### City Council Hears Debate On Utility Rate

Company Seeks Hike For Gas, Electricity

By DENNIS BROWN Staff Writer

Iowa City Council members heard two differing approaches to the question of gas and electricity rate increases Tuesday night at an open hearing on the utility rate question.

The city has been considering rate hikes since last February, when the Iowa-Illinois Gas and Electric Co. asked for an annual increase.

The adjustment now sought would raise gas revenues by an estimated \$152,000 and electric revenues by about \$404,000 per year.

Speaking for the company's position on the question were Iowa City attorneys William Tucker and Roger Ivie. An opposing report was presented by John Bauer, Chicago, a public utilities rate consultant hired by the city to study the rate proposals last April.

The Iowa-Illinois Gas and Electric Co. has proposed increases amounting to 22.5 per cent on electricity and 9.8 per cent on gas. The Bauer report would call for substantially lower increases: 7 per cent on electricity, and 4.5 per cent on gas.

The basic difference between these two sets of figures lies in the method used to determine the "fair value of utility property in the Iowa City area. In a rate case at Ft. Dodge, Ia., the Iowa Supreme Court has determined that a public utility is entitled to a 6 per cent return on the "fair value" of its property.

The court also said that "fair value" should be computed on the basis of 70 per cent reproduction cost of the property and 30 per cent original cost. The Bauer report calls for a 40-60 ratio resulting in a lower valuation of the utility's property.

In referring to the court's decision, Ivie said that the company feels that it is now the law of Iowa. He questioned the validity of the ratio employed by Bauer, which is based on the proportion of common stock to fixed securities invested in the company.

He contended that the "fair value" figure arrived at by Bauer uses faulty methods of determining depreciation and fails to take into consideration working capital the company has on hand.

Bauer stressed the view that utility property should not be considered "as property," but that the element of investment should be included. He argued that the community should not have to guarantee a fair return on that portion of the company's capital which was investigated at a risk-common stock.

Bauer also argued that the Supreme Court ruling does not prevent individual communities from setting rates which are realistically based on the situation of the companies which serve them.

Tucker said that Iowa City is now paying the lowest rate on gas and electricity of any city of its size or larger in Iowa. In view of the rising costs over the years with no corresponding rise in utility rates, he said, consumers have an obligation to the company to pay more money for gas and electricity.

### No Tickets Left For 'Musicalecture'

The Meredith and Rini Willson "musicalecture" scheduled for 8 p.m. today in the Iowa Memorial Union is a sellout. Union officials said all tickets had been distributed by mid-morning Tuesday.

The Willson program "Mirth and Music," will feature the former Iowan's genial humor as well as good music and commentary. Willson, a native of Mason City, is author and composer of the "hit Broadway musical" "The Music Man."

### Weather Forecast

TODAY Mostly fair, highs— from 76 to 86 degrees.

THURSDAY Fair and warm.

### Drop Charges Against Seven Kalona Youths

Seven Johnson County youths, all of Amish faith, were released Tuesday from charges of disturbing Amish hymn singing assemblies.

The charges were dropped in police court Tuesday afternoon on grounds of insufficient evidence.

Moses L. Masst, 19, of Kalona, was charged in connection with a disturbance a week ago in Washington Township.

The other youths are: Tobias M. Yoder, 21, of Route 3, Iowa City; Leo L. Schrock, 22, of Route 2, Riverside; Mahlon Joseph Geringich, 19, Route 1, Kalona; Emery M. Yoder, 16, of Route 3, Iowa City; Sam M. Yoder, 19, of Route 1, Kalona; Tobias Yoder, 17, of Route 2, Kalona. They had been held in jail since late Monday in lieu of \$100 bond.

They were arrested Monday after charges of "heckling" and "boisterous conduct" were brought against them by Menno L. Miller, Kalona.

Miller accused the youths of disturbing a singing assembly Sunday night at a private residence in Sharon Township. The assemblies are usually held in private homes, he explained.

Some of the boys, he said, had been repeatedly causing disturbances at these assemblies.

Miller modified his testimony in police court Tuesday. He said two of the youths had been laughing loudly Sunday night.

Did Nothing Another witness said the boys did nothing that bothered him.

Remaining witnesses were not heard. County Attorney William Tucker, after conferring with them privately, decided to drop the charges.

### Don't Eat That Apple!

EATING UP THE PROFITS, Jean Livingston, D3, Monmouth, Ill., was gently admonished Tuesday by a sister Dental Hygienist, Austa Cozzens, D3, Zearing. If the rest of the girls can keep from eating the wares, they'll be selling apples today and Thursday at the Dental Building. All proceeds will go into a fund to buy toothbrushes for underprivileged children who visit the children's dental clinic this year. ### Chiang May Cut Forces On Quemoy

Reports Claim U.S. Demands Will Be Met

TAIPEI (AP) — Despite official statements to the contrary, Nationalist Chinese leaders are being resigned to accept U.S. demands that they cut the number of troops on Quemoy and Matsu.

Competent sources reporting this Wednesday (Formosa time) said a basic formula already has been set calling for:

1. Slashing Nationalist capabilities for mounting an invasion on the mainland from the offshore islands, reducing by as much as one-half the 100,000 to 120,000 troops now in offshore garrisons.

2. Giving the Nationalists new and better weapons which would give them through greater firepower the defensive strength they now have in manpower to protect the offshore areas.

By this formula, U.S. authorities hope to get the Reds to agree to a dependable cease-fire at the same time keeping the islands strong enough to ward off a Red attack.

Secretary of State Dulles told a news conference in Washington Tuesday he has no plans to urge the Nationalist government to cut down its defense forces on Quemoy and Matsu. He said, however, he assumed Secretary of Defense Neil McElroy, now in Formosa, would be increasing firepower and redeploying forces.

Dulles also accused Red China Tuesday of propaganda and subversive activity under cover of its Formosa Strait cease-fire, to drive a wedge between the United States and Nationalist China.

"The main theme constantly reiterated is that the Americans must abandon Taiwan (Formosa) and go home," Dulles said. "The United States remains loyal to its treaty of mutual security with the Republic of China."

Dulles said he has no plans whatsoever for urging a reduction of Nationalist forces on China's coastal islands. On the surface, this appeared to be a reversal of his statement two weeks ago that it would be foolish to maintain the current garrison strength on the Nationalist islands if Red China agreed to a dependable cease-fire.

But Dulles did not picture it as a reversal. He quoted statements by Red Chinese leaders last Sunday, when Peiping's earlier 1-week suspension of shelling was extended for two additional weeks.

These statements invited defenders of Quemoy and the other coastal islands to build up their arms and supplies during the cease-fire.

### It's Not The Charleston

NOT MUCH DIFFERENCE between track and modern dancing. Frank R. Dotseth, A4, Clarence, a member of the cross-country track team, found that Orchestral routines take as much foot work and coordination as track practice. He and Barbara Boehmler, A4, Hampton, president of Orchestis, tried some modern dance steps at the first Orchestis meeting Tuesday night. Story Page 5.

### Iowan Tells GOP Stand On Issues

Mel Foster Jr., Young Republican National Committeeman from Iowa, outlined the Republican stand on major election issues at the SUI Young Republicans meeting Tuesday night in the Old Capital Senate Chambers.

Foster, a Davenport real estate man and 1949 graduate of SUI, spoke in place of John Kyl, Republican candidate for U.S. Congress from Iowa's fourth district.

Mentioning taxes and the "right to work" law as the main campaign issues, Foster, chairman of the Scott County Young Republicans, said both parties agree that increased revenue is necessary.

The Republicans, however, support the 3 per cent sales tax as a more equitable solution than increased property, income or corporation taxes, he said.

Foster cited industrial expansion as an aim of both parties, but said that Democratic opposition to the right to work law and support of an increase in corporation taxes is incompatible with the development of the environment necessary for the expansion of business in Iowa.

Fred Schwengel, U.S. Congressman from Iowa, will speak at a meeting of the SUI Young Republicans and the Johnson County Central Committee in the Old Capital Senate Chambers on Oct. 23.

### Loveless Will Greet Ike At The Airport

CEDAR RAPIDS (AP) — Gov. and Mrs. Herschel Loveless will meet President and Mrs. Eisenhower at Cedar Rapids Municipal Airport Friday instead of at the site of the National Corn Picking Contest.

Robert Johnson, Loveless' administrative assistant, said it was decided that it would be more proper to hold the official reception at the airport.

### German General Agrees — Montgomery Claims Wrong Tactics Prolonged WW II

NEW YORK (AP) — Field Marshal Montgomery says the Western Allies could have ended World War II in 1944 in Europe instead of in May 1945.

A top German general agrees with him.

The view that Germany could have been defeated a few months after the breakout in northern France is set forth in the second installment of the memoirs of Field Marshal Montgomery published by Life magazine Tuesday.

Montgomery says he presented a plan concentrating the West's resources into a 40-division thrust directly up the west coast of Europe toward the Ruhr and Berlin.

The Allied breakout from the Normandy beachhead began July 25, 1944, and swiftly overran German defenses, Montgomery wrote in his memoirs:

"The German situation in France in the middle of August 1944 was desperate. Paris fell on the 25th August and the next day the intelligence summary issued by supreme headquarters said: 'Two and a half months of bitter fighting . . . have brought the end of the war in Europe within sight, almost within sight . . .'

"The end of the war in Europe was most certainly 'within reach.' But what was now needed were quick decisions and, above all, a plan. I had a plan ready . . ."

The Associated Press asked German Gen. Guenther Blumentritt, now 66 and living in Germany, to comment on the Montgomery plan. Blumentritt was chief of staff of the German western armies at that time under Field Marshal von Rundstedt.

"I am absolutely convinced that the war would have been over by Christmas 1944, that there would

Montgomery "I had a plan ready . . ."

have been a saving of Allied lives and that the Western Allies would have been in Berlin before the Russians, had Montgomery's plan been carried out," Blumentritt said. The German general said the Western Front was completely disorganized after the Normandy fighting and there would not have been the resources available to meet a sustained single thrust of great strength.

Montgomery said he and Gen. Dwight D. Eisenhower then supreme commander of Allied forces in Europe, were "poles apart" in military strategy. He says Mr. Eisenhower adopted a "broad front" policy of all armies advancing which failed because there were not enough supplies coming across the beaches to support everyone advancing at once.

### Want Early Letting For School Bonds

The Iowa City School Board voted Tuesday night to ask Kingscott and Associates of Davenport to finish final drawings for the new junior high school by Dec. 1.

The architectural firm reported that drawings and specifications for the school would not be finished until Dec. 31.

The Board stated that a Dec. 1 deadline for final drawings and specifications would be more favorable and allow for a January bond-letting date.

If the drawings are not finished until Dec. 31, a bond letting date could not be set until Feb. 15.

Kingscott and Associates told the Board that construction on the \$1,268,000 school, to be built on a site north of the Rock Island Railroad tracks and east of First Avenue, could start in the spring.

Iowa City voters approved May 13 a \$1,448,000 bond issue for construction of the new junior high school and rehabilitation of the present school.

In other action, the Board tabled a request from the city to remit taxes on a parking lot, studied a petition for purchase of property for a new grade school and referred a request for freshman-sophomore baseballs to the director of athletics.

Edward Lucas, city attorney, asked the Board to remit taxes on property purchased from the Eagles for a parking lot. The city had agreed to pay 1957 taxes which became due in 1958 when the property was bought. The Board tabled the request pending more information.

In answer to a petition for purchase of a site for a grade school in Horace Mann District, the Board thanked the citizens for their interest, and said it is already studying the need for new schools.

### Episcopal Bishops Urge Integration Orders Obeyed

MIAMI BEACH, Fla. (AP) — Episcopal bishops of the United States Tuesday urged obedience to court orders for school integration. They reasoned that any other course amounts to civil revolution.

In one of the most pointed pronouncements ever issued by an ecclesiastical body on the clash between segregationists and the court, the Episcopal Church's House of Bishops said:

The Constitution is the supreme law of the land and the U.S. Supreme Court is its "ultimate interpreter," the bishops said. They added those who disagree with it can seek constitutional amendments.

But in present circumstances, they said, church members should "face seriously their obligation to conform to federal and Supreme Court orders in regard to giving all students equal access to our public schools."

### SUI Council Meets Tonight To Discuss Amendments

The agenda of the Student Council meeting scheduled for today at 7:30 p.m. will include:

1. A report on the Leadership Training School to be held Saturday in the Iowa Memorial Union.  
2. The final vote on a constitutional amendment to include representation from Burge Hall on the Council.

3. The first discussion of new amendments concerning the student traffic court.

The amendments dealing with the traffic court will simplify the method of appointing the five members of the court, Len Flander, Student Council president, said.

The present method of appointing court members allows the Interscholastic Council, Associated Women Students and the dormitories to each nominate one member. The other two members of the

### High Officials Protesting To The President

WASHINGTON (AP) — The Army has been asked to surrender its major missile scientists and facilities to the new civilian space administration.

High Army officials were understood to be preparing to lodge a direct protest with President Eisenhower on the matter.

Defense Department officials, who asked not to be identified said that the proposal was made by Dr. Keith Glennan of the National Aeronautics and Space Administration to Army Secretary Wilber Brucker.

The proposal would require the Army to turn over about 2,100 space scientists and engineers now working at the Army's laboratory at Redstone Arsenal, Huntsville, Ala., and the entire facilities and personnel of the Army's jet propulsion laboratory at Los Angeles.

First Major Raid Word that the space administration, which went into business officially on Oct. 1, had proposed its first major raid on military space talent was first reported Tuesday night by the Baltimore Sun in a dispatch from its veteran Washington military correspondent, Mark Watson.

Maj. Gen. John B. Medaris, chief of the Army ballistic missile team formed around 110 top German scientists at Huntsville, was known to be on his way to Washington Tuesday night from Chicago. It was also learned that Medaris had asked Brucker to arrange an appointment with the President for Wednesday morning.

Brucker told a reporter he could not talk about the plan, explaining that "anything I might say at this time would be wrong."

Official Army spokesman said they would have to remain "tight-lipped," but pointed out that the loss of their key scientists, including German-born Dr. Werner von Braun, could seriously undermine the Army's advanced work on military missiles.

Undermine Prime Projects These officers said the purely scientific space work conducted at Huntsville was so closely coordinated and associated with military weaponry that loss of key space experts could undermine the development of such prime projects as the Zeus antimissile missile.

The officers said such a loss could relegate the Army Ballistic Missile Agency to a unit devoted largely to supporting work of the civilian space administration that was established by law at the last session of Congress.

The jet propulsion laboratory in Los Angeles was organized by the Army missiles agency and is administered under contract with the Army by the California Institute of Technology. The propulsion lab has played a large part in the Army's successful launching of a series of Explorer satellites.

### Students Nominated For Traffic Court

Students have been nominated by the Student Council from the Town Men, married students and professional fraternities.

The amendment would give the Student Council president power to nominate members, regardless of residence. Flander said he would probably do this by accepting applications and suggestions.

Two other amendments are to be presented at the Council meeting.

One would eliminate the need for the court to have a reason for each decision concerning tickets. The other would allow the court to amend court articles with the approval of a two-thirds majority of the Student Council.

The Leadership Training School, which will begin at 8:30 a.m. Saturday in the Union, will be directed at officers of all SUI housing units, honoraries, and church groups.

## Geographers To Meet Here This Weekend

Changes and problems of urban populations and size and distribution of manufacturing plants will be among topics Friday and Saturday at the West Lakes Division meeting of the Association of American Geographers at the Iowa Memorial Union.

"Recent Advances in Methods of Research and Analysis in Geography" is the topic of the opening address of the meeting to be given by Richard Hartsorn of the University of Wisconsin. Kenneth W. Ramage, assistant professor of geography at SUI is chairman of the West Lakes geographers group.

An urban session, moderated by Harold M. Mayer, of the University of Chicago, will include a talk entitled "Optimum Size of Enterprise and Areal Distribution of Economic Activity," by Clark C. Bloom, associate professor of economics at SUI. Bloom will discuss changes in size of individual plants as related to distribution of producers and working forces.

Problems in research of urban populations, and research necessary in city planning will be discussed by W. D. Bryant, executive director of Community Studies, Inc., Kansas City, Mo.

Uses of maps as research tools and educational aids will be discussed by Neil Salisbury, assistant professor in the SUI Geography Department. Salisbury will describe problems in improving maps that present data.

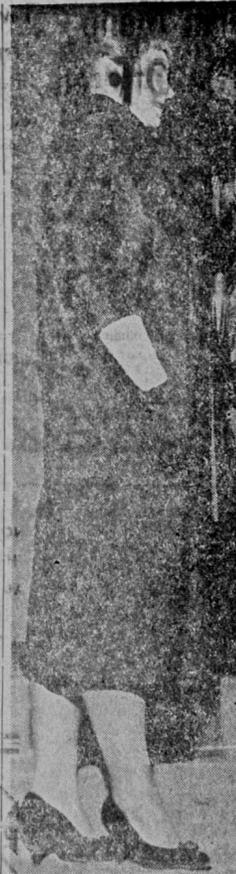

Some 100 geographers from Minnesota, Wisconsin, Illinois, Missouri, and Iowa are expected to attend the West Lakes meeting, Ramage said.

## Preparatory School For Foreign Jobs Interviewing Here

SUI students interested in working abroad may talk to a representative of the American Institute for Foreign Trade today at the Business and Industrial Placement Office in University Hall.

The Institute is located near Phoenix, Ariz., and offers a training course to prepare men and women for jobs abroad.

Work is offered in foreign language, area studies and business administration in the specific area in which the student is interested.

## A Profile

**MODELING A FALL COAT** in preparation for this year's Profile Previews is Bobbe Pfortmiller, A1, Des Moines. The annual SUI style show for freshmen and transfer coeds will be presented in the Main Lounge of the Iowa Memorial Union Thursday at 8 p.m. Highlight of the fashion show will be the selection of a Miss Perfect Profile and two attendants from a field of 92 models.—SUI Photo.

## Space Problem

Due to lack of space today, the second article in the 3-part second article in the 3-part series on "Work in the Lives of Married Women" will not be published today as stated in Tuesday's Daily Iowan.

## Parade Plans Set For Homecoming

The Homecoming parade will be ready to roll in 10 days and countless napkins, nails, hammers and sore thumbs are showing up all over Iowa City to prove it.

Iowa City officials and parade marshals will lead the parade in a host of cars. They will be: Robert G. Stevenson, president of the Iowa City Chamber of Commerce, and Len Flander, L2, Iowa City, president of the SUI Student Council, co-parade marshals; SUI President Virgil M. Hancher, Iowa City Mayor Louis Loria, Iowa City City Manager Peter Roan, and SUI Provost H. H. Davis.

**28 Floats**  
Captain Clark Scott, assistant professor in Air Science and Tactics, will be parade commander. Advanced Air Force ROTC students will act as section commanders.

The color guard and the Pershing Rifles will follow police cars at the beginning of the parade.

There will be 28 floats in the parade. Trophies will be given to the first and second winning floats in the three categories of beauty, humor and originality.

A grand sweepstakes prize will

be awarded to the float with the highest average scores in all three categories.

One honorable mention will also be made in each category.

**Four Judges**  
Four newspaper men will judge the floats. They are: Henry B. Hook, publisher of the Davenport Morning Democrat; Robert McCoy, editor of the Waterloo Daily Courier; Alvin Piper, editor of the Council Bluffs Nonpareil, and Dwight R. Clark, editor of the Cherokee Daily Times and Chief.

The awards will be announced at the half-time ceremonies of the Iowa-Northwestern football game Oct. 25. The trophies will be given to the winners at the intermission of the Homecoming Dance in the Iowa Memorial Union that evening.

**13 Bands**  
Duplicate trophies will be awarded to the winning sweepstakes float or groups.

Tom Oblinger, A3, Grand Junction, will be master of ceremonies of the parade. The SUI cheerleaders, marching band and Scottish Highlanders will also participate in the parade.

Thirteen high school bands will march in the SUI parade including: Washington High School, Cedar Rapids; Clinton High School; Brooklyn High School; Calamus High School; Sigourney High School; Solon High School; Washington High School, Washington; Lone Tree High School; Keosauqua High School; Jefferson High School, Cedar Rapids; Lisbon High School; University High School and City High School from Iowa City.

The first lecture will be "The Anatomy of the Reproductive Tract."

All the lectures to be given this semester will deal with the anatomical and psychological aspects of marriage.

Lectures will be given by Dr. C. P. Goplerud, 618 Dearborn, and Dr. W. B. Goddard, assistant professor of obstetrics and gynecology.

Slides and movies will be used to illustrate the lectures.

Other lectures this semester will be Oct. 22, Oct. 29, Nov. 5, and Nov. 12.

## AAUW To Meet Saturday

Reservations for Saturday's first general meeting of the Iowa City branch of the American Association of University Women (AAUW) may be made by calling Mrs. Janet Burnham at 6648 or Mrs. W. E. Peters at 8-0963. Reservations must be made before 9 p.m. Thursday.

A luncheon will be served at 12:15 in the University Club Rooms of the Iowa Memorial Union at the price of \$1.35 a person. Those who are unable to attend the lunch may come to the program which is scheduled to begin between 12:45 and 1 p.m.

Manford Kuhn, associate professor of sociology and anthropology,

will speak to the group on self attitudes in a talk entitled "A New Approach to the Study of Personality."

Hostesses for the October meeting will be Miss Gladys Benz, Mrs. Gustave Bergmann, Miss Elizabeth Hunter and Mrs. W. J. Streib.

## Chiang Kai-shek Thanks President

**WASHINGTON** (AP)—Generalissimo Chiang Kai-shek sent thanks to President Eisenhower Tuesday for U.S. help in dealing with aggression by Red China in the Formosa Strait area.

The president of Nationalist China also expressed confidence that continuing solidarity on the part of his nation and the U.S. "will bring about the ultimate attainment of our common goal."

Chiang sent Mr. Eisenhower a cable thanking him for a congratulatory message last week on the occasion of the 47th anniversary of the founding of the Republic of China.

By JERRY KIRKPATRICK

Our national debt soared \$2.7 billion this week. It's the fourth branch of the Government to enter the Altitude race.

The Iowa governor race has gone to intellectual levels. Murray is certainly staking a lot on his B.S.

Remember the days when SUI had reserved parking lots, restricted parking lots, and faculty parking lots? That was when we had a parking problem.

Mickey Hargitey is being jolted when Hollywoodites refer to him as Mr. Mansfield. Don Lewis, professor of psychology at SUI, has similar problem. He's commonly known around Iowa City as the husband of Councilwoman Lewis.

AFL-CIO says we need to combat unemployment with a boom on main street rather than a boom on Wall Street. The Government agrees—it immediately appropriated millions for driver education.

## General Notices

General Notices must be received at The Daily Iowan office, Room 261, Communications Center, by 8 a.m. for publication the following morning. They must be typed or legibly written, and signed; they will not be accepted by telephone. The Daily Iowan reserves the right to edit all General Notices.

**SUI CAMPING CLUB**, sponsored by the Women's Recreation Association, will have its first cookout and meeting Thursday at 4 p.m. in the Women's Gymnasium. Any SUI woman student who is interested in outdoor activities should call x3681 for more information.

**TOWN MEN** need a representative for the Student Council and another to act as vice-president for the present school year because of two resignations. Any person interested call Jack Elkin 8-0668, or Fred Hawker, 8-5873.

**Varsity Varieties** is searching for a man or woman with exceptional talent and adequate experience to direct Varsity Varieties (to be presented during Old Gold Days weekend in January). Persons interested are invited to submit a letter of application, including experience, at the Information Desk of the Iowa Memorial Union by Friday, Oct. 17.

**STUDENT COUNCIL BOOK EXCHANGE** will return money and unsold books through Oct. 30 at the Student Council Office in the southeast corner of the Iowa Memorial Union from 3-5 p.m. on Monday through Thursday, and from 1-3 p.m. Friday. Books and money not claimed by 4:30 p.m. Oct. 30 will become the property of the Student Council.

**PH. D. TOOL EXAMINATIONS: ACCOUNTING**, Room 302, University Hall beginning at 1 p.m. Wednesday, Oct. 15.

**BOWLING—WOMEN'S LEAGUE** All women faculty, staff and faculty wives are invited to participate. Bowling is on Mondays at 7 p.m.

**RECREATIONAL SWIMMING** on Monday, Wednesday, Thursday and Friday from 4:15 to 5:15 p.m. at the Women's Gym.

**RHODES SCHOLARSHIPS** for two years' study at Oxford are offered unmarried men student who hold junior, senior, or graduate status. Those interested are asked to consult at once with R. S. Dumlup, Room 101-I University Hall, phone Ext. 2236.

**THE NORTH GYMNASIUM** of the Fieldhouse will be opened for student recreational use on all Saturdays on which there are no home football games. Hours are from 1:30 p.m. to 5 p.m. Students must present their I.D. cards at the cage door in order to gain entrance. The Weight Training Room will be opened for student use on Mondays, Wednesdays and Fridays between the hours of 4 p.m. to 6 p.m. The North Gymnasium will be opened for student recreational purposes each Friday from 1:30 p.m. to 4 p.m.

**PARKING**—The University parking committee reminds student motorists that the 12-hour parking limit applies to all University lots except the storage lot south of the Hydraulics Laboratory.

**UNIVERSITY COOPERATIVE BABY-SITTING** League book will be in the charge of Mrs. Ted Rising from Oct. 14 to Oct. 27. Telephone her at 5474 if a sitter or information about joining the group is desired.

**STUDENT COUNCIL** needs volunteers to work as solicitors in the Homecoming Campus Chest Drive. All interested persons call the Student Council Office between 1 p.m. and 4 p.m.

## Varsity Varieties Meeting Scheduled

A general organizational meeting of all large-group skit chairmen for Varsity Varieties will be held at 7:30 p.m. today in the Pentacrest Room of the Iowa Memorial Union.

### Mortar Board Do-nut Day To Be Friday

Friday, Mortar Board Senior Women's Honorary Group, will not only uphold its tasty tradition, "Do-nut Day," but will extend the annual event to even greater proportions. Mortar Board members will be selling 400 dozen do-nuts to students, faculty, and University staff members.

To provide not only quantity, but quality also, Mortar Board has contracted a baker to make the do-nuts the night before, thus insuring the freshness of the product.

The do-nuts will sell for 10 cents apiece and 80 cents a dozen. Mortar Board members, attired in their traditional white jackets will begin their task at 6 a.m. on Friday when they will deliver do-nuts to most of the housing units for breakfast. By 8 a.m. they will be selling them on campus and in University offices.

Chairman of the sale is Barbara Boeke, N4, Hubbard.

Other activities to be undertaken by Mortar Board this year will be "Smarty Parties" for women earning a 3-point grade average for the preceding semester; the leadership training school, co-sponsored with Omicron Delta Kappa during Old Gold Days; and the Mother's Day Weekend.

### AEC Experiments With Safety Device At Nevada Site

LAS VAGAS — Another safety experiment of current operations at the Atomic Energy Commission's Nevada test site was fired at 10 a.m. Tuesday.

The device detonated was from the University of California's Radiation Laboratory at Livermore. The AEC said no off-site fallout will result from the blast.

The AEC has scheduled two tests for today, Nos. 6 and 7 of the current 10-shot series.

# Army Vaults To Top Spot In AP Poll

## Southerners Dominate In Grid Figures

By THE ASSOCIATED PRESS

Three senior quarterbacks from the South and a record-threatening runner from the Pacific Coast are the four top ground-gainers in major college football as the season nears the midway point.

Statistics released Tuesday by the NCAA Service Bureau list Bill Holsclaw of Virginia Tech, Dick Bass of College of the Pacific, Reece Whitley of Virginia and Dick Longfellow of West Virginia in the four top places in total offense.

### Duncan 18th

Iowa quarterback Randy Duncan ranks 18th in total offense with 401 yards, but is one of only four men in the top 20 who have played only three games.

Bass, who has played only three games, one less than the other leaders, leads in rushing by a huge margin over his nearest rival and Bob Newman of Washington State, last year's total offense champ, is out ahead in forward passing.

Holsclaw, bidding to become the first player from the Virginias to win an individual offense championship since Bill Dudley took the scoring title in 1941, grabbed the lead from Whitley last Saturday. He gained 181 yards as VPI whipped Virginia 22-13. That gave him a total of 620 yards.

Whitley, limited to 11 plays and 38 yards by an injury, dropped to third with 558 yards. Bass had 614 yards — 562 by rushing — and Longfellow 541.

Holsclaw isn't among the leaders in either running or passing but his average of 17.5 yards per pass completion is the best among players who throw frequently.

### 307 Yards In Loss

Longfellow passed and ran for a season record 307 yards in West Virginia's 36-30 loss to Boston University. That advanced him from 45th place to fourth among the leaders.

Bass, whose three-game rushing total has been exceeded only once — by Whizzer White of Arizona State in 1950 — is 177 yards ahead of runner-up Don Perkins of New Mexico.

Newman, No. 2 in forward passing last year, retained the lead with 47 completions in 72 attempts. He completed only one before he was hurt last Saturday. Whitley has 42 completions and Utah's Lee Grosscup 40.

Duncan has 34 completions to put him in the No. 7 spot and is the only man in the top 10 who has played less than four games.

Rich Dobbins of Utah State has pitched 50 passes without an interception and Baylor's Buddy Humphrey has had only one of 67 pick-off.

Associated Press Sports Writer  
Swift, imaginative Army assumed the role as No. 1 college football team in the country today.

The Iowa Hawkeyes moved up to the No. 13 position after being 17th last week on the strength of their 34-13 win over Indiana.

Is the present Army team equal to the Doc Blanchard - Glenn Davis wrecking machines of 1944 and 1945?

Krause Thinks So

"Definitely superior to the Blanchard - Davis teams," said Edward (Moose) Krause, Notre Dame athletic director, who saw the Cadets whip the Irish last week-end 14-2.

"A fine football team," added Notre Dame's Coach Terry Brennan. "They deserve to be No. 1." Earl Blaik himself, in his silver anniversary as a head coach, was more reserved in his immediate judgment.

"I never make a comparison of teams until the season's end," he said. "I can say this is one of the most spirited squads I have ever coached. And it has wonderful leadership."

First Since '45

Of his newly gained No. 1 ranking, after a convincing 44-0 win over Wichita.

Evicted from the top dozen as a result of these maneuverings were Michigan, Mississippi, Purdue and Ohio State.

## Nocera, Miller May Miss Game

Capt. John Nocera and Al Miller may miss the Wisconsin game Saturday coach Forest Evashevski said Tuesday. Both men suffered knee injuries in the Indiana game. Gene Mosley and John Brown were working at fullback on the second team Tuesday in place of John Nocera. Brown is normally a halfback. Jeff Langston replaced Miller at end.

The Hawkeyes went through a long drill Tuesday against Wisconsin plays with only the third unit getting heavy contact work against the reserves. The workout, which was finished under lights, concluded with the first two units running plays against Badger defenses in a light contact drill.

## Badgers Work On Pass Offense

MADISON, Wis. (AP) — The accent was on passing Tuesday as Wisconsin's undefeated Badgers prepared to meet Iowa here Saturday.

Coach Milt Bruhn gave his regulars a long drill in a dummy scrimmage on new passing plays a 6-2 end, who suffered a hip injury to use against Iowa. He

then sent his squad through another stiff workout on defense against plays he expects the Hawkeyes to throw at his squad.

The only regular expected to miss the Iowa game is Jim Holmes a 6-2 end, who suffered a hip injury against Purdue last week.

## Touchdown Tendency

By ALLEN N. SMITH

### Badgers No. 1 In Rating; Iowa Gains 9th Position

Wisconsin's superlative performance in its 31-6 trouncing of previously unscored-on Purdue moves the Badgers into the No. 1 spot among the nation's football powers in the Smith Touchdown Tendency System of Ratings.

Wisconsin, runnerup to Oklahoma last week, served notice that it is a power to be reckoned with in the Big Ten football race. The Badgers face Iowa's Hawkeyes Saturday.

Army, surging to the fore on the strength of a 14-2 win over Notre Dame, vaults from seventh to second.

Louisiana State exhibited a phenomenal touchdown tendency in a 41-0 rout of highly-rated Miami (Fla.) to skyrocket into the No. 3 position.

Michigan State, impressive 22-8 victor over Pittsburgh, is again a strong fourth. Auburn falls two places to fifth, following its unimpressive 8-0 win over Kentucky.

Oregon, which cut loose with everything to belt Southern California into submission, 25-0, leaps ninth to sixth.

After two straight weeks in the No. 1 position, Oklahoma's one-point loss to Texas drops the Sooners to seventh. Notre Dame, sixth a week ago, is a close-up eighth.

Power-packed Iowa chopped down Indiana, 34-13, to advance from tenth to ninth.

Navy didn't rate in the top dozen last week, but the Midshipmen

stock shot upward after a 20-14 triumph over Michigan. Navy is ranked No. 10.

Air Force Academy enters the select circle at the 11th niche by virtue of its 36-6 romp over Colorado State.

Houston earns the No. 12 position, after a convincing 44-0 win over Wichita.

Evicted from the top dozen as a result of these maneuverings were Michigan, Mississippi, Purdue and Ohio State.

# Britain Says Russia Pushing Test Action

UNITED NATIONS, N.Y. (AP)—Britain Tuesday accused the Soviet Union of confronting the U.N. with an ultimatum by threatening to go ahead with nuclear weapons tests unless the Western powers agree to Soviet proposals.

Cmdr. Allan Noble, British minister of state, told the General Assembly's 31-nation Political Committee the Russians are trying to stampede the U.N. into hasty action that might endanger the chances of Big Three agreement on suspending tests.

# French Army Officers Shed Political Roles

ALGERS (AP)—French army officers bowed to Premier Charles de Gaulle Tuesday and shed their role of political leadership, touching off bitter protests in troubled Algeria.

Hardly had the officers quit their posts on the powerful Committee of Public Safety than the remaining civilian members called on committee members throughout Algeria to protest De Gaulle's order.

Predictions of more trouble for Paris came from both officers and civilians, who formed the committee in the May 13 uprising in Algiers that swept De Gaulle to power.

In a move that could presage more strife, the civilian committee told all subordinate committees "to hold emergency meetings, demonstrate their indignation at the enforced departure of their military comrades and address to the Premier their painful astonishment."

At the same time, they designated two newly named Moslem vice presidents, Azam Quali and El-Madnoui, to go to Paris to seek talks with De Gaulle on the sweeping order.

Soviet Deputy Foreign Minister Valerian A. Zorin immediately denied the ultimatum charge. He declared the United States and Britain had issued ultimatums by attaching conditions for cessation of tests. He called on the U.N. to approve a Soviet-proposed recommendation that the Big Three suspend tests immediately and unconditionally for all time.

Noble said the Soviet Government is threatening to go ahead with nuclear tests "unless the Western powers here and now agree to the Soviet proposals." He declared this amounted to an ultimatum.

"I can only hope that the Soviet Government will reconsider its position and will not do anything to prevent a suspension of tests as from Oct. 31," Noble added.

That is the date the United States, Britain, and the Soviet Union open talks in Geneva on negotiating a suspension under a control system already worked out by East-West experts. The United States and Britain have announced they will suspend tests for a year beginning Oct. 31, provided the Russians do the same.

Noble said Britain's offer of a 1-year suspension still holds good and was not affected by the recent resumption of tests by the Soviet Union.

# SUI's Harris Tells Churchmen To Ask For More

FORT MADISON — A Baptist layman told pastors and lay leaders of the Iowa Baptist Convention that "we ask and expect too little of our people. As a consequence, we get too little."

Speaking to the annual convention of Iowa Baptist church leaders Tuesday was Marshall Harris, a research professor of the SUI Agricultural Law Center.

Harris has long been associated with the Town and Country Department of the National Council of Churches of Christ and is a well known speaker on Christian service and rural living.

Harris claimed present-day church programs are "too much like the typical service station—we go there to get our spiritual gasoline, to have our flats fixed, for a minor tune-up, and to get 'washed' and 'polished' on special occasions—Christmas and Easter. I would suggest that our churches become places where people go to give rather than to get."

## President Celebrates 68th Birthday; Gives Some Advice

WASHINGTON (AP)—President Eisenhower celebrated his 68th birthday in bubbling good humor Tuesday and with this advice for dealing with any adversity: Keep grinning, keep fighting—you'll win in the end.

Eisenhower, ruddy and looking chipper, set forth that philosophy at the start of a day that brought him anniversary congratulations from all parts of the world.

The flood of good wishes began early. At 7:30 a.m. he was serenaded at the White House south portico by the Army Band and Chorus. The chorus sang "Happy Birthday To You" and the band blared "Hail to the Chief."

## Catholic Church Makes Plans For Election of New Pontiff

VATICAN CITY (AP)—The Roman Catholic Church in its traditionally unhurried way made fresh preparations Tuesday for the solemn conclave that will elect its 262nd supreme pontiff.

Among lay circles there was a growing belief that the next Pope, like the last, would be an Italian. There were several reasons for this line of speculation.

There is no clearly outstanding candidate among the College of Cardinals as there was 19 years ago when Eugenio Cardinal Pacelli, with his brilliant record, was quickly elected the 261st pontiff.

Both the junior and the senior groups will work on the Christmas program. Choreography will be done by Orchestris members and instructors.

New members of senior Orchestris, announced Tuesday night, are: Judy Williams, A1, Ft. Dodge; Sheila Willoughby, A3, Iowa City; Virginia McCleary, A1, Linden; Ruth Hidore, A3, Sanborn; Maxine Elsheimer, A4, West Union; Ann Zeck, A3, Washington; and Rose Katzen, Special Student, St. Louis, Mo.

Joan Sheagren, A1, Rockford, Ill.; Sarah Cunningham, N4, Mt. # Dance Group To Be Divided

Because of the increase in the number of girls who tried out for Orchestris, the modern dance group will be divided this year, Mrs. Helen Bladon, physical education instructor and faculty advisor of the group, said Tuesday.

Over 70 girls tried out for Orchestris this year, Mrs. Bladon said, so the original group has been divided into two groups, a senior Orchestris and a junior Orchestris.

A new event for Orchestris this year will be the presentation of a Christmas program. Some of the old members of the group have already started work on the program which will be based on Christmas carols, Mrs. Bladon said.

Both the junior and the senior groups will work on the Christmas program. Choreography will be done by Orchestris members and instructors.

New members of senior Orchestris, announced Tuesday night, are: Judy Williams, A1, Ft. Dodge; Sheila Willoughby, A3, Iowa City; Virginia McCleary, A1, Linden; Ruth Hidore, A3, Sanborn; Maxine Elsheimer, A4, West Union; Ann Zeck, A3, Washington; and Rose Katzen, Special Student, St. Louis, Mo.

# Plenty Of Fall Odd Jobs Open

Iowa City home-owners are plaguing the Student Employment Office with calls asking help with fall odd jobs such as raking leaves, and putting up storm windows.

These jobs pay \$1 an hour, Howard Moffitt, manager of the office, said.

Moffitt requests that any student interested in this work to contact the Student Employment Office.

The employment office is located in the Office of Student Affairs.

# New Justice Takes Oaths

WASHINGTON (AP)—Potter Stewart swore two oaths Tuesday that made him a Supreme Court justice—the court's youngest—and occupied the chair traditionally assigned the newcomer, the one on the left end of the bench.

The marbled chamber was filled with relatives, friends, dignitaries and tourists as the 43-year-old Cincinnati lawyer swore to "administer justice without respect to persons, and to equal right to the poor and the rich."
