

Collegian Tax Relief Chances Rise in '58

Both an Iowa Congressman and an SUI political science professor said Monday chances have improved for passage of a bill giving tax relief to college students.

Army Cut in Hungary, Germany, Russia Says

MOSCOW (AP) — Soviet Russia announced Monday it is withdrawing and disbanding 58,000 troops in Hungary and East Germany as part of a slash of 300,000 men in the Soviet armed forces.

Testimony Cost Gavin Promotion

WASHINGTON (AP) — Lt. Gen. James M. Gavin told Senate investigators Monday that he lost his chances for promotion and an important command after his recent public criticism of Defense Department policies.

Johnston said Gavin was informed last year he was being favorably considered for promotion and assignment to a Continental Army command this coming March.

U.S. Mothers Reach China

HONG KONG (AP) — Three American mothers vanished behind the Bamboo Curtain Monday and sped north to see their sons long imprisoned by Red China as spies.

First in Series Of Campus Life Shown on Page 6

A story-telling picture page of married student life in Riverside Park is published on page 6 in this morning's edition of The Daily Iowan.

Reds Put Man In Space

Rocketed 186 Miles, Came Back in 'Chute

MOSCOW (AP) — Soviet Russia has shot a man-carrying rocket 186 miles into the air and the man parachuted back to earth, reliable sources said Monday night.

Congress Opens in Shadow of Sputnik

WASHINGTON (AP) — Congress will open a new session today under ressure of an extraordinary peacetime concern for the safety of America.

Mr. Eisenhower, who drove back Monday from a stay at his Gettysburg home, planned to deliver the message in person.

Mr. Eisenhower's press secretary, James C. Hagerty, said Monday the message "will present the President's thinking on defense security."

That was Hagerty's response in refusing to comment on the findings of a civilian study group, financed by the Rockefeller Brothers Fund, saying that America's strategy and military forces are falling behind the times.

The Rockefeller report, one of several from various sources in recent months which have contributed to uneasiness about America's security, said:

"It appears that the United States is rapidly losing its lead over the U.S.S.R. in the military race . . . Unless present trends are reversed, the world balance of power will shift in favor of the Soviet bloc."

Hagerty told questioning reporters that he assumed a copy of the Rockefeller report's recommendations had been sent to the White House, but he did not know whether Mr. Eisenhower had had a chance to study them.

Observers speculated that the rocket man was released from the rocket in a pressurized container equipped so he could survive at great altitudes and break free of it to jump with his 'chute at the right stage.

Months ago, however, Russian scientists sent up dogs to a lesser height. The dogs were released and parachuted to safety, apparently unharmed. It was a dog from this experimental kennel, a female named Laika, that was sent to her ultimate death in Sputnik II.

Observers speculated that the rocket man was released from the rocket in a pressurized container equipped so he could survive at great altitudes and break free of it to jump with his 'chute at the right stage.

No Biz Like School Biz For 'Hawkeyes'

SUI RECORDING ARTISTS, The Four Hawkeyes, Don Roeder, A4, Waterloo, Dixie Davenport, A3, Anamosa, Dirk Simonson, A3, La Grange, Ill., and Jim Williams, P3, Iowa City, will stay in school.

The Four Hawkeyes, SUI's vocal recording artists, have decided to stay in school until they graduate. But they will continue to record under a 7-year contract with Capitol Records.

Manager Tom Ecker, 1957 graduate of SUI, said Monday that although General Artists Corp. wants to hire the Hawkeyes as soon as possible, they have decided to wait until they all graduate before going on the road.

General Artists Corp., New York, is an entertainment agency which handles night club and television appearances for such stars as Perry Como and Pat Boone.

Ecker was in New York during Christmas vacation to talk with the agency.

Don Roeder, A4, Waterloo, and Jim Williams, P3, Iowa City, are candidates for degrees in June. Dixie Davenport, A3, Anamosa, and Dirk Simonson, A3, La Grange, Ill., anticipate June, 1959 graduation.

The Hawkeyes currently have recorded five songs: "Who is He?" and "Someone, Someday," on the Sky Record label, and "Full Moon Above," "I'll Be There," and "Waiting in the Dark," for Capitol Records.

Ghoul Killer Ruled Insane

WISCONSIN RAPIDS, Wis. (AP) — Circuit Judge Herbert Bunde Monday found Edward Gein, 51-year-old self admitted ghoul and mutilation killer to be legally insane and ordered him recommitted to the Wisconsin Central State Hospital for the criminal insane for an indefinite period.

U.S. Mothers Reach China

HONG KONG (AP) — Three American mothers vanished behind the Bamboo Curtain Monday and sped north to see their sons long imprisoned by Red China as spies.

Congress to Get Labor Union Bill

WASHINGTON (AP) — Sen. Barry M. Goldwater (R-Ariz.) announced Monday he will introduce a bill to outlaw compulsory membership in labor unions.

Navy Opposed to Firing Of Missiles from A-Sub

WASHINGTON (AP) — Rear Adm. Hyman Rickover, father of the atomic submarine, told Senate investigators Monday the Navy turned down his plan to equip the subs to fire ballistic missiles.

Plane Crashes Into Houses, Four Missing

NORFOLK, Va. (AP) — A Navy Mercator plane carrying 12 men crashed near Norfolk Monday demolishing three small houses and damaging three others. The plane and the last house it struck burned. Four of the airmen were unaccounted for. See picture, Page 8.

Red Skelton Safe But Still in Bed

SANTA MONICA, Calif. (AP) — Comedian Red Skelton was pronounced out of danger Monday by his physician but a mild case of pneumonia will keep him in the hospital several more days.

His doctors called it a "moderate pneumonitis of the right lung" and added it is common among victims of severe asthmatic seizures.

Red Skelton Safe But Still in Bed

SANTA MONICA, Calif. (AP) — Comedian Red Skelton was pronounced out of danger Monday by his physician but a mild case of pneumonia will keep him in the hospital several more days.

His doctors called it a "moderate pneumonitis of the right lung" and added it is common among victims of severe asthmatic seizures.

Skelton nearly died a week ago from a cardiac-asthma attack.

His Tuesday night television show over CBS-TV will use a film previously made.

The Daily Iowan is written and edited by students and is governed by a board of five student trustees elected by the student body and four faculty trustees appointed by the president of the University.

Year of Crisis

The other night we listened to a radio obituary of 1957 entitled "Year of Crisis." It was, too, we suppose. As the year ended, for example, people all over were discussing the Gaither report compiled for the White House.

Then, too, there is the educational crisis induced by the Sputnik crisis. Secretary Folsom says we must spend \$1 billion to prepare scientists (last year the money was just for schoolrooms) to meet the era ushered in by the Russians.

Faulty Gas Heaters Pose Danger

A warning was issued today to the users of the nation's 13,000,000 gas space heaters to take extra precautions during the winter season to cut down the mounting accident rate.

- 1. Don't use a gas space heater without a vent.
2. Don't put a damper in the vent pipe.
3. Don't run the vent pipe down hill.
4. Don't guess that the flue is clean. If your heater is not working right, investigate by removing the cleanout or remove, clean and replace the pipe itself.

need fresh air for burning, with-out fumes.
8. Don't put off calling a repair man or other qualified persons, if you suspect that your heater is not working right or if you notice gas fumes in the room.

A Speech by Hancher

Sputnik and After

EDITORS NOTE: This is the first part of a speech given by Fred Virgil M. Hancher to members of the Davonport Rotary Club on Dec. 16, 1957.

We Americans claim that we like competition. We pay vast sums to watch competitive sports (although Olympic fans say that we win the dashes and the Russians win the endurance contests); we profess to like competition in business; and we boast of the successes of our competitive capitalistic system.

fearful - that if our people were exposed to Marxist doctrines they would forthwith become Communists or fellow travelers.
Now at last we begin to see the bitter truth: The Russians are behind us in some matters, they are abreast of us in some matters, and they are ahead of us in other matters.

HANCHER

What are the obvious facts about Russia that we can no longer ignore? There are many such facts but I shall mention only four:
The first fact is that the Russian regime has lasted for forty years - from October 1917 to December 1957 - and it may last another forty.

The second fact is that the Russian regime can set long-range goals and achieve them. Lenin said that the road to Paris is through Peking. The Communists are in Peking. Their destination is Paris.

Washington Scene

WASHINGTON - I guess I am not temperamentally fitted for space travel because a research scientist says that the best crewmen for space ships might be schizophrenics.

Dr. Michael explained to the American Association for the Advancement of Science that space travel means silence, boredom and living for months in quarters so cramped that a close buddy is apt to become insufferable.

Picking Spacefellows

From The Littered Desk

Slattery's Slants

Chill air and the anything-but-warm blanket of snow have turned Iowa City and thereabouts into a picture postcard (Christmas, of course) with the bright squares of windows casting their glow across expanses of snow dappled here and there with footprints, shadows, mounds of snow-covered bushes, and criss-crossed with the hard grey-black sidewalks and streets.

Civil defense is a mockery - we haven't the facilities nor the training even to handle our "minor disasters" such as hurricanes and floor emergencies. Political leaders say we stand at the crossroads of eternity - mankind clings to life by the margin of orders held in abeyance and silent mounds of radio-activity that are disgorging their unseen particles in harmless amounts now.

Although life may not be what each of us would wish - and that is patently impossible, yet it is not as bad as it might be. So with just a touch of optimism (as befits an editor) and without cynicism (as does not befit an editor) Happy New Year!

There is a growing agitation for free concourse of scientific information, research results, and cooperation among the scientists of the western nations. It becomes more and more apparent that our mania for secrecy has been costly - and although lip service is being given to relaxation of security regulations, little is actually being done.

Result: Some ludicrous situations where authors of material now classified are denied access to their own writings because they have not been cleared, where duplication of research becomes necessary because the agency needing certain information does not know that the research has already been done.

Lt. General James Gavin is symbolic of the type of military man America desperately needs - the young, intelligent and almost completely selfless individual who places his country and its security over his specific branch of service.

Yet General Gavin thinks that a unified command is necessary. His recommendations transcend services. He thinks the missile program is being unnecessarily hampered. It is true that the issue, not the man, is important, but when such a man as Gavin speaks - his words are well worth marking.

Well, now that the holidays are over, and everything is beginning anew, a friend of mine tells me she is ready to face the new year. She shed 160 lbs. of ugly fat - her husband.

LESSON FOR THE WEEK: Danger lurks in that bottle; makes you feel single - and see double.

SUI Freshman Y Sets New Meeting Schedule

Freshman Y, a branch of the Young Women's Christian Association (YWCA), will alternate between large group meetings and small discussion groups during the remainder of the school year. Next mass meeting will be Jan. 16 in the East Lobby Conference Room of the Iowa Memorial Union. Program will be about "Meeting Our Failures."

Army Medical Representative Here Jan. 9-10

Major Mary Lipscomb, Army Medical Specialist Corps representative for the Fifth Army, will be in Iowa City Thursday and Friday to introduce SUI women to the various women's military medical professions.

The Army Medical Specialist Corps is composed of members in dietetics, physical and occupational therapy.

The Army Medical Service presents a program to assist and encourage qualified students in Home Economics to become qualified dietitians, and offers training positions to those women who can qualify in the above fields.

The Army training programs are approved by the American Medical Association and respective professional organizations.

Selectees for the training program are commissioned Second Lieutenants before they begin training.

Slides of 1957 Russian Trip Available

John Sunier, A4, Iowa City, who made a tour behind the Iron Curtain last summer, has made available to interested SUI or Iowa City groups, a filmed record of his trip.

Using color slides accompanied by a high-fidelity sound track containing narration and folk music recordings, Sunier will present an exploration of the religious, cultural, industrial, economic and social life of modern Russia.

Sunier has the necessary equipment for his planned film lectures except for a screen, which he will ask the groups to furnish.

Sunier, a music major, wrote seven articles for The Daily Iowan under the title, "The Riddle of Russia." The last of the series appeared Nov. 6. His weekly music column, "Needle Talk," appears on the editorial page.

Continue Inquiries Into 2 Burglaries

Investigation continues concerning burglaries from the T. Wong Studio, 120 1/2 E. Washington, and the Frantz Construction Co. Both occurred late Sunday night or early Monday morning.

A portable typewriter valued at \$100 and \$108.85 in cash were stolen from the T. Wong commercial photography studio. Thieves gained entrance through an unlocked window on the roof, police said.

The Frantz Construction Co. reported a French-type telephone taken from their construction building shop at the site of a new store on Highway 6 East.

The shop was locked and there was no evidence of a break-in, police said.

PAROLE GIVEN
DES MOINES (AP)—A parole has been granted to William Wolfe, 57, of Cedar Rapids, the State Parole Board said Monday. Wolfe was sentenced from Linn County May 3, 1957 to three years in the Fort Madison State Penitentiary for third offense drunk driving.

Nagle, Smith Repeat Vows

Mrs. Barrie Smith

Miss Elizabeth Jane Nagle, daughter of Mrs. Leland Nagle of Iowa City, was married to Mr. Barrie David Smith, son of Mrs. Wallace Smith of Charles City, in a home wedding Jan. 3, in Iowa City.

Mrs. Smith attended the University of Colorado in Boulder, Colo., for her freshman year in college, and was graduated from SUI in 1957, is a member of the Pi Beta Phi social sorority. Mrs. Smith is now teaching at Herbert Hoover School in Iowa City.

Mr. Smith is a sophomore in the SUI College of Medicine and is a member of Alpha Kappa Kappa medical fraternity.

Postpone Talk On Humanities Until Jan. 13

The Humanities Society lecture scheduled for Wednesday night has been postponed until Monday evening, Jan. 13, it was announced by Ralph Freedman, organization secretary. It will be held at 8 p.m. in the Senate Chamber of Old Capitol.

Joseph E. Baker, instructor in the SUI English Department, will speak about "American and French Literary Youth," a comparison of the literary tastes of American and French university students.

Baker taught American Literature and Civilization at three French universities as a Fulbright Scholar during 1955-56.

Baker will analyze the U.S. literary situation and trend in American literary interests.

The speaker will expand a quotation that appeared in the Nov. 18, 1957 issue of "Time" that stated "... even intellectuals do not read as much as they used to." Baker says that people do not read as much as they once did due to the way literature is now taught by some literature instructors.

Boat Club Plans Lodge

Murvin Perry, newly elected president of the Iowa City Boat Club, has announced that the club plans to build a clubhouse and dock facilities on the new Coralville reservoir when it is opened.

The club, organized last year, now has approximately 100 members, Perry said. It was organized to encourage boating activities in the Iowa City area, and to promote safe boating on the Iowa river.

Other officers recently elected were: Leo Maske, 1023 Highland Ave., vice-president; Bob Powers, 1437 Ash St., secretary-treasurer; Merle Meyers, 901 W. Park Road, membership chairman; and Bernard B. Heaton, 111 E. Burlington, program and attendance chairman.

COMPLETE BASIC TRAINING
FORT CARSON, Colo. — Army Privates John F. Lalla, 18, and John W. Huston, 18, of Iowa City, recently completed eight weeks of basic combat training at Fort Carson, Colo.

Second Recital of Season To Feature Pianist, Soprano

The SUI Department of Music will present the second recital of the season Jan. 8, at 8 p.m., in Macbride Auditorium.

The recital will feature soprano Leslie Eitzen, instructor in the Music Department, and pianist Margaret Pendleton, assistant professor in the music department. The program will include selections from the works of Robert Schumann and Gabriel Faure.

NEW CITY MANAGER

SIoux CITY (AP)—Cornelius Bodine, Jr., 41, until recently city manager of Rock Island, Ill., was named by the City Council here Monday to succeed Robert M. Hoisington as the city manager of Sioux City.

Chemistry Grants To SUI by DuPont

The SUI Chemistry Department is among 2 recipients of grants to be given by the DuPont Company, it was announced Monday.

A \$1,500 summer research grant will be given to provide an opportunity for a younger staff member in chemistry to advance his studies through research.

SUI will also receive a DuPont Postgraduate Fellowship for 1958-59 students in science and engineering. This award will go to a graduate student in chemistry and will provide \$1,800 unless the recipient is a first-year graduate student. In that case the award will be \$1,500.

Grants announced by the DuPont Company Monday totaled nearly \$1,150,000 and involved 135 universities and colleges.

More than half of the entire program involves grants to colleges and universities for strengthening the education of scientists and engineers. These grants will support the teaching of science and mathematics as well as other subjects, the announcement said.

SUI also received a DuPont summer research grant for 1957.

SUI Items
5569 RESEARCH AND DEVELOPMENT COMPANY, Army Reserve Unit, will hear Major R. M. Soldofsky, Assistant Professor in the SUI Commerce Department, speak on "Economic Organization" today at 7:30 p.m. in the Board Room of Old Capitol. All reserve officers are welcome.

RACE AND MINORITY subcommittee of the SUI Student Council will meet at 7:15 p.m. today in Conference Room 2 of the Iowa Memorial Union.

Trott to Head '58 'Crusade'

Emil G. Trott, local attorney, was appointed Johnson County Chairman for the 1958 Crusade for Freedom, according to an announcement last week by W. Earl Hall, state chairman. Hall is editor of the Mason City Globe-Gazette.

The Johnson County Crusade Program will make available to local groups a 15-minute, 16 mm. film, "Towers of Truth," Trott said.

The Iowa goal for the Crusade, which raises money to support Radio Free Europe's broadcasts to Communist held countries, is \$30,000. The national goal is \$10 million.

SUI Woman Plans to Wed

Miss Dixie Davenport

Mr. and Mrs. Buster Davenport of Anamosa announce the engagement and approaching marriage of their daughter, Dixie Ann, to Mr. Donald L. Nacke, son of Mr. and Mrs. Fred Nacke of Marcus.

The couple attend SUI where Miss Davenport is a junior in the College of Liberal Arts and Mr. Nacke is a junior in the College of Engineering.

A late summer wedding is planned.

Edward S. Rose says—

Young Women:
After Graduation, Begin Your Career In An Executive Position!

If you're a college senior, you can prepare now for an important executive future by applying for an officer's commission in the Women's Army Corps. In addition to an officer's pay and prestige, you will have a position of vital responsibility...working side by side with male officers in such challenging staff and administrative assignments as:

- *Personnel & Administration
- *Intelligence
- *Comptroller
- *Public Information
- *Civil Affairs and Military Government
- *Information and Education
- *Legal and Legislative

And with this challenge, come these personal rewards:

- *An officer's busy cultural and social life
- *The chance for exciting foreign assignments
- *A 30 day paid vacation every year
- *The satisfaction of serving your country in a really important way

You owe it to yourself and your country to investigate this challenging and rewarding executive opportunity. For full information fill in and mail this coupon today!

JUNIORS — The Women's Army Corps will select a limited number of qualified women who have completed their junior year for 4 weeks training, summer 1958. There are no commitments. You will receive an orientation in the Army and may make application for a commission after graduation if you want to become an officer in the United States Army. If interested check the enclosed coupon.

Hawks Even Big Ten Record With Upset Triumph

A BOARDING HOUSE REACH was used by Iowa forward Dave Gunther in an effort to spear a wayward pass Saturday night in the Hawkeyes' 73-65 loss to Michigan. Iowa guard Jim McConnell (24) watches Gunther's desperate try, while the Wolverines' Billy Wright (22) keeps an eye on McConnell. The game was the conference opener for the two Big Ten clubs.

Gunther Leads Iowa With 27; Ohl Scores 28

CHAMPAIGN, Ill. (AP)—Iowa came from behind several times in the second half and upset Illinois, 70-68 Monday night in a Big Ten basketball game.

Dave Gunther paced the Iowa attack with 27 points, netting 17 in the second half, but Illinois' Don Ohl took scoring honors with 28 points.

Ohl connected on five of his first six shots, scored 11 of Illinois' first 12 points and pushed the Illini to 18-7 and 23-12 leads.

However, three baskets by Tom Payne and another by sophomore Nolden Gentry helped the visiting Hawkeyes cut Illinois' halftime lead to two points, 28-26.

The lead changed hands seven times in the first five minutes of the second half before Illinois went ahead 42-37 and 45-39. Gunther began connecting and shot Iowa into a 54-53 lead but two baskets by Ed Perry and another by John Paul put the Illini in command, 59-54.

Another spurt by Gunther and some sharp shooting from the free throw line saw the Hawks move into a 62-60 lead which they never relinquished.

The loss was Illinois' first against one victor in Big Ten play and Iowa also is now 1-1. Iowa hit .388 from the field to .341 for Illinois.

The Hawkeyes lost their Big Ten opener Saturday night to Michigan, 73-65. Iowa enters Northwestern next Monday night in their next Big Ten encounter.

Michigan Wins, Indiana Falls

Fine Showing By Gymnasts

The Iowa gymnastic team made an impressive showing during the Christmas holidays as they competed in three meets at a gymnastics forum in Sarasota, Fla.

The Hawkeyes competed in the National Roy Moore Championship, the Junior National Championship, and the Annual North-South meet.

In the National Roy Moore competition, Iowa gymnastics assistant Sam Bailie and Hawkeye sophomore Bill Buck tied for first in the sidehorse event. Both Hawkeyes received gold watches for their performances.

In the Junior National Championship, which is restricted to those gymnasts who have never won a major championship, Iowa sophomore Ted Segura finished first in the free calisthenics and second in the parallel bar event. Bill Buck won the sidehorse event, finished second in the trampoline, and tied for third on the parallel bars.

Bailie, Justice and John McCurdy competed for the South in the annual North-South meet which was won by the North 61-54. Buck competed for the winning Northerners. The coaches select the two teams from the gymnasts at the winter forum at Sarasota.

Green Bay Fires Lisle Blackburn

BULLETIN
GREEN BAY, Wis. (AP)—Lisle "Liz" Blackburn was fired as head coach of the National Football League Green Bay Packers Monday night with a season to go on his \$25,000-a-year contract.

Ray (Scooter) McLean, Blackburn's first assistant, was named as his successor on a one year contract, details of which were not immediately revealed.

Cyclones Fall To Montana State, 62-61

AMES (AP)—Jim Kelly's jump shot with three seconds to play climaxed an uphill battle for Montana State and gave the Bobcats a 62-61 basketball victory over Iowa State Monday night.

Iowa State, which had led throughout most of the contest, had possession of the ball until forward Larry Chanay intercepted a Cyclone pass and flipped the ball to Kelly.

Chanay took scoring honors with 24 points and repeatedly broke up Cyclone plays and knocked down passes.

Montana State took an early 3-0 lead but the Cyclones tied it at 5-5 and held a 30-28 halftime margin. The Bobcats held a brief 32-30 lead shortly after the outset of the second half but Iowa State surged ahead and at one time was in front by nine points, 53-44.

The victory was the Bobcats' eighth against three defeats. Iowa State now is 6-4.

Lyle Frahm and Bud Bergman were high for the Cyclones with 14 points each.

Wolves 70, Badgers 49

ANN ARBOR, Mich. (AP)—Surprising Michigan, meshing balanced scoring with a fast break, kept its Big Ten record unblemished Monday night with a 70-49 basketball victory over Wisconsin.

Four Wolverines hit for double figures in carrying Michigan to its second conference victory in two games. The Badgers now have lost both their Big Ten starts.

Brian Kulas kept Wisconsin in the ball game with 17 points in the first half.

Purdue 68, Indiana 66

LAFAYETTE, Ind. (AP)—Bob Fehrmann tipped in Bill Greve's missed last-second shot and Purdue's Boiler-makers defeated Indiana's Hoosiers Monday night, 68-66, in spite of 38-point demonstration by Indiana's Archie Dees.

Dees' 38-point cluster was a Purdue fieldhouse mark, breaking the 34-point record held jointly by Joe Saxon and Carl McNulty both of Purdue.

Harvey Austin scored 20 points and Willie Merriweather 16 for Purdue, which led through most of the game.

Late Basketball Results

OKLAHOMA STATE WINS
STILLWATER, Okla. (AP)—Eighth ranked Oklahoma State failed to stop Cincinnati sophomore star Oscar Robertson Monday night, but the Cowboys still managed to defeat the Bearcats, ranked No. 7 in the Associated Press poll, 61-57.

K-STATE 72, GOPHERS 71
MANHATTAN, Kan. (AP)—Don Matuszak of Kansas State scored nine points in the last seven minutes Monday night to move the Wildcats to a 72-71 basketball victory over Minnesota.

IRISH 83, BUTLER 72
SOUTH BEND, Ind. (AP)—Notre Dame's Irish used five men all the way and defeated Butler's Bulldogs Monday night, 83-72, for the unofficial collegiate basketball championship of Indiana.

Drake's Murrell Sets Career Scoring Mark

TULSA, Okla. (AP)—Red Murrell, Drake's ace forward, scored 22 points and ran his career total to an all-time high for a major Iowa player, but his effort fell short Monday night as Tulsa edged its Missouri Valley basketball rivals 59-57.

Murrell now has chalked up 1,265 points in college competition to go a dozen points ahead of Gary Thompson's career mark.

Ramblers in 63-51 Victory; 51 Straight

By LOU YOUNKIN
Daily Iowan Sports Writer

St. Mary's of Iowa City rolled to their 51st consecutive victory and 10th of the season by dropping St. Patrick of Cedar Rapids Monday night, 63-51.

The two teams traded points evenly during most of the first quarter. The Ramblers of Iowa City led 10-9 with one minute to play in the initial period, when Mike Reid hit a jump shot and Vic Belger scored twice from the side for a 16-9 first quarter lead.

Belger banged in two more baskets to open the second quarter and Dave Maher hit a long one to run the Iowa City lead to 22-9 before Lynn Trosky broke the tie for the Irish with a tip-in. Maher and Terry Klein scored twice apiece from the field, but Trosky and Butch Young matched them for Cedar Rapids. The Ramblers left the floor at halftime with a 37-24 edge.

St. Pat's Larry Stevenson and Belger traded baskets to open the second half, then Stevenson hit two more and Young drove in for another and a free throw cut the Iowa City lead to 39-35. Field goals by Reid, Maher, Klein and Belger built the lead back up to 48-36, but Stevenson wasn't through yet. Baskets by Young and Mike Cambridge were followed by two more by Stevenson. Maher's jump shot ended the third period scoring with the Iowa City on top 50-41.

Belger was the leading scorer with 19 points, closely followed by Maher with 16. Mike Reid added 13 to the Rambler cause. Stevenson topped a balanced Irish scoring attack with 12 points. Young finished with 11, and Trosky and Cambridge had 10.

MEMO TO MAESTROS: is your band dawdling instead of tootling? Is it full of feeble fifiers and drooping drummers? Well, this musical slowdown may be traceable to lack of Luckies. Better give your band a break—and make it a Lucky one! A Lucky, you see, is a light smoke—the right smoke for everyone. It's all cigarette—all naturally light, wonderfully good-tasting tobacco. And Luckies' fine tobacco is toasted to taste even better. Now then, what's a marching band that never gets a Lucky break? Why, it's a *Sore Corps!* (Wasn't that cymbal?)

STUCK FOR DOUGH?
START STICKLING! MAKE \$25

We'll pay \$25 for every Stickler we print—and for hundreds more that never get used! So start Stickling—they're so easy you can think of dozens in seconds! Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send 'em all with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.

West Virginia Lengthens AP Poll Lead

Kansas 2nd;
N. Carolina
Takes Third

BY THE ASSOCIATED PRESS
Unbeaten West Virginia hauled in 55 per cent of the first place votes to increase its lead in the weekly Associated Press basketball poll while Mississippi State, Oklahoma State and Bradley also made notable gains in the national rankings.

After an 11-day layoff, West Virginia started the new year off on the right foot by clobbering Canisius and Washington and Lee last week. These successes gave the Mountaineers a 10-0 record.

Fifty-seven of the 104 participating sportswriters and broadcasters considered the Mountaineers the best team in the country. On the basis of 10 points for first place, 9 for second, etc., the Southern Conference leaders piled up 894 points. Kansas remained in second place with 735 points and North Carolina moved up a notch to third with 720.

Kansas, which trailed West Virginia by only 52 points a week ago, suffered its first loss of the year — a 52-50 overtime thriller to Oklahoma State. The defeat came with Wilt Chamberlain, the Jayhawk's star, on the sidelines with a groin injury.

The upset not only dimmed the prestige of the Jayhawks for the time being but it enabled Oklahoma State to advance six places to the No. 8 spot.

Oklahoma State and Bradley were the new clubs in the top 10. They replaced Maryland, which was beaten by Clemson, and Michigan State, loser to both Washington and Ohio State.

North Carolina and Kansas State traded positions. North Carolina walloped Wake Forest 71-45 while Kansas State fell victim to Kansas after nine straight victories. Undefeated Mississippi State beat Auburn by 23 points and, on the strength of that showing, climbed into fifth place. State was ninth last week.

San Francisco remained sixth while Cincinnati's Bearcats, who lost to Bradley and then turned back Tulsa, slumped to seventh spot.

Maryland heads the second 10 followed by Temple, winner of the ECAC Holiday Tournament in Madison Square Garden, North Carolina State, Michigan State and Oregon State.

NCAA Probation for Memphis St., Wichita

Real 'Cool' Tourney

21 GOLFING ENTHUSIASTS weren't stopped by snow and freezing weather as they competed Sunday in the second annual Penguins' Golf Tournament in Chicago. Pete Mazzetta was almost hidden by spray as he blasts from the 4-inch snow while partners Don Stahler, left, and Joe Sisalak watched. The tourney was won by Ron Helgason who shot five pars to card a 40 for the 9-hole route. Players used colored golf balls.

Los Angeles Open Won By Stranahan

LOS ANGELES (AP) — Former amateur golf king Frank Stranahan took command Monday in the first two holes of the \$35,000 Los Angeles open, and with hardly a threat went on to capture this rich inaugural event of the 1958 winter tournament campaign.

The good-looking 35-year-old strongboy from Toledo, Ohio, went around the long, rolling Rancho Golf Course, with its par 36-35-71, in 32-35-67 for a 72-hole score of 275, nine strokes under par for the distance.

Stranahan, winning his second major tournament since he turned professional in September 1954, finished three shots ahead of the 47-year-old master, E. J. (Dutch) Harrison. In third place was Gay Brewer Jr., of Cincinnati, the 25-year-old former amateur star from Kentucky, who led the field by one precarious shot starting out at noon Monday.

Harrison holed a putt of about 18 feet for a birdie three on the 18th green to beat out Brewer. Stranahan, who did a bit of scrambling on the back side, picked up his most important money as a pro, \$7,000. Harrison pocketed \$3,750 because of his whopping final birdie shot, and Brewer \$2,600.

Stranahan launched his victory round one stroke behind Brewer, and Harrison was two strokes off the pace.

Trailing the featured three were Billy Casper of Apple Valley, Calif., whose 70 gave him 280 and \$2,200. Tied at 281 were Bo Winingor of Odessa, Tex., and long, tall Al Balding of Canada, each with 70s.

Deadlocked at 282 were Art Wall Jr., Pocomo Manor, Pa., and Dave Ragan, a newcomer from Orlando, Fla., each with 70s, and Tommy Jacobs of Whittier, Calif., who made a gallant bid for leading honors but fell back with a 72.

Doug Ford of Mahopac, N.Y., who won the tournament last year with a 72-hole total of 280, wound up with a 72 and 284.

PHILADELPHIA, Pa. (AP) — Memphis State University and the University of Wichita Monday night were found guilty by the NCAA council of violation of the association's athletic code.

Memphis State was placed on two years probation and barred from all NCAA tournaments and cooperating events. Wichita received one year's probation but can compete in tournaments. The probation is effective immediately.

Specifically Memphis State was found guilty of violating articles which covered student admission and financial aid arrangements. Wichita was in violation of the amateur rule and administration of aid.

Although Wichita received a lesser penalty, the council emphasized that its violation was a very serious one and added that the penalty was lessened because the institution cooperated with the NCAA.

Earlier the NCAA council adopted a new policy on hearing appeals of penalized institutions and then, in effect, told North Carolina State and the University of Washington that it would be a waste of time to listen to their complaints.

Both colleges presented appeals to lighten probation penalties previously imposed by the Council. Each had appealed once before, objecting that penalties which made athletes in all sports ineligible because of offenses in one sport were too severe.

The council has taken a stand that where rules have been violated flagrantly the institution it should apply to everyone. The probations imposed on Washington and extending to Aug. 21, 1958, and N.C. State until Nov. 13, 1960 — included declaring all their athletes ineligible for NCAA meets and cooperating events such as bowl games, relay meets and so forth.

Before denying these requests the council adopted a policy that it will not review any case unless the appealing institutions can present newly developed information directly related to the findings or show there had been a substantial error in processing the case.

This policy was designed to avoid time-consuming reshuffles of cases previously decided and evidence previously heard.

Notre Dame Voted Top Comeback

BY THE ASSOCIATED PRESS
Notre Dame officials were elated, but not surprised, that the Fighting Irish football team was voted as making the No. 1 comeback of 1957.

Coach Terry Brennan's Irish erased some of the memories of the 2-8 season in 1956 — worst in the school's history — with a 7-3 showing last fall.

The feat, including a 7-0 victory ending Oklahoma's unbeaten reign, earned Notre Dame 243 points in the annual year-end Associated Press nationwide poll that brought ballots from 211 sportswriters and sportscasters.

The Irish comeback was first choice on 105 returns. The Cleveland Browns were second with 23 first place votes and 131 points, based on three points for first, two for second and one for third.

Following the top were three baseball comebacks — pitcher Bobby Shantz (11 firsts, 99 total); outfielder Ted Williams (14-81) and the St. Louis Cardinals (7-66).

"Of course I'm happy Notre Dame won the comeback poll," said the university's athletic director, Ed (Moose) Krause. "But it came as no surprise. I tabbed the football season as the greatest comeback in Notre Dame history even before we played Oklahoma. And after the season was over and we had beaten Southern California (40-12) and Southern Methodist (53-21), I said it was the greatest comeback since Pearl Harbor."

Indiana Asks Bids For Athletic Plant

BLOOMINGTON, Ind. (AP) — Indiana University Monday asked contractors to submit bids Jan. 30 for construction of a new \$13 million athletic plant, including a stadium, fieldhouse and an indoor track.

Plans for the new stadium call for 55,000 seats and parking space for 12,000 cars just off the new Bloomington Bypass. The proposed fieldhouse would have 15,000 permanent seats and room for additional temporary seats.

The stadium, to be north of the present one, is expected to be ready for the 1959 football season.

Report 16 Football Deaths Last Year

LOS ANGELES (AP) — The American Football Coaches Assn. reported Monday 16 football players died last year of injuries directly attributable to the gridiron — 13 of them high school boys.

Five other deaths were listed as indirectly connected with the sport. The association, which has studied football fatalities since 1931, recommends improved headgear and carefully planned practice schedules as possible remedies.

The coaches figure the rate of accidental death is slightly less than 2 per 100,000 among high school players and slightly more than 2 per 100,000 college gridgers.

UCLA's Red Sanders Becomes 'TV Actor'

HOLLYWOOD (AP) — Football Coach Henry R. (Red) Sanders of UCLA soon will embark on a new, if temporary, career.

Sanders confirmed an announcement by Columbia Broadcasting System Monday that he would appear on Playhouse 90 Jan. 16. Appropriately, he will portray a coach in a play called, "The 80-Yard Run." Co-starring are Joanne Woodward and Paul Newman.

Bowl Mark

Minister Rolls 460 Consecutive Games

PORTLAND, Ore. (AP) — A 49-year-old minister wound up 59 hours and 55 minutes of bowling Monday and claimed a national record of 460 consecutive games.

The Rev. Wayne Vernon Jensen, a 6-foot, 1-inch, 210-pound man who calls himself the "bowling preacher" said that broke the previous record of 440 games set by Bill Dillon of Conroe, Tex., last month.

Pastor of the Southwest Church of Christ in Portland, he scored 148 in his final game, slightly better than his average.

Jensen said he felt fine, but blisters on his thumbs were too painful to allow him to rack up more games.

The husky minister used two alleys — bowling in one while the other was being prepared — and for a long time used both his arms also. He quit bowling with his left hand Sunday night because of blisters.

He averaged 139.16 points in the long stint, and friends said they figured he had thrown 63 tons of balls.

Crowds were on hand much of the time, and they contributed to a box labeled "marathon kitty." The money, he said, goes to a building fund for his church. The amount was not disclosed.

Rain Halts Senior Bowl Workouts

MOBILE, Ala. (AP) — A cold rain halted plans for opening workouts for the Senior Bowl football game Monday.

Coaches Paul Brown of the Cleveland Browns and Joe Kuharich of the Washington Redskins had indoor skull sessions during the morning.

Brown will direct the South squad and Kuharich the North in Saturday's All-Star game.

A majority of the players arrived Sunday night but there still were some notable absences. These included the 11 senior bowlers who played in Sunday's Hula Bowl at Honolulu. They were to fly in Monday night.

ACE AT RIGHT TIME TOLEDO, Ohio. (AP) — There were plenty of witnesses to attest to Albert Kovacic's hole-in-one at Bay View Golf Course. When he and three companions came to the 18th tee, another foursome holding out on the green motioned Kovacic's group to tee off. Kovacic whacked his tee shot into the cup, with seven witnesses to applaud.

Face of the Campus: Riverside Park Is Home Sweet Home

GOING TO COLLEGE is not easy, even for the single man. The college man with a family needs more than a dormitory room, and Riverside Park helps to meet this need. Ronald and Elizabeth Boven and daughters, Sharon and Margery (above) are one of the families fortunate enough to live in Riverside Park Married Housing.

THE COFFEE BREAK is a standard morning and afternoon ritual for the female inhabitants of Riverside Park. Under such crowded conditions there is no problem of getting to know your neighbor. Here Margaret Hickman presides at the coffee pot from Elinor Fujinaka, Beth Flander, Shirley Wubben and daughter Nancy.

DIRECTOR OF DORMITORIES and dining services is Theodore M. Rehder (above) who would like to build 500 permanent units to house more of the families of married students who are now unable to obtain a place to live in University Housing units. For every family now in Married Housing there are three families who want in.

BABY-SITTING AND STUDYING go together here, where Len Flander keeps one eye on his textbook and the other on daughter Suzy while his wife Beth Flander is out working to help maintain financial solvency until that all-important sheepskin is nailed to the wall for all the world to see.

A PICTURESQUE PATIO ringed with murmuring palm trees — sorry, wrong place or switched cutlines. This photo shows the business side of Riverside, with rows of fuel oil drums and bottled gas containers.

WEIGHTY PROBLEMS are discussed across the fence by the junior citizens of Riverside-by-the-side-of-the-River. Taking part in such panel discussions as "What did you get for Christmas and how long did it take you to take it apart?" are Ian Montgomery, Margery Boven, Bill Schwarz and Blake Phelps.

LIKE A CHINESE PAGODA these poles do yeoman service supporting a tangle of wires which are seldom empty where the population includes more individuals adept at getting clothes grimy than it does mamas who struggle to get them clean. Mrs. Dan Kling hangs out her wash, hoping the oil burners behave for an hour.

FROM THE EAST SIDE of the river the camera looks down on Riverside Park which houses 102 State University of Iowa married students and their families. One of nine housing developments which provide homes for 698 families, this unit was built in 1947 as a temporary measure. Riverside Park derives its name from its location on the Iowa River. (Photos by Art L. Davis.)
