McGovern Sees N. Viet’s Secretly

WASHINGTON — Senator George V. McGovern (D-SD) said yesterday that North Vietnam must continue to secretly negotiate with President Johnson in order to avoid war in Southeast Asia.

"We must negotiate," McGovern said. "If we don't negotiate, we're going to have a war." McGovern said he would make efforts to reach a negotiated settlement if he were elected President in 1972.

Bowl Will Receive for UI Regents

LAPP Communications on Renewal

WASHINGTON — LAPP Communications Inc. said yesterday that it was renewing its contract with the University of Iowa for the next five years.

"We are very pleased to continue our relationship with the University of Iowa," LAPP Communications President Joe Lapp said. "We look forward to working together to provide the best possible service to the University community."
**The wrong direction**

Public reaction, especially Iowa Temple Park residents, as shown in the "From the Temple" column in this issue, has been strong in coming out against an editorial publish in the Wednesday Daily Iowan.

In the midst of the search and the shouting caused by the anti-pet people, there has been some very interesting points, questions and objections.

In a way the whole affair is interest ing because of the many editorial positions Iowans have taken over the years. To the extent of the struggle against University, there has been a debate about the need for new students, and how could University have the right to ban the pets of students.

This is not an editorial position that will have any lasting effect. It is a matter of judgment. Perhaps the University is being a little irrational in this matter, but I wonder how many people feel that it is not an appropriate decision concerning the welfare of foreign students and their children.

And the students of Temple Park are certainly a little concerned about the welfare of their children from the University. The University has showed that it is not interested in the welfare of its own students, and it is not interested in the welfare of Temple Park residents.
Walt Alston Even Surprised That Dodgers Lead Division

Los Angeles, Calif., Nov. 17 (AP) — Even Manager Walter Alston said he was surprised when the Los Angeles Dodgers won the National League pennant this opening week of October. "I kind of got us back to that old feeling. It feels like we're going to win it, and we didn't think we'd have it."

Alston, who has served as manager of the Dodgers since 1944, said. "I thought we'd be in it, but we didn't think we'd have a good season."

Alston was named the National League's Manager of the Year earlier this week. He was also named the National League's Manager of the Year by the American League.

The Dodgers, who lost the World Series last year, finished the season with a record of 98-64, and won the National League pennant with a record of 88-76. The Dodgers will face the New York Yankees in the World Series.

"I'm amazed that we've been able to win the pennant," Alston said. "I didn't think we'd have a good season, but we've been able to win it."

The Dodgers' victory came as a surprise to many, including the team's owner, Frank Thomas, who had predicted they would finish in sixth place in the National League.

"I didn't think we'd have a good season," Thomas said. "I thought we'd finish in sixth place, but the team has been able to win the pennant."

Fairs Have That Smell, Excitement and Color

The 34th annual Iowa State Fair opened Saturday at Des Moines, Iowa, and provided a variety of exhibits and entertainment for every age. The fair runs through July 2.

The fair association said 11,000 entries were received in the finest shoe exhibit and livestock products categories.

The competitive exhibits, all categorized by Iowa residents, include 17 categories ranging from the dairy cattle division to the floral division.

A meeting in the livestock carpen has the fairgrounds’ finest exciting entertainment. For those who want to participate, there are rides which range from early morning through the fairgrounds.

One of the finest shows is shown in the picture at the left. Its price of admission eludes parking and the daily entertainment for every age.

For those less vigorous, entertainment is provided by 4-H Club exhibits. It is shown in the picture directly below and to the right. It provides 11 cents opportunities to win teddy bears or knock Bozo into the water.

FINCH SENATE TRY RUMORED

WASHINGTON — Robert Finch, former Democratic congressman who held the Senate seat now occupied by Senator William Howard Vandervort, is said to be eyeing the Senate nod for Telecommunications and Housing.

Finch, who was defeated in his race for re-election to the House of Representatives in November, is said to have been eyeing the Senate seat for some time. Vandervort, a three-term senator, is said to be considering a run for re-election in 1972.

Finch is said to have been approached by a group of prominent Democrats who are said to be considering a run for re-election in 1972.

City Manager Gets the For Park Land Negotiations

Authorizations to negotiate for John Dunn, real estate broker, and purchase of land for a new city park in southeast Iowa City (Casualty recommended park in this area) was given to City Manager John Dunn on the basis of its location in the city of Coralville, low. The一块土地 was sold and it was agreed to a low, it was agreed to be developed as a community center-nature preserve, park land negotiations. This agreement was signed by the City Council Thursday night.

The 25-acre site is located directly southeast of the west city park and will provide one of the best areas in the middle of town. The tract is located directly north of the State Street Corridor, which is near the location of a new city park. The tract is a needed park in this area and is an excellent location for such a park. The tract is located directly east of the west city park and will provide one of the best areas in the middle of town. The tract is located directly north of the State Street Corridor, which is near the location of a new city park. The tract is a needed park in this area and is an excellent location for such a park.
