth students are urged to sign up for personal interviews with former model Mrs. Winifred Mather who will be UWA's guest on Oct. 15 and 16.

Mrs. Mather will conduct interviews during both days on individual styles and will offer beauty advice.

Interviews will be at the Y Council rooms in the Union. Toni Rohmberg, A4, Dubuque, last year's Miss Profile Preview, will

be present.

Other UWA activities that can be signed up for are foreign student and service committees. Both need active members.

Several spots are open on Spinsters Spree committees. Also open are positions for hostesses at student faculty coffee hours.

Other positions open include work on: Code for Coeds, vocational conference, university sing, information first, and the UWA calendar.

President of UWA is Peggie Lutz, A4, Des Moines.

Methodist Group To Pledge Sunday

Kappa Phi, club for Methodist women students, will hold pledging ceremonies Sunday morning.

The group will entertain at two informal parties Wednesday and Thursday evenings at 8 in the North lounge of Wesley house. All girls of Methodist preference interested in the organization are welcome.

Kappa Phi's annual Rose tea was held last Sunday afternoon.

Minister to Speak To Campus Group

The Rev. Paul L. Kindschi, president of the Iowa-Minnesota conference of the Wesleyan Methodist church, and Stan Morse, trombonist, will be guest entertainers at the first meeting of the Iowa Christian Fellowship.

The Fellowship is a newly-formed campus organization affiliated with the national Inter-Varsity Christian Fellowship. For their first program, they plan to have the Rev. Mr. Kindschi present a program of interest to students.

The Rev. Mr. Kindschi was formerly pastor of the First Wesleyan Methodist church of Waterloo and directed the "Melody and Meditation Hour" on the radio. He is a graduate of Iowa State Teachers college.

Morse has long been a professional musician and formerly was with Horace Heidt.

Zeta Tau Apha Alums Will Meet Tonight

A meeting of the Zeta Tau Alpha alumni club will be tonight at 7:30 at the home of Mrs. Luvern Kaehl, 1107 N. Dodge st.

All members who have not been contacted personally are urged to attend.

1st YWCA Meeting To Be Thursday

All SUI women and especially new students are urged to attend the first mass meeting of the YWCA Thursday, Oct. 2, at 4:10 p.m. in the Shambaugh auditorium at the University library.

A skit will be presented by the "Y" cabinet, humorously outlining many of the "Y" services on the Iowa campus. The executive council members will be introduced also.

After the meeting interested girls will be given the opportunity to sign up for personal interviews. These interviews will show them how they can assist the YWCA in its services and become a member of the organization.

Informal Rushing Begins October 1

Informal rushing will be from Oct. 1 through Nov. 1, Virginia Havercamp, A4, Muscatine, president of Panhellenic association, announced Monday.

Those interested may sign up at the office of student affairs. Freshman students must have been in the upper half of their high school graduating class and transfer students must have at least a two point cumulative grade average.

A complete file of rushees will be kept. Rushees must be registered for at least one week before they may pledge.

Any group which has not filled its maximum membership may pledge members during informal rushing.

ROOSEVELT TO VISIT IOWA
DES MOINES (AP)—Franklin D. Roosevelt, Jr., New York Democratic congressman, will spend a busy campaign day in Iowa today. He will speak at a Drake university convocation in Des Moines at 10 a.m. and will have a press conference at 41.

Week-End Roundup —

Our predictions for the games of last week-end came out well, especially considering that three of the tilts that we had figured as "sure things" ended up in ties. That automatically cut the number of possible correct games to 12. Here are our picks and the actual results:

WE WERE RIGHT
 Illinois 33, Iowa State 7
 Michigan State 27, Michigan 13
 Ohio State 33, Indiana 13
 Wisconsin 42, Marquette 19
 UCLA 14, TCU 0
 Holy Cross 27, Dartmouth 9
 Georgia Tech 17, Florida 14
 Maryland 13, Auburn 7

WE WERE WRONG
 Pitt 26, Iowa 14
 USC 31, Northwestern 0 (Murder!)
 Stanford 14, Washington State 13
 Washington 19, Minnesota 13

TIE GAMES
 Purdue 20, Penn State 20
 Notre Dame 7, Penn 7
 Oklahoma 21, Colorado 21

We picked Washington State by one, but Stanford reversed things on us. A blash is the only practical comment on the USC-Northwestern game.

Staff member Johnny Meyer, by picking USC and Stanford, came up with the best percentage, 10-2. Dick Mau took Pitt over Iowa, while going along with us on the other predictions, so his standing is currently 9-3.

Not bad results, considering the small amount of comparative information available on the teams — most of the games were season openers.

Picks for next week in Wednesday's column.

The aforementioned Meyer made the trip to Pittsburgh Saturday and came up with these column notes —

Iowa came out of the season opener at Pitt with a 26-14 defeat written into the record books — a mark no better than the early season dopesters predicted.

In absorbing what many figure to be the first of nine straight defeats during the 1952 campaign, Coach Forest Evashevski's charges gave their small band of followers eastward plenty to talk about, but were still lacking needed punch.

In explanation of their loss — billed as lacking defense, depth and experience, the Hawks showed just that Saturday but they displayed spirit and a high geared offense good enough to please all, including their coach.

Not only were the Hawks highly effective from a T and single-wing offense against a so-so Pitt defense but they came up with a surprise spread that should cause someone, somewhere, a lot of trouble.

That proved to be Evy's secret weapon which he had been hiding behind closed stadium gates for over a week.

After the game Evy said that he had originally planned on centering the spread around Dusty Rice, with the sensation of a year ago either running or passing, but injury to the Oelwein junior forced a change of plan.

A familiar face to Hawkeye football, Bob Fitch, end coach under Leonard Raffensperger last year, was on hand for the Pitt game as an Indiana scout. He'll act as a Hoosier assistant this week when the Hawks take on Indiana in the Iowan's Big Ten opener.

Another scout present was Pete Elliott, brother of the Hawkeye assistant, and an aid at Oklahoma, the team that will entertain Pitt Saturday.

WE PICKED WASHINGTON STATE BY ONE, BUT STANFORD REVERSED THINGS ON US. A BLASH IS THE ONLY PRACTICAL COMMENT ON THE USC-NORTHWESTERN GAME.

STAFF MEMBER JOHNNY MEYER, BY PICKING USC AND STANFORD, CAME UP WITH THE BEST PERCENTAGE, 10-2. DICK MAU TOOK PITT OVER IOWA, WHILE GOING ALONG WITH US ON THE OTHER PREDICTIONS, SO HIS STANDING IS CURRENTLY 9-3.

NOT ONLY WERE THE HAWKEYES HIGHLY EFFECTIVE FROM A T AND SINGLE-WING OFFENSE AGAINST A SO-SO PITT DEFENSE BUT THEY CAME UP WITH A SURPRISE SPREAD THAT SHOULD CAUSE SOMEONE, SOMEWHERE, A LOT OF TROUBLE.

THAT PROVED TO BE EVY'S SECRET WEAPON WHICH HE HAD BEEN HIDING BEHIND CLOSED STADIUM GATES FOR OVER A WEEK.

AFTER THE GAME EVY SAID THAT HE HAD ORIGINALLY PLANNED ON CENTERING THE SPREAD AROUND DUSTY RICE, WITH THE SENSATION OF A YEAR AGO EITHER RUNNING OR PASSING, BUT INJURY TO THE OELWEIN JUNIOR FORCED A CHANGE OF PLAN.

A FAMILIAR FACE TO HAWKEYE FOOTBALL, BOB FITCH, END COACH UNDER LEONARD RAFFENSPERGER LAST YEAR, WAS ON HAND FOR THE PITT GAME AS AN INDIANA SCOUT. HE'LL ACT AS A HOOSIER ASSISTANT THIS WEEK WHEN THE HAWKEYES TAKE ON INDIANA IN THE IOWAN'S BIG TEN OPENER.

ANOTHER SCOUT PRESENT WAS PETE ELLIOTT, BROTHER OF THE HAWKEYE ASSISTANT, AND AN AID AT OKLAHOMA, THE TEAM THAT WILL ENTERTAIN PITT SATURDAY.

Mrs. Tucker is the woman they TALK about!

Black, Reynolds Open Series

Light Workout For Hawkeyes; Indiana Next

Iowa's football squad returned to the practice field again Monday to begin ironing out mistakes made in the Hawks' 26-14 loss to Pittsburgh Saturday.

The workout Monday was a comparatively short one. Coach Evashevski briefed the first team on some 'do's and don'ts' for the coming game with Indiana at Bloomington next Saturday, and then ran his top offensive team through a few new offensive plays.

Evy's offensive outfit, which did quite a commendable job against

I-CLUB MEETS
 The I-club, made up of major "I" winners, has scheduled its first meeting of the year tonight at 7:30 p.m. at the Iowa Memorial Union.

Pitt, then moved outside the regular practice field for a short session of signal drills.

A group of freshmen were moved to the practice field to test the offensive abilities of the second and third teams.

Evidentially the coaching staff was digging for more offensive depth with this rough and tumble scrimmage involving only offensive maneuvers on the part of the varsity group.

Monday evening the Hawks and coaching staff watched movies of the Pitt game and heard scouting reports on Indiana.

Another mishap befell Iowa's outstanding left halfback of the 1951 season, Dusty Rice, in the Pitt encounter. Rice's left ankle was sprained, and this coupled with his right knee injury might keep him out of the Indiana game.

Travel plans for the second successive road trip call for the Hawkeyes to leave Iowa City Friday at 9:15 a.m. and arrive in Indianapolis, Ind. at 8:15 p.m. The party will stay Friday night at the Lincoln hotel and travel the 55 miles to Bloomington by bus Saturday morning.

Speedster!
Milani Leads Backs In 1st Year

Breakaway backs in recent years have been for the most part the possession of the opposition but now the SUI football team may have come up with a young man who can do a little defense-pestering of his own.

He is Jim Milani, 165-pound sophomore left halfback from Centerville who averaged 7.5 yards per attempt in the Pittsburgh game last Saturday.

Milani scored two touchdowns, one on a 54-yard cutback end run. His yardage total of 120 yards was tops among all backs in the opener.

Milani as a freshman on the JV team a year ago was a standout. A 96-yard return of a kick-off in a JV game, with Wisconsin, highlighted his season's performance.

With "Dusty" Rice not his usual self yet this fall because of a balky knee, Milani was moved in to the left halfback position, after starting as a fullback. What he lacks in passing skill he makes up in ability to take off fast and keep accelerating downfield.

Jim was an all-state halfback in high school in 1950 and earned other honors as a low hurdler. He holds the state indoor high school mark and the Iowa AAU indoor record and in 1951 his outdoor time for the 180-yard low hurdles was third in the nation.

Quiet, cheerful and determined Milani came to the university on a Nile Kinnick scholarship. He is taking a pre-law course, planning to become an attorney like his father.

Touch Football Starts This Week —
Phi Psi, Nu Sigma Nu Intramural Golf Champs

Phi Kappa Psi and Nu Sigma Nu won the social and professional fraternity fall golf titles as the 1952-53 intramural sports season began Saturday.

Members of the Phi Psi team which totaled 319 strokes to win the social championship were Heinie Taylor, Jim Leichty, Chuck Danielson and Jim Weber. Second was Phi Delta Theta with 322 strokes and third was Beta Theta Pi with 333. The Betas' Tom Washburn took medalist honors with a 78.

Totalling 333 strokes for the professional fraternity champs, the Nu Sigma Nus, were Chuck Hintz, Curtis Brown, Arnold Jensen and Charles Brummitt. Hintz' 77 was low score for the bracket.

The athletic managers for teams in the social and professional fraternity leagues have an organizational meeting today at 5 p.m. in room 201 of the field house, while managers from Hillcrest, Quadrangle and the Small dorms meet at the same time and place Wednesday.

Touch football games begin Saturday with the professional fraternity teams seeing action. All of the other leagues begin play Monday and Tuesday.

Illini Halfback Ellis Lost for Season

CHAMPAIGN, Ill. (P) — Halfback Billy Ellis was shelved for the season by a knee injury Monday accentuating Illinois' ball carrying problem in its crucial Big Ten opener at Wisconsin Saturday.

Coach Ray Eliot worked Stan Wallace and Howie Workowski, defensive backs, in Ellis' post to build depth behind starter Pete Bachouros at left half. Bachouros' replacements now are all defensive men, also including Herb Neathery.

BLOOMINGTON, Ind. (P) — Scout Bob Fitch told Indiana's football squad Monday that Iowa, its Saturday opponent, is stronger than its 26-14 loss to Pittsburgh indicates.

Coach Bernie Crimmins tried out some position shifts in secret practice.

The Hoosiers came out of the 33-13 loss to Ohio State with only minor injuries.

ROOKIE OF YEAR - - - By Alan Maver

JOE BLACK, BROOKLYN FIREMAN AND RED HOT CANDIDATE FOR MOST VALUABLE ROOKIE, WOULD BE A CHANCE TO WIN IF THEY VOTED FOR MOST VALUABLE DODGER!

HE EASILY BROKE THE DODGER PITCHING RECORDS FOR MOST APPEARANCES, 54, AND FINISHING GAMES, 37— WOULD HAVE EXCEEDED PAST 20-WIN MARK IF CREDITED WITH ALL HE SAVED—AND WOULD RATE WITH LEADERS IN INNINGS PITCHED IF BULL-PEN DUTY COUNTED!

NEW YORK (P) — Relief man Joe Black of Brooklyn and Allie Reynolds, New York Yankee ace, will be the opposing pitchers Wednesday in the World Series opener at Ebbets Field. Both are righthanders.

Manager Chuck Dressen of the Dodgers followed up his week-end hints by definitely selecting the 28-year-old Black (15-4), who worked in 56 games during the National League season.

After watching Black warm up for about 10 minutes in a Yankee Stadium workout, Dressen turned to newsmen and said, "That's my pitcher." It wasn't until some time later, while talking to reporters, that Black learned he had been tapped.

Casey Stengel's announcement on Reynolds was almost automatic. The big Indian chief (20-8) drew almost every important assignment during the season. He has been Stengel's opening choice in three of his four straight World Series.

The odds still favored the Yanks by a little better than 8 to 5 in man to man betting. The Yanks were also the 6 to 5 choice to win the opener behind the fire and lightning of 34-year-old Reynolds. Dressen and Stengel listed their first three pitchers through Friday's Yankee Stadium opener. In the second game it will be Carl Erskine (14-6) for the Brooks against Vic Raschi (16-6). When they move to the Yankee Park for the third game, it will be two lefthanders with Preacher Roe (11-2) for the Dodgers and Eddis Lopat (10-5), star of the 1951 Series, for the Yanks.

Asked what he would do for relief in case Black has trouble, Dressen said, "If it's the ninth, and a certain kind of hitter lefty is up there, I'd go for Roe. Otherwise it probably would be Billy Loes or Johnny Rutherford."

Dressen listed his batting order as follows: Billy Cox, 3B; PeeWee Reese, SS; Duke Snider, CF; Jackie Robinson, 2B; Roy Campanella, C; Andy Pafko, LF; Gil Hodges, 1B; Carl Furillo, RF; and Black.

"I don't know my batting order yet," said Stengel who used 98 different combinations enroute to a record-tying fourth straight pennant. "If Woodling plays he'll probably bat fourth and Berra fifth."

Light Workout For Hawkeyes; Indiana Next

Iowa's football squad returned to the practice field again Monday to begin ironing out mistakes made in the Hawks' 26-14 loss to Pittsburgh Saturday.

The workout Monday was a comparatively short one. Coach Evashevski briefed the first team on some 'do's and don'ts' for the coming game with Indiana at Bloomington next Saturday, and then ran his top offensive team through a few new offensive plays.

Evy's offensive outfit, which did quite a commendable job against

Your Iowa City Retailers Invite You to REGISTER for the BIG PRIZES Tomorrow Night from 7 to 9 p.m. at College Nite Open House!

What Is College Nite Open House? Look at the Prizes You May Win!

College Nite Open House is brought to you by the retailers of Iowa City as a genuine gesture of friendliness — a special invitation to YOU to come in and get acquainted — and offers YOU the opportunity to win BIG PRIZES!

Tomorrow night, look for the stores with the big WELCOME posters, and go in and register. Anyone may register. The more stores in which you register, the greater your chance to win one of the 15 BIG PRIZES! So register tomorrow night in as many stores as you wish — you may be one of the lucky winners!

See Tomorrow's Daily Iowan for a List Of the Stores Where You May Register!

College Nite Open House Is Sponsored By The Retail Trade Division of Your Iowa City Chamber of Commerce

A drawing will be made on Thursday, Oct. 2, by the Retail Trade Committee of the Iowa City Chamber of Commerce, from all the registration slips. Winners will be announced in Friday's Daily Iowan.

15 Useful Prizes!

- 1 Portable Typewriter
- 1 3-speed Record Player
- 4 Famous Name Watches
- 2 Electric Hair Dryers
- 1 Electric Shaver
- 2 Cashmere Sweaters
- 4 'Snorkel' Pen Sets

SUI Publishes Mental Health Book

Detailed information about the mental health treatment facilities in Iowa, public and private, is contained in a new reference book just published by the institute of public affairs of SUI.

The book gives practical information about all 23 of the institutions, hospitals, clinics and centers in the state which treat persons for mental or emotional disturbances and illnesses.

The book was prepared through the cooperation of the Iowa Mental Health authority, the board of control of state institutions, the state department of social welfare and the university's school of social work and institute of public affairs.

Johnson Is Author
Author of the book is Donald Bixler Johnson, formerly of Spencer, who did the work as a graduate student in the university's school of social work and an intern in the institute of public affairs. Johnson is now a psychiatric social caseworker in an Illinois veterans hospital.

Information about each facility includes its functions, bed capacity, staff, who is eligible for service, admission procedures, treatment offered, routine and special activities for patients, visiting hours, clothing requirements and costs of service.

Also included is a brief summary of Iowa laws regarding admission and discharge of mentally ill persons and feebleminded persons in institutions and the responsibility for payment of the costs of treatment and care.

Book Intended As Reference

The book is intended as a reference for social welfare workers and local public officials who have occasion to work directly with persons seeking information about mental health treatment services.

In gathering material for the book, Johnson visited most of the institutions. This research represents regulations and conditions in effect in the spring of 1952.

No attempt is made in the book to analyze or evaluate the facilities or the treatment offered. Rather, the book simply presents detailed information about the various facilities and their rules and regulations as they affect patients and their families.

Drama Department To Hold Open House

The dramatic arts department will hold open house Wednesday night, Oct. 1, from 7:30 until 10:00 p.m. in the dramatic arts building, Prof. Harold Crain announced Monday.

Visitors will be introduced to the dramatic arts staff and be conducted on a tour of the building, including the workings of the stage, Crain said.

Motion picture slides of former SUI theater productions will be shown, followed by refreshments, he said.

"Persons interested in how a play is produced, or what goes on behind the curtain, and especially dramatic arts students, are cordially invited," Crain said.

AFROTC to Start Drill Team at SUI

A precision drill team comprised of approximately 35 air force ROTC cadets will be started at SUI, Lt. Col. Reese Joiner, SUI air force ROTC public information officer, announced Monday.

Final selection of the team will be made tonight in the field house armory at 6:45.

Joiner said the team would execute five or ten-minute drill maneuvers at SUI football and basketball games.

Plans also are being made to send the drill team to the Drake Relays next spring, he said.

3 SUI Students Given Plumbing Scholarships

Three more students have been awarded scholarships to SUI by the National Association of Master Plumbers, according to Francis M. Dawson, dean of the college of engineering.

The association previously had six scholarship holders at SUI. It offers yearly awards for study in the fields of civil and mechanical engineering, with particular emphasis on those courses relating to plumbing, such as fluid mechanics and thermodynamics.

Featured in 'Energy in Action' Show

LIQUID NITROGEN AT 321 DEGREES below zero Fahrenheit is being used to drive a miniature steam engine. This demonstration, by Robert B. Dollison is a part of the eight act "Energy in Action" show to be presented in the Electrical Engineering building tonight at 7:30. The show will include demonstrations on low temperature research, the background and development of the atomic theory, the principles of color television, and frost free refrigeration. Westinghouse research laboratories have arranged the program.

Scientists to Present Show

Both live demonstrations and a movie, "Energy is Our Business," will be included in the science show tonight. The show will be at 7:30 p.m. in the electrical engineering auditorium, room 103, of the Electrical Engineering building.

The principles of color television, the background and development of the atomic theory, frost-free refrigeration, and low temperature research will be among the demonstrations.

A mock-up of the atomic engine of today and a conception of what it may look like in the future will also be on display.

The show is being sponsored at SUI by the student branches of the American Institute of Electrical Engineers and the Institute of Radio Engineers. Westinghouse

Gaffney Fines 2 For Drunk Driving

Two of ten men arraigned before Judge James P. Gaffney in Johnson county district court Monday pleaded guilty. The others were held for trial or given further time to plead.

The two who pleaded guilty, Aloysius J. Murphy, 104 W. Benton st., and Homer G. Hall of Ladora, were both fined \$300 on charges of drunken driving.

The six who were given additional time to plea were Ronald J. Kucera, Oxford, charged with resisting arrest; Joe Kinney of Oxford, on an assault charge; John Robert Kelly, Iowa City, resisting arrest, and Fred G. Robinson of Cedar Rapids, arraigned on a bigamy charge.

Roy Edward O'Leary, Coralville, pleaded innocent to a third offense charge of driving while intoxicated, and Arthur Matthes of Iowa City on a charge of attempted bodily injury on Adeline Bowers in Iowa City last July 5.

The judge declined to ask a plea from Robert E. Booth, 17 Hills, and approved a request for his examination at the Psychopathic hospital.

Charles Sanders, charged with abandonment and desertion, was also given more time to plead.

O'Leary, Kinney, Kucera, and Matthes were freed on bail, and Kelly, Sanders, Booth and Robinson were held in jail.

Cost Control Important, Moeller Tells Editors

Newspapers must make every possible effort to explain to the public that newspaper costs are rising more rapidly than income, Prof. Leslie G. Moeller, director of the SUI school of journalism, told the annual Interstate Editorial association convention Saturday in Sioux City.

At the same time, newspapers must work to cut their operating costs, and seek out new production methods which may offer long-term savings, he said.

Costs Rise Rapidly
Most publishers report that costs of labor and essential materials are rising more rapidly than income, he declared, and many newspapers have recently suffered losses of advertising revenue over a year ago, while production costs have not declined in the same way.

Newspaper staffs can help control costs by keeping up a high level of production efficiency, with minimum lost-time periods, Moeller said. He also urged the adoption of plans which will bring employees directly into conferences on methods of cutting costs.

"The possible future wage scales for employees are tied very directly to their production efficiency," Moeller said.

Urges Rechecking

He urged a rechecking of the whole production pattern, including all departments, at least each six months. Each step in each operation should justify itself, he declared.

World War II Vet Victim of Bulbar Polio

COUNCIL BLUFFS (AP)—Donald Dean Williams, 27, of Crescent Township, a World War II veteran and lifelong resident of Pottawattamie county, died here Monday of bulbar polio.

He was the 17th person to die of the disease in Council Bluffs hospitals this year. He was admitted Sept. 18.

Polio Causes Death Of Lone Tree Man In Local Hospital

Bernard F. Heitzman, 32, of Lone Tree, died of polio at 7:52 p.m. Sunday in University hospital, where he was admitted Sept. 10.

His funeral services will be held this morning at 9 a.m. at St. Mary's church in Lone Tree, with burial in Mt. Olivet cemetery in Riverside. The arrangements have been made by Sorden and Adams, undertakers.

Mr. Heitzman, the son of Elizabeth and Elmo Heitzman, was born in Riverside on Feb. 11, 1920. He married Miss Betty Nemeec Aug. 28, 1945, in Hutchinson, Kan.

Mr. Heitzman was a graduate of St. Mary's high school in Riverside, and a member of the Catholic Order of Foresters. He was a veteran of World War II.

He is survived by his widow, also stricken with polio in University hospitals, two daughters, Janice and Sandra Sue, his parents, two sisters, Mrs. Walter Helm of Iowa City and Mrs. Ned Figgins of Riverside, and two brothers, Urban, of Riverside, and Duane, serving with the navy.

flow, and new equipment are important, he said, but none is as important as good employe morale which maintains high production.

Newspapers can help solve their long-term problems, Moeller pointed out, by sponsoring research programs at journalism schools.

Iowa Artists Display 40 Paintings in Union

Forty oil paintings by Iowa artists are now on display in the main lounge of the Iowa Memorial Union at SUI. The exhibit, the product of 21 professional Iowa artists, will remain on display through Oct. 26.

The exhibit was compiled by the Iowa Art Guild of Des Moines, a professional group, and virtually all of the contributions are paintings by guild members.

Britisher Sets Speedboat Mark, Dies In Crash

LOCH NESS, Scotland (AP)—British speed ace John Rhodes Cobb Monday drove his jet-propelled speedboat Crusader faster than man ever before had travelled on water — 206.89 miles an hour — then died in an explosion that blew his craft to bits.

Cobb, 52, was hurled into the waters of fabled Loch Ness before the eyes of his horrified wife, Vera, and hundreds of other spectators. His 6,000-horsepower hydroplane disappeared in a cloud of smoke and spray.

A lifebelt enabled him to float around for a while before he was picked up by a white boat. Some witnesses said he died of a broken neck aboard the rescue craft. But Comdr. Arthur Bray, in charge of the timekeepers and one of the first to reach Cobb in the water, said he believed death was instantaneous.

First of Two Runs

Cobb's \$42,000 boat disintegrated during the first of two scheduled runs aimed at shattering the world's water speed run of 176.497 miles per hour set last July by Stanley Sayres of Seattle, Wash.

Sensitive time recorders showed that Cobb, who already held the world's auto speed record of 394 miles per hour, had covered the measured mile in 17.4 seconds—an average of 206.89 miles an hour—to become the fastest man on water.

But Cobb will not be credited with the mark since two runs over the measured mile are necessary to make it official. The shattering explosion in the waters of the legendary horn-headed monster of Loch Ness cheated Cobb out of attaining that distinction.

Wife Hides Face

Cobb's wife, whom he married two years ago, hid her face in her hands and turned away as the 31-foot plywood and aluminum boat exploded.

"We don't know exactly what happened," said G. E. Nicholson, a hotel manager who was standing near Mrs. Cobb. "One minute the Crusader was there. The next, it was not. There were just a few pieces floating about."

Comdr. Peter du Cane, one of Cobb's assistants, theorized waves set up by attendant boats on the two-mile wide course may have contributed to the accident. "He hit three big waves—that was his trouble," du Cane said.

CHICAGO MAN FREED

CHICAGO (AP)—A convict who has served 23 years of a life sentence for murder won his freedom Monday because the trial judge used a charge to the jury which has since been held unconstitutional. He is Patrick Joyce, 44, of Chicago. Joyce probably will not have to go to trial again, said Robert McDonnell, an assistant state's attorney. McDonnell told Circuit Judge Joseph Graber that attempts to locate witnesses who testified against Joyce in August, 1929, were fruitless.

AFROTC Liaison Team Visits SUI

(Daily Iowan Photo)

ON AN INFORMAL LIAISON VISIT TO SUI are two men from the main AFROTC headquarters in Montgomery, Ala. The headquarters in Alabama governs all colleges in the country and the two men shown above make up the liaison team to the midwest. (Left to right) Maj. Jack E. Worrington, Col. George A. Bosch, professor and head of SUI air science and tactics, and Lt. Col. Robert E. Phillips. The visit of the air force men will consist of an interchange of information and a comparison of SUI methods with those of other universities. The men arrived on Monday and will leave late this afternoon.

Engineer Colleges' Magazine Editors To Meet at SUI

Students on "The Iowa Transit," engineering college magazine, will be host to 25 colleges and universities at the Engineering College Magazines Associated convention from Oct. 2 to 4.

The purpose of the conference is "to permit editors and business managers of various engineering magazines to discuss mutual problems and to work out solutions to these problems," according to Warren Pagel, E4, Tama, comptroller of "The Iowa Transit."

The ECMA is made up of 33 member colleges and universities, each publishing a magazine similar to "The Iowa Transit." The convention, an annual affair, was held at the University of Pennsylvania last year. Awards will be given to the magazine for the "best issue of the year," "best cover of the year," "best editorial of the year," and "best article of the year." Francis Long, E4, Oxford, is chairman of the conference.

SUI AFROTC Enrollment Set at 1,074 Men

SUI AFROTC enrollment increased 170 men this semester, Lt. Col. Reese Joiner, AFROTC public information officer and associate professor of air science and tactics, announced Monday.

Out of a total 1,074 enrollment 445 freshmen are listed, 344 sophomores; 166 juniors, and 119 seniors. A trend to the old peace time situation is apparent, according to Joiner, as there are approximately four or five men out of the whole group who have had prior military service.

No Korean veterans are enrolled and the number of men enrolled with prior military service is half the number which was

entered last year. Ten veterans were AFROTC members at the time of enrollment check last year.

AFRICA TO SPEAK

Henry Africa, in charge of the newspaper production laboratory in the SUI school of journalism, will speak on backshop efficiency at the National Editorial association fall conference in Chicago Nov. 14.

Rivera, ChiSox Player, Held on Rape Charge

CHICAGO (AP)—Jim Rivera, 30-year-old Chicago White Sox outfielder, Monday was charged with raping a 22-year-old married woman and was released on \$3,000 bond.

The rookie ball player, who previously had served a five year sentence in Atlanta penitentiary on a similar charge, was ordered to appear in felony court Tuesday for a hearing.

Rivera, a New York-born Puerto Rican, was arrested Sunday in the White Sox club house, following the game with the St. Louis Browns.

Charges Rape Saturday

The complainant, Mrs. Janet Gater, attractive brunette wife of a soldier, told authorities she was raped Saturday night in her south side apartment.

Rivera admitted being intimate with Mrs. Gater but denied using force. He said she submitted willingly after inviting him to her apartment.

Patrick Egan, assistant state's attorney, ordered Rivera booked for rape after questioning the ball player and the woman. The prosecutor said his questioning had produced no important addition to what both had told police earlier.

Police said Mrs. Gater told them she was walking her dog Saturday when Rivera introduced himself and offered to carry her packages. Complainant Makes Charge

She said he accompanied her to her apartment, pushed his way in and refused to leave. Police said she told them the rape followed. Mrs. Gater said her husband, a statistician at fifth army headquarters, was absent at the time.

The ball player's entrance into the big leagues stirred up a storm of controversy because of his previous trouble, which occurred at Barksdale Field, La., while he was serving in the army.

A charge of attempted rape was brought by the daughter of an army officer. Convicted, Rivera was sentenced to life imprisonment. The sentence later was reduced and he was paroled after five years. He denied the charge.

High Pole Artist Dies After 137-Foot Fall

PORTSMOUTH, O. (AP)—Jacqueline Teeters, 40-year-old high pole artist, fell 137 feet to her death Monday while preparing for her act.

The accident was at the Scioto Breeze Outdoor Theater at Lucasville, 10 miles north of Portsmouth.

Her manager, Ray Lewis, said he did not know what caused the accident. He said she had been staging her high pole act for 16 years.

The body will be sent to her home town of Martinsville, Ind.

Campus Religious Group Plans Worship Retreat

A retreat, designed for worship and meditation and to complete plans for the University Christian Mission, will be held at Scattergood school in West Branch Saturday afternoon and evening, Oct. 11.

The University Christian Mission, similar to the Religious Emphasis Week held at SUI in previous years, is scheduled to be held Nov. 9 through 13.

The Rev. David I. Berger, professor in the theological department at Dubuque university, will be speaker at the retreat. About 100 persons, including members of the executive committee in charge of the Mission at SUI, are scheduled to attend.

Councils Sponsor Event
The SUI Student Christian council and the National Council of Churches of Christ are co-sponsoring the observance here.

Several speakers from outside Iowa City will be invited to participate in the event. The theme of the Mission is to be "What Think Ye of Christ?"

A tentative schedule has been proposed for the week, beginning

NIXON PROGRAM CANCELLED
WASHINGTON (AP)—Sen. Richard Nixon, the Republican vice-presidential nominee, did not appear on television Monday night because the program was cancelled last week, the GOP National Committee said.

on Sunday with the guest speakers preaching in Iowa City churches.

Another Retreat Planned
Another retreat is planned for the afternoon of Sunday, Nov. 9, with members of the executive committee, program committees and subcommittees attending.

Breakfasts, classroom appointments, interviews, luncheons and seminars are planned for the days during the week. The speakers are to be invited to various resident houses, including fraternities, sororities and dormitories, for suppers during the week.
