Iowa Raises Standards for New Teachers

Also Lengthens Administrators’ Learning Time

Educators standards went up this session, with new requirements being set for Iowa’s new elementary school teachers, effective Sept. 1, 1958. No certificates for future elementary school teachers with four years of college may be issued after Sept. 1, 1963, according to the announcement by J. C. Wright, state superintendent of public instruction.

Professional training periods of one year for school superintendents will be required for elementary school superintendents. In place of present certificates, elementary school teachers must have a basic certificate, which will be automatically renewed every year. It will be necessary to meet subsequently the renewal requirements of the Iowa State Board of Education. Supervisors of instruction will be required to hold a master’s degree, and elementary school teachers must have at least four years of training in the elementary school.

All education pupils held the announcement as “too heavy and tough” and “as vicious after years of struggle.”

The new certificates will go into effect in the fall of 1959. The Iowa State Board of Education has agreed with Khrushchev.

The Russian people. The Russian regime and the Russian people.

They felt the four were opposing the Russian people.

They felt these four were opposing the Russian people.

They felt these four were opposing the Russian people.

They felt these four were opposing the Russian people.

**Marxism and Bacon**

Mozart, whose themes are as timeless as the best of jazz and blues, and whose writing was as exacting as the best of computer programming, was a master of the art of establishing themes that cross generational barriers.

On the other hand, if we consider the life of the Soviet Union, we find that the contributions were not always as easily understood. What was the purpose of the Allies in supporting the Soviet regime? What was the cost to the Soviet people of maintaining a communist system? What were the long-term consequences of these efforts?

**School Parley Will Be Held Here July 29**

Double, and sometimes triple, the measures for the preservation of public health and sanitation. By the summer of 1952, the Soviet people had little luxury and low nutrition.

By Khrushchev's own data, Soviet poverty is limited. By his own admission, and even figures the Soviet economy is still far from meeting the needs of the people. Until recently, and people living under communism, had a better future than was generally expected.

Braves Shake Phillies from Roost

Hof Starting Game Chilled Rapidly by Braves' 5-run 7th

PHILADELPHIA — The 5-run 7th made the game in the ninth inning a meaningless formality, as the Boston Braves rolled to an 8-1 victory and shifted the first-place power from Philadelphia in the National League East. The Braves' 15-4 advantage marked the highest total for the franchise against the Phillies in 20 years.

The 5-run 7th, the biggest inning of the season for the Braves, included a grand slam by first baseman Ted Kluszewski, a tworun shot by catcher Gene Marchi, and a solo homer by right fielder Bob Burdette. The inning was highlighted by a spectacular catch in center field by center fielder Stan Musial, who leaped high into the air to rob Phillies center fielder Wes Westrum of a potential home run.

The game was scoreless after six innings, but the Braves took advantage of the Philadelphia batting order in the seventh, scoring five runs on seven hits. The inning began with a leadoff triple by left fielder Andy Pafko, who then scored on a sacrifice fly by first baseman Ted Kluszewski. A single by second baseman Bill Rigney scored Kluszewski, and a double by center fielder Stan Musial scored Rigney. A sacrifice fly by right fielder Bob Burdette scored Musial.

The Phillies were unable to mount a comeback, as the Braves' pitching held them to one run on eight hits. The victory was the 15th of the season for the Braves, who moved into first place in the National League East.

Yanks Tatter Tiggers

DETROIT — Bronx Batters hit against the Tigers for the second straight day, as the New York Yankees' 6-1 victory over the Detroit Tigers in the second game of the three-game series brought the Yankees within a game of the first-place Boston Red Sox in the American League East.

The Yankees outscored the Tigers 12-2 in the two-game sweep, and have won five of their last six games. The Yankees' hitting has played a key role in their recent success, as the team has scored 51 runs in the last six games against the Tigers.

The victory was the 15th of the season for the Yankees, who moved into second place in the American League East.
