ON CAMPUS—

SPRING GRADES. Juniors, seniors and other students over 21 must leave a self-addressed, stamped envelope in the Office of the Registrar in order to receive their 1963 spring semester grades.

STUDENT INJURED. Karen Kay Clements, A2, Waterloo, remained under observation at Mercy Hospital Tuesday night after she received arm lacerations in a water-skiing accident late Tuesday morning.

Miss Clements underwent surgery after the accident, believed to have been caused by a boat propeller passing over the girl's arm.

No further details were available.

LIBRARY HOURS. SUI's main library will continue interim hours of 7:30 a.m. to 5 p.m. through Saturday.

The library's reserve desk will be closed both Saturday and Sunday. Monday and Tuesday hours for the reserve desk will be 7:30 a.m. to 5 p.m.

Service desks will be open 8 a.m. to 4:50 p.m.

The various departmental libraries will post their own schedules.

IN THE CITY—

TEACHER GETS SCHOLARSHIP. The Johnson County Association for Retarded Children has awarded a \$100 tuition scholarship to Mrs. Pauline Rankin, 422 N. Linn, to enroll in the SUI College of Education.

Mrs. Rankin will take a course in education of exceptional children and will complete requirements toward an endorsement in special education. She currently teaches the trainable children's class at the C.S.A. Hall here.

PROFESSOR ELECTED. Lawrence Polkowski, professor of civil engineering, has been elected president of the College of Engineering faculty luncheon club at SUI for the 1963-64 academic year.

Other new officers are George M. Lance, assistant professor of mechanical engineering, vice-president and Edward Naudascher, assistant professor of mechanics and hydraulics, secretary-treasurer.

IN THE STATE—

EARLY COLLECTION. The ink was hardly dry on their new home insurance policy before Mr. and Mrs. Dennis Edwards of Sioux Rapids were ready to try and collect on it.

Tuesday Edwards completed signing of the policy during a hard rainstorm. Less than two hours later their house was struck by lightning.

UNLUCKY 13. Things were going fine for John M. Dean, 30, of Clinton — until he wrote the 13th check.

Dean was arraigned in Municipal Court Wednesday on three separate informations for uttering false instruments. Authorities said he had cashed 13 bad checks totaling \$110 at a Clinton tavern.

Dean recently returned from the West, and the checks were written on the First Security Bank of Provo, Utah.

Authorities said Dean also is wanted in Savanna and Aledo, Ill.

REQUEST DENIED. The Iowa Conservation Commission Wednesday turned down a request for a permit to gain right of way for straightening the Skunk River in southeast Iowa.

The Green Bay Levee and Drainage District No. 2 sought the permit. The district is located in the area around Ft. Madison.

The commission in denying the request said it felt the project at this time might be harmful to fish and game in the area.

IN THE WORLD—

MURDRER HANGED. Nora Parham, 36, was hanged Wednesday in Belize, British Honduras, for torch murder of her common-law husband, Police Constable Ketchell Trapp.

She was the first woman to die on the gallows in the British colony's recorded history.

Mrs. Parham drenched Trapp with gasoline and set him afire after a quarrel last February.

RADIATION PROGRAM. Polar explorer Yevgeny Tolstikov says the Soviet Union will carry out an extensive research program on solar radiation in the antarctic this summer.

He told newsmen in Moscow Wednesday that observations at both North and South poles are extremely important because only there can one observe low energy particles — solar components of cosmic rays.

FULL SPEED AHEAD. Malaya's Prime Minister Tunk Abdul Rahman says formation of the federation of Malaysia, made up of Malaya, Singapore, and British North Borneo territories, will go ahead no matter what opposition it meets.

U.S. Plans Shots To Mars In '64

DENVER (AP) — The United States is planning a doubleheader space shot to the neighborhood of the planet Mars in the autumn of 1964, it was reported Wednesday.

It would be the first trail-blazing for a manned shot planned for about another decade later.

The twin-bill firings would consist of two successive launchings of unmanned, 570-pound identical payloads within about a month on a seven-month, 300-million-mile journey to within some 14,000 miles of the red planet on "fly-by" missions.

That is, the second shot would be launched when the first had traveled, at the most, only about one-seventh the distance required to intercept Mars at a time when it would be only about 35 million miles from the earth, Mars, of all

the other planets, is rated as having the best chance of supporting some form of life.

Details of the planned doubleheader came on the eve of a two-day symposium on "The Exploration of Mars," for which many of the nation's top space scientists are gathering.

The symposium is being staged by the American Astronautical Society, with the co-sponsorship of the National Aeronautics and Space Administration (NASA) and three other space-conscious scientific groups.

The idea of the twin-bill firings, NASA scientists told a reporter, is to have maximum insurance that at least one of the planetary probes would successfully hurtle to the bailiwick of Mars.

Failure of both would mean a wait until 1966 when Mars and Earth would again be in favorable position. Launchings would be by Atlas-Agena type boosters, each packing some 380,000 pounds of thrust.

The spacecraft, resembling a giant octagonal pillbox topped by a four wings containing solar cells, would be packed with scientific gear designed to get (1) the first close-up look at the planet's surface and its tenuous atmosphere and (2) further information on interplanetary space between the Earth and Mars.

A special television camera in each craft would be designed, even at the 14,000-mile fly-by distance, to define surface areas as small as three miles in diameter, compared with approximately 50 miles as the best achievement of earth-bound telescopes.

As a result, the committee silently agreed to a recommendation that the assembly accept the credentials of delegations generally, including Hungary's.

U.S. Is Silent On Hungarian Credentials

UNITED NATIONS, N. Y. (AP) — The United States dropped Wednesday its seven-year-old campaign to keep the U.N. General Assembly from recognizing the credentials of the Hungarian delegation.

In the credentials committee for the assembly's special session, it did not make its usual motion for a recommendation that the assembly take no action on the Hungarian credentials.

As a result, the committee silently agreed to a recommendation that the assembly accept the credentials of delegations generally, including Hungary's.

Man Admits Killing Pastor

ALBERT LEA, Minn. (AP) — A young unemployed laborer, twice paroled from Minnesota correctional institutions, has admitted the slaying of the Rev. Berner E. Nyjordet, Sheriff Everett Stovern said Wednesday.

Robert Eugene Chapman, 22, was held without charge. A grand jury was ordered convened Friday to consider an indictment.

Stovern said Chapman, in a signed statement, admitted the shooting-killing death of the Silver Lake, Iowa, pastor and said robbery was the motive. According to the statement, the robbery yielded only a \$5 bill and some change.

Nyjordet, 42, was last seen alive here early May 23. Finding of his blood-spattered car in an Albert Lea parking lot later that day set off a search. The body, with several items of the pastor's clothing removed, was found the following day in a game refuge near Albert Lea.

The minister had suffered 10 cuts around the chest, four facial cuts and two bullet wounds in the head.

CSL Establishes Procedure Group

A committee to study judicial procedures in SUI student government was established Wednesday morning by the SUI Committee on Student Life.

The committee would study present judicial procedures in the entire student government structure as well as study and submit proposals.

The Student Life committee also continued study on the proposal for no hours for women over 21. The proposal was tabled pending a report from AWS.

A proposal for students under 21 to live in unapproved housing with parental consent was tabled until summer.

Nearly 200 Believed Dead In Iran; Riots in Streets Aimed at Shah's Reforms

TEHRAN, Iran (AP) — Moslem mobs battled armed troops and police Wednesday in bloody riots against emancipation of women and other reforms of Shah Mohammed Reza Pahlevi.

The government proclaimed martial law and said its forces had gained complete control.

Unconfirmed reports said as many as 200 persons may have been killed and hundreds more injured in the worst anti-government demonstrations since the overthrow of Mohammed Mossadegh as premier in 1953.

Earlier rampaging Moslem mobs, screaming for the ouster of reformist Shah Mohammed Reza Pahlevi, roared through Tehran streets battling police and troops.

Americans arriving in Iran were warned to stay out of Tehran. American passengers at Tehran airport were told the U.S. Embassy strongly recommended they stay at the terminal outside the city.

Clouds of tear gas hung over the city. Ambulances rushed through the streets taking wounded to hospitals.

Tanks and machine gun nests barricaded the royal palace.

The shah was in the city with his young queen, but authorities said he was protected and in no danger.

Government officials charged that leaders of the Shiite sect of Moslems — to which the shah also belongs — incited the mobs because

of the shah's land reform program would deprive them of revenue from their shrine lands.

Clinging to ancient Moslem tradition, they also bitterly opposed the shah's emancipation of women.

The riots erupted in protest of the arrest of Shiite leader Ayatollah Khomeini after milder demonstrations Tuesday.

Also backing the mobs, some sources believed, were other big landlords, embittered followers of Mossadegh and the Tudeh communists — the latter in their usual role of taking advantage of any turbulence.

Tehran mobs traditionally are available for almost any cause to anyone who can pay them.

A U.S. Embassy spokesman said

one group of rioters invaded the Iranian-American student center, opposite Tehran University, wrecked furniture, and damaged the library.

Others set fire to a bus, to police and troop jeeps, and smashed windows throughout the downtown district. They also hurled rocks at passing cars.

Water and telephone service were intermittently interrupted.

The communique announcing martial law named Gen. Attaulah Nasiri, chief of police, as military governor of Tehran. It imposed a 9:30 p.m. to 4:30 a.m. curfew.

The decree was issued after an emergency meeting between Premier Assadullah Alam and his top aides at police headquarters.

Scandal Erupts in Britain As Minister Admits Lying

LONDON (AP) — A major political scandal erupted here Wednesday night with War Minister John Profumo admitting he lied to Parliament to cover his illicit association with Christine Keeler, 22-year-old model.

Prime Minister Macmillan, gravely embarrassed both politically and personally, quickly accepted Profumo's resignation. (The Laborite opposition promised a relentless struggle to use the case to bring the Government down.)

Profumo, 48, told Macmillan by letters he had deceived the House to spare his family suffering and added:

"I have been guilty of a grave misdemeanor."
"I cannot tell you of my deep remorse . . ."
Macmillan replied:
". . . This is a great tragedy for you, your family and your friends."
Before the letters were published Profumo and his wife, the beautiful former actress Valerie Hobson, had vanished from their London home.

Miss Keeler spent the day on the witness stand at the Old Bailey Court, testifying at the trial of a West Indian singer who is accused of attacking her.

On March 22 Profumo stood up in the House of Commons with Macmillan at his side and said he had met Miss Keeler but that nothing improper had taken place between them.

Macmillan gave him an encouraging pat on the shoulder, a sign of personal support, Profumo then went off to a horse track as the guest of Queen Mother Elizabeth.

Laborite legislators continued to charge that the story was not over.

Political sources said that Macmillan's office recently confronted Profumo with statements by Dr. Stephen Ward, a socialite artist who had been host at parties attended by Christine, Profumo and the Soviet assistant naval attaché, since recalled to Moscow.

Profumo then stuck with his story that nothing improper had taken place, high sources said. Tuesday, however, he asked for a meeting with two of Macmillan's aides and admitted he had not been telling the truth.

Profumo's letter to Macmillan, dated Tuesday, said:
"To my very deep regret I have to admit that I misled you and my colleagues, and the House of Commons."
"I ask you to understand that I did this to protect, as I thought, my wife and my family, who were equally misled, as were my professional advisers."
"I have come to realize that, in deception, I have been guilty of a grave misdemeanor."

Hearing Slated On Move To Oust County Treasurer

MAQUOKETA (AP) — A hearing is scheduled to be held June 17 on a petition for permanent removal of Jackson County Treasurer Winfield (Windy) Rimmer, 44, charged with embezzlement by a public officer.

When the date was set Wednesday by District Judge Nathan Grant, the treasurer said in a statement issued through his attorney, Ray Sokol:
"I feel that I have been prematurely and unfairly charged and have not to this date been sufficiently informed of either the nature or extent of the charge against me."
The treasurer's office has been closed since last Saturday on orders of County Attorney Douglas J. Burris while state auditors have been making a check of Rimmer's books.

No amount in the alleged embezzlement has been disclosed.

Rimmer said he will not resign until he learns full details of the charge against him.

Wallace Enjoined from Stopping Negroes

BIRMINGHAM, Ala. (AP) — A federal judge enjoined Gov. George C. Wallace on Wednesday from physical interference with the enrollment of Negroes at the University of Alabama, but Wallace said he would take action that "involves even my personal freedom."

He can be imprisoned for as long as 10 years if he uses physical means to stop the Negro students next Monday.

Wallace said in a statewide television statement:
"The action that I am going to take involves even my personal freedom, but I intend to carry it out, regardless of what risk I take."
He did not elaborate. But Wallace repeatedly has said he would stand in the doorway of the university building where enrollment is scheduled to take place, and bar Vivian J. Malone and James A. Hood from entering.

In his televised address, Wallace repeatedly urged the people of Alabama to "stay home" next Monday. He appealed strongly for maintaining law and order and said "peace and tranquility must prevail."

The injunction ordering him to keep hands-off the registration of the Negroes was handed down by U.S. District Judge Seybourn H. Lynne.

It specifically enjoined him from interfering with the enrollment by "physically interposing his person or that of any other person under his direction or control . . ."

An identical paragraph in the order applies to David M. McGlathery, who is scheduled to en-

ter the university on its Huntsville campus Monday.

In his televised statement, Wallace said:
"What happens to George Wallace is not important, but what happens to constitutional government is very important."
The injunction does not prevent him from going to the campus. Nor does it stop him from demanding, in the name of the state, that Negroes be denied enrollment.

Lynne commented incisively on the question of the authority of the federal government over a state.
"Thoughtful people, if they can free themselves from tensions produced by established principles with which they violently disagree, must concede that the governor of a sovereign state has no authority to obstruct or prevent the execution of the lawful orders of a court of the United States," he wrote.

The judge is a native of Alabama.

The injunction against Wallace clearly is necessary, the judge said. Otherwise, "the plaintiff will suffer irreparable injury resulting from obstruction to the lawful orders of this court and the consequent impairment of the judicial process of the United States."

This was virtually the identical language used by Asst. Atty. Gen. Burke Marshall last Monday in arguing the case for the Department of Justice.

Lynne cited numerous precedents to support his ruling. He referred to similar decisions in the federal courts against Gov. Ross Barnett

of Mississippi and Gov. Orval E. Faubus of Arkansas. Barnett physically prevented a Negro student, Meredith enrolled later. Faubus

Barnett Thunders as Second Negro Enters Mississippi U.

OXFORD, Miss. (AP) — With police and soldiers on the alert, the riot-scarred University of Mississippi admitted its second Negro student Wednesday.

Political thunder rumbled from Jackson, but there were no campus incidents as Cleve McDowell, 21, registered for the summer session at the Ole Miss law school.

In Jackson, Gov. Ross R. Barnett went on television to tell the state that McDowell was only accepted because Mississippi couldn't oust the U.S. Army.

The governor said McDowell's safety was the responsibility of the Federal Government.

The Government took over its protective duties early. Three marshals joined McDowell at Jackson for the long ride to Oxford.

At the campus, Chancellor J. D. Williams, in a letter to faculty, staff and students, said he was determined "to protect the university from harm which could come from irresponsible behavior."
John Doar, a Justice Department attorney, said the department was "cooperating with the university in order to see that McDowell is enrolled without incident."

The university's first known Negro student, James H. Meredith, delayed his plan to register for the summer session.

Meredith said he was staying in in Jackson, about 200 miles south of here, to attend to "urgent personal business." He can register any time prior to June 11.

Campus police, beefed up by officers from nearby towns, patrolled the mile-square university area.

In addition, highway patrolmen were within easy distance. And the 300 Army troops who have been handling permanent guard duties at Meredith's dormitory were standing by.

The precautions were prompted by last fall's riot, which climaxed a historic state versus federal confrontation over court orders admitting Meredith to the school. Two men were killed by pistol bullets in the riot.

ringed a high school in Little Rock with National Guardsmen to block eight Negro children. The children were admitted after President Eisenhower federalized the Guard.

The ruling did not refer to James Hood, the third Negro student who is scheduled to enroll in the university. The university announced, after the hearing before Lynne last Monday, that it would accept Hood. Hence, he was not included in the Justice Department's petition for an injunction.

Wallace scheduled two statewide television appearances, but it was not learned whether he would comment on the injunction.

GOP Senators Urge Legislation On Civil Rights

WASHINGTON (AP) — Republican senators, by a divided voice vote, approved a statement Wednesday night saying they will "support further appropriate legislation required to help solve the problems of our nation in the field of civil rights."

The broad statement was hammered out after five hours of closed-door discussion of the controversial civil rights issue. No attempt was made to take any stand on specific legislation.

Nor did the GOP senators, at the party conference, get into the question of trying to smash any Southern filibuster against civil rights measures by invoking the Senate's debate-limitation rule,

To put the rule into effect takes a two-thirds majority of senators voting, and in the past this has proved a major barrier to the passage of civil rights bills.

Sen. Leverett Saltonstall of Massachusetts, chairman of the conference, read newsmen a statement on civil rights described as "the consensus" of the group. He said it was not binding on any of the 33 Republican senators, but he said it was approved by voice vote.

"I couldn't say it was unanimous," he said, "but I can truthfully say I am confident the eyes carried it."

The policy statement was accepted after a two-hour meeting earlier in the day failed to bring any agreement. The Republican senators met for another three hours late in the day.

Buddhist Temple Closed

SAIGON, South Viet Nam (AP) — Buddhist leaders claimed Wednesday that government troops have ringed the main Buddhist pagoda in the holy city of Hue and refuse to let the faithful enter or leave.

They said the temple's water supply was cut off.

Reports said Hue, in central Viet Nam 400 miles north of here, was quiet but tense. The government reported 54 persons, treated at the hospital for blister gas burns after a demonstration Monday, had been released.

Buddhist leaders disputed the government figure, claiming that 142 persons were hurt,

Hygienic Lab Gets Pesticide-Pollution Study Grant

The Iowa Conservation Commission Wednesday approved a \$10,000 grant to the State Hygienic Laboratory here for a study of the effect on fish and wildlife of increased pollution and use of pesticides.

The study, according to the commission, is part of the nationwide emphasis on proper use of pesticides and control of pollution.

It will be financed by revenue from fishing and hunting permits and will not use any federal or state tax funds.

The commission said the study will include five parts. The first step will be to determine the normal level of chemicals, including pesticides, pollutants and radioactive materials, in water, soil and fish and game throughout the state.

The laboratory then will study fish and game killed by chemicals not including industrial wastes. It will work to aid the commission in determining responsibility for death of wildlife and will instruct commissioners in methods. The laboratory will submit quarterly reports on its study to the commission,

Dent, Dental Hygiene Students To Receive Awards Tonight

Twenty-seven students will receive special awards this evening at 8 p.m. at SUI's annual dental convocation in Macbride Auditorium. Dr. George S. Easton, dean of the College of Dentistry, will preside. Dean John Weaver of the SUI Graduate College, who is also vice-president for research, will speak.

Thirty-three coeds will receive certificates in dental hygiene also at the annual convocation.

Richard D. Burns, D4, Montrose, will receive the Alpha Omega Award for attaining the highest scholastic average among dentistry seniors.

Other students receiving the Omicron Kappa Upsilon awards will be David Bradbury, D4, Iowa City and William DeKock, D4, Iowa City; Gerald Eganhouse, D4, Oxford Junction; Ronald Haneman, D4, Vinton and Richard Ranney, D4, Rolfe.

The American Academy of Gold Foil Operators Award for outstanding promise in gold-foil work will be presented to James W. Smalley, D4, Muscatine.

John Baker, D4, Waterloo, will

receive a certificate from the American Academy of Oral Roentgenology for his interest and accomplishment in the use of dentistry x-ray methods.

A plaque will be awarded to Clemens Full, D4, Grandview, for an outstanding essay on a topic assigned by the American College of Dentists.

The American Society of Dentistry for Children Certificate will be presented to John Jordan, D4, Clinton.

Lon Jensen, D4, Clinton, will receive the \$100 Block Drug Company Essay Award.

Awards from the 1923 and 1929 College of Dentistry classes will go to Leonard Neel, D3, Iowa City and Forrest Scandrett, D2, Fullerton, Calif. The awards are based on scholarship, professional attitude, character and personality.

David Diehl, D3, Davenport, will receive the Fenton Memorial Award, which is given to the junior who has excelled in basic science subjects. The International College of Dentists Award will go to Donald Cassidy, D4, Clarinda.

The Iowa Society of Oral Surgeons book award to the student who shows the most promise in oral surgery will be given to Richard Roush, D4, Corydon.

Minger Awards of \$50 each to the outstanding freshman and sophomore students in the College of Dentistry will go to Donald Blevins, D1, Macomb, Ill., and to James

Satterlee, D2, Brandon.

Five outstanding freshmen will receive a \$20 gift certificate, toward the purchase of publications. These Mosby Book Awards will go to Glenn Book, D1, Des Moines; James Dahm, D1, Pella; Michael Erickson, D1, Glen Ellyn, Ill.; James Loftgren, D1, Bloomfield and David Shrody, D1, Cedar Rapids.

The Alpha Kappa Gamma key for the highest scholastic average in the dental hygiene program will be presented to Carole Midgard, A4, Maywood, Ill. Three other dental hygiene students will receive Sigma Phi Alpha Awards. They are Bonita Gerke, A4, State Center; Mary Palmer Myrick, A4, Phoenix, Ariz. and Joan Wilson, A3, Evanston.

Campus Notes

Design Deadline

The last day for submitting design ideas for the 1963 Homecoming Monument at SUI is June 15. Jerry E. Burns, Esq. Mount Pleasant, said Wednesday.

Moe to USC

Daniel Moe, assistant professor of music at SUI, has been named a visiting professor for the summer at the University of Southern California, Los Angeles.

New Scholarships

A gift of \$200 from the Davenport Daily Times and Morning Democrat has been made to the SUI School of Journalism scholarships fund.

The money will be used to provide two \$100 scholarships for Davenport area students planning to enroll in journalism at SUI this fall.

National Meeting Here

Some 80 members of Omicron Nu, home economics honor society, will attend the 24th national convocation of the organization June 22 at SUI. Forty-five active chapters and three alumnae chapters will be represented at the meeting, which is being held at SUI this year as part of the observance of the 50th Anniversary of the Department of Home Economics at the University.

ALAN CHRISTENSEN Gets State Appointment

Supervisory Post To Christensen

Alan Christensen, assistant professor in the SUI school of social work, was today appointed supervisor of field services for the Iowa Board of Control.

His appointment was announced by Benjamin Baer, director of corrections. He will replace Maurice Beale who is leaving Iowa in September.

Christensen's new job will be to direct the work of 13 juvenile parole counselors in charge of boys and girls released from the Eldora and Mitchellville training schools.

Christensen came to Iowa four years ago. Before that he was a case worker and student adviser for the Family and Children's service in Minneapolis. He was also a probation and parole agent in Wisconsin, his home state.

Race for Lead In Private Airways

PARIS (AP) — France and Britain jubilantly hailed on Wednesday an American order for their jointly built "Concorde" supersonic airliner as a major victory in the struggle for world commercial dominance in the air.

Even while Paris and London celebrated Pan-American World Airways' order for six of the twice-as-fast-as-sound Concorde, President Kennedy announced the United States would go head to head to develop its own supersonic plane.

Kennedy, speaking at the U.S. Air Force Academy's commencement exercises at Colorado Springs, Colo.:

"It is my judgment that this government should commence immediately a new program in partnership with private industry to develop at the earliest practical date the prototype for a commercially successful supersonic transport superior to that being built in any other country in the world."

He admitted there still were lots of technical snags and it seemed obvious here that the United States could not beat the British-French plane into the air.

The British-French consortium has promised delivery in 1968 and 1969 of the slim, delta-winged Concorde which will cross the Atlantic in 2½ hours at about 1,450 miles an hour.

Experts here believe the earliest date an American matcher could reach the airlines would be 1971 or 1972.

The U.S., however, has been talking about a 2,000-m.p.h. plane, provided manufacturers could get a government subsidy for development costs.

Mankind's Only Enemy Now Is Birth Rate, Toynbee Says

WASHINGTON (AP) — Man — the conqueror of lions and tigers, the emerging victor over bacteria — has nearly stripped his planet of major enemies save one: himself.

British historian Arnold Toynbee gave that picture Wednesday to the World Food Congress, convened to devise a global strategy to free mankind of hunger.

In man's own perversity, Toynbee said, he may overpopulate his earth and lead himself to famine and war.

"This man has rescued himself from the fate of being food for tigers, but has subjected himself to the far more devastating fate of being food for cannon and for atomic weapons. This has been a most unprofitable exchange," Toynbee said.

"The human race's prospects for survival were considerably better when we were defenseless against tigers than they are today, when we have become defenseless against ourselves."

Toynbee blamed what he called "an irrational and immoral resistance" to acting on human faculties of reason and conscience.

Having fought some of the external forms of nature, he said, man still has to contend with her in himself "where she shows herself in her ugliest form."

Breeding at maximum rate, he said, would undo the victories over disease and war and "would defeat us by delivering us into the hands of famine, and inviting famine to bring war and pestilence

back in its train."

He prescribed two educational projects to help solve the dilemma: First, political education to persuade "ourselves to give the interests of the human race as a whole a decisive priority over the interests of one's own particular section of it."

Second, "to persuade wives and husbands voluntarily to regulate the birth rate to match the already achieved reduction of the death rate."

Tuna Boat Incident Gets U.S. Protest

WASHINGTON (AP) — The United States drafted a protest Wednesday to Ecuador over the stiff fine imposed on two American tuna boats seized fishing off Ecuador's shores.

A State Department spokesman said the United States recognizes no basis in international law for the \$26,272 levied Tuesday against the vessels Ranger and White Star by the Ecuadorian government.

At issue in the incident are conflicting views over how far national rights extend to sea. The United States contends territorial waters extend only three miles from the coastline. Ecuador claims 200 miles.

State Department officials held urgent meetings to determine what action Washington might take.

In Major League Action—

Cubs Win 2 From Giants; One Game Out

CHICAGO (AP) — The surging Chicago Cubs vaulted to within one game of the National League lead by sweeping a doubleheader, 9-5 and 5-4, from the first-place San Francisco Giants Wednesday.

It was the Cubs' 10th triumph in their last 12 games, and their sixth in nine games against the league leaders.

The surprising Cubs lashed five home runs in winning the first game and pushed across the tie-breaking run in the nightcap when the Giants' Chuck Hiller dropped a pop fly in short right field in the seventh.

Lou Brock, scoring his sixth run of the day, carried home the winning marker in the nightcap when Hiller dropped Billy Williams' short fly but recovered for a force out at second as the Chicago speedster raced across the plate.

FIRST GAME
San Francisco 200 000 030—5 7 1
Chicago 000 000 10x—9 13 0

Fisher, Perry (5), Duffalo (8) and Bailey, Ellsworth, Elston (3) and Bertell, W — Ellsworth (3-3). L — Fisher (3-7).

Home runs — San Francisco, Mays (11), Kuenn (1), Chicago, Hubbs (6), Banks 2 (10), Brock (3), Williams (6).

SECOND GAME
San Francisco 000 020 200—4 7 1
Chicago 103 000 10x—5 13 2

Sanford, Bolin (8) and Haller; Hobbie, Schultz (7), McDaniel (7) and Schaeffer, W — McDaniel (2-1). L — Sanford (7-4).

Home runs — San Francisco, McCovey (9), Cepeda (11).

Yanks Move Back into 1st; Beat Orioles

BALTIMORE (AP) — Mickey Mantle suffered a broken bone in his left foot Wednesday night as the New York Yankees defeated the Baltimore Orioles, 4-3, on a disputed play at home plate in the eighth inning.

The victory moved the Yankees back into first place in the American League.

Robinson's homer off Whiteley Ford tied the score 3-3 and set the stage for the rousing windup to an argumentative battle played before 24,924 boisterous fans.

With loaded bases for the Yanks in the eighth, Yogi Berra was called off the coaching lines to pinch hit for Elston Howard and hit a weak grounder backward to pitcher Stu Miller.

Miller threw home to force Tom Tresh, but as catcher Dick Brown cocked his arm to throw to first, he was struck by Tresh and the ball rolled along the first base line allowing Maris to score from second base.

Manager Billy Hitchcock of the Orioles, who contended Tresh deliberately bumped Brown, was ejected from the game by umpire Joe Paparella.

New York 001 002 010—4 9 1
Baltimore 020 001 000—3 13 2

Ford and Howard, Berra (8); Papas, McNally (8), Miller (8) and Brown, W — Ford (7-3). L — Pappas (4-2).

Home runs — New York, Maris (9), Baltimore, Brandt (7), Robinson (4).

A's Shut Out By Twins, 4-0

KANSAS CITY (AP) — The Minnesota Twins utilized the home run punch of Rich Rollins and Bob Allison and the strong pitching of Jim Roland to defeat the Kansas City Athletics, 4-0, Wednesday night.

Roland, a 20-year-old left-hander, shut out the Athletics on two hits over the first seven innings but had to leave the game because of an elbow injury.

Roland suffered the injury throwing out George Aluskis in the seventh. He remained in the game to post the final out but was replaced in the eighth by Bill Dailey.

Minnesota 000 102 010—4 6 0
Kansas City 000 000 000—0 5 1

Rolland, Dailey (8) and Batey; Pena, Fischer (7), Wyatt (9) and Sullivan, W — Rolland (4-1). L — Pena (5-6).

Home runs — Minnesota, Rollins (4), Allison (15).

Koufax Paces L.A. Past Colts

HOUSTON (AP) — Sandy Koufax scattered eight hits and hit a key single in a decisive three-run sixth inning uprising that carried the Los Angeles Dodgers to a 5-1 victory over Houston and to within 1 1/2 games of National League leadership Wednesday night.

Koufax, winning his eighth against three losses and his first over the Colts in Houston, contributed a big single to the Dodger rally that hung the defeat on Colt starter Ken Johnson, now 3-8.

The only run off Koufax came in the third inning when Al Spangler tripled home Johnson.

Los Angeles 100 003 100—5 10 1
Houston 001 000 000—1 8 2

Koufax and Roseboro; Johnson, Umbricht (8) and Campbell, W — Koufax (8-3). L — Johnson (3-8).

White Sox Beat Los Angeles, 3-0

LOS ANGELES (AP) — Home runs by Dave Nicholson and Jim Landis accounted for all the runs as the Chicago White Sox downed the Los Angeles Angels, 3-0, in the first game of a two-night double-header Wednesday night.

John Buzhardt scattered nine hits to post his sixth victory against two defeats.

Landis' home run, his seventh, came as he led off in the second against losing pitcher Mel Nelson.

Nicholson's blow, his 11th, came with a runner on in the fifth.

Pittsburgh Sweeps Two From Reds, 5-4, 4-3

PITTSBURGH (AP) — Smokey Burgess broke a tie with a pinch single in the first game and drove in the winning marker with a double in the nightcap Wednesday night as the Pittsburgh Pirates swept a doubleheader from Cincinnati, 5-4 and 4-3.

Burgess doubled in Bill Mazeroski in the sixth inning with what proved to be the winner in the nightcap. The blow gave the Pirates a 4-0 lead, but two home runs by Frank Robinson, one with a man on, pulled the Reds back into contention.

Milwaukee Beats Mets in 10 Innings

NEW YORK (AP) — Bubba Morton's two-run single with the bases loaded in the 10th inning gave Milwaukee an 11-9 victory over the New York Mets Wednesday after the Braves had blown an eight-run lead behind Warren Spahn.

With one out in the 10th, Mack Jones doubled to left and went to third on a wild pitch by Larry Bearnarth. Manager Casey Stengel ordered both Hank Aaron and Eddie Mathews walked intentionally, loading the bases. Morton then came through with his game-winning single.

With Lee May hitting a two-run homer and Denis Menke a three-run blast, Milwaukee had rolled up a 9-1 edge when the Mets came to bat in the sixth.

Seven unearned runs were scored in the sixth after Eddie Mathews fumbled a grounder by Cliff Cook that would have ended the inning without a run.

Rookie Culp Hurls 3-Hitter; Phillies Win over St. Louis

PHILADELPHIA (AP) — Rookie right-hander Ray Culp, a \$100,000 bonus baby, pitched his third three-hitter of the season and posted shut-out No. 3 Wednesday night in Philadelphia's 6-0 victory over St. Louis.

Ken Boyer got two of the Cardinal hits off the 22-year-old pitcher, lining a clean single to center in the fifth inning and grounding a single down the third base line with two out in the ninth.

The victory brought his record to 7-3.

Culp struck out eight and allowed only four walks. He also contributed two singles to the Phillies' 14-hit barrage against five St. Louis pitchers and scored the Phillie's first run in a two-run second inning. Don Hoak stole home for the second run.

Eddie Sachs To Appear Before USAC

INDIANAPOLIS (AP) — The U.S. Auto Club ordered race driver Eddie Sachs to Detroit Wednesday to appear next Monday before the USAC executive committee and say if he made statements attributed to him about the 500-mile race May 30 at the Indianapolis Motor Speedway.

Sachs was quoted as saying winner Parnelli Jones should have been flagged off the track because his oil tank was leaking.

Sachs and Jones tangled at a private party the next day and Jones, who won \$148,500 for himself and car owner J. C. Agajanian, slugged the Detroit driver in the mouth. Jimmy Clark of Scotland who finished second in a Lotus-Ford and won \$56,238, greeted Jones amiably at the same party.

Tom Binford of Indianapolis, USAC president, said in announcing the hearing that Sachs' statements questioned the integrity of the "500" officiating and the board wanted to know whether he had been quoted correctly. He did not say what action would be taken if Sachs repeated the charges.

Sachs already has paid a \$100 fine for continuing in the race after a wreck, breaking a rule that requires inspection by a technical committee before a damaged car can return to the race. Sachs wrecked again a short time later and contended he spun in Jones' oil.

Relief Pitcher Fox Saves Tigers, 5-4

CLEVELAND (AP) — Relief pitcher Terry Fox choked off a Cleveland rally in the eighth inning, lifting the Detroit Tigers to a 5-4 victory over the Indians Wednesday night.

Fox relieved Detroit starter Jim Bunning in the eighth inning with the bases loaded, one out and the Tigers ahead, 4-1. Two singles sandwiched around a walk had filled the bases.

Detroit 000 020 201—5 9 1
Cleveland 200 010 031—4 13 1

Bunning, Fox (8) and Triandos; Grant, Bell (6), Allen (7), Nischwitz (8), Abernathy (9) and Aizcue, W — Bunning (4-3). L — Grant (3-6).

Home runs — Detroit, Cash (6), Cleveland, Luplow (2).

White Sox Beat Los Angeles, 3-0

LOS ANGELES (AP) — Home runs by Dave Nicholson and Jim Landis accounted for all the runs as the Chicago White Sox downed the Los Angeles Angels, 3-0, in the first game of a two-night double-header Wednesday night.

John Buzhardt scattered nine hits to post his sixth victory against two defeats.

Landis' home run, his seventh, came as he led off in the second against losing pitcher Mel Nelson.

Nicholson's blow, his 11th, came with a runner on in the fifth.

Pittsburgh Sweeps Two From Reds, 5-4, 4-3

PITTSBURGH (AP) — Smokey Burgess broke a tie with a pinch single in the first game and drove in the winning marker with a double in the nightcap Wednesday night as the Pittsburgh Pirates swept a doubleheader from Cincinnati, 5-4 and 4-3.

Burgess doubled in Bill Mazeroski in the sixth inning with what proved to be the winner in the nightcap. The blow gave the Pirates a 4-0 lead, but two home runs by Frank Robinson, one with a man on, pulled the Reds back into contention.

Six Americans Remain In British Amateur Golf

ST. ANDREWS, Scotland (AP) — Richard Davies, defending champion from Pasadena, Calif., Wednesday led six Americans into the fourth round of the British Amateur Golf Championship which produced a barrel of bombshells.

Two more American Walker Cup players lost their second-round matches over a moody St. Andrews Old Course where the weather changed from rain to sunshine, to cold and strong winds and back again. Before the day ended six other Americans were eliminated.

Downing Gray of Pensacola, Fla., the 23-year-old American Walker Cupper, went out on the 20th hole to Morrison Zull of Scotland. That was the first upset.

Then another one came quickly, Charlie Smith, another member of the American Walker Cup squad from Gastonia, N.C., crashed to a 6 and 5 defeat at the hands of Michael Lee of England.

The day ended with five Americans in the top half of the draw and only Dr. Ron Luceti of San Francisco in the bottom half.

The United States challenge started on Monday with 39 in the field of 250.

Now the American forces have been cut to six with only three Walker Cup players left.

Mantle Runs Into Fence; Injures Foot

BALTIMORE (AP) — Mickey Mantle, \$100,000-a-year centerfielder of the New York Yankees, suffered a bone fracture of the left foot Wednesday night when he crashed into the fence at Union Memorial Stadium.

Joe Soares, Yankee trainer, said Mantle would be sidelined for at least two or three weeks, probably longer. An orthopedic specialist was being called in to examine the Yankee star at Union Memorial Hospital, where X-rays revealed a fracture of the third metatarsal bone on the left foot.

The metatarsal is a small bone on the top of the foot. Soares said Mantle caught his spikes on the wire centerfield fence as he attempted to catch a home run hit by Baltimore's Brooks Robinson.

Olympic Group Rejects Vienna, West Berlin

LAUSANNE, Switzerland (AP) — The executive board of the International Olympic committee rejected applications Wednesday from West Berlin and Vienna to stage the 1968 games.

IOC President Avery Brundage of Chicago told newsmen after a seven-hour meeting that the board discussed the two cities' applications "and they were not found to be in order."

Brundage said the eight-member board reached that conclusion unanimously "and with great regret."

Brundage said West Berlin's application was not in order "because it was not accompanied by a similar invitation from East Berlin."

He said West Berlin's invitation was received before expiration of the April 1 deadline.

"We told them that without support from East Berlin their invitation could not be accepted. East Berlin has not given its support."

Brundage said that Vienna was rejected solely because it applied after the deadline.

483 Compete For Berths In U.S. Open

NEW YORK (AP) — Sectional qualifying rounds for U.S. Open Golf Championship berths will be held June 10 and 11 with 484 players seeking 129 places, the U.S. Golf Association said Wednesday.

The sectional rounds, at 36 holes, will be played June 10 at six locations and at seven others on June 11.

The two largest fields will be at New York, where 114 will play for 45 places, and Detroit, where 52 will play for 20 spots.

The successful 129 players will join 21 exempt golfers in the field of 150 for the 63rd U.S. Open June 20-22 at The Country Club, Brookline, Mass.

A total of 2,424 entries was accepted. That field was trimmed in local qualifying rounds.

Four former Open champions, Dick Mayer, Cary Middlecoff, Julius Boros and Tony Manero, will play in New York, along with Sam Snead, Jay Hebert, Lionel Hebert, Chick Harbert, Jim Turnesa, Jim Ferrier and Vic Ghezzi, all PGA champions.

Former Open champions Lew Wrosham and Ed Furgol will play at Pittsburgh. Another former Open champion, Jack Fleck, will play at Chicago.

Some of the \$93,800 prize money for the open will be awarded to leaders in the sectional rounds. The remaining \$86,000 will go for Open prizes, with the winner getting \$16,000.

The 21 exempt players include the last five open winners, Tommy Bolt, Bill Casper, Arnold Palmer, Gene Littler and defending champion Jack Nicklaus.

AAU Asks Gen. MacArthur For Ruling on Track Meets

NEW YORK (AP) — The AAU said Wednesday it believed Gen. Douglas MacArthur's latest statement backed its position in the track war, and asked him for a ruling.

The amateur sports organization made the statement and request in a telegram sent to MacArthur late Wednesday.

The telegram, signed by Donald F. Hull, AAU executive secretary, said the organization believed MacArthur's bristling statement, issued Tuesday, would "remove once and for all threats against our fielding the strongest possible United States teams for international competitions."

MacArthur's statement came after the latest flareup in the battle between the AAU and the college-sponsored U.S. Track and Field Federation threatened to ruin the American team for the track meet with Russia in July, or cancel the meet.

The AAU telegram to MacArthur said:

"The AAU acknowledges your statement reported in this morning's New York Times which we fervently hope you will remove once and for all, threats against our fielding the strongest possible United States teams for international competitions."

"Your ruling of March 12 clarified the AAU's position on the track meet with Russia in July, or cancel the meet."

Candy Spots' Odds Fall; Chateaugay Looks Bad

NEW YORK (AP) — Candy Spots' odds for Saturday's running of the \$125,000-added Belmont Stakes at Aqueduct dipped still lower Wednesday when Chateaugay, rated his chief rival, turned in a disappointing workout.

Chateaugay, John W. Galbreath's Kentucky Derby winner, worked at Aqueduct a couple of hours after trainer Mesh Tenney sent Candy Spots 7 furlongs in 1 minute, 23 4/5 seconds with the one mile in 1:37.

Trainer Jimmy Conway had intended to work Chateaugay six furlongs with his regular jockey, Braulio Baeza, in the saddle. But after going three-eighths of a mile in 36 3/5 seconds, Chateaugay slowed down to almost a trot and attempted to wheel in front of the stands.

Conway was at a loss to explain the actions of the colt who had closed fast in the stretch to take the Kentucky Derby with Candy Spots third for the only setback of his nine-race career.

"Baeza said the horse didn't seem to want to work by himself," said Conway. "He usually has company. He ran all right for three-eighths and then pinned his ears back. Maybe it was the strange track."

Conway said he was going to send Chateaugay out again Thursday, this time at Belmont Park, where he is stabled. "He'll go a half-mile with Baeza up," said the trainer.

By contrast Tenney was well satisfied with the work of Candy Spots, who carries the hopes of Rex Ellsworth in the 1 1/2 mile classic.

Candy Spots' workout plus the disappointing showing of Chateaugay probably means the Ellsworth colt, to be ridden by Willie Shoemaker, will go off at less than even money.

The field has narrowed considerably from the 10 that the New York Racing Association first thought might go in this 95th running of the triple crown series which also includes the Kentucky Derby and Preakness.

Definite starters in addition to the two favorites are C. V. Whitney's Tom Cat, Wheatley Stables' Insurrection and George D. Widener's Top Gallant. This will be the last Belmont for Sunny Jim Fitzsimmons, who has trained six winners, and goes after Saturday's renewal with Insurrection. At 88 he is retiring this month.

Listed among the possibilities are Maine Chance Farm's Get Around, Patrice Jacobs' Bonjour, Mrs. C. D. Morgan's Sky Wonder, Philip Godfrey's Sum Dum Kid, Anderson Fowler's Raritan Valley and Louis E. Haggin 2nd's Choker.

Crimson Satan Wins \$59,300 In Mass. Handicap

BOSTON (AP) — Crimson King Farm's Crimson Satan took over the lead coming into the stretch and won the \$59,300 Massachusetts Handicap by 2 1/4 lengths at Suffolk Downs Wednesday.

Crimson Satan, the favorite of a crowd of 24,755, paid \$6.20, \$3.60 and \$2.80.

Admiral's Voyage, the early leader, returned \$4.80 and \$3.80 after finishing second. Sunrise County came up with Endymion to take third place and pay \$3.60.

Herb Hinojosa rode the 4-year-old son of Spy Song to a 2-minute, 11 1/5-second victory over the 1 1/4 miles. The track record for the distance is 2:01.

The victory was worth \$38,545 for Crimson Satan, who previously had piled up earnings of more than \$600,000.
