THE RECESSION.

Iowa City Honors One of Her Citizens.

The reception tended to Secretary of Commerce Mr. James S. Whitman at the St. James Hotel last evening was a grand success. The affair was the spontaneous expression of esteem, and good wishes from the reputation greatly by the decisive and progressive manner in which they offered their really excellent qualifications for those seeking their nomination. They were addressed by Mr. Whitman, who made the first speech of the evening.

The Secretary responded in a few well chosen remarks, thanking his fellow citizens for interest manifested in his success in his work.

The University band discharged some good music, and then everybody was anxious to be presented to the Secretary. The whole affair was neatly conducted, the banquet all that could be desired.

DECORATION DAY.

The unusual success which attended the celebration of Decoration Day in our city this year was largely due to the active part taken by the students, acting in union with the citizens. This is the first time that students and citizens have acted together in anything of the kind, and the success of this leads us to hope that it will not be the last time. The parade of the University Band and Battalion is said to have been very fine by those who saw it. It was on the Park, where it was intended to hold the exercises, it was found impracticable to do so on account of the position which commenced to fall during the late part of the parade.

Mr. J. N. Collier, whom both citizens and students have cause to remember for many generous deeds, kindly offered his Opera House in which to conclude the exercises. The offer was accepted, and in a few moments the hall was filled by an interested audience listening to the speaking.

After music by the University Band and Law Quartet, the President of the day, Rev. Mr. Folson, offered the invocation.

Prof. T. Parvin delivered the opening address in a few thoughtfully and appropriate words. Prof. Parvin in his hand an object of interest to all. It was a faded and tattered battle flag. Eighteen years ago, when the Civil War broke out, he added this, the exhibition of the Law Literary, and to the people they may ever look with pride and gratification.

Extract and old edition of the New Testament, published together in a small column, expected in a few days, the Iowa State Book Store.
