The Weather

Possible showers or thunderstorms today. Decreasing cloudiness and cooler tonight. Highs of 55 to 60 today. Saturday mostly fair and cooler.

CIRCLES WITH NUMBERS in them indicate SUI off-street parking. 1. Power plant; 26 general; 2. New library, south; 37 reserved, 80 general; 3. Old Hawkeye village; 282 general; 4. Engineering building; 60 reserved; 5. Old Journalism, off Dubuque street; 7 reserved, 8 general; 6. 110 Iowa avenue, off Iowa avenue; 7 reserved; 9. Dental building; 14 reserved, 12 general; 10. Chemistry building, off Madison street; 40 reserved, 26 general; 11. N. Madison street at Bloomington street; 125 general; 12. University high school; 32 general; 13. South Quad; 79 general; 14. Hillcrest, West side; 60 general; 15. Hillcrest and Quad, North side; 140 general; 16. South of field house; 380 general; 17. North of field house; 240 general;

18. Med labs, East; 90 reserved; 19. Psychopathic hospital; 26 reserved; 20. Children and Westlawn; 47 reserved, 74 general; 21. West of Psychopathic hospital, North; 12 reserved, 52 general; 25. Commons; 55 general; 26. Art building; 23. General hospital, South and West; 143 reserved, 108 general; 24. General hospital, North; 12 reserved, 52 general; 25. Commons; 55 general; 26. Art building; 76 general; 27. Theater; 108 general; 28. South of armory and field house; 60 reserved; 29. South of Med labs; 53 general. Not listed: Hydraulics lab; 85 general; Streets around Hillcrest and Quad; 130 general; Married housing areas; 370 general; New library, W. Washington street; 50 general. Total: 730 reserved, 2,948 general.

16 Die As Quake Rocks Philippines

Many Injured; Thousands Flee Homes

MANILA (AP)—A mighty undersea earthquake rocked the southern Philippines Friday, sent thousands fleeing from their homes in the predawn darkness, killed at least 16 persons, and triggered a series of aftershocks lasting seven hours.

Hundreds were reported injured by falling debris.

Mindanao, Negros and Panay islands were hardest hit.

16 Killed

The Philippine Red Cross said 16 persons were killed near Lake Lanao. The lake lies east of the narrow neck of Mindanao island.

Coastal cities west, north and south of Lake Lanao were devastated by rolling earth shocks.

Churches crumbled. Houses collapsed. Electric power failed.

Thousands were homeless.

Million Dollar Damage

Ozamiz City, Misamis, west of Lake Lanao, reported one million dollars damage, churches and hundreds of houses destroyed, water systems disrupted and its port facilities blocked.

Cagayan City, north of Lake Lanao, and Cotabato, south of the lake on Moro Gulf, reported heavy damage.

Describes Disaster

Mayor Angel Medina of Ozamiz City described the disaster in a terse radiogram:

"Three-minute earthquake very strong intensity occurred 2:20 a.m. Estimated damage one million dollars. Catholic churches totally destroyed. Port Santiago sank four feet. Water system seriously damaged. Hundreds houses either collapsed or destroyed. Earthquakes continue to rock Ozamiz City."

Plug MEBOC Candidates

PLUGGING A MEBOC CANDIDATE, members of a campus organization walk up the steps of the Delta Delta Delta sorority house. Dressed in women's clothes and playing instruments, the group was advertising its candidate as the "Most Eligible Bachelor on Campus." The winner, to be voted on today will be honored at the annual girl-ask-boy dance, Spinster's Spree, Saturday night.

Where Can You Park Your Car?

For how many cars does SUI provide parking spaces? Where are these spaces?

R. J. Phillips, head of the department of maintenance and operation, SUI physical plant, supplies the answers:

The university provides 3,878 parking spaces. Of these, 730 are reserved and 2,948 are unreserved for general parking.

3,362 Drive Cars
A survey of student cars released Tuesday revealed that 3,362 students drove cars on the campus for more than one month last semester.

There have been many letters to the editor of The Daily Iowan commenting on the parking and car problem, and several SUI and Iowa City officials have commented.

The university parking committee has asked for suggestions to solve the problem. Meanwhile, it is studying the survey released Tuesday and members of the committee have indicated that it will be "a while" before any recommendations are presented.

Unreserved Parking
About 1,300 unreserved parking spaces are provided in the general area of the pentacrest, the hub of the campus, which includes the area between the Iowa river and Linn street and University high and the hydraulics laboratory. There are an additional 388 reserved spaces in this area.

About 475 unreserved spaces are provided around the men's

PARKING—
(Continued on Page 8)

Committee Favors German Rearming

WASHINGTON (AP)—The Senate Foreign Relations committee voted 14-1 Thursday in favor of restoring sovereignty to West Germany and making her a partner in the defense of the West.

Senate ratification of the German rearmament treaties may come before congress begins its Easter vacation next Monday.

Ike OK's GI Pay Increase

WASHINGTON (AP)—President Eisenhower Thursday signed legislation giving a pay raise to all members of the armed services who have completed their first "hitches."

The new pay scales go into effect today affecting nearly 1,700,000 officers and enlisted men.

Not including allowances for food and quarters, the pay increases average 13 per cent for officers with three years service and 11.7 per cent for enlisted men. Warrant officers and enlisted men must have two years service to qualify.

The raise will cost an estimated 750 million dollars a year. With few exceptions, the measure provides increases in base pay only, plus a boost in bonuses for hazardous duty.

Some sample increases in monthly base pay are:
Privates, from \$91 to \$98.30.
2nd lieutenants, from \$237.12 to \$296.40.

Majors and lieutenant commanders, from \$400.14 to \$429.

Spring Employment Increase Expected

WASHINGTON (AP)—A moderate rise in employment is expected throughout most of the nation this spring, the labor department said Thursday.

A survey of employers' hiring plans shows that job gains are expected through mid-May in all but 18 of the country's 149 major industrial centers, the department said.

Phone Company Man Appointed to New Post

DES MOINES (AP)—John H. Wilson, Des Moines district manager for Northwestern Bell Telephone company, has been appointed to the newly-created position of assistant to the vice president and general manager in Iowa, it was announced Thursday.

M. J. Heldridge, district manager at Cedar Rapids, will succeed Wilson as the Des Moines district manager. Both appointments become effective today.

Group To Ask Dulles Of Main Yalta Points

WASHINGTON (AP)—The senate Foreign Relations committee Thursday moved into the center of the politically explosive question over release of the Yalta papers.

Without objection, the committee voted to "request" Secretary of State John Foster Dulles to explain behind closed doors all the controversial remarks concerning the March 16 release of the papers.

Off-the-Cuff Remarks

Sen. Walter George (D-Ga.), committee chairman, said a major point of injury is why informal memoranda and off-the-cuff remarks by the Big Three wartime leaders—Roosevelt, Stalin and Churchill—were included in the formal documents published by the state department.

One such comment was Roosevelt's expression of hope that Stalin would propose a toast to the idea of executing 50,000 German officers. Another was Churchill's comment that he did not care much for Poles himself, but that the House of Commons would scrutinize his handling of the Polish question.

Sen. Homer Capehart (R-Ind.), a committee member who was absent when the committee adopted the motion by Sen. Wayne Morse (D-Ore.), said he could see no good reason for asking Dulles to testify.

Publishing All Remarks

"I'm for publishing all of those informal remarks, everything that a President says, particularly in the presence of foreign people."

The committee's decision came just one day after the state department, breaking an official silence of two weeks, defended its decision to release the documents. It was apparent that senior committee Democrats were unsatisfied with the explanation.

Pulitzer Dies; Famed Editor

ST. LOUIS (AP)—Joseph Pulitzer, for 43 years editor and publisher of the St. Louis Post-Dispatch, died unexpectedly late Wednesday night.

Pulitzer, 70, but robust in appearance, had put in a full day's work at his office on the third floor of the Post-Dispatch where he kept a close watch on the newsroom.

A few hours after he arrived home Pulitzer complained of feeling ill. He was taken to Barnes hospital where at 11:45 p.m. he died from a ruptured blood vessel in the abdomen.

Neither the hospital nor his newspaper announced the death until Thursday morning, at the request of the family.

Pulitzer, a perfectionist who demanded and got good reporting, prided himself as being a working newspaperman. His afternoon Post-Dispatch became known as one of the nation's great crusading newspapers.

Sen. J. Kinsella, president of one of Allied's divisions, said it is tough, light, self-lubricating and highly resistant to chemical action and heat.

One important use is seen in the packaging field, where it can be formed into a clear film of exceptional strength.

New Molded Nylon For Car, Kitchen
NEW YORK (AP)—A new molded nylon that can be made into perfume bottles, auto gears, jet engine parts and shower curtains was announced Thursday by Allied Chemical & Dye Co. Its name is "plaskon nylon 8200."

T. J. Kinsella, president of one of Allied's divisions, said it is tough, light, self-lubricating and highly resistant to chemical action and heat.

One important use is seen in the packaging field, where it can be formed into a clear film of exceptional strength.

Bulletin

It was disclosed early today that this is April 1.

Decision Soon On Red's Visit

WASHINGTON (AP)—The State Department said Thursday that a farm delegation from Russia will be invited to observe Iowa farm methods as soon as a few details are ironed out.

An announcement will be made "in the near future" department press officer Henry Suydam told newsmen. His statement came in response to questioning touched off by George Bolshakov, Washington correspondent of the Soviet news agency Tass.

That was a strong indication of how anxious the new Moscow regime is to learn Iowa's corn-hog secrets. Bolshakov had never asked a single question before during many news conferences he has attended in more than two years here.

His question was: "What is the status of the U. S. government's consideration of the Soviet inquiry of last March 10 concerning possible exchanges of farm delegations?"

"We have the matter under consideration and I expect to be able to make an announcement on it in the near future," Suydam said.

Jelke Awaits Jury's Verdict

NEW YORK (AP)—For the second time in two years, Mickey Jelke Thursday awaited a jury's verdict on whether he was a safe society procurer. A conviction in 1953 was reversed.

A general sessions court jury of 10 men and two women got the compulsory prostitution case at 12:35 p.m. after a 24-day trial.

The 25-year-old oleomargarine heir faces a maximum of 40 years in prison if convicted—although he can expect a much lighter sentence. Last year he drew only three to six years, a sentence that was reversed.

CAREER SPEAKERS
Two SUI staff members will be speakers at the annual Crawford county career day to be held at Denison April 7. They are Elizabeth Collins, director of occupational therapy, and William Gower, associate professor of music.

Isle Defense Is Undecided

WASHINGTON (AP)—Senators who discussed foreign affairs for two hours with President Eisenhower Thursday reported the administration has not made up its mind what to do if Red China attacks Quemoy and the Matsus.

As Democratic leader Lyndon C. Johnson of Texas put it, "The question of war or peace" in the Far East "is still with us."

Liquor Bill Brought Up As a Joke

DES MOINES—The senate Thursday wound up an afternoon of passing routine legislation with a suggestion that it pass one more—legalizing sale of liquor-by-the-drink.

Sen. Duane Dewel (R-Iowa), chairman of the sifting committee which has the liquor bill, jokingly moved that it be called up and passed as a common consent measure.

Sen. DeVere Watson (R-Council Bluffs), president pro tem in the chair, commented that he was sure there would be no objection.

By then a dozen senators were on their feet to object, and Watson recognized Dewel to move adjournment until 10 a.m. today.

Dewel pulled his gag after the senate gave unanimous consent to pass for Sen. McManus (D-Keokuk) a legalizing act not on the calendar.

Watson said McManus moved to pass the bill, wherever it might be, and the senate obliged.

30 Walk Out At Buffalo School

BUFFALO, Iowa (AP)—Nearly 30 Buffalo high school students walked out of class Thursday morning in protest over the firing of Principal Andrew A. Anderson.

The school board voted last Monday not to renew the contracts of Anderson and two other public school teachers. The contracts expired Friday.

Edwin Rauch, president of the board, confirmed the three teachers' contracts would not be renewed. He declined to comment on the reason for the action.

He said, however, that all three would be replaced "as soon as possible."

The other teachers are Miss Lavetta Countryman, 21, who teaches 1st and 2d grades, and

Irvin Berryhill, 7th grade teacher. A hearing on the dismissals has been set by the school board for 5 p.m. Friday.

The students said they walked out only in protest over the failure to rehire Anderson, who also teaches manual training and mathematics.

The students left the school building for about 45 minutes.

They agreed to return after Mrs. Harriet M. Armentrout, superintendent, told them the teachers would be given a hearing.

Candidates May Pick Up Photos

Candidates in the all-campus elections whose pictures were printed in The Daily Iowan may pick up the photographs at The Daily Iowan newsroom, room 201, Communications center. Those not claimed within 30 days become the property of The Daily Iowan.

Blast Kills Notre Dame Professor

SOUTH BEND, Ind. (AP)—An explosion of liquid rocket fuel killed a University of Notre Dame assistant professor Thursday after he warned four students to run because "something is going wrong."

The victim was Dr. John Clement Treacy, 30, of the chemical engineering department, including an Iowan, Donald Natz, had retreated a considerable distance from the small cinder block building where the experiment was being conducted when the blast ripped through one wall of the structure.

A small piece of metal struck Treacy in the neck with shrapnel impact and he was killed instantly.

The students, all unhurt, were Randall Carl, Indianapolis; Natz, Remsen, Ia.; Norman Donnelly, Newark, N. J.; and Francis Manley, Oklahoma City.

Treacy, a native of Danville, Ill., had designed the small building for dangerous experiments, well away from the other buildings.

He was a 1945 Notre Dame graduate and a navy veteran. He took his master's degree at Notre Dame in 1947 and his doctor's degree at the University of Wisconsin in 1949. He had taught at Notre Dame since 1950. Treacy is survived by his widow and three children.

Appointed

KERMIT KRUSE, who was named assistant attorney general to prosecute liquor law violators, takes over the job in Clinton. His appointment was announced Wednesday by Attorney General Dayton Countryman.

editorials

The Shoe Doesn't Fit—

For years intellectuals have sneered at college athletics. They make the sweeping indictment that the athletic harms the academic by putting emphasis on non-intellectual achievements.

Henry Steele Commager, historian and author, is no exception. He ripped college athletics in his speech here last week, using most of the usual bromides.

We'd like to use a bromide, too: "All work and no play makes Jack a dull boy."

Commager was in Indian country when he attacked athletics on the SUI campus. SUI's athletic program does not harm the academic. Not one cent of state tax money supports athletics. They pay their own way here. Athletic receipts even save the state money by paying the salaries of some coaches who serve as instructors in the physical education department.

In our intramural program, where all students can compete, facilities are used which are paid for with athletic receipts.

One or two big athletic events per week do not harm academic life at a college. They give students a chance to relax (for free at SUI) and let off some of the steam built up during the week in cramming for a test. Everyone needs this kind of non-intellectual relaxation. Franklin D. Roosevelt found it in mystery stories. Supreme Court Justice William O. Douglas finds it in westerns.

Many colleges, such as the University of Maryland, should take heed at the criticisms of athletic programs. The shoe, however, does not fit here. At SUI the athletic and academic can function and prosper side by side.

Sign Up Today!

This weekend, applications will be distributed for prospective men's orientation leaders needed next fall.

There are 190 posts to fill.

If you want to assist new students in becoming better acquainted with our campus, its life and its personalities;

If you want to advise new students of the opportunities offered by SUI in self-development in and out of college;

If you want to educate new students of the existence and operation of the educational and social areas on campus;

If you want to encourage new students to take advantage of the opportunities offered at SUI,

Then get an application and sign up!

TV Ads 'Off Deep End'

Jack Gould, radio and television editor for the New York Times, devoted his column on Dec. 5 to sharp comment on the length of TV commercials.

"Because of the intense rivalry in their field, the automobile companies have gone off the deep end," he wrote. "For all practical purposes entire programs have been devoted to ecstatic praise of the new car models.

"Abuses have been marked in individual programs built around several sponsors." The New York Thanksgiving day parade was described as "a mere stop-gap between plugs . . . Maintaining a balance between commercials and entertainment always will be difficult . . . But the current trend toward more commercials, longer commercials and more intense commercials sooner or later can spell trouble.

"Reversing the trend, however, will not be easy. Television is caught in the grip of spiralling costs that may intensify the element of commercialism.

"The more a sponsor must spend," Gould wrote, "the more he wants for his money. The more they want to hold or gain new sponsors, the more the networks are apt to bow to advertising."

The viewer is apt to blame the advertiser or the advertiser's agency. But final responsibility rests with the broadcasters.

Gould says, "Broadcasting is concerned with its economic vitality, and rightly so. Like it or not, broadcasting is subject to an inflexible limitation of time. It cannot expand by adding more hours to the day."

He says the "real difficult and exciting challenge of running a public medium is to turn a profit and at the same time, erect an institution with ever-deepening roots, with ever-growing maturity and with an ever-expanding sense of leadership and social responsibility."

If television is to stand on its own feet as a medium, "it must," he says, "have the backbone of the broadcaster's conscience."

Another aspect of television problems was raised by Red Smith, popular sports writer for the New York Herald Tribune in his column on Dec. 5.

He prophesied: "We are coming closer and closer to a day when the public will take virtually all its entertainment in the living room and there is no way of turning back this trend."

"Probably the day is coming when spectator sports will be supported almost entirely by business firms using the events as television attractions for advertising.

"Boxing," he says, "already has reached this stage. With relatively few exceptions, fights are run now before studio audiences and the television sponsor is providing the revenue that doesn't come through the box office. There must be industries in every sizeable city that could afford to sponsor baseball teams purely as television performers, giving away the tickets to the games, if necessary."

This may be the shape of the immediate future in television.

Pro And Con On Gaffney Remarks

(Readers are invited to express opinions in letters to the Editor. All letters must include handwritten signatures and addresses—typewritten signatures are not acceptable. Letters become the property of The Daily Iowan. The Iowan reserves the right to shorten, select representative letters when many on the same subject are received, or withhold letters. Contributors are limited to not more than two letters in any 30-day period. Opinions expressed do not necessarily represent those of The Daily Iowan.)

Defends Judge

TO THE EDITOR: The very existence of the parking problem tends to create town-gown tension. The truth, if we care to admit it, is that Iowa City and the university have done a great deal to relieve the problem.

Indeed, more has been done than in most cities of like size. However, there is a limit to what can be done.

The next suggestion that will probably be voiced is that the front lawn of Old Capitol be turned into a parking lot, so that students won't have to in-

2 Des Moines Hotels Sold

DES MOINES (AP) — Two Des Moines hotels were sold Thursday in separate transactions.

Hotel Plaza, at Fifth and Grand avenues, was sold by the National Investment company to the Central Investment company which is owned by the Central National Bank and Trust company, for \$365,000.

Hotel Commodore, an apartment hotel at 3440 Grand ave., was sold by Chester H. Hartnagle, now of Sarasota, Fla., to Logan & Sons Associates of Chicago, Ill. The Logan firm owns eight other hotels and other properties.

E. F. Buckley, president of the Central National Bank and Trust company, said the hotel corner was purchased for "future bank development and expansion."

310 Pound Fish Caught in Lake

FT. ERIE, Ont. (AP) — A 310-pound sturgeon, 6 feet long, was caught in Lake Erie Thursday.

Bill Berry, part-time commercial fisherman, took it on a steel night line with minnow bait. He landed it after a three-hour struggle.

About two-thirds of Berry's fish was dressed for sale. At the current Ft. Erie retail price of 60 cents a pound, it would bring \$124.

PROGRAM NOTES

Friday, April 1
William Walton's "Facade Suite" will be featured on MUSICAL CHATS at 1 p.m.

"Pressures in Education," an address by historian and author Henry Steele Commager before the recent SUI History conference will be broadcast at 7:30 p.m.

Frank Prentice Rand and David Morton develop a poetic history of the typical New England college town on NEW ENGLAND ANTHOLOGY at 8:30 p.m.

duge in the much needed exercise of walking to class.

President Hancher walks to work; I wonder why students can't do the same?

Student Protest

Recently the city installed some new parking meters. This met with student protest. We seem to want all the benefits of automobile ownership without any of the financial burden.

Dave Paulsrud's poem was humorous. It was also in poor taste. The remarks he made about Judge Gaffney were in extremely poor taste. They probably didn't bother the judge, but they did bother me.

Judge Gaffney is one of the most highly respected jurists in this state. He was on the bench doing a good job when Mr. Paulsrud and I were yet unborn.

Gaffney Appreciated

His ability is widely appreciated, even if Mr. Paulsrud doesn't appreciate it. The Christian Science Monitor paid him the honor of a complimentary editorial in regard to his handling of a murder trial.

That the judge does not take the abuse of the automobile as lightly as some is a matter for which we should all be grateful.

That students abuse the use of the automobile there can be no doubt. I live in a private home and have the use of a garage. On numerous occasions, students, not Iowa Citizens, have parked in the driveway, used the sidewalk in front of my home for a street and parked on the front lawn.

I appreciate the privilege of having a car at school, but not for one minute do I kid myself into believing that it is anything more than a privilege.

Screams of protest in regard to parking meters, student insults of judges, student disregard for law and student complaining of parking problems created in great extent by their own non-property-tax-paying selves, will do nothing to insure the continuance of that privilege.

Larry Carstensen, 14
220 Ronalds st.

Attempts Being Made

TO THE EDITOR: The hope is not likely of being realized that no student will elevate the significance of Judge James P. Gaffney's ill-considered statement by writing a letter to the editor of The Daily Iowan, since the editors have themselves given that statement page-one notoriety.

And very likely some of these letters will stir the emotions and lead to excitement by taking the

form of a well-known European slogan: "Go Home, Gaffney."

And other letters will likely continue with "Go home, Gaffney, to the weed patch which Iowa City would have had not the legislature historically made the state capitol to Des Moines and the state university to Iowa City; go home to that weed patch and feel glad that the compromise also did not give the state capitol to Iowa City or you would never find a place to park your car."

Competence Needed

However, there is much to be said for Judge Gaffney's statement: Certainly, each person who drives a motor vehicle ought to be possessed of the physical and training competency to control those two tons of dangerous weapon and the judgement to know when and how to use that vehicle!

This, however, is a general matter lying within the province of the licensing authority—the state—and is not the grounds on which a purely local problem of parking ought to be resolved. No person not possessed of such competency and judgement ought ever to be behind the wheel of a car.

Where here in Iowa City, as most everywhere around this state and around the nation, are faced with a parking problem. Yet, it is improper to slough off the solving of this problem by labeling a segment of the population of this area-blanket incompetents.

There is not and there does not exist the connection which Judge Gaffney seems to be making between the incompetency of some drivers and the shortage of parking facilities.

Each of these problems must be resolved on its own, on its own merits and, thirdly, by the governmental unit whose responsibility it is.

Strict Qualification

Incompetency in driving is the proper jurisdiction of the licensing authority. In that area stricter qualification of drivers would likely do good in increasing our highway safety.

Resolution of the inadequacy of parking facilities is the proper jurisdiction of the locality in which there is a shortage. The statement has been made by Dean Faunce that parking facilities have been tripled. Fine! It is good to note that they have been increased.

Yet, the tripling of an inadequate base figure is no indication or guarantee that the problem has been solved. The establishment of walking peonage

on the basis of whim and bad temper and selfishness is likewise no solution.

Kill 'Excess'

For the founders and developers of this country in the 1780's when there was a shortage of food to have solved that problem by killing off the "excess" population would have meant that no state of Iowa as we know it today would have come to be.

For the powers of Iowa City in the 1950's when there is a shortage of parking facilities to "solve" that problem by killing off the "excess" auto population is no more the correct solution.

H. M. Libowitz, G
407 N. Dubuque st.

MEBOC Campaign

TO THE EDITOR: As I am not too familiar with student affairs here at Iowa, I wish someone would explain to

Belgian Coal, Steel Man To Talk in Cedar Rapids

LUXEMBOURG (AP) — Albert Coppe, Belgian vice-president of the European coal and steel community high authority, will lecture in April in Cedar Rapids on "The Coal and Steel Community." No definite date has been set for his talk.

Coppe plans a series of lectures in the United States, between April 17 and 24. Other stops include Kansas City, Kan., and Omaha, Neb.

GRADUATE CLUB MEETING

Square and folk dancing in the Women's gymnasium has been planned by the SUI Graduate club for its meeting tonight at 7:30, according to Murray R. Yaeger, G, Denver, Colo., president of the club. Fiddlers, folk singers, callers and refreshments are on the agenda for the party.

HOME ECONOMICS CLUB

State day will be held Saturday, April 2, at Maebribe hall, room 212. Registration is at 9 a.m. An interesting program is planned and all club members are urged to attend.

THE STUDENT MARKETING CLUB

will hold its spring business meeting Tuesday, April 5, at 7:30 p.m. in room 214, University hall. All members and interested students are urged to attend. Plans for a trip and for the annual banquet will be discussed.

THE TENNIS CLUB WILL

hold its first meeting Tuesday, April 5, at 4:15 p.m. in the small gym, Women's gymnasium.

THETA SIGMA PHI WILL

hold a work meeting Sunday, April 3, at 2:30 p.m. in the lounge at the Communications center. Bring along writing material.

LIBRARY HOURS FOR THE

Easter Vacation:
Wednesday, April 6 — 8 a.m. — 12 midnight.
Thursday, April 7 — 8 a.m. — 5 p.m.
Friday, April 8 — 8 a.m. — 5 p.m.
Saturday, April 9 — 8 a.m. — 5 p.m. No service after noon on Saturday.
Sunday, April 10 — CLOSED.
Monday, April 11 — 8 a.m. — 5 p.m.
Tuesday, April 12 — 8 a.m. — 12 midnight.
Departmental libraries will post their hours on the doors.

ALL-UNIVERSITY CHESS

tournament will be held April 12, 13 and 14, at 7:30 each evening, on the sunporch of the Iowa Memorial Union. Entrance deadline is April 7.

CATALYST CLUB WILL

meet today at 7:45 p.m. at the home of Mrs. Charles Tanford, 1044 Woodlawn circle. Robert Ray will speak on "Facts About the Institute of Public Affairs."

INTERNATIONAL CENTER

will hold a cost supper Sunday, April 3, at 6 p.m. Please make reservations at the center.

ALL SUPERS INTERESTED

in folk dancing are invited to join the crowd at the Women's gymnasium for the regular weekly session this evening. Several new dances are taught each week. Instruction is especially geared to welcome newcomers to the folk dancing world. It is suggested that you wear light, comfortable clothing, with low heels recommended for women.

HILLEL EVENTS FOR THE

me why there are 19 candidates campaigning for a position called "MEBOC."

It certainly seems to me that we now have a campaign in which everyone is going "all out" for his candidate. I noticed no such campaign when we voted for our student council members.

Is it because this position is much more powerful or influential than a seat in the student council that we have such a campaign for it?

Richard Schlobohm, A3
518 Iowa ave.

Harper To Present Convention Speaker

Dr. Earl E. Harper, director of the Iowa Memorial Union, will introduce his predecessor, Rufus Fitzgerald, the main speaker, to the convention of the National Association of College Unions to be held April 5 and 6 in White Sulphur Springs, W. Va.

Fitzgerald, now chancellor of the University of Pittsburgh, was director of the Iowa Union until 1938 when he was succeeded by Harper.

Last year's principal speaker was SUI president Virgil M. Hancher.

Also attending the convention from SUI will be George Stevens, assistant Union director, and Miss Violet Pammel, head of the Union dining service.

GENERAL NOTICES

General Notices should be deposited with the editor of The Daily Iowan in the newsroom, room 210, Communications center. Notices must be submitted by 2 p.m. the day preceding first publication; THEY WILL NOT BE ACCEPTED BY PHONE, and must be typed or legibly written and signed by a responsible person. No General Notice will be published more than one week prior to the event. Notices of church or youth group meetings will not be published in the General Notices column unless an event takes place before Sunday morning. Church notices should be deposited with the Religious news editor of The Daily Iowan in the newsroom, room 210, Communications center not later than 2 p.m. Thursday for publication Saturday. The Daily Iowan reserves the right to edit all notices.

HOME ECONOMICS CLUB State day will be held Saturday, April 2, at Maebribe hall, room 212. Registration is at 9 a.m. An interesting program is planned and all club members are urged to attend.

THE STUDENT MARKETING CLUB will hold its spring business meeting Tuesday, April 5, at 7:30 p.m. in room 214, University hall. All members and interested students are urged to attend. Plans for a trip and for the annual banquet will be discussed.

THE TENNIS CLUB WILL hold its first meeting Tuesday, April 5, at 4:15 p.m. in the small gym, Women's gymnasium.

THETA SIGMA PHI WILL hold a work meeting Sunday, April 3, at 2:30 p.m. in the lounge at the Communications center. Bring along writing material.

LIBRARY HOURS FOR THE Easter Vacation:
Wednesday, April 6 — 8 a.m. — 12 midnight.
Thursday, April 7 — 8 a.m. — 5 p.m.
Friday, April 8 — 8 a.m. — 5 p.m.
Saturday, April 9 — 8 a.m. — 5 p.m. No service after noon on Saturday.
Sunday, April 10 — CLOSED.
Monday, April 11 — 8 a.m. — 5 p.m.
Tuesday, April 12 — 8 a.m. — 12 midnight.
Departmental libraries will post their hours on the doors.

ALL-UNIVERSITY CHESS tournament will be held April 12, 13 and 14, at 7:30 each evening, on the sunporch of the Iowa Memorial Union. Entrance deadline is April 7.

CATALYST CLUB WILL meet today at 7:45 p.m. at the home of Mrs. Charles Tanford, 1044 Woodlawn circle. Robert Ray will speak on "Facts About the Institute of Public Affairs."

INTERNATIONAL CENTER will hold a cost supper Sunday, April 3, at 6 p.m. Please make reservations at the center.

ALL SUPERS INTERESTED in folk dancing are invited to join the crowd at the Women's gymnasium for the regular weekly session this evening. Several new dances are taught each week. Instruction is especially geared to welcome newcomers to the folk dancing world. It is suggested that you wear light, comfortable clothing, with low heels recommended for women.

HILLEL EVENTS FOR THE week: Friday evening services, 7:30; Sunday evening supper, 6; Reservations for the first Ser. Pritz will be accepted by Mrs. Fritz Cohen, 8-0778, through today.

FRESHMAN Y OF THE YWCA will meet April 5 at 4:10 in the River room of the Iowa Memorial Union. An auction entitled "Spring Cleaning" will be held. Members are asked to bring old unusable items wrapped for the auction. The money will be used for Freshmen Y activities.

NOMINATIONS FOR THE Theta Sigma Phi Matrix Table awards are due April 4 at the Communications center office. Campus organizations may nominate any undergraduate woman in their membership, who has been active in service and leadership in campus affairs. Any Iowa City woman who has been active in community service and public affairs is eligible, upon nomination by any organization to which she belongs. Campus nomination blanks are available at the Office of Student Affairs; Iowa City women's blanks may be obtained at the office in the Communications center.

NEWMAN CLUB ACTIVITIES this week: Sunday, 5 p.m. marriage series with Msgr. J. D. Conway and Attorney J. Newman Toomey discussing marriage and the laws of the church and state, 6 p.m. supper followed by social hour.

THE ZOOLOGY SEMINAR will meet today at 4:10 p.m. in room 204, Zoology building. Dr. G. Edgar Folk, associate professor, department of physiology, will speak on: "The adaptability of human sweat glands."

THE UNION BOARD PRESENTS a free movie, "Retreat, Hell!" with Frank Lovejoy, Richard Carlson and Russ Tamblyn, Sunday, April 3, at 7:30 p.m. in the Union lounge.

SPINSTERS' SPREE, ALL-university party co-sponsored by Central Party committee and University Women's association, will be held at the Iowa Memorial Union on Saturday, April 2, from 8 to 12 p.m. The party will feature Woody Herman and his Third Herd in the Main lounge and Leo Cortimiglia in the River room. Traditionally, Spinsters' Spree is the annual girl-ask-boy dance. Tickets are on sale at the Union desk for \$3 per couple.

CENTRAL PARTY COMMITTEE applications are due April 7, at 5 p.m. and can be turned in at the Union desk. Any freshman, sophomore or junior in the colleges of Liberal Arts, Com-

merce, Engineering and Nursing — or a dental student in his third year out of high school — may apply by being nominated by his housing unit or by submitting a petition signed by twenty members of his class. Twelve members, three freshmen, four sophomores, and five juniors, with no more than six members of one sex, will make up the 1955-56 committee. Candidates will be selected on the basis of their desire and qualifications for the position. Application forms are available at the Union desk.

PSYCHOLOGY COLLOQUIUM will present a talk by Prof. Starke R. Hathaway of the University of Minnesota entitled "Clinical Intuition and Inference Accuracy," at 10 a.m. Saturday, April 2, E-105, East hall. Coffee will be served after the talk.

PROF. HROTHGAR J. HABAKKUK, Oxford university, will speak on "English Landowners: 1600-1800," Tuesday, April 5, at 8 p.m. in the senate chamber, Old Capitol. The talk is sponsored by the Graduate college and the Humanities society.

Old Capitol Remembers

The Soviet Union offered to join the North Atlantic Treaty organization if the Western powers would join a Russian-sponsored European security plan from which Germany would be excluded.

An April "fool" called 13 SUI social sororities and falsely notified them that a Daily Iowan photographer would be at their houses at 7:30 a.m. to take pictures of new initiates and past officers.

✓ Five Years Ago Today

Testimony in the trial of Robert E. Bednasek, charged with the murder of Margaret Anne Jackson, came to an end.

Regents of the University of California, by a 10 to 10 tie vote, decided not to rescind the institution's controversial loyalty oath for faculty members.

✓ Ten Years Ago Today

The Allies clamped a steel deathlock around the Ruhr basin, but Germans fought savagely

Home Ec Clubs To Hold State Day Here

Coeds from 11 Iowa colleges and universities will attend the annual State Day workshop for college clubs of the Iowa Home Economics association here Saturday.

Registration and a coffee hour from 9 to 10 a.m. in the home economics department, Macbride hall, will open the day's activities. Prof. Sybil Woodruff, head of the home economics department, and Helen Richmann, A4, Marion, Home Economics club president, will welcome the group. Dorothy Borts, A3, Iowa City, will preside. Miss Borts is state president of the IHEA college clubs section.

Panel Discussion

"Opportunities in Home Economics Professions" will be the subject of a panel discussion at 10:15 a.m., with Miss Dorothy Leslie, head of SUI women's dormitories, serving as moderator.

Panel members will be Miss Ellen Clewell, dietitian, General hospital; Mrs. Arlyn Moeller, extension home economist for Johnson county; Mrs. George Williams, teacher at University high school; Mrs. Lawrence Gatzke, Younkers, and Mrs. Dorose Harrington, Davenport.

Panel members will describe their jobs, training needed for their field, opportunities for positions and procedure for getting a job.

Noon Luncheon

Prof. William D. Lampard, Iowa Child Welfare Research station, will address the group at a noon luncheon at the Iowa Memorial Union. He will speak on "Education of Individuals for Their Role in Family Life."

New officers of the state group will be installed. They are Joan Landman, Iowa State Teachers college, president; Rosemary McCann, Westmar college, vice-president; Barbara Friedlund, Cornell college, secretary; Ruth Allen, Iowa State Teachers college, state faculty advisor and Mildred Hartbeck, Iowa State Teachers college, province officer. Prof. Ruby Smith, of the home economics department is the retiring state faculty advisor.

Afternoon Groups

Afternoon discussion groups will include "Money Making Projects," "Service Projects," "Program Planning," "Keeping Members Interested and Active," "Making the Most of the Home Economics Newsletter and Journal," "Improving Public Relations" and "Summer Jobs for Professional Background."

The workshop will close with a tea at 3 p.m.

Committee chairmen include Sherylene Rabus, A4, Cedar Rapids, luncheon arrangements; Pauline Ruben, A4, Davenport, exhibits; Marydale Merrill, A3, Ida Grove, tours; Joan Ewers, A4, Iowa City, housing; Nancy France, A3, Iowa City, information posters; Carolyn Oathout, A4, Iowa City, programs and name tags.

Sandra Blazek, A4, Marion, tea chairman; Helen Richmann, A4, Marion, room arrangements and staging; Betty Kunik, A3, Washington, program planning; Jody Myers, A2, Waterloo, registration; Samantha Anderson, A3, Worthington, Minn., hostesses, and Eleanor Green, A2, Omaha, Neb., publicity chairman.

New Panhellenic Officers Chosen

Kay Putney, C3, Waterloo, has been named president of the Women's Panhellenic association.

Other new officers are Mary Van Vliet, A3, Otley, vice-president; Judith Stein, A3, Des Moines, secretary; Ann Johnson, A2, Quimby, treasurer; Katharine Korn, A2, Iowa City, and Jane Richter, A2, Davenport, judiciary board representatives.

Sally Gill, A3, Moline, Ill., University Women's association representative; Marilyn Ray, A3, Park Forest, Ill., junior Panhell representative; Janet Stanzel, representative; Janet Stanzel, A3, Sac City, scholarship; Arlene Kroening, A3, Marion, social chairman; Jane Hoopes, A3, Muscatine, rushing.

Ellen Fernandez, A2, Milwaukee, Wis., publicity chairman; Judith Doyle, A2, Keokuk, philanthropic chairman; Cecelia Kirby, A3, Sioux Falls, S.D., activities, and Kay Wing, A3, Des Moines, mediation board chairman.

Study Shows Hotels Face Cook Shortage

NEW YORK (AP) — The nation's hotels and restaurants will face a serious shortage of qualified cooks and bakers unless more young people seek careers in this field, a research survey sponsored by the Statler Foundation disclosed Wednesday.

The Statler Foundation was established in 1934 to undertake projects that contribute to the progress of the hotel industry.

MAKING PLANS FOR THE ANNUAL Home Economics State day workshop to be held Saturday are, seated left to right, Joan Ewers, A4, Iowa City; Jo Ann Frey, A4, Decorah; Sandra Glatly, A4, Durant; Dorothy Borts, A3, Iowa City; Marydale Merrill, A3, Ida Grove; Mary Jane Braucht, A4, Joy, Ill.; standing left to right, Carolyn Oathout, A4, Iowa City; Samantha Anderson, A3, Worthington, Minn., and Jody Myers, A2, Waterloo.

Mortar Board Makes Plans For Mother's Day Weekend

Canoe races, numbers by Orchestras and Seals club members, the finals of University Sing and tapping of new Mortar Board members will be featured at Mother's day weekend activities May 7 and 8.

Mortar Board, senior women's honorary society, acts as sponsor of the weekend, but other campus organizations and housing units have part in the activities.

Canoe Capers on the Iowa river will be sponsored by the Women's Recreation association. Participants will come from men's and women's housing units. WRA also will present a modern dance number by members of the Orchestra club and

the annual Seals water show, "Mythical Mermaids."

Luncheon Planned

The Mother's day luncheon, which will be held at noon May 7 will be sponsored by Mortar Board. New members will be tapped during a ceremony following the luncheon. The new members will act as hostesses at the Mother's day tea at President Virgil M. Hancher's home May 8.

Finals of University Sing, which is sponsored by University Women's association, will be May 8. An exhibit by SUI staff artists will be presented at the Iowa Memorial Union. There will be paintings on exhibit at

University library.

Coffee Hour

A coffee hour will be held at the Union with the television lounge open for families. Informal dancing will be in the River room; ping-pong, bowling and billiards will be available. Registration for mothers will be held in the Union.

The Iowa City Craft guild will hold an exhibit in the Union. Open houses will be held at the Hospital School for Severely Handicapped Children, Park-law apartments and the International house and in many men's and women's housing units. The new golf course also will be open.

In the Shops I Saw...

By JAN PAPKE

... Leatherette desk accessories in maroon, red or green. Ash trays, circular letter baskets, small photo albums and note pad holders for under 90 cents each.

... Plastic lattice pie cutters that cut dough quickly. Can be used for 8 or 9-inch pies. About 50 cents.

... Women's zip-to-size leather belts. They can be adjusted to fit waist sizes from 24 to 30 inches. Available in orange, olive green, red, aqua and brown. About \$3 each.

Straw Purses

... Straw box purses decorated with large bunches of flowers or fruit. Available in white, blue, pink or natural straw for about \$5.

... Chromium plated cheese and butter servers. For cutting, picking up and serving butter and cheese. Will not tarnish. About 70 cents.

... Permanently-pleated cotton material for making skirts. Various prints in pastel shades for spring and summer. Fifteen cents per inch.

... Matching leatherette cuff links and collar pins. The collar pin is shaped like a bow. Available in green and white or red and white checks. Sets about \$1.50.

Nylon Stretch Gloves

... Nylon stretch gloves for women. In white or pastel shades for about \$1.

... Matching brush sets with pink, blue or clear styrene handles and nylon bristles. Set includes a bath brush with a removable handle, a hair brush, a hand scrub-brush and a dressing comb. About \$2.

... Plated metal folding tray with attached aluminum grater to catch food. Folds flat for easy storage. About \$1.

... Boat neckline cotton blouses designed like cobbler's aprons. Perfect to wear with shorts or pedal pushers. Available in pink, orange, black and aqua for about \$2.

Music Club Plans Program

The Iowa City Music Study club will meet Tuesday at 2:15 p.m. in the home of Miss Mary Gatens, 1002 E. College st. The program will be given by Mrs. Harry W. Shifflett, soprano, who is doing graduate work in voice at SUI. Accompanist will be Mrs. Gerald W. Buxton.

Mrs. Shifflett's numbers will include "Sheep May Safely Graze and Pasture," from Birthday Cantata by Bach; "Oh! Had I Jubal's Lyre," from oratorio Joshua by Handel; "Danza, Dan-

za, fanciulla gentile" by Durante; Aria: "Ah, Fors e' lui" and "Sempre Libera" from La Traviata by Verdi.

"The Nightingale and the Rose" by Saint-Saens; "Oh Dear! What Can the Matter Be" arranged by Arnold Bax; "Go Way From My Window" arranged by John Jacob Niles, and theme and variations: "Long, Long Ago" arranged by Sandovai.

Prep Cinder Meet Here Saturday

The second half of the state indoor high school track meet will be held in the Iowa field-house Saturday with 79 schools — 35 Class AA and 44 Class C — entered.

The 79 entries equal the record set last year. However, the 1,281 individual entries are short of the 1954 mark of 1,400.

Class A and B schools competed in the first half of the meet last Saturday in the field-house.

Meet Opens at Noon

The meet will be opened at noon with the broad jump. The second part of the program will start at 6 p.m.

On the schedule are 56 races in "AA" and 57 in "C." They include 22 50-yard dashes and low hurdles races, 10 quarter miles, 8 half miles, 8 mile relays and medley relays and 7 half mile relays.

Iowa track coach Francis Cretzmeier, meet manager, said that the field events also have heavy entry lists. There will be 104 broad jumpers, 93 shot putters, 78 high jumpers and 51 pole vaulters.

North Defends

North Des Moines will defend its Class AA title. In Class C a new champion will be crowned because the 1954 titlist, Pleasantville, moved up to Class B. New Sharon, second in Class C last year, will compete.

The only defending individual champion in Class AA is Jerry

Spencer of North Des Moines, winner of one section of the 440-yard run. The returning "C" champions are Duane Miller of New Sharon, 60-yard low hurdles, and Melvin Hood of Toledo Juvenile home, winner of a section of the 440.

Ted Harvey, now competing for East Des Moines, represented Toledo Juvenile home last year and won the Class C 50-yard dash, 60-yard high hurdles and high jump. He is the Class C record-holder in these events. Harvey also won the 50-yard dash and broad jump in 1953.

"AA" Records Older

The Class AA records have been set over a period of 25 years, dating back to 1933. However, the Class C marks have been made since 1953 because of class revisions. Thirteen "C" records were broken last year.

Favored in "AA" are East and Roosevelt of Des Moines; Davenport, Mississippi Valley champion; Ottumwa, Little Six titlist; Clinton, Ames, Keokuk, and West Waterloo.

Little is known about the Class C teams because they have had no meets. At least ten schools will compete in the state meet for the first time.

Class C schools are: Albion, Allerton, Bayard, Bennett, Beech, Bridgewater, Brighton, Carlisle, Colo., Cresco, Dallas Center, Dinsdale, Donnellson, Early, Eldora (Iowa Training), Elliott,

Fayette, Garden Grove, Gladbrook, Havelock, Hedrick, Humeston, Kalona, Kellogg, Ladora, Lovilia, Melbourne, Morning Sun, New London, New Sharon, Norway, Ollie, Quimby, Richard, Sewal, Sheffield, Stanley, Toledo Juvenile Home, Stratford, Tingley, Ventura, Wellman, Winfield, West Branch.

Class AA schools are: Ames, Burlington, Cedar Falls, Council Bluffs, Thomas Jefferson, Cedar Rapids Franklin, Cedar Rapids

McKinley, Cedar Rapids Roosevelt, Cedar Rapids Wilson, Centerville, Chariton, Charles City, Clinton, Davenport, Decorah, Des Moines Dowling, Des Moines East, Des Moines Lincoln, Des Moines North, Des Moines Roosevelt, Des Moines Tech, Dubuque, Dubuque Loras, Fairfield, Fort Madison, Iowa City, Keokuk, Marshalltown, Mt. Pleasant, Muscatine, Newton, Okemoosa, Ottumwa, Spencer, Waterloo East and Waterloo West.

Trotters, Stars Evenly Matched

The Harlem Globetrotters and the College All-Americans, playing close ones in their cross-country basketball "wo-ld's series," fly into Iowa City next Wednesday for the fourteenth game.

Up to today, the Trotters had a 4-2 lead in the series but the average margin of victory for either team has been just five points.

After winning 169 straight games during this season, the Harlem outfit was dumped, 83-78, last Monday by the All-Americans. In the series, the Trotters currently have won 67-63, 72-70, 63-59 and 74-64. The ten-point win was scored Wednesday night at Hershey, Pa.

A limited number of reserved seats still is on sale at \$3. General admission tickets at \$2 are fairly plentiful. Game time is 7:30 p.m.

Since Goose Tatum was suspended for 30 days, his place has been taken by "Sweetwater" Clifton, for years a secondary star. Clifton last season played with the New York Knickerbockers and was "lent" to Owner Abe Saperstein for the tour.

Several former Big Ten stars who have performed in the past against Iowa will appear. They include Chuck Mencil and Dick Garmaker of Minnesota; Frank Ehmann of Northwestern; and Al Ferrari of Michigan State. Don Schlundt of Indiana with-

ALL-STARS WIN
RICHMOND, Va. (AP) — The College All-Stars took the lead at the start and never were headed Thursday in defeating the Harlem Globetrotters 61-57. The victory left the All-Stars leading the Globetrotters in their current tour, 4 games to 2.

Phillies Release Johnny Wyrostek

CLEARWATER, Fla. (AP) — Veteran outfielder Johnny Wyrostek was given his unconditional release Thursday by the Philadelphia Phillies. The 36-year-old Wyrostek, a National leaguer since 1942, hit only 239 in 92 games with the Phillies last year.

drew from the squad, saying he was "too tired from the college season" to play any longer.

"Deacon" Davis of Iowa will join the all-Americans for the game in Chicago April 4 and will play through April 14, the Des Moines date. He will make twelve appearances in such places as Indianapolis, Kansas City, Denver, St. Louis, Waco, Houston and Cleveland.

Blind Wrestler from MSC Asks Nobody for Favors

EAST LANSING, Mich. (AP) — When Ted Lennox, Michigan State's blind wrestler, won his first college match, the home crowd erupted into happy hysteria.

You'd think that Michigan State had just won in the Rose Bowl all over again.

Lennox, a junior, recently scored his first win by defeating George Whiteacre, Ohio State captain. Behind this victory, was a story of dogged determination. Totally blind from birth, he started wrestling with his brothers as a youngster. "They were always ready to tangle with me," says Lennox, "and my mother and dad gave me the encouragement to go into wrestling."

No Favors
Ted wrestled for the Michigan School for the Blind at Lansing and as a senior at Lansing Sexton high. In his MSC sophomore year he competed in two varsity matches but lost both.

"Ted doesn't ask for any favors," says Fendley Collins, his coach. "He goes on even terms against his teammates in the tryouts."

Contact First
How does a blind wrestler overcome his handicap? "Before he makes contact," Collins explains, "he figures out where his opponent is by the rustle of his feet on the mat. Once they come to grips, he can detect every move of his opponent's body by his uncanny sense of touch. When the contact is

Part-Time Golfer, 25-Year-Old Lead Azalea Tournament

WILMINGTON, N.C. (AP) — Fred Haas, 39-year-old part-time tournament golfer from Claremont, Calif., and 25-year-old Billy Maxwell of Odessa, Tex., 1951 national amateur champion, fired seven under par 65s Thursday to share the first round lead in the \$12,500 Azalea Open Golf tournament.

They lead the 32 golfers who broke par in the first of four trips over the 6,795-yard Cape Fear Country club course. There are 130 golfers entered in the tournament.

Gene Littler of Palm Springs, Calif., the 1953 national amateur champion, shot a hole in one on the 175-yard eighth hole. He scored a 32 on the front nine.

A double bogie seven on the 545-yard 12th, longest hole on the course, where he put a ball out of bounds, dropped him to par 36 for the last nine for 68 and seventh place.

Ball Club Leaves Saturday for Arizona

Twenty Iowa baseball players will leave Saturday for six games with the University of Arizona Monday through Saturday.

This is the fifth straight year that Iowa has played the Wildcats in early April games. The series stands at 7-17 in favor of Arizona. Seven extra inning games have been played in the series.

"Arizona is as strong as usual, with numerous veterans from the 1954 team which won the National Collegiate District 7 title and went to the fourth round

of the final tournament," Iowa Coach Otto Vogel said. "They have already won 12 straight games this year."

Arizona is so far advanced in conditioning and development that Iowa faces a serious handicap, but the games are invaluable to the Hawkeyes' progress regardless of the won and lost record, Vogel said.

The lineup is beginning to shape up. Vogel has Kirby Smith, Wilmette, Ill., or Ted Jensen, Exira, first base; Captain Ron Capps, Iowa City, second; Co-captain Don Wald-

ron, West Union, shortstop; and Ken Kurtz, Ft. Madison, or Harold Primrose, Norway, third.

Sharm Schuerman, Rock Island, Ill., will be in centerfield; Les Hawthorne, Saybrook, Ill., in right; and Ralph Walters, Dubuque, in left.

Included on the pitching staff are Merle Jensen, Davenport; Bill Schoof, Homewood, Ill.; Bill Dugan, Owatonna, Minn.; Ron Schaefer, Rockford, Ill.; Al Bean, Niles, Ill.; and Don Dobrino, Mt. Olive, Ill. The catchers are Don Bock, Wilmington, Ill. and Jerry Leber, Rockford, Ill.

Pep Given Too Much Time Between Rounds: Flaherty

SAN FRANCISCO (AP) — Manager Sid Flaherty Thursday shrugged off criticism of the split decision which gave his young featherweight, Gil Cadilli, a verdict over former champion Willie Pep in their 10-round televised bout Wednesday night at Pinks air force base.

"What are they yapping about?" Flaherty asked. "I could have forced an end to the whole thing after the fourth round when they spent far too much time patching up Pep's eye in the corner."

Flaherty pushed back his sleeve to show a wrist watch containing a stop watch feature.

"I timed the interval between the fourth and fifth rounds," he said. "I didn't start timing immediately, there must have been 10-40 seconds gone, but I

clocked better than a full minute before the fifth round started.

"That means the time was well over the one minute allowed and I could have demanded that Cadilli be awarded a technical knockout."

"Why didn't I? Well, it was on television and I didn't want to kick up a big fuss in front of a lot of people. But you can bet that if it had been a championship fight I'd been right in there."

Rules call for a one-minute interval between rounds and a warning signal to sound 15 seconds before the minute ends.

Pep suffered a bad cut, later

requiring six stitches, over his right eye during the fourth round. When the round ended his handless called Dr. Robert Laddon, the ring physician, to take a look. Referee Jack Downey also moved in. After a consultation, Pep was permitted to continue.

Flaherty said he had confirmed his reckoning with Dr. Louis Lichtenstein, the timekeeper, and that 37 seconds elapsed between when the warning signal was sounded and the two men resumed fighting in the fifth round. This would mean a between-rounds interval of 1 minute, 27 seconds.

1st NBA Tilt Goes to Nats

SYRACUSE, N.Y. (AP) — The Syracuse Nationals got the jump on the Fort Wayne Pistons in the final round of the National Basketball association playoffs Thursday night, winning the first of the best-of-seven series 86-82.

The victory kept intact the Nats' record of having never lost to the Pistons on their home court. The second game of the series will be played in Syracuse Saturday afternoon and will be televised by NBC.

Red Rocha, who paced the Nats with 19 points, sent Syracuse ahead with five minutes remaining and they were never headed. Larry Foust, however, topped all the scorers as he dropped in 26 points for the Pistons.

Richardson Named To Phi Beta Kappa

NEW ORLEANS (AP) — Hamilton Richardson of Baton Rouge, National intercollegiate tennis champion, was named Thursday to the Phi Beta Kappa, national honorary scholastic society.

The third ranked amateur tennis player in the country, Richardson is a Rhodes scholar elect. He plans to enter Oxford university, England, in October.

Richardson, an economics major, has made all A's with the exception of two B's during his four years at Tulane.

Schlundt To Play AAU Basketball

TERRE HAUTE, Ind. (AP) — Don Schlundt, Indiana university's Big Ten scoring champion, will play with the Peoria, Ill. Caterpillars in the AAU Basketball league.

The 1954 all-America center told the registration committee of the Indiana Amateur Athletic union here Wednesday night he had decided to pass up a request to play with the College All-Americans against the Harlem Globetrotters in the current series.

Predicts Great '56 U.S. Olympic Team

CHICAGO (AP) — The president of the U.S. Olympic committee said Thursday he was convinced by Pan-American games performance this country would send "the greatest team in its history" to the 1956 Olympics at Melbourne, Australia.

K. L. (Tug) Wilson, who attended the recent Pan-American event at Mexico City, said the United States' showing there was "most encouraging."

"We have a number of outstanding youngsters ready to take up the slack if such cham-

pions as Mal Whitfield and Harrison Dillard (both track stars) should falter," said Wilson.

"In swimming, for instance, we have a Pan-American champion in 16-year-old Frank McKinney Jr., and another in 14-year-old Wanda Lee Werner."

While regarding Russia as a top Olympic threat, Wilson said the United States could win the unofficial title again only if "we remember that we are competing with all the nations entered, not only Russia."

Cites Need for Police-Fireman Dual Role

Combination police-fireman may be the answer to public needs for more protection at less cost, Iowa police officers were told Thursday by Richard Holcomb, police scientist in SUI institute of public affairs.

Combining the services of personnel who must spend much of their time "standing by" for fires, accidents and crimes may also be the most practical approach to raising salaries and attaining 40-hour weeks, Holcomb said.

Speaking to 40 officials in the Continuation Center, Holcomb observed that uniting patrol, and "standing by" services would probably put as many as 50 per cent more men on duty.

Get Better Employes
It's often said, he pointed out, that "if police and fire departments could get more money, they could hire better employes. But to get more money, most departments may need to convince the public that they are making more efficient use of their men," he said.

National estimates, he continued, indicate that firemen spend only three per cent of their duty hours on fires and other emergencies. They spend the remainder of their time keeping equipment in shape and standing by for emergencies.

The emergency time of our police forces probably averages around five per cent, with most patrols now becoming mobile enough to look out for fire and other hazards through a wide area, he pointed out.

Six on Duty
Considering lengths of shifts and days off, the average city of 20,000 population now has five or six policemen on duty at one time out of a 20-man force, and eight or nine firemen available for emergencies out of a 20-man department.

But by combining skills within the same men, this city could have at least 10 men available at any one time and on 40-hour weeks without increasing the size of the force. And because these men would require additional training, there would then be more convincing reasons for increasing salaries, Holcomb explained.

The three-day Police Officers school closed Thursday afternoon, following a discussion of police weapons led by Chief Leo Allstott of Mason City and a lesson on public speaking by Prof. Orville Hitchcock of the speech department.

3 Iowa Citizens Elected To Historical Society

Three persons from Iowa City were among 66 new members elected to the State Historical society of Iowa in March, William J. Petersen, superintendent, announced.

Miss Agnes Costello, 505 S. Capitol st., Mrs. C. L. Woodburn, 915 E. Washington st., and Robert D. Sutherland, 12 W. Court st., are the Iowa City members.

FOUR PARTICIPANTS IN THE police command school held at SUI earlier this week examine pictures of automobile accidents as part of their study. From left they are: D. A. Dooley, Marshalltown; Richard T. Connell, Waterloo; Leo E. Allstott, Mason City, and Wayne R. Beasley, Marshalltown.

Union Backs Avery in Fight

CHICAGO (AP) — Sewell Avery, board chairman of Montgomery Ward and company Thursday capitulated to the AFL Teamsters union and was given a union pledge of support in his fight to retain control of the huge merchandising firm.

The 81-year-old executive, engaged in a proxy battle with financier Louis E. Wolfson who is seeking to wrest command from Avery, signed a labor-management agreement covering 15,000 Ward workers in 10 major cities.

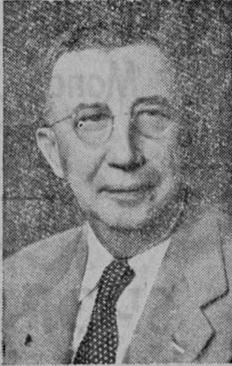

The agreement, involving nine mail order houses, five retail stores and two warehouses, ended sixteen months of negotiations and averted a threatened strike.

Dave Beck, president of the 1,300,000-member union, signed for the workers. After the signing Beck told a news conference at which Avery was present that he will recommend that units of his union, which hold about 13,500 shares of Ward stock, vote those shares in favor of the present management. The stock is valued at \$1,050,000.

Ward has about 6 1/2 million shares of stock held by some 68,000 shareholders.

Avery and Wolfson are lining up stockholders support for the showdown at the annual meeting of shareholders April 22.

To Talk Here

C. M. Boyer To Discuss Reserve Plan

C. M. Boyer, executive director of the Reserve Officers' association, Washington, D.C., will address the Johnson county chapter of ROA on April 8. The talk, entitled "The New National Reserve Plan," will be held in Shambaugh lecture room of the main library, at 7:30 p.m. All are invited.

Boyer is a former commanding officer of an artillery regiment, and has been active in ROA affairs for many years. He served with anti-aircraft units in Florida and New York in World War II, before being transferred to Washington to serve in the chief of staff's office.

Dust, Snow Hit Texas

DALHART, Tex. (AP) — Dust turned into snow as the season's worst sandstorm broke out of the Texas Panhandle late Thursday and boiled over the rest of the state.

Near dark, Amarillo and Pampa, Tex., were reporting snow, Lamesa, Tex. had only 100 yards visibility in a dust blanket, the Fort Worth-Dallas area was weathering a tornado scare, and small craft warnings were hoisted on the Gulf.

The storm-spawning weather front had smeared parts of New Mexico, Oklahoma, Kansas, Colorado and Wyoming earlier with a fog of dust. Residents of Pampa awoke Thursday surrounded by a heavy dirt fog that cut visibility to less than one block. Rain began falling about noon and light snow drifted in about 2:15 p.m.

Amarillo had snow late in the afternoon with a 35-degree temperature. The dust cloud center apparently passed Lamesa about 4 p.m. with winds blowing a steady 45 to 50 miles an hour. There were gusts up to 62 miles per hour.

As the sweeping dust storm dropped visibility to zero in scores of tiny towns and cities of the Southwest, schools closed, transportation facilities were hampered and tumbleweeds piled up against fence rows.

Organ Soloist

MARGARET SNODGRASS, instructor in organ and piano at Iowa State college, will be presented by the SUI music department in a recital of organ music Sunday at 8 p.m. in the Methodist church. Given as an exchange concert with the ISC music department, the program will be open to the public. As a pianist Miss Snodgrass has been soloist with the Iowa State Symphony orchestra and has given recitals throughout the midwest. This spring she is presenting organ recitals in Dubuque, Storm Lake and Ames as well as Iowa City.

Parden Appointed Santa Clara Dean

Robert Parden, 33, former Iowa City resident, has been appointed dean of the college of engineering at the University of Santa Clara, Santa Clara, Calif.

Parden is the son of Mr. and Mrs. J. A. Parden, 225 River st., here. He was graduated from Iowa City high school in 1940 and received his B.S., M.A. and Ph.D. degrees from the SUI college of engineering.

To Distribute Orientation Applications

Applications for men's orientation week next fall will be distributed this weekend to SUI fraternities, men's dormitories and town men, Jim Kaster, ES, Washington, said Thursday.

The applications are due next Thursday in the office of student affairs, room 111, University hall.

Kaster said that 190 men students will be needed to help with the activities of New Student week, which begins Sept. 19.

Men's orientation is sponsored by the Student Council while the University Women's association sponsors women's orientation. Women's orientation leaders have been chosen.

To be considered, Kaster said, men must return to school by Sept. 14.

For further information, call the office of student affairs or Kaster, 8-0304.

Diane Dunlop Wins Free Trip With Safety Patrol Essay

Diane Dunlop, 11, sixth grade student at Longfellow school, won an all-expense paid trip to Washington D. C., to attend the National Safety Patrol assembly May 6 and 7, with her essay on "Why Our School Has A Safety Patrol."

Diane, daughter of Attorney and Mrs. Kenneth Dunlop, 922 S. Summit st., is a member of the safety patrol at Longfellow. She will be one of 8 representa-

tives of the 450 school safety patrols in Iowa.

The essay winners will travel by car, under the supervision of members of the AAA Motor club's safety department, sponsors of the award. Their route will be over the Pennsylvania Turnpike to Gettysburg, with a stop to view the battlegrounds of the Civil War, and then to the Capitol.

Reuther: NAM Girding for Wage Fight

CLEVELAND (AP) — President Walter P. Reuther of the CIO United Auto Workers charged Thursday that the National Association of Manufacturers "is getting up a war chest against the union's bid for the guaranteed annual wage."

Reuther said the manufacturers are trying to raise a "\$30 million war chest" through contributions by employers.

In a letter to NAM President Henry G. Riter, Reuther called the fund-raising "an attempt to buy public opinion without regard to the public welfare."

He added: "I should like to remind you that this campaign is consistent with the NAM's undistinguished record of working against the best interests of the American people."

Holding Convention

The UAW is holding its convention here and is putting final touches to the guaranteed wage program it hopes to win in forthcoming negotiations with the auto industry.

The NAM fund-raising campaign is being conducted through the organization's United Business committee.

Employers have been asked to contribute according to the number of employees they have. The NAM has not mentioned the size of the fund it expects to collect.

Reuther said NAM "propaganda" campaign is aimed at keeping the public from making up its mind impartially about the "moral and economic merits" of the guaranteed wage.

Increase Dues

The auto union already has adopted a \$5 monthly dues increase to raise a \$25 million strike fund to back its contract demands this year. The UAW has been carrying a publicity campaign in favor of it for months.

At Thursday's convention session, UAW Vice-President John W. Livingston kept the guessing game going as to whether Ford or General Motors would be struck first, if necessary, to win a guaranteed wage.

The five-year General Motors contract expires May 29. Ford's expires June 1.

Convention action on the guaranteed wage and other union demands followed the UAW's endorsement of the proposed AFL-CIO merger.

Reuther, in a fiery speech for merger, called for a joint "crusade" to organize millions of unorganized workers in all parts of the country.

The labor unity resolution, adopted unanimously, offered to throw a dollar for each of the UAW's claimed 1 1/2 million members into a vast organizing drive if other unions under the combined AFL-CIO federation do likewise.

2 Lead SUI Cancer Drive

Willard L. Boyd, instructor in the college of law, and Mrs. James N. Murray, wife of an SUI political science instructor, were named Thursday to head the university part of the annual Cancer Crusade, April 11 to 16.

Boyd will organize the soliciting of funds and distribution of information on cancer among university staff members.

Mrs. Murray was named scholarship chairman. In addition to handling applications for 50 nurses' training scholarships awarded by the Iowa Cancer Society, she has organized the Crusade in student housing areas and in Mercy and Veterans hospitals.

She will also assist in training university fraternity members who are taking part in the campaign as volunteer door-to-door canvassers.

City Record

DEATHS

Florence Brown, 72, 1231 East College st., Thursday at Mercy hospital.

Hannah Reutzel, 73, Vinton, Wednesday at University hospitals.

Jasper Jespersen, 82, 413 Fourth ave., Wednesday at University hospitals.

Minnie Buckley, 76, Fairfield, Wednesday at University hospitals.

POLICE COURT

Sam Holt, no address given, received a 14-day jail sentence Thursday in lieu of a \$27.50 fine on each of two charges. Holt was charged with intoxication and disturbing the peace.

Firemen Extinguish Small Grass Fire

A small grass fire was put out quickly by Iowa City firemen at 626 Brookland Park drive late Thursday afternoon.

The fire, at the rear of Marion L. Hull's yard, spread from a burning trash barrel.

Night for the Knights

(Daily Iowan Photo by Jerry Mosey)

THERE WERE NO JOUSTS, but the members of den No. 2, Iowa City Cub Scout pack 206, enjoyed an evening of make-believe knighthood Thursday as part of the March theme, "Knights of Yore." The boys and their parents met in University high school gymnasium. Each month a new theme is used and the scouts devote their efforts toward carrying it out.

Prep Senate Debate Here

Malvern and Ottumwa high school speech students will be active in the Student Senate of the Iowa Forensic league's state finals at SUI this weekend.

Four students from each school will each introduce a bill and work toward its passage in this afternoon and Saturday morning legislative activities in Old Capitol.

Other finalists among the 16 student-written "senate bills" are three from Waterloo's West high school, two each from Central high of Sioux City and Mason City and one from McKinley high of Cedar Rapids.

7 Million in Taxes From Deere Estate

MOLINE, Ill. (AP) — Federal and state inheritance taxes totaling \$7,086,808 were paid Thursday from the estate of a descendant of John Deere, founder of Deere & Co., farm implement firm.

Mrs. Katherine Deere Butterworth, granddaughter of John Deere, died Dec. 16, 1953, leaving an estate valued at \$13,489,051.

Federal inheritance taxes paid Thursday amounted to \$5,804,313 and Illinois state inheritance taxes to \$1,282,294. After administrative expenses, \$4,800,000 remained to be distributed among six grand-nieces and other beneficiaries.

Struck by Auto, Farmer, 82, Dies

FORT DODGE (AP) — John Edward Farrell, 82, of Whittemore, died at a hospital here Thursday of injuries suffered when he was struck by a car in front of his farm home near Whittemore.

Earl Elbert of Whittemore told authorities he had taken Farrell home in his car and let the elderly man out of the car across the road from his farm house.

Farrell was struck by a car driven by Bill Degan of Whittemore. He died at the hospital about two hours later.

Win Improvement Trophy

TOM STEVENSON, left, C3, Dubuque, of Sigma Phi Epsilon fraternity, awards the Interfraternity council scholarship improvement trophy to Lloyd Johnson, C3, Sioux City, at a dinner at the Theta Xi house. Theta Xi has improved its house grade point of 1.87 to 2.08. It was in the 15th position among the fraternities in 1954. It is now 16th. Stevenson and Johnson are the presidents of their respective houses.

Women Marines In Enlistee Drive

The marine corps recruiting station in Des Moines has announced that applications are being accepted for the women marine training classes, scheduled to begin April 13 and May 4 at Parris Island, S.C.

Young women who qualify will undergo eight weeks of recruit instruction, and then be eligible for specialized training in any one of 26 occupational fields.

Under the recruiting program, friends who enlist together for either the April or May classes will be allowed to remain together during the training.

Smith Oil Station Has 'Grand Opening' Today

A three-day grand opening, Friday through Sunday, will be held at the Smith Oil company, 229 S. Dubuque st., with \$1,000 worth of gifts to be given away.

The new company was formerly called Kelly's Complete Auto Service.

Detroit Girl's Body Found

DETROIT (AP) — Barbara Gaca, 8, was found bludgeoned to death Thursday and police sought a madman as her killer.

The body of the Detroit school-girl was found wrapped in an army blanket in a garbage dump 25 miles northwest of her home.

2 Questioned

Police, blocking the area, picked up two men for questioning. They were unidentified.

Barbara's body, discovered on the eighth day of her disappearance, was found by a railroad section hand in West Bloomfield township of Oakland county.

State Police Capt. Raymond Mohr said the body was undecayed. It had been "terribly mutilated," Mohr said.

The discovery climaxed a long search.

Postman's Daughter

Barbara, a postman's daughter, vanished on her way to school last Thursday.

The dump is in a secluded spot. Only a dirt trail leads to it.

D. Harry L. Riggs, Oakland county deputy coroner, said after a preliminary examination that Barbara had been dead several days.

Parking—

(Continued from Page 1)

dormitories and the field house. There are also 47 reserved spaces.

Students living in married housing areas, scattered over the campus, have access to about 370 unreserved spaces.

Hospital Area

There are about 600 unreserved spaces in the General hospitals—Medical labs area, and about 300 reserved.

In addition to these four general areas, 55 unreserved spaces are provided at the Law Commons (Iowa Center for Continuation Study).

Phillips noted that each year more applications for reserved areas are received than can be accommodated. But, he said, the university usually grants several more permits for reserved areas than there are spaces because many do not use their reserved parking privileges regularly.

Schwengel to Speak At GAR Ceremonies

WASHINGTON (AP) — Rep. Fred Schwengel (R-Ia.) will deliver the principal address here April 6 at ceremonies commemorating the founding of the Grand Army of the Republic.

The GAR was founded in 1836 by Dr. Ben F. Stephenson of Decatur, Iowa.

Community Chest To Discuss United Fund at Annual Meet

The Iowa City Community Chest corporation will discuss the possibility of a United Fund drive at its annual meeting April 19.

Letters to the 51 member organizations and agencies were mailed Tuesday.

The meeting agenda is:

1. Reports of agencies participating locally in the Chest;

2. Reports of the Chest chairman, treasurer and chairman of the 1955 fund campaign conducted last fall;

3. Plans for 1955-56 and the future of the Community Chest;

4. Election of Chest board members to succeed those whose terms will expire. Two additional directors, as authorized in 1954, will also be elected.

Preliminary evaluation of a survey of local opinion on a United Fund, conducted March 5 by 19 SUI fraternities, shows, according to the letter sent Chest agencies:

That 68 percent of those contacted favored the United Fund, 18 per cent opposed, and the rest were undecided.

Questions asked were:

1. Do you favor a United Fund? (79 per cent said "yes")

2. If you favor a United Fund campaign, will you give or pledge to give the same amount to this fund as you give to all voluntary health, welfare and recreation agencies which you now support? (82 per cent said they would).

Two-thirds of the homes in Iowa City, Coralville and University Heights, the area served by the Chest, were called upon in the survey. However, members of 753 households were not available for questioning so the survey represents about 55 per cent of the residences.

The letter indicates 2,396 per-

sons answered "yes" to the first question and 641 said "no." Four hundred eighty were undecided. "Yes" answers to the second question totaled 2,046 against 466 "no" answers.

Navy Helicopter Placed in 'Bed'

HONOLULU (AP) — A navy helicopter with three men aboard prepared to land at Barber's Point Naval Air station Wednesday. Then someone noticed a landing strut was broken.

While the helicopter hovered, all hands turned out below. They brought mattresses from all over and piled them on the ground.

The helicopter "sponged" to a landing on the mattresses. All three navy men stepped out.

'Draft Ike' Move Starts in New York

NEW YORK (AP) — A "draft Ike for '56" movement was launched Thursday by the New York County Republican committee.

President Eisenhower has maintained his voting residence here since heading Columbia University.

Committee secretary Daniel J. Reiser said the draft Ike resolution was the first by a unit of the national party.
