Arab Mideast Plan OK'd 80-0

Ludwig Terms Explorer IV Results 'Startling'

Means Bad News for Spacemen

Cape Canaveral, Fla. — Former TV campaigner in a string of space travel spectacles declared on Thursday he had written the only dissident in the world.

The TV star, a local resident, denied he was a dissident in the world. "I'm just a normal guy," he said. "I don't see any reason to be a dissident."

Ludwig said his book was entitled "Exploring the Space Station: A Lifetime of Risk and Reward" and is available worldwide.

Ludwig, who has written more than 20 books on space travel, said his work is "a true reflection of the human spirit" and a "valuable contribution to the future of space exploration.

Porter To Be Main Speaker At Conference

PORTER, Mo., June 18 (AP) — Porter was named the main speaker at a conference here today.

The announcement was made by Porter at the conference.

Dorothy Moeller Named to Post On Speech Journal

Dorothy Moeller, professor of public speaking and marketing at the College of Business, will be named to the speech journal post on Friday, said a source.

Moeller has been teaching at the college for 25 years and is known for her expertise in public speaking.

Central High Will Open 'All White'

LITTLE ROCK, Ark. — Central High School will be open to all students, regardless of race, on Sept. 2, an all-white high school that was closed last fall.

The school district closed Central High in response to a U.S. Supreme Court ruling that it had segregated the school.

The Supreme Court has ruled that desegregation must be "all deliberate speed" and in the best interests of the students.

Dorothy Moeller, a former teacher and the school's current principal, said the school board is "very excited" about the decision.

Historic U.N. Session Ends With Rapport

Dramatic Vote Called Victory for U.N. itself

UNION, N.Y., May 13 (AP) — The United Nations passed a historic resolution Thursday that paved the way for the United Nations to perform its duties.

The resolution, which passed by a vote of 186 to 3, was a significant step forward for the United Nations, which has struggled to maintain peace and security around the world.

The United States, the Soviet Union, and the United Kingdom supported the resolution, while the United States, the Soviet Union, and the United Kingdom opposed it.

The United Nations has been struggling to maintain peace and security around the world, and the resolution is a step toward achieving that goal.
Man Killed Near Riverside

George P. Anderson, 19, of Des Moines, was killed Thursday morning at 6:00 a.m. at University Hospitals of Iowa City, an auto accident on University Avenue between 11th and 12th streets.

Riverside police authorities said Anderson was traveling at a high rate of speed when his vehicle collided with a parked telephone pole.

The accident occurred near the intersection of 11th and University Avenue.

Anderson was pronounced dead at the scene of the accident by a coroner's doctor.

The automatic telephone exchange system was temporarily out of service following the accident.

The accident was investigated by the Iowa State Police.

Champion Women Killed in Herkimer

BRADFORD, NY (AP) -- A head-on collision Thursday morning between a car and a tractor-trailer killed three persons and injured four others.

The accident occurred at the intersection of Route 2 and Route 24.

The driver of the car was killed on the spot.

The driver of the tractor-trailer was transported to the hospital with critical injuries.

The accident was investigated by the Bradford County Sheriff's Department.

U.S., Britain May Ban Nuclear Tests

GENEVA (AP) -- Scientists by the World Health Organization and the American National Academy of Sciences who met in Geneva last week issued a joint statement against nuclear testing.

The statement called for an international ban on all nuclear testing.

It was signed by 120 scientists from 12 nations, including Dr. Hans Blix, director general of the International Atomic Energy Agency.

The statement was released at a press conference attended by representatives from several countries.

Fellowships Offered

Fifty national fellowships in science are available annually to junior undergraduate students who are not receiving any other fellowships.

The fellowships are for one year only.

The deadline for applying is March 15 of each year.

The fellowships are awarded to students who have shown outstanding promise in science.

In addition, 10 scholarships in science are available to students who are not receiving any other scholarships.

Arabs Let Everyone Off Hook—
 Won’t Do What They Haven’t Done

By J. M. ROBERTS

Associated Press News Analyst

The Arab ambassadors agreed not to do what they claim they have been trying to do—killing the Jordanian headline. Rudolph Schuman, the French Foreign Minister, also agreed not to do what the Arab communiques have said they would do. The French, therefore, are free to negotiate with the United Arab Republics, in the Middle East, to avoid an Arab-Israeli war. The French have already agreed to negotiate with the United Arab Republics.
