Fire Engulfs City Block In Brussels

BRUSSELS (AP) — A fire started in a department store crowded with shoppers and engulfed a whole block in downtown Brussels Monday. At least 20 persons were killed and 100 were injured, fire officers reported.

The fire began in the five story P'Innovation department store at the height of a midafternoon shopping rush. The store, Brussel's largest, was wrecked and the fire spread to nearby shops.

Walls crashed as thunderous explosions of liquified gas stored in the department store shook the downtown district. A neighboring shop was quickly in flames. The fire was on the Rue Neuve just behind Brussels Cathedral.

Heat was so intense that it cracked the walls of an adjacent fur shop. Firemen ran into the shop and threw mink, astrakhan and other costly furs into the streets from the second floor.

An early count listed 20 persons dead and 100 injured in the blaze. Some of the casualties were persons who leaped from upper floors onto the street. — AP Wirephoto

UI Coed Accepts Position Teaching At Kuwait School

By CORNELIA LEHN Staff Writer

A University coed, Jean H. Goerd, A4, Dyersville, will be teaching at a school in Kuwait next year.

Miss Goerd, a senior in elementary education and an assistant teacher at University Elementary School, has accepted a position with the International School of Kuwait. The city of Kuwait is the capital of Kuwait, a county on the Arabian (Persian) Gulf.

An Iowa City man, Donald Elbert, started the school four years ago for the children of non-military American personnel in Kuwait. He is still the superintendent of the school, and Miss Goerd received her appointment through his contact with the University Education Placement Office.

In the elementary section of the Kuwait school (it is also a high school) are now 325 students, representing 35 nationalities.

"Mr. Elbert told me in a letter

that they all blend beautifully," said Miss Goerd.

Travel Planned

The school uses an American curriculum. Miss Goerd will be teaching grade five or grade six, or a subject in grades seven and eight.

School starts Sept. 3, but Miss Goerd and a friend, Mary Hoedt, check from the College of St. Catherine, St. Paul, Minn., who is also going to teach at Kuwait, plan to leave on Aug. 6 and travel through Europe. They are now planning their itinerary.

After a nine-month teaching term, they will return to the United States via Japan. Miss Goerd's first year of teaching there will include a trip around the world.

The school pays for the teachers' transportation to Kuwait and back and also provides housing for them in a new apartment building which overlooks the Arabian Gulf. Salaries for teachers are comparable to those in Iowa.

Kuwait Wealthy

Most of the pupils in the Kuwait school are children of embassy or American oil company personnel. Oil has brought incredible wealth to Kuwait since the first petroleum cargoes left its shores on July 1, 1946. Of all the oil reserves in the Middle East, and 21 per cent are in Kuwait.

According to "Kuwait Today," a book published by the Ministry of Guidance and Information of Kuwait, the oil wealth is being used to further one end only—

the creation of a welfare state; to give the same chances of a good education and good health to the richest and the poorest alike.

Kuwait has no income tax. It has free telephone calls and television programs, has one of the highest average personal incomes in the world and there is a car to every six people, has a free education system and a free health service.

And although Kuwait is probably the hottest capital in the world, it is the most air-conditioned city in the world.

Besides these material triumphs, Kuwait in 1963 achieved—without so much as a demonstration what countless revolutions elsewhere have failed to bring about—a democratic government.

Of all the teachers going out from the University College of Education this spring, Miss Goerd may have chosen the most spectacular place to teach.

Hughes Plans Appearance At Governor's Day Events

University Reserve Officer Training Corps (ROTC) cadets will salute Gov. Harold E. Hughes Wednesday at the University's 33rd annual Governor's Day.

Hughes, who will be making his fifth appearance at the University's Governor's Day, will review some 1,000 Army and Air Force ROTC cadets and will present awards to 31 outstanding members of the corps. Maj. Gen. Junior F. Miller, adjutant general of Iowa, will also take part in the ceremonies.

The annual event began in 1881, when the battalion and band marched in review before Gov. John H. Gear and other Iowa officials.

Ceremonies this year will begin at 10 a.m. when an Army and Air Force honor guard, the color guard and the Guidon Society and Angel Flight will welcome the governor. He will be greeted by Pres. Howard R. Bowen; Col. Cyrus R. Shockey, chairman of the Department of Military Science; Col. Brooks W. Booker Jr., chairman of the Department of Aerospace Studies; cadet corps commander Don Carlson, A4, Stratford, and deputy cadet corps commander Douglas Ireland, A4, Storm Lake.

The award and review ceremonies will begin at 11 a.m. on the parade ground west of the Armory and will be open to the public. On the reviewing stand will be Governor Hughes, Pres. Bowen, General Miller, Iowa City Mayor William Hubbard and University dignitaries.

A luncheon, preceded by a receiving line at 12:15 p.m., will be held at 12:30 p.m. in the Union Main Lounge. Hughes will give an address at the luncheon.

ROTC Grants Awarded To 17 Cadets

Seventeen University Air Force ROTC cadets have been selected to be awarded Financial Assistance Grants. The selections were announced by Brig. Gen. Donald F. Blake, commandant of Air University's Air Force ROTC and Colonel Brooks W. Booker, Jr., professor of aerospace studies.

The grants will be effective this fall. Sixteen air science junior cadets awarded grants were among 1,400 national winners. One air science cadet received a grant out of only 153 awardees.

In June 600 sophomore cadets will be selected for Financial Assistance Grants. This year is the first time that grants have been allocated for students entering the second year of the four-year course.

Each grant covers the cost of full tuition, laboratory expenses, incidental fees, and an allowance for textbooks. In addition, the recipients receive \$50 per month during the tenure of the grants.

Criteria for selection of this year's awards included a cumulative grade average of at least 2.5, high scores on the Air Force Officer Qualifying Test, satisfactory medical qualifications and high personal and moral standards. Consideration was also given to each cadet's academic major and background. To some extent, the grants were awarded to cadets with skills and abilities needed by the Air Force.

The University will now have 26 cadets on Financial Assistance Grants when school begins in September. This is 27 per cent of the total number of eligible Cadets.

The senior notified of the award was David J. Stock, A3, Denison. The juniors were: James G. Darby, A2, East Moline, Ill.; Gerald F. Gehling, A2, Carroll; James E. Groff, A2, Wellman; Dennis J. Hayek, E3, Cedar Rapids; Samuel M. Kramer, A2, Des Moines; Hans R. Kuisle, A2, Burlington; Richard W. Mathes, A2, Cedar Rapids.

Vernon L. McAllister, E2, Stockton; Joseph L. McConnell, A2, Iowa City; George W. Richardson, A2, Clarinda; Kenneth A. Ross, A2, Muscatine; Gregory L. Strasser, A2, Des Moines; Richard S. Toon, A2, Des Moines; Bruce E. Tullis, A2, Le Mars; John K. Whalen, E2, Dallas, Texas; and Larry J. Zimmerman, A2, Tipton.

Student Faces Forgery Charge

Two University students are scheduled to appear May 29 in Police Court after being arrested on separate charges Friday following an investigation into the manufacture of counterfeit drivers licenses.

The students are Donald J. Wright, A1, and Otto N. Williams, A1, both of Des Moines. Wright was charged with forgery, in connection with the license case, and possession of liquor. He was released on \$500 bond.

Williams was charged with petty larceny in connection with the theft April 18 of a billfold from a locker at the Iowa Field House. He was released on \$100 bond.

Police Detective Sgt. Donald Strand said the pair was arrested following a search of the room the two youths share in Hillcrest Dormitory. Strand said police went to the room in connection with the counterfeit license investigation. One fake Iowa drivers license and a partially completed fake license were found during the search.

Strand said Wright is accused of making the license from a check receipt. Seven bottles of liquor were also found in the room.

The arrest of Williams was based on evidence discovered during the search of the room and was not related to the forgery charge leveled against Wright, Strand said.

New Creed OK'd By Presbyterians

PORTLAND — The United Presbyterian Church in the U.S.A. adopted Monday a history-making confession of faith — "The Confession of 1967" — climaxed nine years of work. It is the church's first creedal revision in three centuries.

Its formal enactment came at the denomination's governing general assembly, after last-hour technical objections were turned aside.

The new confession, designed to restate the Gospel meanings in contemporary terms, represents the first change in the doctrinal platform of Presbyterianism since the Westminster Confession of 1648.

Property Bill Gets Senate Approval

DES MOINES — The Senate amended an unclaimed property bill Monday, passed it 51-3, and returned it to the House for action on the amendment. The measure states that money and other property belonging to an individual but held for 10 years without contact with the owner shall be turned over to the state. The owner still could recover his property from the state, however.

3 Farm Proposals Offered

ATHENS, Ga. — Secretary of Agriculture Orville Freeman outlined three alternate proposals Monday to give farmers more bargaining power.

The first proposal, a national farm bargaining board, could serve much the same function for farmers as the National Labor Relations Board does for labor, he said.

The second proposal is a broadening of the scope and authority of marketing agreements, the third proposal is setting up producer marketing boards which would have power to regulate production and marketing of given commodities.

Freeman outlined the proposals in a farm policy conference at the University of Georgia.

Offer ends May 31st.

You have until May 31st to get all the travelers checks you want — up to \$5,000 worth — for a fee of just \$2⁰⁰. At banks everywhere.

You can save real money by buying First National City Travelers Checks now for your summer vacation trip. Read how.

Normally travelers checks carry a fee of a penny a dollar. It costs \$1 for \$100 worth of checks, \$2 for \$200, \$10 for \$1,000, and so forth. Now, during May only, you can buy any amount you need — up to \$5,000 worth — for only \$2, plus the face value of the checks. You could save up to \$48. (For less than \$200 worth, of course, the fee is less than \$2.)

If you're planning a trip to Europe, what you save from this offer could pay for an extra day on the Rhine. Or dinner and Shakespeare at Stratford.

Or a patch of grass at the Newport Jazz Festival, if you're staying closer to home.

Welcomed everywhere

First National City Bank has been in the travelers check business for 63 years. Our checks are known and accepted in more than a million places throughout the world — airlines, car rental agencies, steamship lines, hotels, motels, restaurants, stores, etc.

You can spend them as easily at Le Drugstore as at the drugstore. And they're just as convenient on a weekend trip as on a world tour.

Fast refund in case of loss

The greatest advantage of First National City Travelers Checks is that you get your money back promptly if they're lost or stolen. We've built a security network of 25,000 banking offices around the world where you can get lost checks refunded fast. On the spot.

How do you find the nearest refund offices? In the Continental U.S., call Western Union Operator 25. Abroad, we've supplied every principal hotel with a list of the nearest offices.

No wonder we're called the Maximum Security travelers check.

Buy now, travel later

Buy your travelers checks now — at a saving — and use them later. Many people, in fact, keep some travelers checks on hand as insurance against the day when they may need cash in an emergency.

Offer good only in U.S. and Puerto Rico, May 1-31, 1967

Never before has such complete protection for your cash been so inexpensive. So act fast. Get your summer supply of First National City Travelers Checks now. They can be bought at most banks and savings institutions.

If your vacation money is in your local bank and you won't be home until after May 31, you can still take advantage of this offer. Just mail this ad to your parents and ask them to send you money to you.

Note to all banks and savings institutions

During the month of May, we're making this unusual introductory offer to your customers at no cost to you. Your customer gets the saving, but you earn your normal commission.

Ohio State Whips Hawks For Big 10 Baseball Title

Ohio State pitchers silenced Iowa bats in both ends of a doubleheader here Saturday and the Buckeyes won the Big 10 Conference baseball title — their second in a row.

The 2-1 and 1-0 defeats plunged the Hawkeyes into fifth place in the conference standings with an 8-9 record. Iowa finished the season at 19-12-1.

Iowa collected only four hits off Buckeye pitching during the

two games, three in the opener. The Hawks scored their lone run in the third inning when Andy Jackson walked, then took third base on shortstop Bo Rein's error on a double play attempt. Russ Sumka scored Jackson with a sacrifice fly.

Ohio State's Jerry Glaser fanned six batters and didn't walk a man in the second game, as he evened his record at 3-3.

Third race — Arnold Small; Marshall Courtney, Iowa City in an M-16; and Forrest Gorton.

'Best Efforts' Make Iowa Big 10 Track Champion

By RON BLISS
Staff Writer

Last Thursday Iowa Track Coach Francis Cretzmeier made a speculation concerning the upcoming Big 10 track championships. "The situation is much the same as it was when we won the title in 1963. Our only chance then was to have everyone turn in his best effort of the season. They did and we won. That's what we need to win here this weekend."

Saturday, history repeated itself as Iowa's track team put forth its best effort of the season to win the 1967 Big 10 outdoor track championships on the new \$50,000 all-weather track.

Dream Come True

It was a dream come true for Cretzmeier as time and again his trackmen turned in their best efforts of the season. It all started Friday when Dick Gibbs turned in the best effort of his career to finish second in the long jump with a leap of 22-11. Tom Knusison also turned in a spectacular performance that day, throwing the discus almost 16 feet farther than he had ever done in competition to place third in that event with a toss of 174-8 1/2 feet.

Those two unexpected finishes gave the Hawkeyes seven more points than they had counted on going into Saturday's remaining 16 final events.

So it didn't take very long Saturday to see that things were going Iowa's way. In the first final event — the 440-yard relay

— the quartet of Randy Haines, Dale Teberg, John Kelley and Bill Burnette sprinted a :41.5 to clip 1.3 seconds off their previous best time and wind up an expected third place finisher.

CRETZMEIER

Then, just as the Iowa crowd was beginning to smell an upset in the air, Mike Mondane and Fred Ferree padded the Hawkeyes' lead by placing first and third respectively in the 440-yard run.

Iowa Leads

That gave Iowa a 30-28 lead over Michigan State. The Hawkeyes never trailed again.

In the 440-yard intermediate hurdles Reimer turned in another sensational performance, upsetting defending champion Bob Steele of Michigan State with a fine time of :50.8 — nearly a second under his previous best time of :51.7 and only .1 of a second off the record of :50.7 set by Steele last year.

Later Mondane grabbed second place in the 220-yard dash — a step behind winner Rich Dilling of Indiana. Curt LaBond followed with a fourth place finish in the three-mile run with a time of 14:10.1 — his best time ever.

Sharkey of Michigan State finished second in the three-mile however, to bring the Spartans within one point of Iowa 41-40.

Important Relay

At that point, the outcome depended greatly on how well Iowa

pected fifth place finish. Larry Wieczorek and Ron Griffith followed by taking second and fifth place respectively in the mile, to keep the Iowa title hopes surging. Wieczorek was favored in the event, but still in placing second had a fine time of 4:05.5 — only .3 seconds off his best outdoor effort ever.

Griffith clipped almost six seconds off his previous best effort with a time of 4:06.9, but finished fifth, even though his time was 1.3 seconds better than the previous Big 10 record of 4:08.2 set by Michigan State's Keith Coates in 1965. Wisconsin's Ray Arrington won with a time of 4:03.9.

Then, just as the Iowa crowd was beginning to smell an upset in the air, Mike Mondane and Fred Ferree padded the Hawkeyes' lead by placing first and third respectively in the 440-yard run.

Big 10 Record

Mondane widened the lead to more than 25 yards and Reimer finished off in fine style, giving the Hawkeyes a final 25-yard edge and the vital victory they needed. Their time of 3:08.7 wasn't quite as fast as their all-time record of 3:07.4 set in the Drake Relays three weeks earlier, but it was good enough to set a Big 10 meet record — one of 11 set during the day. The breakdown on the times showed Ferree with a 47.7, Frazier a 47.5, Mondane a 46.5 and Reimer 47.0.

Michigan State finished third in the event and found itself five points behind — 49-44 — with only the pole vault remaining.

Iowa still wasn't in though. Iowa's Bill Burnette was one of five remaining in the pole vault, but Michigan State still had two men in the event — Roland Carter and Matti Kilpelainen. Carter won the event and went

on the set a new record with a vault of 16-0 3/4, but Burnette managed a tie for second to give Iowa 3 1/2 points and a final 52 1/2-49 margin over the Spartans.

2nd In 67 Years

The track title is Iowa's second in 67 years and the third Big 10 championship by an Iowa team this year. Cretzmeier's cross country team gave Iowa its first championship in 30 years in that event.

Cretzmeier was rewarded for his team's winning effort with a thorough soaking — a bucket of water administered by a group of his trackmen.

"Was it like 1963 Cretz," someone asked, regarding the victory. "Yes," he replied, "just about. Only a little wetter."

Gymnast Is 5th In L.A.

Bob Dickson, high scorer on the Iowa gym team that won the Big 10 championships, placed fifth in the all-around competition in the annual Los Angeles Classic Championships last weekend.

Dickson was in third place going into the final event in the all-around competition, but a bad mishap on the horizontal bars caused his fall to fifth place.

The mishap was probably a result of Dickson's lack of training the past two weeks, according to Iowa Coach Sam Baillie.

The all-around competition was made up of six events: still rings, side horse, parallel bars, floor exercises, long horse and horizontal bars.

The event brought together the leading performers in all-around competition who have ambitions of making the 1968 United States Olympic team.

Tennis, Golf Teams Show Improvement In Conference Meets

The University's tennis and golf teams both made improvements over last year in the Big 10 championships at Ann Arbor, Michigan, last weekend.

Donald Klotz, tennis coach, was content with his team's improvement from 9th place in the 1966 tournament to 7th place this year.

Klotz said "Every Hawk player at Ann Arbor played a better game than I had a right to expect. Rich Strauss and Nathan Chapman played especially well in reaching the semi-finals."

"The Big 10 showed an increased level of play this year with fewer great players and more teams with very fine players than I've ever seen before," Klotz added.

Golf coach Charles Zweiner was also pleased with his team's improvement from a last place finish in 1966 to a 5th place finish this year.

Zweiner singled out Tom Chapman and Dave Nissenbaum for their outstanding play at Ann Arbor.

He added, "We are expecting to have an improved team again next year with four lettermen returning."

Offer ends May 31st.

You have until May 31st to get all the travelers checks you want — up to \$5,000 worth — for a fee of just \$2.00. At banks everywhere.

You can save real money by buying First National City Travelers Checks now for your summer vacation trip. Read how.

Normally travelers checks carry a fee of a penny a dollar. It costs \$1 for \$100 worth of checks, \$2 for \$200, \$10 for \$1,000, and so forth.

Now, during May only, you can buy any amount you need — up to \$5,000 worth — for only \$2, plus the face value of the checks. You could save up to \$48. (For less than \$200 worth, of course, the fee is less than \$2.)

If you're planning a trip to Europe, what you save from this offer could pay for an extra day on the Rhine. Or dinner and Shakespeare at Stratford.

Or a patch of grass at the Newport Jazz Festival, if you're staying closer to home.

Welcomed everywhere

First National City Bank has been in the travelers check business for 63 years. Our checks are known and accepted in more than a million places throughout the

world — airlines, car rental agencies, steamship lines, hotels, motels, restaurants, stores, etc.

You can spend them as easily at Le Drugstore as at the drugstore. And they're just as convenient on a weekend trip as on a world tour.

Fast refund in case of loss

The greatest advantage of First National City Travelers Checks is that you get your money back promptly if they're lost or stolen. We've built a security network of 25,000 banking offices around the world where you can get lost checks refunded fast. On the spot.

How do you find the nearest refund offices? In the Continental U.S., call Western Union Operator 25. Abroad, we've supplied every principal hotel with a list of the nearest offices.

No wonder we're called the Maximum Security travelers check.

Buy now, travel later

Buy your travelers checks now — at a saving — and use them later. Many people, in fact, keep some travelers checks on hand as insurance against the day when they may need cash in an emergency.

Offer good only in U.S. and Puerto Rico, May 1-31, 1967

Never before has such complete protection for your cash been so inexpensive. So act fast. Get your summer supply of First National City Travelers Checks now. They can be bought at most banks and savings institutions.

If your vacation money is in your local bank and you won't be home until after May 31, you can still take advantage of this offer. Just mail this ad to your parents and ask them to send your money to you.

Note to all banks and savings institutions

During the month of May, we're making this unusual introductory offer to your customers at no cost to you. Your customer gets the saving, but you earn your normal commission.
