President Bush kicked off plans to design the aircraft carrier USS Abraham Lincoln after declaring the end of major combat in Iraq as Thursday.

"The carrier will arrive in San Diego today, ending a record 16-month deployment.

MINORITY LEADER Michael Gershman challenged Republicans to return in the special session in statehouse.

"I'm hopeful that when we come back to the grind, we'll be able to work in a bipartisan way to come up with some agreement that will help our nation forward. It's too important a war to have important effects in work to keep apart," he said.

Lawmakers debated the fiscal plan for restoring the state's income-tax system and raised in AFSC's request for an unprecedented economic development fund - that can't be touched in a week. "That is a steep agenda for us to accomplish," he said.

"Success is not better than loss," commented House Speaker Chris Banks, R-Indianola, later. But at the House already had approved legislation creating the economic development fund, said the statement's property-tax system, and restoring budgetary regulations. "We're not even working," said Banks, pointing out that all those resources remained in the Senate.

The Senate also debated a plan to restore the state's income-tax system, but the bill fell on a 48-48 vote late Wednesday. It was defeated again Thursday, and passed.

Under the plan, only deduct - including the ability to deduct federal tax payments - for the first time in the state's history.

The hugging was likely to delay the bill's final run on tax payments, effective Thursday night.

Bush adjourned session, and the House's Republican leadership members were arguing about the sanctions' adequacy. Republicans said they would ease their main goal of helping to rebuild the state's budget with- out increasing taxes, while Democrats disagreed.

"I'm not getting reassurance from the governor," said the retired White House official.

"We can't take this decision in a vacuum." He added, "We don't know what the Supreme Court will do."
Study: 2 UI intersections safe enough

BY KELLEY CASINO

A county study shows that the two intersections on the UI campus that were perceived as dangerous do not warrant additional traffic control, suggesting the university may not need to look into creating pedestrian islands.

Increased pedestrian and vehicular traffic have led to increased concern by the University of Iowa Clay County Waterway Jeffrey Johnson and Market Street intersections, where 6,000 cars travel per day, the study shows.

"It is an accumulation of experiences that had people believe that the intersections could be improved," said David Roberts, the director of UI parking and transportation.

He addressed the university’s Campus Planning Commission on Thursday to hear concerns and generate ideas for possible solutions.

Johnson said her findings do not imply the intersections need to be made safer, but they need to continue to focus on the city’s overall traffic plan.

Committee members voiced concerns about traffic speed, lack of visibility because of parking, and right turns on red lights at a nearby intersection causing irregular traffic.

Johnson County officials said in 2005, the pedestrian crossing and traffic control were changed at the intersection.

They had a variety of elements needed at the present time, they said that two people were killed in the area. They also said the pedestrian crossing and traffic control at either intersection was not made by the city.

Betsy Poll, the Johnson County Councilor, said that the findings are "good news for the city. If you need to look for something, then you need to look for something."

They said that a short step or big step could actually lead to more serious accidents and actually decrease safety, "Robin said, adding that no solutions have been reported on either side for three years. She said she believed the Department of Transportation will need to look for the city to look at how to make it safer for all."

The May 2 article, "Council hopes to solve a problem on UI campus," incorrectly stated that Johnson was not a member of the Planning Committee on Thursday. A Johnson representative said her findings do not imply that the university will need to consider the city’s safety needs in two weeks to review concerns, the study, and possible solutions.

"We like to have something open to the idea that something will be built that we can?t see, see?nt if it must be built," she said. If you can’t see, you may need to build something that will be built, she said.

Minority Leader Dick Myers steps down

Continued from Page 1A

As the House minority leader, Myers often fought for higher education, playing an instrumental role in the UI's push to promote stem-cell research, said Don Sehr, a former Johnson County supervisor who served during Myers' tenure (1982-88). 

"Dick has always been very good at striking compromise on tough issues," Sehr said. "He's a very, very good public officer." 

White House spokesman Ari Fleischer emphasized that he "very much" regards Myers as the House minority leader. "His presence is going to be missed in Congress," Fleischer told reporters. "He's a gentleman." 

In addition, Fleischer noted that student fees and health care are issues for which Myers "has always had a special interest." The White House spokesman also recalled that he had talked to Myers "on a couple of occasions" about the potential impact of the war in Iraq on the university's health care budget.

Taliban continue to fight

KABUL, Afghanistan — The United States was Afghanistan’s
biggest success story this week when it forced the Taliban into
a seven-day cease-fire. But even then, the Taliban and other reli-
cient guerrillas pushed the U.S. and its allies to the brink of
a major new offensive.

The Taliban have even made claims to 
Gulbuddin Hekmatyar, they say, will
continue to fight the Taliban, and
some U.S. commanders believe he has
been involved in recent|attacks.

Public demand for a quick end to the
war pushed President Hamid Karzai
to order the Taliban to stop fighting
and join talks with his government.

But a top Karzai aide said Thursday
that “major combat activity” in Afghani-
stan was at an end just hours before
the cease-fire ended.

It was a bold move, but it may have
been too late to prevent the Taliban
from regaining their fortunes.

“We are at a point where our mili-
tary forces have moved from major combat activity to a period of
limited ground operations and stability operations,” said Rokhaya Meka-
oui, a Kabul resident. “The bulk of this country today is insecure.

And even if the large majority of the
population is either civilians or
soldiers, the countryside is

I day after 'road map,' Israelis kill 13 in Gaza

BY JOHN ANDERSON

JERUSALEM — A day after the United States and other nations gave a new peace plan, dreams of Israeli tanks rolling into the Gaza Strip and the Israeli Cabinet discussing the peace process, Israeli forces killed at least 13 Palestinians in the Gaza Strip.

The Israeli military launched an operation on Thursday in response to a series of rocket attacks by Palestinian militants, including four attacks in the early morning hours.

Israeli forces said they were targeting the homes of militants in al-Bureij and Rafah, two of the most densely populated areas in the Gaza Strip. They said they were responding to a wave of attacks that have escalated in recent weeks.

Palestinian officials said the Israeli operation was a violation of the cease-fire agreement that went into effect last September.

The Israeli cabinet was not scheduled to meet on Thursday, but it was expected to discuss the situation in the Gaza Strip and other issues.

The Israeli military said it had ordered a search and destroy operation in the Gaza Strip and had launched several air strikes. It said it had also targeted Palestinian leaders and had used drones to locate their positions.

The Israeli military said it had killed 13 Palestinians, including four militants and nine civilians. It said it had also arrested six Palestinians and destroyed several military positions.

The Israeli military said it had launched 16 air strikes in the Gaza Strip, including 14 using missiles and two using drones. It said it had also used tanks and artillery to target Palestinian positions.

The Israeli military said it had stopped all Gaza Strip traffic and had closed the Gaza-Egypt border.

The Israeli military said it had also arrested six Palestinians and destroyed several military positions.

For all intent and purpose, the non-conference series starts now for the Iowa baseball squad. At 3:30 today and 5:30 in conference, the Hawkeyes have virtually no margin for error throughout the rest of the 120-game purview to make the Big Ten Tournament. The Hawkeyes will take on a challenging Northwestern squad, with a 24-26, 1-2 record and four shutouts in 18 starts at Pearl Field. The Hawkeyes ended the season at 2-3 this past weekend. **The series versus Northwestern once again will give the Hawkeyes a good last against a team that figure to be one of the few participants in the Big Ten's post-season tournament. The Wildcats enter the weekend in third place in the conference, behind Illinois and Ohio State. The Wildcats feature a pitching staff headed by Jeff Kleist, a hero of the conference's most recent championship. homeless and hungry. The Hawks have a solid pitching staff, their games are won on the low-scoring games. They have four pitchers in the Wildcats' pitching staff. The Hawks are waiting for the Wildcats' pitching team to come together.

CREWS FACE TOP TEAMS AT BIG TENS

BY ADAM JACOBI

For the entire season, the Iowa Hawkeyes have shown no sign of weakness.
They have dominated opponents, made key contributions at crucial moments, and have set a standard for excellence and consistency.

Head coach Fran McCaffery has led the team to an impressive 14-2 record in Big Ten play, impressively beating all the conference's top teams.

In addition, the Hawkeyes have won 9 straight games, including an overtime victory against the defending champion Michigan State. Their victory over the Spartans secured their spot as the conference's top seed for the Big Ten Tournament.

Last year, the Hawkeyes won the championship, and many are predicting another strong performance this weekend.

The team's balanced scoring is a testament to their depth and ability to consistently put points on the board. Center Luka Garza leads the team in scoring, averaging 23.4 points per game, while forward Tyler Cook follows closely with 22.6 points per game.

The Hawkeyes are looking forward to improving on last year's disappointing sixth-place finish in the Big Ten Tournament, and hope to repeat the success of their 2021 championship run.

But they are not complacent. They expect nothing but the best from their conference opponents, and are prepared to face any challenge that comes their way.

The team's focus on defense has been a key factor in their success. They limit their opponents to just 64.7 points per game, which is the lowest in the conference.

Overall, the Hawkeyes are ready to take on the challenge of the Big Ten Tournament. They have the experience, skill, and determination to bring home another championship.
Chicago's Mark Grace hit a two-run double off Barry Zito in the fourth inning. He also had a sacrifice fly in the seventh.

Gonzales powers Cubs over Giants in extra innings

SAN FRANCISCO — Alex Gonzalez homered twice and drove in four runs as the Cubs rallied to beat the San Francisco Giants 8-7 on Thursday.

Giants starting pitcher Tim Waddell (1-1) allowed six runs in six innings. He is 0-2 in two starts.

The three-run rally in the eighth inning came after a walk, a two-run double by Mark Grace and a run-scoring single by Mark DeRosa.

Center fielder Jeff Bagwell hit a three-run homer off Barry Zito in the fourth inning. He also had a sacrifice fly in the seventh.

Giants left-hander Tim Lincecum (1-3) allowed eight runs and 11 hits, four of them home runs, in his third straight loss.

Baltimore Orioles 5, Detroit 4-2

DETROIT — Gary Matthews broke up Mike Maroth's no-hitter with a leadoff single in the eighth, and the Orioles went on to score six runs off the weary rookie.

Maroth threw a wild pitch to Timothy McCarver, bringing in an insurance run, and then hit Ty Wigginton with a pitch. Anthony Young followed with a sacrifice fly.

In his third major league start, 22-year-old Maroth (0-7) allowed six hits and five runs in 1 2-3 innings.

A's hit by six

MINNEAPOLIS —イヤー衛田 Kurt Suzuki of the Minnesota Twins hit his third career major league home run to lead off the seventh, and the A's went on to beat the Minnesota Twins 6-5.

Suzuki's two-run homer off Dontrelle Willis (1-3) was his first career hit in the majors. The A's scored twice in the seventh on two straight singles by Eric Chavez and Adam Piatt.

San Diego Padres 7, Pittsburgh Pirates 6

SAN DIEGO — Todd Walker's two-run double in the eighth inning sent the Pirates to their fourth straight loss.

Brad Lidge (2-2) gave up two hits and struck out three in the ninth inning for his second save in as many chances.

Pittsburgh Pirates 9, San Diego Padres 8

PITTSBURGH — Trevor Hoffman gave up six hits, five runs and three walks in the ninth inning as the Padres lost to the Pirates.

Hoffman (5-6) allowed 11 hits and five runs in 4 2-3 innings as the Padres dropped their second straight to the Pirates.

The Padres scored two runs in the first inning, one on a double by Piazza and one on a sacrifice fly by Jeff Bagwell.

Mets 11, Nationals 7

WASHINGTON — The Mets won the first of a three-game series with the Nationals, 11-7.

New York's Glavine allowed seven runs and 10 hits in four innings, and the Nationals hit five home runs.

The Mets scored four runs in the fourth inning, one on a triple by Carlos Delgado and one on a sacrifice fly by Mike Piazza.

Pirates 9, Padres 6

PITTSBURGH — The Pittsburgh Pirates beat the San Diego Padres 9-6 on Thursday for a three-game sweep.

Pirates pitcher Kris Benson (5-6) allowed three runs and eight hits in six innings.

The Pirates scored two runs in the first inning, one on a double by Piazza and one on a sacrifice fly by Jeff Bagwell.

Boston Celtics 90, Indianapolis 80

BOSTON — Paul Pierce scored 27 points for the Boston Celtics in a 90-80 win over the Indiana Pacers.

The Celtics beat the Pacers 90-80 in a road game.

The Celtics made 18 shots, while the Pacers made 13 shots.

The Celtics were led by Pierce, who had 27 points, 10 rebounds, and 2 assists.

The Pacers were led by Tony Parker, who had 18 points, 6 rebounds, and 4 assists.

The game was played in front of a crowd of 17,000 people.
Arenas wins most improved award

BY GREG BEACHAM

OAKLAND, Calif. -- Golden State Warriors guard Gilbert Arenas won the NBA's Most Improved Player award Thursday.

Arenas is a high-scoring point guard who's among the league's best players -- and just finished his second pro season. He got 11 of 13 first-place votes, finishing with 363 points.

The 23-year-old Arenas was selected with 24th pick, followed by two second-round picks, Golden State's Stealth and Golden Eagle coach Tom Craig.

Arenas left college at Arizona after the 1999 NBA draft and signed with the Warriors in 2000, and he spent the first two months of his career on the bench or the injured list.

"I saw a lot of games," he said, "but it was a struggle. I'm just glad I made it through and made it to the NBA."

Hayukes look to improve

By J.K. Perry

Seniors have three more weeks of playing time

I'm very fortunate for all the chances I've had. A lot of people don't get the opportunity to play at all," Katie Boney, senior infielder for the Iowa Hawkeyes, said. "It's the best thing that ever happened to me, playing baseball."

Boney practices with the Hawkeyes' men's team, which is ranked 24th in the country. Boney is the only woman on the team.

Boney said she enjoys being part of the men's team because it gives her more opportunities to improve her skills.

If she doesn't get a chance to play regularly, she said she'd like to find another way to continue her baseball career after she graduates.

"I'll definitely miss it," Boney said. "I've enjoyed being a part of this team and I'll miss the experience of being on a college baseball team."

Boney has been a member of the men's team since her freshman year. She's played in 44 games this season, batting .214 with two home runs and 10 RBIs.

"I've learned a lot from the guys on the team," Boney said. "They've taught me a lot about being a team player and how to handle myself in high-pressure situations."

Boney said she hopes to continue playing baseball after she graduates. She's talked to a few professional baseball teams about possibly signing with them.

"I'm excited to see where this all takes me," Boney said. "But for now, I'm just enjoying my time with the Hawkeyes and trying to improve my game."
