Soviet Sub Surfaces Off Iceland

THIS PHOTO, released by the Navy in Washington Friday, shows a Soviet submarine sighted on the surface in the Atlantic, south of Iceland at 8:26 p.m. on May 29. It is identified as one of the Russian long range "Z" class subs modified by an enlargement of its superstructure. The photo was made from a Navy patrol plane engaged in exercises in the area. — U.S. Navy Photo via AP Wirephoto.

Certain Types Military Aid Questioned

WASHINGTON, (UPI) — The House Foreign Affairs Committee complained today that U.S. military aid has at times bolstered dictatorships, strained foreign economies, and disrupted relations between non-communist nations.

The committee aired its complaints in a report to the house on its approval of a \$3 billion foreign aid bill for the 1960 fiscal year. President Eisenhower requested \$3.9 billion.

Funds for military aid and defense support bore the brunt of the committee's slash.

The committee said it was convinced that continued military assistance was "absolutely essential" to the security of the free world and many nations, especially those in Europe, the Far East and Southeast Asia.

But it said it was "especially disturbed" about the effects of armed shipments to underdeveloped nations which are threatened not by Communism but "by internal economic needs, injustices, and frustrations."

"On occasion," it said, "our military assistance has been granted for political reason with unfortunate results."

Administration Reveals Threat To Fiscal Budget

WASHINGTON, (UPI) — The Eisenhower Administration has revealed a new threat to the President's precariously-balanced fiscal 1960 budget. It said interest on the National Debt would climb to an all-time high of \$8.6 billion.

That would push the cost of running the Government a half billion dollars higher than the \$77 billion estimated by Eisenhower in his Budget Message to Congress last January.

Administration leaders said, however, that a balanced budget still was possible for the new fiscal year starting July 1. They said tax revenues also were expected to be higher than the President originally had anticipated — by \$600 million.

The revised forecasts were disclosed by Treasury Secretary Robert B. Anderson and Budget Director Maurice H. Stans in secret testimony before the House Ways And Means Committee earlier this week.

The committee made public Friday a staff analysis of the new data which indicated a strong possibility that the Government would wind up in the red despite Administration hopes — and even if no big new spending programs are approved.

The father, Guy Starkweather, revealed he had sent "the facts of the case" to the high court a week ago.

In Washington, a spokesman for the court said it had received a telegram saying the material was on the way. The telegram, however, did not represent a formal appeal, which must be a formal application for stay of execution or some other relief, the spokesman said.

Guy Starkweather hoped to repeat his feat of two weeks ago, when his middle of the night appeal to a U.S. circuit judge stopped his son's execution with only 90 minutes to spare.

Thursday, a three-judge federal panel put Starkweather back in the shadow of the electric chair by refusing to extend the two-week stay of execution.

The Nebraska Supreme Court's action Friday was a followup to the federal ruling and was made at the request of the State's Attorney General, C. S. Beck.

Adenauer Gets Party Nod To Remain As Chancellor

BONN, Germany (UPI) — Konrad Adenauer Friday overrode angry objections from leaders of his ruling Christian Democratic Party to win their unanimous agreement that he remain Chancellor of West Germany until the 1961 general election.

The party executive's endorsement of his decision not to run for president averted — at least for now — a wide open split in the party. But the threat remained.

Adenauer said that the international situation had worsened since he announced in April that he would seek election as president. He said West Germany needed him to guide it through the "critical" times ahead.

But some observers believed his

Three Break-Ins, Netting \$349, Reported Friday

Iowa City police are investigating three break-ins which netted thieves \$349 and \$10 worth of trading stamps. All the break-ins reported here Friday followed the same pattern with a window smashed to gain entrance.

Hardest hit was Joe's Place, 115 Iowa Ave., which reported \$349.24 taken from a cash register during the night Thursday. An employee, Ralph Kasper, found the register drawer standing open when he came to work about 7:00 a. m. Friday.

Earlier, a janitor in the building, Fred Martin, found a window shattered and open in the women's rest room, apparently where the thief entered and left the establishment.

Two service stations were also victimized Thursday night. Milo's Conoco station, 105 E. Burlington St., reported about \$10 worth of trading stamps missing after an employee, Ambrose Harney, discovered the break-in about 7 a. m. Friday.

A spokesman said there was "naturally" no discussion by the ministers — bringing laughter from newsmen.

Union Committee To Meet Today

NEW YORK (UPI) — The United Steelworkers today called their key wage policy committee to New York next Friday to deal with the break-in about 7 a. m. Friday.

A small pane of glass had been broken out of the front door to allow the thief to unlock it from the inside. An employee said, no cash was left in the register the night before.

A merchant policeman, Robert Sook, found an overhead door leading to a grease rack at Miller's Conoco station, 231 S. Capitol St., standing open about 2 a. m. Friday. The thief had smashed a window in the door to unlock it. Nothing of value was missing.

Exam Schedule

Final exams scheduled for today are:

8 a.m.: All sections of Comm. 6A:1, 5; Comm. 6G:15; and Skills 10:21, 22, 23, 24, 31, 32.

10 a.m.: Classes which meet first on Tuesday at 10:30; all sections of Comm. 6A:2 and Comm. 6E:1.

Monday, June 8

8 a.m.: Classes which meet first on Tuesday at 10:30; all sections of Core 11:12.

10 a.m.: Classes which meet first on Monday at 2:30; all sections of M.E. 58:30.

1 p.m.: All sections of Comm. 6L:55; Speech 36:53; M.E. 58:22; and Educ. 7:70.

3 p.m.: All sections of Comm. 6G:24; Comm. 65:145; Math. 22:3, 4, 5, 6, 7, 8, 16, 17, 18.

7 p.m.: Classes which meet first on Monday at 8:30.

Herter Accuses E. German Reds Of Espionage

Karl King To Conduct SUI Concert

One of the top men in the band business will be guest conductor at the Commencement Band Concert Wednesday at 7:30 p.m. on the east lawn of Old Capitol.

Karl L. King, composer, conductor and former bandmaster of such well-known ensembles as the Barnum and Bailey Circus Band, will take the podium at the concert to conduct the SUI Symphony Band in five selections, including four of his own march compositions.

Karl King began his musical studies at an early age, and was only 17 when his first band compositions were accepted for publication.

The agreement came in an hours-long stormy meeting of the executive, summoned into emergency session after Adenauer's surprise announcement Thursday night that he had changed his mind about stepping down as chancellor to run for the figurehead post of president next Tuesday.

On his return to the chancellery after the meeting, Adenauer told newsmen that "everything was in order" for him and his party.

Adenauer's decision touched off a wave of anger, consternation, dismay and even disillusionment. The press was in an uproar; citizens and politicians, including many of Adenauer's own supporters, spoke out angrily against his sudden turnabout.

West German Foreign Minister Heinrich von Brentano flew back hurriedly from Geneva to participate in the party conclaves.

The 83-year-old chancellor, however, displayed little concern over the controversy touched off by his decision not to run as his party's candidate in the July 1 presidential elections. He was smiling confidently when he arrived for the executive meeting.

Earlier, Adenauer formally informed his cabinet of his decision. A spokesman said there was "naturally" no discussion by the ministers — bringing laughter from newsmen.

Union Committee To Meet Today

King is a past president of the American Bandmasters Association, past president of the Iowa Bandmasters Association, and in 1958 was given an honorary doctor of music degree by Phillips University, Enid, Okla.

In 1914, he became bandmaster of the Sells-Floot and Buffalo Bill Combined Shows, a position which he held until 1917, when he became bandmaster for Barnum and Bailey Circus.

In 1914, he became bandmaster of the Sells-Floot and Buffalo Bill Combined Shows, a position which he held until 1917, when he became bandmaster for Barnum and Bailey Circus.

In the fall of 1920, King moved to Fort Dodge to become director of the Fort Dodge Municipal Band, which he still conducts.

As a composer he has written nearly 100 marches, plus numerous overtures, intermezzos, waltzes and novelties.

In the fall of 1920, King moved to Fort Dodge to become director of the Fort Dodge Municipal Band, which he still conducts.

Students attending a college out of the state in which they legally reside must pay an average \$206 more for tuition and fees than those charged to in-state students.

On the average, the charges for dormitory rooms were \$160 for men and \$165 for women in public institutions and \$191 for men and \$207 for women in private schools.

The streamlined train, bound for Chicago, had just left downtown Des Moines.

Attacks Open In Senate Over Lewis L. Strauss Nomination

WASHINGTON (UPI) — Lewis L. Strauss was warmly praised as a devoted public servant and severely criticized as an evasive incompetent Friday at the opening of formal senate debate on his nomination to be commerce secretary.

The case for and against the one-time chairman of the Atomic Energy Commission was presented to the Senate by the ranking Democrat and Republican on the Senate Commerce Committee which approved the appointment by a 9-8 vote.

Chairman Warren G. Magnuson (D-Wash.), pictured Strauss as a man lacking the integrity and competence required for the cabinet post. He also accused Strauss of deliberately trying to deceive his committee.

Dewey B. Stuit, Dean of the College of Liberal Arts, was incorrectly quoted in Friday's Daily Iowan as saying that if a student has a grade of F in the course when he drops it during the first six weeks, he is still likely to get an F.

Sen. Andrew F. Schaeppel (R-Kans.), ranking Republican com-

Attempt To Dynamite Train Under Investigation In DM.

DES MOINES (UPI) — Authorities were trying to piece together Friday night bits of evidence that might lead to the arrest of the person who made an unsuccessful attempt to blow up a Rock Island Rocket passenger train with 99 sticks of dynamite.

There were 200 passengers on the Chicago-bound train at 2 a.m. Friday when it passed over a spot on the outskirts of Des Moines where the dynamite, in a

suitcase with a fuse attached, was placed between the tracks. A dozen federal, state and county officers, aided by several railroad detectives, had joined in the investigation.

Polk County Sheriff Wilbur Hildreth said they had no immediate hot leads on the identity of the person responsible. He called a meeting of all officers working on the case at his office at 9 a.m. today.

Wheels of the eastbound train cut a lighted fuse leading to the suitcase full of explosives in passing over it.

Apparently the would-be dynamiter was in the background waiting for the explosion which did not come. For a second attempt was made an hour later to discharge the dynamite. This time it burned down to the detonating cap but it did not explode for some unexplained reason.

One theory being explored by the investigators was that the attempt was the work of a "crank" who had a grudge against the railroad, Sheriff Hildreth said.

Another possibility, he said, was that the perpetrator might have heavily insured some passenger on the train.

Hildreth recalled that in Denver, a year ago a man placed dynamite aboard an airplane to kill his mother whom he had insured.

In addition to the dynamite in the suitcase authorities found 15 more sticks in a search of the area.

The explosives were believed to have been stolen in a break-in earlier this year at a Mill & Elevator Company warehouse in Des Moines.

One of the passengers on the train was R. E. Johnson, of Chicago, Rock Island vice-president in charge of operations and a former general manager here.

The suitcase was first spotted by the fireman on the train before it passed over it and cut the 12-foot long fuse attached. He radioed railroad officials to investigate.

Two trainmen then discovered the dynamite-laden package. It was in the interval that they left to call police that the dynamite returned and tried to blow up the explosives, possibly to destroy the evidence.

Whoever did it was an expert at capping and fusing dynamite, officers said.

West Des Moines Police Chief George Shuck, a demolition expert said he could not determine what had prevented the fuse from detonating the charge after it was lit a second time.

"But it's a good thing it didn't go off," he added. "there was enough dynamite there to blow the train into scrap metal."

The streamlined train, bound for Chicago, had just left downtown Des Moines.

of the hearings and disputed the contention that he used delaying tactics.

Sen. Strom Thurmond (D-S.C.), one of three committee Democrats voting for Strauss, said the Communists will undoubtedly — "albeit falsely" — claim credit for purging another exponent of government security if Strauss is rejected.

He said he convinced himself only with difficulty that the scientists who testified against Strauss' strict enforcement of AEC security regulations were "impractical idealists" rather than "the parrots of The Daily Worker."

The debate promised to be one of the most bitter floor battles of the year. No vote was expected at least until late next week, with the outcome in doubt. Both sides concede the vote will be close.

Cites Cases Of Spying, Kidnapping

Gromyko Replies With Counter Charges

GENEVA (UPI) — Secretary of State Christian A. Herter charged Friday that the East German Communists have organized more than 200,000 spies and informers to achieve "complete overthrow" of freedom in West Berlin, West Germany and the free countries beyond.

Herter coupled his indictment of East Germany at the Foreign Ministers Conference with the declaration that Russia's plan to turn West Berlin into a "free city" is a bold attempt to gain what the Reds could not achieve with their 1948-49 Berlin blockade.

His 40 minute speech at Friday's semi-public session on the ministers was the West's answer to Soviet Foreign Minister Andrei A. Gromyko's charges of Western spying and subversion in West Berlin.

It also represented a major Western bid to break the sudden Soviet freeze at the conference, which apparently was ordered by the Kremlin while Nikita S. Khrushchev plots new strategy.

Gromyko denied Russia wants to annex West Berlin. He said there was "some sort of possibility of agreement" on the Western proposal for a pact to settle all issues through negotiation rather than force.

Herter said he was agreeably surprised that Russia had found something positive in the original Western German peace plan which Premier Khrushchev had rejected out of hand.

Herter presented data from Western counter-intelligence agencies to paint a picture of an East Germany dedicated to the propagation of undermining and subverting vast areas of the free world.

Herter said that in East Germany alone it was "reliably estimated" that 26,000 officers and 200,000 agents and informers are operating against "West Berlin and the Federal Republic of Germany" and countries beyond, including Scandinavia."

He described East Berlin as a "center of subversion, kidnapping, spying and numerous other hostile activities" all designed to promote the "complete overthrow" of freedom in West Berlin and West Germany.

He was armed with this record: One hundred and three kidnappings of West Berliners in 10 years.

Hiring of spies in West Berlin by agents of East Germany, Russia, Poland, Czechoslovakia, Hungary, Romania and Bulgaria.

All these countries have agents working in West

Revolution Under Control, Says Nicaraguan President

MANAGUA, Nicaragua (UPI) — President Luis Somoza claimed he has the six-day old revolution under control Friday. But the rebels said their strength was growing and they were preparing to march on Managua.

(Rebel Radio, monitored in Costa Rica, said the invaders had captured the village of Wiliwili in northern Nicaragua and that villagers and small farmers in the mountain districts were joining their forces. It said rebel units in Leon Province were moving to link up with the force in Wiliwili for a "march on Managua.")

In Washington, the Organization of American States deferred an immediate on-the-spot investigation. A four-nation OAS investigating committee, established last night, will remain in Washington and ask neighboring states to submit any information pertinent to the situation in Nicaragua.

The committee, headed by Uruguayan Ambassador Julio Lacarte, said normal procedure would be

to visit the scene but that the trip was put off because "we are in the process of getting information here to determine what further steps to take."

In a press conference last night, Somoza belittled the revolution calling it a "crazy adventure." He said the airborne invaders, who landed in two groups Sunday and Monday, had the "crazy notion" that the Nicaraguan Army and Air Force would defect to them but the Armed Forces have remained loyal.

The president described the invaders as "young people who want to be Fidel Castro."

In an official rundown of the revolution, he said:

"Two combat pilots were killed during invasion patrol, raising the death toll on both sides to eight. One of the pilots was killed Friday the other a few days ago."

—He has arrested 125 persons since the revolution began. Fifty of the political prisoners are held in Managua, the others in other cities throughout the country.

The invaders who landed on the plains of Olama Monday have broken into small groups but those who landed at Santo Tomas a day earlier have stuck together. They are making their way toward the Atlantic Coast, "running so fast we can't catch them."

A previous report that three ships filled with rebel reinforcements were en route from Cuba was unconfirmed and apparently unfounded. The three ships were due in Nicaraguan waters Friday and the president said his own Navy and Air Force were patrolling the coasts and were capable of handling the invasion fleet if it should show up.

At the press conference, Somoza said he was determined to serve out his term which runs until 1963. He said, "the next election is going to be a free election, by ballots not bullets."

To Investigate 'Red Activities' Of Instructors

WASHINGTON, (UPI) — The House Committee on Un-American Activities announced Friday that it will investigate alleged Communist Party activities of certain teachers in the San Francisco and Los Angeles areas.

Chairman Francis E. Walter (D-Pa.) said teachers would be questioned at San Francisco hearings starting June 17 and at Los Angeles hearings opening June 18.

A committee spokesman said teachers from schools in surrounding communities would be subpoenaed to testify at the two West Coast cities. He said witnesses would represent all levels of teaching — grade school, high school and college.

The committee announcement said Walter "wanted it made clear this is not an investigation of schools or education." The committee was accused by some educators and others of trying to influence educational processes during previous investigations.

The committee said the Los Angeles-San Francisco investigation "will not involve the curriculum, text books or anything that occurs in the classroom."

"It will involve the character, extent and objects of Communist Party activities of persons entering the teaching profession who are subject to the directives and discipline of the Communist Party," the announcement said.

It said as many as 100 witnesses may be heard, with most of the hearings conducted behind closed doors.

The announcement said the committee decided on May 26 to conduct the investigation.

Foreign Students Leaving SUI To Be Honored

Foreign students who are leaving SUI will be honored tonight at the International Center. The Farewell Open House, an annual event, will begin at 8 p.m.

Twenty-four foreign students, representing 13 countries, will receive degrees on June 12. Also being honored at the open house are students who have finished their study programs in the U.S.

According to tradition at the International Center, the national flags of all countries represented at SUI will be displayed at the open house.

Graduating and departing foreign students will participate in another custom of the Center — that of adding their name and country to the many on the walls of the Center's recreation room.

Friends of foreign students are invited to attend the open house. Refreshments will be served.

Horts and hostesses are members of the International Center Student Board.

Reid Takes Oath For Israel Post

WASHINGTON (UPI) — Ogden R. Reid was sworn in Friday as new U.S. Ambassador to Israel — less than 24 hours after he was confirmed over the protests of Chairman J. William Fulbright of the Senate Foreign Relations Committee.

Reid, 33-year-old former New York newspaper publisher, was told during the State Department swearing-in ceremonies that his post was "one of the most important of our diplomatic missions." He said in reply that he was approaching the assignment "humbly."

Fulbright, who based his opposition to Reid on the nominee's lack of prior diplomatic experience, said earlier that he would continue to fight for "more qualified" envoys. But the Arkansas Democrat said "it's a very discouraging prospect."

In a related development, the Senate Friday confirmed by voice vote the President's choice of J. Graham Parsons, a veteran career diplomat, to succeed Walter S. Robertson as Assistant Secretary of State for Far Eastern Affairs. Fulbright supported the nomination.

University Bulletin Board notices must be received at The Daily Iowan office, Room 201 Communications Center, by noon of the day before publication. They must be typed and signed by an advisor or officer of the organization being publicized. Fuzzy social functions are not eligible for this section.

UNIVERSITY COOPERATIVE BABYSITTING LEAGUE BOOK will be in the charge of Peg Leaders from June 5th to June 16th. Telephone her at home — 3343, or at school — x2427, if a sitter or information about joining the group is desired.

STUDENTS WHO WISH to have a copy of their Spring Semester grade reports mailed to them should leave a stamped addressed envelope at the Registrar's Office.

If you SUBSCRIBED for a 1959 yearbook and have not yet picked it up, please do so as soon as possible at 201 Communications Center, 8 a.m. to 5 p.m. daily except Saturday. Seniors may also get their book at the same place.

THOSE REGISTERED in the Educational Placement Bureau still seeking positions, send change of address to the office before leaving the campus. This may be done by post card or by leaving a memorandum at the Placement Office.

VETERANS: Each Public Law 550 veteran must sign a VA Form 1968 to cover his attendance from May 1 through June 10. This form should be signed on or after the day the veteran's name first appears in the Veterans Service Office. Weekday open hours are 8:30 a.m. to 12 noon and 1 p.m. to 4:30 p.m.

CANDIDATES FOR DEGREES in Journalism have arrived. Orders may be picked up at the Alumni House, across the Union.

PROGRAM OF FOREIGN STUDIES certificates will be issued to students who have completed the requirements of the program. Students expecting the certificate should report immediately to Professor Erich Funke, 106 Schaeffer Hall. Professor Funke will also inform students about careers in the United States Foreign Service and about the Foreign Service Examination for 1959.

STUDENTS that do not want to be interviewed may have The Daily Iowan mailed to any address in the U.S. during the vacation period, June 12 through September 18. The special reduced subscription rate for students is \$3.00 for 14 week period.

ALL LOCKERS in the Fieldhouse must be checked in before June 11th. Following this date all locks will be removed and contents destroyed.

THE NORTH GYMNASIUM Fieldhouse will be open for the use of SUI students each Friday from 1:30 to 4 p.m. and each Saturday from 1:30 to 5 p.m. In order to gain admittance into the North Gymnasium on Saturday, students must present their I.D. cards to the person in-charge who will be located near the North cage door.

SATURDAY SUPPLEMENT TO-DAY will deal with two unrelated but significant areas of interest: Commencement and Journalism. The present status of each will come under perusal along with some critical analyses designed to elicit laughter, on the one hand, and concern, on the other, from 1 p.m. to 4 p.m.

PLAY NIGHTS at the Fieldhouse will be each Tuesday and Friday from 7:30 to 9:30 p.m. provided that no home variety contest is scheduled. Available times are 7:30 p.m., 8:30 p.m., 9:30 p.m. and 10:30 p.m. The student body and their parents are the following: Tuesday nights — badminton, handball, paddleball, swim-

2 Die At Street Crossing

MOTHER COMFORTS SON — Mrs. Imogene Kleppin kneels beside her 3-year-old son, Danny, Friday in Milwaukee moments after he, his 2-year-old sister and their 12-year-old aunt started to cross a street and were hit by a truck. Other two children were killed. Driver Jack Brockway was charged with failure to yield right of way to pedestrian. — AP Wirephoto.

Lambda Chi Alpha

Social Fraternity Is Born

Three semesters of waiting came to an end Friday for the members of the Lambda Chi Alpha social fraternity colony at SU.

The group was notified Friday that their petition, asking for full standing as a fraternity on campus, received the approval of the SUI Committee on Student Life.

Other chapters in Iowa are located at Simpson College, Indianola; Iowa Wesleyan College, Mount Pleasant; Coe College, Cedar Rapids; and Iowa State College, Ames.

time, they have been on a probationary status.

Nationally, Lambda Chi Alpha has 152 chapters, nine of which are in Canada. Until this time, SUI was only school in the Big Ten that did not have a chapter of the fraternity.

Other chapters in Iowa are located at Simpson College, Indianola; Iowa Wesleyan College, Mount Pleasant; Coe College, Cedar Rapids; and Iowa State College, Ames.

Truman Asks Broader Scope For NATO Activities

LONDON (UPI) — Former President Truman and other Western leaders tonight presented the Atlantic Congress a plan to revitalize and strengthen NATO for political and economic cold war.

A petition signed by Truman, former Canadian foreign minister Lester Pearson, and 155 other prominent statesmen, writers and political leaders proposed that political, economic and cultural arms be grafted onto the military body of NATO.

The petition made these main proposals:

— A Conference of the West's leading brains should be created to meet as often as need be to develop ideas to unify the West and modernize NATO.

Made possible through the payment of dues by members of the Dads Association, established in 1956, the \$500 fund is intended to assist students who need emergency short-term loans.

The proposed fund would permit students to borrow money for 30 days interest-free. The Dads Association executive committee has recommended that the loan fund be administered by the Student Loan Committee at the University.

Commenting on the new loan program for the article in the SUI Dad, SUI Dads Association President Francis Shadle, Esterville, said, "Since the Dads Association is relatively a youngster as organizations go, we don't have much money in our treasury yet, but we think this \$500 will be of some help in assisting students who might be financially embarrassed temporarily."

"I look upon this as merely the start of a program which through the years will expand greatly to give more assistance to students in need," the Dads President said. "This program, in my opinion, fulfills one of the main functions of the Dads Association. For besides helping parents to understand better the activities of their sons and daughters, while they are at the University, we in the Dads Association want to help the overall University program in every way possible — and this loan fund is just one of those ways."

NEW JET FIGHTERS

BONN, Germany (UPI) — The first fighter wing of the new West German Luftwaffe, with 36 Canadian-built F-86 jets, will be formally put into service Sunday, the Defense Ministry announced.

Participants in the assembly are chosen on the basis of personal qualifications and scholastic records.

Per Simonaes, G, Bergen, Norway, is one of 49 foreign graduate students selected to participate in the Williamsburg International Assembly, June 7-10, at Williamsburg, Virginia.

Simonaes has been studying television production at SUI. His future plans include dealing with programs on international affairs for

The Assembly is a seminar of the Norwegian National Broadcasting and Television Corporation, formal and informal discussions of foreign students' reactions to the ideologies, institutions, and way of life in the United States after a year or more of graduate study in this country.

Participants in the assembly are chosen on the basis of personal qualifications and scholastic records.

Martin Says Of Funds Cut: Perilous Folly

WASHINGTON (UPI) — Sen. Thompson (R-Iowa) spoke out strongly Friday against any cut in funds requested by President Eisenhower for improvement of the nation's Nike-Hercules missile defense system.

He told the Senate it would be "perilous folly" to abandon Nike missiles now in favor of the Air Force's Bomarc missile.

President Eisenhower has asked \$22,413,000 for improvement and extension of the Army's Nike-Hercules defense system for the fiscal year starting next July 1. He also proposed \$26.9 million to provide facilities for Bomarc sites.

The House of representatives has approved appropriation of these amounts. But the Senate Armed Services Committee recommended that the Bomarc funds be left unchanged and the Nike money be cut back to \$5 million.

Martin said the proposed cutback in the Nike-Hercules missile system "could be seriously detrimental to our national defense."

He said the Nike-Hercules is the only close-defense missile the United States has with proven ability to destroy enemy aircraft at supersonic speeds.

Martin said he supports the Bomarc because, when fully developed, it will be a most effective weapon with a greater range than the Nike.

But the Bomarc won't be ready for full scale use for three to four years, he said.

Meanwhile, the Nike-Hercules is "fully operational" and Army plans for the coming fiscal year call for installation of 50 Nike batteries at 25 different locations in the United States and eight more batteries in Hawaii, Martin said.

After the Bomarc comes into full scale use, the senator added, the Nike bases can help protect against any enemy aircraft that might get past the Bomarc defenses.

Yankees Continue Surge, overpower Indians 11-2

**Tribe Loses
6th Straight;
8th Of Last 9**

**ChiSox, Tigers Win;
Keep Ahead of Yanks**

CLEVELAND (AP) — The New York Yankees, playing like world champions once again, routed Cleveland 11-2 Friday night on a blistering 17-hit attack that featured home runs by Gil McDougald and Elston Howard.

The largest crowd of the season in the American League — 51,395 — watched as the Yanks sent the Indians reeling to their sixth straight defeat. Art Ditmar pitched a strong seven-hitter but lost his shutout bid when Billy Martin smacked an eighth inning home run. Rocky Colavito added the final Cleveland run with his 14th home run in the ninth.

The Indians now have lost eight of their last nine games, while the Yanks won their seventh in the last eighth. The 11 runs were the most scored against Cleveland this season.

Howard, Bill Skowron, Hector Lopez and Norm Siebern each drove in two runs. Every Yankee in the lineup got at least one hit, except Mickey Mantle who drew three walks. Tony Kubek had four hits.

New York 110 202 140—11 17 0
Cleveland 000 000 01—2 7 0
Tigers 100 100 100—10 10 0
Home runs — New York, McDougald (1), Howard (7), Garcia (9) and Nixon (6). L — Colavito (4).

ChiSox 5, Red Sox 2

CHICAGO (AP) — Pinch-hitter Harry Simpson's 3-run double broke a 2-2 tie in the eighth and enabled the Chicago White Sox to widen their first-place lead with a 5-2 victory over the Boston Red Sox Friday night.

Simpson smashed his bases-loaded clout off the fourth Boston hurler, Leo Kiely, and settled what had been a tightly pitched game.

Frank Malzone hit his seventh homer in the second for a 1-0 Boston lead.

The defeat was charged to Mur-ray Wall, who had started the eighth and proceeded to yield a single to Earl Torgeson, then pegged wildly to second an attempted sacrifice and filled the bases with an intentional walk to Jim Landis.

Simpson's bases-clearing blow notched a victory for the second White Sox pitcher, Gerry Staley, who pitched to only four batters for the decision.

Boston 010 000 010—2 7 0
Chicago 000 100 100—5 10 1
Baumann, Monbouquette (5), Wall (6), Kiely (8) and Daley (9); Wynn, Staley (8), Lollar (9), Arias (9) and Romano (1). L — Wall (1-4).
Home run — Boston, Malzone (7).

Tigers 7, Senators 6

Detroit (AP) — Al Kaline's single drove in the winning run Friday night in the ninth inning as the Detroit Tigers edged Washington 7-6.

Kaline's hit scored Eddie Yost, who led off the inning with a single against his old teammates and went to second on a sacrifice. Pitcher Camilo Pascual gave Charlie Maxwell an intentional walk to pitch to Kaline.

The Tigers had to overcome a pair of tremendous home runs by Bob Allison for the victory. Allison drove in four of the Washington runs with a pair of upper deck blasts, and added three ringing singles for a perfect night at the plate.

There were 11 walks, one hit batsman, two errors and two passed balls in the game and four of the Detroit runs were unearned. Pascual hung on throughout and

Home runs — Washington, Allison (2). Detroit, Harris (6).

Orioles 6, A's 1

KANSAS CITY (AP) — Young Milt Pappas pitched a five-hitter Friday night and beat the Kansas City Athletics 6-1 as the Baltimore Orioles moved into a virtual tie for second place in the American League.

The 20-year-old righthander had a shutout until two were out in the ninth when Bill Tuttle tripled and scored Joe DeMaestri who had been knicked by one of Pappas' pitches.

Pappas had no trouble except for occasional spots of wildness as he won his fifth game against a pair of losses. He walked six and struck out the same number.

Gus Triandos hit his 10th homer of the year and scored what proved to be the winning run in the third inning. Gene Woodling hit a more productive homer in the ninth for Baltimore. His rightfield shot found Willie Tasby and Bob Boyd on base, both hit by errant pitches of Tom Sturdivant, second A's pitcher.

Pappas had no trouble except for occasional spots of wildness as he won his fifth game against a pair of losses. He walked six and struck out the same number.
