I have many times recommended the International Encyclopedia to the students of this University. Whenever I mention it to them, they are always greatly interested and are anxious to secure a copy.

When you are looking for a new "tip-top" coat, do not overlook the fact that you can save from 10 to 15 per cent by buying a Waverley. Many a dealer will represent to you that he can furnish you with the same one for less. But you can't do it! Don't be hoodwinked. Look up the Waverley Agent and insist on having a Waverley.

Remember, we guarantee this mark to be fully equal in grade, and every detail of construction, to any manufactory brand, regardless of price.

This Guarantee is backed by the Indiana Bicycle Co., a Million Dollar Co., whose bond is as good as gold.

"Si Puckard."

Farmer J. C. Lewis as Si Puckard completely captured San Bernardino at the Opera House, last night and in the street yesterday. He was greeted by a full house and applause followed applause. He has excellent support and a’ few band. His whistling completely clogged the climate—San Bernardino, Cal. Daily Press.
