with faculty members and wives. At 7 p.m. on Tuesday play night will take the spotlight at the Fieldhouse. This is a combined sports and play night for both men and women which includes basketball, volleyball, swimming, handball, gymnastics and ping-pong.

There will be demonstrations of fencing, wrestling, a Dolphin swim review and athletic movies. A Sock Hop in the North Gym will complete the evening.

The Iowa Memorial Union will be the center of attraction on Wednesday when Activities Open House and an Informal Dance will be held in the Main Lounge and River Room from 1:30 to 4:30 p.m.

Here each campus organization will have a booth set up to acquaint new students with their respective organizations.

President Hancher's Open House is planned for Wednesday and Thursday evenings with half the groups being designated to attend each evening. They will meet President and Mrs. Hancher, University personnel and go on tours of the President's home.

Alternating with President's Open House will be a new Orientation function — church night. Here the student and fellowship centers of the Iowa City churches will be open to new students for an evening of relaxation and meeting new friends.

WASHINGON (AP) — Court-ap-

pointed monitors of the Teamsters

Union decided Friday to continue

their monitoring despite an attack

on the integrity of one of their

group.

The 3-man board is overseeing

the administration of Teamsters

President James R. Hoffa, check-

ing on charges of corruption and

other misconduct in the big union.

Thursday, Hoffa announced he

would ask the U.S. District Court

to remove monitor Godfrey P.

Schmidt.

He accused Schmidt of inflating

his expense accounts and of having

a conflict of interest as a monitor.

Schmidt, a New York lawyer,

called Hoffa "a professional liar,"

and defied him to prove his

charges.

NEW YORK (AP) — The New

York Stock Exchange Friday took

action against a member firm as

an outgrowth of heavy speculation

and plunging prices in U.S. gov-

ernment bonds.

The Jordan Government for its part has ordered a halt on radio

attacks from here on President Nasser.

AMMAN, Jordan (AP) — Private radio monitors said Friday the

propaganda war between Jordan and United Arab Republic broad-

casting stations has died down considerably the past couple of weeks.

Cairo and Damascus stations still claim King Hussein is playing

Britain's game, but most of these broadcasts are now in the form

of quotations from Moscow newspapers.

The Jordan Government for its part has ordered a halt on radio

attacks from here on President Nasser.

CAPE CANAVERAL, Fla. (AP) — The Air Force fired another Snark, the intercontinental guided missile that soon may be deployed with the Strategic Air Command.

The Snark, the only U.S. mis-

sile currently capable of span-

ning intercontinental range, was

aimed at an impact area some

6,000 miles across the Atlantic near Ascension Island.

The results of the test were

not announced, but if successful

the Snark cruised over the ocean

for some 10 hours before its nose

cone broke away and sped in on

target like a guided bomb.

The primary charge against

Garvin, Bantel was that the firm

in some instances failed to require

the prescribed margin for trading

in government bonds.

On government bonds, the ex-

change requires a minimum of

only 5 per cent—that is, a deposit

in cash of 5 per cent of the total

purchase price.

Other charges were that the firm failed to follow sound busi-

ness practice, did not use due

diligence, failed to keep proper

records, and followed practices

detrimental to the interest of the

exchange.

Hawkeyes End 2-a-Day Practice Sessions

Gravel Moves Up to 3d Unit At Halfback

Twice-daily practices are over for Iowa football players and neither coaches nor athletes are sorry to see them end.

"We don't like them but under the present plan we have to have them. The twenty days of work in the spring don't permit us to get enough done," said the coach Forest Evashevski.

Players Get Tired

The coach went on to say that athletes get physically tired and therefore are more liable to receive injuries. He pointed to a rash of ailments which are holding back development of some much-needed men.

Several more changes in the lineup of the second and third teams have been made. As the search goes on for reserve interior linemen, these changes are practically a daily occurrence.

Humphreys, Novack Advance
Lloyd Humphreys was back at No. 2 center again with Steve Turner at No. 3 and Jerry Novack moved up from the fourth team to No. 2 left guard, pushing Bill Ringer down to No. 3 and Al Dunn to the fourth spot.

Since Mitch Ogiego slightly re-injured his bad ankle, Olen Treadaway, a long-man, is second quarterback behind Randy Duncan and Bill Gravel is at No. 3 left halfback, now that Geno Sessi has undergone a knee operation.

Bill Gravel
Running With 3d Team

It's likely that much work next week will be done on defense, especially since the coaching staff will have more information on the intricacies of the Texas Christian attack as shown in the Kansas game today. The TCU team plays in Iowa Sunday Sept. 27, the first of three straight home games for the Hawkeyes.

Iowa assistant coaches Archie Kodros and Whitey Piro will be on hand today at Lawrence to scout the Horned Frogs for the Hawkeyes.

For the first time in several years, the Hawkeye No. 1 unit has remained intact since the first day of fall practice Sept. 2. This is an all-veteran eleven, six of the players being seniors.

The Iowa gridders spent Friday morning watching films of last Saturday's practice. The afternoon workout was a short one—approximately one and one-half hour—as Evy prepared his squad for a hard game-type scrimmage this morning.

Iowa Games on TV Sun. Afternoons

A 6-channel television network will show Iowa football game films, with commentary by coach Forest Evashevski, each Sunday at 4 p. m. from Sept. 28 through Nov. 30.

Narration will be handled by Al Couppee, sports director of Station KRNT-TV, Des Moines. Couppee, quarterback on the famous 1939 Iowa team, also is 1957-58 president of the "I" Club.

TV stations carrying the one-hour program are WMT-TV, Cedar Rapids; WOC-TV, Davenport; KQTV, Ft. Dodge; KGLO-TV, Mason City; KVTV, Sioux City; and KRNT-TV, Des Moines. The program will originate from Des Moines.

Ortiz Decisions Busso

NEW YORK (AP) — Carlos Ortiz evened an old score with the only man who beat him when he won a unanimous decision over Johnny Busso Friday night in a fast 10-round at Madison Square Garden. Ortiz weighed 137, Busso 140 pounds.

Despite his defeat in their first meeting June 27, Ortiz is the 7-5 favorite in the bitterly-fought rematch.

TCU In Good Shape For Kansas Today

FORT WORTH — TCU should be near top physical strength when it opens the season against Kansas today.

Chef Abe Martin reported "everyone at near physical peak, except for the usual aches and bruises." The only severe casualty in the long fall work was sophomore Shellee Hearren. The 190-pound right guard underwent a knee operation Tuesday and will be lost for the season.

Martin also said Joe Robb, regular right tackle last fall, is rounding into shape after being hampered by a boil on his right arm. The 215-pound senior is alternating at first-string slot with the promising newcomer Robert Lilly, a 240-pound giant.

Defense and emphasis on the passing game highlighted the final week of work.

"We've come along about as I expected" said Martin. "Our attack is becoming more polished with each workout. We should be ready for those Kansas folks."

The Frogs finished most of their rough work with a long "game-condition" scrimmage Saturday with the first, second and sixth

Martin also liked the kickoff return work of sophomore Harry Moreland. The 160-pound Moreland, a high school sprint champion his junior year, almost broke on runs of 34 and 53 yards.

Martin hinted at several spot substitutions, especially at the end slots in various situations. Justin Rowland and 6'7" Aubrey Linne could be pressed into quick service.

Defensively, the first unit failed to yield a single touchdown in the many scrimmages both daily and on the two Saturdays, and few first downs. The No. 1 line is called "one of the most rugged ever at TCU."

Reasons for expected improvement are return of all 1957 Iowa team members and addition of a large group of sophomore runners. Iowa opens its season here Oct. 4 with U.S. Air Force academy, a few hours before the Hawkeye and Falcon football teams meet in the stadium.

Six other lettermen will help Jones. They are Jack Hill, Davenport; Eric Clarke, Guernsey; Great Britain; Dave Drew, Dewart; Ralph Lyle, Des Moines; Bruce Trimble, Cedar Rapids; and Quentin Wilkes, McIntire.

They helped Iowa to place second in the Big Ten last fall and to win two of three dual meets.

Two sets of twins, practically identical, figure to confuse finish judges. They are the Hermiers, Ray and Rich, from Waukon; and the Ashtons, George and William, from Davenport.

Better sophomores include Bill Boyd, Boise, Ida., former winner of second place in the Iowa AAU meet; and Denny Redder, a 1:57 500-meter miler from Gladbrook.

After the Air Force Academy opener, Iowa has dual meets with Wisconsin at Madison, Oct. 18; Chicago Track club here Oct. 25 and Minnesota at Minneapolis, Nov. 8. The Big Ten meet is at Chicago Nov. 14 and the National Collegiate affair at East Lansing, Mich. Nov. 24.
