The Weather

Mostly fair today and tonight with little change in temperature. High today, 90 to 95; low, 62 to 67. Partly cloudy with little change in temperature Wednesday.

Captured Man Admits Killing Pulaski Farmer

Council To Discuss Standard Time Return at Extra Session Thursday

2,500 Sign Forms Favoring Switch To 'Slow Time'

Petitions containing almost 2,500 names favoring a return to standard time have been received by Mayor Leroy S. Mercer and a special city council meeting has been scheduled for 7 p.m. Thursday.

Mayor Mercer said previously the council would consider dropping fast time if 2,000 signatures were obtained by business groups desiring it. The meeting was called Monday afternoon at a council session following the filing of the petitions with the city clerk.

One of the principal reasons cited by the pro-standard time group, Citizens Committee for the Return of Central Standard Time on Saturday, July 31, is the confusion caused by the time difference with nearby towns. This reference is to Cedar Rapids, Marion, Ely, and other towns which have already approved the change effective in the near future.

Losses to businessmen and parent difficulties trying to get their children to bed were other reasons that influenced the 2,341 petitioners to request the switch, the Citizens committee said.

Mayor Mercer remarked that he received 14 letters and cards in favor of the present daylight savings time set-up. However, no organized opposition to the Citizens committee was apparent Monday.

A contract authorizing \$55,000 for sewer, sidewalk and paving construction was also approved in Monday's special meeting. The contracts were let at the group's last meeting.

Buppy Still Eligible To Receive \$1,000 'Dog Hero' Award

Buppy, Iowa City's late heroic puppy credited with saving the life of her two-year-old mistress is still in the running for the "Dog Hero of Heroes" award.

The announcement was made after a special meeting of the contest judges Monday to decide whether the dead puppy could posthumously be awarded the Ken-L-Product's \$1,000 bond for outstanding dog heroism.

Buppy died from strangling early this month, four months after she pushed little Diane Innes, daughter of Mr. and Mrs. A. F. Innes, the dog's owners, out of the path of an oncoming truck on Muscatine ave. The child had wandered on the highway while playing. The 13-month-old puppy was found dead by a farmer after her collar apparently became entangled in a bush while chasing a rabbit.

When notified of Buppy's eligibility along with four other dogs for the award, Mrs. Innes said, "I'm very happy about it, but I'm not planning on Buppy winning, because I don't know what the other dogs have done."

The contest judges said that the winner would be chosen in about 10 days.

(Daily Iowan Photo) CITY CLERK ROBERT E. MEYER accepts petitions bearing 2,406 names favoring a change back to standard time from Joan Klein, a secretary in the city clerk's office, Monday afternoon. Twenty-five other pro-change signatures had previously been turned in at the clerk's office. Mayor Leroy S. Mercer called a special meeting of the city council for Thursday at 7 p.m. to consider the request.

U.S. Planes Shoot Down 2 Red Fighters Over China Sea

WASHINGTON (AP) — Two American Sky Raiders flying a rescue mission over the South China Sea shot down two Communist fighter planes which fired on them, it was disclosed Monday in a forceful U.S. restatement of the tradition to fight back if attacked.

A Chinese Communist gunboat also opened fire on the American planes but they did not shoot back at it.

There were no American casualties.

Adm. Felix Stump, commander-in-chief of the Pacific fleet, announced that American pilots in area have been ordered to be "quick on the trigger" if attacked. He put it in these words:

U.S. Will Fight

"If any U.S. plane is attacked or approached with obvious hostile intent, it will fire back.

"In other words, you don't have to wait and get your head blown off to fight back."

In Washington for talks on the Far East situation, he told of the fight-back policy at a news conference shortly after the state department announced the shooting down of the Chinese Communist planes for "their belligerent interference with a humanitarian rescue operation being conducted over the high seas."

By "high seas" the department meant the attack occurred in neutral territory, Secretary of Defense Charles Wilson, in a statement, placed the scene more than 12 miles from the coast of Hainan Island, a Communist outpost. The time was 9:05 p.m. (CST) Sunday night, which would be in daylight Monday morning in that time zone.

No Jets Involved

All the planes involved were described as propeller driven, rather than jet. The U.S. planes were Douglas Sky Raiders. The

Chinese planes were said to be LA7's, one of the fastest propeller planes the Communists have in China.

The American planes were from Task Force 70, which sent two carriers, the Hornet and the Philippine Sea, to help search for survivors of a British airliner shot down by the Communists Friday about 30 miles south of Hainan.

Stump was asked whether the American task force was strong enough to take care of itself. He said he thought it was. Asked whether the Communists now would be more careful about shooting at planes, he said:

"I would hope so but I don't know how much trouble they want."

British Plane Shot

The British plane, a Cathay Pacific commercial airliner, was shot down with an apparent loss of 10 lives, including three Americans. There were eight survivors.

In an outstanding rescue mission, an American amphibious plane from Manila picked up the survivors from a life raft rolling in heavy seas, right in the Communists' back yard.

Red China, in a virtually unprecedented move, apologized to Great Britain, saying its patrol planes mistook the unarmed airliner for a Chinese Nationalist craft. A Peiping radio broadcast expressed willingness to consider paying damages.

Congress Backs Ike

One immediate result of the gunfire was a surge of united political support for the administration in congress.

Sen. Matthew Neely (D-W. Va.) told his colleagues: "Every Democrat, every Independent, every Republican, every other man and woman worthy of citizenship of this great republic, will work with the President, march with him, and if worse comes to worse, they will fight with him to the last drop of American blood."

There was applause for the brief remarks of Sen. Lyndon Johnson of Texas, the Senate Democratic leader, who said:

'No Divided Loyalties'

"Regardless of the details, the fact still remains that the Chinese Communists are shooting at our men. There can be no partisanship or divided loyalties on such an issue.

"We must await the facts to determine the next step. But meanwhile, we must also resolve to be cool, decisive and ready to act as Americans must always act in the face of danger."

After a two-hour luncheon meeting with President Eisenhower at the White House, Secretary of State John Foster Dulles declined to say whether there was any discussion of the incident.

AEC 'Logjam' Broken; Gore Predicts Vote

WASHINGTON (AP) — Sen. Albert Gore (D-Tenn.) said Monday "the logjam is broken" in the senate's marathon debate on the atomic energy bill, and he predicted it would come to a final vote Wednesday.

Answering a reporter's question, Gore, a leader of the opposition forces, said "I would be very much surprised if there were an all night session" of the senate Monday night to debate the bill, but there was no immediate announcement by Sen. William F. Knowland of California, the senate Republican leader, of whether he would abandon the day-and-night grind he had ordered in efforts to wear out the debaters.

BULLETIN

WASHINGTON (AP) — The senate late Monday night labored in what appeared likely to be another all-night session on the atomic energy bill, which it has been debating since July 13.

"We're going through the night," majority leader William Knowland of California advised reporters at 12:10 a.m. CST.

Gore made his statement after Knowland and Sen. Bourke B. Hickenlooper (R-Iowa), administration floor manager of the bill, in surprise moves agreed to accept an amendment to the bill proposed by Gore, and had taken other placating steps.

"My amendment was the test," Gore said. "The logjam is now broken. I would be very much surprised if there were an all night session tonight."

The legislation practically rewrites the Atomic Energy Act of 1946. Among other things, it would give private industry a chance to participate in the development of peacetime atomic energy, and would let the President have a freer hand in exchanging atomic information with friendly foreign nations.

Vote 231-154

The house shot through its own version of the bill Monday substantially in the form requested by the administration. The roll call vote on passage was 231-154.

Cloakroom negotiations to end what Knowland has called "a full-fledged filibuster" appeared to have failed earlier in the day. But as the debate continued a new pattern of procedure developed and work on the legislation picked up speed.

Knowland withdrew his requests for a time limit on the debate on two key opposition amendments, and Gore's amendment, one of those involved, was disposed of in about half an hour.

Amendments Out

Senators opposing the bill have been incensed by Knowland's previous tactic of asking for a time limitation and then moving to table an amendment if there was no agreement to cut the debate on it. A motion to table is not debatable. Knowland had succeeded in disposing of several amendments in short order with this maneuver.

Gore's amendment, adopted unanimously on a voice vote, would forbid the atomic energy commission to reimburse any contractor for federal income taxes, and Gore said "this puts a crimp" in a proposed contract between AEC and the Dixon-Yates private power combine

Dulles, Nixon Welcome Rhee to Washington

KOREAN PRESIDENT SYNGMAN RHEE is greeted by Secretary of State John Foster Dulles on his arrival at National airport in Washington. Mrs. Rhee, right, is greeted by Mrs. Richard Nixon as the vice-president watches. See story on page 3.

County Supervisors OK \$1,342,773 Budget for 1955

The Johnson county board of supervisors Monday approved the 1955 county budget of \$1,342,773, a decrease of \$85,879 from this year's budget of \$1,428,652.

The largest decrease is in the secondary road maintenance funds which were reduced \$73,708 from last year's \$242,088. The new budget allows for \$158,380. Reason for this reduction was that county road crews have caught up with most of their grading and repair work and that a balance has been built up in the maintenance funds.

Citizens wishing to support, oppose, or question items on the proposed budget will have an opportunity to appear at a public hearing Aug. 9 at 10 a.m. to present their views. This public hearing is required by law.

Road Construction Funds Up

Largest item on the budget was road construction funds of \$363,118 which was up slightly over the 1954 budget of \$361,231.

Assistant County Auditor William L. Kanak said Monday afternoon that 1955 would be the first year Johnson county will have no budget allowances for bonded indebtedness since the depression days of the early 30's. The last bonds issued were relief bonds of which the last payment of \$5,094 in principle and interest is due Nov. 1, 1954.

The amount to be raised by taxes was also lowered. The proposed budget tax bill will be down \$115,907 from last year's \$291,077 to \$175,170 for 1955.

State Funds Furnish \$275,000

Of this proposed \$775,170 income, the state road use tax funds will furnish \$275,000 and an estimated balance from the current year will add an additional \$50,000. The rest will be raised through taxation.

Largest item to be raised by taxation will be the \$158,380 planned for county secondary roads. The levy for this fund will be reduced to five mills. This year it was eight, the maximum allowed by law.

John Lured to East by Reds, West German Officials Claim

BONN, Germany (AP) — Dr. Otto John, West Germany's missing security chief, was lured into Communist East Berlin and may have been drugged by a Red agent, the government said Monday.

"The facts do not substantiate the theory that Dr. John left West Berlin with traitorous intentions," it said.

Federal Interior Minister Gerhard Schroeder read to a crowded news conference the German government's first official report on the strange disappearance of the man who directed West Germany's counterintelligence fight against the Communists.

Communist Assertions Rejected

Rejecting Communist assertions that Dr. John has deserted to the East, Schroeder said: "It is a fact that Dr. John wanted to return from Berlin to his headquarters in Cologne. His schedule clearly pointed to his intention to go back to Cologne.

Dr. O. M. Rotnem Killed in Minnesota Highway Accident

Dr. O. M. Rotnem, former volunteer resident doctor in the SUI urology department, was killed and his wife injured in a highway accident south of Mabel, Minn., Sunday. He died in a Rochester, Minn., hospital of injuries received in the accident.

According to a former neighbor here in Iowa City, the Rotnems were living at the home of his parents in Minneapolis while making arrangements for a practice. While in Iowa City the family, including a son Richard, 3 and a daughter Diane, 6, lived at 116 Templin Park.

Rotnem, 35, had just completed a one-year term with university hospitals on July 1. His wife, who was also hospitalized, was a former employe of the Veterans Administration hospital.

Funeral arrangements have not been set.

For instance, he made a plane reservation for the return flight on July 22 even on the afternoon when he disappeared."

The security chief went to Berlin July 18 to attend the West German Parliament's presidential election there and ceremonies commemorating the abortive plot of June 20, 1944, on Hitler's life.

"Many clues indicate that Dr. John has been lured across the border under false pretenses," Schroeder said. "Every motive of Dr. John for a voluntary crossing of the border into the East is lacking. . . . All his connections show he is a Westerner, not an Easterner."

Drugs From Hitler's Physician

Schroeder said it is possible that a Communist doctor who accompanied the antispy chief in a taxi across the sector border last Tuesday night "used methods to influence Dr. John with drugs which this doctor learned from Hitler's personal physician."

Schroeder called the physician, Dr. Wolfgang Wohlgemuth, the key figure in John's disappearance.

"Dr. Wohlgemuth is an expert in the use of drugs," the minister said. "It is known that he took over the practice of Hitler's personal physician, Dr. Morell, who specialized in drugs. Therefore the possible use of drugs in the case of John cannot be excluded."

TV Redeemed

Youngsters Still Read Say Librarians

WASHINGTON (AP) — Parents worried lest television turn their children into goggle-eyed monsters who can't read a book—or even want to—got good news Monday.

Youngsters still read. And, the experts add cautiously, maybe TV even helps their reading habits.

Ralph Dunbar of the office of education said library circulations for the entire nation appear to be going up somewhat.

"The exact reason," he said, "we just can't pinpoint."

But along with statistics sent in by librarians from all over the country, he said, come observations by the librarians.

These show librarians no longer tremble in their cells at the mere mention of the word television.

"They seem to feel," Dunbar said, "that television may be a boon, rather than hurting them."

Apparently a reader who buys a television set goes through three stages.

1. The new set comes into the home, and he can't escape it. Sits mesmerized through it all. Even wrestling.
2. The great day. Learns he can turn the thing off.
3. Begins to sit up and take intellectual nourishment again. Finds TV programs that whet his interest to learn more.

This pattern seems to fit viewers of all ages.

2 Surrender In Illinois Soybean Field

CARTHAGE, Ill. (AP) — Police said one of two men captured in an Illinois soybean field Monday night confessed he shot and killed an Iowa farmer during a holdup Sunday.

Sheriff Ivan Latherow of Hancock county said William G. Karston, 29, of Quincy, Ill., signed a statement that he shot and killed Wendell W. Jones, 56, on Jones' farm near Pulaski, Iowa.

Karston and his half-brother Elmer Anderson, 22, of South St. Paul, Minn., were found huddled in a clump of weeds along the Mississippi river, nine miles northeast of Meyer, Ill.

3-State Search

The two had been the object of a wide search conducted in sections of Iowa, Missouri and Illinois since Sunday.

They were spotted by three farmers, members of a posse, scouring the area.

Sheriff Latherow said Karston was armed with a .32 revolver but the two surrendered without resistance after one of the farmers fired a shot over their heads.

Latherow said Karston signed the statement admitting the shooting and that Anderson had earlier admitted his part in the crime.

Waive Extradition

Latherow said the two waived extradition and Iowa authorities were to return them to Iowa Monday night.

The sheriff said Karston had \$168.94 in his pockets and that Anderson was carrying \$146.95. The pair had taken refuge at the Jones farm while fleeing officers seeking them for two gas station holdups at Ottumwa.

Mrs. Jones said one of the robbers shot her husband twice after he had given them \$81 and said:

"This is all the money we have. If you want to shoot, go ahead and shoot."

The bandits fled in the farmer's automobile, which was abandoned near Canton, Mo., across the Mississippi and south of the spot where Karston and Anderson were nabbed.

The farmers who made the capture were Francis Foreman, Raymond Gahn and Ralph Rabe.

'First Degree Murder'

In Des Moines, Chief R. W. Nebergall of the Iowa Bureau of Criminal Investigation said that while it would be up to Davis county authorities as to what charge is filed, "there's no question but that it is first degree murder."

First degree murder conviction in Iowa carries a penalty of death by hanging or a life term.

At Pulaski, Wilbur Jones, son of the slaying victim, said he was glad to hear of the capture but preferred to withhold comment at this time as to what punishment should be meted out to his father's slayers.

Funeral services for Jones will be held in Bloomfield at 2 p.m. Wednesday.

Admit Holdup

Nebergall said an Iowa state agent, who is at Carthage, said Karston admitted orally that the pair held up two Ottumwa gas stations Saturday night, drove to Bloomfield where they abandoned his car in a police chase, and then went to the Jones farm near Pulaski where Jones was robbed and slain.

Nebergall said Karston also admitted the pair then fled in Jones' car to Canton, Mo., where they left it on the river bottom after exchanging shots with two fishermen.

Swam Mississippi

"They then apparently swam the Mississippi," Nebergall said. Nebergall added that Karston had waived extradition and was ready to return to Iowa with Sheriff Jim Yates of Bloomfield who came to Carthage as soon as word of the capture was received.

When the pair was brought to Carthage, one was wearing only a pair of shorts and the other only a pair of long pants. Both were mud-caked. They said they hid in weeds along a drainage ditch after swimming the Mississippi from Canton to Meyer, Ill.

Later they hid in the bean patch where three Warsaw, Ill. farmers found them and forced their surrender. No resistance was offered. Officers said they found a total of approximately \$315 on the pair.

World News Briefs

A Condensation of Late Developments

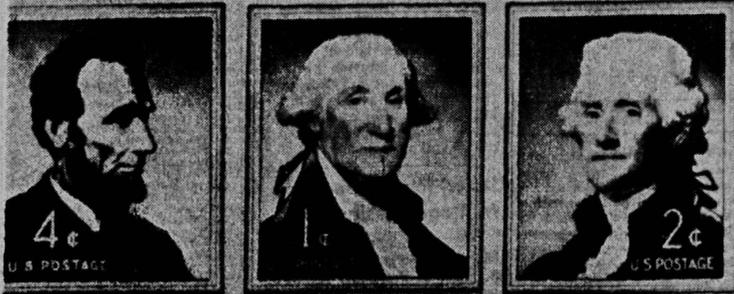

BULLETIN

SAIGON, Indochina (Tuesday) (AP) — The Indochina war ended in North Viet Nam early today after nearly eight years of bitter, bloody fighting. The French high command announced the ceasefire agreed at the Geneva conference became effective in the North at 8 a.m. (8 p.m., CST, Monday). From now until Aug. 11 progressive stop-fighting orders in other portions of Indochina are scheduled to restore peace to the battle-torn country, one of the richest areas of southeast Asia. There was no immediate official announcement of fighting still in progress when the truce order took effect. Monday in Hanoi a French spokesman said no details of the last hours of fighting would be made public until noon today.

Britain Considering U.S., Red China Tension

LONDON (AP) — Britain is considering advising both the United States and Red China to show restraint in the Hainan danger area, informed officials reported Monday night. Prime Minister Churchill was said to be gravely concerned at the situation touched off last weekend when Red fighters shot down a British airliner with a loss of 10 lives. American planes, on a search and rescue mission over the area Monday, shot down two Chinese fighters when the Reds attacked them.

New Postage Stamps Honor Presidents

THREE U.S. PRESIDENTS' PORTRAITS will appear on three new stamps which the post office department will place on sale Aug. 28 in Chicago coinciding with the annual convention of the Society of Philatelic Americans. The one-cent stamp bears a likeness of George Washington reproduced from a portrait thought to be the original of the Vaughan or "right-side-of-the-face" type by Gilbert Stuart.

Preparation for Opera Rehearsal

(Daily Iowan Photo)

UNTOLD HOURS OF PREPARATION went into the SUI production of Serge Prokofiev's fantasy opera "Love for Three Oranges," opening tonight in MacBride hall. Shown above in the men's dressing room prior to final dress rehearsal Monday night are Malcolm Westly, G. Manly, left, who plays the part of Pantalon, and Willard Stunstad, G. Hendrum, Minn., right, who portrays the King. Make-up man Donn Sparks helps both with final adjustments before their stage call.

Rhee Blames Korean Plight On 'Cold Feet'

WASHINGTON (AP) — President Syngman Rhee of South Korea flew to Washington Monday with an outspoken complaint that the Communists were not driven out of Korea because "some people had cold feet."

At the same time, he said "I still thank the Almighty that your boys came to Korea and to our rescue."

Welcomed at Airport

The welcoming party at the airport included Vice President Richard Nixon, Adm. Arthur W. Radford, Secretary of State John Foster Dulles, Gen. Matthew E. Ridgway, James A. Van Fleet of Korean War fame, and others.

Dispatches from Seoul have indicated that Rhee, in his talks with Eisenhower, will ask for military equipment for 10 to 20 more divisions than the 20 his republic now has. He also is expected to ask for more economic aid from the United States which is now providing South Korea with about \$200 million worth a year.

Eisenhower is expected to ask Rhee to soften his antagonism toward Japan and to shelve for the present his dream of uniting North and South Korea.

Rhee Thanks God

In saying that he thanked God for America's sending persons to help against the Communists, Rhee added:

"Since that time the Communists have failed. They know they have failed and if we had only a little more courage we could have reached the Yalu. At least we would not have to worry about the unification of Korea."

"But some people had a little cold feet and we could not do what we already could do. This would have been the best thing for Korea, the United States, the United Nations and all free nations."

By MORT WALKER

Talent, Effort of Many Go into '3 Oranges'

By DRAKE MABRY

If countless hours of work, colorful costumes and scenery, and fascinating, sometimes riotous music and song mean anything, the SUI production of Serge Prokofiev's fantasy opera, "The Love for Three Oranges," will be a real smasher.

Opening tonight in MacBride hall auditorium, the opera will continue through Thursday.

The SUI production, a combined effort of the music and drama departments, features a 57-piece orchestra, a 48-voice chorus, 18 singing roles, and five special dancers.

Elaborate Scenery

Mix these with elaborate scenery, costumes that remind one of a Fifth Avenue confetti shower because of the bright colors, and the rousing music, and you have "The Love for Three Oranges."

To make room for the orchestra and extensive scenery, the first five rows of seats in MacBride hall were removed. Special boxes have been constructed adjoining the stage to seat the chorus, or "audience" which is their role in the opera.

There will be 950 seats available for the audience despite these alterations.

Tells Prince's Story

The opera, actually a play within a play, is a story of a prince who imagines he is plagued by a wide variety of diseases. According to his doctors and advisors, he can be cured by laughter alone.

Just when the laughter remedy starts to work, a witch tells him he will fall in love with three

Mother-in-Law Worse Than A-Bomb—Briton

NEW YORK (AP) — Dr. Walter S. Maclay, a British mental health expert, arrived on the liner Queen Mary Monday and told reporters:

"Talk of the A-bomb has not affected people's mental health as much as having a mother-in-law overstay a visit to the home."

As senior commissioner of the Board of Control of the British Minister of Health, Dr. Maclay shares responsibility for 200 mental hospitals in England and Wales.

All-Star Quarterbacks Line Up with Hilgy

LINING UP BEHIND IOWA'S center, Jerry Hilgenberg, are five quarterbacks who are working out at the Collegiate All-Stars' training base at the University of Indiana, practice field at Lafayette, Ind., Monday. Left to right are Vince Dooley, Auburn; Paul Cameron, UCLA; Cotton Davidson, Baylor; Bobby Garrett, Stanford, and Zeke Bratkowski, Georgia. The College All-Stars will meet the National Football League champion Detroit Lions at Soldier field in Chicago, Aug. 13.

Rule Out Play Between Leagues In Regular Season

Clubowners Give '55 All-Star Game To Milwaukee

NEW YORK (AP)—The major league clubowners Monday passed a resolution forbidding the signing of college players between their sophomore and senior years, abandoned the idea of interleague competition during the regular season and awarded the 1955 All-Star game to Milwaukee.

In a 30-minute joint meeting of the two leagues, the magnates agreed to permit five players from each club—three veterans and two rookies—to play an unlimited number of games south of the border. However, they stipulated that the winter league should end Feb. 15, including the Latin American world series.

Limited to 60 Games in '53. Last year, the same number of players from each team were allowed to play winter ball but they were limited to 60 games.

The owners also approved the players' request that no athlete be ordered to report to spring training before March 1. Any player may come to camp earlier if he so desires. The first exhibition game will be played March 10.

As a result of the bad feeling caused by the re-scheduling of a game between Brooklyn and Milwaukee July 14, the day following the All-Star game, the owners ruled that no game may be played between Sunday and the day after the All-Star game. No date was set for next year's game, pending the makeup of the 1955 schedule.

Night Game Proposal Dropped
A proposal by the Detroit Tigers to limit the number of night games to 21 per season was withdrawn and Houston's bid to have the majors hold their annual winter meeting there following the minor league convention next December was declined. New York will be the site for the majors' confab.

The proposed plan for inter-league play died before it even got on the floor of the joint meeting. General Manager Hank Greenberg of Cleveland, father of the plan, withdrew his idea because of opposition in his own league.

Pop Warner in Serious Condition in Hospital

PALO ALTO, Calif. (AP)—Glenn S. (Pop) Warner, 83, all time great football coach is in Palo Alto hospital where doctors describe his condition as serious but not critical. Warner entered the hospital a little more than two weeks ago and left after being operated on for a tumor of the throat.

Tough Spot

(AP Wirephoto) **GARY MIDDLECOFF, ordered to play a shot from behind the bleachers by PGA officials in St. Paul Monday, squints through the bleachers to the pin marking the 15th green, debating whether to try to chip over. He finally earned it off the stands.**

Conley 4-Hits Pirates As Milwaukee Wins, 3-1

PITTSBURGH (AP)—Right hander Gene Conley doled out four hits Monday in hurling the Milwaukee Braves to a 3-1 victory over the Pittsburgh Pirates, the fifth win in a row for the third-place Braves.

Billy Bruton, Ed Mathews and Andy Pafko led the Braves' attack as they chipped in with two hits apiece.

The Bruton-Mathews combination gave the Braves their first two runs, all they needed as Conley breezed to his ninth victory against five defeats. The loss was charged to Bob Purkey who gave up eight hits in the first six innings. He has a 2-7 mark.

The Braves made it 3-1 in the sixth on consecutive doubles by Joe Adcock and Pafko.

Milwaukee 101 001 000—3 10 0
Pittsburgh 000 001 000—1 4 1

ANDREWS WINS KO

NEW YORK (AP)—Paul Andrews of Buffalo, seventh ranking light-heavyweight, knocked out Yvon Durelle, Canadian light-heavyweight champion, in 1:16 of the fifth round of a bout scheduled for 10 rounds Monday night at St. Nicholas arena. Andrews weighed 175½, Durelle 166½.

Gene Conley

Santee Predicts 3:55 Mile To Be Common

WASHINGTON (AP)—Wes Santee, trim and slender in his marine khaki, predicted Monday that a 3:55 mile is not far in the future and he let it be known he figures he is just the fellow to run it.

There was nothing brash or cocky in the way Santee departed himself at a luncheon gathering of the Touchdown club of Washington.

Moon Climbs To 5th Place In NL Batting

NEW YORK (AP)—Wally Moon of the St. Louis Cardinals appears to have the National League's rookie of the year award all but sewed up as he moves in on the leaders in the circuit's batting race.

The fleet outfielder climbed from seventh to fifth place in games last week. He lifted his average to .333. Wally is the only first year man among the top 10 hitters in either major league.

Moon still has a long way to go to catch Brooklyn's Duke Snider, who is leading with a .365 mark.

Don Mueller of the York Giants continues in the runnerup slot. Stan Musial of the Cardinals is third with .337, followed by teammate Red Schoendienst with .336. Musial is the loop's runs-batted-in leader with 87, while Willie Mays of the Giants is tops in homers with 34.

A 9-for-13 performance in the weekend series against Cleveland put Irv Noren of the New York Yankees well out in front in the American league scramble with .358.

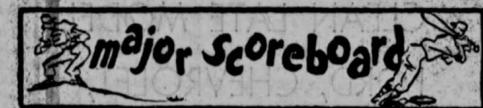

Minnie Minoso of Chicago is in second place at .324. Minoso has driven in the most runs, 76.

Mickey Mantle of the Yankees is third with .321. The speedy outfielder is deadlocked with Cleveland's Larry Doby, for the most homers, 20.

Bobby Avila of the Indians relinquished the runnerup spot with a 24-point drop to .320 and fourth place.

Johnny Antonelli of the Giants has the highest percentage among National League pitchers, .875, with 14 victories against two defeats. Allie Reynolds of the Yankees heads the American with .909 on 10 triumphs against a lone setback.

Dodgers Pummel Maglie For 9-1 Win Over Giants, Trail By Only 3 Games

BROOKLYN (AP)—Socking Sal Maglie as they never have before, the Brooklyn Dodgers Monday night blasted their old nemesis for 11 hits before routing him in the sixth inning and crushed New York 9-1 to slice the Giants' once handsome first place lead to three games.

While the Dodgers were handing Maglie his first lifetime loss at Ebbetts' field, Carl Erskine was limiting the slump-ridden Giants to five hits for their fifth straight defeat.

Giant manager Leo Durocher used three relief pitchers in an attempt to halt Brooklyn but the

Dodgers spared none of them. They hammered out 15 hits, at least one in every inning, and scored in all but the second and third to delight a crowd of 32,251.

Pee Wee Reese and Jackie Robinson rapped three hits apiece and Gil Hodges drove in three runs with a double, base-loaded walk and a long sacrifice fly. Erskine proved just as valuable at the plate as on the mound, banging a double and single and driving in a run.

The only Dodgers in the starting lineup who didn't hit were Duke Snider and Roy Campanella. Snider, however, walked three times and Campanella once.

Erskine walked three and struck out five as he posted his 12th victory of the season and his second over the Giants.

They have handed him four of his nine defeats. The only run he allowed came in the fourth inning when Don Mueller singled with two out and scored on a double by Hank Thompson off the right field screen.

Andrews Wins 1st Match At Kalamazoo

KALAMAZOO, Mich. (AP)—Art Andrews, Iowa City, and two Burlington, Iowa brothers, Joe and Charles Gaston won their first round matches Monday in the National Junior and Boys tennis tournament.

Andrews beat Ross Barney of Oak Park, Ill. 6-2, 6-0 in the junior division.

Joe Gaston won from Bred Hodgman, Kalamazoo 6-1, 6-0 and Charles Gaston defeated John Knepper, Carnegie, Pa. 6-2, 8-6 in the boys' division.

Bill Voxman, Iowa City lost to Nicholas Johns, Jamaica Plain, Mass. 6-3, 7-5 in the boys' competition.

LAFAYETTE, Ind. (AP)—Head Coach Jim Tatum of the College All-Star football squad, wary of Detroit Lion scouts, barred visitors indefinitely from the collegians' practice field at Purdue university Monday.

"The All-Stars always have been vulnerable to scouting," said Tatum. "We appreciate spectator interest but this will be one squad whose plans will not be reported to the pros."

The All-Stars play the Lions Aug. 13 in Soldier field, Chicago.

Canned Rabbit

OAK RIVER, Manitoba.—Frank Hayburst shot a bush rabbit here and when he reached it the body was inside a tin can. But the rabbit's legs were free. He thinks the rabbit got into the can, open at both ends, when young and small.

Costa Outpunches Ex-Bantam King

BROOKLYN, N. Y. (AP)—Carmelo Costa, clever hit and round artist unbeaten in 25 pro fights, staved off the wild lunges of Vic Towel, former bantamweight champ of the world, Monday to win a unanimous decision in his second 10 round bout at Eastern Parkway arena.

Costa weighed 129 pounds, Towel 133. Judge Joe Agnello scored it 8-2, referee Pete Scalzo, the former feather title holder, 6-3-1 and Judge Artie Schwartz 5-4-1, all in favor of Costa. The AP card was 7-2-1 for Costa.

Burkemo, Harbert Win In PGA

ST. PAUL, Minn. (AP)—Defending champion Walter Burkemo, snuffed out Cary Middlecoff's stirring rally on the 37th hole Monday to go into the finals of the PGA golf championship against his Detroit neighbor, Chick Harbert.

Harbert himself was forced to stand off a brief but dangerous spurt by hot-tempered Tommy Bolt to win the other semifinal match on the 36th and final hole.

Middlecoff, three down with six holes to play, came surging back to knot the match on the 36th where he whacked out of the deep rough and sent the ball to within four feet of the pin. Burkemo over-pitched the green and putted short, conceding the hole.
