of trouble to find out what and didn't like. You can't be impressed."

Week Legend Be Staged s Weekend

8th version of an old legend as a modern comedy in Giraudoux in 1929. The author named his play "Amphytrion 38," combining the play's leading characters, Amphytrion, with the numbers in which the legend appeared.

He was nearly 50 years old when he wrote the play. Giraudoux had written only one other for the theater, having spent the previous 20 years as a "Amphytrion 38" was only one of a series of successful pieces, many of them specifically for a famous actor of the time, Louis

doux's works all show a tendency to adapt his characters to Greek mythology and legend. "Amphytrion 38" is based on the legend of Jupiter, one of the few in love with Alkmene, a woman. The comedy concerns his ensuing struggle to win her away from her husband, Amphytrion. It culminates in his disguising himself as Amphytrion and going through a marriage ceremony in order to win her.

The play will be presented in the Theatre at 8 p.m. Thursday and Saturday, July 21-23. They are still available at the Lobby Desk of the Iowa Memorial Union for all three performances. Students may obtain tickets by presenting their Non-student admission for 75 cents.

I Opera Tickets Early Sold

end performances of Bizet's "Carmen," to be presented July 26, 27, 28, and 30, are sold out.

According to the ticket sales office, there are a few single seats available for the Friday and Saturday night performances, but not for tickets. There are no good seats, but they are still available on the Tuesday and Wednesday performances.

The Soviet Union and the United States exchanged words on the Congo situation. Moscow demanded that the United States withdraw a detachment of 20 armed men it said landed at Leopoldville. In Washington, State Department press officer Lincoln White said the detachment was there to help the U. N. land forces and supplies. He denounced the demand for withdrawal as "desperate and almost frantic effort" to obstruct U. N. work to restore order.

Police Rodeo

Tickets Now on Sale For 1st Annual Event

Tickets for the 1st annual Police Rodeo are now on sale from any Iowa City policeman or at the police station. Admission prices are \$1.50 for adults, \$1 for high school students, and \$0.50 cents for children under 12.

Performances will be given at 8 p.m. on Friday and Saturday, and at 2:30 p.m. on Sunday. Cowboys from five states will compete for prizes at the 4-H Fairgrounds south on Highway 218.

ed, 20 Injured

and fire — An explosion and fire demolished the Perry J. C. Penney Co. department store here Monday, killing at least 15 others remain inside the charred debris. Authorities said the bodies recovered from the rubble were beyond immediate recognition. They were taken to the National Guard armory where a temporary morgue was set up.

Belgian Forces Begin Congo Withdrawal

U.N. Troops Move In Amidst Soviet Threat

LEOPOLDVILLE, the Congo (AP) — The United Nations force announced Tuesday some Belgian soldiers have pulled out of Leopoldville and the rest will begin Wednesday a complete withdrawal from the capital to their Congo treaty bases.

Premier Patrice Lumumba declared this isn't enough, that he wants all Belgian soldiers out of the Congo by midnight. He indicated in an interview he still is considering an appeal to the Soviet Union for help.

Belgians are surrendering patrol duties in Leopoldville to the expanding, blue-helmeted U. N. force. The airport, 15 miles out of town, will be given over to U. N. control later this week. Belgian soldiers control about 20 other cities and towns, guarding whites against marauding Congolese.

U. N. Undersecretary Ralph J. Bunche reported the Belgian withdrawal on the eve of a meeting of the U. N. Security Council in New York to consider the Congo situation. It was a victory for the U. N. operation in a controversial phase of the crisis.

Bunche said the Belgian evacuation of Leopoldville is to be completed by 7 p.m. Saturday.

It was announced in New York that Secretary-General Dag Hammarskjold hopes, if conditions permit, to come to Leopoldville Saturday.

Lumumba had threatened Sunday to invite in Soviet soldiers if the Belgians did not quit the country entirely within three days.

Responsible U. N. sources here and Western diplomats tended to ignore the ultimatum and the Congo Parliament was split on that subject.

Returning Tuesday with President Joseph Kasavubu from Stanleyville, 775 miles northeast of Leopoldville, the Premier would not say whether he planned to send Moscow a telegram had prepared asking for Soviet troops.

"I don't want to answer that," he said.

Later he added: "Nobody could reproach us for calling on the Soviet Union because all the Western countries are on the side of the Belgians."

Belgian soldiers are still landing troops "and keeping the people safe" across the country, he said.

"We need the fastest and most efficacious help. We are willing to accept anybody ready to bring that help, the United States or Russia or anybody. There are no politics or ideologies involved in this. We just need help," Lumumba said.

The Soviet Union and the United States exchanged words on the Congo situation. Moscow demanded that the United States withdraw a detachment of 20 armed men it said landed at Leopoldville. In Washington, State Department press officer Lincoln White said the detachment was there to help the U. N. land forces and supplies. He denounced the demand for withdrawal as "desperate and almost frantic effort" to obstruct U. N. work to restore order.

The governor has said he positively and absolutely will not accept second place on the ticket. And Nixon's press secretary, Herbert G. Klein, hit town with word of news that:

"I say the vice president takes him at his word."

Klein and a collection of assistants opened up shop for Nixon, who will be in Monday.

He was asked if Nixon would reply in kind in his acceptance speech to harsh things Kennedy said about Nixon in his own speech in Los Angeles last Friday.

"We were rather shocked," Klein said, "that Sen. Kennedy had used an acceptance speech to launch the kind of attack he did."

Klein declined to go into the question of a vice presidential running mate for Nixon, or indicate who might put Nixon's name in nomination at the Republican National Convention. He said those things haven't been decided.

Rockefeller himself will take up a stand at the Sheraton Towers Hotel.

In reply to questions, Rockefeller told the committee he and Nixon differ on only two issues, national defense and medical care for the aged. And he said the differences are largely over methods, not purpose.

MAX YOCUM, local housemover, was moving a garage, above, west on Melrose Avenue Tuesday when police intercepted him and charged Yocum and two of his employees with moving the garage without a city permit.

Daily Iowan Photo by Ray Burdick

By THE ASSOCIATED PRESS

HYANNIS PORT, Mass. — Sen. John F. Kennedy, the Democratic presidential nominee, made it known Tuesday he is willing to take on the Republican standard-bearer in televised debates.

DES MOINES — Republicans gathering here for their state convention were holding informal caucuses Tuesday night, and a major subject of discussion was the nomination of a U. S. senatorial candidate. The convention gets underway this morning with formal caucuses of the eight congressional districts at 10.

UNDATED — Some of the South's Democratic political leaders, irked over the party's civil rights platform plank, are giving it another look this morning with formal caucuses of the eight congressional districts at 10.

IOWA CITY — Housemover Max Yocum, had a busy day Tuesday.

It all started about 3:15 p.m. when police caught him moving a garage along Melrose Avenue without a permit. And it ended at the Iowa City Council meeting Tuesday night with a perfect squelch.

The afternoon incident involved Yocum's truck hauling the garage from Grand Avenue, near the Riverside Drive-Burlington Street intersection.

He didn't move the houses, he just moved the nearby garage.

And in past years, city officials

have sought similar injunctions to prevent Yocum from moving houses when it appeared serious traffic problems would occur.

Sometimes the houses were moved before city action was taken, causing traffic tie-ups. On one occasion a house couldn't pass under an overhanging tree and completely blocked the street.

But the climax of the whole day came when Yocum appeared before the Iowa City Council Tuesday night. Yocum said he had filed routeings and a request for permits to move the two houses, and he would like the request to be either approved or denied. The time for this action had elapsed he said.

Mayor Ray Thornberry answered that he did not feel the Council would inquire of Yocum whether action pending against Yocum.

This was followed by considerable discussion between the council and Yocum, and then Yocum and council member Mrs. Thelma Lewis, until Mrs. Lewis said she would make no more comment.

Then the embarrassing question was asked.

Council member James H. Ne-

Ne could take any action with court or not he had ever moved a house without a permit.

COLLEGE OF ENGINEERING — \$56,000.

No major expansion in this field is anticipated, since this college operates with a limited enrollment, but

2 Navy Destroyers Collide In Dense Fog; 11 Killed

LONG BEACH, Calif. — Two Navy destroyers—one on maneuvers and the other heading for mothballs—collided in a swirling fog Tuesday, killing 11 sailors and injuring more than a score.

The USS Ammen, her left side smashed, was towed into Long Beach Naval Shipyard, listing and looking sadder than when she took a Japanese kamikaze off Okinawa during World War II. All 11 dead were aboard this vessel.

The other destroyer, the Collett, under power, although her bow was smashed, was due later.

Six of the injured were hospitalized.

"It could have been worse, if we hadn't unloaded the ammunition yesterday," said Cmdr. Zaven Mukhalian, the Ammen's captain.

"If those depth charge igniters had been aboard, both ships would have been blown to kingdom come."

The Ammen had unloaded her explosives at nearby Seal Beach and sailed Tuesday morning for San Diego on her last voyage. Off the Southern California resort of Newport Beach the Collett, on maneuvers, smashed into the port side of the Ammen with such force

that the Collett's bow anchor was imbedded in the crushed and twisted superstructure.

The injured and eight of the bodies were taken off by small craft in patchy, cotton-like fog off Newport Beach. Three of the bodies were still trapped in the superstructure wreckage when the Ammen was pushed into the dock while hundreds of sailors and shipyard workers watched sadly.

Although the Collett was plainly visible on the Ammen's radar scope, Mukhalian said, the collision was unavoidable because it takes three minutes to change the plot after the other ship has changed course. This indicated the Collett was sailing a zigzag pattern, possibly at high speed.

The Collett broke out of a fog patch heading straight for us. The officer of the deck didn't even have time to order a rudder change."

After the initial shock, Mukhalian said, he ordered stop engines. The Collett glanced off and disappeared into the fog.

There was some flooding, but the Ammen crewmen quickly shut watertight doors.

The Daily Iowan is written and edited by students and is governed by a board of five student trustees elected by the student body and four faculty trustees appointed by the president of the University. The Daily Iowan's editorial policy, therefore, is not an expression of SUI administration policy or opinion, in any particular.

'... Get Off the !?!!&dX?! Line . . . !'

Basis for Increased Funds Request Set Forth in SUI Report

Editor's Note: This is the first of a series dealing with an SUI report which tells why the University believes it does not receive funds in proportion to its educational load.

Much has been heard during the past year of SUI's fight for a larger proportionate share of the appropriations allotted to Iowa's three major educational institutions. The University maintains that in light of the greater education load it carries and the more expensive nature of its enrollment and curriculum, SUI should receive more funds than it does now in relation to the funds received by Iowa State University and Iowa State Teachers College.

The argument was heard again last week, when the Board of Regents met at Lake Okoboji to approve budgets for the three schools and draw up appropriations recommendations for the State Legislature.

SUI did receive a recommendation for the 1961-1962 biennium which was \$5 million more than the amount appropriated in the 1959-1960 period, but attempts to get monetary recognition of its special problems were thwarted.

The University had asked the Regents to allow an increase of \$2,225,000 to its "starting base." The "starting base" is the appropriation made by the proceeding session of the General Assembly, and it is used as a sort of starting point on which the institutions can ask for more or less money. In other words, SUI was asking the Regents to "spot" them \$2.2 million in their request for more funds, just to recognize the fact that SUI had a bigger job to do than the other two schools.

The request was turned down, but the board approved a much smaller sum to be added to the starting base — \$500,000. (All the appropriations are subject to the approval of the State Legislature, of course.)

What is the factual basis for SUI's belief that it should receive a larger proportionate share of the funds allotted to Iowa's three major

educational institutions? How was the figure \$2.2 million, as an addition to the starting base, arrived at?

The answers to these questions can be found in a report, "The State University of Iowa's Request for Operating Funds in Proportion to its Educational Load Factor." Even though the request was left hanging for the next two years, this series will attempt, for the reader's interest and for public recognition of the problem, to relate some of the more vital details of the University compiled report.

The report begins with a list of statements telling why SUI believes it should receive greater funds.

They are:

1. SUI teaches more students in higher cost graduate and professional programs.

2. The ratio of educational costs averages at least three to one for students studying at the graduate level, compared to undergraduates in the SUI type institution.

3. The three to one educational cost ratio is consistently supported by inter-institutional comparisons of the elements which affect size and cost.

4. Within the Iowa state supported system of higher education, SUI bears 50.2 per cent of the educational load weighted for higher graduate costs.

5. In number of students alone SUI enrollment has climbed to a point exceeding that of Iowa State by 16.6 per cent (Fall of 1959), and appropriations have not reflected this change.

6. In comparisons with similar educational situations in other states, SUI is inadequately supported in terms of the proportion of the total educational load it carries.

7. The extent to which the SUI proportion of the Iowa educational load has not been recognized in proportionate appropriation ranges between \$1,961,883 and \$2,328,258 at least, on the basis of comparisons within Iowa, as well as with similar situations outside Iowa.

TOMORROW: The SUI report supports these statements with detailed information.

'Carmen' Composer, Bizet Criticized in First Works

By JUDY HOLZLAG
Staff Writer

individual according to his capacity.

NATIONAL SECURITY: The last and greatest work of Georges Bizet, the opera "Carmen," is being rehearsed by the SUI Music and Dramatic Arts Departments for performance next week.

Bizet, born the son of a Paris music teacher in 1838, showed his talent early. At the age of 10, he began studying at the Paris Conservatoire. In the ensuing years, he won many prizes for his music, chief among them the Grand Prix de Rome, which he received in 1857 for his cantata "Cloris et Clotilde."

After spending three years in Rome, a condition of the prize, Bizet returned to Paris. There he

earned a living while he wrote by teaching, scoring dance music, and making piano transcriptions. Although he was a superb pianist, he did not want a career as a performer.

Discouragement with his first operas, which were badly received by both the press and the public, is reflected in the many operas he left unfinished during the 1860's. Even "Carmen" was sharply criticized by the press after its first performance in 1875.

Although Bizet died at the age of 37, three months after "Carmen" was first produced, he did hear the news that his opera had been accepted for production in Vienna.

From Vienna, "Carmen" went to a world tour, returning to Paris

a success.

Bizet and his two librettists, Henri Meilhac and Ludovic Halévy, brought out the drama of the story and characters when they adapted the opera from Merimee's novel. The leading character, Carmen, is a beautiful Spanish gypsy girl, selfish and unconcerned with the effects of her actions on others. She combines the extremes of the virtues and vices of the Spanish gypsy: she is passionate, greedy, and sensual, but she can also be self-sacrificing and tender.

Don Jose, one of her lovers, is transformed from an honest army corporal into a smuggler, bandit, and murderer under her influence. Finally, after winning her by killing her gypsy husband in a trumped-up duel, Don Jose stabs Carmen in a jealous rage.

All the music for "Carmen" is Bizet's, with the exception of "Habanera," an old Spanish song sung by Carmen in the first act. Bizet achieves unique effects in the four-act opera by an unusual use of the flute and of the lowest notes of the harp.

"Carmen" will be presented in Macbride Auditorium July 26, 27, 29, and 30 at 8 p.m. (CDT). Tickets are now on sale at the East Lobby Desk of the Iowa Memorial Union for \$2.25.

Two major SUI construction projects — the \$4.6 million Memorial Union addition and the dormitory to house 350-400 women students — are in the active blue print stage.

George Horner, superintendent of planning, reported Oct. 1 has been tentatively set for presentation of Union drawings for approval by the State Board of Regents.

Drawings for the women's dorm, to be located directly south of Burgh Hall on the corner of North Clinton and East Bloomington Streets, are not as far along.

One snag, the purchase of property on which to build, has apparently been overcome according to Ray B. Mossman, University business manager.

The University, with authorization from the Board of Regents to pay \$5,000 more than the appraisal price, offered \$31,000 for the 18 E. Bloomington property of H. Alder schot and \$25,000 for the 225 N. Clinton property of Mrs. George Koser.

Originally, both property-owners asked for more money but have since accepted the University offers. Purchase contracts must now be approved by the Board of Regents and Executive Council of the state.

Bartels Disappearance Cautions Other Doctors

DUBUQUE (Ia.) — The mysterious disappearance of Dr. Edward Bartels, 32, has made other Dubuque physicians wary of answering night calls when summoned by persons they do not know.

Dr. Donald Sharpe, president of the Dubuque County Medical Society, said Tuesday that doctors will ask the name of the family physician if they are called after dark by a person they do not know.

Doctors will suggest, under these conditions, that patients be brought to a hospital for treatment.

Dr. Bartels has been missing since July 11, when he received an anonymous call to purportedly attend a sick woman.

Groups Disagree on Number, but—

Major's Growth Looks Sure

By JOE REICHLER

Associated Press Sports Writer
NEW YORK (AP) — The long-rumored expansion of the major leagues appears to be an absolute certainty Tuesday but there still remained a number of points to be resolved.

They include: the number of teams to be added to the National and American Leagues; the cities to be selected; and target date; the playing areas and the future of the Continental League.

For the first time since big league baseball began considering a possible face-lifting, the National and American Leagues both want to expand. However, there is a disagreement on the manner of expansion.

The National voted unanimously Monday to expand to 10 clubs. The American favors a nine-team league.

Hank Greenberg of Chicago, a member of the AL's three-man expansion committee, is convinced there aren't enough big league prospects to stock four new teams. A showdown is expected when the committees of the two leagues meet shortly.

When the big leagues expand, New York is reasonably certain to rejoin the National League, unless the majors pull a surprise by welcoming the Continental League as a third major.

Other leading applicants for major league status include Houston, Toronto and Minneapolis-St. Paul. All three are members of the Continental League.

The majors have invited Branch Rickey, president of the Continental League, to meet with their committees to discuss the whole expansion idea. Rickey has accepted, although Tuesday he voiced disappointment over the majors' plan to expand within.

"The major leagues recognized the necessity of expansion in Columbus in May, 1959," Rickey said in a prepared statement.

This belated recognition is now renewed by the action of the present majors that they are now ready to implement expansion via the Continental League or increased membership.

"I am surprised to learn that any member of the National League favors internal expansion. I am confident that several members of the National League will join with 180,000,000 people and the U. S. Congress in favoring organization of a third major league. The Continental League is prepared to bring about that expansion."

Tennis Stars Lead Turney

By CHARLES CHAMBERLAIN
Associated Press Sports Writer

CHICAGO (AP) — Top-seeded Barry MacKay and Bernard (Tut) Bartsen Tuesday eased into the third round of the National Clay Courts Tennis Tournament with straight set triumphs.

MacKay, the 24-year-old power player from Dayton who is seeded No. 1, trounced Jim Tattersall of Great Britain 6-4, 6-3. Second-seeded Bartsen wore down Ronie Fisher of Houston 6-0, 9-7.

Bartsen, seeking his third straight clay courts championship at the River Forest Club, will take on Rod Susman of St. Louis in the third round Wednesday.

Susman pulled one of the second-round upsets by knocking off Reginald Bennett of Great Britain, No. 7 in the foreign seed, 7-9, 6-3, 11-9.

Another minor surprise was the defeat of Larry Nagler, 1960 NCAA champion from UCLA, by Jon Douglas of Santa Monica, Calif., 2-6, 7-5, 6-0.

The Cinderella role of 17-year-old Justina Bricker of St. Louis ended abruptly. Miss Bricker, after her remarkable first-round upset of top-ranked Darlene Hard Monday was crushed Tuesday 7-5, 6-0 by Sue Hodges of Kalamazoo, Mich. Sue, 20, is fresh from winning the Western Women's crown at Indianapolis.

AIRPORT MARKET

QUALITY BEEF and PORK DIRECT FROM THE FARM

WE WRAP EVERYTHING FOR YOUR FREEZER

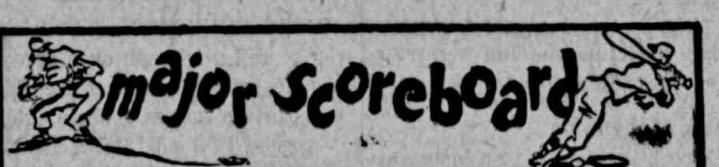

We have about 600 hogs. Buy the cuts you like best of this good, lean young pork. One-half Skinned Hog at 26¢ lb. Processed 3½ lb. We have about 100 cattle on feed. Quality beef by the halves, quarters or cuts. Poor quality beef is a disappointment at any price.

Skowron Bangs in Seven Runs as—

Yanks Edge Cleveland 13-11 With 5 Runs in 9th Inning

CLEVELAND (AP) — Bill Skowron hit two home runs and a three-run double to lead the New York Yankees to a 13-11 victory over the Cleveland Indians Tuesday night before a crowd of 26,068 in Municipal Stadium.

Roger Maris and Yogi Berra also hit homers for the Yankees and Jim Piersall homered for the Indians. Skowron accounted for seven of New York's runs.

Trailing 11-8 going into the ninth inning, the Yankees scored five runs on three singles, an error and Skowron's game-winning double. Ted Bowensfield, the fourth of five Cleveland pitchers, was the victim of Skowron's blast to left field. His record now is 4-6.

Ryne Duren, the fifth of six York hurlers, was the winner giving him a 3-3 record. He was lifted for a pinch-hitter in the ninth inning and Bob Turley finished the mound chores for the Yankees.

Skowron's first home run, a shot over the right field fence, with two men out in the second inning, gave the Yankees a 1-0 lead. But the Indians tied it up in their half of the inning on a double by Tito Francona and a single to center by Piersall.

New York 001 111 100— 13 16 3
Milwaukee 000 300 22x— 5 13 3
Costes, Duren (5), Jones (5), Grba (7), Duren (8), Turley (9) and Berra; Perry, Klippstein (7), Locke (6), Bowes (6), Maris (4), Piersall, Bowes (3-3), L-Bowensfield (4-6).

Home runs — New York, Skowron (16), Maris (30), Berra (10), Cleveland, Piersall (10).

Reds 4, Cubs 1

CINCINNATI (AP) — Frank Robinson hit two home runs and drove in three runs Wednesday night as the Cincinnati Reds whipped the punchless Chicago Cubs 4-1.

The Cubs now have scored only three runs in five contests since the All-Star game break.

Jim O'Toole, young Cincinnati southpaw, had a two-hit shutout going into the seventh when the Cubs finally put together three hits in their only run.

Cincinnati 000 000 100— 1 6 0
Cincinnati 000 012 01x— 4 9 1
Cardwell, Schaffernak (8) and Tapscott, O'Toole and Bailey. W—O'Toole (9). L—Cardwell (4-9).

Home runs — New York, Skowron (16), Maris (30), Berra (10), Cleveland, Piersall (10).

Milwaukee 9, Cards 5

MILWAUKEE (AP) — The Milwaukee Braves capitalized on a shaky St. Louis defense and swept to their sixth straight victory by defeating the Cardinals 9-5 Tuesday night with a pair of runs in the seventh and Hank Aaron's 25th homer in the eighth.

The Braves, making an all-out bid to overhaul the Pittsburgh Pirates, blew a four-run lead but managed to keep their winning streak intact as reliever Ron Piche struggled through the last two and one-third innings.

Milwaukee surrendered long-ball hitting honors as the Cards nicked starter Bob Buhl for 10 hits, including solo homers by Curt Flood, Stan Musial and Julian Javier, while Piche carried the Chicago White Sox to a 6-0 victory over Boston Tuesday night.

Pierce, scoring his third victory against Boston and his eighth in 12 decisions, recorded his first shutout of the year.

Pierce's homer was his second of the season and came with one out in the fourth after Sherm Lollar and Al Smith singled. Luis lashed a drive into left center which got by centerfielder Willie Tasby and rolled to the wall. The fast-footed shortstop never hesitated and scored without a play at the plate.

Although the White Sox committed two errors, Pierce never was in difficulty. He struck out four and didn't issue a walk.

Boston 000 000 000— 0 4 0
Chicago 010 300 02x— 6 16 2
Flood, Sullivan, Sturdivant, Friend (8) and H. Sullivan; Pierce and Lollar, W—Pierce (8-3). L—Pierce (4-6).

Home runs — St. Louis, Flood (6), Musial (7), Javier (4), Milwaukee (10). Aaron (25).

Ramos Misses No-Hit Bid; Senators Drop Detroit 5-0

DETROIT (AP) — Rocky Colavito's ground ball single through the box in the eighth inning ruined Pedro Ramos' bid for no-hit immortality Tuesday night, but the Washington right-hander breezed home with a masterful one-hitter in the Senators' 5-0 victory over the Detroit Tigers.

Ramos, a 25-year-old Cuban, had not given the Tigers anything close to a base hit until Colavito leading off in the eighth bounded a grounder that barely eluded shortstop Jose Valdivielos.

The crowd of 29,028, many of whom had come to Briggs Stadium to see a pre-game home run hitting contest, instead saw a superb pitching job by the sidearming Ramos.

And for seven innings it appeared he was on his way to the American League's first no-hit, no-run game since Baltimore's Hoyt Wilhelm blanked New York on June 20, 1958.

Ramos, gaining his sixth victory in 16 decisions, struck out nine and walked four. He hit one batter. He faced only 23 batters through seven innings, two over the minimum.

Washington 012 101 000— 5 9 0
Detroit 000 000 000— 0 1 0
Ramos and Battey; Mossi (4), Labine (8) and Berberet. W—Ramos (16-10). L—Mossi (8-7).

Home runs — Washington, Gardner (10). Kilbrey (7).

Orioles 9, Athletics 3

KANSAS CITY (AP) — Kansas City's Bud Daley wild pitched the winning run home in the 10th inning and then the Baltimore Orioles went on a rampage to beat the Athletics 9-3 Friday night.

Daley, the major league's top winner with 12 victories, suffered his sixth defeat. The winning hurler was Hoyt Wilhelm who tossed knuckleballs through 2½ hitless innings in relief of the Baltimore starter, Chuck Estrada. This stint gave Wilhelm a 7-6 won and lost mark for the year.

Baltimore 000 000 005— 5 9 11 0
Cincinnati 000 000 003— 3 3 0
Estrada, Wilhelm (7) and Trindado, Courtney (10); B. Daley, Trowbridge (9); P. Daley, W—Wilhelm (7-6). B—Daley (12-6). Home runs — Baltimore, Hansen (10). Kansas City, P. Daley (2).

Senators Drop Detroit 5-0

DETROIT (AP) — Sonny Ray tested the punch of Billy Ryan tonight.

CHICAGO (AP) — Billy Ryan of Lowell, Mass., a light heavyweight with 17 knockouts to his credit, will try to lower the boom on Chicago's Sonny Ray tonight.

Ryan, a 25-year-old Cuban, had not given the Tigers anything close to a base hit until Colavito leading off in the eighth bounded a grounder that barely eluded shortstop Jose Valdivielos.

The crowd of 29,028, many of whom had come to Briggs Stadium to see a pre-game home run hitting contest, instead saw a superb pitching job by the sidearming Ramos.

And for seven innings it appeared he was on his way to the American League's first no-hit, no-run game since Baltimore's Hoyt Wilhelm blanked New York on June 20, 1958.

Ramos and Battey; Mossi (4), Labine (8) and Berberet. W—Ramos (16-10). L—Mossi (8-7).

Home runs — Washington, Gardner (10). Kilbrey (7).

No Sponsor Stops Fight

NEW YORK (AP) — The world's highest heavyweight title fight between champion Archie Moore of San Diego, Calif., and Eric Schoepf of Cincinnati, currently set for August 8, has been indefinitely postponed. It also may be shifted from Toronto, a spokesman for Feature Sports, Inc., said Tuesday.

Lack of a TV outlet or sponsor is the newest problem. The fight originally was scheduled for July 18 but was postponed when Moore was unable to make the 175-pound limit.

This is the second time Moore's title bout has been postponed.

Liston Anxious For Title Bout With Patterson

DENVER (AP) — Kayoing Zora Folley after only 38 seconds of fighting fell far short of being heavyweight Sonny Liston's biggest thrill.

"No, that will come when I get Floyd Patterson to sign for me," Liston, flexing his 14-inch fists, commented Tuesday.

Sonny was the No. 1 challenger to Patterson even before his fight with Folley in Denver Coliseum Monday night. The way he chopped down the Artistic Arizona only 28 seconds after the third round opened merely strengthened his claim for a match with the champion.
