

Iowa Hawkeyes Face Air Force Academy Falcons Today

Second Game Of Year For Both Squads

By LOU YOUNKIN

The Air Force Academy Falcons invade Iowa Stadium today at 1:30 p.m. to face coach Forest E. Vashkevski's Iowa Hawkeyes in the second game of the year for both teams.

Air Force opened its season last Friday night with a 37-6 romp over Detroit University at Detroit while the Hawks shutout Texas Christian here last Saturday, 17-0.

A crowd of at least 45,000 is expected to be on hand for the second of six Iowa home games in 1958. Last week's TCU game drew a record opening game throng of 54,500.

The Hawkeyes have been installed as a three touchdown favorite.

First Meeting

This will be the first meeting between the two schools. The air-men, whose home base is Colorado Springs, Colo., have seniors in their lineup for the first time since the academy first opened its doors in the fall of 1955. Iowa will be the first Big Ten opponent for the Falcons in their first season of a toughened schedule.

Other '58 Air Force opponents are Colorado State, Stanford, Utah, Oklahoma State, Denver, Wyoming, New Mexico and Colorado. Last year the airmen compiled a three win, six lost and one tied record with victories over Occidental, Detroit (19-12) and New Mexico with a tie with Wyoming. They dropped a 47-0 decision to UCLA in their first attempt at a major football power.

With the advent of four classes now, the Academy is still at only 40 per cent of its projected full strength. The total of 2,500 is expected to be reached by 1962—the present enrollment is approximately 1,150.

From the outlook and personnel, it appears the airmen cannot match Iowa in power, but Iowa scouts have warned that the Falcons are sharply drilled, execute their unbalanced line attack with finesse and have tremendous spirit.

Two Iowa Changes

Eshkevski's probable starting lineup will probably have two new faces from a week ago — Bob Prescott at right end and John Sawin at right tackle. Both were impressive in the defeat of the Horned Frogs and have replaced end Don Norton and tackle Mac Lewis in practice this week.

The visitors will be hampered in the line by a lack of weight as an Academy regulation limits the size of cadets to 6' 4" in height and 215 pounds. The line will average 201 pounds a man to Iowa's 212. When Lewis replaces Sawin in the Iowa line, the Hawks will average 226 pounds up front with the insertion of the 305-pound senior.

The four Iowa backs average 186 pounds to 182 for the visitors for a team average of 203 for Iowa and 194 for the Falcons.

Eight states will be represented by the 11 Air Force starters. Ohio, Michigan and Minnesota have two with West Virginia, Oklahoma,

Locals Keep GM Closed

DETROIT (AP) — Hoping for a change by Monday, General Motors Friday approached the workers with its massive array of car-making plants paralyzed by the backwash of a 12-hour national strike.

Local disputes kept 126 plants in 71 U.S. cities shut down despite a new 3-year master contract agreed upon Thursday night by GM and the United Auto Workers.

The UAW's 250,000 GM employees walked off their jobs when a strike deadline passed without an agreement.

Then, when a settlement was reached, they stayed out with the blessing of UAW President Walter P. Reuther to back up their local demands.

GM said it hoped the trickle of workers going back to their jobs would start Monday, putting the world's largest manufacturing concern back in the race for production and sale of 1959 model cars.

Local meetings of UAW and GM officials were to continue coast to coast over the week end in efforts to iron out differences that have piled up since old contracts expired four months ago.

To become effective, the national contract must be ratified by UAW locals by Oct. 20.

In past national strikes in the auto industry, one or two weeks have been needed to clear away local disputes and put all plants back into operation.

U.S.: No High-Level A-Talks

800 Cadets To Attend Iowa-Air Force Football Game

24 Buses Bring Men To Iowa City

The Air Force will be well represented—at the field and in the stands—at the football game this afternoon.

Eight hundred cadets from the Air Force Academy are expected to arrive in Iowa City about 11 a.m. The 44-member Falcon squad and school executives landed at the Cedar Rapids Air Port at 6:30 p.m. Friday.

Although the recruiting posters say "You go places faster in the Air Force," the cadets took the slow way—by bus.

They left Colorado Springs, Friday afternoon aboard 24 chartered buses and the 800-mile trip was expected to take about 18 hours.

The cadets will be escorted into Iowa City by the Highway Patrol and will go directly to the Fieldhouse to shower and clean up. They will be served box lunches prepared by the food service at the Iowa Memorial Union.

The contingent, which is expected to give the Iowa cheering section plenty of competition, will march en masse on to the SUH field just before game time, execute a few drill movements and take their seats. They are not expected to perform at halftime.

The cadets are expected to leave Iowa City about 11 p.m. to start their trip back to Colorado Springs.

SUI President Virgil M. Hancher will host four academy faculty executives and their wives at a noon luncheon before the game.

Guests include: Maj. Gen. James G. Briggs, superintendent of the academy; Brig. Gen. Henry R. Sullivan, Jr., commandant of the cadets; Col. Charles M. McDermott, dean of faculty; and Col. Stephan D. McElroy, chief of staff.

The Air Force mascot, Mach 1, the SUI marching band and the Scottish Highlanders will perform at halftime.

The band's halftime routine, "Beyond the Blue Horizon," is a salute to the Air Force. Formations will include a "Stairway to the Stars" and feature the band's two twirlers, Margaret Rossie, Iowa City, and Ann-Nita Ekstrom, New Carlisle, Ind.

During the halftime show the band will also form a parachute, jet plane, the air force's propeller and wings insignia.

Jordan Charges Russian Meddling In Middle East

UNITED NATIONS, N. Y. (AP) — Jordan accused the Soviet Union Friday of trying to prevent Arab nations from working out their own Mideast settlement.

Jordan's Abdul Monem Rifai leveled the charge in the 81-nation General Assembly as the Soviet Union made clear it will press a full-blown attack here on U.S.—British Mideast policy. Secretary General Dag Hammarskjold also is due for Moscow-style criticism.

Rifai accused Soviet Minister Andrei Gromyko of fishing in troubled waters and raising obstacles to peace.

He was replying to a speech by Gromyko Thursday accusing the United States and Britain of stalling on removal of troops from Jordan and Lebanon and assailing Jordan's King Hussein. American troops are being withdrawn from Lebanon and Britain is set to begin pulling out of Jordan Oct. 20.

Murray Says He Rejected \$30,000 In Contributions

DES MOINES (AP) — The Iowa Legislative Investigating Committee Friday received a statement from William G. Murray, Republican candidate for governor, in which he told of rejecting indirect campaign contributions of \$25,000 and \$5,000.

Murray's outline of the offers was given in the statement taken by Asst. Atty. Gen. Don G. Swanson, counsel for the committee. Swanson interviewed Murray after the candidate told of the \$5,000 offer in a recent speech.

Murray was asked by Swanson to advise the committee immediately if Murray receives any further contacts from any individual or organization, suggesting contributions in exchange for appointments or personal favors, or any

Faubus: Never Open Integrated Public Schools

By THE ASSOCIATED PRESS

Gov. Orval E. Faubus of Arkansas hurled new defiance at the U.S. Supreme Court Friday, declaring he would never open public schools for racially mixed classes.

Speaking at a news conference at Little Rock, Faubus declared "I will never open the public schools as integrated institutions."

Reporters asked what would happen if the high schools are reopened — in defiance of federal court orders — on a private, segregated basis. He replied: "The only recourse the Federal Government would have would be to send in marshals and the Army to forcibly eject teachers and students."

Faubus charged federal courts with "simply playing for a bloc of votes in the Northern states." He predicted plans for private schools in Little Rock would succeed, declaring federal courts have no authority to say how state money is being spent.

New court tests of Virginia's anti-integration laws are slated next week. Attorneys for the National Assn. for the Advancement of Colored People will plead for reopening of public schools in Norfolk and Warren County.

5-Year-Old IC Girl Critical; Hit By Car

Boy Suffers Minor Injuries In Accident

Five-year-old Sally Ann Linnell was reported in critical condition late last night by SUI hospital officials, after being struck by a car early Friday morning.

Hospital officials said she had a skull fracture above her left eye. Police said Sally was playing in the front yard of her home at 928 S. Riverside Drive when she dashed into the street in front of a car driven by Wendell Eden, 717 Keokuk Ct.

No charges were filed against Eden, police said. Russell Meyers, Jr., age 9, 716 N. Van Buren St., suffered minor injuries when he was knocked off his bicycle Friday afternoon on the Burlington Street Bridge.

Russell was taken to University Hospitals and released after he was treated by his father, Russell Meyers, professor and chairman of the neuro-surgery.

Iowa City Police reported that Russell was riding his bike east over the bridge at about 4:25 p.m. and as he came out between two cars, he pulled in front of a car driven by Richard McKeen, 30, Chicago.

California College Offers Education Installment Plan

PASADENA, Calif. (AP) — A top science school is offering education on the installment plan.

The California Institute of Technology said Friday that starting next year tuition will increase to \$1,275 from \$900.

To ease the financial strain on students and families, the school will arrange loans up to \$1,275 a year for four years, repayable at \$30 a month at 5 per cent interest.

Loans of \$900 a year will be made for four years, with the student paying interest only while in school. After graduation he'll repay at a minimum of \$50 monthly, plus interest.

3 SUIowans Attend Series Games —

Chose Baseball Over Classes

While most Iowa Citizens followed the World Series by radio and TV, three SUI baseball fans took time off from classes to attend the first two games of the series played at Milwaukee Wednesday and Thursday.

The three, Todd Parker, A4, Des Moines, Carl Frederici, A3, Sioux City, and Dave Seger, A3, Davenport, who claim that they take their baseball pretty seriously, said they just couldn't resist driving to see the series. All three live at the Sigma Chi Fraternity house at 703 N. Dubuque St.

Two of the three were quite happy about the results of the first two games which the Braves won 4 to 3 and 13 to 5.

"Casey Stengel can no longer talk about the Braves as being in the 'Bush leagues'" Seger commented. "They played and looked like a polished ball club."

Frederici, the only one of the three who favored the Yanks, said that he was impressed by the pitching, particularly in the first game.

All three concurred that the series would go only five games after seeing the Braves play. As Parker explained, "We'll give the Yanks one game."

The trio hold tickets for the sixth and seventh games to the series, but by their own prediction don't expect the series to last that long. They plan to use the tickets

Cast Announced For SUI "Picnic" Production

The cast for the University Theatre's first play of the season, William Inge's "Picnic," has been announced by the director Ronald Gee, instructor in the SUI Dramatic Arts Department.

The cast for the play will be: Helen Potts, Marilyn Fifield, G. Oxford Junction; Hal Carter, Edward Bell, G. New York City; Millie Owens, Joni Hummel, A3, Dallas, Tex.; Bomber, Robert Young, A1, Plainfield; Madge Owens, Yvonne Bonsall, G. Santa Barbara, Calif.; Flo Owens, Dodie Jeck, A3, Spirit Lake; Rosemary Sydney, Virginia Grell, A1, Ventura; Alan Seymour, Kenneth Brown, A3, Council Bluffs; Irma

Three Cars Pile Up In Pep Caravan

A high spirited crowd of about 2,000 attended Friday nights pep rally for the SUI-Air Force Academy game.

One of the high notes of the rally was the 20 car caravan. Shortly after the caravan left the Old Army bound for the rally, three of the cars were involved in a minor accident on the corner of Washington and Madison Streets about 6:55 p.m. There were no injuries, but Iowa City Police estimated about \$300 damages to the three cars.

The front end was smashed in on the third car owned and driven by Harry A. Willey, R.R. 4. Willey's car ran into the rear of the car driven by Ronald E. Calabaugh, A1, Humbolt.

The rear trunk of Calabaugh's car was dented and sprung and the right rear fender smashed. Calabaugh's car in turn hit and damaged the rear bumper of the car in front driven by Carl D. Lambert, A1, Des Moines.

The pep rally started at 7 p.m. as the crowd heard Bill Hoppel, freshman football coach, Bob Jeter and Randy Duncan.

A skit was produced by Zeta Tau Aupha and Phi Kappa Alpha.

Tickets for the series were bought by Seger who is employed by the Braves farm system in an administrative position during the summer.

But Door Left Open For Later Get-Together

Red Proposal Received Two Days Ago

WASHINGTON (AP)—The United States indirectly told Russia Friday it is not interested in raising to the foreign minister level a planned meeting to work out a safeguarded nuclear weapons test ban.

But the way was left open for such a get-together later, provided some progress is made at ambassadorial talks scheduled for Oct. 31 at Geneva.

Officially, the State Department was not commenting on the Soviet proposal of two days ago to elevate this matter to the foreign minister level. The department said the matter is under study.

But the department disclosed Secretary Dulles plans to attend a Nov. 10 meeting at Seattle, Wash., of the Colombo Plan nations which cooperate on economic development in Southeast Asia.

The clear implication was that the answers to the Soviet proposal was no. The Geneva talks are certain to continue for some time, and Dulles obviously could not be in both Geneva and Seattle at the same time.

Both the United States and Britain are chary of a flat rejection of the Soviet proposal. It would be bad public relations in cold war diplomacy.

But officials said a U.S.-British-Russian foreign ministers meeting on a nuclear weapons test ban would have two big disadvantages: It would unduly raise the world's hopes for an agreement to halt nuclear tests under adequate controls and it would take the ministers away from other pressing tasks for four or five weeks of difficult, complicated negotiations.

This country and Britain have offered to suspend weapons tests for at least one year starting Oct. 31 provided the diplomatic talks get under way by then and provided that Russia also refrains from nuclear tests.

The Soviets this week lifted the suspension they announced last March 31, setting off at least four explosions. Moscow said Friday it ordered the blasts because both the United States and Britain had held tests after Russia's March 31 suspension.

The United States and Britain ignored the new Soviet blasts as far as the Oct. 31 session is concerned. The State Department said President Eisenhower's pledge to quit testing after Oct. 31 still holds unless Russia keeps testing after that date.

New MIG Attack Heightens Danger Of Far East War

TAIPEI (AP) — A sudden attack by four Communist MIG17s on Chinese Nationalist supply planes off Quemoy heightened the danger Saturday of the offshore island war entering a new deadlier phase.

One Nationalist C46 cargo plane was heavily damaged by the swooping Red jets Friday afternoon but managed to land on Quemoy, the Defense Ministry said. Two crewmen were wounded.

The MIG attack dampened optimism about the growing air and sea supply line to Quemoy. Success in resupplying the artillery-blockaded island and the promise of bigger supply efforts had prompted American officials to predict publicly and privately Friday that Quemoy could not hold out at the present level of supply runs, sea and air.

The attack was apparently the closest Communist jets have penetrated to Quemoy since the second day of the offshore war, Aug. 24, when eight MIGs strafed the island. Exact location of the Friday attack was not given.

Iowa City Fire Department Slates Open House Sunday

There have been 115 fires in Iowa City since January and a high proportion of these fires resulted from sheer carelessness, Vernal Shimon, assistant fire chief, said Friday.

SUI Visit Still Off —

Hospital Releases Rev. King

The Rev. Martin Luther King, Jr. Negro integration leader who recently cancelled his scheduled lecture at SUI, was discharged Friday from a New York hospital.

Although the Rev. King left Harlem Hospital, he plans about three weeks of out-patient treatment in New York City before returning to his Montgomery, Ala., home for further recuperation, an Associated Press report said.

The Rev. Mr. King was stabbed Sept. 20 while autographing copies of his book, "Stride Toward Freedom," in a Harlem department store.

His assailant, Mrs. Isola Ware Curry, 42, is undergoing mental examination at Bellevue Hospital.

The Rev. Mr. King's agent told SUI officials early this week that his scheduled Oct. 22 lecture here would have to be cancelled because the Rev. Mr. King would be under doctors' care for the next three months.

Good Listening— Today on WSUI

FOOTBALL IS ALL on WSUI today and throughout most of the countryside. For hours before our game begins, WSUI will be providing background information about the competing teams, special interviews with people associated with the game and bulletins about traffic conditions, parking facilities and weather. This will all take place on Cue beginning at 9:30 this morning.

Specifically, in addition to its regular features, Cue this week will introduce in its pre-game football coverage a presentation unique in radio broadcasting. From last week's games involving Big Ten teams, all of which were tape recorded, Tom Koehler has selected the highlights and brought them together in an exciting, rapid-fire 15 minute survey.

Highlights to be aired are taken from the following games: Ohio State—So. Methodist, Purdue—Nebraska, Michigan—So. California, and Michigan State—California. Later on Cue portions of the Iowa-TCU contest of last week will be heard.

Other segments of Cue directly related to football include the regular interview with Coach Evashkevsky, the newspaper and radio reporters' Roundtable, an interview with the Air Force Academy sports publicity director, excerpts from Sports at Midweek on the new extra-point rule and brief interviews with Western Conference referee Ross Dean, the injured Geno Sessi, SUI Band Director

West Coast Fire Sweeps Up Mountain

MONROVIA, Calif. — Flames swept unchecked up the brush-covered slopes of the San Gabriel Mountains Friday leaving eight football homes in smoking ruins.

Firemen appeared to have won their fierce battle to keep the blaze from destroying any more homes. Now it has turned its fury on the Angeles National Forest above Monrovia.

In the 24 hours since the fire broke out it has laid waste to 1,300 acres, routed hundreds from their homes, and forced evacuation of two sanitariums.

The burned homes, seven in Monrovia and one in neighboring Bradbury, were all lost Thursday night when the fire swept down from the hills to within a quarter-mile of thickly settled residential areas.

Five hundred men were massed between the rows of threatened homes, some in the \$30,000 to \$100,000 class.

Their efforts, plus a lucky wind shift, stopped the advance.

Ike Will Wage Vigorous Fall Political Campaign

WASHINGTON — President Eisenhower is planning to take a very active and very aggressive part in the political campaign now warming up.

In fact, Republican National Chairman Meade Alcorn Friday told newsmen it is a very fair conclusion that Mr. Eisenhower is putting more leadership into this year's campaign than in any other political effort.

Mr. Eisenhower has already scheduled one Western speaking tour and the White House has said other campaign activities are being worked out.

These may include one or more nationwide radio-television broadcasts between now and the Nov. 4 election.

The President is scheduled to start campaigning in earnest week after next.

On Oct. 12 he goes to New York City to take part in Columbus Day ceremonies. On Oct. 14 he will be guest at a birthday breakfast in honor of his 68th anniversary at a Washington hotel.

Then on Friday, Oct. 17, he and Mrs. Eisenhower leave on a trip that will take them to Cedar Rapids, Iowa; Abilene, Kan.; Denver, Los Angeles, San Francisco and Chicago.

Alcorn, after conferring with the President, told newsmen no limit has been placed on Mr. Eisenhower's campaigning. He said he told Mr. Eisenhower that Republican leaders around the country had reacted enthusiastically to his attack on GOP apathy and complacency, voiced at a news conference Wednesday.

Alcorn said there will be a discussion of key issues at a GOP strategy conference which Mr. Eisenhower has called for Monday.

Alcorn said the Democrats have been switching their emphasis on campaign issues. They started off with defense as the main topic, he said, then shifted to unemployment, then to inflation, and now he said it is Quemy and Matsui.

Alcorn said Democratic Sens. John F. Kennedy of Massachusetts and George Smathers of Florida and others are "preaching appeasement."

For their part, Alcorn said the Republicans have been concentrating on these five issues: Maintenance of peace, fiscal integrity, economic strength, free enterprise, and the enactment of adequate and effective labor legislation.

Applications for scholarships to start in October, 1959, must be received not later than Oct. 31, 1958. Additional information regarding application procedure may be obtained from the SUI Graduate College, the British Consulate-General, 720 N. In an article urging American students to participate in British academic programs, Allardyce Nicoll, Professor of English at Birmingham University and director of the Shakespeare Institute at Stratford-on-Avon, Warwickshire, makes the comment:

"One may well hope that the increasing numbers of American students coming to work in England will not think merely of the two or three familiarly recognized centers

(Oxford, Cambridge and London), but will survey the entire larger academic area, making choice of such institutions as seem to offer them the best facilities for the pursuit of their chosen themes.

"If American students who have chosen the areas of investigation which they wish to pursue take into consideration what is offered to them by the more provincial universities, they may well discover a peculiar advantage accruing from registration there. In general, they will find special encouragement given to postgraduate researchers and professors who are anxious to give personal assistance to younger scholars working within their own fields of interest."

Government Lifts Secrecy Label From Millions of Classified Documents

WASHINGTON — The secrecy label was lifted Friday from millions of military papers dating back to Jan. 1, 1946 and beyond. This was at the order of Secretary of Defense Neil McElroy and it drew praise from champions of freedom of information. The mass declassification order applies to almost all military documents stamped top secret, secret and confidential before 1946. Some of the documents which now may be freely seen deal with things that happened before America entered World War I in 1917.

Co-Producers Of TV Quiz Show "21" Take Leave To Prove Their Integrity

NEW YORK — Co-producers of the NBC-TV quiz "21" took a leave of absence Friday to fight charges that the show is rigged. The co-producers, Jack Barry and Dan Enright, said they will establish their "absolute integrity." Two former contestants have charged that they received in advance answers to questions put to them on the show. Barry will continue as Master of Ceremonies of the show.

Mayor Egan Loses His New Almost-Police-Chief Patti Counts

CHICAGO — Aurora's Mayor Paul Egan and almost-police-chief Patti Counts went their own ways Friday—Patti to find a bigger scrapbook for her publicity write-ups, and Egan to admire a new fire engine. The 28-year-old Miss Counts was appointed police-chief Thursday by Egan, who suspended Aurora's 68-man police force earlier this week. The mayor of this 57,000-population Chicago suburb has forced about 10 chiefs of police out of office in his 4-and-one-half years in office.

Coroner's Jury Rules Death-Dealing Spirit Lake Accident Due To Speed

SPIRIT LAKE — A coroner's jury ruled late Friday that an auto accident that took the lives of three Spirit Lake school students was caused by excessive speed. Killed outright were Wendell Martens, 13, son of Mrs. Minnie Mertens, and Eva Belle Sturges, 15, daughter of Mrs. George Furne of Spirit Lake. The third victim of the one-car crash in nearby Orleans Thursday night died Friday. She was Marty Walsh, 15, daughter of Mr. and Mrs. Bernard Walsh who farm in Jackson County, Minn. The car missed a curve.

De Laula Asks Algerian Rebels To Lay Down Their Arms

CONSTANTINE, Algeria — Premier de Gaulle called on Algerian rebels Friday to lay down their arms. He promised Algeria's troubled Moslems more land, more schools, more jobs. In a speech before at least 50,000 cheering Moslems and Frenchmen, the French Premier proposed a new 5-year plan that calls for a vast outpouring of French wealth into the revolt-torn territory. But he said clearly there was going to be no independence for Algeria.

Again this year, Marshall Scholarships will enable 12 American college graduates under the age of 28 to study for degrees at British universities. The scholarships are granted for two years, with an annual value of approximately \$1,400 plus tuition fees, with some \$560 extra provided for married men.

Applications for scholarships to start in October, 1959, must be received not later than Oct. 31, 1958. Additional information regarding application procedure may be obtained from the SUI Graduate College, the British Consulate-General, 720 N. 'Skirts Ahoy!' Is Theme For Fashion Show

"Skirts Ahoy!" is the theme for this year's Profile Preview, the annual style show for freshmen and transfer women students at SUI. The 1958 show will be presented in the Main Lounge of Iowa Memorial Union Oct. 16 at 7:30 p.m.

Highlight of "Skirts Ahoy," sponsored by the University Women's Association, will be the selection of a Miss Perfect Profile and two attendants from a field of 90 finalists.

Outfits to be modeled will feature the 1958-59 collegiate look in sportswear, classroom suits, coats and semi-casual wear, as well as dressy afternoon and formal gowns.

One of the first big social events of the year, the style show will be supervised by Miss Barbara Bloom of Chicago, assistant midwest coordinator for Mademoiselle Magazine. Miss Bloom will also serve as head judge on the panel selecting Miss Perfect Profile.

Arthur Schmeichel Attending Course For Supervisors

Arthur Schmeichel, shop supervisor for The Daily Iowan, is currently enrolled in a Short Course in Supervisory Development at the SUI Center for Continuation Study.

Designed for supervisors, foremen and those who are seeking such positions in business and industry, the class opened Thursday and will continue to meet at 7:30 p.m. each Thursday for nine weeks.

The course is sponsored by the SUI Bureau of Labor and Management and the State Department of Public Instruction's division of vocational education.

The section next Thursday will consider "The Motivation Process," covering problems involved in developing in employees the desire to produce and in the supervisor's own motivation.

Engineers Honor SUI's Schneider

George R. Schneider, associate professor of mechanics and hydraulics, was the recipient of a certificate of appreciation from the American Society of Civil Engineers, Mid-South Section, at a meeting held in Memphis, Tenn.

The award, presented at a joint session of the Mid-South Section and the Irrigation and Drainage Division of the A.S.C.E., was given in recognition of Schneider's "devotion to duty while serving as president of the said section during the year 1946."

The Mid-South Section is comprised of Tennessee, Arkansas, and parts of Missouri, Mississippi and Illinois.

Larsen To Face Rush In 3d Series Game Today

Yankees Need Win To Keep Hopes Alive

NEW YORK (AP) — Bob Rush will try to make it three in a row for Milwaukee and Don Larsen, the perfect game pitcher of 1956, will attempt to halt the rout of the New York Yankees in today's third World Series game.

The weatherman wasn't too cooperative. He said there was a slight chance of light rain in the morning. However, he forecast a high of about 65 degrees for the first Yankee Stadium game. About 69,000 will attend, if the 14,000 bleacher seats are sold this morning.

Work Out Friday
According to the schedule, Friday was an off day for travel. You wouldn't know it if you were a player. The two clubs flew in from Milwaukee Thursday night and reported Friday for workouts at the stadium.

Casey Stengel called his slightly groggy Yankee athletes to a morning workout, hoping to devise some means of containing the bruising Milwaukee attack. In the first two games, the Braves shredded the Yankee pitching staff for a .332 team batting average. The Yanks were able to manage only a puny .217 against Warren Spahn and Lew Burdette.

It has been done before but the situation facing the proud Yanks is desperate. Both Whitey Ford and Bob Turley, his two top winners, have been beaten and his relief staff has been battered beyond recognition.

Perhaps Larsen, despite a so-so 9-6 record, can do it. If he can't the Yanks could be flattened in four straight. The 1922 New York Giants were the only club ever to whip the Yanks 4-0 but even then the Yanks managed to get one tie game.

Larsen was out of action for over a month with elbow trouble but tuned up recently with two fine efforts. He has a 2-2 series record, beating Brooklyn with his perfect game in 1956 and grabbing a decision in relief of Bob Turley in last year's third game. Brooklyn beat Larsen in 1955 and knocked him out in '56, a game in which the defeat was charged to Tom Morgan.

Against the Braves in 1957, Larsen allowed five hits in a 7½-inning relief job in the third game. Facing Burdette in the seventh game, he was knocked out in the third inning.

Rush, three years older than Larsen at 32, will be making his first series appearance. The Chicago Cubs traded him to the Braves last winter in a surprising deal. He has managed a 10-6 record for Milwaukee, using more changeup pitches than sinking fast balls as of old.

Fred Haney, the Braves manager, took Rush off the starting rotation in July after 10 straight knockouts but restored him a short time later. Four of his 10 victories were earned after Aug. 24 when the Braves needed a little help because of Joey Jay's injury. Rush's old trouble has been the home run ball. This year he gave up 13.

Spahn Sunday
Warren Spahn, the 4-3 winner in 10 innings Wednesday, will be Haney's Sunday pitcher. If Saturday's game is rained out, Spahn very likely will replace Rush in the rotation.

Stengel wouldn't give out a batting order. He had thought Haney would pitch the lefthanded Pizarro. As a result he had to go into a long huddle with himself. The results may not be known until this morning.

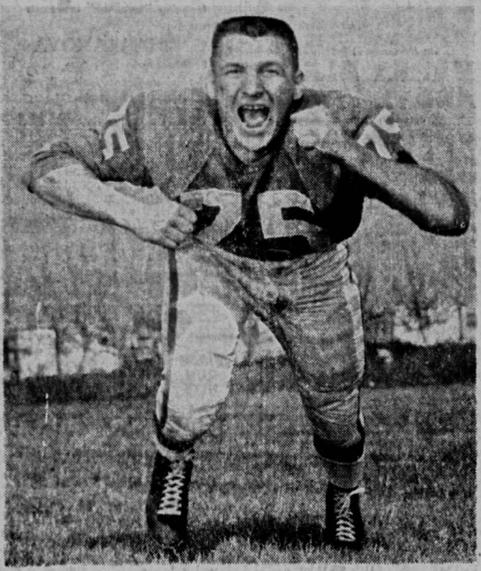

Elston Howard, the catcher-outfielder who injured his left knee when he ran into the left-field fence Thursday trying to get to Lew Burdette's home run drive, is available for action.

It was expected that Stengel would play Jerry Lumpe on third base instead of Alex Carey, hitless in the first two games. Either Howard or Norm Siebern will be in left.

Rain Won't Help
Each manager said he didn't think he would be helped much by any rainout. However, a postponement might set up a return battle between Spahn and Ford.

One of the Yank's main problems is stopping Billy Bruton. Although he didn't get into the series until late in the first game, he is the leading hitter with four out of six for a .667 average. Hank Aaron, who now has hit safely in nine straight games against the Yankees, is hitting .375. So is Wes Covington.

Hank Bauer is the top Yankee with four for nine and a .444 average, including two home runs. Gil McDougald is hitting .375 and Mickey Mantle has two home runs and a .333 mark. Bauer, incidentally, has hit safely in the last 16 series games, breaking his record every day.

Stengel, Haney Make It Rough For Television Interviewers

NEW YORK (AP) — Three well-meaning television interviewers gave Casey Stengel and Fred Haney a tough time as they World Series clubs worked out at Yankee Stadium Friday. But it was nothing to the tough time Stengel and Haney gave them.

Stengel gave 'em the needle. Haney gave 'em the air. Stengel was asked, by one, whether his New York Yankees were choking up.

Sportswriters standing nearby chatting turned to hear the answer from Casey, whose New York Yankees have lost the first two games to Haney's Milwaukee Braves.

Stengel glared a bit, but otherwise remained calm.

"If anybody chokes up," Case replied into the tape recorder, "it won't be me or the players but

maybe some fella studdering' into a mike."

After leaving Casey, the three men with mikes set up shop in front of the Braves' dugout and with film cameras (this was to be "canned" for evening telecast) grinding, one asked Haney whether he thought "the Yankees are playing like a bunch of bushers."

"I consider that an unfair question," said Haney. "You, sir, are a needler. You can go to the devil."

That ended the interview and junked the tape.

Stengel's chat on tape was longer. So was the needle.

Noting Milwaukee's 2-0 lead, one man with a mike asked whether the Yankees were out of it, victims of "over confidence."

"If I thought that," said Stengel, "I wouldn't be out here this early 11 a. m."

6-Player Swap Sends Ennis To Reds, Crowe To Cards

ST. LOUIS (AP) — Two aging slumping sluggers, Del Ennis of St. Louis and Cincinnati's George Crowe, changed uniforms Friday as part of a straight 6-player deal that opened baseball's winter trading season.

St. Louis obtained infielder Alex Grammas and pitcher Alex Kellner from Cincinnati for rookie pitcher Bob Mabe and infielder Eddie Kasko. No cash changed hands.

The deal was hatched Thursday by St. Louis General Manager Bing Devine and Gabe Paul, the Redlegs' G. M., while they watched the second game of the world series at Milwaukee. Also consenting were the newly hired managers of both teams, Solly Hemus of St. Louis and Mayo Smith of Cincinnati.

Outfielder Ennis, 33, a broad-backed slugger of 13 seasons in the senior circuit, had only three

homers and 47 RBIs to go with a .261 batting average this season.

First baseman Crowe, 35, also slipped badly this year. He had seven home runs, 61 RBIs and a .275 batting average.

Manager Smith singled out Mabe, 29, as the key man in the trade. "He (Mabe) lost some tough games after being brought up by the Cardinals."

Mabe, blind in his left eye from an air pellet since the age of 12, was 3-9 with a 4.50 earned run average after coming to the Cards from Omaha.

Norton, Lewis, Jeff Langston, Chuck Lee, Don Shipanik, Gerry Novack, Al Miller and Bill Scott are linemen who will more than likely get in the game for Iowa.

Hawkeyes Favored By 3 Touchdowns

Prescott, Sawin To Be Starters

(Continued from Page 1)

Texas, Virginia and Montana one apiece.

The Falcons' starting ends will be Detroit senior Tom Jozwiak and St. Paul, Minn., senior Charles Rodgers. Bob Brickey, a sophomore from Salt Lake City is expected to see a lot of action. Brickey grabbed three passes against Detroit for 57 yards and one touchdown.

Strom Captain
Brock Strom, team captain from Ironwood, Mich., and Gales Wideman, a senior from Perrysburgh, O., will be at the tackles; senior Charles Zaleski from Morgantown, W. Va., and junior Howard Bronson from Falls Church, Va., will be at the guards and John Gull-edge, a senior from Sallisaw, Okla., at center.

John Kuenzel will be the starting quarterback. A junior from St. Mary's, O., Kuenzel hit five of eight passes against Detroit for one touchdown. Sophomore Rich Mayo, who was successful on 4 of 11 throws last week for 98 yards and two TDs, ranks a close second.

The halfback positions will be manned by a pair of sophomores—Mike Quinlan of Bayport, Minn., and Phil Lane of San Angelo, Tex. Quinlan carried the ball 11 times last week for 48 yards and Lane three times for 10. Quinlan also caught two passes for 11 yards.

Steve Galios, a senior from Napa, Calif., is expected to see plenty of action at halfback or fullback. Last week he gained 47 yards on five carries and nabbed one pass for 43 yards and a touchdown. Halfback Mike Rawlins brings a 78.0 yards-per-carry average into the game. The Lancaster, Tex., soph carried the ball once against Detroit—and went 78 yards for a touchdown.

9-Letter Winner
Larry Thomson will be the fullback. A senior from Billings, Mont., Thomson lugged the ball nine times last week for 36 yards and caught a 6-yard touchdown pass. He is destined to be the first 9-letter winner at the Academy. He has lettered the last two years in basketball, baseball and football.

The Hawks will line up with Curt Merz and Prescott at the ends. Merz caught three passes against TCU for 54 yards and Prescott kicked the game-clinching field goal in the fourth quarter.

John Burroughs and Sawin will be the tackles, Hugh Drake and Gary Grouwinkel the guards and Bill Lapham the center.

Iowa's All-America candidate, quarterback Randy Duncan, will call the shots. Last week he hit 11 of 19 passes for 140 yards and one touchdown—and felt he had a bad day!

Ray Jauch and Bob Jeter will open at the halfback slots again. Jauch gained 49 yards on eight carries and Jeter picked up 59 in 31, including his sensational 42-yard "dribbling" touchdown run to open the scoring.

Nocera At Full
Capt. John Nocera will be the starting fullback. Nocera gained eight yards on three carries last week and scored Iowa's first 2-point conversion when he banged over the goal after the second Hawkeye TD.

Don Horn, Kevin Furlong, Willie Fleming, Jerry Mauren, Bill Gravel, Olen Treadway and Mitch Ogiero are other Hawks who will probably be in action in the backfield today.

Ogiero missed the TCU game because of an ankle sprain received early in September.

Norton, Lewis, Jeff Langston, Chuck Lee, Don Shipanik, Gerry Novack, Al Miller and Bill Scott are linemen who will more than likely get in the game for Iowa.

The Air Force outgained Detroit, 413 yards to 217 with a varied attack. Passing accounted for 141 of the winners' yards and running, 272. The Titans picked up 89 yards on the ground and 128 through the air—on 6 of 25 completions.

In the TCU victory, Iowa rolled up 351 yards—205 rushing and 146 passing to 209 for the Horned Frogs—87 rushing and 122 passing.

Wolverines, Spartans Open Big Ten Play

Two intrastate rivals, Michigan and Michigan State, will kickoff the rugged Big Ten campaign at East Lansing today when they meet in what is billed as one of the top college attractions in the nation.

The offensive game of both teams will be taken up by widely contrasting backfields. Michigan's power and Michigan State's speed, with the defensive chores manned by two big mobile lines.

Leading the Wolverine attack will be the power packed John Herrstein at fullback and Brad Myers operating from his halfback spot.

Taking care of the offensive efforts for the favored, third ranked Michigan State club will be coach Duff Daugherty's halfbacks, Dean Look and Art Johnson.

Tonight, Purdue's grinding offensive machine will get its second test of the season when it meets the Rice Owls in Houston, Tex.

Purdue's slashing ground attack averaged four and a half yards in 80 tries against Nebraska last week. But their defense came in for a little glory also, as they limited the Cornhuskers to a net total of 92 yards.

Rice will be no set up for the Boilermakers as the Owls turned in an impressive performance against Stanford last week. Also Purdue will have to contend with the fabulous catches Buddy Dial, an All-American candidate at end, has come up with this season.

An Illinois club, who couldn't hang onto the ball last week in its losing effort against UCLA, will take its final warmup against Duke, before entering the hot Big Ten race next week.

Minnesota's young Gopher squad—Coach Murray Warmath will probably start at least six sophomores—will enter their inter-sectional game with the Pittsburgh Panthers a distinct underdog for the first time in 25 years.

The Gophers are winless in one game, while the Panthers have picked up impressive victories over UCLA and Holy Cross.

Elsewhere around the Big Ten, Northwestern's surprising Wildcats will take on their second Pacific Coast Conference foe today when they go against Stanford.

Both teams have played a common foe in Washington State, with the Wildcats coming through 29-28 behind the fine running of Ron Burton, while Stanford was drubbed 40-6.

Indiana's surprisingly tough defense will receive another test this week at Bloomington when the Hoosiers battle West Virginia in the annual Dad's Day game.

After holding the Notre Dame attack for three quarters last week, Indiana's fine defensive line fell before the onslaught and yielded two touchdowns in the final period to go down to defeat 18-0.

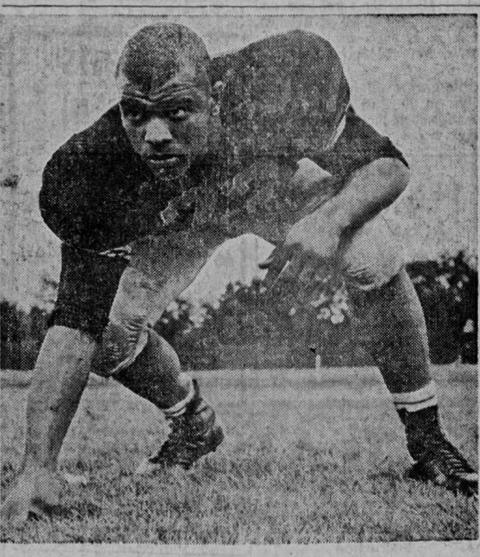

Now coach Phil Dickens has come up with two lineup changes which he hopes will strengthen the offensive attack and make them a Big Ten contender for the first time in several years.

In a game that even the professional odds-makers have thrown off their parlay cards because of the expected decisive margin of victory, Wisconsin's Badgers take on an intra-state rival, Marquette.

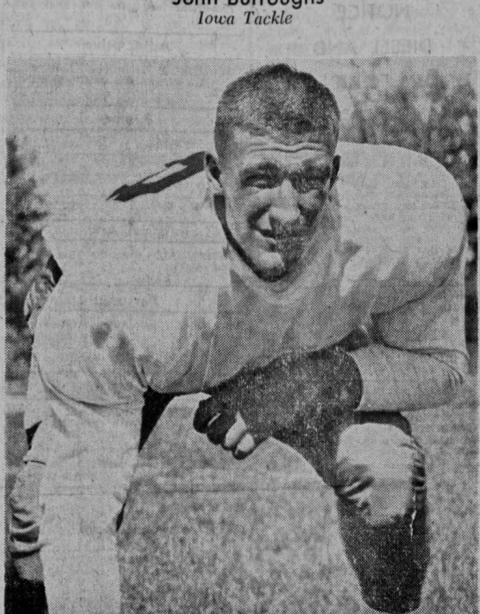

In what proves to be the top inter-sectional game of the afternoon, mighty Notre Dame plays host to Southern Methodist.

Even though Southern Methodist lost its opener last week to Ohio State, the Mustangs are rated a slim favorite in the contest.

Also two All-American candidates will square off when the two teams take the field with Don Meredith leading the SMU attack and Nick Pietrosante powering his way at the fullback post for Notre Dame.

Anthony Serves Notice To Heavies After McBride TKO

BALTIMORE (AP) — Tony Anthony, using a murderous left hand, knocked Archie McBride out of the ring in the ninth round after flooring him four times earlier for a technical knockout in the Baltimore Coliseum Friday night.

Referee Benny Goldstein wasted no time in signaling the 24-year-old Anthony from New York City as the winner at 1:30 of the ninth round.

Anthony, 178, trying to justify his entrance into the heavyweight class, scored decisively in a return bout with McBride, who weighed 186. He had beaten Archie by only two points on the referee's scorecard a month ago in Syracuse, N.Y.

Tony, who had been ranked No. 2 among the light heavyweights before moving into the unlimited divisions, also floored the durable McBride in the third, fifth and seventh rounds before putting the finishing touches on him in the ninth.

U-High Wins 4th In Row
University High ran its record to 4-0 at West Liberty Friday night by pounding out a 26-6 victory. It was the Blue Hawks third win in the Eastern Iowa Hawkeye Conference.

Karras, Lions On TV Sunday

Alex Karras, the Iowa All-American tackle in 1956 and 1957 who was moved up to the first team of the Detroit Lions this week, will be in action on the TV screens Sunday when the defending pro league champs travel to Green Bay for the CBS Pro Football Game of the Week.

WMT-TV, Cedar Rapids Channel 2 and WHBF-TV, Rock Island Channel 4 will carry the game in this area.

Karras was recently joined by former Iowa teammate Jim Gibbons from the Cleveland Browns. Gibbons is expected to fill in for another former Iowa star, Jerry Reichow, who is out for the season with a leg injury.

Oklahoma, Army Receive Tests Today

By JACK CLARY
Associated Press Sports Writer

Just how effective is this wide open football attack of Oklahoma and Army after a week of defensive planning? That's what everyone is waiting to see today as Oregon and Penn State, respectively, try to answer the question.

The Sooners, rated first in the Associated Press poll of sports-writers and broadcasters, lay their tremendous offensive record of a week ago against defense-minded Oregon. Army tests its dazzling attack against the Nittany Lions.

Sends Plays
Army Coach Red Blaik sent films of his new "bazooka" or "lonesome end" formation to all opponents except Navy and dared them to find defense for it.

The Sooners ran up 599 yards in their 47-14 beating of West Virginia a week ago, with 264 yards passing and 335 rushing. They rank first nationally in passing and sixth in rushing offense.

Oregon, ranked No. 7 defensively after 27-0 win over Idaho, gave only 30 yards on the ground, 65 passing.

Army confounded South Carolina with an end who never came near the huddle but who seemed to get the plays by some sort of witchcraft. Army, rated No. 5, rolled up 529 yards, second to Oklahoma in overall offense. The Cadets are No. 10 in defense.

Michigan State hosts Michigan in their big game of the year. The Spartans, No. 4, are two touchdown favorites.

Auburn Taps In Defense
Auburn, whose defense held Tennessee to a minus 30 yards and no first downs a week ago, gets an opportunity to improve its top national defensive rating against Chattanooga. The Tigers are ranked No. 2.

Third-ranked Ohio State, minus quarterback Frank Kremblas, goes after Washington, a 24-21-upset victor last week over Minnesota.

Television viewers who follow the World Series on their screens can keep tuned to NBC-TV and watch Washington State's Bobby Newman unveil his aerial prowess against California in a nationally televised game 3:45 p.m. (East).

WOC-TV, Davenport Channel 6 and KWWL-TV, Waterloo Channel 7, are the stations televising in the Iowa City area.

The largest opening day crowd in the history of the Cotton Bowl is expected for SMU's clash with seventh-ranked Notre Dame. The Irish finally overcame a stubborn Indiana defense for an 18-0 victory last week.

Elsewhere, among the top 10, Mississippi (No. 6) plays tiny Trinity, Tex.; Iowa (No. 8) meets offense-minded Air Force Academy in that institution's first clash with a Big Ten team; Wisconsin (No. 9) meets intra-state rival Marquette, and 10th-ranked Clemson has an Atlantic Coast Conference clash with Maryland.

City High Wins, 20-7
The City High Little Hawks defeated Cedar Rapids Jefferson, 20-7, Friday night to even their season's mark at 2-2. It was the second straight win for City High.
