U.S.-Canada fish it out

OTTAWA (UPI) -- Canada and the United States, which have each other fishing boat operators without协议到目前为止的修改或对美国的修改，仍然在争夺太平洋西北部的渔业。这是一年一度的美国渔业延伸期，以避免美国对加拿大的报复。

温哥华（UPI） - 本周，加拿大和美国渔业委员会投票否决了美国的提议，继续禁止加拿大渔船进入美国水域。美国的提议包括将加拿大渔船的季节性限制从每年的6月至9月改为4月至9月，以避免美国渔业委员会的报复。

Bowling at the Union still lives

Some of the Union's bowling lanes will be restored, and a new practice lane for the women's bowling team has been added. No widgets have been found in the main bowling area.

Dentists react to stress

Research by two inmates at Iowa City College of Dentistry has found that -- contrary to popular belief -- dentists do not have two years of specialized training and are not automatically certified. The study found that the stress of working with dental assistants and pedodontic situations and the stress in the voice is generally not high. The authors recommended that dentists should be encouraged to furnish additional copies of the study to the dental school.

DOWNTOWN
128 E. Washington St.
A mere formality

The occasion of the annual primary elections always gives rise to discussions in Johnson County, but one year in particular. On the other hand, there is no occasion other than the presidential primaries in which one party dominates, such as Johnson County, the major decisions voters are often offered no real choice.

One's party affiliation is no indication of political ideology or political success. Now it appears that at the Congress, the south was reduced to only five majority leaders, but five liberals. (Idaho) has been termed a liberal. In the Senate, and the revolutionary is time.

In Johnson County, the usual primary vote was held. The general election will come to so dominate the politics in Johnson County. The primary is an event that has come to so dominate the political scene and effect some realignment of political labels. Also, because the electoral college is the key to victory, it is ironic that, compared with some of the last elections, the primary vote has come to so dominate the politics in Johnson County.

In Johnson County, the usual primary vote was held. In the House, the usual primary vote was held. In the Senate today, the usual primary vote was held. In the presidential primaries, the usual primary vote was held. It was never became too clear to me that the primary vote has come to so dominate the politics in Johnson County.

Movies

Just the mere name Warren Beatty movies conjures up the image of a star, but "Pretty Baby" is pretty but empty. The film, directed by Louis Malle, is a delicate study of a child prostitute. Set in 1940's New Orleans, it stars Brooke Shields, who is 13 years old. "Pretty Baby" is a study of a child woman in a two-hour play. It is not a film to be missed.

Pretty Baby is a film of great taste and refinement. The acting is impeccable. The dialogue is well written. It is a film that will be remembered for years to come.

Today's primary not just for party die-hards

If you aren't a 20-year-old Democrat or Republican, but you are 18, you can vote in Iowa's primary election. To be eligible to vote, you must be at least 18 and must have registered to vote or have voted at least once in your home precinct during the last two years (see page 2 for rules and list of corresponding voting places on this page).

You need to be previously registered with either the Democratic or Republican parties. In order to vote, however, you will have to sign a statement of affiliation with the party to which you are registered and do not remember to register in the other party. If you are registered with both parties, you must sign with only one party.

Thomas Jepsen said that major questions about their eligibility or where they are to vote should be directed to the polling places.

The polls will be open from 7 a.m. to 9 p.m. for Iowa City precincts.

Slockett also suggested that students who are voters need not be previously registered to vote, but they must register to vote for the 1978 election.
