The Weather
Cloudy with scattered showers today. High today 65 to 70. Clear and warmer Sunday.

Bundesrat Balks On Rearmament

BONN, Germany (AP) — The West German parliament balked Friday at rearmament measures, charging the government was acting with "undignified haste."

It was a startling setback for Chancellor Konrad Adenauer on the eve of his top-level talks with Western statesmen.

The Bundesrat—upper house—refused to give immediate support to a government bill to put the first volunteer West German soldiers into uniform this summer.

'Unclear'

It complained the legislation was "unclear on a number of basic questions" and sent the bill back to the government with a strongly worded resolution demanding clarification of the way future forces are to be raised.

The resolution adopted unanimously despite Adenauer's two-thirds majority—asked how the democratic rights of future soldiers were to be protected and how parliament was to be insured control of the military. Speakers expressed fear the 250-word bill could be used to escape civilian brakes on a military administration.

Does Not Kill Bill

The Bundesrat action does not kill the bill. But it means the strong-willed Chancellor will have to use all his parliamentary skill to get it through the Bundestag—lower house. Then, if still not satisfied that there are enough safeguards, the Bundesrat can impose further delay.

Adenauer wants to demonstrate Western unity and strength by getting rearmament under way before the planned Big Four "summit" meeting in July.

It will take months to pass the 20 detailed laws needed for full legalization of rearmament. The volunteer bill was designed as a short cut to permit some 10,000 officers and men to be called up for preliminary training.

House Stalls Dixon-Yates In Committee

WASHINGTON (AP) — The House Appropriations committee voted in effect Friday to strand the Dixon-Yates power project in the middle of the Mississippi river.

It refused to approve \$6,500,000 requested by President Eisenhower to build a transmission line to carry power from the proposed Dixon-Yates plant to West Memphis, Ark., into the Tennessee Valley Authority distribution system.

Instead, it diverted the \$6,500,000 to start construction of a TVA steam plant at Fulton, Tenn., to furnish power which the Dixon-Yates plant would have provided.

Contract Provisions

Under provisions of a contract the Dixon-Yates group has with the Atomic Energy Commission, the private utility operators are supposed to build a transmission line to the middle of the Mississippi river, with the TVA picking up the power at that point.

The 23-to-19 vote by which the committee decided to choke off the Dixon-Yates project forecast a sharp battle when the house itself votes late next week. It will be the first time the Democratic controlled 84th congress has had an opportunity to vote on the controversial Dixon-Yates contract which was approved indirectly by the Republican-dominated 83rd congress.

'Kills' Dixon-Yates

Chairman Cannon (D-Mo.) declared the committee action "kills the Dixon-Yates deal because it doesn't give then an outlet for their power."

Cannon predicted that the house would uphold the committee, but conceded the outcome would be close.

ATOMIC BULDDUP

WASHINGTON (AP) — Sen. Jackson (D-Wash.) said Friday "it is now apparent there will have to be an increase in the United States atomic weapons production schedule."

Strike Bound London

BICYCLES, MOTORCYCLES, automobiles, trucks and buses jam Farrington street in London Tuesday as Britons make their way home after a day's business. The scene is typical these days as the rail strike continues. With the rail and dock strikes, the government faces further possible trouble from Scottish coal miners' demand for more pay.

Wildcat Strikes Ended by UAW

DETROIT (AP) — The CIO United Auto Workers union stomped out the last of a dozen wildcat strikes at General Motors plants Friday and went back into contract talks with the company, openly expecting a new offer.

The company closed 20 assembly and body plants around the country Friday. The unauthorized stoppages though short-lived were blamed. About 60,000 workers were idled in all by the closings.

Production Normal

Production is expected to approach normal again by Monday—barring a companywide strike for lack of a contract.

The union's deadline for settlement, postponed from last Tuesday midnight, now is set for Sunday midnight.

But with that deadline only a little more than 48 hours away, nobody on either side seemed worried.

Some sources felt that GM would have made a new offer before today had it not been for the series of wildcat strikes that plagued production of the industry's biggest producer most of the week. Nearly 41,000 GM workers were affected at the peak of the stoppages.

In Line With Ford

Any new General Motors offer is expected to be somewhat in line with the UAW's settlement with the Ford Motor Co. last Monday. A highlight of that was a company guarantee of 60

to 65 per cent of normal take-home pay, including state unemployment compensation, for laid off workers.

Some observers predicted however that GM's proposal would have at least some variations from Ford's.

Several weeks ago GM, like Ford, offered the UAW a combination proposal featuring an opportunity for employees to buy company stock at half price. The union turned down both offers.

House Group Cuts Dam Project Funds

WASHINGTON (AP) — The house appropriations committee Friday cut \$500,000 off the figure President Eisenhower had asked for the Coralville dam and reservoir project.

The committee recommended that the house appropriate \$4,000,000 to continue the Coralville project. President Eisenhower had asked for \$4,500,000.

Work on the reservoir was halted two years ago when the funds appropriated by congress ran out. It was started again recently with a \$1,750,000 grant made in the 1954 session of congress.

The project is scheduled to be completed in 1958.

Britain's Rail, Dock Strikes In 13th Day

LONDON (AP) — The British Transport Commission had a three-hour parley Friday with railway strike leaders, but there was no immediate agreement. There was a peace talk, too, over the dock walkout. The dockers came out saying "the strike goes on."

The rail strike, now 13 days old, threatens a creeping paralysis of industry. Motor manufacturers announced they are planning their export production on a day-to-day basis and said the supply situation is worsening.

Demanding Pay Hikes
The railmen's talks centered on new proposals by the commission, which runs the nationalized railways.

The Associated Society of Locomotive Engineers and Firemen is demanding pay boosts for its 67,000 members to restore their differentials over less skilled railmen. The basic pay of the engine crewmen is the equivalent of \$27.30 for a 44-hour week. They want \$1.12 more.

ASLEF was reported ready to accept most of the commission's new plan. Hopes of a quick settlement, however, apparently rested on leaders of the rival National Union of Railwaymen, which represents lower grades on the railroads.

Reopen Talks

The 400,000 men of these grades are not on strike. But the commission is worried that a handout to the engineers and firemen might start new wage demands among the others, who got a pay hike in January.

The talks reopen Saturday. Transport experts said if they succeed, they could get the railroads back to full operations by Monday. If they fail, the government is expected to step in with a drastic reorganization of highway transport to keep the nation's fuel and food lifelines open.

Eisenhower OK's Postal Pay Hike

WASHINGTON (AP) — President Eisenhower's signature Friday brought final approval of an average eight per cent pay increase for half a million postal workers, ending months of squabbling over the issue.

The approved bill may set the pattern for a similar pay hike for a million classified Civil Service workers. Their bill is now pending in a house committee.

The President, who vetoed two postal pay hikes over the past 10 months, called the final act "the greatest forward step for our postal employees in more than a century."

Lump sum payments for the retroactive feature of the pay hike, which goes back to March 1, will be handed out July 15.

Altogether, the bill will cost the government about \$164 million a year, assuming adding that amount to the chronic postal deficit which totaled 400 millions over the last full financial year.

CZECHS NEED FARM LABOR

VIENNA, Austria (AP) — Czechoslovakia's ministry of agriculture Friday appealed to all Czech citizens to help work in the fields. Radio Prague announced help was "urgently necessary" in sugar beet fields.

Corey Warns Against Conformists, Extremists

THIS IS THE SCENE IN THE SUI FIELD HOUSE where the graduation ceremonies took place. Degrees varying from Doctor of Philosophy to Bachelor of Arts were bestowed by President Virgil M. Hancher.

Malenkov Tells Soviet Power Plans

MOSCOW (AP) — Former Premier Georgi Malenkov told Western reporters Friday the Soviet Union expects to have large atomic power plants in operation within a few years.

Malenkov, now Soviet minister of power stations, said the Soviet plants would be 50,000 and 100,000-kilowatt installations. His conversation with the reporters took place at an Indian Embassy garden party honoring India's Prime Minister Jawaharlal Nehru.

The former Premier, who stepped down from that post last February in favor of Nikolai A. Bulganin, left the reporters with the impression that he is now in charge of the development of atomic power stations.

This did not necessarily mean that Malenkov would be in overall charge of the Soviet Union's atomic energy program. That is reported to be in charge of Col. Gen. A. P. Zavyanagin, a security officer who is minister of medium machinery. A Deputy Premier, Zavyanagin once was director of the big Magnitogorsk metallurgical plant.

Malenkov appeared completely at ease as he laughed and joked with reporters. He joined the journalists casually during a stroll about the Embassy grounds.

The former Premier said Nehru "apparently" was going to visit a 5,000-kilowatt atomic pilot plant already in operation "because he is greatly interested in this question." A reporter asked Malenkov if Western journalists might visit the plant. "It is possible your chance will come," Malenkov said.

Steel Wage Talks Halt Indefinitely

PITTSBURGH (AP) — CIO United Steelworkers negotiators Friday completed presentation of their case for a "substantial" pay boost to six of the nation's largest basic steel producers.

Talks with Jones & Laughlin, Youngstown Sheet & Tube and Inland Steel recessed indefinitely, marking the end of the initial phase of 1955 negotiations.

Officials of the three firms thus joined executives of U.S. Steel, Bethlehem and Republic in getting down to serious study of the USW demands. The latter heard union arguments in previous conferences.

The six companies, which employ more than 400,000 of the 600,000 USW members in basic steel, may notify the union at any time that they are prepared to go back to the bargaining table.

942 Get Diplomas At SUI Ceremonies

SUI President Virgil M. Hancher Friday gave degrees to 942 students at commencement ceremonies in the Iowa field house.

About 5,000 parents and friends attended the colorful, three-hour ceremonies.

Heat, which is as traditional to June commencements as the caps and gowns, was absent from the Iowa field house Friday morning. Temperatures of about 60 degrees left the field house cool and comfortable throughout the morning.

The ceremonies may be featured Sunday on a CBS-TV program.

CBS-TV Interviews
They were filmed along with interviews with graduates for use on Eric Severid's "American Week" show, which appears at 3 p.m. Sunday.

The SUI Commencement would be used to represent commencement ceremonies being held throughout the nation. Whether or not it will be used on Sunday's show depends upon the traveling connections the film makes, CBS personnel said.

SUI students who were interviewed: Carter Pitts, G. Le Mars; Mary Jean Palmer, G. Cedar Rapids; Judy Connolly, A4, Cresco; James Marlin, A4, Mt. Pleasant; Carolyn Stumme, A4, Muscatine; Stewart Ulrich, A4, Des Moines, and Oscar Ness, A4, Forest City.

Commissioning
The commissioning of army and air force ROTC students opened the commencement ceremonies at 8 a.m.

A total of 94 SUI students received commissions, 57 in the air force and 37 in the army.

The 1955 graduating class represented 93 of Iowa's 99 counties; 40 states; Hawaii and 15 foreign nations.

The class total of 942 represented a decrease of 54 from the June, 1954, class total of 994.

Size Decreased
June graduation classes have decreased steadily in size since World War II veterans swelled the 1950 class to a record 1,845.

Alumni Reunion week events will wind up commencement week activities today.

Today's Events:
9 a.m. — College of nursing coffee hour, Westtown.
9:30 a.m. — SUI alumni association meeting, Old Capitol.
9:30 a.m. — Professional medical session, medical amphitheater, University hospitals.
10 a.m. — School of Journalism coffee hour, Communications Center.
12:30 p.m. — Silver jubilee luncheon, class of 1910, River room, Iowa Memorial Union.
1:30 p.m. — Class of 1945 reunion luncheon, west dining room, Currier hall.
2:30 p.m. — Televised dental operation, dental building auditorium.
3 p.m. — All-alumni coffee hour, main lounge, Iowa Memorial Union.
6:30 p.m. — Golden jubilee dinner, class of 1905, River room, Iowa Memorial Union.

Iowa Supreme Court Hears Plea in Conviction
DES MOINES (AP) — Jerome Roy Osborne of Des Moines asked the Iowa Supreme Court Friday to reverse his conviction and 40-year prison sentence for breaking and entering and being a habitual criminal.

Osborne was sentenced in District Court here in connection with a break-in at Pidgeon's Plainview Market last Nov. 1.

Says Grads Must Guard Heritage

Arthur F. Corey Friday warned 942 SUI graduates to guard their heritage against the primitive mind.

Corey, executive secretary of the California Teacher's association, spoke at SUI commencement ceremonies in the Iowa field house.

Corey called Sen. Joseph McCarthy (R-Wis.) "a paragon to the primitive mind."

"Sen. Joseph McCarthy has made a significant contribution to modern America," Corey said. "He will probably be mentioned in the history books of the future, but not for the reason he intended."

'Repossess Freedoms'
"This man... has driven many Americans to repossess their freedoms and to lay hold anew of their spiritual heritage."

Corey described the primitive as one who would enforce conformity with a club and attacks the freedom of others because of insecurity and suspicion born of his own fear. He said that they are easily repossessed.

"They are those who would impose patriotism, legislate morality, and dictate the curriculum," Corey said. "They love loyalty oaths. They are the book burners. They desperately fear academic freedom."

Corey described primitives as the extremists on both the left and right.

'From Same Cloth'
"Philosophically both are cut from the same cloth," he pointed out. "The reformed Communist turns to reactionary politics or authoritarian religion. He usually is still the enemy of freedom."

"It is high time that all of us realize that these turncoats who were so terribly wrong a few years ago are probably just as wrong today."

Corey outlined the job of the graduates in maintaining freedom.

"Every man can take a stand," he said, "with those who are determined to keep open the channels of thought and communication so that when the man with an idea comes along he may have the right to express it and an audience to listen."

"This heritage could be lost in a single generation," Corey warned. "It is in your hands."

"You can nobly win or meanly lose this last fond hope on earth."

'Lead,' Says Hancher

SUI President Virgil M. Hancher urged SUI graduates Friday to become leaders in their future lives.

"If you are not a leader, someone else will be," Hancher said. "Unless he is better qualified to lead than you are, you are shirking your duty."

Hancher delivered the charge to the graduates after conferring 942 degrees in commencement exercises.

Hancher told the graduates that society had not given them an education for them to sit on the sidelines.

"Be prepared to enter the lists on behalf of the highest and the best," he said.

Hancher recalled a quotation by William James that "education should enable you to tell a good man when you see one."

"All your life you will be judging them," he said. "Learn to judge them accurately. Guard against the second raters and imposters."

\$2 1/2 BILLION LESS
DES MOINES (AP) — The air force will lose \$2 1/2 billion worth of trained personnel returning to civilian life this year, Maj. Gen. William Evens Hall, assistant chief of staff, reserve forces, USAF said Friday.

The Eisenhowers Get Together

THREE EISENHOWER BROTHERS pose in front of the plane which brought President Eisenhower to University Park, Pa., Friday for the annual Pennsylvania State university commencement today at which he'll be given an honorary degree. From left to right are: Ruth Eisenhower, 16-year-old daughter of University President Dr. Milton Eisenhower; President Eisenhower; Dr. Eisenhower, and their third brother, Earl Eisenhower of LaGrange, Ill.

editorial

A Few More Facts—

Little by little the American people are finally being given the facts concerning the Salk polio vaccine — facts which they should have had before the mass inoculation program began.

Too much was sacrificed for the sake of speed. Parents were asked to give consent for the inoculation of first and second graders on trust rather than information. It is no wonder that confusion and mild hysteria resulted.

The difficulty in manufacturing and testing the vaccine are facts that should have been known. The latest report suggests that no batch can ever be proved to be 100 per cent safe.

The best procedure to use in making the injection of vaccine — the effect of giving a shot during the polio season itself — the exposure of the disease to other members of the family of the inoculated child — these were problems brought to light after most of the nation's first graders had received their first inoculation.

They should have been discussed fully and openly before, so that parents could have made an enlightened decision.

A leaflet, printed by the National Foundation for Infantile Paralysis and distributed to parents of school children along with consent blanks, made this statement:

"Once licensed, the Salk polio vaccine no longer will be experimental and no further national trials or tests of this vaccine are planned. All vaccine used will have met standards of the National Institute of Health for safety, purity and potency."

This was all that parents had to go on. As events proved, it was not enough.

Now as concerted an effort should be made to educate parents on all aspects of the Salk polio vaccine as was made to set up the mass inoculation program. With the bulk of the nation's schools dismissed for the summer, the task will not be an easy one.

However, the nation's health agencies owe it to the American public to make good the trust it originally placed in them.

They should have been discussed fully and openly before, so that parents could have made an enlightened decision.

CITY RECORD

BIRTHS

Mr. and Mrs. Russell Gnagey, 935 E. Jefferson st., a girl Friday at Mercy hospital.

Mr. and Mrs. Kenneth Murphy, Lone Tree, a boy Thursday at Mercy hospital.

Mr. and Mrs. Gene Herdlika, R.R. 2, a boy Thursday at Mercy hospital.

Mr. and Mrs. James P. Wachter, 150 Stadium Park, a boy Thursday at University hospitals.

DEATHS

Clyde Shanks, 41, Moulton, Thursday at University hospitals.

Mose E. Wilson, 57, R.R. 6, Thursday at Veterans hospital.

POLICE COURT

Jerry Lee Butterbaugh, was fined \$37.50 on a charge of fail-

ing to have his vehicle under control. Judge Roger Ivie suspended \$20 of the fine.

Peter J. Justen, 310 Blackhawk st., was fined \$17.50 on a charge of speeding. Judge Ivie suspended \$10 of the fine.

Joy Andersen, 1437 Franklin st., was fined \$12.50 on a charge of disobeying a stop sign.

John Earl Chase, 317 Fairview ave., was fined \$7.50 on a charge of intoxication.

Vernon Dvorak, 109 1/2 S. Clinton st., was fined \$12.50 on a charge of striking fixtures on a public highway.

Mrs. Lois Lenz, Hills, was fined \$27.50 on a charge of improper passing. Judge Ivie recommended that her driving privileges be suspended for 60 days.

Old Capitol Remembers

One Year Ago Today

SUI awarded degrees to 978 graduates at commencement today. Prof. Theodore M. Greene, head of the philosophy department at Yale university, delivered the graduation address.

President Eisenhower says the French could use help in defense of Hanoi but he offered them no prospect of help from the U.S.

Five Years Ago Today

President Truman blasted Soviet Russia for talking peace while "preparing for war" in his most devastating attack on Communist aggression since the outbreak of the cold war. He spoke at a reunion of the 35th division at St. Louis.

A contract to draw up final plans for the \$3.5 million addition to the Iowa Union was signed today with the Des Moines firm of Tinsley, Higgins, and Lighter.

Ten Years Ago Today

Iowa City restaurant owners are seriously concerned over the 20 per cent cut in red meat points allowances to become effective July 1. The meat shortage has become critical in the past three months forcing cafes to rely on fish, chicken and other non-rationed meats.

Lt. Gen. Simond Buckner demanded that Japanese commanders on Okinawa surrender unconditionally as American troops reported steady gains.

Twenty Years Ago Today

Odds makers give Jim Braddock small chance of whipping Max Baer for the heavyweight title. Odds range from 3 to 1 to 25 to 1 on Baer.

Renewal applications for drivers licenses are available at the sheriff's office. There will be a fee of 25 cents for each license.

GENERAL NOTICES

General Notices should be deposited with the editor of the editorial page of The Daily Iowan in the newsroom, room 201, Communications center. Notices must be submitted by 2 p.m. the day preceding first publication; THEY WILL NOT BE ACCEPTED BY PHONE, and must be typed or legibly written and signed by a responsible person. No General Notice will be published more than one week prior to the event. Notices of church or youth group meetings will not be published in the General Notices column unless an event takes place before Sunday morning. Church notices should be deposited with the Religious news editor of The Daily Iowan in the newsroom, room 201, Communications center, not later than 2 p.m. Thursday for publication Saturday. The Daily Iowan reserves the right to edit all notices.

LIBRARY HOURS FOR THE INTERIM PERIOD.

Wednesday, June 8, through Saturday, June 11 — 8 a.m.-5 p.m. No service Saturday afternoon.

Sunday, June 12 — Closed.

Monday, June 13, and Tuesday, June 14 — 8 a.m.-5 p.m.

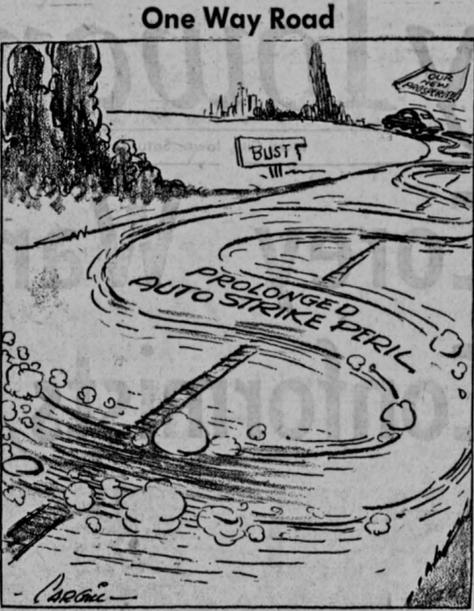

Wednesday, June 15 — 8 a.m.-10 p.m.

Departmental libraries will post their hours on the doors.

WATERMELONS AND MARSHMALLOWS will be refreshments at an outing of the fifth district SNAI, June 13, at 8 p.m.

in back of Westlawn. The program will include an evening of fun at the new portion of the Iowa Memorial Union. All student nurses are invited to attend.

ATTENTION JUNE GRADUATES! Don't forget to order your Daily Iowan before you leave. Special rates for graduates. In Iowa City: 3 months — \$2.25, 6 months — \$3.80, 1 year — \$8.10. In Iowa by mail: 3 months — \$2.70, 6 months — \$4.50, 1 year — \$8.10. Outside of Iowa: 3 months — \$2.90, 6 months — \$5.10, 1 year — \$9.00. Circulation Department, corner of Iowa avenue and Dubuque street, phone 4191.

West Has Defense Edge In Europe, Gruenther Says

BY J. M. ROBERTS
Associated Press News Analyst

NATO's supreme commander, Gen. Alfred Gruenther, says western negotiators now have behind them the military superiority they have always thought they would need before they could maneuver Russia into any real East-West settlement.

As of now, the general says, the west can defeat any Soviet aggression.

It's better news for the United States, however, than for her European partners. For Gruenther says the Allied edge lies in

Gen. Gruenther Supreme NATO Commander

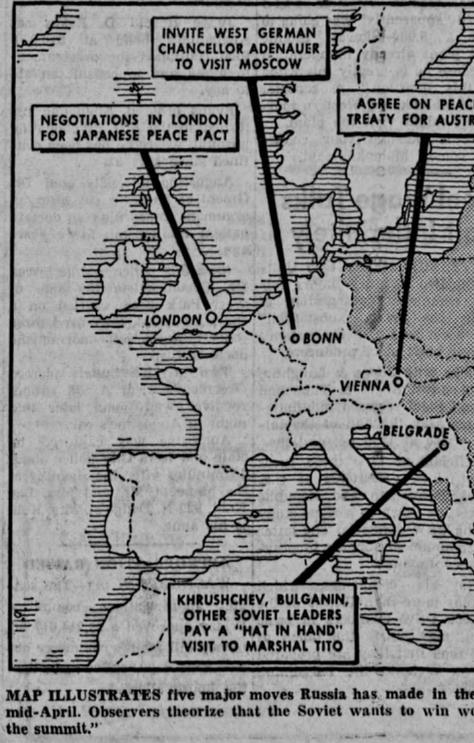

atomic weapons and strategic air power, and talks of an ultimate victory. He admits it will be three or four years — when a German army will be in the field — before Europe could be held firmly against the first Communist thrusts.

'Position of Strength'

As he describes the situation, however, insofar as Europe is concerned, the west has attained the "position of strength" for which it has been reaching ever since the full extent of Russia's expansionist policies was revealed. The deterrent against war exists. Negotiations or a stalemate are, for the moment, the only likely answers.

Russia indicates she would rather have a negotiated stalemate than a merely passive one. A negotiated stalemate, creating the impression that the Reds are not to be feared as much as they

Moscow 'Peace Offensive' Is Underway

MAP ILLUSTRATES five major moves Russia has made in the "peace offensive" category since mid-April. Observers theorize that the Soviet wants to win world approval before a meeting "at the summit."

Rev. Fattaruso Accepts Baptist Pastorate

The Rev. G. Thomas Fattaruso of Vermillion, S. D. has accepted a call to become pastor of First Baptist Church and university pastor to Baptist students at SUI.

He will fill the position vacated by the Rev. Elmer E. Dierks who served in the Iowa City pastorate for nearly 26 years before leaving in February to accept a position in Morgantown, Va.

The Rev. Mr. Fattaruso was a guest of the local church on May 15. At that time he appeared in the pulpit of the church as a candidate for the Iowa City pastorate upon invitation of the pulpitory committee.

The Rev. Mr. Fattaruso, a native of New Jersey, is a graduate of the University of Richmond and Colgate Rochester Divinity school. After graduation he became university pastor and state secretary of university work in Seattle, Washington, and held that position from 1944 to 1951. From 1951 to the present he has been pastor of First Baptist Church in Vermillion and university pastor to Baptist students at the State University of South Dakota, a position similar to the one he will have here.

The Rev. and Mrs. Fattaruso and their three children plan to move to Iowa City about July 15. They will reside at the Baptist Student center, 230 N. Clinton st.

Children's Services To Be Held Sunday

A special Children's Day service and Sunday school promotion day will be held at the Congregational Church Sunday at 10:45 a.m.

The Rev. John G. Craig will speak on "A Book and An Interpreter." The Senior High school class of the Sunday school will read the scripture for the service and the junior choir will sing. Various classes of the Sunday school will participate in the program.

Members of the third grade class will be presented Bibles as they are promoted from the primary to the junior department.

Christian Scientists Call for Individual, Spiritual Clarity

BOSTON — Practical application of scientific Christianity is building a mighty bulwark for individual, national, and universal liberty, the Christian Science board of directors declared this week.

Addressing a gathering of some 7,500 Christian Scientists at the annual meeting of the Mother Church, The First Church of Christ, Scientist, here, the directors declared that the "assurance of freedom from sickness as well as from sin, from want and woe as well as from forebodings of despair" is available to all through spiritual understanding of God.

"The uncertainties which confuse and perplex the nations become less alarming and portentous in proportion as the certainty of God's guidance is better understood," the directors stated.

International Meeting

Church members from Australia, Africa, Switzerland, Germany, Great Britain, Sweden, Japan, as well as Canada and the United States, came here for the meeting which has been held annually for more than 50 years. Smaller meetings on specialized subjects convened on days following the main session.

Commenting on the world's fight for freedom, the directors called for individual, spiritual alertness in meeting the "threats and subtleties and wicked manipulations which seem to be so popular in the struggle."

"In every new upsurge of evil we are learning to seek and to expect fresh proofs of the presence and redemptive power of the Christ," they said.

Forecasting victory for the lovers of freedom, they declared that the way is being paved for "the reconciliation of all nations and for the reign of harmony on earth."

Churches Can Help

New president of The Mother Church for the coming year is Mrs. Gertrude W. Eisman of

Mrs. Eisman Elected President

Boston. In her keynote address Mrs. Eisman stressed the tremendous good which the churches can do to help mankind cope with contemporary problems and to establish the effectiveness of healing "according to the pattern of the Christ."

The present availability of divine healing was emphasized by William R. Knox of Boston, retiring President, who said "our Redeemer lives and works today to heal the sick and reclaim our lives from sin and mortality."

Spiritual Healings

Healings, through spiritual means alone, of broken bones, immorality, tuberculosis, heart trouble, and polyomyelitis were among those reported by Gordon V. Comer, clerk of The Mother Church in referring to Christian Science, healings cited at the meeting included total recovery from alcoholism, deafness, blindness, dumbness, lumbago, gopher and a congenital dislocated hip.

More widespread public acceptance of divine healing was reported by Will E. Davis, manager of Christian Science committees on publication. Many in-

Announces Summer Worship Schedule

The Rev. George T. L. Jacobsen of First, English Lutheran Church announced a summer worship schedule for that church.

A family worship service will replace the two regular services for the summer. This service will begin at 8:30 a.m. and will include an object sermon for children. Sunday school will be held at 9:45.

The Rev. Mr. Jacobsen also announced that daily vacation Bible school will be held at the church June 13-24 at 9:15 to 11:30 a.m. daily. There will be classes for children ages 3 to 12.

Each session of the school will include a worship service, instruction hour, recess and handwork period.

A program by the students is planned for the family worship service of June 26.

Basilio TKO's DeMarco For Welterweight Crown

Halts Champ In 1:52 Of 12th

SYRACUSE, N.Y. (AP) — Carmen Basilio ended welterweight champion Tony DeMarco's reign at one fight and seventy days Friday night by pouncing out a technical knockout in 1:52 of the 12th round at War Memorial auditorium.

A 17-10 favorite, the 28-year-old ex-marine from nearby Canastota touched off a wild scene by dropping the 23-year-old Bostonian twice in the 10th round to turn the tide of a fiery and bloody scrap.

After that, Basilio, getting his second shot at the title that barely eluded him 21 months ago against Kid Gavilan, calmly went after the lion-hearted champion.

He chopped away with both hands to the bleeding face of the wobbling but still firing champion until referee Harry Kessler stepped in and wrapped his arms around the gallant defender.

9,170 Crowd
The pro-Basilio capacity crowd of 9,170, which paid \$119,794, let loose with a tremendous roar when Basilio's arm was raised in triumph.

Both fighters are solid left hookers but it was a right by Basilio which sent the aggressive DeMarco to the canvas for the first time. They mixed it up in a brisk exchange when Basilio suddenly staggered the Bostonian with a right to the jaw.

Staggered
Somehow he managed to last out the round. He staggered on rubbery legs away from his corner and had to be led back. Dr. Charles Heck examined him between rounds and it seemed that the champion wouldn't be able to come out for the 11th.

Come out he did, however. And he came out swinging. He was hoping for a knockout. Basilio, however, knew he had bagged his victim. He worked carefully on DeMarco's battered features until Kessler intervened.

All three officials had Basilio, who weighed 145½ to DeMarco's 144½, far ahead. Kessler had it 8-2; Judge Frank Forbes had it 8-3 while Judge Bert Grant scored it 7-4. The AP card had Basilio leading, 7-4.

Orioles Whitewash Kansas City, 3-0

KANSAS CITY (AP) — Jim Wilson and Ray Moore combined an 8-hit pitching job Friday night as the Baltimore Orioles whitewashed the Kansas City Athletics, 3-0.

Wilson, who won his fifth game against five losses, departed in the seventh when his mound opponent, Ray Herbert, doubled to put men on second and third with two out. After walking pinch hitter Enos Slaughter, Moore struck out Dick Kryhoski, hitting for Hector Lopez.

The Athletics threatened in both the eighth and ninth but each time Moore pulled himself out of trouble after allowing two men on base.

Baltimore scored a single run in the fourth on Hoot Evers' walk and singles by Gene Woodling and Hal Smith. They scored again in the sixth on Woodling's double, an infield out and Gus Triandos' sacrifice fly. Triandos drove in Cal Abrams with another fly, a 415-footer, in the eighth.

It was Herbert's fifth straight loss.

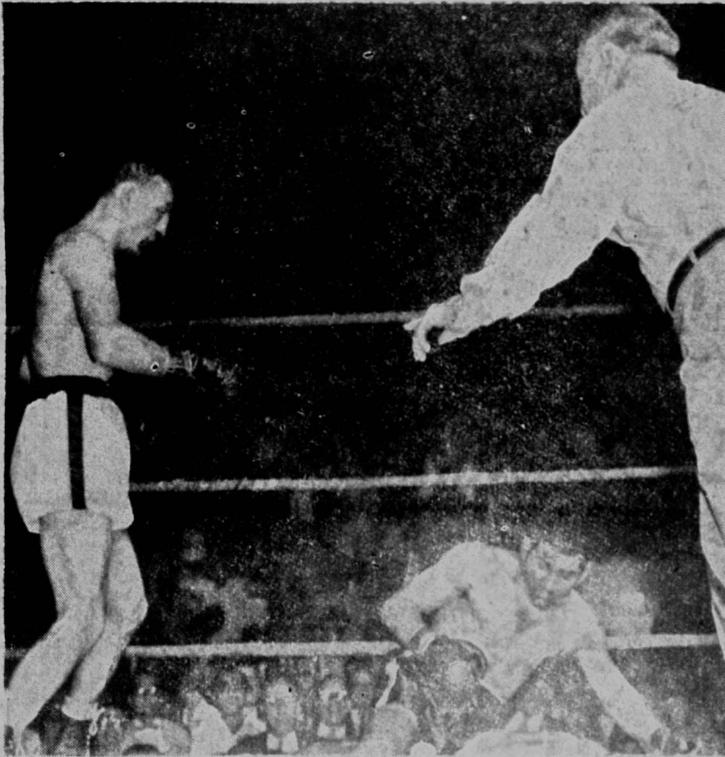

Baltimore 000 101 010-3 7 0
Kansas City 000 000 000-0 8 2
Wilson, Moore (7) and Smith; Herbert and W. Shantz; W-Wilson.

'Swaps' Will Run At Hollywood Park

INGLEWOOD, Calif. (AP) — Kentucky Derby winner Swaps renews his bid for national 3-year-old honors today when he races against five older horses, including last year's Kentucky Derby champion, Determine, in the \$100,000 added Californian at Hollywood Park.

The California-bred colt was a questionable entry Friday after his regular jockey, Willie Shoemaker, was suspended for five days for careless riding in the eighth race Wednesday.

Owner Rex C. Ellsworth finally decided to keep Swaps in the picture.

WELTERWEIGHT CHAMPION Tony DeMarco hits the canvas in the 10th round of the 15-round title bout at War Memorial auditorium in Syracuse Friday night. Basilio won the title in the 12th round. Referee is Harry Kessler.

4-Hitter by Erskine Beats Chicago, 7-0

BROOKLYN (AP) — The Brooklyn Dodgers squashed the Chicago Cubs, 7-0, Friday night behind the four-hit pitching of Carl Erskine who helped his own cause by crashing the first home run of his major league career.

The Brooks themselves managed only five hits off the combatted offerings of Sad Sam Jones, Dave Hillman and John Andre. But three of them were homers and they told the story. In addition to Erskine, Pee Wee Reese and Roy Campanella cashed in.

In tossing his eighth triumph against two setbacks, Erskine never was in trouble. He yielded one hit in the first, another in the fourth, one in the sixth and one in the seventh. Only one was for extra bases. Gene Baker's double in the fourth. He

Williams Hits Two Homers To Win, 5-2

DETROIT (AP) — Ted Williams returned Friday to his favorite ball park, Briggs stadium, and promptly hit a pair of 340-foot home runs in his first two trips to the plate in leading the Boston Red Sox to a 5-2 victory over the Detroit Tigers.

The 36-year-old slugger, who missed Boston's last two games because of a cold, got better in a hurry when he lined a home run into the lower right field stands with nobody on in the first inning.

The ball smashed against the seats and bounced gack onto the playing field, rolling half way back to the infield.

Then, with one on in the third, Williams lifted a tremendous high fly which came down into the upper deck in right.

Rookie Duke Maas was the victim both times.

They were the third and fourth homers for Williams who has played in only 10 games this season after coming out of a temporary retirement.

In his last three trips to the plate, Williams walked, struck out and beat out a hit behind second.

His slugging put the Red Sox into a 3-0 lead and the Tigers never caught up. It was Boston's fifth straight triumph.

Jim Delsing knocked in both Detroit runs with a bases-loaded single in the third and Tiger outfielder Al Kaline collected three singles in four tries to push his league leading average to .383.

Boston 102 200 000-5
Detroit 002 000 000-2
W-Nixon (5-1); L-Maas (4-3). Home runs: Boston-Williams 2.

Giant Homer By Harris Wins, 2-1

NEW YORK (AP) — Rookie Gall Harris lined his second major league home run into the right field seats to lead off the eighth inning Friday night and gave the New York Giants a 2-1 victory over the St. Louis Cardinals.

The big blow broke an even-Stephen ball game with both clubs seeming reluctant to win. A total of 23 runners were left stranded—12 by the Cards, who fell to seventh place with the defeat.

Veteran Jim Hearn was the winner, picking up his seventh victory against six defeats. The loser was Luis Arroyo, dropping his second straight after winning six in a row.

The Cardinals reached Hearn for nine hits, and had the help of three New York errors—all by second baseman Davey Williams—but were held in check after scoring in the first inning.

Solly Hemus, in the lineup to replace the weaker hitting Alex Grammas, tallied the Card run, opening with a single and moving around on Williams' error, an infield out and a single by Stan Musial.

St. Louis 100 000 000-1 9 1
New York 001 000 015-2 10 3
Arroyo and Saral; Hearn and Kati, Westrum (7); W-Hearn (7-6); L-Arroyo (6-2).
Home run: New York-Harris.

'Harry the Hat'

HERE'S HARRY (the Hat) Walker, new manager of the St. Louis Cardinals. The 36-year-old Alabamian, a former Cardinal outfielder who has managed the club's farm system, was picked for the job for his ability to "relax his players and get the most out of them."

A Handshake, A Smile—And It Was All Over

Graduates Receive Degrees, Commissions

NINE HUNDRED and forty-two prospective graduates solemnly file in to the SUI field house for the long awaited moment—their graduation.

... a smile, a hand out-stretched and it was all over in a matter of minutes.

ARTHUR F. COREY, commencement speaker, warns against the primitive mind.

BAND DIRECTOR Frederick C. Ebbs leads the SUI band through the processional, "Pomp and Circumstance."

ELSAYED AHMED ZEIN-EDIN, Belkas, Egypt, receives his Doctor of Philosophy degree in zoology.

SUI PRESIDENT Virgil Hancher charges the graduates.

ONE CEREMONY a day wasn't enough for them. They became Mr. and Mrs. Willard Shustad immediately following her graduation.

GRADUATES pick up degrees after formal ceremony.
