

Yankees Try For Record Tonight

Meet Browns at Home; Seek 19th Straight

NEW YORK (AP)—The rampaging New York Yankees, back home after ripping through the American league for 18 straight triumphs, go after the league record of 19 in a row tonight against the hapless St. Louis Browns.

Ed (Whitey) Ford, winner of seven games without a defeat this season, is expected to pitch for the Yankees. The Browns, who have lost 14 straight, will send Duane Pillette to the hill.

The world champions, however, have their eye on bigger things. They want to wipe out the all-time major league mark of 26 in succession set by the 1916 New York Giants.

"The players and I want the biggest streak possible," said Stengel Monday. "We're after the biggest of them all—the 26 in a row made by the Giants in 1916."

Personal Interest

"I got a personal interest in that. I remember that streak very well. I was with Brooklyn then. We tried like the dickens to stop them, but we couldn't do it. Now there's nothing I'd like better than to beat it."

The Yankees' amazing feat of 18 straight victories, 15 of them on

the road, has the usually reserved Stengel goggle-eyed.

"If it ain't a great team," he shouted enthusiastically over the telephone, "then I'd like to know what you got to do to be great. Everybody has been playing great ball. You can't single out any one player. It ain't fair. They've all been great."

Despite their seemingly insurmountable 10½ game lead, Stengel refused to count Cleveland or any other club out of the running. "They won't catch us for a month anyway," he said with tongue in cheek, "but there's still a long way to go and lots of things can happen."

"I want my team to know, however, that I believe they can keep going. I'm not worrying about complacency, overconfidence or things like that. I've got too many fellows on the club who want to play. They get mad at me when I don't use them."

Europeans Fight In Golden Gloves

CHICAGO (AP)—A 10-man European boxing squad, heralded as the best to invade Chicago since the war, will try for its first team victory in this country since 1939 in the 16th International Golden Gloves bouts at Chicago Stadium tonight.

Chicago's hard-hitting squad, fortified by inter-city champions from the Golden Gloves series with New York last March is regarded as equal to anything offered by the opposition.

Europe's only victory in 15 previous matches in the U.S. came in 1939 with a 5-3 margin. They tied 4-4 in 1940 and 1948.

Last year, Chicago's fighters made their first trip abroad and absorbed a 6-4 licking in Ireland and 5-5 deadlocks in France, Germany and Italy. They blamed peculiar officiating for not making a better showing.

Two of the best scraps in the 10-bout program may come in the light middleweight and middleweight class. In the former bracket, Sammy Williams of Omaha will tangle with Jacques Candau, champion of France.

In the latter, Bill Tate of Chicago will meet Dieter Wemheer, 22-year-old Berliner.

Hogan May Practice Anytime on British Open Golf Course

LONDON (AP)—Ben Hogan who seldom is wrong on a golf course, has nothing to worry about in the way of practice for the British Open championship.

Hogan can come to Britain whenever he likes and practice all he wishes on the Championship and Burnside courses at Carnoustie, Scotland, scene of the Open which begins July 6.

After winning his fourth American National Open championship Saturday, Hogan said he understood there was a British rule which prevents practice on Carnoustie's Championship course until the week before the Open begins.

The thorough tactician then added wistfully, "I hope it is not true."

No Such Rule

There is no such rule, the Royal and Ancient Golf club said in St. Andrews Monday.

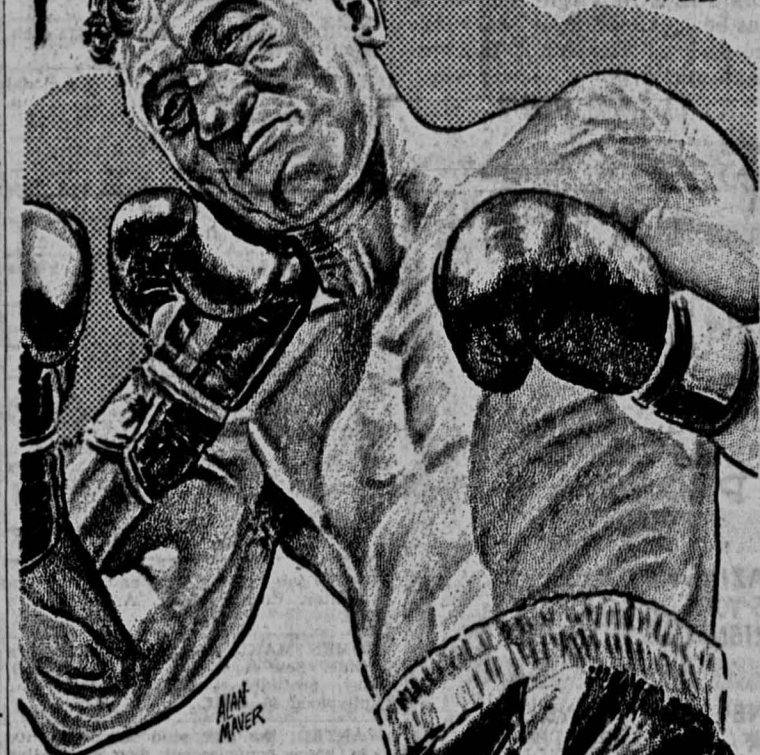

The only restrictions golfers can expect before the Open will be the probable closing of the course for one day—July 5—and the roping off of Championship tees for several days before the July 6-10 meeting.

Tough Course

If Hogan decided to make his first competitive invasion of the British Isles in an attempt solely to prove he can win anywhere most any old time, he could not have picked a tougher course than Carnoustie's Championship. The monster is 7,103 yards long and has a par of about 37-38-75. Par on British courses varies as much as four or five strokes, according to tees and the way you unofficially rate each hole.

PADDY'S THIRD WIN OVER ERNIE 'THE ROCK' DURAND WAS THE STEPPING STONE TO A BOUT WITH 'BOBO' OLSON FOR THE AMERICAN VERSION OF THE MIDDLEWEIGHT TITLE

Young Meets Olson for Crown

NEW YORK (AP)—Carl Bobo Olson of San Francisco, a transplanted Hawaiian, and Paddy Young, a home town boy from New York's Greenwich Village, meet Friday night in a 15-round match at Madison Square Garden for the American middleweight title.

The survivor qualifies to fight Britain's Randy Turpin in the fall for the undisputed world title, vacated by Sugar Ray Robinson.

Turpin, a decisive winner over France's Charles Humez at London for the British version of the world championship two weeks ago, is expected to accept an International Boxing club offer to meet the American finalist at Yankee Stadium in August or September. The European boxing union and all U.S. commissions insist Turpin fight the Olson-Yung victor before receiving universal recognition.

Olson Favorite The odds favor Olson by 2½ to 1 because he has beaten most of the top men in his division during the last year while Turpin was idle. Most ratings list Turpin as No. 1 challenger for the vacant crown and Olson as No. 2.

The Garden scrap, scheduled for 9 p.m. (Iowa time) will get the customary Friday night network treatment on radio ABC and television NBC.

Andrews Scores Triple Win

ART ANDREWS, IOWA CITY HIGH tennis star, displays two of the three trophies he won last weekend in the Midwest Open tennis tournament in Omaha. The large trophy, right, is the men's singles cup; the smaller one for the junior boys' division. Visible on the mantle in the lower right hand corner is the third cup, for the junior boys' doubles division.

Andrews Wins 3 Titles

Iowa City High Tennis Star Matches Ted Schroeder Mark in Omaha Meet

Young Art Andrews, Iowa City's sensational tennis star, added three more cups to the already overflowing mantle of the Andrews' home last weekend in Omaha when he swept the men's and junior boys' singles titles and teamed with Al Holtmann of St. Louis to win the junior boys' doubles in the Midwest Open tennis tournament.

Andrews whipped Roger Coad of Ames in the men's finals, 8-6, 6-2 and trounced Earl Buckholz of St. Louis, 6-0, 6-2, in the junior boys' finals of Sunday. He paired with Holtmann to take the doubles crown Saturday.

The sturdy, 15-year-old Iowa City high school youth became the first person to win both singles titles since Ted Schroeder won both in the late 1930's. Schroeder later gained international acclaim for his play on the U.S. Davis Cup team.

Sun-tanned Art, 1953 Iowa high school champion, won both championships in his first year of competition in the junior boys' and men's divisions. Previously he had participated only in the midget sections. Andrews will have two more years to play as a junior since the age limit is 18.

Andrews pulled the tourney upset Saturday when he rallied to whip Frank Pisasale, Nebraska state champion, in the men's semifinals. After losing the first set, 7-5, Art swept past the veteran Omaha city champion, 6-3, 6-1.

Andrews expects to compete in a tournament in Little Rock, Ark. next week.

Robinson Moves Up In Batting Race; Wrosteck On Top

NEW YORK (AP)—Almost unnoticed except by opposing pitchers, Jack Robinson has battled his way up the hitting ladder to challenge Johnny Wrosteck for the National league batting lead.

Jackie, who has played first base, third base and now is in left field for Brooklyn, is batting .349 to .350 for the Philadelphia Phillies' outfielder.

The 34-year-old Robinson, who made way for rookie junior GYlliam at his accustomed second base post during spring training, climbed up from ninth place last week with 16 hits in 29 at bats.

Red Schoendienst of the St. Louis Cardinals hit the skids to third place .342, a 34-point drop.

In the American league, Mickey Mantle of the New York Yankees is the top man with a .340 mark. He tallied off seven points but that was four points less than Washington's Mickey Vernon, the co-leader last week. Mantle also heads the runs batted in department with 46. Records include Sunday's games.

Behind Mantle and Vernon in the American league, comes George Kell of the Boston Red Sox, hitting .335.

Gus Zernial of the Philadelphia Athletics is the junior circuit's leader in home runs with 16.

Southpaws Whitey Ford and Ed Lopat of New York top the American League pitchers, each with 7-0 records. Frank Smith, Cincinnati relief pitcher, is unbeaten in five decisions to pace the National league.

Braves Lose, Fall Behind Idle Dodgers

PITTSBURGH (AP)—Reliever Lou Burdette hit third baseman Danny O'Connell with a pitched ball forcing the winning run with the bases loaded in the 10th inning Monday night, enabling the Pittsburgh Pirates to snap a four-game losing streak with a 3-2 victory over the Milwaukee Braves.

The loss jolted the Braves out of the National league lead with six percentage points behind the idle Brooklyn Dodgers.

Chunky Bob Friend scattered five hits for his first victory since April 21, striking out six and walking only one.

Bob Wilson, the Braves starter, allowed only six hits until he weakened in the 10th. Cal Abrams led off the inning by beating out a drag bunt and Paul Smith doubled to right. Frankie Thomas was walked purposely by reliever Burdette.

With the count 1-1, the Braves righthander hit O'Connell with an inside fast ball forcing across the winning tally.

Thomas drove across two runs in the third with a ringing double to left to move the Pirates out in front 2-0 but the Braves knotted the score in the fourth on a walk to Sid Gordon and back-to-back singles by Jim Pendleton and Joe Adeock. Thomas fumbled Adcock's hit to allow Pendleton to score from second.

Giants Trim Cards

NEW YORK (AP)—Manager Leo Durocher shook up his lineup from top to bottom Monday and it paid dividends as the New York Giants eked out a 3-2 victory over the St. Louis Cardinals to salvage the final of the four-game series.

Jim Hearn, pitching his first complete game since May 27, limited the Redbirds to six hits. The victory was his fifth against four defeats. Joe Presko went all the way for the Cardinals to absorb his sixth setback against four triumphs. He allowed nine hits.

A walk to catcher Wes Truham paved the way for the Giants' winning run in the seventh. Hearn sacrificed and Whitey Lockman scored the Giant catcher with a single.

Durocher made a wholesale shuffle of his lineup in an effort to halt the slump that had extended through eight defeats in the last nine games.

Tribe Sends Boone, 3 Others To Detroit in 8-Player Deal

CLEVELAND (AP)—A four-for-four player swap with the last-place Detroit Tigers Monday left the Cleveland Indians still needing what their manager, Al Lopez, wants desperately—some consistent hitters.

The Indians, on the last day allowed for major-league bartering, sent shortstop Ray Boone to Detroit along with three pitchers who've hurled a combined total of only 17 innings this season. The pitchers were Steve Gromek, Al Aber and Dick Weik.

In return Cleveland got pitchers Art Houtteman and Bill Wight, infielder Owen Friend and catcher Myron (Joe) Ginsberg.

Houtteman is Key The Tribe's front office considers Houtteman the key man in the straight player deal. He may be in line to replace Bob Feller as Cleveland's fourth starting pitcher.

Houtteman's record this year is 2-6, and since he came up with Detroit in 1945 he has a 53-69 mark with the Tigers. He is 25.

With Cleveland since 1941, Gromek is 33 and has a 78-67 lifetime record. He is 1-1 this year.

Wight, a 31-year-old southpaw, had his best season in 1949 for the Chicago White Sox when he won 15 and lost 13.

All With Detroit

Ginsberg, who will be 27 in October, played all his major league ball with Detroit, hitting .260 in 102 games in 1951 and .221 in 113 games last year.

Friend, also 26, was on military leave in 1951-52, but batted .237 for the St. Louis Browns in 1950, his second season with them.

Boone, troubled with a knee injury, was hitting .241 this season although his average since he came up to the Tribe in 1948 was

The Daily Iowan' SPORTS

260. Weik, obtained from Washington on military leave in the two previous seasons developed a so-called arm in spring training and hadn't pitched an inning this year for Cleveland.

Aber, a rookie southpaw, pitched only six innings in six games this season. He is 25.
