President Eisenhower Sore, Regrets Loss Of L.L. Strauss

Senate Rejected Strauss

Was Nominated For Commerce Post

WASHINGTON (AP)—A grim-faced President Eisenhower declared Friday the nation has lost out because the Senate turned down Louis L. Strauss as secretary of commerce.

Hours after the Senate's dramatic post-midnight action, the President called newsmen to his White House office and read a statement he had written out in longhand.

"I am losing a truly valuable associate in the business of government," Eisenhower said. "More than this—if the nation is to be denied the right to have as public servants in responsible positions men of his proven character, ability and integrity, then indeed it is the American people who are the losers in this sad episode."

Eisenhower spoke in even tones, displaying no anger. But an aide said later the President was "good and sore" about Strauss' rejection.

It was an unusual public gesture by Eisenhower—only the second time in his 6½ years as president that he has summoned newsmen to his office to hear him read a statement.

Strauss, who met with Eisenhower for about 20 minutes before the President spoke out, accepted his defeat without apparent rancor.

He said he harbors no bitterness against the Democratic senators who fought his nomination for months and finally beat it by a 49-46 vote.

"I am confident in the belief that history will do me justice," he told newsmen after he had spoken with Eisenhower in a small anteroom near the President's oval, green-carpeted office.

Strauss was the first Cabinet-level nominee to be rejected by the Senate in 34 years—only the eighth since the nation was founded.

Usually reliable sources reported later that Strauss probably will quit within the next week. He was understood to be drafting a letter of resignation. But it was believed he might not submit it to Eisenhower until sometime next week. He and the President presumably would then decide when he actually will step out.

Meanwhile, the White House had no word on what was being done to find a new nominee for the commerce post.

Strauss has been serving as chief of the Commerce Department since last Nov. 13, when he succeeded the retiring Sinclair Weeks under a recess appointment. The formal nomination went to the Senate last Jan. 17.

The Senate action against Strauss amounted to a strong rebuff of Eisenhower, who had stood behind the embattled nominee throughout the long and bitter fight.

Eisenhower made no mention of any political implications in his statement of regret.

But in Chicago, Vice President Richard M. Nixon said the people at large will regard Strauss' rejection as an act of partisan politics and "will be outraged by the arbitrary and vindictive action on the part of some of the people in the Senate."

Nixon blamed Strauss' defeat on Senate Democratic Leader Lyndon B. Johnson of Texas. Johnson may have "won the victory but he will lose the war," Nixon said.

SHOOTS WOMEN

CAIRO, Egypt (AP)—Cairo's mad gunman, who takes pot shots at women in open-air theaters, has hit his 11th victim in a year. A reward was announced for information leading to the gunman's arrest. He has killed one woman and injured 10.

German Foreign Minister Threatens To Resign Post

BONN, Germany (AP)—Economics Minister Ludwig Erhard told Chancellor Konrad Adenauer in effect: "Quit insulting me or I'll resign."

The bitterness between the two most powerful figures in West Germany sprang into the open anew Friday after some remarks about Erhard in an interview by Adenauer with the New York Times.

The Times said Adenauer repeated previous statements that Erhard lacks the political experience for the job of chancellor but is "a very talented man."

The 62-year-old Erhard told a Christian Democrat party caucus that someone—obviously Adenauer—was "systematically trying to degrade my reputation."

He said he would surrender his

Cabinet post unless he is "shielded from further calumny."

The party caucus was called to discuss the Times interview. Adenauer was asked to stay away from the caucus.

Erhard looked dejected as he emerged from the party meeting. Reporters heard him mumble that this time he was not going to bow to Adenauer. Then he flew off for a long weekend at Zurich, Switzerland.

The next chapter opens Monday when Heinrich Krone, the Christian Democrat floor leader in Parliament, reports on a study comparing the stenographic text of the interview with what appeared in the Times.

Erhard's words to the party caucus were acid. He said the dispute with Adenauer involved the party members as well.

"You not only have the duty to prove your loyalty to the Chancellor which, God knows, you

have done in sufficient measure," he said, "but you must bear responsibility before the German people. Today the fate of the party is at stake."

Behind that statement lay two weeks of political turmoil. It began June 4 when the 83-year-old Adenauer suddenly abandoned his announced candidacy for the ceremonial post of president and decided to stay on as chancellor.

More than half of Adenauer's party opposed the turnabout and tried to get him to stick to his original choice. Adenauer refused and the party faithful eventually gave in.

Party informants said that behind Adenauer's decision was a desire to keep Erhard from succeeding him. The party had served notice it wanted Erhard.

He reportedly said Erhard, the economist, was as little qualified to be chancellor as he, Adenauer, to be a painter in oils.

NBC, ABC Call For Rejection Of FCC Equal Time Ruling

WASHINGTON (AP)—The NBC and ABC radio-TV networks called Friday for a quick law to undo the Federal Communications Commission equal-time rule on newscasts.

Robert Sarnoff for the National Broadcasting Co. and John C. Daly for the American Broadcasting Co. agreed that action is imperative.

They told a Senate commerce subcommittee it would be impossible to give all candidates—fringe and major party choices alike—the same amount of air time.

The man who is at the bottom of the whole business—Lar (America First) Daly—also appeared before the committee and announced he would run for president again next year.

Lar Daly, no kin to ARC's Daly, is a Chicago woodworker and repairman who won the FCC decision for equal time on newscasts. That was in his race for mayor of Chicago this year.

He recalled that "I was slaughtered" in the primaries and was credited with exactly two votes in the general election. He said he made a point of telling his wife how to write in his name, but some of his other supporters got it wrong.

Sarnoff and John Daly said that if the FCC ruling stands, the networks will be virtually blacked out from covering the 1960 elections. CBS President Frank Stanton took the same view in testimony Thursday.

Almost any one can qualify as a presidential candidate of some party—their argument ran—and they might have to skip covering the Democratic and Republican candidates since they couldn't take care of all.

6 Negro Youths Arrested For Rape Of White Girl

NEW YORK (AP)—Six Negro youths, from 14 to 17 years old, were arrested Friday in the mass schoolyard rape of a 14-year-old white girl. She was attacked three times.

Special police details were alerted in the Corona section of Queens for possible reprisals against Negroes as a result of the attack there Thursday night. The area is a highly integrated zone.

Police said the rape itself was not racial in nature. They passed it off as the efforts of "punk kids" to show off in front of one another. But they feared the brutality of the assault might lead to revenge efforts by whites against Negroes.

The rape victim was a pretty blonde eighth-grader in a Corona junior high school. Police withheld her name.

With three other girls, she left the school shortly after 9 p.m. Thursday after attending a recreation program.

The youths, lounging in the schoolyard, were said to have made obscene remarks to the white girls. Then one of them grabbed the victim, blackened her eye with a punch and dragged her into an alley off the schoolyard.

Big-4 To Take 3-Week Recess

Latin American Political Strife Still Continues

Threat To Frondizi Temporarily Quelled

By ROBERT STEVENSON

Associated Press Staff Writer

Threats of revolt, reports of invasion plans, plots, counterplots and diplomatic tension were highlights of continuing turmoil in Latin America Friday night.

The threat of revolt was in Argentina, where President Arturo Frondizi apparently at least temporarily survived a major move by rebellious military leaders.

Army and Navy officers had threatened a showdown unless Frondizi gave in to their demands for drastic changes in government policies.

The military leaders were said to have called for the ousting of government officials accused of communistic leanings and those favoring former dictator Juan Peron.

The officers also were said to be disturbed over the labor troubles and financial woes that have plagued the Frondizi regime.

Although the exact situation had not been clarified, it appeared that Frondizi was safe for the time being. Authoritative sources said he had reached some sort of agreement with the military men.

Fears of invasion were expressed in Nicaragua by the government of President Luis Somoza. Spokesmen said a band of rebels is preparing to invade Nicaragua from Honduras, Nicaragua's neighbor to the north.

Somoza's government said that band had been discovered by the Nicaraguan-Honduran border commission and a note was sent to Honduras asking that the insurgents be disbanded and interned.

More evidence of another plan to invade Nicaragua came to light in Costa Rica, which borders Nicaragua to the south. A band of rebels gave up its arms to a Costa Rican peace mission, but took flight instead of surrendering as promised.

In Cuba, unconfirmed reports circulated that a ship carrying 300 armed men had sailed from a port in eastern Cuba bound for the Dominican Republic.

African Women's Homebrew War Boils Still Again

DURBAN, South Africa (AP)—The African women's war for homebrewing rights boiled up again Friday.

The women's attacks on saloons Thursday set off waves of bloody violence and wholesale arson that killed four Africans in clashes with police and destroyed 25 buildings.

The renewal of the warfare for homebrew in six saloon drinking brought scattered incidents of women picketing municipal beer halls during the second day of strife.

The minister of Bantu-native Negro-administration and development, Nkan Nel, told the South Africa Senate in Cape Town that the Durban rioting was not against the government.

He said African men support municipal beer halls, thereby harming the illicit liquor trade by the women.

The women's grievance, therefore, is not against the government but against the Durban city administration, Nel said. He contended the African National party was trying to incite people against the government.

Forty African women beerhall pickets were arrested by police at two of Durban's trouble spots for creating a disturbance, the South African Broadcast Corp. said Friday night.

Police used fire hoses to break up a throng massed around a beerhall in Durban's Victoria Street.

Uneasy feeling remained evident in this Indian Ocean port and resort city of 375,000, but police said they have the situation under control.

THOUGHT FOR THE DAY—Soviet Foreign Minister Andrei Gromyko presented this pensive picture at the East German villa in Geneva today after Big Four Ministers session. The West rebuffed a new Soviet proposal to set a time limit on the Western occupation of West Berlin and obtained a three-day recess to give both sides time to study the deadlock.

West Rebuffs New Soviet Proposal

Ministers To Meet In Public Today

GENEVA (AP)—The West rebuffed a new Soviet proposal Friday to set a time limit on the Western occupation of West Berlin, and obtained a three-week recess to give both sides time to study the deadlock.

In a statement presented to Soviet Foreign Minister Andrei Gromyko, Secretary of State Christian A. Herter and his British and French colleagues made clear that they have no intention of agreeing to "the liquidation of their rights in Berlin and the abandonment of their responsibilities for maintaining the freedom of the people of West Berlin."

A proposal put forth by Gromyko would freeze the present Berlin situation for 18 months and provide for negotiations among the Big Four at the end of that time.

But in the Western view, the Soviet Union would then be free to take whatever action it wishes on the issue and the Western powers would be left without any rights on West Berlin and its access routes.

The Big Four ministers agreed to put their positions before world public opinion at a formal plenary session Saturday. They will then recess until July 13.

Western sources said Saturday's session will be strictly formal and very brief.

Herter plans to fly from Geneva in midafternoon for Washington. The secretary's office said he will reach Washington about 12:30 p.m. Sunday.

One of his final acts before taking off will be to entertain Gromyko at luncheon.

At two secret sessions Friday in his villa, Gromyko brushed aside the Western compromise plan for Berlin put forward earlier this week.

The Western statement said the recess will give the Soviet government the opportunity of considering the Western proposals further.

It would give the Western governments the opportunity to consider the position in relation to Soviet Premier Nikita Khrushchev's Friday speech and its connection with the future course of negotiations, the statement added.

Khrushchev warned in his Moscow speech that the Soviet Union would go ahead and sign a peace treaty with Communist East Germany "if the West continues to hinder the settlement of the German question."

MOSCOW (AP)—Soviet Premier Nikita Khrushchev declared Friday a summit meeting to maintain peace in an uneasy world will become even more imperative if the foreign ministers fail at Geneva. He confidently predicted the heads of state will confer.

"We hold that if the foreign ministers do not reach agreement in Geneva, a meeting at the summit will become all the more necessary," he declared at a Kremlin rally for visiting East German leaders. "I would be glad to go, not only to one, but to several summit meetings."

Khrushchev offered to discuss—presumably at Geneva or at the summit—his one-year time limit for Americans, British and French to pull their occupation forces out of West Berlin. But he rejected the major points raised by the West in its last offer at Geneva.

In Geneva, the Soviet Union offered to extend the deadline to 18 months.

Khrushchev renewed his threat to sign a separate peace treaty with East Germany and to back that regime with all the military might of the Soviet Union.

FIGHT COMMUNISTS

KUALA LUMPUR, Malaya (AP)—Britain announced Friday it will give Malaya about \$11 million during 1960 and 1961 to help the newly independent nation continue its fight against Communist rebels. Britain also agreed to turn over 26 military installations in various parts of Malaya.

Presidents of the three institutions were requested to report their findings to the Board of Regents in November.

Eisenhower Flies To Gettysburg For Golf, Rest

GETTYSBURG, Pa. (AP)—President Eisenhower flew from Washington Friday for a weekend of golf and relaxation at his country estate. He brought an old friend from the West for an hour's stay.

The friend is Aksel Neilsen of Denver, a mortgage investment executive. Neilsen was a trout rod companion when the President used to vacation in Colorado before his 1955 heart attack.

Because of headwinds, three helicopters were used to bring the presidential party and Secret Service agents to Gettysburg. Usually only two are used. Even with the load on each lightened, the trip took 48 minutes, which is about half again the normal travel time.

The choppers set down uneventfully in the field in front of the Eisenhower home.

Accompanied by a Gettysburg friend and neighbor, retired Brig. Gen. Arthur S. Nevins, the President and Neilsen toured the barns and drove through some of the pastures for a look at Eisenhower's Black Angus cattle.

One of the helicopters waited for Neilsen and ferried him back to Washington to catch a plane for Denver.

New Zealand Lets Electric Plant Work Contract

AUCKLAND, New Zealand (AP)—New Zealand has awarded a \$1.6 million contract for construction of a hot water pilot plant to produce electricity in the famed tourist thermal region at Wairakei. A New Zealand company, International Contractors Ltd., with Scotch, Swiss and Dutch associates, was the successful bidder.

Pros And Cons On Proposed Federal Power Lines Heard

WASHINGTON (AP) — Proposed legislation already passed by the federal transmission lines to de-liver Missouri Basin power to Western Iowa were both favored and opposed in testimony before a Senate Appropriations Subcommittee Friday.

Spokesmen for rural electric cooperatives and 30 cities with municipally-owned power systems urged construction of the federal lines.

Representatives of five utility companies opposed them, saying they could deliver the government power to government customers themselves, and this would be cheaper and better for all concerned.

Sen. Thomas Martin (R-Iowa) in a statement filed with the committee, urged that \$800,000 for design and construction of the lines by the Bureau of Reclamation be retained in a public works approp-

But Sen. B.B. Hickenlooper (R-Iowa) took no sides in the controversy.

He said his chief interest is to be sure Iowa consumers get their share of Missouri Basin power at "reasonable and proper" costs. The discussion involves engineering problems and cost calculations he isn't competent to judge, Hickenlooper said.

The Federal Government proposes to build two transmission lines — one from Sioux City to Spencer, the other from Sioux City to Creston — to deliver Basin power to western Iowa.

The five companies forming the Iowa Power Pool, however, have offered to deliver the power for the government.

Spokesmen for the Bureau of Reclamation told the committee earlier this week they do not want any money for the lines because the private utility group has offered a favorable proposal.

Mayor Maurice DePaske of Sioux Center, Iowa, representing the Northwest Iowa Municipal Power Group at Friday's hearing, favored building the federal lines.

He said capacity limitations of the private company lines would jeopardize the opportunity of municipal systems to receive additional allocations of government power in the future.

John J. Hyde of Creston, Iowa chairman of the Iowa Committee for Missouri River Power, spoke for rural electric power co-ops.

He said Reclamation Bureau lines would save preference customers \$600,000 to \$900,000 a year and would provide greater capacity and more flexibility in long range planning.

'Memorandum Mania' Threatens

Says Minnesota Professor

"Memorandum mania" is one of the barriers which block the road to success, and even threaten the existence of many organizations and businesses in the United States today, Professor Ralph Nichols told participants in the Summer Management course at SU.

Dr. Nichols is head of the Department of Rhetoric at the University of Minnesota.

Three other barriers to communication which he outlined for managers and supervisors attending the course are the "good news" complex which he said has become practically a part of the American way of life, the problems we have in exchanging ideas with persons on other status levels than our own, and our inability to read well or listen carefully.

One company found it had 3,400

forms on hand for interoffice memoranda, he said. Of these, 120 had never been used and 820 only infrequently. Some branches of the military services found they had even more forms. One study showed that business wastes 65 cents of every dollar it spends on paper work, Dr. Nichols related.

Most of us can't possibly digest the contents of the mountains of paper that new books, periodicals and daily mail bring to our desks. But what is worse, we cannot systematize this material so we can find what we need if we try to keep all of it, Dr. Nichols noted.

IS THAT A RABBIT?—Spike, a Pedigree, is not the kind of a dog that ordinarily tracks down rabbits in their natural habitat, so he is mighty curious about this one. The young western Kansas jackrabbit is named Thumper. Both Thumper and Spike are pets of a ten-year-old Mead, Kan. girl.

Board Of Regents Approves Data Processing Center

The Iowa Board of Regents Thursday approved preliminary plans for the construction of a \$1.6 million educational data processing center at SU.

The 60-by-180 foot building is to be constructed west of East Hall. It will house the Iowa testing program and of its test-making and test-scoring equipment. Also housed in the four-story structure will be the University's computer center and the Measurement Research Center, Inc., a non-profit corporation devoted to the development of automatic test processing and the improvement of testing practices in high schools over the nation.

Because of the delicate nature of the equipment to be used in the testing center, the building will be completely air-conditioned.

Under a law recently passed by the Iowa General Assembly, SU and other state institutions may borrow construction funds and repay them from earnings. Since the testing center is to be built under the provisions of this law, no tax money, student fees, or other money from inside the state will be used to pay for it.

The building would be paid for by royalties on educational tests developed at SU and sold for use outside Iowa by Science Research Associates of Chicago. Royalties such as these have already paid for two high speed electronic

Good Listening— Today On WSUI

GIVE BEFORE FATHER'S DAY: Gift suggestions for Dad are a bonus service on CUE today from 10 a.m. to 1 p.m. Other items of special interest include an interview with President Harry Hagemann of the Iowa State Board of Regents, discussing the fiftieth anniversary of the inception of that organization; and a conversation with two representatives of a much younger body, the Iowa City Community Band. Comedians Buddy Hackett and Lemnie Bruce, recorded, will appear along with the usual staples: Sports Roundtable, Anti-Rock'n-Roll, sports, news, weather and jobs of music.

SATURDAY SUPPLEMENT, from 1 p.m. to 4, salutes the day before the first day of summer with a lazy afternoon of hammock-nap offerings. There will be readings, by Cyril Ritchard, from "Alice in Wonderland" with appropriate musical interludes composed by Alec Wilder. Then, to reverse the field on Lewis Carroll (Charles Lutwidge Dodgson), one may hear composer Deems Taylor's suite, "Through the Looking Glass." Musical bits of a similar nature will be sandwiched throughout the afternoon's tranquilizing activities.

SOMEWHAT LUSTIER will be Tea Time Special, from 4 p.m. to 5:30. Greg Morris will have his first go at lacerating the air waves in the interest of all-out, modern jazz; and he may be expected to show no quarter and no mercy. (Don't forget to turn your portable radio East, facing Decca.)

Court Declares Philadelphia Teenage Killer Is Juvenile Delinquent

PHILADELPHIA (AP) — Edward J. Cooney Jr., 15, who confessed that he killed a 3½ year-old girl on impulse, Friday was adjudged a juvenile delinquent.

This means he will not stand trial for the murder of Becky Holt, whose father, in a matter of hours after the crime, appealed publicly for charitable judgement upon the boy.

Judge J. Sydney Hoffman, of Municipal Court, sent young Cooney to the Pennsylvania State Industrial School at Camp Hill, near Harrisburg, with the recommendation that he be kept there until he is 21.

Milwaukee Man Hospitalized After Fall In Grand Canyon

LAS VEGAS, Nev. (AP) — A Milwaukee department store executive is hospitalized here with injuries suffered in one of the nation's most inaccessible spots — deep in the gorge of the Grand Canyon.

Verne Read, 37, fell Saturday while exploring at Elve's Chasm in Grand Canyon National Park in Arizona. He suffered a broken back and fractured skull. Read was deep in the canyon with a boating-packing trip. The only way to get him out was to float him 70 miles down the Colorado River, through fierce rapids, strapped to an air mattress.

Pakistan's President Sends Greetings To Coe College Meeting

CEDAR RAPIDS (AP) — Greetings and a charge to the delegates from the President of Pakistan were received Friday by the Pakistan Students' Association of America.

Several hundred Pakistan students are meeting at Coe College in Cedar Rapids for their sixth annual convention.

"The theme chosen by you for the convention, 'Pakistan Looks Ahead,' reflects the mood of the nation today, and points to the important role which Pakistani youth has to play in the forward march of our country," Gen. Mohammed Ayub Khan wrote.

The message from the dictator-president told the students Pakistan needs research workers as well as practical men in the field.

"Pakistan today offers infinite scope for bright young men with ideas, and with the requisite ability to give them practical shape in the broader context of national needs and aspirations," he said.

Federal Power Line Testimony Given At Hearing

WASHINGTON (AP) — A Senate Appropriations Subcommittee Friday heard testimony for and against proposed federal transmission lines to deliver Missouri Basin power into Western Iowa.

Representatives of five utility companies comprising the Iowa Power Pool opposed the federal lines. They said their offer to deliver the government power to the government's customers would be cheaper and better for all concerned.

Spokesmen for rural electric cooperatives and 30 cities owning electric systems advocated the proposed federal lines from Sioux City to Creston and from Sioux City to Spencer.

Sen. Bourke Hickenlooper (R-Iowa), who introduced members of both groups to the committee, took no position in the controversy. He said it involved cost calculations and engineering problems he was not personally competent to judge.

His chief interest, he said, is to be sure that Iowa consumers get their share of needed Missouri Basin power at "reasonable and proper costs."

In a statement filed with the committee, Sen. Thomas E. Martin (R-Iowa), supported the \$800,000 included by the House in the public works appropriation bill for design and construction of the lines by the Bureau of Reclamation.

Spokesmen for the Reclamation Bureau told the committee earlier this week they do not want any money for the lines because the private utility group has offered a favorable proposal to transmit government power.

Gov. Long Sets Stage For New Freedom Attempt

BATON ROUGE, La. (AP) — Ailing Gov. Earl K. Long Friday requested from his mental hospital ward that he be permitted to obtain legal counsel.

While the governor was setting the stage for what may be a fresh attempt to free himself, Lt. Gov. Lether Frazier, a 54-year-old former college president, cautiously accepted duties as acting governor.

Jesse Bankston, state director of hospitals, said arrangements are being made to carry out Long's request.

"We expect to do everything in our power to see that Gov. Long is accorded all legal protections," Bankston said.

The request for legal counsel was announced in the first official bulletin released since a fighting, cursing Long was committed Thursday night to a hospital at Mandeville, 54 miles to the east.

The commitment papers were signed here just 24 hours after Long was released after a 19-day stay at a Galveston psychiatric clinic. The governor filed a writ of habeas corpus petition at Galveston and the action lead to a family compromise that gave him his brief freedom.

Frazier, accepting an opinion by Atty. Gen. Jack Gremlinton that he should do so, took over as governor for the second time in three weeks.

Motivation Cited As Important Learning Factor

"Intelligence and motivation are the two most important factors in learning. Since we as teachers and parents can do little about intelligence, we must work through motivation," Professor Rolf E. M. Muuss said Friday in a talk to elementary teachers attending an experimental education workshop at SU.

Teachers attending the workshops are participating in research of the Preventive Psychiatry Research Program directed by SU Professor Ralph Ojemann. Dr. Muuss is a research assistant professor in the Iowa Child Welfare Research Station.

Unfortunately we can't tell our children "Switch motivation on now" and expect results, but this is the belief on which too many of us operate, Dr. Muuss pointed out.

Regents Approve Budgets, Contracts, Appointments

Some 40 items concerning SUI were considered by the Iowa Board of Regents Friday at their June meeting here. During their two-day meeting the nine Regents dealt with comparable "dockets" for the other five institutions for which they are responsible and briefly observed the 50th anniversary of the founding of the central Iowa governing and policy-making board, which succeeded three separate boards of trustees and regents on July 1, 1909.

During Friday's meeting the State Board of Regents: Approved 1959-60 operating budgets of \$14,330,995 for the University, \$8,375,717 for University Hospitals, \$584,936 for Psychopathic Hospital, \$362,415 for the State Bacteriological Laboratory, and \$560,802 for the Hospital School for Severely Handicapped Children; Approved three new faculty appointments, one resignation, one change of appointment, one reappointment and ten leaves of absence;

Authorized the University to grant the degree "Bachelor of Business Administration" in place of the degree "Bachelor of Science in Commerce," effective July 1; Appointed Assistant Professor R. J. Ruppe of the SUI department of sociology and anthropology as State Archaeologist, a new position authorized by the 58th General Assembly to aid in the recovery and preservation of relics which might otherwise be lost in the course of new highway construction;

Heard a report from the SUI Board in Control of Athletics that it cost \$7,317.86 in athletic earnings for the football team, University guests, Band and Highlanders to participate in the 1959 Rose Bowl, expenses having totaled \$207,625.95 as compared to revenues totaling \$200,308.09;

Heard a report that the Legislative Budget and Financial Control ("Interim") Committee had approved preliminary steps toward several items of new construction on the SUI campus, previously approved by the Regents;

Awarded a \$64,000 contract to the Ryan Heating and Plumbing Co., Davenport, to connect the new Hillcrest Men's Dormitory dining room to SUI steam lines, the cost to be met from earnings of SUI's self-liquidating dormitory and dining system;

Awarded a \$9,340 contract to the Frantz Construction Co., Iowa City, for construction of bleachers for the running track, the project to be financed from athletic earnings;

Approved placing an order with J. N. Johnson, Inc., of Minneapolis, for purchase of 90 fire extinguishers to be used in Hawkeye Apartments, new SUI married student housing units now under construction, at a cost of \$1,840 to be paid from the equipment budget for the self-liquidating project.

Authorized SUI to enter into an agreement with the town of University Heights and take bids for a project which would extend the sewer line from Hawkeye Apartments along Melrose Avenue and connect with the University Heights sewer system at an estimated cost of \$14,000 to \$16,000, all costs to be met from the project's contingency fund.

Authorized the University to establish specifications and take bids for renovation of the heating system in the house at 102 Church St., presidential residence, involving conversion of a 31-year-old steam system to a circulating water system, which would also allow for summer cooling, at a total estimated cost of \$19,000.

Authorized SUI to request an allocation of \$712 from the Legislative Budget and Financial Control Committee to cover damage sustained when a refrigerator early in the morning of May 6.

Authorized SUI to establish a \$130 fee for the fifth year of work in the occupational therapy program, by which time students have completed most or all of their academic work and are completing their clinical requirements.

The Regents also rejected as too high all bids recently received for construction of a one-story Biology Research Building and authorized the SUI Physical Plant Department to do the construction work on the one-story, 17-by-40 foot concrete block structure. The entire project, including planning, supervision, construction and equipment had been budgeted at \$19,898 with \$17,400 of this budgeted for construction, but when bids were taken the lowest construction bid was \$18,750. Half the total cost of the project will be paid from a U.S. Public Health Service grant.

In addition, the Regents approved the University's applications to the U.S. Public Health Service for two grants to be used in connection with Psychopathic Hospital—one grant of \$202,259 for an addition and equipment for an expanded program of research, teaching and training, and one for \$85,000 for construction and equipment of facilities for emotionally disturbed children. Both USPHS grants, if awarded, would be in the nature of "matching funds" to be used with state-appropriated funds for development of new facilities.

New appointments to the SUI faculty include Charles E. Marberry, now at the University of Delaware, as associate professor of general business; Norman H. Jones, now on the staff of the Central Intelligence Agency, as visiting associate professor of general business; and Dr. Maurice W. Van Allen, chief of neurology in the Iowa City Veterans Administration Hospital and clinical assistant professor at SUI, as associate professor of neurology in the SUI College of Medicine.

Reappointed to serve until a successor can be found to replace him was Dean Bruce E. Mahan of the SUI extension division. Dean Mahan's current appointment would normally have terminated June 30 upon his attainment of emeritus status.

The Regents accepted the resignation of Professor David B. Stout, sociology and anthropology, who has accepted a position at the University of Buffalo.

Leaves of absence were granted to Professors Robert G. Caldwell, sociology and anthropology, to accept a senior fellowship at the University of Chicago Law School; LeRoy Eyring, chemistry, to accept Guggenheim and Fulbright Fellowships for study in Australia; Orville A. Hitchcock, speech, for study and research; William F. Bristol, marketing, for health reasons; W. R. Irwin, English, to continue as a Fulbright professor in Germany; Donald B. Johnson, political science, to serve as associate director of the Citizenship Clearing House in New York; John R. Schmidhauser, political science, to accept a fellowship at the University of Chicago Law School; George F. Robeson, political science; Karl F. Leib, to teach at Southern Illinois University; and W. Ross Livingston, to teach at the University of Southern California.

Dr. William C. Keetel was named acting chairman of obstetrics and gynecology in the SUI College of Medicine, to carry out executive duties previously performed by the late Dr. John Randall, head of the department until his recent death.

Approved 1959-60 operating budgets of \$14,330,995 for the University, \$8,375,717 for University Hospitals, \$584,936 for Psychopathic Hospital, \$362,415 for the State Bacteriological Laboratory, and \$560,802 for the Hospital School for Severely Handicapped Children; Approved three new faculty appointments, one resignation, one change of appointment, one reappointment and ten leaves of absence;

Police Officers Expected To Attend Course Here

Bad checks, a new method of rescue breathing and juvenile delinquency are among aspects of police work to be studied during the 23rd annual Peace Officers Short Course to begin Monday at SUI.

More than one hundred law enforcement officers are expected to attend the course, which is sponsored by the bureau of police science of the University's Institute of Public Affairs and the SUI College of Law.

Nationally known police expert Homer L. Pointer, captain of the Spokane, Wash., police department, will demonstrate methods of dealing with bad checks in a training class for Iowa City bankers and businessmen Tuesday afternoon in the River Room of Iowa Memorial Union. The demonstration will be observed by the advanced investigation class, one of three special sections of the week-long course.

A new method of artificial respiration rapidly being adopted because it is more effective and easier to learn than present methods will be demonstrated Tuesday morning by Dr. J. A. Buckwalter of the SUI Department of Surgery.

Interest will also be focused on juvenile delinquency with a talk to the advanced investigation class on Thursday by Lieut. Madeline Johnson of Rock Island, Ill., Police Department.

City and town policemen, county sheriffs and their deputies, and county attorneys from throughout Iowa will attend one of three classes in basic investigation, advanced investigation and general police work.

Additional aspects of police work to be studied in these courses will include police weapons, bombs and explosives, public relations and accident investigation, according to R. L. Holcomb, chief of the SUI bureau of police science, who directs the short course.

Cooperating in sponsoring the course are the state department of public safety, Attorney General Norman Erbe, the Iowa Association of Chiefs of Police and Peace Officers, Iowa State Sheriff's Association and the Iowa State Police-men's Association.

Living Costs Reach Record High In May

WASHINGTON (AP)—Prices of practically every type of family need rose last month, edging living costs up to a record high. The increases were small, but they were spread throughout the family budget.

Officials said housewives can expect still higher living costs during the rest of the summer if food prices increase as expected at this season.

May's over-all living cost increase was only one-tenth of one per cent over April, but it was enough to set a record. It put the government's consumer price index at 124 per cent of the 1947-1949 base period. This means it cost \$1.24 to buy what \$1 bought in the 1947-1949 era. The new index level compares with the prior record set at 123.9 last July which was equalled in November and again in April.

Food, which has declined in eight out of the past nine months, edged up slightly between April and May, as did costs of housing, clothing, medical care and personal care. The latter rose with higher barber charges.

Factory worker spendable earnings—or pay after federal tax deductions—rose to a record. The average for the factory worker heading a family of four was \$81.03 a week; for the single worker it was \$73.49.

This is about 35 cents more than the record level in April. It was attributed both to longer working hours and rising pay rates.

Community Theatre Group To Back Summer Workshops

The Iowa City Community Theatre has announced plans for two summer workshops to be sponsored by the theatre.

A children's creative dramatic workshop, for youngsters 5 to 12 years of age, will be held July 13 through July 24 in the basement rooms of the Unitarian Church.

The sessions, which will be from 1:30 to 2:23 p.m., will be conducted by Roberta Sheets, 228 S. Summit, and Mrs. Marilyn Swinton, 176 Riverside Park.

Fee for the two-week session is \$1. Reservations may be made by calling 8-5493, the Iowa City Recreation Commission office, or the Community Theatre secretary, Mrs. John McLaughlin, at 3617.

Actor-director workshops for adults will be held July 13 through July 24 at the Unitarian Church. The first session will meet at 7:30 p.m. on July 13, and following sessions are to be arranged.

Mr. and Mrs. Donald W. Stribling, 516 E. Fairchild, are in charge of the adult workshops.

Reservations for these sessions may also be made by calling the Recreation Commission or Mrs. McLaughlin. Fee for the two-week session is \$5.

Appointments to the theatre's committees were also announced. They are: David Howard, 115 1/2 S. Dubuque, housing committee, (in addition to present chairman, Charles Thayer, 1305 S. Yewell St., and member, Mrs. John Schup-

Iowa City's Band Concert Season Starts Monday

Iowa City's Community Band will begin its second season of "Concerts in the Park" at 4 p.m. Sunday under the baton of Thomas A. Ayres, assistant professor of music at SUI.

Sunday's concert, as well as the one scheduled for June 28, will be held in College Hill Park, bounded by Washington, Dodge, College and Johnson Streets.

Sunday's program will include: "Ruy Blas" by Mendelssohn; "Perpetual Motion" by Strauss; the suite "La Feria" by Lacoma; selections from Carousell by Rodgers; and several marches by John Philip Sousa and Edwin Franko Goldman.

The Community Band, composed of about 45 students and townspeople, has planned six concerts for this summer. Guest conductors in addition to Ayres will include: Frederick C. Ebbs, director of SUI Bands; Howard Robertson, Iowa City High School band director; William Gower, associate professor of music; and Laverne Wintermeyer, former conductor of Iowa City High School Orchestra.

The band is receiving financial support from city recreation funds for the purchase of certain heavy equipment and a permanent library of music. Participating musicians will receive payment from the music performance trust fund of the recording industries through arrangements made by Local 450 of the American Federation of Musicians, Iowa City.

A stage manager for each show will also be appointed by the production chairman.

Yanks Edge Indians 3-2; AL Race Tightens

Unearned Run Gives Coates Win In Relief

Orioles, Tigers Gain With Wins

NEW YORK (AP) — Minnie Minoso's thwarted theft of home and an unearned, sixth-inning run brought the New York Yankees a 3-2 victory Friday night over Cleveland's American League leading Indians.

Right-hander Jim Coates nailed the decision in the opener of a four-game series with 3½ innings of one-hit relief after Yank starter Whitey Ford left the game because of a sprained ankle.

Minoso's attempted steal and Ford's departure both came in the sixth inning after Dick Brown's two-out single had tied it 2-2.

Coates gave up an intentional walk to Billy Martin, loading the bases, and with losing pitcher Gary Bell at bat, Minoso made his dash for home on a 1-1 pitch.

The Yankees won in the sixth when Bobby Richardson beat out a hit to short and continued to second on Woody Held's wild throw. Hank Bauer brought Richardson home with a two-out single.

Orioles 8-2, A's 2-0

BALTIMORE (AP) — The Baltimore Orioles swept a doubleheader from the Kansas City Athletics Friday night, winning the second game 2-0 on Hal Brown's seventh-inning homer off Billy O'Dell's four-hit 8-2 victory.

Brown allowed five of the safeties in the last two innings and was relieved by Billy Loes in the ninth with two out and the bases loaded on three singles. Loes got pinchhitter Ray Boone to fly out.

Gus Triandos' home run and Bob Boyd's run-registering single accounted for the only scores in the second game, giving Brown the edge over Rip Coleman, who surrendered only six hits to the Orioles. The homer was the big catcher's third in as many days, his 17th of the year and 100th of his career.

It spelled Kansas City's seventh straight defeat and moved the Orioles within one percentage point of the second-place Chicago White Sox, who were rained out at Boston.

In the first game, the Orioles backed up O'Dell's brilliant mound job with a 10-hit attack, including Gene Woodling's ninth homer.

Phils 8, Cubs 7

CHICAGO (AP) — Harry Anderson's three-run homer off Chicago's Bob Anderson in a four-run first propelled the Philadelphia Phils to an 8-7 victory over the Cubs Friday.

Towering Gene Conley, first of three Philly hurlers, notched the victory, his fourth against three defeats. Anderson was the loser, now with a 3-6 record.

Philadelphia's Ed Bouchee hit a solo homer for the first of two Philly runs in the fourth.

Pirates 6, Cards 0

ST. LOUIS (AP) — Vern Law cooled off the hot St. Louis Cardinals on four singles Friday night as the Pittsburgh Pirates blanked the Redbirds, 6-0. The Cards had won three in a row and nine of their last 11.

Roman Mejias belted a solo home run in the fifth inning and Dick Groat hit one with two men on in the seventh. Both blows came against Dick Ricketts, Giant rookie right-hander.

The third-place Pirates scored in the first inning on a walk, Groat's single and a double play. Their three runs in the seventh were unearned. Singles by Ted Kluszewski and Bill Virdon and Don Hoak's sacrifice fly produced the last Pirate run off Alex Kellner in the eighth.

Tigers 6, Senators 4

WASHINGTON (AP) — The Detroit Tigers overcame a three-run Washington lead Friday night to defeat the Senators 6-4 in 11 innings.

A single by Coot Veal and a sacrifice by Larry Osborne drove in the deciding runs.

Washington's Harmon Killebrew hit his 24th home run of the season in the first inning. He leads both leagues in homers.
Barney Schultz, 32-year-old knuckleballer, nailed down his first American League victory by holding the Senators hitless in a former St. Louis Cardinal pitcher, struck out four.

Paul Foytack preceded Schultz for nine innings and was tagged for homers by Killebrew and Faye Throneberry, both in the first inning.

Fernandez TKO's Redl In 7th Round

NEW YORK (AP) — Cuba's Flor-entino Fernandez stopped Hungarian-born Stefan Redl in 1:07 of the seventh round Friday night to lead a successful three-man Latin American invasion of Madison Square Garden. Fernandez weighed 144½, Redl 147.

Capt. Felipe Matos, director of sports in Cuba, jumped into the ring and wrapped the Cuban flag around Fernandez after Referee Harry Ebbets stopped the bout.

A left hook to the jaw had just dumped Redl, of Passaic, N.J., for a count of nine. He barely beat the ten count.

As he stood in his corner, Ebbets looked at him and asked, "Are you all right?" The fighter replied "Yes," but he walked out of his corner with hands down. When Fernandez rushed at him, Ebbets jumped between them.

It was the 20th straight victory for the unbeaten Fernandez and the 18th victim who failed to go the route. This was the first time Redl has been stopped in his 28-out pro career.

All three officials had it 6-0. Judge Mike Davidowich 4-2 and Ebbets 5-1. The AP card agreed with Ebbets.

Fleming Says He'll Play In Canada

HAMTRAMCK, Mich. (AP) — Speedy Iowa halfback Willie Fleming, recently dropped from school because of low grades, says he plans to play professional football with Vancouver next fall.

Fleming, who returned to his home here early this week, said he hasn't signed a contract yet, but definitely expects to be playing in Canada soon.

"I intend to join Vancouver for the start of practice June 30," he said.

The 175-pound speedster who set a Big Ten record for yards per carry last season won't be eligible for the National Football League draft for two more seasons.

Vancouver already has signed three of Fleming's teammates — quarterback Randy Duncan and Mitch Ogiego, and guard Hugh Drake.

Eller Defeats Hull In Women's NCAA

CHAPEL HILL, N.C. (AP) — Judy Eller added the National Women's Collegiate golf championship Friday to her growing collection with a 3 and 2 victory over Julie Hull in the 18-hole final.

Judy, an 18-year-old University of Miami sophomore, won three of the first five holes on the back nine after being held even through the front nine by her rival from Purdue.

The end came on the par-4 16th hole where Julie, 19-year-old sophomore from Anderson, Ind., three-putted for the first time. She missed a 2-footer and took a bogey five, matching Judy's score for the hole.

Judy, from Old Hickory, Tenn., won the Southern Women's title last month and the last two United States National Junior championships.

Champ Patterson Impresses Crowd

CHATHAM, N.J. (AP) — Heavy-weight Champion Floyd Patterson impressed former titleholder Jack Dempsey with his speed and condition Friday in a four-round boxing tune-up.

Dempsey was one of 300 persons who saw Patterson go through a fast-paced drill for his June 25 title bout at Yankee Stadium against Sweden's Ingemar Johansson.

"This boy is terrific," Dempsey said. "This is the first time I've seen him in action. He is fast, much faster than I imagined, and he has a good punch."

State Junior Tennis Finals To Be Played Here Today

Play in the Jaycee State Junior Tennis Tournament neared completion Friday as semifinal round matches were completed in all divisions. Championship matches will be played this morning at 9 a.m. on the Library Courts.

Bob Boyson of Cedar Rapids, state highschool champion, advanced to the finals of the junior boys division with a 1-6, 6-3, 6-3 win over Davenport's Dave Killian.

Advancing opposite Boyson was third-seeded Bob Sprenelmeyer of Dubuque who outlasted Steve Wilkinson of Sioux City 2-6, 6-3, 8-6. Wilkinson was the state high school runnerup and was seeded second in the tournament.

In winning Friday, Boyson and Sprenelmeyer assured themselves of a trip to Phoenix, Ariz., to compete in the national meet to be held the last week in July.

In the junior boys' doubles Iowa City's Dave Strauss teamed with Killian to upset top-seeded Boyson and Gary Lubin of Iowa City 7-5, 6-2. In the other semifinal round match Wilkinson and Sprenelmeyer defeated Dick Riley and Marc Mears of Keokuk 6-3, 6-1.

In the 15 and under boys' class Richie Friedman of Des Moines will meet Iowa City's John Wilmet. Friedman knocked off Chuck Darley of Iowa City 6-3, 7-5 and Wilmet outstroked Waterloo's Arden Stokstad 6-2, 6-0 in the semifinal round.

Friedman and Wilmet will also make the trip to Phoenix for the national finals.

The 15 and under boys' doubles will find Friedman and Darley against Ken Wright and Ricky Waples of Cedar Rapids. Friedman and Darley advanced over Ken Touhey and Julius Bethlenfalvy of Keokuk 6-2, 6-1 and Wright and Waples upset Iowa City's John Wilmet and Richie Strauss 6-1, 3-6, 6-0.

Championships in the 15 and under girls' division were played Friday and Cedar Rapids' Kathy Proskovec had a hand in both. She defeated Mary Weimer, also of Cedar Rapids, 6-1, 6-1 to cop the singles title and teamed with Weimer to take the doubles title 6-0, 7-5 over Shirley and Marg Bon-

Olmedo Defeated In London Tennis

LONDON (AP) — Ramanathan Krishnan of India upset Alex Olmedo, the Wimbledon favorite, in the semifinals of the London Lawn Tennis Championships Friday 6-6, 6-1.

Krishnan is unseeded in the Wimbledon tournament, starting next Monday.

Olmedo, Peruvian star of the U.S. Davis Cup team and top-seeded, never got into full stride. Krishnan Saturday will play Neale Fraser, Australia's No. 1 player, who won over countryman Frank Gorman 6-4, 6-3.

trager of Keokuk.

The 18 and under girls championship will be an all Waterloo affair with Karen Moser meeting Nancy Baker. Moser advanced 6-0, 6-3 over Carolyn Nelson of Clinton and Baker gained the final with a 5-7, 6-2, 6-3 conquest of Davenport's Judy Axland.

Baker and Moser will play Penny Smith of Tiffin and Carolyn Nelson of Clinton in the doubles final. Nelson and Smith advanced with a 13-11 triumph over Judy Loper and Judy Axland of Davenport and the Baker-Moser team defeated Barbara Miller and Glenda Harris of Cedar Rapids 12-1.

After Friday's semifinal round matches Iowa tennis coach Don Kletz conducted a clinic for the participants in the tourney. Bill Voxman, a member of the Iowa tennis team, and former Hawkeye netmen Joe Martin and John Channer acted as instructors.
