The Weather

Warm and humid today with the possibility of a few thunder showers. Predicted high for today is 85 to 90. Predict showers and cooler weather for Friday.

Old, New Graduates To Begin Festivities

1896 Grad 1st To Return For Weekend

As 978 graduates join the ranks of more than 50,000 SUI alumni, a full schedule of activities will mark the commencement and alumni reunion weekend at the university.

First alumnus to return to the Iowa campus for the festivities was Dr. S. M. Mann, graduate of the 1896 class in medicine. Dr. Mann flew from his California home to arrive at the university late Tuesday night, ready to renew old friendships and welcome the Class of 1954 into alumni status. (See picture on page 3.)

At 8 p.m. tonight 116 candidates for the doctor of medicine degree will take part in a medical convocation to be held in the north gymnasium of the field house. A lawn party for medical alumni, faculty and seniors will be held in front of the medical laboratories at noon Friday. That afternoon and Saturday morning medical professional sessions are scheduled in the medical amphitheater.

978 To Graduate

Friday at 9:30 a.m., the 978 graduates will receive their degrees in commencement exercises at the field house. President Hancher will award the degrees and deliver the charge to the graduating class. Prof. Theodore M. Greene of Yale university will deliver the commencement address.

General alumni activity will get into full swing Friday night with the SUI emeritus club dinner for the classes of 1903 and earlier years to be held in the south dining room of Currier hall at 6:30 p.m.

In the north dining room of Currier hall at the same hour, the all-alumni buffet supper is scheduled. The all-medical alumni dinner will be held at the same time in the Iowa City Elks club, with head football coach Forest Evashevski as main speaker.

Jubilee Luncheon Planned
The silver jubilee luncheon for the classes of 1929 will be held in the Iowa Memorial union at 12:30 p.m. Saturday, and the tenth anniversary luncheon for the classes of 1944 is scheduled for the same hour in Currier hall.

The Union will be the scene of the all-alumni coffee hour from 3 to 5 p.m. Saturday and will be followed at 6:30 p.m. by the golden jubilee dinner for the classes of 1904.

"Coffee hours" are to be held Saturday morning by the school of journalism in the Communications Center and by the college of nursing in Westlawn lounge.

General alumni registration will begin in the main lounge of the Union at 8 a.m. Friday and will continue until 3 p.m.

50 ENROLLED AT CORNELL
MOUNT VERNON (AP)—More than 50 students enrolled for the Cornell college summer session which started Wednesday.

TRYING ON HER CAP AND GOWN in preparation for SUI graduation exercises to be held Friday morning in the field house is Suzanne Flickinger, A4, Mason City. Janice Wallace, A4, Des Moines, is straightening Miss Fleckinger's collar. Graduating seniors may pick up their caps and gowns at Campus stores today from 8 a.m. to 12 noon and from 1 to 5 p.m.

Former SUI Coach's Widow Escapes Florida Murder Plot

The widow of a former SUI football coach, now living in Orlando, Fla., found herself in the middle of a fantastic murder-for-profit plot Wednesday that was more complex than any football play her husband ever used.

Mrs. Louise Clark Hawley, about 50, whose husband, Jesse Hawley, was SUI football coach from 1910-15, was revealed as one of three intended murder victims of Emmett Donnelly, widely known Orlando attorney, according to the Associated Press.

Donnelly Found Dead
Donnelly, who concocted the murder plot, was found dead Wednesday near his Lake Wales, Fla., home, an apparent suicide. Officers think he put a shotgun, which was found lying at his side, into his mouth and fired.

Donnelly and Willard Durden were released on bond Tuesday night after being arrested on charges of conspiring to kill for profit Mrs. Hawley, Mrs. Boyd T. Roach, 51, and K. B. Gerlach, 81, both of Lake Mills, Fla.

Among Donnelly's papers was a will signed by Mrs. Hawley leaving him her entire estate. She said it was her signature but she did not knowingly sign the will and did not intend to make Donnelly her beneficiary. Presumably Mrs. Hawley signed these documents while signing a number of routine papers.

Hired Trigger Man

Sheriff Pat Gordon said Donnelly and Durden obtained services of a trigger man who in turn became an informant for investigators in the suspected murder plot.

Investigating officials said Donnelly's alleged motive was an opportunity to profit by his position as confidential attorney for all three intended victims, although details have not been disclosed.

County solicitor Clifton Kelly said Donnelly's death would not have any effect on the prosecution of Durden.

Here were Donnelly's positions, as explained by officials, with his other two intended victims:

Had Charge of Affairs
Gerlach — Donnelly at one time had full charge of his affairs, but Gerlach changed attorneys sometime ago when Sheriff Gordon told him his life was threatened. Among Donnelly's papers were two notes totaling \$32,000 made payable to Donnelly on Gerlach's death. Gerlach acknowledged his true signature was on the notes, but said he did not remember signing them and did not owe Donnelly anything.

Mrs. Roach — Donnelly was sole executor and trustee without bond of an estate of about \$300,000 left by her husband five years ago. She received one-third of the estate and the other two-thirds went to various charities. Kelly said it is the theory that with Mrs. Roach out of the way Donnelly would have no one to question payments to charities.

Checking Possibility

Officials also are checking the possibility that requests to charities in Mrs. Roach's will, made at Donnelly's suggestion, are to dummy charities which he controlled.

As far as Durden's motive, the investigators said Donnelly's papers included canceled checks showing he had paid Durden \$9,050 since the first of the year and that Durden had given no satisfactory explanation for such payments.

Mrs. Hawley, an amateur theatrical producer, also has Florida real estate holdings and an interest in a Chicago sun helmet firm.

MONKEYS TREE SQUIRREL
DAVENPORT (AP)—Monkey business was rushing on Monkey Island in Fejervary park here when a squirrel, who stopped for a drink in the moat, fell in and swam over to the island.

The monkeys didn't like the intruder. The squirrel sought refuge in the top branches of the dead trees on the island.

Demos Blast Ike's Policy On Indochina

WASHINGTON (AP)—Democrats in both branches of congress Wednesday criticized the Eisenhower administration's handling of the southeast Asia crisis.

Asserting that the administration is split on the issue, Sen. Estes Kefauver (D-Tenn.) said one faction constitutes "a genuine war party" willing to "go it alone in Indochina."

"Twice within recent weeks," Kefauver said in a senate speech, "the U.S. has been a hair's breadth of openly intervening in the Indochina war."

"We seem to have been saved from open hostilities only by the reluctance of the British to join us."

In the house, Rep. John W. McCormack of Massachusetts, the Democratic whip, said the administration is making "a serious mistake" by excluding Asian nations from the current military talks.

Confining the talks to representatives of France, Great Britain, Australia and New Zealand, McCormack said, "only serves to alienate our Asian brothers."

The Democratic leader urged that the Philippines and Thailand be invited at once to send representatives to join the conference.

"Something affirmative must be done to win Asians to our side," he told the house.

Sen. Hugh Butler (R-Neb.) joined the debate to express confidence that if this country is in danger of being directly involved in hostilities in Indochina or elsewhere President Eisenhower will tell congress and the nation about it.

Committee Asks National Guard Delay for Cohn

WASHINGTON (AP)—The senate subcommittee investigating the McCarthy-army dispute decided Wednesday to ask a delay in return for possibly 83 Americans held in China.

Meanwhile, at Geneva Wednesday, the U.S. and Red China accused each other of blocking the road to peace in Indochina.

"There is still no basic change in the policy of the U.S. government which is designed to extend the war in Indochina and to prevent the Geneva conference from reaching agreement," Red China's Foreign Minister Chou Enlai told the nine-party meeting.

U.S. Undersecretary of State Walter Bedell Smith retorted: "The Soviet, the Chinese Communist and the Vietminh delegations have so far shown no signs of willingness to resolve these issues on any reasonable basis which could be acceptable to this conference or which would insure the return of peace to Indochina."

Smith was referring to three issues: The status of the Laos and Cambodia kingdoms in any settlement for Indochina; the scope and powers of the international supervisory commission for Viet Nam—the largest Indochina state—and the composition of the commission.

The uncompromising exchange between Smith and Chou who so far have not spoken to each other directly, came at the 18th session of the Indochina conference.

Coralville Adopts Saving Time Plan

Daylight saving time was unanimously adopted by the Coralville town council Wednesday night.

At 2 a.m. Sunday, Coralville residents will advance their clocks one hour. September 19, they will revert to standard time.

Mayor Donald J. Anclaux said the council moved to adopt the time change "because many people living in Coralville work in Iowa City and Cedar Rapids," both of which cities have adopted daylight saving time.

In Iowa City, daylight saving time will become effective at 2 a.m. Sunday.

The Hills town council and Mayor Clarence Amelon have tentatively scheduled a Friday meeting to decide whether to adopt daylight saving time.

Amelon said that if the time change is adopted, it will not go into effect until midnight Sunday or 2 a.m. Monday.

Welch Denounces McCarthy For 'Recklessness, Cruelty'

Righter Conducts SUI Outdoor Concert

THE WEST APPROACH TO Iowa's Old Capitol served as the stage for the University Concert band Wednesday evening as Prof. C. B. Righter conducted an informal program of light music. More than 200 people sat on the lawn and the steps leading to Old Capitol as the band played. The concert, given in connection with university commencement week, featured such familiar numbers as "Nola," "Lady of Spain," Goud's "Hillbilly" from Americana Suite, and "The Iowa Fight Song."

U.S., Reds To Discuss Release of Americans

GENEVA (AP)—The United States and Red China are expected to resume direct talks today on the release of Americans detained by the Peiping regime.

Informants said the U.S. might try to arrange an exchange deal under which some Chinese students, now detained in the U.S., would be released in return for possibly 83 Americans held in China.

Meanwhile, at Geneva Wednesday, the U.S. and Red China accused each other of blocking the road to peace in Indochina.

"There is still no basic change in the policy of the U.S. government which is designed to extend the war in Indochina and to prevent the Geneva conference from reaching agreement," Red China's Foreign Minister Chou Enlai told the nine-party meeting.

U.S. Undersecretary of State Walter Bedell Smith retorted: "The Soviet, the Chinese Communist and the Vietminh delegations have so far shown no signs of willingness to resolve these issues on any reasonable basis which could be acceptable to this conference or which would insure the return of peace to Indochina."

Smith was referring to three issues: The status of the Laos and Cambodia kingdoms in any settlement for Indochina; the scope and powers of the international supervisory commission for Viet Nam—the largest Indochina state—and the composition of the commission.

The uncompromising exchange between Smith and Chou who so far have not spoken to each other directly, came at the 18th session of the Indochina conference.

Ike To Make Radio, TV Bid for Support

WASHINGTON (AP)—President Eisenhower will make a nationwide television and radio address tonight in a bid for public support of his legislative program.

The White House announced Wednesday that Eisenhower will speak at the Statler hotel here to a meeting of district chairmen of the National Citizens for Eisenhower Congressional committee.

James C. Hagerty, presidential press secretary, said Eisenhower would speak for half an hour, beginning at 7 p.m. CST.

French Hammer Red Strongpoints Near Hanoi Area

HANOI, Indochina (AP)—French Union forces hammered several Vietminh strongpoints in the Red river delta Wednesday, killing or capturing 100 of the Communist-led rebels within a few miles of Hanoi.

War planes, tanks, and artillery joined in the strikes to clear infiltrating fighters from as many key points as possible before the main Vietminh forces launch their expected all-out assault on the delta. The French reported only light losses in Wednesday's operations.

The rebels were tightening their grip on a semicircle threatening the delta's rim defenses from three sides. A French spokesman said the high command conceded the Vietminh were all around Hanoi on the west, north and south in positions generally only 40 miles from this city. But when they would attack this key northern Indochinese bastion remained anybody's guess.

Some here believe the Vietminh may mount one of their massive attacks on Hanoi quickly, while others hold they may delay until the monsoon rains end late in September.

Gen. Raoul Salan, former commander in chief in Indochina and now director of operations under the new commander, Gen. Paul Ely.

British Ship Lost

HONG KONG (AP)—The British royal navy said Wednesday night a navy recreational yacht which sailed from Hong Kong nine days ago to nearby Tolo harbor has not returned. Naval sources reported eight British officers and ratings were on board.

Climax Follows

The climactic encounter between Welch and McCarthy came after the Boston lawyer—using irony as his weapon—tried to show Cohn "sat on" evidence of alleged subversion in the army instead of taking it to Secretary Robert Stevens and saying: "Sic 'em, Stevens."

McCarthy finished under recurrent bursts of laughter from spectators at this line of questioning, and later struck out at Welch.

He declared the elderly army counsel originally brought to Washington as one of his aides a young lawyer associated with his firm, Frederick Fisher, who was—McCarthy said—a member of the national lawyers guild after that organization was listed as subversive by the house committee on un-American activities.

"I don't think," McCarthy said, "you can find any place, anywhere, an organization which has done more to defend Communists... to defend espionage agents, and to aid the Communist cause, than the man whom you originally wanted down here at your right hand."

Welch paled and seemed to have difficulty in speaking.

"Until this moment, senator,"

WELCH—

(Continued on Page 2)

Couple To Get PhD's on Anniversary

A double celebration will be in order Friday for Mr. and Mrs. Gordon Cantor, 408 Grandview ct., when they receive their doctorate degrees together at SUI graduation exercises. The day also marks their fourth wedding anniversary.

The Gordons met while working at a New York state children's camp in 1950. Joan Cantor, 23, then an undergraduate, and her husband, Gordon, 27, who was studying for his master's degree, were enrolled at Syracuse university at the time.

They came to SUI in 1951, after spending their first year of marriage in Syracuse. Mrs. Cantor received her master's degree here in 1952, and both she and her husband then completed studies for their Ph.D.'s.

Wrote on Learning

The Cantors both wrote their doctoral dissertations on the subject of learning, Gordon on adult

learning and Joan on learning in children.

Waited to Receive Ph.D.

Cantor waited to get his Ph.D. until his wife was ready to receive hers, because he did not want to leave SUI while his wife was still completing her doctoral degree requirements.

While undergraduates at Syracuse university, the Cantors were elected to Phi Beta Kappa, national honorary scholastic fraternity. Joan is an associate member of Sigma Pi, a national science fraternity in which her husband became a full member while at SUI. They also are members of Psi Chi, the national honorary psychology fraternity, and Rho Delta Chi, the English fraternity.

The Cantors have made no plans for the immediate future, but want to do college teaching and further research in the field of child and adult learning.

EXAMINING CHARTS USED IN their theses on the subject of learning in children and adults are Mr. and Mrs. Gordon Cantor. They will receive their Ph.D.'s together at SUI graduation exercises Friday, which is also their fourth wedding anniversary.

World News Briefs

A Condensation of Late Developments

14 Killed in Riots in Colombia

BOGOTA, Colombia (AP)—At least 14 persons were reported killed Wednesday in student-police clashes capped by a government-ordered 10 p.m. curfew. All bars, cafes, cabarets and similar public places were ordered closed until further notice. The government reported bullets fired from a balcony as university students tried to march through a roadblock of armored cars toward the presidential palace killed two soldiers and touched off bloody violence in which the police opened fire.

Lawyers Say McCarthy Used Old Evidence

NEW YORK (AP)—The National Lawyers guild said Wednesday that Sen. Joseph R. McCarthy (R-Wis.) used "old and discredited" material in accusing the guild of being "the legal arm of the Communist party." In a statement, the guild said it "is not a Communist organization nor a Communist front organization, nor Communist dominated." "If McCarthy is allowed to continue with these irresponsible statements," the guild added, "democracy in our country is doomed."

2 Rob Iowa Bank, Suspects Captured

HILLSBORO, Iowa (AP)—Within a short time after two men robbed the Hillsboro Savings bank of about \$1,860 in counter cash Wednesday, two suspects were captured and were being questioned. The suspects were caught at a road block on highway 61, just outside of Burlington, by Burlington police. They said the men were riding in a car with the front one of a set of New Mexico license plates jerked off.

Laniel Asks Confidence Vote After Attack on War Policies

PARIS (AP)—Premier Joseph Laniel decided early Thursday to stake the fate of his harassed government on a vote of confidence in the national assembly. In an all-night session, deputies on all sides attacked the Laniel government's Indochina policies.

Laniel's decision to ask for a formal vote of confidence, in which defeat would force his resignation, came after the assembly turned down by a vote of 324 to 296 consideration of a government-backed resolution on the Indochina question.

Thus rebuffed, Laniel immediately asked for suspension of the session. He and his ministers went directly into a full-scale cabinet meeting at Elysee palace to formalize the request for a vote of confidence.

Laniel Asks 3 Times
It will be the third time within a month that Laniel has asked for a vote of confidence. The other two times he asked the assembly to permit him to continue his government's Indochina policy unchecked—while the conference at Geneva was wrangling over the fate of the French Associated States in the Far East.

Under parliamentary law, there must be an interim of 24 hours after a confidence vote is requested.

Little Optimism Held
Observers had little optimism the Laniel government could weather this vote.

Laniel's policies came under the sharpest attack following the defeat of the French Union forces by the Communist-led Vietminh rebels at the Indochina fortress of Dien Bien Phu.

Blit Laniel staved off further debate on the issue with the plea that Foreign Minister Georges Bidault must have a strong hand for arguing France's case at the Geneva conference.

Returns to Paris
Bidault, after exchanging bitter denunciations with Soviet Foreign Minister V. M. Molotov and Red Chinese Premier Chou En-lai at Geneva, came to Paris to fight at home for the work he has done to bring an honorable end to the seven and one-half-year-old Indochina war.

Bidault told the assembly late Wednesday night the chances for a truce in Indochina have been fully exhausted at Geneva. He offered to step aside if the assembly thought someone else could do better.

Laniel then indicated he was through putting off a showdown on the issue.

HOPEFUL EXCAVATOR IN THE POLITICAL PYRAMIDS

Welch—

(Continued from Page 1)

he said, "I think I never really gauged your cruelty or your recklessness."

He went on to describe Fisher as a brilliant young man—a member of the Young Republican league in Newton, Mass. And he said he regretfully sent Fisher back to Boston when the young man told him he was a member of the lawyers' guild while he was in law school, and for some months afterward.

Can't Forgive McCarthy

"Little did I dream," Welch said, "you could be so reckless and so cruel as to do an injury to that lad . . . I fear he shall always bear a scar needlessly inflicted by you. If it were in my power to forgive you for your reckless cruelty, I would do so. I like to think I am a gentleman, but your forgiveness will have to come from someone other than me."

McCarthy fired back that Welch had been "baiting" Cohn. He started again to talk about Fisher, but Welch interrupted: "Let us not assassinate this lad further, senator. You have done enough. Have you left no sense of decency?"

Refuses to Stop

McCarthy would not be quieted. Welch may be "pained," he said, but "there is no pain in his chest about . . . the attempt to destroy the reputation and take the jobs away from the young men who were working in my committee."

"Mr. McCarthy," Welch said, his voice ice cold and his manner radiating outrage "I will not discuss this matter with you further . . . if there is a God in heaven, it will do neither you nor your cause any good."

"I will not ask Mr. Cohn any more questions. You, Mr. Chairman, may, if you will, call the next witness."

Then Welch left the room.

Nursing Workshop To Open Monday

A five-day home nursing instructor workshop will open Monday at SUI college of nursing. Sponsored by the college in cooperation with the American Red Cross, the course will carry one semester-hour academic credit.

Offered for the first time at the university, the workshop will be open to all graduate nurses desiring to prepare for teaching the Red Cross course in home nursing.

Coordinator of the workshop is Marie Neuschaefer, professor of nursing at SUI. Teaching the course will be Henrietta Gronlid, area nursing supervisor for the American Red Cross, St. Louis, Mo.

Nurses planning to attend the SUI summer session may register for the course, as arrangements have been made to make allowance for two days of summer school which would be missed by those attending the workshop.

GUATEMALA TENSE

TEGUCIGALPA, Honduras (AP)—The Guatemalan government has arrested many more of its political opponents, reports from there said Wednesday. The reports said the situation in that Red-dominated republic was unusually tense.

Law Officers Short Course To Be Here

Iowa law enforcement officers will study new techniques for catching a variety of criminals—from shoplifters and bad check artists to kidnapers and murderers—during a week-long peace officers short course at SUI starting June 21.

Richard L. Holcomb, director of the course, estimated Wednesday that about 150 Iowa policemen, county attorneys, sheriffs and their deputies will attend the school. This is the 18th year the university has offered the course.

"Insanity and Crime" will be the subject of a feature lecture by Alan Canty, director of the psychopathic clinic of the Detroit, Mich., recorder's court. Canty will discuss mental and emotional factors as they are related to criminal behavior.

Other Speakers Named

Other featured instructors include Dr. Milton Helsen, chief medical examiner for New York city, and Kurt M. Dubowski, biochemist at Iowa Methodist hospital and chemist in the state division of criminal investigation, Des Moines.

Helsen and Dubowski will assist in teaching the special class in advanced investigation, which this year will be devoted to homicide investigation.

Holcomb explained that all men who enroll in the course will attend a series of general lectures and demonstrations. In addition, each officer will select which one of four special classes he wishes to attend during the week.

The special classes offered are basic investigation, advanced investigation, first aid and general police. The general police class is set up in daily units for convenience of men who cannot attend the full five days of the course.

List Lectures

Some of the special lectures and discussions which are scheduled include the following: "The Ten Most Wanted Fugitives," "The Traffic Accident Problem in Iowa," "Chemical Tests for Intoxication," "Receiving Stolen Property" and "Juvenile Offenders."

Chief R. W. Nebergall of the Iowa division of criminal investigation and his staff, special agents of the federal bureau of investigation and a number of experienced Iowa law enforcement officers will assist Holcomb and other members of the university faculty in conducting the course.

The short course is directed by the SUI institute of public affairs in cooperation with SUI's college of law. The course is sponsored by the attorney general of Iowa, the state department of public safety, the Iowa State Sheriffs' association, the Iowa Association of Chiefs of Police and Peace Officers and the Iowa State Policemen's association.

GENERAL NOTICES

GENERAL NOTICES should be deposited with the city editor of The Daily Iowan in the newsroom in the Communications Center. Notices must be submitted by 2 p.m. the day preceding first publication; they will NOT be accepted by phone, and must be TYPED or LEGIBLY WRITTEN and SIGNED by a responsible person.

ALL FIELD HOUSE LOCKERS must be checked in by June 12th. After the 12th locks will be removed and all contents destroyed.

THE IOWA MEMORIAL UNION is calling in all pictures rented to housing units and university offices from the rental reproduction collection for inventory, checking and repair. Deadline date was June 2. The Union is requesting that all pictures which have not been returned be brought to the Union offices as soon as possible.

STUDENTS WHO ARE REGISTERED with the Educational Placement Office, and are still seeking positions, should contact that office regarding any change of address for summer.

THE IOWA FLYING CLUB will hold its regular monthly meeting on Wednesday, June 9 at 7:30 p.m. in conference room 2 of the Iowa Memorial Union. If you're interested in flying for fun or in learning to fly inexpensively come meet the club members.

LETTERS TO THE EDITOR

The local council just couldn't resist the urge to follow 22 or so other Chambers of Commerce in tampering with time. These short sighted council members should go back to school and learn their history. Standard time was put into effect by the railroads to end the confusion entailed in every city having its own time. The railroads and buses will not change for the convenience of the students who compute from surrounding standard time areas. I urge SUI to stay on standard time. Remember the university serves the whole state.

All these businessmen could have persuaded shoppers that 8 a.m. to 4 p.m. central standard time is as good as 9 a.m. to 5 p.m. daylight savings time (same thing notice) but were they afraid someone would stay open later and steal all the business? Then let the city council spend time on matters of greater importance.

May I point out two discrepancies to Robert A. Yetter Jr., who was all for it. He has not changed the number of hours of daylight—the sun has not heard a word from the council. If he wishes another hour, set his clock up an hour—or better yet, two hours. Also these individual time changes as pointed out above are digressive, not progressive.

UNIVERSITY CALENDAR

UNIVERSITY CALENDAR items are scheduled in the President's office, Old Capitol.

Thursday, June 10
8:00 p.m.—Medical Convocation, North Gymnasium, Field House.

Friday, June 11
9:30 a.m.—University Commencement, field house.
6:30 p.m.—SUI Emeritus Club, South Dining Room, Currier Hall.
6:30 p.m.—All Alumni Buffet Supper, North Dining Room, Currier Hall.
8:00 p.m.—Iowa Mountaineers Travelogue, Dr. Homer L. Dodge, "Exploring the Desert by Canoe," Shambaugh Lecture Room, Library.

Saturday, June 12
Alumni day.
12:30 p.m.—Alumni Silver Jubilee Luncheon, Iowa Union.
3:00-5:00 p.m.—All-Alumni Coffee Hour, Iowa Union.
6:30 p.m.—Alumni Golden Jubilee Dinner, Iowa Union.

Tuesday, June 15
8:00 a.m.—Summer Session Registration, field house.
9:30 a.m.—University Club Kensington Coffee and Bridge, Iowa Union.

Wednesday, June 16
7:00 a.m.—Opening of Classes.

Thursday, June 24
2:30 - 4:30 p.m.—University Club Guest Tea Program, Iowa Union.

(For information regarding dates beyond this schedule, see reservations in the office of the President, Old Capitol).

Construction Firm To Get Warning

The first step in an action which could lead to the Iowa City school board taking over the Henry Sabin school addition from the Bey Construction company, Cedar Rapids, general contractors, was taken by the board Tuesday night.

Acting upon a motion by Alva B. Oathout, director, the board unanimously directed that a three-day notice be served on the Cedar Rapids contractor.

The contract with the Bey company provides for the serving of such a notice if the board is dissatisfied with the contractor's progress in completing the addition.

The school board may assume the job if the contractor does not take satisfactory action within three-day notice be served on the seryed to finish the building.

The board remains free to permit the Bey company to continue the job or to assume the job itself.

Completion date of the Lincoln addition to Henry Sabin school was originally to be September, 1953. The board now fears that the addition may not be ready for students entering the school this fall.

Guest Tea Scheduled By University Club

A guest tea program will be held by the University club June 24 from 2:30 p.m.-4:30 p.m. in the clubrooms at the Iowa Memorial Union.

Chairman for the month is Mrs. W. R. Wicks. She will be assisted by Mrs. Robert Ballantyne, Mrs. Harold Beams, Mrs. W. D. Coder, Mrs. Frederick Kent, Mrs. John Ward, Mrs. H. J. Dane, Mrs. H. H. Jacobsen, Mrs. O. S. Morse, Mrs. E. J. Ogen, Mrs. E. P. Tyndall, Miss Dorothy Leslie and Miss Ada Perel.

Playground Board Plans Golf Lessons

An eight week series of golf lessons will be offered to Iowa City residents by the playground and recreation commission beginning June 21.

Classes will be grouped according to ability, or to the amount of golf that has been played. The classifications will be: beginners, women who have had no previous instruction; duffers, women who have had less than two years; advanced, women who have played more than two years; teenagers, boys and girls 15 through 18; men, any man over 18, regardless of ability, and women, any woman over 18, regardless of ability.

Registration should be made in person at the recreation office in the Community building or sent into the office by mail. A registration fee of \$2.00 will be charged.

Instructors for the classes will be Everett Peel, Rudy Schenken and Bob Clem.

The classes will meet Monday through Thursday during the eight week period.

SUI Graduate Student Invents Meter for Accurate TV Lighting

By DICK SOLOWAY

The problem of accurate lighting for television productions at SUI has been solved by a graduate student's invention of a highly sensitive light meter.

Ray Wilderman, G. Waverly, working in conjunction with his Ph.D. thesis invented the meter which will read only reflected light as the TV camera sees it.

Designed to reduce lighting error to an absolute minimum, the meter is considerably more accurate than the present standard light meters, Wilderman said.

Standard Meters Inaccurate
"We were having trouble with TV lighting early last fall," Wilderman explained, "as the standard meters were not presenting an exact enough reading."

Careful testing has shown that Wilderman's invention presents the lighting situation very exactly. The meter is accurate to three per cent, Wilderman said, which is much more precise than is ever needed.

"The machine can be fitted with any type TV lens," Wilderman said, "and it is designed primarily for use in the TV studio."

Picks Up Variations
"It will pick up all intensities of light and sees it as the TV camera does," he explained.

The light meter also has the same color characteristics as the human eye and the TV cameras, Wilderman added.

A meter mounted on top of the instrument reads the reflected, light readings in standard candle power measurements.

Has Wide Range
This type of meter can be very valuable to portrait photographers as it presents very

accurate readings at low light intensities as well as bright conditions.

Wilderman said he became interested in light reading problems as a basis for his thesis on TV lighting problems and began working on his invention three months ago.

"Prof. Edward Lonsdale of the electrical engineering department supervised the process," Wilderman said.

A university grant to finance the research was obtained through the efforts of Prof. Walter Dewey of the dramatic arts department, he said.

Actual construction cost is a

secret Wilderman said, but if the meter were to be placed on the commercial market it would sell for around \$800.

Wilderman said he is already at work on a new model which will be about half the size of the present meter. "It is possible to make a duplicate light meter which will be less cumbersome, and still maintain the equal accuracy of the larger original model," Wilderman explained.

He said that at present he has no intention of patenting his invention. "It has a very special-ized demand," he explained, and I am primarily interested in it for my thesis."

(Daily Iowan Photo) RAY WILDERMAN, G. Waverly, takes a light reading on a TV set using his newly invented light meter. The instrument is approximately 16 1/2 inches long, 7 1/2 inches wide and 10 1/4 inches high. It is in a black polished styrene plastic casing. A smaller model of the sensitive meter will be enclosed in aluminum.

General Electric Award Given

WILLARD J. ISENBERGER, A3, Sioux City, left, receives a \$500 scholarship from General Electric Co., Cedar Rapids manager, R. J. McIntyre, right. Applicants are judged on the basis of citizenship, leadership ability, academic record and participation in extra-curricular activities.

\$500 Scholarship Given to Isenberger

Willard J. Isenberger, A3, Sioux City, was presented with a \$500 scholarship award from the General Electric Co. by the company's Cedar Rapids manager, R. J. McIntyre, in the Communications Center Wednesday.

The award is made annually to about 100 college juniors in the United States. It is to aid those students showing proficiency and interest in the fields of advertising, sales promotion or public relations. Isenberger is an advertising major in the school of journalism.

The selection committee for the scholarship was made up of representatives of the school of journalism, the college of commerce and the university scholarship committee. Participating in the presentation were McIntyre; Leslie G. Moeller, director of the school of journalism; William A. Kfioke, acting head of the department of marketing; Ellis M. Newsome, head of the advertising department; and C. H. Cornwell, manager of the apparatus sales division, General Electric Co., Davenport.

Isenberger is a member of Omicron Delta Kappa, men's honorary service fraternity, president of the Quadrangle association, vice-president of the Student Council, and president of the Iowa region of the United States national student's association.

Winner of the award last year

8th District Judge To Be Nominated At GOP Meeting

The Republican convention of the eighth judicial district, which includes Johnson and Iowa counties, has been set for July 15 at 3 p.m. in the Johnson county courthouse.

The main point of business at the convention will be to nominate a district judge for a four year term beginning in January. The Republican incumbent, Judge H. D. Evans, said Wednesday that he would accept the nomination if the convention selects him. His term expires this year. Evans has served as district judge since 1928.

Johnson county will be entitled to send 12 delegates to the convention and Iowa county will send nine. No date has been set for the Democratic judicial convention. This will probably be held in July, however, since state law requires that the judicial conventions be held before the fifth Thursday following the Democratic and Republican conventions to be held July 2.

Primary Won By Roosevelt In California

SAN FRANCISCO (AP)—California Democrats nominated a full party slate in Tuesday's primary for the first time in 40 years, but Republicans outpolled Democrats so heavily they confidently predicted Wednesday they would win in November.

The Democratic sweep of its own ticket was unchanged toward the political unknowns and two nationally-known figures who ran over the protest of Democratic National Chairman Stephen A. Mitchell.

Mitchell said Wednesday his attitude was unchanged toward the congressional candidacies of James Roosevelt, whose wife accused him of adultery, and Rep. Robert L. Condon, who had been denied admission to an atomic test as a security risk. Each decisively won his own party candidacy but lost the Republican nomination.

Roosevelt, son of the late President Franklin D. Roosevelt, credited his victory partly to the new state law which requires identification of each candidate's party affiliation on the ballot.

So did the Democratic candidate for governor, Richard Graves, who six months ago was a political unknown and a Republican.

GOP National Chairman Leonard W. Hall said in Washington that the selection of Roosevelt in Tuesday's primary emphasizes that the November election will be a test between the "morally bankrupt left wing of the Democratic party and the Republicans."

Heretofore more widely known Republican candidates, cross-filing on both tickets, have swept most state offices in the primary and thus won election.

The only statewide candidate to do that in Tuesday's primary was a Democrat, Atty. Gen. Edmund G. Brown. He beat former Atty. Gen. Fred N. Hovser on both tickets.

Party identification worked in reverse, too. Democratic incumbents including Rep. George P. Miller who has been unopposed in the general elections for 16 years, will face Republican opposition in November.

Republican candidates still rolled up the heaviest over-all vote in this state, where Democratic voters outnumber Republicans nearly three to two.

Sewell, Bosch Dine At Governor's Mansion

Col. and Mrs. Walter E. Sewell and Col. and Mrs. George A. Bosch were entertained at a dinner Monday evening by Governor and Mrs. William Bardsley at the governor's mansion in Des Moines. Sewell, professor of military science and tactics, and Bosch, professor of air science and tactics, are both completing their tour of duty at SUI and being reassigned.

Roan Announces 3 City Promotions

City Manager Peter F. Roan Wednesday announced three promotions in the Iowa City fire department.

Adrian F. Rittenmeyer, 38, has been advanced from captain to assistant chief of the fire department.

Advanced from lieutenant to captain was Edwin Knoedel, 41. Walter Garwood, 44, has been promoted to lieutenant.

Certified by the civil service commission, the promotions are effective June 15. The promotions resulted from assistant chief H. T. McNabb's May resignation.

Rittenmeyer joined the fire department July 15, 1937. Knoedel joined the department Feb. 1, 1939. Garwood started with the fire department Aug. 10, 1943.

MEXICAN STRIKE ORDERED

MEXICO CITY (AP)—Mexico's first general strike was ordered Wednesday for July 12 to support a demand for wage increases. The country's largest labor group—the Confederation of Mexican Workers—voted the strike by acclamation at its general convention Wednesday.

Iowa Farm Prices From March, April Show 2.7% Rise

Prices received by Iowa farmers climbed 2.7 per cent from March to April while national farm prices rose only 0.4 per cent, reports the June issue of the Iowa Business Digest.

A hog and beet price rise of 6.2 per cent offset an 11 per cent drop in poultry and egg prices and a seven per cent slump in prices of dairy products, according to "Iowa Trends" of the monthly publication of the SUI bureau of business and economic research.

Life insurance sales in the state for the first four months of 1954 surpassed by 14.7 per cent those of the same months of 1953, and the number of new businesses incorporated in Iowa through April exceeded by 5.6 per cent the number of new incorporations during the first four months of 1953, the Digest reports.

Leading article of the new issue of the Business Digest is "The Randall Report," an analysis by Paul Olson, SUI economics head, of the recommendations of the Commission on Foreign Policy appointed by President Dwight Eisenhower.

Geology Students, Professor Plan Black Hills Trip

Seven SUI students and Prof. Richard A. Hoppin, of the geology department, will leave the campus this weekend for the annual geology field camp in the Black Hills of South Dakota.

At their headquarters one mile northeast of Deadwood, S.D., the SUI group will be joined by geology students from other colleges including Simpson college, Indianola; Kent State university, Alliance, Ohio, and Southern Illinois university, Carbondale, Ill.

In their eight weeks outpost of the 55th annual SUI summer session beginning June 14, the group will spend the first three weeks measuring and describing stratigraphic sections and mapping a small area which shows rocks of several geologic ages. The next four weeks they will map on aerial photographs and during the eighth week complete their maps and reports.

Field camp students from SUI include Kevin E. Cahill, A3, West Branch; John R. Carson, G, Bruce Nolf, A4, and Louis Maher, A2, all of Iowa City; Thomas L. Cory, A3, Canton, Ill.; John G. Railsback, G, Waterloo; J. Edward Dryden, G, Pocomoke City, Md.

City Record

BIRTHS

To Mr. and Mrs. Edward Huffman, North Liberty, a girl Wednesday at Mercy hospital.

To Mr. and Mrs. Jack Krell, a boy Thursday at Mercy hospital.

To Mr. and Mrs. Keith Thayer, Iowa City, a boy Thursday at Mercy hospital.

DEATHS

Leona Lastuvka, 52, Cedar Rapids, Tuesday at University hospitals.

Effie McDonald, 72, Jefferson, Tuesday at University hospitals.

Ambert N. Hopperstad, 54, Burlington, Tuesday at University hospitals.

Roy L. Tekes, 16, Davenport, Tuesday at University hospitals.

POLICE COURT

Larry Rapoport, A2, Cedar Rapids, pleaded guilty to a charge of failing to observe a stop sign and was fined \$12.50.

Ted J. Stevens, A3, Oelwein, pleaded guilty to a violation of the "no turn" rule at Washington and Dubuque streets and was fined \$5.

Richard E. Palmer, P1, Marshalltown, was fined \$12.50 on a charge of failing to have control of his vehicle in connection with an accident in which a car he was driving struck a utility pole on Melrose and Riverside.

William T. Roberson, Iowa City, was fined \$17.50 on a disorderly conduct charge in connection with a street fight.

1896 Graduate First To Return

THE FIRST ALUMNUS to return for annual June alumni activities at SUI is Dr. S. M. Mann, left, who flew from his home in National City, Calif., to arrive on the campus early Wednesday morning. Mann and Loren Hickeyson, director of alumni service, compare the 1954 Hawkeyes to the one published by the class of 1896. Mann is one of the four surviving members of the class of 43 who was graduated from the SUI college of medicine in 1896. (See story on page 1.)

Giants Win, Dodgers Lose; Tied For 1st

MILWAUKEE (AP)—The red-hot New York Giants moved into a first-place tie with Brooklyn in the National league pennant race Wednesday as young Johnny Antonelli pitched his second successive shutout to beat his former Milwaukee Braves teammates, 4-0, on seven scattered singles.

The victory, third straight for the Giants and seventh out of eight in the current western trip, left New York and Brooklyn deadlocked with 30-20 records as the result of the Dodgers' 3-0 loss to St. Louis Wednesday night.

Antonelli, who went to the Giants in the Bobby Thomson deal last winter, gave up four walks and struck out five in handcuffing the Braves for his eighth win of the season. The shutout was his third of the year.

Veteran Warren Spahn was the victim, giving up one run on his own "rock" in the first inning when he threw to the wrong base with three men on. Antonelli singled in the second and eighth.

The Daily Iowan SPORTS

Robinson, Berra Lead Yank Win

NEW YORK (AP)—Eddie Robinson hit his first home run of the season and Yogi Berra rapped a three-run double to give the New York Yankees a 5-1 victory over the Detroit Tigers Wednesday.

Whitey Ford started on the mound for the Yankees but the victory was credited to Tom Morgan. The young righthander replaced Ford at the start of the third inning when the southpaw developed a blister on the index finger of his pitching hand.

White Tromples Umpire As Boston Tips Orioles

BOSTON (AP)—Sammy White's triple with none out in the ninth inning scoring Jackie Jensen drove Boston to a 7-6 victory over the Baltimore Orioles Wednesday.

On the play White ran down umpire Bill Grieve who was running along the base paths between first and second watching the ball. Sammy bowled him over and churned his way into third base as Jensen carried home the big run.

Frank Sullivan, the 6-7 rookie, got credit for his fourth victory of the season for the Red Sox.

Baltimore 001 500 000-6 16 1
Boston 301 000 201-7 10 1

Phillies Take 2 From Cubs

CHICAGO (AP)—Five homers, two by Willie Jones, in a 19-hit attack, gave the third-place Philadelphia Phils a 14-6 nightcap triumph after aging Murry Dickson notched his seventh victory with a 10-hit 4-0 shutout to sweep a doubleheader with the Chicago Cubs Wednesday.

The Phils home-run spree in the finale included two-run blasts by Granny Hamner in the fourth, by Jones in the sixth, and Stan Lopata in the ninth. Jones' other homer, in the eighth, and one by Bobby Morgan, also in the eighth, came with the sacks clear.

Dickson, 37-year-old righthander, got fine defensive help in the opener to win his third straight decision and his third shutout, although earlier blankings of the Giants and Pirates were shortened by rain.

The second game verdict went to right-hander Bob Miller, his fourth triumph against one loss. But Miller needed relief, himself, after feeding a home-run pitch to hitter Joe Garagolia in the seventh, and Jim Konstanty finished. Pinch-hitter Bill Serena clouted Konstanty for a homer with none on in the ninth.

First Game
Philadelphia 010 210 000-4 8 1

Baseball Giants Sign Paul Giel

MILWAUKEE (AP)—Paul Giel, two-time University of Minnesota all-America more known for his broken field touchdown runs than for his strikeouts, Wednesday signed a bonus contract with the New York baseball Giants for an estimated \$50,000.

Club President Horace Stoneham and farm director Carl Hubbell, the old screwwall ace, flew here to sign the 21-year-old righthanded fastball pitcher.

The fleet-footed, 5-11, 185-pound athlete has been the target of big league baseball and football scouts as well as Canadian football bird dogs ever since his sensational sophomore year.

Sox Keep Possession of 1st on 9-4 Win

Tribe Wins, 1-0, Held Hitless for 7 Innings

PHILADELPHIA (AP)—Johnny Groth and Chico Carrasquel batted in three runs apiece Wednesday night as the Chicago White Sox held onto first place and extended their win streak to seven with a 9-4 victory over the Philadelphia Athletics.

The high-flying Sox, who took full possession of top spot in the American league Tuesday night as the Cleveland Indians lost to Washington, were in little trouble in grabbing their second win of the current series with the A's. Bob Keegan posted his ninth win, first hurler in the major leagues to post that mark this season. He's lost one.

Groth started the Chicago scoring in the second by singling Sherm Lollar home.

In the fourth, Jim Rivera walked and came home on Groth's homer.

Record Catch

DULUTH, Minn. (AP)—Three persons have signed affidavits that a muskie caught in Middle Eau Claire lake tipped the scales at almost 70 pounds. The world record muskie, caught in 1949, weighed 69 pounds 11 ounces.

A weight expert said the scale used for the latest catch weighed half a pound too light. That would put the muskie about four ounces over 70 pounds.

The fish was caught in the northern Wisconsin lake Sunday by Robert Malo of Port Arthur, Ont.

Record Catch

WASHINGTON (AP)—Vic Wertz broke up Bob Porterfield's bid for a no-hitter with a single with one out in the seventh inning and came around on Dave Philley's single and an error by third baseman Eddie Yost Wednesday night as Cleveland edged Washington, 1-0. Mike Garcia, who held the Senators to five hits, posted his seventh win.

Porterfield, who allowed four hits, gave up the first of them to Wertz after Larry Doby had been thrown out to start the seventh. Philley's single to left sent him to third and Philley shifted to second on the throw.

Rudy Regalado slapped a grounder to Yost, who bobbed the ball, then threw belatedly to the plate.

Garcia had a no-hitter for four innings but Jim Busby beat out a roller to Regalado. Busby obtained three of the Senators' hits.

Cleveland 000 000 100-1 4 0
Washington 000 000 000-0 5 1

Musial's 20th Homer Batters Ruth's Pace

ST. LOUIS (AP)—Stan Musial is two games ahead of Babe Ruth's home run pace of 1927, the year he set the record with 60.

But the St. Louis Cardinal slugger, leading the major league batting parade with .388, is harboring no thoughts of smashing it.

"I'm still only a singles hitter," Musial said Tuesday night after getting his 20th homer of the season. "There've been a lot of home run sluggers but only one Ruth."

The Bambino knocked his 19th and 20th homers in the New York Yankees' 52d game in 1927. Musial's 20th off Brooklyn's righthanded ace Carl Erskine came in the Cardinals' 50th game.

Before the game someone reminded Musial that Hank Sauer of the Chicago Cubs had hit his 19th homer earlier in the day to tie Stan and put himself five games ahead of Ruth's record pace.

Musial ignored the comparison with Ruth by merely saying, "hmm, so Sauer hit another one?"

MSC To Get Test Of Hitting Power In 'World Series'

OMAHA (AP)—Michigan State and Massachusetts will open the NCAA college world series here this morning in what can be as good a game of baseball as the tourney will produce.

Michigan State is the favorite to keep the NCAA title in the state of Michigan and the Big Ten conference where it went last year when the Michigan school won the series.

State's hitting power may be put to the acid test against Massachusetts as the Redmen probably will start Phil Tarpey on the mound.

Tarpey pitched perfect ball in the last three innings of the first playoff victory won by Massachusetts and then hurled shutout ball the next night as the Redmen beat Holy Cross for a series spot.

State has a record of 22-7 and Massachusetts 14-5.

4 Redleg Homers Beat Pirates, 4-3; Greengrass Stars

CINCINNATI (AP)—The Cincinnati Redlegs scored all of their runs on bases empty home runs Wednesday night as they whipped the Pittsburgh Pirates, 4-3. Gus Bell got two of the homers but it was Jim Greengrass's circuit blow in the ninth that broke a 3-3 tie.

Joe Nuxhall, who got his first starting assignment of the year, was the winning Cincinnati hurler and he contributed the other Redleg homer.

It was an uphill battle for the Redlegs against the pitching of Max Surkont after Roy McMullan's two-run error had helped the Pirates to three runs in the opening inning.

There was one out in the ninth when Greengrass, who has been riding the bench because of a hitting slump, drove the ball over the left centerfield wall.

Cincinnati 01 001 011-4 8 2
Pittsburgh 300 000 000-3 11 1

Billy Kilgore TKO's Ernie Durando in 10th
MIAMI BEACH, Fla. (AP)—Billy Kilgore, a 2-1 underdog, was complete master of the situation Wednesday night as he gave Ernie Durando a decisive beating to win by a technical knockout in the tenth round.

Kilgore opened a cut over Durando's left eye in the fifth and by the end of the ninth the blood was streaming from the cut so badly that a Miami Beach Boxing commission doctor refused to allow Durando to come out for the tenth.
