## Report France Sent Israel Jet Fighters

PARIS (AP)—France has begun delivery of 12 Mystere jet interceptors to Israel with tacit U.S. consent, reliable sources said Friday. There was no official confirmation or denial.

Unofficial sources reported some of the jets already had passed through Rome.

France, Britain and the United States have been hoping to head off an armament race in the explosive Middle East by trying to cut off all arms shipments.

Egypt has got Iron Curtain arms from Czechoslovakia and Russia since last summer and upset a balance the West had hoped to maintain.

France contracted to supply the Mysteres, the standard French air force fighter plane, before the Western agreement.

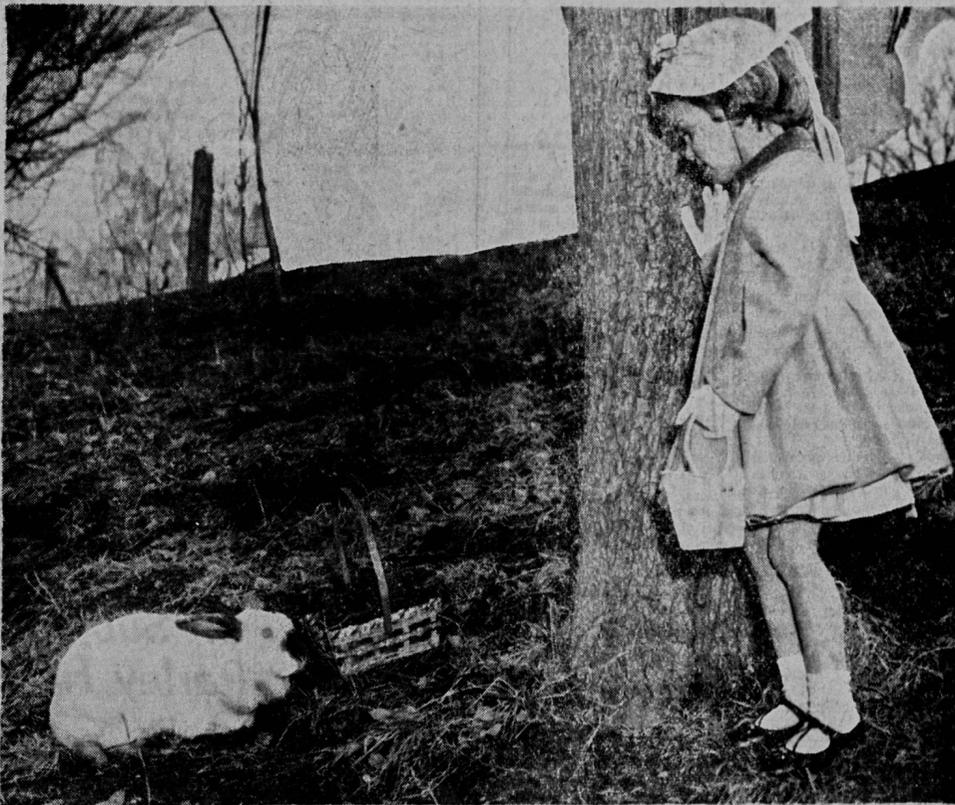

Deliveries had been delayed while France sought to work out a common policy with Britain and the United States on such shipments in the light of the Red arms shipments to Egypt.

A series of three-power meetings in Washington failed to produce any clear-cut stand.

Experts estimate the entire Israeli intercept force at fewer than 40 planes.

The Egyptians are reported to be receiving 200 Russian MIG-15 fighters and 60 Russian Ilyushin twin-jet bombers.

## There's That Well-Known Bunny!

3-YEAR-OLD MARY TRUE dressed up in her Easter finery Friday to go looking for that bunny. And she found him making his rounds.

But it looks as if this round must be done, because all the eggs are gone from Mr. Bunny's basket and Mary looks a bit downcast . . .

## French Repel Rebel Attack

ALGIERS, Algeria (AP)—French forces pressed their intense anti-guerrilla operations throughout Algeria Friday, but there was a promise of relief from attacks by rebellious tribesmen in neighboring Morocco.

French sources said 65 Algerian nationalist rebels had been killed within 24 hours in a wide-spread campaign.

The biggest clash occurred near Akbou, in the mountainous Constantine area. Eighteen rebels were killed there and another was wounded. The French forces reported no losses on their side.

Several smaller bands of rebels were ambushed in an area extending 50 miles around Constantine. They left a total of 23 dead on the ground. A French soldier was killed in one of the clashes, near Bir Chouchen.

In the Oran area, a violent clash resulted in the death of four French soldiers and injuries to five others.

In Morocco, 30 young chieftains of the outlaw "liberation army" knelt before Sultan Mohammed ben Youssef and promised to lay down their arms. He called them "my faithful and loyal subjects."

## Two Children Crushed After Tractor Overturn

WASHINGTON, Ind. (AP)—Two children riding on a tractor operated by their father were crushed to death Friday when it went over an embankment at their grandfather's farm near here.

Eugene Wilson, 11, and his sister, Marilyn, 8, were pinned under the tractor. Their father, Elmer Wilson, was thrown clear but suffered a shoulder injury.

## Stealing for Easter

Little New York Girl Has Her Easter Basket, But Brother Faces Court Hearing

By ARTHUR W. EVERETT

LYNBROOK, N.Y. (AP)—In the heart of a boy, the dividing line between right and wrong is tenuous at best. And love is an emotion that can befuddle the judgment of even the wisest of men.

Thus it is that a little 7-year-old Long Island girl will mark this Easter without the gay basket her big brother so wanted her to have.

The basket cost \$3.50. It was filled with jelly beans and candy eggs.

The 14-year-old brother knew his sister coveted the basket. He wanted it for her. But he had no money. So the boy stole a purse from Mrs. Blanche Gillespie Thursday. In it was \$30. The youngster went directly to the candy shop and bought the basket.

But he had \$26.50 left and he was afraid to go home with that tell-tale fortune. So he tried to give dollar bills to passersby on the street. Nobody wanted his money.

Next the boy bought \$2.50 worth of hamburgers and tried to give them away. Inevitably, suspicions were aroused. Police were called.

Meanwhile, Mrs. Gillespie had reported the theft of her purse. It was easy for the police to put two and two together and Mrs. Gillespie clinched it with her identification of the lad. The boy, whose name police withheld, faces a Children's Court hearing April 11.

But Mrs. Gillespie said she won't press charges. "He seemed to want to do good with the money," she reasoned.

## Rain-Soaked Pilgrims Plod Christ's Path

JERUSALEM, Jordan Sector (AP)—Pilgrims from many lands plodded through rain, sleet and snow Friday in a processional march along the path Christ took away from his trial to Calvary.

Massive crosses led the way through flagstoned streets.

The Good Friday procession, dotted with umbrellas, wound between two hills on the Way of the Cross inside the walls of Old Jerusalem.

### Smallest in Years

In numbers it was the smallest in years. Hundreds had been frightened away by talk of the possibility of an immediate outbreak of a second Arab-Israeli war.

On one hill, inside the courtyard of a Moslem high school, is the first station of the Cross—the spot where Christ was tried before Pilate. On the other hill, across a valley, is Calvary and scenes of Christ's crucifixion and burial.

### View of Calvary

From the tower on one hill it is possible to look across to the summit of the other. Ancient traditions say Pilate selected Calvary as the place of Christ's execution so that he could watch from a tower window.

In Pilate's day executions took place outside the city wall.

Organized in groups according to language, the pilgrims stopped at the 14 stations of the Cross. A sermon was preached at each station in the language of the group, relating the incidents which occurred on the way.

### History and Arms

The pilgrims looked at a city which combines historical and religious sites and shrines with modern military defense.

The ancient wall which formed an important part of the background story of Christ is manned by Arab Legionnaires ever on the alert against attack from the Israeli troops within sight across 100 yards of No Man's Land.

Although the population tends to discount the likelihood of an immediate outbreak of the Arab-Israeli war, emergency measures have been planned and heavy stone basements of medieval buildings figure in the plans as potential air raid shelters.

## Ike in Church

WASHINGTON (AP)—The President and Mrs. Eisenhower attended Good Friday services at the National Presbyterian Church Friday as Washington prepared to observe Easter.

Eight clergymen took part in the union service.

## Pope Pius Blesses Thousands in Rome

VATICAN CITY (AP)—Thousands made solemn pilgrimage to St. Peter's on Good Friday for services commemorating Christ's death on the cross.

Tenebrae services were held Friday morning.

Pope Pius XII, 80-year-old head of the Roman Catholic Church, appeared at his apartment window at noon to bless pilgrims, Romans and tourists gathered in St. Peter's Square.

## Bach Says Peace, Understanding Near

DES MOINES (AP)—The world is on the threshold of spiritual understanding that can lead to an era of lasting peace, Prof. Marcus Bach of SUI said in a Good Friday talk here.

Bach, associate director of the SUI School of Religion, spoke to the Greater Des Moines Chamber of Commerce.

"All this old world needs in order to transmute distrust and prejudice into trust and faith is spiritual understanding — to recognize that we're all pilgrims on the way," Bach said.

"And I don't think the world has ever been quite so close to catching this goal or so ready for it as it is today," he added.

Bach is an authority on contemporary religious movements. He has traveled widely and returned only 10 days ago from a 3-month research field trip to India.

## And He Brought Me a Great Big One!

... BUT HE MUST HAVE COME BACK LATER because Mary has a big Easter egg and an even bigger smile to show for her hunt, and Mr. Rabbit is probably on his way to visit a lot of other little boys and girls. Mary is the daughter of Mr. and Mrs. G. H. True, G. 709 Clark, Iowa City.

## Mr. Rabbit at White House

WASHINGTON (AP)—With Easter practically here you may be glad to learn that Mr. Rabbit has come to the White House. By an odd coincidence, Mr. Rabbit's nickname is "Ike."

The Navy Bureau of Aeronautics has loaned Alton E. Rabbitt of Bethesda, Md., to the White House as a part time adviser on keeping President Eisenhower's putting green in good shape.

"He comes over once in a while," the White House press office said. "Rabbitt, a grass expert, functions as a sort of consulting specialist. He looks over the grass behind the White House and recommends any treatment needed."

White House groundskeepers do the actual work. The putting green was given to Mr. Eisenhower in 1954 by the U.S. Golf Assn.

## Kefauver Won by 59,000 in Minn.

ST. PAUL, Minn. (AP)—Sen. Estes Kefauver (D-Tenn.) defeated Adlai Stevenson in the March 20 Minnesota presidential primary by 59,162 votes, a check of duplicate copies of official vote records showed Friday.

Kefauver received 245,885 votes and Stevenson 186,723. The Tennessee senator carried 81 of the state's 87 counties.

# Milk Blockaders Cut Off Detroit; Dump Truckloads

## Rule Military Courts Can Try Civilians

WASHINGTON (AP)—The Court of Military Appeals Friday declared the armed services have power to try civilians working for them at overseas posts.

The court thus carried one step further a previous affirmative ruling in the controversy over whether "camp followers" are subject to court-martial.

It held American court-martials "far better" than trial by a foreign court, which it said would be the only practical alternative.

### Life for Murder

Several months ago the court, high tribunal for the armed forces, ruled the Army had jurisdiction to try Mrs. Dorothy Krueger Smith in Japan. Mrs. Smith, daughter of an Army general, was sentenced to life in prison for the slaying of her husband.

A federal judge has since agreed with the military appeals court that as a dependent accompanying her husband abroad, Mrs. Smith could be tried by court-martial.

Another federal judge has approved the section of the 1950 Uniform Code of Military Justice covering jurisdiction over civilians. But a third has taken the opposite view in an Army murder case.

### To Supreme Court

The whole question appears certain to reach the Supreme Court, whose previous decision in the case of ex-Air Force Sgt. Robert Toth set off the present dispute over military vs. civilian jurisdiction.

The Air Force tried to prosecute Toth in connection with the killing of a South Korean after Toth had been honorably discharged and returned to his home in Pittsburgh, Pa. The Supreme Court ruled former servicemen cannot be tried by the military for crimes allegedly committed while they were in uniform.

That decision was limited to ex-servicemen, the Court of Military Appeals said Friday.

### Uphold Conviction

The court upheld the court-martial conviction of Charles F. Burney, a technician for Phico Television & Radio Corp. formerly stationed at Johnson Air Force Base, Japan.

Burney was fined \$750, in lieu of a 12-month sentence, for assault with a dangerous weapon in the shooting of John L. Clark, a fellow civilian technician, Dec. 29, 1954. Clark was seriously wounded when hit by a bullet from a revolver held by Burney in a version of "Russian roulette."

## Work Late On Farm Bill

WASHINGTON (AP)—A Senate-House conference committee Friday night authorized a \$1,700,000,000 program for election-year benefit to farmers.

Working late to complete most details of a controversial omnibus farm bill, the group approved the soil bank payment proposals about as they had cleared the Senate.

Another \$500 million was authorized for special price-supporting programs for pork and other perishable commodities outside the regular support programs.

The final action Friday night stamped approval on payments of up to \$750 million annually for the next four years for farmers who agree to replant a part of their allotted acreage for basic crops now in surplus.

The conference group approved broad powers for Benson in setting up the conservative reserve phase of the soil bank, with \$450 million of annual payments proposed for the next 10 years.

Sen. Allen Ellender said work on the compromise bill probably could not be completed until late next week.

## The Weather

Fair

and

Warmer

There's a possibility scattered showers may dampen some Easter parades in Iowa Sunday, but it will be relatively mild with the mercury reaching the 40's northwest and 50's southeast.

Meanwhile, the state's weather will continue to moderate as a warm southerly flow of air spreads through Iowa today.

Today's high will be in the high 50's or low 60's. The high Friday will be in the 60's.

A low pressure disturbance now day was 39.

Over the Rockies is expected to spread over this area tonight, bringing showers to western Iowa then and over the state Sunday.

There were a few snow flurries in the northeast Friday, but it was sunny elsewhere as temperatures ranged from the mid-30's northeast to the low 50's southwest. Spencer had the early morning low of 15.

## D.M. Pastor Is Acquitted Of Murder

DES MOINES (AP)—The Rev. Seymour Gaines, 36, pastor of the Union Baptist Church here, was found innocent of murder Friday by a jury in Polk County District Court.

He was accused of the fatal shooting of Johnnie Brown, 47, on Jan. 15 at a neighborhood drugstore which the minister operates.

The Rev. Mr. Gaines pleaded self-defense. He testified Brown had threatened to kill him in the belief he had interfered in Brown's domestic difficulties.

The state contended the minister acted deliberately by walking into an expected dispute and that Brown was unarmed.

After the verdict was returned Gaines interrupted the final routine court proceedings to thank and bless members of the jury.

He then prayed orally before the crowded courtroom, asking blessings for his attorneys and those of the prosecution.

When asked if he intends to conduct Easter services at his church Sunday, the minister said: "I'll be there."

## Gas-Turbine Auto Finishes Test Run

LOS ANGELES (AP)—Chrysler's gas-turbine powered sedan ended its coast-to-coast run at City Hall Friday, attracting hundreds of curious citizens with the low whine of its engine. It averaged 14 miles per gallon on the trip.

The car is a standard Plymouth model, except for the power plant. Engineers said the motor is 200 pounds lighter than a comparable gasoline engine. It has 80 per cent fewer parts, requires no radiator, transmission, cooling fan, or carburetor, and has only one spark plug, which is used for starting only.

The car is propelled by a jet of hot gases blasting against fan blades of a turbine. The jet stream spins the turbine up to 50,000 revolutions per minute.

### RAISE FOR TEACHERS

STORM LAKE (AP)—The Board of Education has approved a pay raise averaging \$316 for the next school year for Storm Lake teachers, principals, administrators and secretaries.

## Demand Hike In Wholesale Price of Milk

DETROIT (AP)—Detroit's gigantic milk supply of more than two million quarts daily was cut by 60 per cent Friday as angry upstate farmers blockaded incoming tank trucks and dumped thousands of gallons.

Gov. G. Mennen Williams called a meeting here for today among all organizations involved and ordered Detroit health commissioner, Dr. Joseph Molner, to "take all necessary steps to obtain an emergency supply for persons vitally in need of milk."

Dr. Molner said, "The situation gets worse by the moment, but we expect the crisis to hit over the weekend. By that time, the amount of milk available could be nil."

### Farmers Rebel

The strike erupted from a fuss within the 12,600-member Michigan Milk Producers Assn. A rebelling group of farmers, calling themselves the Fair Shares Bargaining Assn., started the strike Monday. They said they were fed up with the MMPA's progress in gaining higher prices.

Two days later the MMPA issued an ultimatum to the dairies, saying it had to have more money by Sunday or it, too, would strike.

The MMPA, which normally supplies 85 per cent of the city's milk asked for an increase to \$5 per hundredweight of milk instead of the present \$4.41.

Twenty-six of the 62 dairies in the metropolitan Detroit area fell into line with the \$5 price Friday night. But Fair Shares members said the deal was "just a bone tossed to the dog."

### Ask \$6.50

The Fair Shares group has been demanding \$6.50 for a hundredweight which contains 46½ quarts. Friday night, Fair Shares leaders said two small dairies in suburban Richmond and Mt. Clemens had signed to pay \$6.

Home Martin, adviser to the Fair Shares group, said five Detroit dairies would also sign for \$6 "before daybreak."

These outbreaks of violence took place Friday:

1. Stalking farmers stopped a Detroit-bound milk truck on U.S. 16 about 30 miles northwest of Detroit and dumped 3,500 gallons of milk valued at \$1,350, puncturing the driver's tires afterward. The driver was not harmed.

2. Some 200 pickets at the Ebling creamery depot at Grass Lake hemmed in a local dairyman's milk truck, opening the spigots and drained his 500 gallons of milk on the ground. An official at the depot leveled a hot water hose on the strikers and ordered them from the property, but they remained.

3. Two carloads of pickets intercepted a tanker on U.S. 16 near Brighton, northwest of Detroit, took the driver's keys and drained 1,000 gallons before state police arrived.

### Dairies Involved

Major dairies involved are Twin Pines, Borden, Wilson, United, Detroit Creamery and Risdon. They process two-thirds of Detroit's supply.

A spokesman for the dairies said the increase to \$5 would add a penny and a half to the retail price of a quart while the \$6.50 demand would boost a quart 4½ cents. Milk now retails for about 22 cents in stores, 23 delivered.

## GM Lays Off 1000 Men In Production Shake-up

FLINT, Mich. (AP)—The Buick Division of General Motors Friday laid off 1,000 workers indefinitely.

Another 18,500 in four other GM plants here were told to take Friday off without pay.

The company said all of the layoffs were "for readjustment of production schedules."

# Gas Blast Destroys House in Des Moines

Two people were injured in Des Moines Friday when a gas explosion ripped apart their 8-room house.

Mrs. Louise Cavanaugh, 87, and her son Thomas, 35, were taken to Broadlawn General Hospital and treated for cuts and minor burns.

Fire Capt. William Carberry said the explosion was caused by a gas leak somewhere in the house.

It Happened In IOWA (Compiled from AP Dispatches)

## Questions Meat Scheme

Herschel C. Loveless, Democratic candidate for the nomination for governor, questioned Friday night in Ottumwa the necessity of a producer-financed meat promotion scheme.

Speaking before a farm-labor meeting, Loveless said, "It's going to be interesting to see the reaction of the Iowa farmer to the suggestion that he lose an additional 10 cents a head on livestock to provide advertising for the meat industry."

## Youths Admit Breakins

Four Oden youths, ranging in age from 14 to 16, have admitted five breakins in Boone County, Sheriff Steve Beaulieu said Friday.

The sheriff said the boys admitted taking cameras, jewelry and money from the farm homes of Arnold and Norman Sprecker.

## Loss of \$118,000

The Veterans Memorial Auditorium in Des Moines suffered an operational loss of \$118,614 during its first year of operation.

The figure was disclosed Friday after a private accounting of the auditorium's 11-month operation during 1955.

## Plan School Parley Here

The kind of classroom which most helps students to learn will be the subject of a statewide conference at SUI April 23-24.

The State Department of Public Instruction, sponsors of the Conferences on School Planning for Use of Instructional Materials, has invited school architects and engineers, board of education members, school administrators, and audio-visual education directors to participate.

## Work Load Data

Data to help determine the work load of district court judges in Iowa was sent Friday from Des Moines.

Clarence A. Kading, Iowa's first judicial department statistician, said the material is designed to determine the volume and location of judicial business in Iowa.

## Chamber Music

Chamber music compositions selected are "String Quartet" by Page C. Long, Lima, O.; "Sonata for Clarinet and Piano" by Clyde E. Johnson, Fennimore, Wis.; "Piano Sonata (Fuschl Am See)" by Ulltan; "Three Pieces for Trumpet and Piano" by J. Robert Hanson, Osakis, Minn.; and "A Brass Trio" by Ostransky. Fuschl Am See is the name of a town near Salzburg, Austria, where Ulltan started work on his sonata while touring Europe last summer.

## Pick Music to Represent SUI At Symposium

Five chamber music compositions and two selections for orchestra written by SUI graduate students in music have been selected by a faculty committee for presentation at the annual Midwest Student Composers Symposium May 18-20 at the University of Illinois.

The orchestra members are "Sinfonia" from cantata "The Man with a Hoe" by Lloyd Ulltan, Bay-side, L. I., N. Y., and "Symphony, First Movement" by Leroy Ostransky, Tacoma, Wash. "The Man with the Hoe" is based on the poem of the same name by Edwin Markham.

## Chapman, 18, Hurt In Auto Mishap

Clyde Chapman, 18, 141 1/2 W. Burlington St., was reported in excellent condition Friday at University Hospitals, after suffering a cerebral concussion when the car he was driving skidded and overturned after he turned onto the U.S. 218 detour five miles north of North Liberty.

Two passengers in the car, David Weidner, 18, R.R. 7, and Delbert Keefer, 18, 817 Iowa Ave., suffered only minor cuts.

Highway Patrolman J. A. Bertram, who investigated the accident, said that the car crashed into a 4-foot ditch on the west side of the road, when Chapman, Southbound, tried to regain control of the car after it skidded on the detour's loose gravel.

Bertram filed a reckless driving charge against Chapman.

## Stories Screened For AP Contest

For the fifth successive year, the Iowa Associated Press Newswriting Contest has undergone preliminary judging by a faculty member of the SUI School of Journalism.

Instructor Edgar Crane has screened the papers and selected the preliminary winners from a total of 68 entries from 13 Iowa AP members and the Des Moines AP Bureau.

The final judging will be done by the University of Missouri School of Journalism.

## Funeral Home Files Suit After Casket Falls Apart

MINNEAPOLIS (AP)—The Krauth Funeral Home filed a \$25,000 suit against the Minneapolis Casket Company Friday, claiming the bottom fell out of a casket as it was being lowered into a grave.

The complaint said the incident caused shock and grief to the mourners and humiliation to the funeral home.

## Supervisors Award Supplies Contracts

The following contracts have been approved by the Johnson County board of supervisors:

For furnishing 420 gallons of weed spray — Barco Chemical Co., Des Moines; \$2,013.90.

For providing maintainer tires—Olderger Tires Service, Davenport.

For the season's supply of gas—Skelly Oil Co., Kansas City, Mo.

## Dr. Huston To Speak To Medical Society

Dr. Paul E. Huston, head of psychiatry in the SUI College of Medicine, will speak Wednesday at a meeting of the Johnson County Medical Society.

His topic is: "The Use of New Drugs in Psychiatry." The meeting will be at 6 p.m. at the Mayflower Inn.

## LUCKY DROODLES! PURR-FECTLY HILARIOUS!

WHAT'S THIS? For solution see paragraph below.

**IT'S TOASTED** to taste better!

**YOU'RE ON THE RIGHT TRACK** when you light up a Lucky, because Luckies taste better. Only fine tobacco—naturally good-tasting tobacco that's TOASTED to taste better—can give you taste like this. All of which goes to explain the Droodle above: Light-up time in caboose, as seen by halted motorist. Switch to Luckies yourself. You'll say they're the best-tasting cigarette you ever smoked.

### BLONDIE

BLONDIE I'VE FORGOTTEN AGAIN—WHAT IS THE COLOR OF MY TOOTHBRUSH?

POPS IS RED RED

YOUR TOOTHBRUSH IS RED DEAR

EVERY TIME WE GET NEW TOOTHBRUSHES AROUND HERE, WE GO THRU THE SAME THING

By CHIC YOUNG

SORRY DEAR WE JUST REMEMBERED YOURS IS THE GREEN ONE

### BEEBLE BAILEY

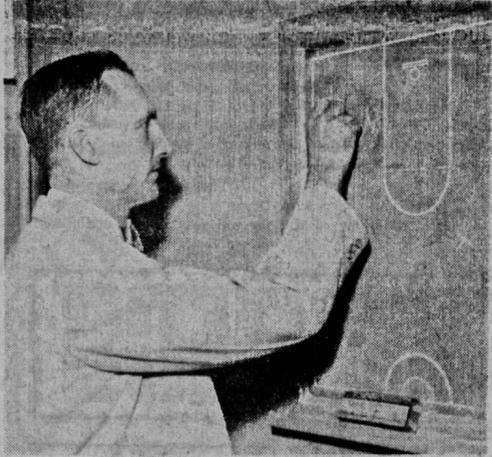

WHAT A SHOW! JUST BEFORE THE CURTAIN GOES DOWN, HE FINDS THIS BEAUTIFUL GIRL!

HE TAKES HER IN HIS ARMS— SHE STRUGGLES—

YEAH! YEAH! THEN WHAT HAPPENED?

TWO USHERS CAME DOWN AND THREW HIM OUT!

By MORT WALKER

DICK HARP POSES at a play diagramming board in his office shortly after the State Board of Regents announced he had been elevated to head basketball coach at the University of Kansas, succeeding Phog Allen. Allen, 70, will officially retire June 30.

## Allen's Request Turned Down; Harp to Coach Kansas Team

LAWRENCE, Kan. (AP) — The State Board of Regents Friday turned down Dr. Forrest C. (Phog) Allen's request to waive a retirement rule and permit him to coach the Kansas University basketball team again next year.

Friday's action, which becomes effective July 1, followed a recommendation of the school's Athletic Board that Allen's request for another season as coach past the mandatory 70-year retirement age be denied.

## Tells of McCoy's Ties with Cohen

LOS ANGELES (AP) — Matchmaker Babe McCoy's past and present life, including associations with Frankie Carbo and Mickey Cohen, came under fire again Friday before the governor's committee investigating boxing in California.

McCoy testified that at one time he had a share as a booking agent earned "maybe as much as \$100,000 in commissions over a five-year period. Carnera was once world's heavyweight champion.

## Boxing Arena Is Robbed Of \$26,000

LOS ANGELES (AP) — Olympic Auditorium, scene of a bomb scare Thursday night, was robbed of more than \$26,000 Friday by thugs who also knocked the owner's stepson unconscious.

The robbery occurred while officials were attending a session of the governor's boxing committee, whose chief target has been the Olympic's boxing matchmaker, Babe McCoy, accused as a fixer of fights.

## Get Fight Money

He said the theft included \$20,024 in receipts from Thursday night's Jimmy Carter-Don Jordan fight.

## Jumps Bail

Cox charged that after the second case McCoy jumped \$5,000 bail and it was forfeited.

## Bomb Scare

"Get me a police car," she cried out. Then, addressing committee counsel James Cox, she added: "You and your lousy boxing investigation have caused this."

## Movie Star

HOLLYWOOD (AP) — Football's Ronnie Knox is going to become Hollywood's Ronnie Knox.

## Talbot Services Set

TAMPA, Fla. (AP) — Funeral services for Gayle Talbot, Associated Press sports columnist who died Thursday night of a heart attack, were tentatively set for Monday afternoon at the Fairchild Funeral Home in Manassas, N. Y.

## Intended To Play Pro Basketball - 5 Olympic Cagers Ineligible

NEW YORK (AP) — Five members of the East-West College All-Star basketball squads were declared ineligible for amateur competition by the Amateur Athletic Union Friday.

of the AAU, said the five have announced their intention of playing professional ball although they have not yet turned pro.

All five are slated to appear with the College All-Stars against the Harlem Globetrotters in a cross-country tour opening here Sunday.

### Announced Their Intention

Dan Ferris, secretary-treasurer

## Sports Briefs

**NAMED COACH**—Fred Stevens, athletic director and coach at Kalamazoo State High School, has been named assistant freshman football coach at Western Michigan College.

**\$146,200 PURSE** — Golf promoter George S. May Friday announced a combined cash prize of \$146,200 for his Tam O'Shanter double-header this summer.

**LAKERS LOSE MONEY** — The president of the Minneapolis Lakers Friday said the National Basketball Association club lost about \$80,000 during the past two seasons but has no intention of moving to another city.

**EDITOR DIES** — Henry V. King, 73, racing editor of the New York Sun from 1923 to 1950, died Friday at Jamaica Hospital.

**JONES DISCHARGED** — Willie Jones, Philadelphia Phil's third baseman who was benched Tuesday in an exhibition baseball game, was discharged from the hospital Friday.

**ROSE FINED** — Mauri Rose of Ferndale, Mich., who three times was flagged in as winner of the Indianapolis 50-mile auto race, was fined \$100 and costs in city court.

**BATTING HELMETS?** — The American League, at the request of the New York Yankees, is taking a vote to decide whether the wearing of batting helmets shall be made mandatory.

**Left and Right Field**  
At the moment Irvin, hard hitting stalwart of the New York Giants and still a field artist, big Sauer and rookie Walter Morym have played satisfactorily in left and right fields.

**Had 6 Catchers**  
The Cubs had six catchers in the camp but the job probably belongs to Harry Chitt, Hobie Landrith, and if no one else qualifies, Veteran Clyde McCullough as No. 3.

**Had 3 Catchers**  
The Cubs had three catchers in the camp but the job probably belongs to Harry Chitt, Hobie Landrith, and if no one else qualifies, Veteran Clyde McCullough as No. 3.

## Cubs Send Sauer To Cards for Cash And Whisenant

ST. PETERSBURG, Fla. (AP) — The St. Louis Cardinals, long in search of a right-handed power hitter, Friday sent Pete Whisenant and cash to the Chicago Cubs for veteran Hank Sauer.

**Whisenant, 27, hit only .191 with St. Louis in 58 games last season. The amount of cash involved in the deal was not disclosed.**

of the AAU, said the five have announced their intention of playing professional ball although they have not yet turned pro.

All five are slated to appear with the College All-Stars against the Harlem Globetrotters in a cross-country tour opening here Sunday.

The 14 college seniors who will bid next week for places on the 1956 Olympic team comprise the greater part of the two squads.

The members of the college Olympic squad have been evenly divided between the two teams, under the direction of Olympic Coach Bucky O'Connor of Iowa.

After today's game, the Olympic candidates will go to Kansas City, where they will compete against the top two teams in the recent National AAU Tournament and an armed forces team in the Olympic tryouts April 24.

There are indications that one group of collegians that has been playing as a unit for the West likely will start in the Olympic trials.

These five, equally strong on offense and defense, are San Francisco's All-America center Bill Russell, Willie Naulls of UCLA, and Carl Cain of Iowa at forwards, and K. C. Jones of San Francisco and Paul Judson of Illinois at guards.

The East squad includes Bob Burrow of Kentucky.

## Hack Says Cubs Will Hit First Division

MESA, Ariz. (AP) — The Chicago Cubs were drifting off the playing field late one afternoon after having blown a game to the New York Giants, and a visitor from the Windy City intoned in something less than elegant grammar:

"They got nothin'. Not nothin'." Which is one way of looking at the Cubs' prospects, as some others around the Cactus Circuit do.

But it does not reflect the no less expert opinion of others, including Stanley Hack, the never-say-die skipper of the club.

"Once we get going," predicted Hack, "I honestly believe we'll make it into the first division. We only missed it by 4½ games last year, and I think we are definitely stronger this year."

**Capable Pitchers**  
The aggressive Mr. Hack firmly believes he has five capable, if not outstanding, pitchers for starting roles. He thinks he has the finest defensive infield in the National League, and he is satisfied with his catching.

He is concerned, of course, with the outfield as a whole — defensively as well as for the big hit. Centerfield seems to be the major problem.

At the moment Irvin, hard hitting stalwart of the New York Giants and still a field artist, big Sauer and rookie Walter Morym have played satisfactorily in left and right fields.

And Solly Drake, perhaps the fastest man in the league, seems to have the inside track on centerfield. Drake one spring ago was a sensation. Then he broke his leg.

The leg is all right, but it remains to be seen if he can play major league ball over a season.

As things stand now, it will be Fondy, Gene Baker at second and Don Hoak at third.

The relief pitching department includes the reliable Jim Davis and possibly two draftees from the Cubs' Los Angeles Angels — Turk Lown and Jim Brosnan.

## Sports Scores

**COLLEGE BASEBALL**  
Tulane 4, Vanderbilt 3  
Florida 7-16, Kentucky 1-5  
Missouri 7, Oklahoma A & M 3

Tennessee 13, Auburn 4  
FLORIDA STATE INVITATIONAL  
Illinois 9, W. Virginia 4

## Iowa Track Team Defeats Arizona

TUCSON, Ariz. — Iowa's track and field forces defeated the University of Arizona, 70-61, Thursday night, winning nine first places and tying for another.

The Iowa mile relay team set a new stadium record of 3:16.6 in the night's outstanding performance. Les Stevens of Iowa won the high jump at 6-8½ and the 220-yard low hurdles in 21.3.

## Tennis Team Finishes 3rd In Tourney

ST. LOUIS, Mo. — Iowa's tennis team managed only one second place and two thirds Friday to finish third in the doubles division of a 4-team tournament here Friday.

The Hawks finished behind Washington University and Purdue, while bettering the performance of Minnesota.

Hawkeyes finished second to Washington in singles play Thursday.

The meet was played on an elimination basis with each of the four schools entering three doubles teams. Matches were won by the first to win 12 games, instead of the usual match-play scoring by sets.

Andrews and Bjurstrom beat Harold Swanson and Curt Rohrer (Minnesota) 12-5, then lost to Wally Gundlach and Steve Schneider (Washington) 12-10.

Dick Hood and Gary Anderson of Iowa lost 12-6 to Gus Pfeiffer and Don Pfeiffer (Washington). They salvaged a third place by topping Warren Olsen and Paul Herman (Minnesota) 12-3.

In the No. 3 doubles, Jim McCullough and Stan Jones of Iowa lost to Charles Seibert and Bob Duesler (Purdue) 12-10, but came back to beat Ron Simon and Wayne Templeman (Minnesota) 12-9 for third place.

Washington took two first places and one second. Purdue won one first, one second and one third; and Iowa got one second and two thirds.

Iowa Coach Don Klotz said Washington, which won both the doubles and singles laurels in its tournament, has its strongest team in years, headed by Wally Gundlach who recently returned from the service.

NEW HAVEN, Conn. (AP) — For the first time in its 33-year history, a race ended in a tie Friday night in the NCAA Swimming championships as Yale's Rex Aubrey and Stanford's Robin Moore hit the finish line together in the 50-yard freestyle.

As happens every so often in swimming meets there was a difference in time, however. Moore was clocked in 22.1 seconds and Aubrey in 22.2 seconds.

It was explained that a special machine at the finish line and both judges caught the lads in a deadlock, but there was a difference one one-tenth of a second between Moore and Aubrey, allowing for the human touch of a stopwatch.

The sprint was the evening's event. Moore's 22.1 equals the meet record credited to Henry Kozlowski of Northwestern in 1943. The distance is not recognized so far as the world's records are concerned.

Lincoln Hurring of Iowa won the 200-yard backstroke in 2:07.5, equaling the Yale pool record. He beat out Charles Krepp of North Carolina, the eastern champ, by about a body length.

One of the six Arnold Palmer of Latrobe, Pa., bogies two of the last three holes when a par finish would have given him a one-stroke lead. He finished with a 70.

Vaulting into the 6-way tie for second was Walter Burkemo of Franklin, Mich., who birdied the first seven holes on the back nine for a break-taking 36-30-66, six under par, and the day's best round over the 6,795-yard Cape Fear Country Club course.

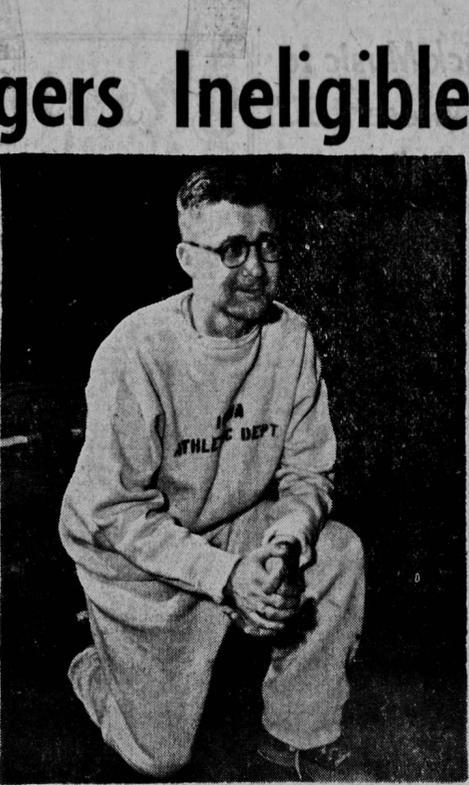

Sixty-three professionals qualified for Saturday's third round, with 148 the cutoff point.

Principal casualties among those failing to qualify for the last two days were Lionel Hebert of Erie, Pa., and Don Fairfield, Casey, Ill.

The team will leave Sunday for a brief visit to Liberia and will return to compete April againsts Gold Coast and Nigerian athletes.

## U.S. Athletes Scared of Russ

ACCRA, Gold Coast (AP) — Tommy Deckard, coach and manager of a team of American track stars on a goodwill tour of Africa, said Friday U.S. athletes are scared of the impending Russian challenge on this year's Olympic Games.

## Marciano May Retire, Takes 6 Months To 'Think It Over'

RIO DE JANEIRO, Brazil (AP) — Heavyweight champion Rocky Marciano acknowledged Friday that he was considering retirement from the ring but said he would give himself six months to "think it over."

"It's a tough decision to make," the champion added, "and I won't have six months or more. When and if I decide, the announcement will come from my manager, Al Weill."

In this way, Marciano sought to smother rumors that there was a rift between him and his long-time manager.

"Weill and I are still on good terms," said Marciano. "A lot of people would like to see us break up, but we are not about to do it."

Marciano said he talked by telephone with Weill shortly after the report was printed in New York that he planned to quit the ring because of family pressures.

Max Kase, sports editor of the New York Journal American, carried the report, quoting an unidentified friend of the champion in Boston. A similar newspaper report came out of Boston a week ago.

In New York, Weill, whose failure to accompany Marciano on his present South American exhibition tour stimulated the rift rumors, said he had talked to the fighter by telephone March 30 and that Marciano hadn't mentioned quitting at the time.

Rocky, a devoted husband and father of a 4-year-old girl, repeatedly has expressed concern over neglect of his wife and family forced on him by rigid training routines.

Rocky's last title defense was against Archie Moore whom he kayped last September. The latest ring ratings list Marciano as without a logical contender. He's whipped everybody in sight.

## Littler Cards 70 At Azalea Open

WILMINGTON, N. C. (AP) — Gene Littler fired a two-under-par 70 Friday to cling doggedly to his one-stroke lead at the halfway mark of the \$12,500 Azalea Open Golf Tournament with a 136 total.

But the field was pressing closer on the 25-year-old Palm Springs, Calif., professional. Six men were bunched at 137, only one stroke away.

One of the six Arnold Palmer of Latrobe, Pa., bogies two of the last three holes when a par finish would have given him a one-stroke lead. He finished with a 70.

Vaulting into the 6-way tie for second was Walter Burkemo of Franklin, Mich., who birdied the first seven holes on the back nine for a break-taking 36-30-66, six under par, and the day's best round over the 6,795-yard Cape Fear Country Club course.

Sixty-three professionals qualified for Saturday's third round, with 148 the cutoff point.

Principal casualties among those failing to qualify for the last two days were Lionel Hebert of Erie, Pa., and Don Fairfield, Casey, Ill.

## Iowa Track Team Defeats Arizona

TUCSON, Ariz. — Iowa's track and field forces defeated the University of Arizona, 70-61, Thursday night, winning nine first places and tying for another.

The Iowa mile relay team set a new stadium record of 3:16.6 in the night's outstanding performance. Les Stevens of Iowa won the high jump at 6-8½ and the 220-yard low hurdles in 21.3.

## Tennis Team Finishes 3rd In Tourney

ST. LOUIS, Mo. — Iowa's tennis team managed only one second place and two thirds Friday to finish third in the doubles division of a 4-team tournament here Friday.

The Hawks finished behind Washington University and Purdue, while bettering the performance of Minnesota.

Hawkeyes finished second to Washington in singles play Thursday.

The meet was played on an elimination basis with each of the four schools entering three doubles teams. Matches were won by the first to win 12 games, instead of the usual match-play scoring by sets.

Andrews and Bjurstrom beat Harold Swanson and Curt Rohrer (Minnesota) 12-5, then lost to Wally Gundlach and Steve Schneider (Washington) 12-10.

Dick Hood and Gary Anderson of Iowa lost 12-6 to Gus Pfeiffer and Don Pfeiffer (Washington). They salvaged a third place by topping Warren Olsen and Paul Herman (Minnesota) 12-3.

In the No. 3 doubles, Jim McCullough and Stan Jones of Iowa lost to Charles Seibert and Bob Duesler (Purdue) 12-10, but came back to beat Ron Simon and Wayne Templeman (Minnesota) 12-9 for third place.

Washington took two first places and one second. Purdue won one first, one second and one third; and Iowa got one second and two thirds.

Iowa Coach Don Klotz said Washington, which won both the doubles and singles laurels in its tournament, has its strongest team in years, headed by Wally Gundlach who recently returned from the service.

NEW HAVEN, Conn. (AP) — For the first time in its 33-year history, a race ended in a tie Friday night in the NCAA Swimming championships as Yale's Rex Aubrey and Stanford's Robin Moore hit the finish line together in the 50-yard freestyle.

As happens every so often in swimming meets there was a difference in time, however. Moore was clocked in 22.1 seconds and Aubrey in 22.2 seconds.
