## 43 Killed, Four Missing in Rash of Plane Disasters

### 38 Marines Die in Crash In California

CHICAGO (AP)—A series of plane crashes dotted the North American continent Friday from Florida to Canada's far-northern tundra. At least 43 men were killed and four are missing.

In the worst disaster, 38 Marines were killed when their plane plunged into an isolated canyon southwest of Oakland, Calif. They were just nine minutes away from their destination at Alameda Naval Air Station.

Newsman flew over the canyon, spotted the plane, and said "nothing could have lived." Helicopters raced to the scene and a Marine spokesman later said there were no survivors.

#### B-52 Disintegrates

Perhaps the most mysterious accident was the disintegration of a giant B-52 intercontinental bomber in an explosion and an orange ball of flame high over Tracy, Calif., Thursday. Four of the crew parachuted safely. Three bodies were found and a search was underway for a fourth.

The Air Force grounded all B-52's pending an investigation as a "routine, precautionary measure." It was the first accident involving one of the huge swept-wing jet bombers, and it caused grave concern at Strategic Air Command headquarters in Omaha.

The smashup of a DC3 on a flight over northern Quebec last Tuesday took the life of a well-known international aerial adventurer and soldier of fortune, Harold E. (Whitey) Dahl.

Dahl, 47, was piloting the ship with two other men. Canadian rescuers on skis reached the ship Friday and reported there was only one survivor. It wasn't Dahl, a pilot in the Spanish Civil War and later involved in a gold-smuggling case in Switzerland.

The Navy called off a tremendous air and sea search for three Navy men missing since their attack bomber apparently plunged into the sea off Florida Feb. 6.

#### Seaplane Down

Farther north, a Navy seaplane made an emergency landing 110 miles southeast of Bermuda. Its crew was safe, and a coast guard vessel was speeding to tow it into port.

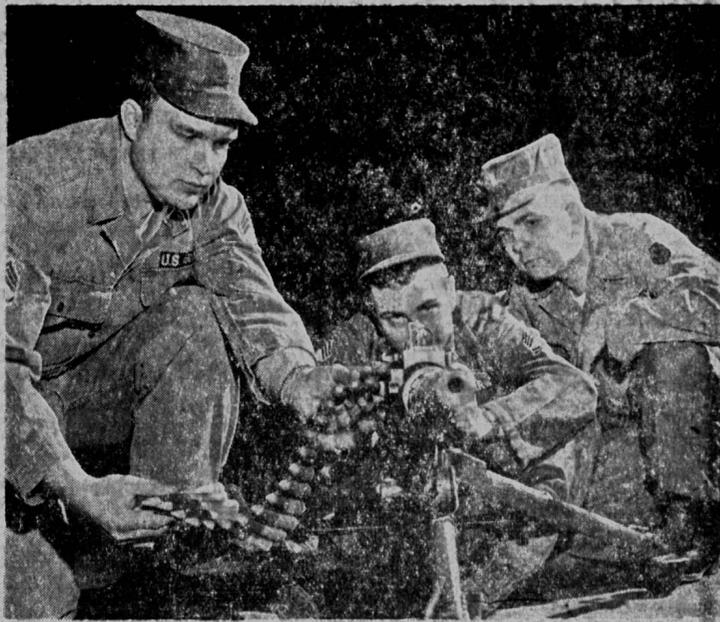

At Owensboro, Ky., a twin-engine Eastern Airlines plane missed a runway in a heavy rain, sheared off a wing and somersaulted onto its back. Only one of the 23 persons aboard was injured slightly.

The landing gear of a big Air Force tanker collapsed as it made an emergency landing at Idlewild airport in New York. All four propellers were bent, but none of the 16 persons aboard was hurt.

### President Hancher Wins Beauty Kit in Drawing

SUI President Virgil M. Hancher won a Max Factor beauty kit in the drawing for prizes at the annual Pharmacy Prize Prom Friday night at the Iowa Memorial Union. Hancher presented the kit containing dusting powder, cologne and perfume to Mrs. Hancher.

### Guardsmen Ready for Recruiting Day

IOWA CITY NATIONAL GUARDSMEN will demonstrate this 50 caliber machine gun and other guard equipment during the guard open house at the National Guard Armory, 10 a.m. to 4 p.m. today. The open house is being held in conjunction with a nation-wide one day guard enlistment drive. Left to right are: Sgt. Leo Zeithamel; Sgt. Dean Gerard, and 1st Lt. Francis Jeffries, E2, Osage.

### Guard Plans Open House Here Today

The Iowa City National Guard armory will hold an open house today from 10 a.m. to 4 p.m. and stage a parade as part of a nation-wide one-day recruiting drive.

Visitors to the armory will be able to inspect an Air National Guard helicopter which will land near the armory if weather permits.

The one-day drive will focus attention on the voluntary enlistment program of the National Guard.

The Iowa National Guard hopes to bring the strength of its units throughout the state up to 70 per cent of capacity during the one-day drive.

The drive was planned by the National Guard Bureau in Washington, D.C. About 5,500 guard units in the United States, Puerto Rico, Hawaii and Alaska will participate in the drive.

Iowa City is headquarters for the 109th Medical Clearing Team and the 34th Reconnaissance Company.

In order to bring the reconnaissance company up to 70 per cent of total strength, a quota of 24 men have been established by the state adjutant general's office. Quota for the medical team is 29.

Capt. William E. Fischer, reconnaissance company commander,

### Senate Plans Probe Of Tanks to Arabia

WASHINGTON (AP)—Senators Friday night planned an investigation of the Eisenhower administration's abortive shipment of tanks to Saudi Arabia—an episode which angered both sides in the Middle East tinderbox.

President Eisenhower early Friday called off the shipment of 18 Walker Bulldog tanks after Israel and Democratic senators denounced it as upsetting the Middle East military balance.

The call-off order upset the Arabs. The Saudi Arabian Embassy said it was "very surprised" and Ambassador Sheikh Abdullah Al-Kharyal arranged a State Department conference to seek an explanation.

In addition to halting the tanks at a Brooklyn dock, the Eisenhower administration suspended all export permits for arms shipments to the Middle East, and started a review of all such sales.

State Department officials readying their explanations for Congress came up with this picture:

Saudi Arabia agreed June 18, 1951, to let the United States build and operate a forward bomber base at Dhahran.

This is less than 1,000 miles from the Russian border. At the same time the United States agreed to sell Saudi Arabia military equipment and help to modernize her army.

The air base agreement expires next June 17 and negotiations will begin shortly on extending it five more years.

### The Weather

Snow & Colder

The weatherman Friday predicted more snow for the Iowa City area today. Temperatures will sink, with lows in the 20's and highs later today in the 30's.

Skies will continue to be overcast with an unsettled outlook—possibly more snow Sunday.

The Iowa Highway Patrol reported Friday night all highways in this area are normal except in this area are normal.

### Fee Payments Begin Monday

Students in all SUI colleges, departments and schools will begin paying second semester fees Monday in the Office of the Treasurer, University Hall.

Payments can be made from 8:30 a.m. to 12 noon and from 1 p.m. to 5 p.m.

The fee payment schedule is Monday, students with last names beginning A-F, Tuesday, G-L, Wednesday, M-R, and Thursday, S-Z.

The fine for late fee payment on Friday is \$2; a dollar fine is assessed for each day after Friday that fees are not paid.

### Stevenson Says GOP 'Smiles and Smears'

SALT LAKE CITY (AP)—Adlai E. Stevenson Friday night accused the Republican party of conducting a "smile and smear" campaign that is lulling the American people into a false feeling of security.

Stevenson said Vice-President Richard Nixon "is one of the chief Republican hatchmen."

### Why Ike Vetoed the Gas Bill

By WILMOT HERCHER

WASHINGTON (AP)—The natural gas bill died suddenly Friday—killed by a wad of 100 bills and a presidential veto.

With a slap at the "arrogance" and "highly questionable activities" of some supporters of the legislation, President Eisenhower refused to sign it into law.

He said he agreed with the basic objectives of the bill, which would exempt natural gas producers from direct federal regulation.

But he said that to put his signature on it now would "risk creating doubt among the American people concerning the integrity of governmental processes."

The President felt no doubt that he was referring to the \$2,500 campaign contribution—25 \$100 bills in an envelope—offered to Sen. Francis Case (R-S.D.) a few weeks before the Senate voted on the bill.

Case refused the donation, and in a subsequent investigation a special Senate committee traced the money to oil and gas interests favoring passage of the bill. The committee is now trying to decide whether the contribution was offered in an attempt to influence Case's vote.

But at any rate it was clear that the \$2,500 proffered by ardent supporters of the bill had boomeranged and dealt a death blow to the measure, in its present form at least.

Nobody had any belief that Congress would override the veto.

The bill had split party lines wide open in its passage through Congress. On the final Senate tally 31 Republicans and 22 Democrats voted for it, with 14 Republicans and 24 Democrats opposed.

That made the vote 53-38, well short of the two-thirds majority needed to override a veto. The House vote was closer, 209-203.

Mr. Eisenhower's veto message was drafted at his vacation headquarters near Thomasville, Ga., and delivered to the House, where the legislation originated last year.

The President told Congress that since passage of the bill, "a body of evidence has accumulated indicating that private persons, apparently representing only a very small segment of a great and vital industry, have been seeking to further their own interests by highly questionable activities."

"Arrogant" "These," the President went on, "include efforts I deem to be so arrogant and so much in defiance of acceptable standards of propriety as to risk creating doubt among the American people concerning the integrity of governmental processes."

The message reminded Congress that the special committee investigating the Case incident has not yet made its report, and that there has been no word from a federal grand jury which is also looking into the situation.

Another Senate committee is planning a broader inquiry into campaign contributions.

The message said the investigations would not be concluded by midnight today, when the bill would have become law automatically if the President had neither signed it or vetoed it.

"I believe I would not be discharging my own duty were I to approve this legislation before the activities in question have been fully investigated by the Congress and the Department of Justice," the President wrote.

At the same time, Mr. Eisenhower said legislation conforming to the basic objectives of the bill is needed.

Discourage Initiative "It is needed because the type of regulation of producers of natural gas which is required under present law will discourage individual initiative and incentive to explore for and develop new sources of supply," he told Congress.

"In the long run this will limit supplies of gas, which is contrary not only to the national interest but especially to the interest of consumers."

When Sen. Alexander Wiley (R-Wis.) heard the news of President Eisenhower's veto of the gas bill he showed his jubilation by doing a jig as he left the Senate floor. He later obligingly posed the dance for photographers.

### Currier Queen

CURRIER Sweetheart Phyllis Fischer, A4, Elgin, Ill., reigned over the annual Currier Sweetheart formal held in Currier South Dining Room Friday evening. Miss Fischer was chosen by Currier residents for her dormitory and campus activities, beauty, and scholarship.

### Benson Hits 90% of Parity As 'Unwise'

DES MOINES (AP)—The government has an obligation to help farmers out of the trouble that "unwise government policies of the past have put them in," Secretary of Agriculture Ezra Benson said Friday night.

But he said he "cannot and will not" suggest measures such as a return to 90 per cent of parity support prices that "can only get them in deeper."

In remarks made before the National Farm Institute here, Benson said the administration's proposed

#### BARRELS GREET BENSON

Several men and one woman wearing barrels picketed a Des Moines hotel in anticipation of the arrival of Secretary Benson. Benson managed to slip into another entrance. One of the signs carried by the pickets said: "Ezra has farmers over a barrel — wants workers in it."

new farm program would provide relief this year from the current farm price squeeze, if Congress passes it in time.

The secretary said the administration has been moving "aggressively and soundly" to help hog producers, has negotiated sale of 40 million pounds of beef to Israel to aid "our distressed feed cattle situation" and that other programs are being undertaken to strengthen crop prices.

He said surpluses are the nation's No. 1 farm problem today and warned that they must be disposed of to give the farmer any long-range help.

"Now I don't want to be misunderstood," Benson told his audience of more than 500 at a dinner meeting of the institute. "Government does have an obligation to help farmers out of trouble that I think unwise government policies of the past have put them in."

Benson said the administration's proposed farm program, with its soil bank and conservation reserve features, was designed to strike a blow at surpluses.

### Sen. Alexander Wiley He Danced A Jig

15 Men, 4 Women Suggested for City Board of Education

Nineteen persons were suggested for nomination as candidates for the Iowa City Board of Education by a bi-partisan selection committee, at a meeting of the committee Friday.

Fifteen men and four women will be contacted during the week by the persons who suggested them.

Final selection of names to be put on the ballot for the March 12 election will be made when the committee meets again at 7 p.m. Thursday in the City Hall council chamber. There are two positions to be filled.

The committee consisted of 10 Republicans and 10 Democrats.

### Is Planned As World's Biggest Unit

The Atomic Energy Commission Friday authorized the construction of the largest high-energy particle accelerator in the world by the Midwestern Universities Research Association (MURA).

SUI is one of 14 principal members of MURA.

MURA has asked the AEC for \$20 million to finance the building of the atom smasher. Prof. Josef Jauch of the SUI Physics Department said Friday night.

#### Consider 14 Sites

Jauch said a site has not been selected, but that 14 are being considered. He said the construction "should be completed in six to seven years if plans are drawn up immediately."

The output of the proposed atom-smasher, Jauch said, probably would be from 20-30 billion electron volts. A machine now under construction at Geneva, Switzerland, will generate up to about 20 billion electron volts. "We'll top that," Jauch said.

#### Trillion Volts Possible

A University of Michigan physicist, H. R. Crane, said the proposed unit "conceivably could reach an output of a trillion electron volts."

This would be almost 154 times as powerful as the most powerful existing device.

"Operating costs of the entire unit would be about \$1-2 million each year," Jauch said. He said the circular atom smasher probably would be about 150 feet in diameter and about two stories high—one story high above ground and one under ground.

Size of Project He said the unit probably would occupy several city blocks. Space would be needed for the atom smasher, laboratories and offices.

"The unit would be used solely for research to determine the probable stability of movements of particles at high speeds," Jauch said.

The machine would be used to carry forward the research in the "fixed field alternating gradient" developed by MURA, Prof. R. Gerald Kruger of the University of Illinois and president of the group, explained.

The new theory makes it possible to produce for study a larger number of high-energy particles per second, in the proposed machine, than have ever been produced in any existing machine, Kruger said.

The new theory is also being applied to now existing atom-smashers, Kruger said.

MURA has been studying high-energy particle accelerators for the past three years, he said.

"The research will be pure science," he said. "We hope to learn more about the fundamental laws of nature and master the natural forces to turn them to man's use."

"The machine will allow us to study the life, the energy generated and the decay of particles of matter."

Project Director The MURA, which will oversee construction of the machine, is a non-profit corporation composed of 14 midwestern universities.

The MURA is supported by the National Science Foundation and the Office of Naval Research.

Kruger explained that research with ultra-high-energy accelerators is beyond the resources of any one institution and therefore is dependent on Congressional authorization and joint cooperation of the government and major midwestern universities and their scientific manpower.

Objectives "One of the objectives of the research-atom smasher center would be to attract the best physicists from all over the world in a similar center to that of the Institute of Advanced Study at Princeton University and the Brookhaven National Laboratory in Conn., which is operated by the Associated Universities Incorporated. Albert Einstein and J. Robert Oppenheimer have been associated with the Princeton center.

"For the past two years MURA has held monthly conferences at various midwestern universities and has conducted summer sessions which have attracted physi-

## MIT Youth's Body Found; Excessive Hazing Stopped

CAMBRIDGE, Mass. (AP)—The body of Thomas L. Clark, 18, MIT freshman who stepped out of an automobile on a lonely, dark road just a week ago in a fraternity initiation, was found 10 miles away under the ice of Cambridge Reservoir Friday by skin divers.

Three divers of a team of seven that had worked throughout the day in subfreezing temperatures were making a final descent for the day when they saw the body. It had floated up in 25 feet of water just under the ice

in nearby Waltham.

Part of the reservoir is open but large sections of it are covered with ice.

His father, Alfred R. Clark, Harvey, Ill., telephone executive, was not at the scene. He remained at the state police barracks in nearby Concord, virtually convinced his son had perished. He had branded fraternity initiation stunts as criminal.

When he identified one buckskin shoe found on the ice Thursday he expressed the feeling his son had drowned.

The boy was a pledge of Delta Kappa Epsilon.

MIT President James R. Killian Jr., issued a statement after the body was found saying excesses associated with hazings will be eliminated. He said young Clark's fraternity mates were "completely innocent of any conscious negligence."

He added that they too were victims of "long-practiced traditions and procedures which it is now clear cannot be condoned in this institution or any other in dormitories or fraternities."

# Iowa Splits Doubleheader

## Malmen Lose 17-9 Decision To Oklahoma

By TRACY NORRIS

Paced by the awesome wrestling craftsmanship of Dan Hodge, Oklahoma's aggressive grapplers topped Iowa 17-9, Friday night in the SUI Fieldhouse.

Hodge, a 23-year-old veteran of the 1952 U.S. Olympic Team, pinned Gary Kurdelmeier in six minutes, 40 seconds to win his 21st college dual meet bout without a loss.

Last year's NCAA champion at 177 pounds, Hodge also annexed two NAAU wrestling crowns while serving in the Navy.

**Score Tied in 1st Round**  
Kurdelmeier and Hodge emerged from the first period of their 177-pound bout with the score knotted at 0-0, but Hodge took complete control during the second period, and needed only 40 seconds in the final period to pin the Iowa sophomore. It was Kurdelmeier's first loss in six dual meet bouts this season.

Time ran out twice for Iowa's Terry McCann in his 123-pound match with the Sooner's Dick Delgado. McCann had Delgado's shoulders on the mat at the end of the first period, but the horn sounded just in time to save the Sooner grappler.

With time again running out in the third stanza, McCann had Delgado's shoulders on the mat, and referee Fred Stocker's hand was raised to slap the mat to signify a fall, when the whistle ended the match.

### Wins 7th Meet

McCann rolled up a 14-1 point edge in winning his seventh dual meet match of the season, against no defeats. Delgado, an Oklahoma sophomore, was NAAU champion at 114½ pounds in 1955, and had won four straight bouts this season.

Oklahoma's Bobby Lyons, 1955 Big Seven champ and runner-up in the 1955 NCAA meet at 130 pounds, powered his way to a 12-3 decision over Dick Govig, to tie the team score at 3-3.

Leading 4-3, with just seconds left in the match, Iowa's Simon Roberts was a victim of an edge-of-the-mat takedown by Don Hart, and Hart eked out a 6-4 decision, which was received most unfavorably by the partisan Iowa crowd.

### Adds 3 More Points

Don Studebaker added three more points to the Sooner cause in the 147 match as he decided Ray Crocker, 4-1. Oklahoma's Jerry Cross lengthened Oklahoma's team score lead to 12-3 as he won 7-2 over Gary Myers at 157 pounds.

Harlan Jenkinson brought Iowa back into the win column as he decided Bill Kale, 4-1, in the 167-pound bout.

Then the superlative Hodge moved out to display his wrestling wares, and his win via the fall route over Kurdelmeier lengthened the Oklahoma lead to 17-9.

### Ken Leuer Wins

Ken Leuer picked up Iowa's third victory of the evening, winning 9-6 from Oklahoma sophomore Gordon Roessler, in the heavyweight bracket.

Oklahoma now has a season's record of three dual meet wins, no losses, and has twice tied wrestling's perennial powerhouse, Iowa A. and M. The loss gave Iowa a dual meet record of 5 wins and 2 losses.

On the strength of their showing against the strong Hawkeye aggregation, and by virtue of their two draws with the Oklahoma Aggies, the Sooners must be recognized as a powerful contender in the race for the 1956 NCAA grappling crown.

### Leading Threat

And Dan Hodge, their leading threat, seems destined to repeat as a member of the U.S. Olympic squad, which incidentally, will be coached by Iowa's wrestling mentor, Dave McCuskey.

Following Hodge's win over Kurdelmeier Friday night, McCuskey could only shake his head and say, "He's the strongest man in the world."

### SUMMARY

133-lbs. — Terry McCann (I) decided Dick Delgado, U.I., 1-1.  
130-lbs. — Bobby Lyons (O) decided Dick Govig, I-3.  
127-lbs. — Don Hart (O) decided Simon Roberts, 6-1.  
117-lbs. — Don Studebaker (O) decided Ray Crocker, 4-1.  
115-lbs. — Jerry Cross (O) decided Gary Myers, 7-2.  
107-lbs. — Harlan Jenkinson (I) decided Bill Kale, 4-1.  
177-lbs. — Dan Hodge (O) pinned Gary Kurdelmeier, 6:40.  
190-lbs. — Ken Leuer (I) decided Gordon Roessler, 9-6.

### Cage Scores

George Wash, 107, Furman 87  
Oklahoma 99, Kansas 63  
Kent State 74, Miami 73  
Holy Cross 86, Colgate 63  
Brown 67, Columbia 39  
Louisville 39, Dayton 36  
Cornell 99, Iowa Teachers 73  
Grinnell 76, Knox 68  
Upper Iowa 99, Parsons (Iowa) 75  
Iowa 99, Simpson 72  
Westmar 76, Concordia (Neb.) 74  
Iowa Wesleyan 114, Siena Vista 89

IOWA'S TERRY McCANN begins a move against Dick Delgado in the 123-pound bout of Friday night's wrestling meet between Iowa and Oklahoma. McCann went on to pile up a 14-1 decision over Delgado, but Iowa lost its second meet of the season, 17-9, to the Sooners.

IOWA'S JOHN OAKLEY breaks the pace to win the 60-yard dash in :04.5 as the Hawkeye thinclads trounced Marquette, 86-28, for their second indoor victory of the season. Larry Perry of Iowa finished a close second.

## Given 'Bum's Rush,' Says Santee's Lawyer

NEW YORK (AP)—Wes Santee's bitter fight against suspension produced more fireworks Friday when the star miler's attorney said he was given the "bum's rush" at the offices of Dan Ferris, secretary of Amateur Athletic Union.

"It wasn't a bum's rush," Ferris said. The attorney, Charles Grimes, went to the AAU headquarters to demand documents on the formation of the seven-man AAU committee which will review the Santee case here Sunday.

## Nashua Favored in \$129,800 Widener Handicap Today

MIAMI, Fla. (AP)—Nashua, the millionaire race horse, makes his debut as a 4-year-old in today's \$129,800 Widener Handicap at Hialeah and is 1 to 2 favorite to whip eight others in the mile and a quarter feature.

Nashua will carry top weight of 127 pounds, most of it his regular rider, Eddie Arcaro, and will be giving away from 5 to 22 pounds to his rivals — a band of seasoned campaigners.

Chief opposition to Nashua is expected from the powerful entry of Alfred G. Vanderbilt's Social Outcast and Find, rated 7 to 2 in the early line. Social Outcast will carry 121 pounds, including jockey Eric Guerin, while Find goes under 114 pounds, with Ted Atkinson up.

Some observers believe Find will go after Nashua from the start and try to wear down the favorite for one of Social Outcast's stretch runs.

Third choice probably will be Brookmeade Stable's Sailor, under 119 pounds with Willie Hartack, last year's champion jockey, at the iron.  
Next comes Hasty House Farm's double entry of Sea-O-Fawn, who likes the mud, and Prince Noor.

## NAAU Track Indoor Meets Start Today

### Thinclads Win 2d Indoor Meet, 86-28

By FRED MILLER

NEW YORK (AP)—The big one of the indoor track season—the National AAU championships—will be held in Madison Square Garden today and now that the athletes have caught the bug, there's no telling where their record-shattering efforts will end.

Until the New York Athletic Club met last week, the season had been pretty much on the routine side — slightly dull, if you please—because of the absence of Wes Santee in the mile and the ensuing slow times.

**Shatters World Marks**  
But Charlie Jenkins and Parry O'Brien shattered world indoor records in the NYAC meet, and the latter is on record as saying he's ready for the 60-foot indoor shotput. Jenkins, a Villanova junior, has been ogling Mal Whitfield's world indoor 600-yard mark of 1:09.5 all season.

O'Brien is the only human being ever to have the shot 60 feet, but he's never done it indoors. The closest he ever has come to it under a roof was his mighty 59-9 toss last week. He gets the nomination as the most likely to succeed in his effort.

**Unbeaten in 5 Races**  
Jenkins has been unbeaten in five races and a week ago lowered Whitfield's world 500-yard standard to 56.4. Old Mal will be in the race looking to defend his record, but he isn't given much of a chance.

If anyone is to challenge Jenkins, it will be Tom Courtney, late of Fordham, now of the Army. Courtney thinks he can beat Whitfield's record, and well he might. But he probably can't lick Jenkins, so there's just a possibility of two runners smashing one record.

**The Big Man**  
Pitt's Arnie Sowell is the big man in the 1,000, and he'll be challenged by Joe Deady of Washington, who has given up chasing Ron Delany in the mile. The 1,000 seems more suited to Deady. The best he can hope for, though, is to push Sowell, who with Don Gehrmann, is co-holder of the world record of 2:08.2.

They're the three most likely marks to fall, although in this meet anyone might come through.

**Spectacular Race**  
The most spectacular race of the evening was the 440-yard dash, another sweep for the Hawkeyes. Caesar Smith and Tom Ecker were first in a dead heat to become co-holders of the new meet and Iowa record of :49.7. Co-captain Dunsworth finished a close third.

The old Iowa record of :49.8 for the 440 was set by Carl Teufel in 1938, while the meet mark was set by DeReef Greene of Iowa in 1950.

The other sweep of the evening came at the finish of the meet when Phil Leahy, Earl Smith and Joe Camamo placed consecutively in the broad jump. Leahy set a new meet mark of 22' 5" with his first place effort. The record broke the old mark of 22' 2" set by Marcellus Boston of Iowa in 1950.

**Breaks Record**  
Ted Wheeler broke his own Fieldhouse record of 4:15.5 in the mile as he toured the eight laps in 4:14.4. The time also broke the meet record of 4:21.7 set by Jack Davis of Iowa in 1950.

Co-captain Les Stevens set a meet mark of :08.5 and tied his own Fieldhouse and Iowa records in the 70-yard high hurdles. The old meet record of :08.6 was set by Russ Merkel of Iowa in 1950.

Mike Senglaub of Marquette set a meet record of 9:47.2 in the 2-mile run. The old mark of 9:50.5 was set by Marquette's Bob Mason in 1950.

**Exhibition Race**  
Charles (Deacon) Jones, however, unofficially set a Fieldhouse record for the 2-mile running an exhibition race after the meet was over. His time of 9:24.6 clipped 2.4 seconds off the 1929 mark set by David Abbott of Illinois.

Jones, however, is scholastically ineligible for track competition this winter and spring. He had one scholastic deficiency for the first semester.

During the race he was pushed to the record by two freshmen, "mechanical rabbit" pace setters who in turn ran half-mile jaunts. Murray Keatinge sped to 1:58.6 in the half mile to set a new meet record eclipsing the old time of 2:00.5 held by Keith Brown of Iowa.

**SUMMARY**  
1-MILE RUN — 1. Ted Wheeler (I), 4:14.4 (new meet record); 2. Les Stevens (I), 4:21.7 (new meet record); 3. Bill Sowell (M), 4:15.5 (new meet record); 4. Jack Davis (I), 4:21.7 (new meet record); 5. Wheeler, 1932.

60-YARD DASH — 1. John Oakley (I), 49.7 (new meet record); 2. Larry Perry (I), 50.1 (new meet record); 3. Robert Quinn (M), Time — :06.5.

440-YARD RUN — 1. Caesar Smith (I), Tom Ecker (I), 2. Ira Dunsworth (I), Time — :49.7 (new meet record); 3. Phil Leahy (I), 49.8 (new meet record); 4. Earl Smith (I), 50.4 (new meet record); 5. DeReef Greene, Iowa, 1939, new Iowa record; old mark :49.8, Carl Teufel, 1938.

70-YARD HIGH HURDLES — 1. Les Stevens (I), 2. Jack Mathews (I), 3. Robert Thomas (I), Time — :08.5 (new meet record); 4. Russ Merkel, Iowa, 1950; equals Fieldhouse and Iowa record by Stevens in 1950 and 1950.

3-MILE RUN — 1. Mike Senglaub (M), 9:47.2 (new meet record); 2. Wayne Everman (I), 3. Dave Duffett (M), Time — 9:50.5 (new meet record); 4. Bob Mason, Marquette, 1950.

800-YARD RUN — 1. Murray Keatinge (I), 2. Tom Lehmkuhl (M), 3. Mark Lipscomb (M), Time — 2:00.5 (new meet record); 4. Keith Brown, Iowa, 1929.

70-YARD HIGH HURDLES — 1. Jack Mathews (I), 2. Robert Thomas (M), 3. George White (I), Time — :08.6 (new meet record); 4. Earl Smith (I), 1939; 5. Earl Smith (I), 1939; 6. Earl Smith (I), 1939.

SHOT PUT — 1. Dick Deary (I), 45' 11"; 2. Don Bowen (I), 44' 11"; 3. Jim Young (I), 44' 9 3/4".

POLE VAULT — 1. He Gardner Van Dye (I), Nick Piper (I), Mike McGrath (M), Height — 13' 4" (new meet record); 2. Earl Smith (I), 12' 9" (new meet record); 3. Earl Smith (I), 12' 9" (new meet record); 4. Earl Smith (I), 12' 9" (new meet record); 5. Earl Smith (I), 12' 9" (new meet record); 6. Earl Smith (I), 12' 9" (new meet record); 7. Earl Smith (I), 12' 9" (new meet record); 8. Earl Smith (I), 12' 9" (new meet record); 9. Earl Smith (I), 12' 9" (new meet record); 10. Earl Smith (I), 12' 9" (new meet record); 11. Earl Smith (I), 12' 9" (new meet record); 12. Earl Smith (I), 12' 9" (new meet record); 13. Earl Smith (I), 12' 9" (new meet record); 14. Earl Smith (I), 12' 9" (new meet record); 15. # Iowa Splits Doubleheader

## Maimen Lose 17-9 Decision To Oklahoma

By TRACY NORRIS

Paced by the awesome wrestling craftsmanship of Dan Hodge, Oklahoma's aggressive grapplers topped Iowa 17-9, Friday night in the SUI Fieldhouse.

Hodge, a 23-year-old veteran of the 1952 U.S. Olympic Team, pinned Gary Kurdelmeier in six minutes, 40 seconds to win his 21st college dual meet bout without a loss.

Last year's NCAA champion at 177 pounds, Hodge also annexed two NAAU wrestling crowns while serving in the Navy.

### Score Tied in 1st Round

Kurdelmeier and Hodge emerged from the first period of their 177-pound bout with the score knotted at 0-0, but Hodge took complete control during the second period, and needed only 40 seconds in the final period to pin the Iowa sophomore. It was Kurdelmeier's first loss in six dual meet bouts this season.

Time ran out twice for Iowa's Terry McCann in his 123-pound match with the Sooner's Dick Delgado. McCann had Delgado's shoulders on the mat at the end of the first period, but the horn sounded just in time to save the Sooner grappler.

With time again running out in the third stanza, McCann had Delgado's shoulders on the mat, and referee Fred Stoeker's hand was raised to slap the mat to signify a fall, when the whistle ended the match.

### Wins 7th Meet

McCann rolled up a 14-1 point edge in winning his seventh dual meet match of the season, against no defeats. Delgado, an Oklahoma sophomore, was NAAU champion at 114½ pounds in 1955, and had won four straight bouts this season.

Oklahoma's Bobby Lyons, 1955 Big Seven champ and runner-up in the 1955 NCAA meet at 130 pounds, powered his way to a 12-3 decision over Dick Govig, to tie the team score at 3-3.

Leading 4-3, with just seconds left in the match, Iowa's Simon Roberts was a victim of an edge-of-the-mat takedown by Don Hart, and Hart eked out a 6-4 decision, which was received most unfavorably by the partisan Iowa crowd.

### Adds 3 More Points

Don Studebaker added three more points to the Sooner cause in the 147 match as he decided Ray Crocker, 4-1. Oklahoma's Jerry Cross lengthened Oklahoma's team score lead to 12-3 as he won 7-2 over Gary Myers at 157 pounds. Harlan Jenkinson brought Iowa back into the win column as he decided Bill Kale, 4-1, in the 167-pound bout.

Then the superlative Hodge moved out to display his wrestling wares, and his win via the fall route over Kurdelmeier lengthened the Oklahoma lead to 17-9.

### Ken Leuer Wins

Ken Leuer picked up Iowa's third victory of the evening, winning 9-6 from Oklahoma sophomore Gordon Roessler, in the heavyweight bracket.

Oklahoma now has a season's record of three dual meet wins, no losses, and has twice wrestled the perennial powerhouse, Oklahoma A. and M. The loss gave Iowa a dual meet record of 5 wins and 2 losses.

On the strength of their showing against the strong Hawkeye aggregation, and by virtue of their two draws with the Oklahoma Aggies, the Sooners must be recognized as a powerful contender in the race for the 1956 NCAA grappling crown.

### Leading Threat

And Dan Hodge, their leading threat, seems destined to repeat as a member of the U.S. Olympic squad, which incidentally, will be coached by Iowa's wrestling mentor, Dave McCuskey.

Following Hodge's win over Kurdelmeier Friday night, McCuskey could only shake his head and say, "He's the strongest man in the world."

### SUMMARY

133-lbs.—Terry McCann (I) decided Dick Delgado (O), 11-1.  
130-lbs.—Bobby Lyons (O) decided Dick Govig (I), 12-3.  
117-lbs.—Don Hart (O) decided Simon Roberts (I), 6-4.  
147-lbs.—Don Studebaker (O) decided Ray Crocker (O), 4-1.  
157-lbs.—Jerry Cross (O) decided Gary Myers (I), 7-2.  
167-lbs.—Harlan Jenkinson (I) decided Bill Kale (I), 4-1.  
177-lbs.—Dan Hodge (O) pinned Gary Kurdelmeier (I), 6:40.  
190-lbs.—Ken Leuer (I) decided Gordon Roessler (O), 9-6.

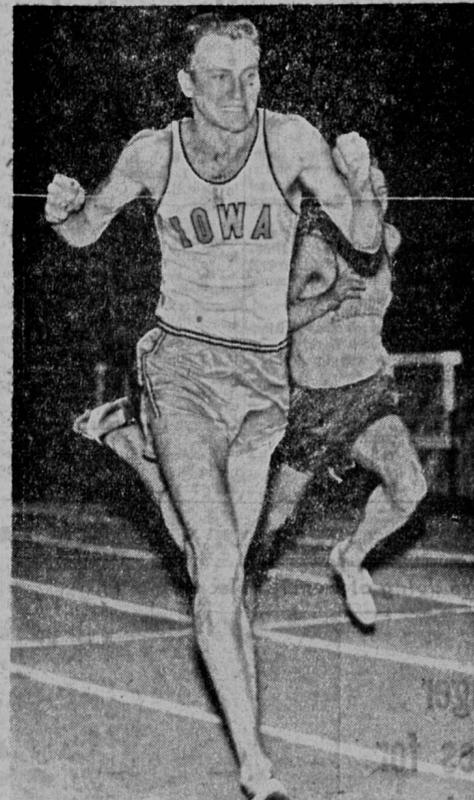

## Cage Scores

George Wash. 107, Furman 87, Oklahoma 89, Kansas 88, Kent State 75, Miami 73, Holy Cross 86, Colgate 63, Brown 67, Columbia 59, Louisville 59, Dayton 64, Cornell 59, Iowa Teachers 73, Grinnell 70, Knox 68, Upper Iowa 88, Parsons (Iowa) 75, Upper Iowa 76, Simpson 75, Westminster 76, Concordia (Neb.) 67, Iowa Wesleyan 115, Brown Vista 89

IOWA'S TERRY McCANN begins a move against Dick Delgado in the 123-pound bout of Friday night's wrestling meet between Iowa and Oklahoma. McCann went on to pile up a 14-1 decision over Delgado, but Iowa lost its second meet of the season, 17-9, to the Sooners.

## and later that night ...

IOWA'S JOHN OAKLEY breaks the tape to win the 60-yard dash in :06.5 as the Hawkeye thinclads trounced Marquette, 86-28, for their second indoor victory of the season. Larry Perry of Iowa finished a close second.

## Given 'Bum's Rush,' Says Santee's Lawyer

NEW YORK (AP)—Wes Santee's bitter fight against suspension produced more fireworks Friday when the star miler's attorney said he was given the "bum's rush" at the offices of Dan Ferris, secretary of Amateur Athletic Union.

"It wasn't a bum's rush," Ferris said.

The attorney, Charles Grimes, went to the AAU headquarters to demand documents on the formation of the seven-man AAU committee which will review the Santee case here Sunday.

## Nashua Favored in \$129,800 Widener Handicap Today

MIAMI, Fla. (AP)—Nashua, the millionaire race horse, makes his debut as a 4-year-old in today's \$129,800 Widener Handicap at Hialeah and is 1 to 2 favorite to whip eight others in the mile and a quarter feature.

Nashua will carry top-weight of 127 pounds, most of it his regular rider, Eddie Arcaro, and will be giving away from 5 to 22 pounds to his rivals — a band of seasoned campaigners.

Chief opposition to Nashua is expected from the powerful entry of Alfred G. Vanderbilt's Social Outcast and Find, rated 7 to 2 in the early line. Social Outcast will carry 121 pounds, including jockey Eric Guerin, while Find goes under 114 pounds, with Ted Atkinson up.

Some observers believe Find will go after Nashua from the start and try to wear down the favorite for one of Social Outcast's stretch runs.

Third choice probably will be Brookmeade Stable's Sailor, under 119 pounds with Willie Hartack, last year's champion jockey, at the iron.

## Thinclads Win 2d Indoor Meet, 86-28

By FRED MILLER

Iowa's track team swept three events and set nine records Friday night as it piled up its second indoor victory of the season by trouncing Marquette, 86-28.

The thinclads lost only the 2-mile run out of the 12 events, and had to settle for a 3-way tie in the pole vault.

Dick Deasy, Don Bower, and Jim Young started the evening rolling with a clean sweep in the shot put. Deasy, co-captain elect of the 1956 Hawkeye football team, hit 45' 11" for first place.

### Spectacular Race

The most spectacular race of the evening was the 440-yard dash, another sweep for the Hawkeyes. Caesar Smith and Tom Ecker were first in a dead heat to become co-holders of the new meet and Iowa record of 49.7. Co-captain Dunsworth finished a close third.

The old Iowa record of :49.8 for the 440 was set by Carl Teufel in 1938, while the meet mark was set by DeReef Greene of Iowa in 1950.

The other sweep of the evening came at the finish of the meet when Phil Leahy, Earl Smith and Joe Camamo placed consecutively in the broad jump. Leahy set a new meet mark of 22' 5" with his first place effort. The record broke the old mark of 22' 2" set by Marcellus Boston of Iowa in 1950.

### Breaks Record

Ted Wheeler broke his own Fieldhouse record of 4:15.5 in the mile as he toured the eight laps in 4:14.4. The time also broke the meet record of 4:21.7 set by Jack Davis of Iowa in 1950.

Co-captain Les Stevens set a meet mark of :08.5 and tied his own Fieldhouse and Iowa records in the 70-yard high hurdles. The old meet record of :08.6 was set by Russ Merkel of Iowa in 1950.

Mike Senglaub of Marquette set a meet record of 9:47.2 in the 2-mile run. The old mark of 9:50.5 was set by Marquette's Bob Mason in 1950.

### Exhibition Race

Charles (Deacon) Jones, however, unofficially set a Fieldhouse record for the 2-mile running an exhibition race after the meet was over. His time of 9:24.6 clipped 2.4 seconds off the 1928 mark set by David Abbott of Illinois.

Jones, however, is scholastically ineligible for track competition this winter and spring. He had one scholastic deficiency for the first semester.

During the race he was pushed to the record by two freshmen "mechanical rabbit" pace setters who in turn ran half-mile jaunts. Murray Keatinge sped to 1:58.6 in the half mile to set a new meet record eclipsing the old time of 2:00.5 held by Keith Brown of Iowa.

### SUMMARY

ONE MILE RUN—1. Ted Wheeler (I), 4:14.4; 2. Jim Marble (M), 3. Bill Soyek (M). Time—4:14.4 (new meet record); old 4:21.7, by Jack Davis, Iowa, 1950; new Fieldhouse mark: old 4:15.5, by Wheeler, 1952.

60-YARD DASH—1. John Oakley (I), 1. Larry Perry (I), 3. Robert Quinn (M). Time—:06.5.

440-YARD RUN—1. Tie: Caesar Smith (I), Tom Ecker (I), 3. Ira Dunsworth (I). Time—:49.7 (new meet record; old mark :51.4, DeReef Greene, Iowa, 1950; new Iowa record; old mark :49.8, Carl Teufel, 1938).

70-YARD HIGH HURDLES—1. Les Stevens (I), 2. Jack Mathews (I), 3. Robert Thomas (M). Time—:08.5 (new meet record; old mark :08.6, Russ Merkel, Iowa, 1950; equals Fieldhouse and Iowa record by Stevens in 1953 and 1950).

3-MILE RUN—1. Mike Senglaub (M), 2. Wayne Everman (I), 3. Dave Duffett (M). Time—9:47.2 (new meet record; old mark 9:50.5, Bob Mason, Marquette, 1950).

800-YARD RUN—1. Murray Keatinge (I), 2. Tom Lehmkuhl (M), 3. Mark Lipscomb (M). Time—1:58.6 (new meet record; old mark 2:00.5, Keith Brown, Iowa, 1950).

70-YARD LOW HURDLES—1. Jack Mathews (I), 2. Robert Thomas (M), 3. George White (I). Time—:08.6 (new meet record; old mark 1:38.6, Jim Young (I) 44' 9 3/4").

SHOT PUT—1. Dick Deasy (I) 45' 11"; 2. Don Bowen (I) 44' 11"; 3. Jim Young (I) 44' 9 3/4".

POLE VAULT—1. He Gardner Van Dyke (I), Nick Piper (I), Mike McGrath (M). Height—13' 4" (new meet record; old mark 12' 3", Roy Potehnik, Marquette, 1948; Bob Karner, Marquette, 1950).

HIGH JUMP—1. Paul Kitch (I) 3' 10"; 2. Les Stevens (I) 3' 8"; 3. Tie: Jim Stracks (M), Bill Sianzeck (M) 3' 6".

BROAD JUMP—1. Phil Leahy (I) 22' 5"; 2. Earl Smith (I) 22' 2"; 3. Joe Camamo (I) 22' 1" (new record; old mark 22' 2", Marcellus Boston, Iowa, 1950).

## NAAU Track Indoor Meets Start Today

NEW YORK (AP)—The big one of the indoor track season—the National AAU championships—will be held in Madison Square Garden today and now that the athletes have caught the bug, there's no telling where their record-shattering efforts will end.

Until the New York Athletic Club met last week, the season had been pretty much on the routine side—slightly dull, if you please—because of the absence of Wes Santee in the mile and the ensuing slow times.

Shatters World Marks

But Charlie Jenkins and Parry O'Brien shattered world indoor records in the NYAC meet, and the latter is on record as saying he's ready for the 60-foot indoor shotput. Jenkins, a Villanova junior, has been ogling Mal Whitfield's world indoor 600-yard mark of 1:09.5 all season.

O'Brien is the only human being ever to heave the shot 60 feet, but he's never done it indoors. The closest he ever has come to it under a roof was his mighty 59.9 toss last week. He gets the nomination as the most likely to succeed in his effort.

### Unbeaten in 5 Races

Jenkins has been unbeaten in five races and a week ago lowered Whitfield's world 500-yard standard to 56.4. Old Mal will be in the race looking to defend his record, but he isn't given much of a chance.

If anyone is to challenge Jenkins, it will be Tom Courtney, late of Fordham, now of the Army. Courtney thinks he can beat Whitfield's record, and well he might. But he probably can't lick Jenkins, so there's just a possibility of two runners smashing one record.

The Big Man

Pitt's Arnie Sowell is the big man in the 1,000, and he'll be challenged by Joe Deady of Washington, who has given up chasing Ron Delany in the mile. The 1,000 seems more suited to Deady. The best he can hope for, though, is to push Sowell, who with Don Gehrmann, is co-holder of the world record of 2:08.2.

They're the three most likely marks to fall, although in this meet anyone might come through.

## Big Ten Title Bound—

# Illini Face Spartans in TV Game

By The Associated Press

For the second straight Saturday, the nation's TV basketball fans will watch Big Ten title-bound Illinois in action against a 30-point individual star.

Ranked No. 3 in the national AP poll, the Illini this time take on Michigan State and its sensational scorer, Julius McCoy, in a televised matinee at East Lansing, Mich., starting at 2 p.m. (CST) via CBS.

If the Illini, seeking their ninth successive Big Ten victory without defeat, put the shackles on McCoy as well as they did on Ohio State's Robin Freeman last Saturday, the triumph is in the bag.

Held to 12 Points

Freeman was held to 12 points

## Baltimore Colts Sign Billy Vessels

NEW YORK (AP)—The Baltimore Colts ended a three-year football "manhunt" Friday when they signed halfback Billy Vessels, former Oklahoma All-America, to a 1956 contract.

Vessels, an explosive outside runner, won the Heisman Trophy as the outstanding college football player of 1952 after gaining 1,000 yards. He was Baltimore's No. 1 choice in the 1953 draft.

But the Cleveland, Okla., speedster cast his lot with Edmonton of the Western Interprovincial Football League.

Vessels, now an Army lieutenant, is due to be discharged in June.

Along with Alan (The Horse) Ameche, 1954 Wisconsin All-America who led the National Football League in ground gaining last season, Vessels could give the Colts an "inside-outside" combination that could cause trouble for rival teams.

## Hawks vs. Badgers, In Sell-Out Contest

Paul Brechler and Terry McCann Present Iowa AAU Award

### Wrestler McCann Wins Award

During a special intermission at the Iowa-Oklahoma wrestling meet Friday night, Iowa's Terry McCann was awarded a plaque presented by the Iowa Amateur Athletic Union.

SUI Athletic Director Paul Brechler presented the plaque to McCann, and read the citation, which the Iowa AAU awarded to McCann as the "Outstanding Iowa Athlete of 1955."

Unbeaten in seven dual meets this season, McCann last year won the National Collegiate wrestling title at 115 pounds, and won 10 of 11 dual meets during the season.

Prior to the presentation, McCann decided former AAU champ Dick Delgado, 14-1, in the opening bout of the Oklahoma-Iowa meet, which Oklahoma won, 17-9.

Iowa's basketball team, seeking its ninth consecutive victory, plays host Saturday to a Wisconsin team that could easily be a first division conference club.

All reserved tickets have been sold for the Big Ten contest which starts at 7:30 p.m. A crowd of near 15,000 is expected.

The Badgers are tied for ninth place with a 3-6 record. However, Iowa Coach Bucky O'Connor considers them to be much better than their record shows.

Loss by 4 Points

Statistics bear him out. Wisconsin has lost three conference games by an average margin of four points. The Badgers' recent improvement enabled them to beat Indiana, 69-67 at Bloomington Monday.

About two weeks ago Wisconsin fell to the Hawkeyes, 78-74, at Madison. Iowa won by coming from behind in the last eight minutes, then holding a three to five point lead the rest of the game.

Iowa's defense, tops in the conference, will be tested by Bob Litzow, Curt Mueller and Dick Miller—all of whom O'Connor labels as "dangerous at all times." Miller ranks third in the Big Ten individual scoring race with a 21-point average.

Hit 21 Against Hawkeyes

Mueller hit for 21 points against the Hawks in their first meeting while teammate Litzow also sank eight field goals.

Iowa's "Big Three" scorers are Bill Logan (16.6 point average), Bill Seaberg (13.6) and Carl Cain (12.8). Logan followed by Cain and Bill Schoof lead the Hawkeyes in rebounds.

Both teams have recorded near-identical percentage marks in field goal shooting—Iowa .374 and Wisconsin .373.

Payne May Play

Coach O'Connor disclosed Thursday that forward Tom Payne, of Quincy, Ill., who injured his ankle Wednesday in practice, will probably suit up for the Badger game. Results of x-rays Thursday showed no fractured bones.

"It wasn't as bad as we had expected," O'Connor said. "Payne even worked out Thursday in practice briefly."

The Hawkeyes leave Sunday for Bloomington for a Monday night engagement with Indiana. On March 5 the Hoosiers close out Iowa's schedule at Iowa City in a return game.

Jenkins Wins 4th Consecutive World Figure Skating Title

GARMISCH-PARTENKIRCHEN, Germany (AP)—Olympic and world champion Hayes Alan Jenkins skated and danced his swan song in international competition Friday night to win his fourth consecutive world figure skating title.

The quiet and intense student from Colorado College put on a near perfect free skating performance.

His great competitor, Ronnie Robertson of Long Beach, Calif., followed him with a more spectacular but far less artistic five minutes on the ice.

Robertson actually outscored Jenkins in the free figures, but the defending champion's lead which he built up Thursday in school figures, easily saw him through to the title again.

Meanwhile Tenley Albright of Newton Center, Mass., also a world and Olympic champion, barely held the lead over her rival, Carol Heiss of Ozone Park, N.Y., after the completion of four school figures in the women's competition.

# U-High Soars, 90-45, In Tourney Warm-Up

By GEORGE WINE

University High unlimbered for its sectional tournament engagement next week in a big way Friday night, smashing Solon, 90-45, to break a school scoring record.

Largely responsible for the eye-opening final tally were a pair of red hot guards who at times seemed to be using radar as a shooting eye.

Bill Brechler and Jim Scott simply crushed a hapless Solon defense as they scored 61 points between them.

Brechler finished the evening with 32 points and Scott was right on his heels with 29. Both boys played about three quarters of the game.

Besides being outstanding contributors in point production, they also helped out with a pair of outstanding all-around games. Brechler was giving Solon fits with his ball stealing antics, and when Scott wasn't making a basket himself, he was setting up a teammate for an easy score.

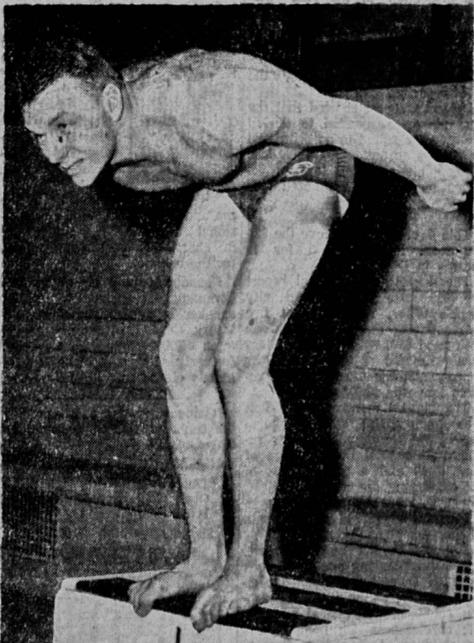

U-High's final total of 90 breaks the old mark of 87, set against Mt. Vernon this year.

This was the first Bluehawk court appearance since Feb. 3, but the two week lay-off seemed to have little effect on the team.

Excessive fouling by both clubs caused the game to get a little ragged in spots, and before it was over, four Spartans went to the bench with five personals.

The big game of the season comes up next Tuesday when the Bluehawks meet City High in the sectional tournament.

If the Solon game is any indication, City High may be in for an uncomfortable evening.

MICHIGAN STATE'S LARRY ELLIS gets set to take on Iowa's Jim Coles in the 100-yard freestyle as the two teams clash today at 2 p.m. It will be the last home appearance for the Hawkeyes, who are boasting an undefeated season.

## Hawk Swimmers, Gymnasts In Home, Road Meets Today

Four Hawkeye swimmers will put in their final appearance before the home crowd today as the undefeated tank team takes on a powerful sophomore contention from Michigan State at 2 p.m.

The swim team travels to Purdue and Indiana next weekend for its two final dual meets of the season. Glenn Johnston, Jim McCullough, Dennis Roberson and Bob Reed, the seniors, will be aiming, with the other team members, to overcome one of the biggest hurdles in dual swimming competition. Michigan State has a 4-2 conference record with losses to Indiana and Ohio State.

**Armbruster Comments**  
Iowa Coach Dave Armbruster said Friday the team is looking for its first undefeated dual season in history and Michigan State "is one of our two big hurdles."

Johnston will assume his position with the record-breaking medley relay team, while McCullough, who earned his letter in Monday's meet, will compete in diving.

Roberson and Reed, two top-notch sprinters, will probably see action, but Armbruster would not say where in the lineup they will be used.

**Have Met Before**  
Michigan State and Iowa battled to the last event earlier this season, and Iowa won the relay and the meet. The Iowa coach commented that today's meet may be as close or closer.

Top individual performance of the day will be a match race between Jim Coles of Iowa and Larry Ellis of Michigan State in the 100-yard freestyle. Coles, a sophomore, is undefeated in the 100, while Ellis carries victories over Ohio State and Michigan, while gaining a third against Indiana last weekend.

**Challenge Coles**  
Ellis and Ken Gest will challenge Coles in the 50-yard freestyle and second in the event, while Ellis won the races in which Gest placed second.

Michigan State will have a one-two punch in the 200-yard breaststroke, and Jake Quick, who he record holder, and Paul Reinke, a close second behind Duedeck.

Lincoln Hurring, Hawkeye captain, is undefeated in the backstroke, and Jack Quick, who became eligible this semester, is undefeated in diving.

**Undefeated Quartet**  
The Hawkeye speed quartet is undefeated and will be matched against Michigan State's 400-yard freestyle relay for the final event. State's team suffered one loss, that to Ohio State.

Sherm Nelson was declared scholastically eligible Friday by the athletic department. He had previously been declared ineligible, but made up his deficient work. Nelson swam the backstroke behind Hurring the first semester, but Armbruster has not decided how to use Nelson, who can also swim the 440-yard freestyle and individual medley.

A 10-man gymnastics squad headed for Minneapolis Friday night to take part in the North West So-

ciety meet and to hold a dual meet with Minnesota tonight at the same time.

It was previously arranged so that Minnesota, Nebraska and Iowa could compete in two dual meets Friday night, but by request from Iowa Coach Dick Holzaepfel, this arrangement was changed.

The North West Society meet is one of the oldest gymnastics meets in the country. Holzaepfel explained Friday. His 1954 team, composed largely of freshmen, won the meet. The 1955 team was unable to compete because of conflicts.

**Baillie Stays Home**  
Iowa Captain Sam Baillie, consistent first place point winner, did not make the trip because of his injury. Baillie broke his ankle following a dismount from the flying rings against Illinois one week ago. He was released from the hospital Wednesday and will walk with the aid of crutches for some time, Holzaepfel said.

Instead of strength from one person (Baillie), Coach Holzaepfel will call upon all his men for team balance to win both meets. Chief competitor is Staffen Carlsson with his performances in free exercises, on the horizontal bar and parallel bars and in tumbling.

## Iowa Cadet Gets Award

A freshman cadet, inquiring about try-outs for the Iowa rifle team, was pressed into service for the Coe College-Iowa competition and d came away from the meet as high scorer on the Iowa team.

The cadet, Wilber J. Matthes, El, Iowa City, was awarded the Expert Freshman Small Bore Rifle Medal for attaining a score of 365 out of a possible 400. This award was presented by Col. James A. Scott, professor of Military Science and Tactics, at a ceremony in the Armory Friday afternoon.

At the Coe meet, Matthes replaced a sick team member. As a result of his performance, he received his award.

**Hawkeye Varsity Rifle Team Meets Illini Today**

The Iowa Varsity Rifle Team will compete in the Illinois Invitational Rifle Match at the University of Illinois today.

Members of the Iowa team are: James Bell, A3, Tipton; Thomas E. Carson, A3, Britt; James Herteen, A2, Iowa City; Dick Maurer, E2, Iowa City; and David Glidden, A2, Logan.

**MANAGES BOXERS**  
Boxers Johnny Holman, Bobby Boyd and Luther Rawlings are managed by Bernie Glickman, Chicago industrialist.

**STRIKEOUT RECORD**  
Brooklyn Dodger pitcher Carl Erskine holds the World Series strikeout record. He fanned 14 Yankees in the 1953 Series.

## SUI Music Groups at State Meeting

Four SUI music groups will appear on the regional convention program of the Music Teachers National Association (MTNA) in Des Moines between Sunday and Tuesday.

"If Men Played Cards as Women Do," a satiric short opera with text by playwright George S. Kaufman and music by Charles Garland, will be given under the direction of Prof. Herald I. Stark Sunday.

The 96-member SUI Symphony Orchestra will present a concert at a general session Monday under the direction of James Dixon. The SUI faculty woodwind quintet will play a composition by Anthony Donato Sunday afternoon, and the SUI faculty string quartet will present a number by Richard Hergov of the SUI faculty on a music forum of contemporary chamber music Tuesday morning. Donato is a professor of composition at Northwestern University.

John Simms, head of the piano area in the SUI Music Department, and Ilsa Niemann, violinist on the Iowa State College faculty, will give a sonata recital at a general session of the convention Saturday evening. They will present Beethoven's "Sonata in C Minor," and sonatas for violin and piano by Bloch and Quincy Porter.

**Chamber Music**  
Robert Chaoman, lecturer in music at SUI, will play a piano sonata by Cecil Effinger of the University of Colorado faculty on a Tuesday morning chamber music program.

Appearing in "If Men Played Cards as Women Do" will be Wade Raridon, G, Iowa City; and Robert Davis, G, Cedar Rapids; Richard Fulton, A3, Leon; and Calvin Hedegaard, A4, Humboldt.

Garland, composer of the chamber opera, who received a Ph.D. degree from SUI, is now head of theory and music composition at the University of Missouri. Eleanor Sears, A4, Williamsburg, and Patricia Eash, A2, Wellman, will play the piano accompaniment for the opera.

**Premiere**  
The orchestra concert Monday afternoon will include the premiere performance of "Trio-Concertino for Orchestra and Solo Instruments" by Prof. Richard Hergov of the SUI Music Department. SUI Music Department faculty members who will be soloists for the composition are Stuart Canin, violin; Thomas Ayres, clarinet; and Paul Anderson, French horn; and Ronald Tyree, bassoon.

Members of the faculty woodwind quartet are Betty Bang, flute; Robert Humiston, oboe; Thomas Ayres, clarinet; and Paul Anderson, French horn; and Ronald Tyree, bassoon.

String quartet members are Professor Canin and John Ferrell, violins; Claude Carlson, viola; and Hans Koebel, violoncello.

## Purim Party Set For Hillel House

Hillel Foundation will have a Purim masquerade party from 9 to 12 p.m. Saturday at Hillel House.

Costumes may be worn and dancing will be to the music of Dick Tucker. Cost will be 50 cents a person.

Purim is a Jewish feast honoring the victory of the Jews of Persia over the Persian king Ahasuerus and his minister Haman, with the help of the king's wife Esther who was a Jewess.

The name Purim is derived from the Persian word pur which means "lot." It is translated as "feast of lots."

Co-chairmen of the Hillel party are Elliott Gelman, A2, Richmond Heights, Mo., and JoAnn Joseph, N2, Des Moines.

A seismometer is an instrument that records and measures the movements of the ground during an earthquake.

## Wanted: Missing Magazines

By VIC GEORGE

Like any good missing persons detective, the SUI Library acquisitions department head has issued a plea for public assistance in finding the lost and strayed.

Unlike the detective, however, the library is seeking missing magazines rather than people. In the course of gathering magazines to be sent to the bindery, library personnel find approximately 475 issues of various magazines from the popular, general type to technical and educational publications missing.

To save time in getting the volumes back on the shelves, Carl Jackson, acquisitions department head, has made the plea for assistance to students, faculty members and others who may have copies of the needed magazines and are willing to give them to the library. Eventually the library may be able to obtain copies of the missing

publications either through specialized businesses handling back issues or the publishers, but delay hinders the process, Jackson said.

In addition, the cost for a 35 cent magazine may run as high as two dollars for a back issue with more specialized publications costing as much as \$7.50, Jackson stated. The library has already used \$462.14 of the \$500 budgeted for this purpose for the fiscal year.

For the list of presently needed issues, Jackson has chosen the following which he thinks may be available locally through the general public: College English (December, 1954); Harvard Business Review (January-February, 1955); House and Garden (March, 1955); Iowa Alumni Review (April, August, 1951; December, 1952; February, April, 1953; February, April, August, 1954); Look (Feb. 14, 1950;

Feb. 14, May 22, 1951; Aug. 14, 1953; all January and February issues, 1954); Readers Digest (January, May, June, July, September, October, 1955) and United Nations Review (March, 1955).

Anyone having any of these issues and willing to donate them to the library may do so by bringing them to the main circulation desk.

### WHOSE GOT THE BUNNY?

PARSONS, Kan. (AP) — Hunter Delmar Bay saw two rabbits start up, bagged one, and then turned his attention to the second bunny. Suddenly a car stopped, its driver darted out, snatched the dead rabbit and roared off. While Bay, astonished, watched the theft, Bunny No. 2 scampered off, leaving him with nothing besides indignation.

## Little Hawks Lose, 67-57

(By Special Correspondent)  
CLINTON — The Iowa City Little Hawks were unable to revenge an early season loss to the Clinton River Kings Friday night and were defeated, 67-57.

Earlier this season the Little Hawks were beaten by a basket in the last few seconds of their game with Clinton at Iowa City.

In the first quarter, Clinton's Sproat put the Hawks to rest far behind that they were never able to close the gap during the remainder of the game.

**Sproat Stars**  
Sproat scored 16 points in the first quarter to put the River Kings in front by 26-15 at the end of that period. The Clinton center scored 10 points in the second quarter to run his point total to 26 at the end of the first half.

Towards the end of the first half, Iowa City's Luper hit two field goals and McGuire hit one basket and a free throw to close the gap to 40-34 at halftime. This was as close as the Hawks came to gaining the lead from the River Kings.

**Effective Job**  
In the second half the Little Hawks did an effective job of holding Clinton's Sproat down, as he was able to score only five more points giving him a total of 31 for the evening.

Iowa City was behind by nine points at one time during the fourth quarter, but the River Kings went into a modified stall to run the clock out and win by 10 points.

**WHOSE GOT THE BUNNY?**  
PARSONS, Kan. (AP) — Hunter Delmar Bay saw two rabbits start up, bagged one, and then turned his attention to the second bunny. Suddenly a car stopped, its driver darted out, snatched the dead rabbit and roared off. While Bay, astonished, watched the theft, Bunny No. 2 scampered off, leaving him with nothing besides indignation.

# Reds' Goal Is 'Thought,' SUI Professor Says

The basic concept of Communist government is that the state is the most important thing and the individual counts only as he contributes to the state, Yi-Pao Mei, professor of Oriental studies, told a student group at Hille House Friday night.

"When Communistic rule takes over a country, it is not merely agreement in action, but also agreement in thought that they seek," Mei said.

The "brainwashing" of the Communist people is accomplished by re-learning camps. Mei said. The thinking people — professors, students and educated men — are sent to these camps which are maintained by Communist party members.

These men are given the "opportunity" to confess their wrongs, Mei explained. The men write "confessions" of the faults of their education and background. If the "confessions" are not complete enough to satisfy the Communist leaders, accusation meetings are held. In these meetings, friends and relatives of a man testify about his faults, he explained.

Mei told of a friend, a university president, whose only daughter testified against him in an accusation meeting. "In China there is no alternative," Mei said. "You agree."

# Quartet To Play at Post-Game Party

The Bob Watson Quartet will play for the Union Board-sponsored post-game party tonight at 9:30. The party, usually held in the Main Lounge of the Iowa Memorial Union, is being held in the River Room for the first time.

Colored lights, tables and candlelight will carry out the cabaret theme of the party. Refreshments will be served.

# Doctor Sees Cold Cure in 5 Years

NEW YORK (AP)—A cure or preventive for the common cold ought to come soon, maybe within five years, Dr. John S. Dingle, Western Reserve School of Medicine, predicted Friday.

A drug to control colds would have to strike at the virus or viruses causing colds, he said. Present wonder drugs do not hit viruses.

# A-Smasher—

(Continued from page 1)

cists from all parts of the U.S. as well as from abroad," Kruger explained.

SUI President Virgil Hancher was named as one of the MURA board of directors at the last meeting, Feb. 7. Hancher, E. T. Joliffe, SUI business manager, and Prof. James A. Jacobs of the SUI Physics Department represent SUI in the group.

# Schools in MURA

The 14 schools in MURA are SUI, Iowa State College, Michigan State University, Ohio State University, Purdue University, University of Illinois, and Indiana University.

University of Michigan, University of Minnesota, University of Wisconsin, University of Chicago, Northwestern University, University of Notre Dame, and Washington University of St. Louis.

# Guard—

(Continued from page 1)

said the Iowa City unit will recruit physically qualified men between 17 and 18 who have their parents' permission to join. Physical examinations for recruits will be given at the armory by members of the medical clearing team.

An eight vehicle parade, including tanks, personnel carriers and trucks, will weave through Iowa City starting at 9 a.m. this morning. A tank will be parked in front of Alden's, 118 S. Clinton, during the day.

Following the parade, military equipment, including medical supplies, communications gear and machine guns will be on display for public inspection at the Iowa City armory.

Capt. Barton Brown, medical unit commander, said visitors will be able to see surgical and other types of medical equipment that compose field hospital units.

Fischer reported that visitors will be able to see workings of tanks, trucks and personnel carriers.

# Martin Ends Trip

Sen. Thomas Martin (R-Ia.) Thursday concluded a 2-day tour at Corning of the Adams county area to get "first-hand knowledge" of the farm situation.

# PEO MEMBERS

Unaffiliated PEO members will meet at 7:30 p.m. Tuesday at the home of Mrs. Stephen Darling, 431 S. Summit St. Interested members who have not been contacted may call Mrs. S. Lyle Duncan at 4655.

# SUI Ground Observers

THREE MEMBERS OF THE SUI Ground Observer Corps watch the sky over Iowa City for planes. At their post on the top of East Hall are left to right: Gary Spurgeon, Al Perry; Dave Kaus, Al Ackley, and Russ Bartels, Al Lytton.

# Billy Mitchell Group Mans Observer Post

By LARRY SIRINSKY

"That there might never be another Pearl Harbor," the SUI Billy Mitchell squadron has helped man the Iowa City ground observer post since December.

The squadron started handling weekend operations when it learned the post might be discontinued if it was not manned 24 hours a week. About 24 men work at the post each Saturday, with two men working two hour shifts. The work is done on a strictly voluntary basis.

# Located at East Hall

Iowa City's ground observer post is located on the seventh floor of East Hall. The government maintains the post by supplying pamphlets and a long distance telephone.

The job of the Billy Mitchell volunteers who man the post is to watch for any aircraft that pass overhead. When a plane is spotted, a filter center in Des Moines is contacted by phone. The filter center then checks reports of the Civil Aeronautics Administration to see if the plane is on a regularly scheduled flight.

If it is not, the center contacts the nearest Aircraft Control and Warning Unit. Should this be an unidentified plane, a Fighter Interceptor Squadron is notified to intercept the aircraft.

# Need Binoculars

Any plane flying at up to 30,000 feet altitude can be viewed on a clear day by the naked eye, W. Terry Shinkle, A3, Sioux City, said. The squadron hopes, however, to obtain high-power binoculars in the near future, he added.

Shinkle said that since the time the project was initiated, about one-third of the total Billy Mitchell squadron have volunteered their services. This is about 40 men.

The amount of volunteers is also on the upswing. Shinkle is confident there will continue to be enough volunteers to keep the post going for its 24 hour a week requirement.

# Men Rewarded

Those men who put in a lot of time at the post are rewarded by trips to the various links along the continental air defense chain.

Today, 10 members of the Billy Mitchell squadron will make a trip to Waverly, which maintains the nearest Aircraft Control and Warning Unit.

The last trip of this type was made on Feb. 4. On that date, 11 men observed the operation in Waverly.

In the near future, a trip to Des Moines will be planned, thus enabling volunteers to observe first hand the operation of the filter center.

# 7 More Deaths; Traffic Toll 98

Iowa motor vehicle accidents Thursday night and Friday morning claimed the lives of seven persons. Four youths were killed in a car-truck crash near Glenwood.

Table with 2 columns: Iowa Motor Vehicle Deaths, Feb. 17, 1956 (98), Feb. 17, 1955 (70)

These deaths brought the number of fatalities in such accidents to 98 so far this year, compared with 70 for the same period a year ago.

# Outstanding Farmer

Iowa's Outstanding Young Farmer will be announced at Oelwein Feb. 26, at the state Junior Chamber of Commerce banquet.

Outstanding young farmer candidates, chosen by approximately 60 Jaycee chapters in the state, will be present.

Featured speaker will be Sen. Bourke Hickenlooper.

# Judge Dies

Police Judge Elmo E. McCormick, 47, died unexpectedly at his Fort Dodge home Friday evening.

Judge McCormick had returned home Thursday from the hospital where he had been taken Jan. 28 after being stricken while presiding in court.

# Charge Oelwein Boys

Two 14-year-old Oelwein boys Friday were charged with malicious injury in connection with an estimated \$1,500 damage done to the Fayette County Conservation Club here Feb. 4.

# 11th Careers Conference To Start Tuesday

By BILL KNOWLER

The eleventh annual Business Careers Conference will begin at 8:30 Tuesday morning in both the Senate and House Chambers of Old Capitol.

The event is sponsored by the Collegiate Chamber of Commerce, a student organization of the SUI College of Commerce. The conference will last through Wednesday afternoon.

About 33 businessmen and women will be on campus to speak to students, each on his particular specialty.

# All Students Invited

Though the speakers will deal primarily with careers for College of Commerce graduates-to-be, all students are invited to attend. Some commerce classes will be dismissed during the conference, and some commerce students will be excused from all classes.

Students planning to attend some or all conference sessions should contact instructors regarding class attendance for the two days, conference chairman Martin English, C3, Des Moines, said.

Luncheon will be held at noon both days in the Iowa Memorial Union River Room. Speaker at Tuesday's luncheon will be Prof. Paul R. Olson, head of the Department of Economics. Wednesday's lunch speaker will be Associate Prof. George S. Peck, acting head of the Department of General Business.

# Ad Opportunities

One of the highlight speakers of the conference will be the owner and president of a New York advertising agency, J. M. Hickerson. He will address students on the opportunities in the agency advertising field. Hickerson is an SUI alumnus, and at present has twin daughters attending SUI. Hickerson's brother, Loren L. Hickerson, is executive secretary of the SUI alumni association.

Another SUI alumnus who will speak is John E. Phillips, '47 president of Daughdrill's Inc., a Fort Madison furniture firm. He will speak on credit and collections.

A 1915 SUI graduate, Emmerson E. Cooper, will outline a career in the insurance business. Cooper is

# Conference Program

3:30 p.m. House Chamber, Old Capitol. Subject: Agency Advertising. Speaker: J. M. Hickerson, president, J. M. Hickerson Inc. Advertising, New York. Session chairman: Bill Norton, C4, Mechanicsville.

# University Briefs

CONCERT POSTPONED—A concert by the SUI Chorus scheduled for Wednesday evening has been cancelled to permit more extensive preparations for the group's Easter week concert. Prof. Herald I. Stark, of the SUI Music Department and director of the group, explained. Dimitri Mitropoulos, director of the New York Philharmonic Orchestra, will be a guest conductor of the group for presentation of "Belshazzar's Feast," a contemporary oratorio by William Walton.

PROFESSOR SPEAKS — Prof. Wendell Johnson of the SUI Speech Pathology Department has returned from speaking at the Illinois State Research Hospital, Galesburg, Ill., and the Society for Exceptional Children, St. Louis, Mo.

Men Rewarded — Those men who put in a lot of time at the post are rewarded by trips to the various links along the continental air defense chain.

Today, 10 members of the Billy Mitchell squadron will make a trip to Waverly, which maintains the nearest Aircraft Control and Warning Unit.

The last trip of this type was made on Feb. 4. On that date, 11 men observed the operation in Waverly.

In the near future, a trip to Des Moines will be planned, thus enabling volunteers to observe first hand the operation of the filter center.

These deaths brought the number of fatalities in such accidents to 98 so far this year, compared with 70 for the same period a year ago.

Outstanding young farmer candidates, chosen by approximately 60 Jaycee chapters in the state, will be present.

Featured speaker will be Sen. Bourke Hickenlooper.

Judge McCormick had returned home Thursday from the hospital where he had been taken Jan. 28 after being stricken while presiding in court.

Two 14-year-old Oelwein boys Friday were charged with malicious injury in connection with an estimated \$1,500 damage done to the Fayette County Conservation Club here Feb. 4.

J. M. Hickerson Conference Speaker

E. E. Cooper To Speak Tuesday

in his 31st year in the home office of Equitable Life Insurance Company of Iowa. At present he is agency assistant vice-president.

Insurance Jobs — George A. Harper, assistant vice-president of Bankers Life Company, will speak on opportunities in the insurance home office. Harper has been associated with Bankers Life since 1926.

Public accounting will be the subject of R. J. Samson, personnel director of Arthur Young & Co., Kansas City, Mo. Samson graduated from Simpson College, Indianola, in 1936, and later from the Harvard University Graduate School of Business Administration.

G. P. Karle Jr., assistant advertising manager of Fort Madison's W. A. Sheaffer Pen Company, will address students who are interested in industrial advertising. Karle has been with Sheaffer since 1949 and has been in its advertising department since 1953. He graduated from Northwestern University.

Traffic Management — An expert in traffic management, Robert H. Lorenz, will also speak. Lorenz is general traffic manager of the Marathon Corp., Menasha, Wis. Before joining Marathon, he worked in the traffic departments of two Chicago food firms. Lorenz is also a Northwestern alumnus.

Market research for Maytag, will give students an insight into sales analysis, pricing, consumer and dealer research.

The superintendent of the Procter & Gamble drug products plant under construction in Iowa City, Robert D. Marsden, will also address the conference. Marsden has been connected with P&G since 1945. In 1947 he was named industrial engineer to the company's first drug products plant in Cincinnati. He is an engineering physics graduate of Lehigh University.

See the conference programs for the complete list of speakers and rooms in which they will speak.

# 5 ROTC Cadets Get Promotions

Five cadets of the Senior Division Army ROTC have been promoted from Cadet Sergeant to Cadet 1st Lieutenant.

The men are: Norman H. Foster, A3, Woodstock, N.Y.; Alan A. Gillberg, A3, Chicago, Ill.; James G. Milani, L1, Centerville; Paul E. Pentony, E3, Sioux City; and Fred C. Wilson, A3, Colesburg. All are Military Science seniors.

The promotions were announced by Col. James A. Scott, professor of Military Science and Tactics.

# Cigarettes Caused 10 Fires in 1955

"The city from a fire hazard standpoint is in pretty fair shape," reported Fire Chief Al Dolezal in his monthly report filed Friday.

Dolezal reported that the first fire inspection of the year was completed during January. Inspections were made of 476 buildings, he said. Most of the 492 recommendations made concerning fire hazards were "minor in nature," the chief reported.

Dolezal's report showed that the nine alarms responded to during the month resulted in an estimated \$9,700 loss on buildings, \$3,400 loss on contents and \$262 loss on vehicles for a total estimated loss of \$13,362.

Fire Loss Up — This figure is way above the \$2,932 total loss reported for 12 alarms in December.

The department's annual report for 1955, also on file in the city clerk's office, revealed that fire losses during the year totaled an estimated \$386,876.46. Building loss was estimated at \$312,828.93; loss to contents was \$70,474.86 and vehicle loss was \$3,572.67.

The biggest month for fire loss was January, 1955, when the burning of the Community Center resulted in a total building loss of \$286,369.45 and a content loss of \$50,435 during the month.

123 Alarms — Firemen responded to 123 alarms during the year.

Dolezal, in his annual report, listed the following causes of fires in 1955: Defective heating—12; cigarettes—10; chimney—12; grass—29; rubbish—9; electrical wiring—27; carelessness—30; incinerator—1; children playing with fire—4; miscellaneous—16, and unknown—6.

In automobiles, fires were caused by: Cigarettes—3; wiring—7; faulty motor—3; brakes—3; miscellaneous—6, and unknown—2.

There were fires in 95 buildings and 25 vehicles throughout 1955. All other fires during the year totaled 63, the report showed.

DID DOGS RUN OUT? — ALBUQUERQUE (AP)—Homer Aury, owner of the New Mexico Dog Food Co., had bad luck and a little unfavorable publicity for his business when he reported to police that his Dalmatian dogs had disappeared from his home.

# Advertising Week Planned

Advertising Recognition Week, which starts Sunday, will be observed locally at a banquet in the River Room of the Iowa Memorial Union, at 7 p.m., Thursday. Advertising executive Earle Ludgin, of Chicago, will be the speaker.

Theme for the 1956 observance, sponsored nationally by the Advertising Federation of America, the U.S. Chamber of Commerce and the Advertising Association of the West, is, "Advertising Helps You To Live Better For Less."

LUDGIN — Alpha Delta Sigma and Gamma Alpha Chi, professional advertising fraternities, are in charge of local arrangements for the banquet.

Founder of the Earle Ludgin and Company advertising agency, the speaker is a member of the Advisory Council, American Association of Advertising Agencies and formerly served as the Association's chairman.

Michigan produces nearly half the timber marketed in the Great Lakes states.

MEALS PROVIDED — VANCOUVER, B.C. (AP)—An important Vancouver husband was assured of getting his breakfast on time for six months, at least. He was sentenced for that time in Oakalla Prison for beating his wife with a frying pan when she was slow in getting his morning meal.
