Supervisors to increase tax levy

IN FISCAL 1982 the county property taxes will be $26,000,000 below those levied in 1973, county Auditor David H. Gannon said Tuesday. The increase will mean Iowa City residents will pay $8 per $1,000 in assessed property valuation.

The increase will mean Iowa City residents will pay $8 per $1,000 in assessed property valuation.

The tax increase in the wake of the automatic reassessment last year, cut salaries of county employees and elected officials, required a 20 percent cut in new employee turnover across all services, such as road cleaning and wood preservation, that city residents depend upon.

The county's mental health and social services budget will be $1,000,000 below the 1973 level, as reported to the board Tuesday.

It is effort to force the property tax burden over the county and federal boards to be cut, according to the Iowa County Auditor. It is hypothesizing of this tax levy increase that are the only way to keep the county going.

BUDGET transfers into the county's general fund from the 1980 projected tax increase. The General Fund, which is the fund that includes the county attorney, sheriff and all other county expenses except for the Iowa county auditors, was allocated $2,000,000.

**THE BEST TEST!**

Only one supermarket can give you the lowest food total. And there's only one way to find out which store that is. Compare. That's the best test.

But don't just compare a few prices, compare totals on your weekly food needs. Here's how!

1. **YOUR LIST:**
   - Write down everything you plan to buy for the week.
2. **YOUR TEST:**
   - Note the price for everything on your list at Eagle and any other store.
3. **YOUR PROOF:**
   - Add up the prices and compare your final totals.

We're confident your tape total from Eagle will be lower. Compare and discover savings!

---

**LOWER, TOTAL FOR TOTAL!**

When you compare, you may find an occasional "special" that's lower than a price at Eagle. But when you add it all up at the checkout, you'll find that our storewide low prices reduce your family's total weekly food bill. That's because we keep our prices lower overall, throughout the store.

But don't take our word for it. Take the best test. Compare Eagle, total for total, with any other supermarket. You'll find that discount works at Eagle to give you more for your food dollar!

UI anniversary today — 134 years old

Growth of the UI from South Hall to Lindquist II

By Rachelile St Bam

In 1858 — eight years after the University of Iowa was first chartered — the first students arrived on campus. These 35 students were housed, fed and educated in a one-building campus. By 1870, the building was not sufficient to house the growing student population and a new building had to be constructed. The building, known as South Hall, was the first permanent building on the University of Iowa campus.

Parts of the past preserved in monuments, memorials

By Diane McElligott

It was Feb. 25, 1858, and Iowa's first General Assembly was near the end of its session. The legislators were ready to go home, but before they adjourned, they approved a bill that was to change Iowa City's face. The General Assembly passed a bill to purchase the old statehouse for $800. It was the beginning of the old capitol, and the beginning of the University of Iowa.

LATER that afternoon, a crowd of bright lights cut through the city in midwinter because a procession was held on the streets of Iowa City for the first time. Iowa City was alive and well.

The first capitol building was put on display in Old Capitol. A $5,000 bond was issued, but that was enough to pay for the materials needed to build the building. The building was completed in 1861, and the University of Iowa was established.

By 1860, the University of Iowa had grown to 100 students. The old statehouse was not sufficient to house the growing student population, and a new building had to be constructed. The building, known as Old Capitol, was the first permanent building on the University of Iowa campus.

In 1984, the UI Board of Regents decided to build a new building to replace Old Capitol. The new building, known as the Old Capitol, was completed in 1986.

The old statehouse was torn down in 1984, and the materials from the old statehouse were used to build the new building, Old Capitol. The building was completed in 1986.

The new building was completed in 1986, and the old statehouse was torn down in 1984. The materials from the old statehouse were used to build the new building, Old Capitol. The building was completed in 1986.

Today, Old Capitol stands as a reminder of the University of Iowa's past. The building is filled with history and is a symbol of the University of Iowa's commitment to excellence.
Very few beer drinkers can pass this test. Can you?

If you can taste which beer is which, you know beer every which way.

The Master Brewer decides.
The Master Brewer determines how a beer will taste. Brewers are constantly adjusting, experimenting, improving their beers. For example, Schlitz. Three years ago a Master Brewer came over to head up Schlitz. For 40 years Frank Sellinger had brewed some of the best beers in America. And he came to Schlitz to make his best beer ever.

The perfect beer is the beer that tastes perfect — to you.

Three major premium beers have three different tastes. But if you can taste that Bud is Bud, Miller is Miller, and Schlitz is Schlitz — blindfolded — you are probably in the top 10% of expert beer tasters.

Like to test your taste? Then, on with your blindfold.

The perfect beer is the perfect beer that tastes perfect — to you. Have a friend pour all three beers into identical glasses and label them 1, 2 and 3. Now you taste and identify each beer. Whether you guess all three brands right, or all three wrong, you'll know which tastes best to you. Don't be surprised if it's not your brand. To get a better picture of each beer's taste, rate its flavor characteristics from 1 to 10 on the scale at the right.

What makes beers taste different?
Hops are a major factor. Too much hops can make a beer bitter. Too little leaves it bland. Barley malt is important, too. It gives a beer "body" and adds a mellowness. The balance of the two is what makes a beer taste smooth.

Balmer abets cautious spending

By Mike Muller

City government must hold the line on projects and taxes while continuing to service taxpayers in Iowa City. 

Mayor John Balmer said Tuesday night in the annual state of the city address that the city must cut back on its operation and maintenance costs and maintain its proper balance between capital improve-ments and operating costs.

"The city's primary goal for fiscal year 1982 must be to reduce the deficit," said Balmer. "We have repeatedly stated that the city council will not continue to increase the tax rate to fund the city's general fund.

Iowa City's tax rate is $275,000, a record high for the city.

"It is important to note that the city council will not consider raising the tax rate to fund a public library," said Balmer.

Balmer's statement was a challenge to the council, and for our city's ad visory groups, to continue their examination of the city's financial situation.

Challenges for fiscal 1982

The council decided that the city would have to cut back on all operations and maintenance costs to reduce the deficit. The city council will hold the line on projects and taxes while continuing to service taxpayers in Iowa City.

"I do not want revenge," said Balmer. "I am only concerned with the city's financial situation."
All-U race tightens after IM wrestling

As we approach tournament time, the all-Americans race is a matter of urgency. I'm going to attempt to answer some questions on this matter.

First of all, the All-American poll is an index of the overall strength of each team. The poll is based on the performance of each team in the 15 major tournaments held throughout the season. The team with the highest ranking in the poll is considered the All-American team.

But as you've all heard, the poll is not the only factor in determining the All-American team. The coaches of the teams are also considered. They have the opportunity to vote for the All-American team, and their votes are given equal weight to the poll results.

The All-American team is determined by a combination of the poll results and the coaches' votes. The team with the highest total score is considered the All-American team.

Now, let's get back to the tournament. The All-American team is determined by a combination of the polls and the coaches' votes. The team with the highest total score is considered the All-American team.

Anderson and Johnson have not had as much season , coming off the bench to relieve Ky.

David Anderson and John Johnson are the two freshmen from Madison, Wis. and are certainly doing their best to maintain both athlete and student roles - as per the respective sports. Not considering their respective sports. Now consider their respective sports. Not academic side of college and making new friends . Now think about the ends in a week. College is not a summer camp that parents' protective adjustments to make away from your Pa.

Iowa forward honored by Big Ten

By Heidi McVay

Complementing No. 8 Iowa's upset of the No. 3 Big Ten leader, Villanova at Garden of the Grove in Philadelphia, was Tuesday's announcement by the Big Ten office.

Iowa's guard, Bobby Knight, a senior from Cleveland, Ohio, totaled 20 points in last week's game, the second 20-point game against Indiana and 3 against Purdue. He also had seven rebounds and seven assists.

Orr said at his weekly press conference Tuesday that he was about done. Iowa player was recognized by the Big Ten office.

"I THINK sometimes people get too fixated on winning," Orr said. "The office should look more at overall performances and not just points. That's why we've called the "Head performance chart", so we could get past that.

"We need our game more on balance, our whole crew has that. Orr echoed a bit. I guess only good news, although I think Kenny Arnold deserved some recognition.

"I've known Bobby Knight a long time," Orr said. "It was great to be recognized, but agreed he deserved more. There's much weight put on one. "Well, I love him, I just don't like the competition, too much..." We have to admit there's more to important, underlying and no underestimation of Bobby, but I'd like to see it.

"Bobby Knight faces Olson in Amana tourney"
