THE INTERCOLLEGIATE BAND

Iowa's intercollegiate band is growing. In spite of hardships, the high school and university bands are holding on, and from longer distances.

Every year sees the first entry from out of the state. Also, it sees an entry from further time. Whenever the Harvard high school has sent its last from the extreme eastern corner of the state, all the boys who think that the intercollegiate band is growing in popularity and importance.

This also is an encouraging condition when the importance of such an affair is considered. Not only does it help from the rather narrow standpoint of successful and athletic achievements for the university, but it gives countless numbers of high school men to touch with the institution which might otherwise never hear of its advantages. The intercollegiate band does the support of every student of the university.

Students in "Louisiana."

Many University students have added to the production of "Louisiana," the spectacular play put on at the College Theater last Tuesday and Wednesday evenings by local talent. Among others, Alice Wilkinson's rhythm dance gave several folk dances.

Sea Woman's Club.

The Iowa Woman's club will meet with Mrs. H. M. Burnett, 231 E College Thursday at 2:30.
