Aid Comes Quickly For Burned Out ATOs

Members Receive Offers Of Beds, Clothing, Meals

By DAVID HOYT
Staff Writer

The 26 members of Alpha Tau Omega fraternity, whose chapter house was destroyed by fire Tuesday afternoon, found they didn't need to look for help — it came immediately and from many sources.

"We've been called by townspeople and by people from the country around Iowa City with offers of beds, clothing and meals," said Bill Joy, A4, Perry, president of the local ATO chapter.

"We must have been offered nearly 1,000 beds," Joy said, "and we have received dinner invitations from many of the fraternities and sororities. We were even offered aid by the Red Cross."

Joy said the University had been giving the chapter help from the time the fire broke out. All the men who had been living in the house are being quartered in the overflow room at Hillcrest.

"Nobody will be forced out of school by this. The University has indicated that it will provide interest-free loans up to \$300 for those who need them," Joy said.

Roy Ewers, owner of Ewers Men's Store, and an alumnus of the Iowa City ATO chapter, has offered a 20 per cent discount on merchandise to all ATOs whose belongings were destroyed in the fire.

One of the men who discovered the fire, George Shidler, A3, Avoca, said the fire was discovered about 3 p.m., not at 2:30 p.m. as previously reported. Response by the Iowa City Fire Department came within five minutes of the call, Shidler said.

"It's really fortunate that circumstances turned out as they did," Robert Hubbell, counselor to men said, "if the fire had been 12 hours later, there might have been some deaths."

Joy said the chapter was optimistic about the future, and noted that this was due, in part, to the lack of injuries or fatalities which might have resulted from the fire.

"We will probably carry on here (in Hillcrest) for this semester. We will continue our program of informal rush and hope to hold our scheduled exchanges with sororities," Joy said.

According to the local ATO chapter advisor, Daryl Stamp, another house will be built. Stamp said the old house had not been insured for \$80,000 as reported earlier. Rather, the house was covered for 80 per cent of its worth.

Cost of a new house would be \$250,000, Stamp estimated. He based this figure on a cost of "\$4,500 to \$5,000 per bed for a 50-man house."

Firemen Eye Smoldering ATO Building

Close observance of the smoldering Alpha Tau Omega fraternity house's interior was being maintained by firemen Wednesday to prevent rearing of the blaze which gutted the 3-story building Tuesday.

Firemen will keep a 24-hour vigil until no possibility of the fire's starting up again remains, according to Assistant Fire Chief Dean Bebee. Each fireman works in a 30-60 minute shift because of the extreme cold, he said.

Bebee said one man will stand watch over the scorched wreckage to discover any "hot spots" which may start burning without warning. He explained that the hot spots were found in hidden areas of the building that could not be reached earlier by fire hoses.

When the hot spots are discovered, the fireman may extinguish it himself or call for more help from the fire station.

A few flare-ups were discovered Wednesday. All were extinguished. Bebee said the careful observance of the wreckage may continue for as long as a week.

Spot fires are still burning in the carcass of the house.

2 Rights Workers Shot At, Beaten

BOGALUSA, La. (AP) — Two white civil rights workers said they were pursued, shot at and then besieged in a Negro bar Wednesday after one of them was caught and "stomped."

William John Yates, 36, of Boston, said he was being beaten by several whites when a group of Negroes ran up and frightened the attackers away.

Yates said he and Steve Miller, 19, of San Francisco, both workers for the Congress of Racial Equality, took refuge in a nearby bar until they could arrange safe conduct out of town.

City police said they knew nothing about a beating.

Smoke and Ice

Ice-coated trees and smoke from the smoldering ATO house frame an Iowa City fireman early Wednesday afternoon. Firemen fought the fraternity house blaze throughout the night of sub-zero temperatures Tuesday, then kept a close watch all day Wednesday to prevent the fire from recurring.

Also Hopes to Host Red Leaders in U.S.

WASHINGTON (AP) — President Johnson, obviously encouraged by secret contacts with Moscow, said Wednesday night he hopes to visit the Soviet Union this year and to entertain Soviet leaders in the United States.

Johnson, in making the surprise pronouncement, said, "I believe such visits would reassure an anxious world that our two nations are each striving toward the goal of peace."

Committee Votes Down 'Bingo' Bill

DES MOINES (AP) — A Senate-passed bill to amend the Iowa Constitution to legalize bingo games sponsored by charitable, religious or veterans groups failed Wednesday to receive a House committee approval.

The Judiciary Committee voted 8-7 in favor of putting the proposal on the House calendar, but under committee rules nine favorable votes were needed.

Committee members indicated another attempt to clear the measure for House action will be made next week. The proposed amendment passed the Senate 44-14 on Jan. 27.

The committee recommended for passage a series of bills making changes in the Iowa beer and liquor laws, but deferred action on a measure to tighten the definition of a "private place" under the liquor by the drink law.

The Industrial and Human Relations committee, meanwhile, recommended by a 17-4 vote passage of a bill to increase the maximum weekly benefit amount under unemployment compensation to two thirds of the average weekly wage paid to employees in insured work.

House Opens Talks On Death Penalty

DES MOINES (AP) — The House cautiously entered into discussion of a controversial bill to abolish the death penalty in Iowa Wednesday.

Sponsors of numerous amendments to the bill explained what their amendments would do. Further action was deferred until Thursday.

Rep. Charles Korn, D-Logan, said it was wrong for society to take the life of any person. Korn is sponsor of the bill, which was brought to the House floor without recommendation by the Judiciary Committee.

Mass Arrests Continuing In Alabama

SELMA, Ala. (AP) — Negroes were arrested by the hundreds Wednesday as racial tension heightened in Alabama. More than 300 were arrested at Selma and more than 500 were arrested in Marion, 30 miles away.

More than 1,500 have been arrested since Monday, and about 1,800 since Dr. Martin Luther King Jr. began leading a civil rights campaign at Selma 16 days ago.

Not since the long, hot summer of 1963 have so many been arrested in connection with racial strife. About 3,000 were arrested in Birmingham that summer.

The arrests in the two western Alabama communities Wednesday came at about the same time. Demonstrations at Selma were in support of a voter registration drive. Those arrested at Marion were protesting the earlier arrest of about 15 other civil rights workers.

A voter registration campaign has been under way in both Dallas (Selma) and Perry (Marion) counties.

The White House announced in Washington that President Johnson is being kept informed of the situation.

In the Senate, Sen. Jacob K. Javits, R-N.Y., said the new outbreaks over Negro registration "may well show need for new laws to let federal registrars step in and handle the registrations."

Most of those arrested were pupils.

New Intramural Revolt Fails Against Laos Army

BANGKOK, Thailand (AP) — Loyal rightists of the Laos National Army battled dissident comrades in Vientiane and were reported Wednesday to have again thwarted a revolt aimed at revising the Army's high command.

The battle left eight known dead, 38 wounded and minor damage to embassy buildings of the United States and Thailand. None of nearly 1,000 Americans in Vientiane was hit.

Shell-set fires lit the night sky over Vientiane, the Laotian administrative capital just across the Mekong River from Thailand. Refugees streamed out by the thousands.

The street fighting climaxed intramural feuding that broke out last weekend among rightist military officers whose regular job is to try to cope with pro-Communist Pathet Lao forces controlling two-thirds of the country.

AMERICAN authorities regarded the incident as deeply disturbing, coming as it did as the latest in a long series of upheavals in Southeast Asia.

Accounts published in Bangkok said 800 rebels surrendered to the loyalists headed by Deputy Chief of Staff Gen. Kouprasith Abhay and that the rest were driven out of town. A U.S. spokesman said a rebel leader, Col. Boulert Sycosie, had switched to the loyalist side.

The Government of Premier Prince Souvanna Phouma, a neutralist, charged that Deputy Premier Phoumi Nosavan, a rightist general who was once supreme in the Army, inspired the uprising in an effort to regain lost power.

Phoumi had rejected speculation along that line Tuesday, but later appeared to accept the charge.

INTERVIEWED at his villa on the outskirts of the capital, the Deputy Premier told a reporter "We will counterattack." He said Kouprasith was to blame for opening the hostilities.

Boulert has been a trusted aide of Phoumi. Boulert headed a group of young officers who led 300 troops in an abortive uprising Sunday night.

They seized the Vientiane radio station and announced they intended to reform the Army high command.

Between Kouprasith's men and troops moving on the city to reinforce the rebels. Three of the defenders were killed.

Boulert's men were reported back up Wednesday by some of the troops from the east — reputed to be under the command of rightist Gen. Kham Khong — and Vientiane military and civilian police forces of Gen. Sihou Lamphoutacoul, a rightist who figured in a Laotian coup of April 1964.

They seized the Vientiane radio station and announced they intended to reform the Army high command.

But they backed down Monday under the combined pressure of a loyalist show of force and a two-hour conference with the premier and his generals. Souvanna said it was all a misunderstanding. However, Boulert and his men kept control of the radio station and a stadium in the heart of the city.

TUESDAY there was an artillery duel 20 miles east of Vientiane between Kouprasith's men and troops moving on the city to reinforce the rebels. Three of the defenders were killed.

Boulert's men were reported back up Wednesday by some of the troops from the east — reputed to be under the command of rightist Gen. Kham Khong — and Vientiane military and civilian police forces of Gen. Sihou Lamphoutacoul, a rightist who figured in a Laotian coup of April 1964.

Parking Chairman Complains Of 'Chuck Holes' in Dorm Lot

parking spaces. Students pay the fee and are given a special sticker which permits them to park in the lot anytime.

The lot is lighted at night and closer to the dormitories than other available lots. Two of the other lots are near the hydraulics plant and the Big Ten Inn.

Available spaces are assigned by parking chairmen on a seniority basis. According to Lange, there is a waiting list of 13 for space at Quad. Dave Jones, parking chairman for Hillcrest, said the waiting list there has 30 names.

RICHARD HOLCOMB, director of Police Science and past chairman of the University Parking Committee, said fees paid by those who use reserve and restricted campus parking will not even pay the interest on the money spent for parking land.

"The University spends between \$40,000 and \$50,000 in addition to the fees collected for maintenance and policing of old lots and construction of new ones," Holcomb said.

"That lot at the dorms is a problem because cars are there 24 hours a day. It is pretty tough to remove snow from it," he said.

Regarding the holes he said that the lot doesn't get a lot of traffic, and that "they all get a little rough in winter."

COMMEMORATIVE STAMP — LONDON (AP) — Postmaster General Anthony Wedgwood Benn announced a stamp honoring the 25th anniversary of the Battle of Britain will be issued in September. Others this year include a special one for Sir Winston Churchill.

Long, Cold Night

Assistant Chief Ed Knoedel, ice-covered and exhausted from the all night fire struggle at the ATO house Tuesday, paused for a cup of coffee served to the fire fighters by neighborhood woman.

Rites for Hancher Today

Funeral services will be held at 2 p.m. today in Trinity Episcopal Church for Dr. Virgil M. Hancher, president emeritus of the University.

Students and members of the University staff will be able to hear the services over a special sound system in Macbride Auditorium.

UNIVERSITY CLASSES will be suspended and offices closed at 12:30 p.m. today to allow students and staff to participate in the services.

The Rt. Rev. Gordon V. Smith, Des Moines, Episcopal Bishop of Iowa, will officiate at the services for Dr. Hancher, who died Saturday in New Delhi, India, where he was an educational consultant. Burial will be in Oakland cemetery.

The Rev. Robert E. Holzhammer, rector of Trinity Church, of which Dr. Hancher was a member, will officiate at the services.

Also participating in the services will be the Rt. Rev. Frederick W. Putnam, Oklahoma City, suffragan bishop of Oklahoma, who was rector of the Trinity parish from 1942 to 1947.

Pallbearers will be Phil E. Connell, assistant to the president; Charles W. Davidson, professor of law; Robert C. Hardin, vice president for medical services; Loren Hickerson, executive director of the Alumni Association; Clark Houghton, president of First National Bank of Iowa City; Elwin T. Joliffe, vice president for business and finance; John C. Oberhausen, Dubuque, member of the State Board of Regents, and W. W. Sumner, president of Iowa State Bank and Trust Co., Iowa City.

THE UNIVERSITY community will honor Dr. Hancher's memory with a memorial service at 3 p.m. Sunday in the Union.

W. Earl Hall, a University classmate of Dr. Hancher's and former editor of the Mason City Globe-Gazette, will speak at the service.

Robert S. Michaelsen, director of the School of Religion, will offer prayers, and the University Symphony Orchestra, under the direction of James Dixon, will provide music.

WSUI will be on the air from 2:30 to 4 p.m. Sunday to broadcast the memorial service and a special program narrated by Orville A. Hitchcock, dean of the graduate college.

Red Boss Departs For Hanoi Today

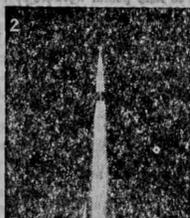

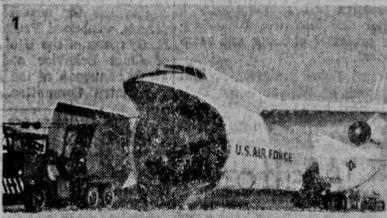

MOSCOW (AP) — Premier Alexi N. Kosygin will leave today for Hanoi, capital of North Viet Nam, a Soviet spokesman said Wednesday.

Kosygin will go by special plane with a delegation that includes experts on military aid and on foreign contracts of the Soviet Communist party.

There was rising speculation here that the group will stop in Peking at least for refueling and possibly for more. A source in the North Vietnamese Embassy said Tuesday he expected Kosygin to go through Peking.

Let's talk about engineering, mathematics and science careers in a dynamic, diversified company

Campus Interviews Thursday and Friday, February 11 and 12

Young men of ability can get to the top fast at Boeing. Today, Boeing's business backlog is just under two billion dollars, of which some 60 per cent is in commercial jetliner and helicopter product areas. The remainder is in military programs and government space flight contracts. This gives the company one of the most stable and diversified business bases in the aerospace industry.

No matter where your career interests lie—in the commercial jet airliners of the future or in space-flight technology—you can find an opening of genuine opportunity at Boeing. The company's world leadership in the jet transport field is an indication of the calibre of people you'd work with at Boeing.

Boeing is now pioneering evolutionary advances in the research, design, development and manufacture of civilian and military aircraft of the future, as well as space programs of such historic importance as America's first moon landing. Gas turbine engines, transport helicopters, marine vehicles and basic research are other areas of Boeing activity.

Whether your career interests lie in basic or applied research, design, test, manufacturing or administration, there's a spot where your talents are needed at Boeing. Engineers, mathematicians and scientists at Boeing work in small groups, so initiative and ability get maximum exposure. Boeing encourages participation in the company-paid Graduate Study Program at leading colleges and universities near company installations.

We're looking forward to meeting engineering, mathematics and science seniors and graduate students during our visit to your campus. Make an appointment now at your placement office.

(1) CX-HLS. Boeing is already at work on the next generation of giant cargo jets. (2) Variable-sweep wing design for the nation's first supersonic commercial jet transport. (3) NASA's Saturn V launch vehicle will power orbital and deep-space flights. (4) Model of lunar orbiter Boeing is building for NASA. (5) Boeing-Vertol 107 transport helicopter shown with Boeing 707 jetliner.

Cold Weather Bears Down On East U.S.

By THE ASSOCIATED PRESS

Winter tightened its unrelenting grip on the eastern half of the nation Wednesday and the zero degree line stretched from Montana to New England.

As the cold spell intensified, ice jams threatened to block river barges in the Mississippi near Cairo, Ill. The numbing cold pushed south to the Gulf of Mexico, and Florida braced for a nighttime wave of freezing temperatures.

Some of the nation's iceboxes included: Elkader, Iowa, and Aberdeen, S.D., 24 below zero; —22 in Decatur, Iowa; —14 in Somerset, Ky.; —10 in Mountain City, Tenn.; and —20 in Fargo, N.C., and International Falls and Hibbing, Minn. Bradford, Pa., recorded 6 below zero as did Montpelier, Vt.

WINDS UP TO 45 miles an hour in the Buffalo, N.Y., area swirled two inches of new snow into drifts that measured a foot or more in some spots and cut visibility to near zero. Traffic was slowed to a crawl and there were dozens of highway accidents.

The cold wave continued in West Virginia with prospects that there would be no letup until Sunday. Overnight lows ranged from 5 below zero to 9 above.

IN KENTUCKY, schools in 38 counties kept their doors closed and several points reported below-zero readings. It was 9 below in Whitesburg, —4 in Covington, —3 in Bowling Green and —1 in Corbin.

The bitter cold siege in Tennessee took at least its seventh life Wednesday when a Nashville woman was found frozen to death in her yard. Temperatures dropped to —5 in Crossville and —2 at the Tri-Cities Airport in upper east Tennessee. It was 3 above zero in Knoxville — one degree shy of the record set in 1882.

THE WEATHER Bureau said the Upper Mississippi Valley and the Northern Plains had borne the brunt of winter's paralyzing siege. The bureau said almost continuous cold plagued those areas for several months. International Falls, Minn., and Fargo, N.D., have not seen temperatures above freezing since Thanksgiving.

Chicago went into its seventh consecutive day of below zero readings Wednesday.

5 IMPORTANT AND EFFICIENT BOOK BUYING SERVICES FOR YOU

1. We carry all required texts. New and used — at your fingertips.
2. Over 4,000 titles in paperbacks include the finest in scholarly books.
3. Complete selection of the best general books at all times.
4. Speedy, efficient order service for items not generally stocked.
5. Service includes locating sources for out-of-print books.

ONE — STOP — SERVICE

THE WIDEST SELECTION OF NEW & USED TEXTS

No need to waste valuable time moving from store to store trying to find books and supplies you'll need this term. Our store is stocked to the rafters with all the required items you'll need. Everything is easily located at finger-tip level and reasonably priced. If you can't find what you want from our self-service displays, a staff of trained personnel will be pleased to help you. One stop at Iowa Book and you'll have everything you need for the semester ahead.

This is our Book Department, specially stocked with every book we can think of for your selection. We have 4,200 square feet of books in our Book Department. You'll be able to get all your books in one stop. Each book you purchase is guaranteed to be the correct one for every course or your money back.

Iowa Book and Supply Co.

Eight South Clinton

Campus Notes

GAMMA ALPHA CHI

Gamma Alpha Chi will meet at 7 tonight at the Delta Delta Delta house, 522 N. Clinton St.

LECTURE CHANGE

The Iowa Mountainers film-lecture on France by Philip Walker will be given Sunday in Macbride Auditorium will begin at 3:45 p.m. instead of 2:30 p.m. so that the program will not conflict with the University of Iowa Memorial Services for President Emeritus Virgil M. Hancher.

POLITICAL DISCUSSION

The Political Science Discussion Club will meet at 8 p.m. Thursday in the Senate Chamber of Old Capitol.

RECITAL

John D. Hill, assistant professor of music, will present a recital at 8:30 p.m. Wednesday in the North Recital Hall.

Among the selections to be performed are "Sonata A3 for Two Violins, Trombone," and "Con-tinuo" by Heinrich Ignaz Franz Biber, and Suite for Unaccompanied Trombone, by Leslie Bassett.

RECITAL SATURDAY

Linda Gannett, A3, Davenport, will present a string bass recital at 7:30 p.m. Saturday in North Recital Hall. She will be accompanied on piano by Stephen Osburn, A3, Iowa City. The program consists of music by Tyndall, Fuchs, Prokofieff.

COLLOQUIUM CANCELED

The Sociology and Anthropology Colloquium will not meet today.

WINTER DANCE

The Resident and Interns' Wives Club will hold its annual winter dinner dance, "An Old Fashioned Valentine," Feb. 13 at the Athletic Club.

A buffet supper will begin at 7:30 p.m. and dancing will follow at 9 p.m. The Lynne Wood Band will play for the dance. Tickets are available from James M. Campbell, 338-4331, or from Jill Newman, 4338-6237.

PHYSICS WIVES

Physics Wives meet at 8 p.m. today at the home of Mrs. Kenneth F. Edwards, 430 E. Davenport St. A program on flower arrangement will be given.

"NIGHTMARE IN RED"

"Nightmare in Red" will be shown in Shambaugh Auditorium at 7:30 p.m. Tuesday. This film is the first authentic reconstruction of the historical drama which Communism has presented inside Russia. Sponsored by the Union Board 20th Century Committee, the film covers the events which have led up to conditions in Russia today, including the old Czarist order, the revolutions of 1905 and 1917, the purge trials, and World War II.

FRATERNITY LECTURE

Phi Rho Sigma will sponsor a lecture at 7 p.m. Sunday at the fraternity house, 117 Ferson Ave. Speaker will be Dr. William S. Moehler, assistant professor of psychiatry.

FIRST AID COURSE

The Red Cross is sponsoring an Advanced First Aid Course for students and townspeople who hold a standard first aid certificate. Lynette Russ, G. Blue Earth, Minn., will teach the course. There will be eight lessons, one from 7 to 9 p.m. every Thursday starting Feb. 11.

The lessons will be held in W113 Women's Gymnasium.

ALPHA KAPPA PSI

Alpha Kappa Psi, professional business fraternity, will meet at

7:30 p.m. today in Union conference room 203. The meeting is open to members only.

REHEARSALS

University of Iowa Oratorio Chorus and Symphony Orchestra will hold rehearsals today in preparation for its concert Feb. 11.

TROMBONE RECITAL

Thomas L. Swanson, G. Detroit Lake, Minn. will present a bass trombone recital at 8 p.m. Sunday in North Music Hall.

Short Course On Unions Set In Quad Cities

A six-week course on labor union history and administration will be conducted in the Quad Cities area by the Bureau of Labor and Management at the University.

More than 150 laborers from the Quad Cities are expected to participate in the course which begins Feb. 17 at 7 p.m. The classes will be held Wednesday evenings from 7 to 9 p.m. in the Quad Cities Federation Hall, Rock Island, Ill.

Through the use of lectures, films, case studies and informal discussions, the course will trace the beginnings of the American Labor Movement in the 1870's through the National Labor Movement, and the emergence of the Industrial Union. The final three lectures will cover aspects of labor administration, including a discussion of labor and the law, union structure, and the need for education.

Instructors will include Anthony V. Sinicropi, head of labor services for the Bureau of Labor and Management, and members of the Bureau's staff. Paul Kelso, noted Iowa folk singer, will trace the development of the labor movement through song.

Registration for the six-week course is now under way. Further information may be obtained from Bill Keller, chairman of the Quad Cities Federation of Labor Educational Committee, Labor Temple, Rock Island, Ill.

Cooper, Former AP Chief, is Buried

NEW YORK (AP) — Several hundred persons attended funeral services Wednesday for Kent Cooper, former general manager of The Associated Press, at the Park Avenue Christian church — Disciples of Christ.

At the hour of his funeral, 1:30 p.m., the Associated Press news wires were silenced for one minute.

Cooper, who died Sunday at the age of 84 in West Palm Beach, Fla., developed sweeping innovations in the production and transmission of news in word and picture form.

He was known throughout the journalistic field for a long and successful struggle for the removal of international restrictions on free exchange of news.

CANADIAN IMMIGRANTS—

OTTAWA (AP) — Canada took in 112,606 immigrants last year, the biggest annual total since 124,851 arrived in 1958, the Immigration Department announced. The post-war high was 282,164 in 1957. The largest national representations last year came from Britain, Italy and the United States in that order.

U.S. Launches 2nd Satellite To Probe Sun

CAPE KENNEDY, Fla. (AP) — A "sunshine satellite" which creates its own private solar eclipses vaulted into orbit Wednesday to take the pulse of the sun.

Its sensitive instruments are to provide the best information yet on the seething sphere of hot gases and how its turbulent thermonuclear energy controls what happens on earth and other planets.

From its findings, astronomers may piece together clues about the history of the solar system. Scientists may learn more about radiation dangers facing astronauts who journey deep into space.

The satellite, officially named OSO-2 for Orbiting Solar Observatory, boomed into space atop a three-stage Delta rocket which darted away from Cape Kennedy right on schedule at 11:36 a.m.

Launch Director Robert Gray said the Delta made a textbook flight and shoved the craft into orbit about 350 miles above the earth.

5th Psychiatry Institute To Examine Research

The role of school and community in carrying out procedures suggested by current research on mental illness will be the subject of the Fifth Institute on Preventive Psychiatry to be held at the University of Iowa.

Scheduled for May 14 and 15, the institute will present five speakers. Dr. Caroline A. Chandler, chief of the demonstrations section of the Community Research and Services Branch of the National Institute of Mental Health, will speak on "The Role of the Community Treatment Facility in Prevention."

DR. HARRY R. BRICKMAN, director of the Department of Mental Health of the County of Los Angeles, California, will discuss "Maintaining Constructive Community Relationships During and Following Treatment."

Elizabeth B. Lindemann will speak on "Strengthening the Relation Between School and Community Treatment Facility." She is a senior mental health consultant for the Human Relations Service of Wellesley, Inc., Wellesley Hills, Mass.

Professor Mary Alice White of Teachers College, Columbia University, will discuss "The Role of Specialized School Personnel in a Comprehensive Plan for Prevention."

THE TOPIC of a joint paper by two faculty members of the Bank Street College of Education, New York City, will be "The Role of

the Classroom Teacher in a Comprehensive Plan for Prevention." Roger Cartwright, of the Research Division of the college, will present the paper, written in collaboration with Barbara Biber, research scholar at the college.

Each of the lectures will be followed by a panel discussion. Previous sessions of the Institute

on Preventive Psychiatry, held in alternate years, have dealt with research involving factors suspected of causing mental illness or enhancing mental health. Many biological and psychosocial factors have been considered.

TURNING in a somewhat different direction, this fifth institute will be the first of several to

focus on the present state of research and thinking concerning the role of different social institutions in applying the procedures for prevention of mental illness that available knowledge suggests.

Purpose of the institutes, which are sponsored by the University of Iowa Preventive Psychiatry Committee, is to develop a broad perspective from which research programs and a range of individual investigations can be projected. Participants are asked to contribute whatever they consider helpful to clarify basic issues, point up pertinent research findings and develop suggestions for next steps in research, explained Professor Ralph H. Ojemann of the U of I Institute of Child Behavior and Development, chairman of the Preventive Psychiatry Committee.

TOPLESS SWIM SUITS—

BUENOS AIRES, Argentina (AP) — Mayor Francisco Rabanal has banned topless bathing suits. They can't even be displayed in shop windows, and violations will be punished with very heavy fines, he warned.

Mailmen To Meet Here Feb. 19-21

Sessions on trends in collective bargaining, employee-management relations, grievance handling and union administration are on the agenda for the annual Letter Carriers Institute to be held Feb. 19 to 21 at the University of Iowa.

About 60 Iowa letter carriers are expected to attend the institute, sponsored by the Iowa Association of Letter Carriers and conducted by the University's Bureau of Labor and Management.

Anthony V. Sinicropi, head of labor services for the Bureau, said special emphasis will be directed toward grievance handling, adverse

actions and union administration—all designed to help postal workers improve the administration of their local organizations.

James Rademacher, vice president of the National Association of Letter Carriers, and James Stocker, executive board member and regional director of the association, will discuss some of the national and regional aspects of employee-management relations and union administration.

Other sections of the program will include a review of last year's accomplishments and a look at the

present and future in collective bargaining. Speakers during the opening session will include Sinicropi, Stocker and Max Wortman, associate professor of labor and management.

Samuel Fahr, professor of law, will speak on "Planning for Your Retirement."

The program on Feb. 20 will include a film and workshop series on grievance handling. Leading the discussion will be members of the Bureau of Labor and Management. The concluding program on Feb. 21 will be devoted to aspects of local union administration.

Acad Puts Total AIR FORC U.S. Air Force Wednesday investigation. academy, its cadets resign. Maj. Gen. only cadets sale or use papers were He said papers will be able discharge used them discharges. who resigners, including been caught team next He said were involved Warren de or code will as a result in his opinion unchanged.

Academy Puts Cheater Total at 105

AIR FORCE ACADEMY, Colo. — The superintendent of the U.S. Air Force Academy announced Wednesday completion of an investigation into cheating at the academy, listing the final total of cadets resigning at 105.

Maj. Gen. Robert H. Warren said only cadets involved in the theft, sale or use of stolen examination papers were asked to resign.

He said those who stole or sold papers will receive less than honorable discharges and those who only used them will receive honorable discharges. Gen. Warren said 29 who resigned were football players, including 20 who would have been candidates for the varsity team next season.

He said altogether 40 athletes were involved. Warren defended the cadet's honor code which has been criticized as a result of the scandal and said in his opinion it should continue unchanged.

Dance Registration Opens

Registration of high school and grade school students for spring dance classes sponsored by the Department of Physical Education for Women will be held today and Friday from 9:30 a.m. to 4:30 p.m. at the Women's Gymnasium.

Parents are urged to register their children early. Additional students will be accepted Saturday morning only if classes are not filled.

Classes are graded for students five years old and up, with a special class for high school students to be held Thursdays from 4:15 to 5:30 p.m. The classes offer training in both traditional technique and creative work in movement.

Fee for the high school class is \$12.

The class for children eight years of age and older will meet Saturdays at 9 a.m.; six- and seven-year-olds will meet at 10 a.m., and five-year-olds will at 11 a.m. The fee is \$9 per class.

A dance workshop from 11 a.m. to 12:15 p.m. Saturdays will offer advanced technique and special creative work. The fee will be \$12. Classes will be supervised by

Marcia Thayer, head of the U of I, modern dance program. Other teachers will be Mrs. Bobbi Asch, and Mary Lynne McRae, both formerly on the U of I staff, and Diana McKelvey, Wellington, New Zealand, graduate student. Judith

Strait, Colorado Springs, Colo., sophomore at the U of I, will assist. Entire fees may be paid at registration or one-half of the fee may accompany registration, with the remainder due April 3.

More Army Air Power Proposed

WASHINGTON — The Army has recommended converting one of its infantry divisions into a revolutionary air assault group designed to strike swiftly into areas like Southeast Asia.

It was learned Wednesday that this recommendation is one of four alternatives forwarded by the Army to the Joint Chiefs of Staff for consideration. The other three would incorporate the air assault idea, but on a smaller scale.

The proposals, growing out of two years of intensive tests with an experimental air assault division, could meet resistance from the Air Force which has viewed with concern Army moves to expand its own air power.

The Army would convert the 2nd Infantry Division at Ft. Benning, Ga., into the 1st Cavalry Division, Air Mobile. At the same time, the designation of the 2nd Infantry Division would be shifted to the present 1st Cavalry Division now on duty in Korea. No movement of men would be involved.

The chief job of a 15,000-man air assault division would be to leapfrog into enemy country aboard Army aircraft and helicopters, to dig in and hold if necessary or to carry out a limited mission and withdraw fast.

Some key Army planners have spoken of such a division as ideal for operation in countries like heavily jungled Laos and South Viet

GERMAN YOUTHS HABBED— KARLSTADT, Germany — A neighbor's complaint over a gun fired in celebration New Year's Eve has led to the arrest of three teen-age boys and seizure of a bulky cache of stolen American and German arms, uniforms and radio telephones, police reported. Investigators said the three robbed American units on maneuvers.

U.S. Aid Official Believed Kidnaped by Viet Guerrillas

SAIGON, South Viet Nam — A ranking U.S. civilian aid official was believed kidnaped by Communist guerrillas Wednesday on the eve of the visit to Saigon of McGeorge Bundy, top White House foreign policy adviser.

As U.S. officials prepared to greet Bundy and a team of advisers, they were jolted by the news that Gustav C. Hertz, 46, chief of the aid mission's public administration division, was missing.

Hertz left his home Tuesday on a motorbike and never returned.

His wife, who lives here with their three children, reported Hertz missing when he did not return two hours after he had left the house. A search failed to find any trace of him.

It was the second kidnaping of a U.S. aid mission official. Last August, Joseph W. Grainger of Sumpter, S.C., a field representative, was kidnaped and is still missing.

Hertz is from Leesburg, Va. Bundy is coming to talk with Ambassador Maxwell D. Taylor, who has been on the outs with Lt. Gen. Nguyen Khanh, South Viet Nam's strong man. Khanh ousted Premier Tran Van Huong two weeks ago. The United States has not formally recognized Khanh's regime.

While Bundy is in South Viet Nam, Premier Alexei N. Kosygin of the Soviet Union is expected to be in Communist North Viet Nam. Official sources in Moscow said

Kosygin would fly to Hanoi, capital of North Viet Nam, Thursday.

Moscow repeatedly has said the Soviet Union will grant Hanoi "the necessary assistance" if the fighting is carried into North Viet Nam. Kosygin's party will include Gen. Georgy Sidorovich, leading negotiator in arms agreements, and other military experts.

There was a lull on the war front as the Viet Cong guerrillas are carrying out a unilateral cease-fire this week during the Oriental New Year's celebration.

Senator Says Viet Nam Mess Worsening Rapidly

WASHINGTON — An investigating senator declared Wednesday the situation in South Viet Nam is rapidly growing worse. And another lawmaker who favors a negotiated settlement there said some of his colleagues privately share his view.

Sen. John Stennis, D-Miss., chairman of the Senate Military Preparedness subcommittee, offered no formula for a settlement in South Viet Nam, where the United States is backing government forces in a fight against Communist guerrillas.

But Stennis said the situation is "growing more serious daily." "I think affairs are heading toward a decision," he said after the subcommittee discussed the Vietnamese situation behind closed doors.

Stennis said his subcommittee does not plan a formal investigation of U.S. military aid now. But he said the group asked for regular reports from administration experts.

The major fields of study include forest resources, ecology, fish and wildlife management, rocks and minerals, soil and land management, and water conservation.

Session dates are June 6 to 26, June 27 to July 17, and July 18 to Aug. 7.

A single three-week course costs an undergraduate student \$115.50; graduate students pay \$3.00 more. This fee covers tuition, room and board. Scholarships are available in most courses.

Sen. Frank Church, D-Idaho, said he senses increasing dissent among his colleagues on the U.S. position in South Viet Nam.

"It's becoming increasingly obvious that established policy is not proving out," said Church, who long has advocated negotiations to end the fighting.

Church has suggested an international guarantee of neutrality and independence for South Viet Nam.

The Idaho senator said some fellow members of the Senate Foreign Relations Committee have told him privately they agree with his position, but have not yet taken a public stand.

Another Foreign Relations Committee member, Sen. Albert Gore, D-Tenn., spoke out for a negotiated settlement with Soviet participation.

Iowa Camp Sessions Are Still Open for Students

Openings are still available for Iowa teachers and college students at the three sessions of the 16th annual Iowa Teachers Conservation Camp.

The Conservation Camp program gives Iowa teachers and college students an opportunity to live, work and play in a state park while earning up to six college credits in natural science.

The major fields of study include forest resources, ecology, fish and wildlife management, rocks and minerals, soil and land management, and water conservation.

Session dates are June 6 to 26, June 27 to July 17, and July 18 to Aug. 7.

A single three-week course costs an undergraduate student \$115.50; graduate students pay \$3.00 more. This fee covers tuition, room and board. Scholarships are available in most courses.

A Steinway is worth waiting for

This is the piano of quality, not quantity. You should place your order now if you are thinking about buying a Steinway this year. Demand is unusually heavy, and in building pianos Steinway will not sacrifice quality for speed. This would risk the tone, the sensitive performance and the technical supremacy that make the Steinway the choice of artists, and the very best piano for your home.

10 Contests To Occupy Hawks

All Iowa indoor sports teams will be in action from Wednesday through Monday, Feb. 8, with 10 events, six of them in the Field House.

The sports parade started Wednesday when the wrestling team from Cornell University, Ithaca, N.Y., opposed the Hawkeyes. It is the first competition between Iowa and Cornell in any sport.

Opening of the indoor track season occurs Friday at 7:30 p.m., also in the field house, when Iowa meets Bradley University of Peoria, Ill.

Iowa's 1965 team is dominated by sophomores, for only six major lettermen are available.

The Saturday schedule features the basketball game with Northwestern, as the Hawkeyes attempt to remain in Big Ten title contention. Hawkeyes and Wildcats take the court at 7:30 p.m. Iowa upset No. 1 UCLA last Friday and has 4-1 for second in Big Ten standing.

Afternoon events Saturday are a swimming meet with Illinois at 2 p.m. and fencing meets with Indiana and Notre Dame at 1 p.m.

The swimmers have a chance to rise above the even break mark (now at 2-2) and the fencers compete in the first of six home meets.

Contests on the road for the Iowans include the all-important basketball game with Michigan at Ann Arbor, Feb. 8, the only meeting of the teams in 1965.

The unbeaten gymnastics team takes on Air Force Academy and the University of Illinois at Chicago in two dual meets at Chicago and the wrestlers oppose their final non-conference foe, Oklahoma, at Norman Saturday.

Mantle Signs for \$107,000

NEW YORK (AP) — Mickey Mantle has agreed to terms with the New York Yankees for a \$107,000 salary, tops in baseball, the New York Post reported Wednesday.

The report said the Yankees also have reached an agreement with Roger Maris at \$70,000, restoring the cut he took last season.

Both players reportedly will sign official contracts within the next few days.

The Yankees said neither player had signed a contract, and declined a comment on salary offers.

Mantle reportedly got \$100,000

last year. Willie Mays of the San Francisco Giants has generally been accepted as the top-salaried baseball player at \$105,000. He recently signed for the same figure.

Other \$100,000 players were Joe DiMaggio, Stan Musial and Ted Williams.

TO COACH BROWNS—

CLEVELAND (AP) — The Cleveland Browns announced Wednesday they have hired Bob Nussbaumer, a member of the Detroit Lions' scouting and coaching staff since 1954, as a scout and assistant coach.

Cornell (N.Y.) Beats Iowa In Dual Meet Wrestling

Cornell of New York evened its dual wrestling meet record at 5-5 here Wednesday night by defeating Iowa's Hawkeyes, 24-6.

Following two Iowa falls, Cornell's Mike Agone beat Iowa's Joe Greenlee by default in the 157-pound division to give the Big Red a decisive 15-6 lead after six bouts.

Greenlee, who placed third in the Big Ten title match last year, re-injured his right knee, which

has troubled him all season. Cornell's Geoffrey Stephens won his eighth bout of the season, beating Iowa's Dennis Wegner in the 167-pound division to give the visitors an 18-6 margin.

Iowa was only able to score two points for a take-down and "escaping from under" during the last two bouts. They gave Cornell five points and a 24-6 edge at the end of play.

Cornell, a powerful eastern team, has won the Ivy League title seven times in the last nine years and has won 22 straight Ivy League meets.

The Big Red are presently on a

four-meet swing through the mid-west. They will wrestle Cornell College at Mt. Vernon, Ia., Thursday, the University of Minnesota Friday and Mankato State Saturday before returning home to Ithaca, N.Y.

Cornell has not dodged heavy competition this season. Three of their last five losses were to Iowa State, 25-3; Lehigh, 28-5; and Michigan, 19-8.

Before whipping the Hawkeyes, they had beaten Pennsylvania, Brown, Harvard and Springfield College.

Iowa now has a 4-3 dual meet record and will next face the University of Oklahoma in Norman Saturday evening. It will resume league play here, Sat., Feb. 13, in a dual meet with Northwestern at 3:30 p.m.

Frank Beard's 66 Tops Hope Classic

PALM SPRINGS, Calif. (AP) — Displaying the day's outstanding artistry on the greens, young Frank Beard shot a six-under-par 66 Wednesday to lead the way through the first round of the \$100,000 E-b Hope Golf Classic.

As such gallery idols as Jack Nicklaus, Arnold Palmer and Tony Lema struggled to get par or better, the 25-year-old Louisville pro toured the par 36-36-72 Bermuda Dunes Country Club course in a spectacular 31-35-66.

SUMMARY
123—Bill Fuller (I) beat Bob Stock, 3-0.
130—Neal Orr (C) pinned Tom Bowman in 4:22.
137—Bob Rausenberger (I) beat Donald New, 3-2.
147—Joe DeMeo (C) pinned John McCarthy in 5:18.
157—Mike Agone (C) beat Joe Greenlee by default.
167—Geoffrey Stephens (C) beat Dennis Wegner, 6-2.
177—Francis Ferraro (C) beat Tom Fennelly, 2-1.
HW—Clarence Buchwald (C) beat Roger Schilling, 3-1.

2 'Derby' Horses Miss Race

MIAMI, Fla. (AP)—Sadair was retired to stud and Bold Lad missed the Bahamas because of an injury in two stunning developments among Kentucky Derby-age horses Wednesday.

Mrs. Mary B. Hecht, owner of Sadair, said the top money winning 2-year-old would be sent to stud in Lexington, Ky.

A fracture of a wing of the cannonbone in the left front foot, suffered in a workout Monday at Gulfstream, ended the Florida-bred colt's brilliant career.

Meanwhile, Bold Lad, the champion 2-year-old and early favorite for the big races coming up, was out with a popped splint—a growth on the right front leg. Bold Lad was scratched from Wednesday's Bahamas, won by Sparkling Johnny.

Bold Lad, owned by Mrs. Henry Carnegie Phipps of New York, was voted the 2-year-old champion in 1964 after winning eight of his 10 starts and finishing second in the other two.

Sadair is the biggest money-winning 2-year-old on record with \$498,217.

Trainer Bill Winfrey said he

Bob Petit Names Chamberlain As Next Scoring Ace

NEW YORK (AP)—Bob Petit, professional basketball's premier scorer, has a full-time bank job waiting when he retires from the game. But he still has a few more points to rack onto the St. Louis Hawks' ledger.

"I'm an assistant vice president of a bank in Baton Rouge right now, but I'm not contemplating retirement," said the 32-year-old forward now in his 11th pro season. "I was out for six weeks earlier this season—longer than any time during my career—but I feel okay at this point."

The 6-9 former All-America from Louisiana State holds the National Basketball Association career scoring record of 20,685 points. He was the first player to go over the 20,000 mark, gaining that distinction early this season.

"I think that Wilt Chamberlain will be the one to break it, though," Petit predicted. Chamberlain, of the Philadelphia 76ers, has scored 17,974 points in five seasons plus, and is the 1964-65 pacesetter with 1,671 points.

"It's a much better game now than when I broke into the league," Petit observed. "It's faster and here's more accent on defense."

"What makes it easier on us, though, is the better travel accommodations. We fly jet and even the trips to the West Coast are pleasant. It was much tougher on the players years ago when we used to travel by train and bus."

41 Contests Occupy February Sports Schedule

A February schedule of 41 sports events within a period of 24 days will occupy Iowa athletes in six sports.

The big push opened Wednesday night when the wrestlers met a new opponent, Cornell University of New York state, and ends Feb. 27 with all teams in action in eight events.

Of the 41 contests, 21 will occur in the field house. The biggest day-through-Monday period is the 21st-15th when thirteen contests are scheduled, eight of them at home.

Contests in the field house are:
5th—Bradley track (7:30 p.m.)
6th—Northwestern basketball (7:30 p.m.); Indiana and Notre Dame fencing (1 p.m.); Illinois swimming (2 p.m.)
12th—Michigan State and Wisconsin fencing (1 p.m.)
13th—Northwestern track (1:30 p.m.); Northwestern wrestling (3:30 p.m.); Air Force Academy, Kansas, Michigan State, Wisconsin fencing (10 a.m.)
20th—Purdue basketball (2:30 p.m.); Michigan wrestling (4 p.m.)
26th—Illinois gymnastics (4 p.m.)
27th—Minnesota and Wisconsin gymnastics (1:30 p.m.); Purdue swimming (2 p.m.); Purdue wrestling (3:30 p.m.)

Purple Aces Still Lead Small College Poll

By THE ASSOCIATED PRESS
The all-winning Evansville Aces were near-unanimous choices for first place in The Associated Press-small-college basketball poll Wednesday while Central State of Ohio took over second place from High Point, N.C.

The Aces, 16-6, collected 15 first-place votes and one for third for 153 points from among the 16 regional experts participating in the weekly balloting.

Central State picked up 118 points, followed by High Point's 84. Rounding out the Top Ten in order were Fairmont, W. Va., Gannon, Winston Salem, Arkansas AM&N, Philadelphia Textile, Wittenberg and Grambling.

Evansville defeated Valparaiso 73-78 in its only start last week. Central State advanced one place after increasing its record to 14-0 with an 82-74 victory over Tennessee State. High Point fell back a notch to third as a result of an 82-77 overtime setback by Lenoir Rhyne. It was High Point's second defeat of the year.

Fairmont soared four places to fourth although its 16-game unbeaten streak was ended by West Virginia Wesleyan, 79-75. The loss was preceded by two victories last week, against Davis and Elkins and Wheeling.

The voting was based on games through last Saturday.

The Top Ten, figured on a 10-9-8-7-6-5-4-3-2-1 basis, with first-place votes in parentheses and total points:

1. Evansville (15) 153
2. Central State, Ohio 118
3. High Point 84
4. Fairmont, W. Va. 83

GARRON LEAVES HOSPITAL—BOSTON (AP)—Larry Garron, star fullback of the Boston Patriots, was released from St. Elizabeth's Hospital Wednesday after 17 days treatment of a hip injury suffered in the American Football League All-Star game Jan. 16.

Jenkins May Ignore Subpoena

WASHINGTON (AP) — A Senate Rules Committee source said Wednesday that former White House aide Walter Jenkins will not appear for questioning in the Bobby Baker case today, but Chairman B. Everett Jordan, (D-N.C.) said: "I expect him to be there."

Jenkins, who resigned at President Johnson's request last October, is under subpoena to appear at a closed session of the committee this morning.

A committee source, who withheld use of his name, said that when Jenkins' name is called it will be answered not by Jenkins but

by his psychiatrist, who will advise the committee that Jenkins is not in condition to submit to questioning.

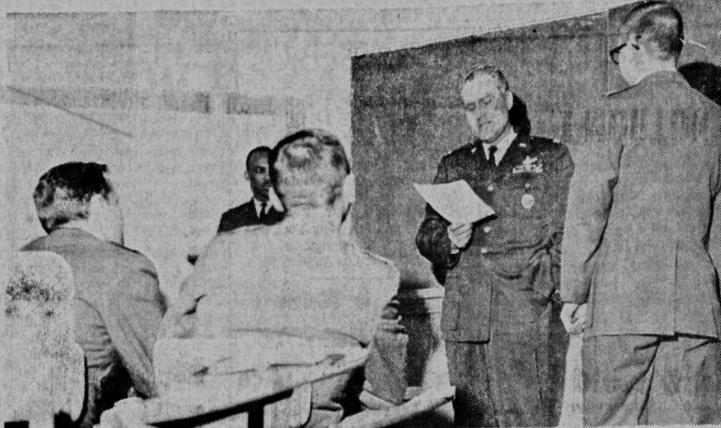

This source said Jordan then will seek agreement of the committee members to submit written questions to Jenkins, whose resignation followed disclosure that he twice had been arrested on morals charges.

The committee chairman said he had not received any word from Jenkins one way or the other, and he termed any report to the contrary "misleading, erroneous and wrong."

DON B. REYNOLDS, a local insurance agent, testified over a year ago that Jenkins pressured him into buying \$1,208 worth of unwanted advertising time on an Austin, Tex., television station owned by President Johnson's family.

Reynolds told the committee this was in 1957 after he had sold Johnson, then the Senate Democratic leader, the first of two \$100,000 life insurance policies.

In a sworn statement to committee investigators, Jenkins denied knowledge of any arrangements by which Reynolds bought the television time.

AFROTC Awards

Colonel Brooks Booker, professor of aerospace military studies, awards AFROTC cadet James Cook the Distinguished Graduate of the Air Force ROTC award Wednesday night. Similar awards went to cadets Ronald Langlas, Tom Ackerman, Carroll Bloomquist, James Church, Alan Forker, Stephen Garret, Dennis Gray, Wilner Nelson, Robert Schumacher, and Melvin Sumida. —Photo by Marlin Levison

Republicans Ask Probe Of State Agriculture

DES MOINES (AP) — Nine Republican senators asked the legislature Wednesday for a bipartisan investigation of personnel policies in the Iowa Department of Agriculture.

Referring to the recent discharge of two Agriculture Department employees, the Republicans said Democratic Gov. Harold Hughes "has announced publicly that qualified public officials, irrespective of political party, would not be fired. It appears that the Department of Agriculture is not carrying out the announced instructions and promises of the chief of state."

Republicans, in their resolution asking for an investigation, suggested that three Democrats and two Republicans from each house be named "for the purpose of making full inquiry and making a re-

port to the General Assembly within 14 legislative days from date of appointment.

Kenneth Owen, Democratic secretary of agriculture, said Jan. 27 he had discharged Republican Richard Denler, 52, of LeMars, who has a B.S. degree and has been a milk sanitarian for 18 years.

He hired Nicholas Coad, 43, LeMars, a Democrat and a farmer, to succeed Denler.

Wilson Postpones U.S. Trip

LONDON (AP) — Prime Minister Harold Wilson has postponed a visit to Washington. Sources said he wants more time to woo the West Germans on nuclear strategy before seeing President Johnson.

Ostensibly, the trip was called off Wednesday because of uncertainty over whether the U.N. General Assembly will meet as planned next week.

A spokesman at No. 10 Downing St. said a primary purpose of Wilson's transatlantic trip was to address the General Assembly Feb. 11, a day after the Washington visit.

The spokesman said Wilson probably will delay going to the United States until sometime in the spring.

Informed sources said, however, that Wilson is anxious for talks with West German Chancellor Ludwig Erhard before meeting Johnson.

Wilson was to have visited Bonn Jan. 20 but the illness and death of Sir Winston Churchill prevented this.

The big point for British-German discussion is the British proposal for an Atlantic nuclear force, a scheme whereby Allied ships and planes with nuclear strike power would be placed under international control.

The Germans up to now have preferred the tighter U.S. proposal for

a fleet of rocket firing surface ships manned by crews of mixed nationalities, the project known as the multilateral nuclear force. The Germans are reported to believe that the American idea would give them a satisfactory share in Allied nuclear strategy but that German influence would be whittled down by the British scheme.
