A Reply to Burrell.
Regent Mahin, in answer to Ex-Regent Burrell, in regard to college bred men, says:
"The truth is between Depew and Burrell, and nearer to Depew. It is a very important fact to remember that comparatively few men are college bred, and those that are college bred are generally disposed to go into a learned profession, which rarely yields a fortune. Hence it is that few merchants, manufacturers, and other men of wealth are college men; an impression is created that a college education somehow unfits a man for success in business.

The article above quoted does not, however, confine itself to commercial pursuits. In all lines of activity, it says, the potent men are as often and perhaps oftener, not college men, as alumni. The Presidents of the United States certainly belong to the class of 'potent men.' Of the twenty-three Presidents, thirteen were graduates of colleges. The highest judicial position in the land is that of Chief Justice of the Supreme Court, and certainly none but a potent man ever occupies it. Six of the eight Chief Justices received college diplomas, and the other two were liberally educated outside of college. Webster, Calhoun, Seward, Sumner and Blaine were college men. So were Rufus Choate and Joseph Story; so are William M. Everts and Joseph H. Choate. Wendell Phillips, Edward Everett, and Henry Ward Beecher were college men. Prescott, Bancroft, Motley and Parkman, were college men. Morse graduated at Yale, and while there received his first instruction in electricity and the impulse which led to his invention of the telegraph. Hawthorne, Longfellow, Holmes, Lowell, Emerson—all were college men. So was Thoreau, who, we believe, is the patron saint of the Washington Press editor.

A Senator from Iowa cannot properly be excluded from the list of 'potent men.' All but two of our Senators—Augustus C. Dodge and John H. Gear were college educated.

The next President of the United States will in all probability be either William B. Allison, William McKinley, Thomas B. Reed, or Benjamin Harrison. All but McKinley are college men.

The fact is that most men without college educations who reach eminence deplore their lack of more thorough mental training in youth. It is very doubtful if a college education ever held any man down. To believe so is to believe that it is a detriment to put one's mind through a process designed to make it work smoothly and easily and to think and reason clearly. On the other hand, there is no reason at all to doubt that the mental discipline of college has enabled many of our greatest men to reach the altitude they attained. The telegraph would presumably have been discovered by somebody at some time, but it is a question if the discovery might not have been delayed for years had not Morse been a college man. It is likewise doubtful if the great historians, the great poets, essayists, and orators we have named

would have done such work as they did without the discipline of mind and the refinement of taste conferred by the college education. Even Thoreau, the high priest of Nature, might not have written to so please the fancy of Editor Burrell had not his mental faculties been brightened and strengthened by the severe training of the four years at Harvard.

After thus looking over the field of 'potent men' we really have our doubts about Editor Burrell's sincerity. He is a sensible man and a penetrating thinker. The foregoing extract from his paper must be one of his jokes."

I. C. 13, S. U. I. 7.

The S. U. I. delegation to Grinnell arrived there Saturday morning at 9:37. The team commenced practice shortly after two o'clock and were full of ginger and showed up well.

The game was called at 3 o'clock with S. U. I. at bat. Chambers went out, Heald to Darby, Hopkins flew out to Raley and Bailey knocked an easy grounder to Sargent.

For Grinnell, Heald flew out to Aery, Darby flew out to Herrig and Frisbee went out; Bailey to Hopkins.

For S. U. I., after two outs, Bevan goes to first on a base hit, Aery gets his base on balls and on a passed ball both score. Wilson is hit by Davis and Herrig's foul is caught by Frisbee.

In Grinnell's half the men went out in order. Chambers knocks a grounder to Eldredge, who tries the juggling act and thereby gets an error. Hopkins knocks a grounder to Darby who doesn't try it and Chambers scores. Hopkins steals second and third and scores. Eldredge throws to the plate striking him on the back. Bailey hits to right and scores on Ingham's hit. Morris goes out, Wright to Darby, Bevan fouls to Eldredge, and Aery strikes out.

For Grinnell, Sargent gets his base on balls and Eldredge strikes out. Sargets tries to score on a half passed ball, and Chambers nips him at the plate. Meide fans and the score is S. U. I. 5, Grinnell 0.

Wilson fans, Herrig flies out to Meide and Chambers' grounder is fielded by Heald. Ingham catches Heald's fly, Darby goes to first on balls and to third on Frisbee's two bagger. Bailey stops but doesn't get Raley's hot grounder, and Darby scores. Frisbee scores on a passed ball. Wright gets a two base hit and steals third. Sargent strikes out; Eldredge fouls out to Ingham. Score, S. U. I. 5, Grinnell 5.

S. U. I. goes out "one," "two," "three." Heald scores for Grinnell. The sixth inning is a blank for both sides.

S. U. I. again draws a blank. Grinnell scores four on two base hits, a base on balls, and a three bagger.

In the eighth, S. U. I. scores one and Grinnell three. Heald has his knee wrenched and Noel takes his place. Ingham is struck by the ball but recovers by the aid of some mystic operations of Hopkins' "rabbit foot." S. U. I. gets one in the ninth and the game is over.

Follow is the score by innings:
S. U. I. 0 2 3 0 0 0 0 1 1 - 7
J. C. 0 0 0 5 1 0 4 3 * - 13

The S. U. I. team played well considering that this was their first game. The batting of the team can be improved, but they are batting fairly well. The outfield is good and the men cover a great deal of ground. Hopkins cannot be improved upon at first or Bailey at second. Wilson at short stop is a new man in that position, and as soon as he gains experience will make a good man. Bevan evidently had an off day, but constant practice and work will improve him very much. Chambers pitched an elegant game considering the wind and day, and Ingham covered himself with honors behind the bat. The team is without a doubt one of the strongest that the University ever sent out.

Grinnell plays the league game here next Saturday, and everyone should be out to see it as it will be one of the best of the season

Nebraska University.

The resignation of Chancellor Canfield from the position at the head of the State University, will necessitate the selection of another competent man to succeed him in that position. It will at the same time afford a good opportunity for recognizing the work of the institution. The labor which Chancellor Canfield has performed in infusing life into the university and bringing it into prominence, not only with the people of this state, but also with other states, is neither to be deprecated nor underestimated. The university has unquestionably made great strides under his administration, and is in a more advanced position, educationally, than it ever was before.

But Chancellor Canfield is, not in any uncomplimentary sense, an educational boomer. His methods have been boom methods. He has tried to impress every one that the only way to have a great university is to make a great showing of attendance. Numbers and magnitude have been made the prime object, and results made secondary to size. The university has been expanded by the addition of various new departments and technical schools, with the danger that the original purpose of giving the youth of Nebraska a sound academic education will be overshadowed. The boom period of the University may have been a necessary part of its career. Booms of all kinds, however, must eventually have an end. What is wanted now in the new chancellor is a man who will call in the outposts, fill up the gaps, and by a sound and conservative management keep the university within the lines which properly mark a publicly supported institution of higher education. What is wanted above all is the immediate abolition of the elementary work, which the student is expected to have had before entering the university, whether it be called by the name of "preparatory department" or "school of mechanic and industrial arts." By lopping off the side shows the resources of the university can be concentrated on the field of higher education.

The University of Nebraska cannot hope to compete with the richly endowed universities of the east, but it can fill the function for which it was

created, namely, to bring within reach of the deserving student of Nebraska the means of acquiring those elements of knowledge which constitute a liberal education. In selecting the man to guide the further development of this institution the regents should exercise every deliberation and care. They should keep in mind the work which is expected of the next chancellor, and aim to find the man best fitted to perform it.—*Republican.*

Trinity Choir Festival.

The third annual choir festival of Trinity Church, will be given Wednesday evening, April 24th. The following program will be presented:

- PART FIRST.**
Address—Hayden and his Characteristics..... Dr. Gilchrist
"Come, Gentle Spring,"..... Seasons Chorus.

..... VII. Symphony
Mr. Van Steenderen.
Canzonetta: "Night is Falling" ...
Miss Chase.
Cantabile V Spmphony
Dr. Gilchrist.
"The Heavens are Telling"..... Creation
Chorus.

The W. I. L. L. U's. Entertain.

Last Wednesday evening the members of the O. H. N. O. and O. H. Y. E. S. clubs assembled at the Society halls to attend a "fruitful" given by the members of the W. I. L. L. U. club. The early part of the evening was spent in conversing upon various topics which had been printed upon small cards. Later in the evening the company betook themselves to the south hall, where ice cream and cake and all the fruits of the season were served. The remainder of the evening was spent in social conversation, and the Senior boys did all in their power to make the event as pleasant as possible for their guests.

Banquet to the N. O. L.

The S. U. I. Oratorical Association will give a banquet to the visiting delegates of the Northern Oratorical League at the occasion of the league contest in Iowa City, May 3. It has been decided to invite also the members of the home association and of the S. U. I. Faculty. The charges will be one dollar per plate, and tickets will be for sale in the hands of the undersigned committee during the coming week. Those who desire to attend should purchase their tickets before the 29th inst.

THE VIDETTE REPORTER,
 Iowa City, Iowa.

Entered at the Iowa City Post Office as second class matter.

On next Friday afternoon will occur the home field meet. The Faculty has granted a half holiday so that every one will be allowed an opportunity to attend. In all probabilities the meeting this year will be the best that has ever been held here. Some of the old athletes will undoubtedly break the State records, and many of the new men promise to do the same thing. There are a number of new men training and judging from their work they will make valuable additions to our track team. Allison will make good time in the mile walk, and Miller in the high jump will also attempt to break the record. Clark and Van Epps will furnish a good race in the half-mile run. The many other events will be equally interesting. Whether Crum will attempt to break the state record in the hundred yard dash we are unable to say, but it is quite probable that if he makes the attempt he will succeed. We hope to be able to give a complete list of the entries in our Thursday's issue.

The *Scarlet and Black*, in its write up of Saturday's game, heads its article "Couldn't Steal It." The *Unit* in commenting upon the game, says, "Umpire Lyon came the usual S. U. I. steal." Such contemptible bits of attempted journalism are certainly not very conducive toward bringing about a better state of feeling between the athletes of the two institutions. The student body and certain members of the Faculty of Grinnell have expressed a desire to create a better feeling between I. C. and S. U. I., but such remarks as the above will have little of the desired result. For the above named papers to speak of our team as a gang of thieves and to insinuate that this is and always has been a peculiar characteristic of S. U. I. students, does not fall very tenderly upon our feelings. We do not believe that the two papers speak the sentiment of Grinnell students, nor

do we believe that their editors would have allowed such statements to appear in their columns had they taken a moment's deliberation. If such is the sentiment of the college we would only say what we have said before, that it is time for us to cease having any further athletic contests with an institution where a spirit of selfishness so far exceeds all feelings of courtesy and respect that its students, without the slightest provocation, feel that they must doubt the honesty and integrity of an opposing team. For the treatment which our team received at the hands of Grinnell students there is not the slightest complaint, as it was as it should be on all such occasions, the very best that could be afforded.

Claude Sweinhart spent Sunday in Tipton.

Julia Rogers, '91, now teaching in the Des Moines High School, spent Saturday and Sunday in the city visiting her many university friends.

Bishop Perry of Iowa, Archdeacon McElroy of Waverly, Iowa, and Jos. D. Newlin, of Philadelphia, Pa., visited the library Saturday morning.

Miss Anna Robinson entertained the Pi Phi's last Saturday evening in honor of Miss Julia Rogers, '93, who is now teaching in Des Moines.

The Y. W. C. A. tennis court is now in excellent condition for use. Tickets may be had for tennis for the remainder of the school year for \$1.00.

There should be a large attendance at Close Hall to-night to hear Col. Gatch. The lecture is not given exclusively for Law students, but for all others interested. The admission is free.

The Wisconsin General Assembly has voted \$180,000 to be expended on a new library building and a building for the State Historical Society collections. It is intended that the building shall ultimately be used for a library exclusively. We hope that this liberality shown by Wisconsin's legislature will manifest itself in our General Assembly next winter.

Notice.

There will be a committeemen's tea at Close Hall Thursday evening at 5:30. All members invited.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for testimonials. Address.

of M., is visiting University friends.
Earl Tompkins, '96, was called home
Friday by the death of his grand-
mother.
Rolla Brown, '97, went to Washing-
ton, Iowa, Friday, to attend a Bap-
tist Convention.
Lillian Lewis, superintendent of
schools at West Liberty, visited with
friends Saturday.
Mr. Rodney Arey was seen in our
halls Wednesday morning. He must
be having another short vacation—
Normal Eye.
Mr. Will Hearst has been home for
the past few days, having a change of
scene if not a vacation from his work.
—*Normal Eye.*
John V. Crum, L. '95, enjoyed a
short visit from his father. Mr Crum
is one of the early graduates of our
Law department.
The address for Law commence-
ment will be delivered by Dr. C. B.
Elliott, L. '81, Judge of District Court
at Minneapolis, Minn.
Earl Sweet, class '98, Cornell Col-
lege, came over on his wheel Satur-
day to visit his cousin, Bert Sweet, L.
'95, and other friends.

LATEST STYLE HATS AND FURNISHING GOODS AT BLOOM & MAYERS.

Sophomore-Freshman Field Meet.

The Sophomore-Freshman Field Meet Saturday afternoon resulted in a victory for the Freshmen by a score of 69 to 67. It looked toward the last as though the score would be even, but Turner, '98, got a good start, and got third place in the hop, step and jump. The wind was strong and hindered the sprinters from making very good time. It did not hinder Bloom from breaking the state record in the two mile bicycle race, nor from breaking the home record in the half mile. Smith broke the state record in the shot put. A better record was made in eight events than in the Sophomore-Freshman meet last year. Following are the events and winners:

50 yard dash; won by Hobbs, time 6'1-5 sec.; 2d, Saylor; 3d, Hutchinson. Hobbs had no difficulty in winning.

Shot put; won by Smith, distance 37 ft. 1 1/2 in.; 2d, Donahoe; 3d, Willis. Mile run; won by Gray, time 5 min. 4 sec.; 2d, Frailey; 3d, Palmeter.

Pole vault; won by Ende, 7 ft. 11 in.; 2d, Howell; 3d, Hutchinson. Hammer throw; won by Smith, 86 feet 5 in.; 2d, Miller; 3d, Dohohoe. Having beaten the Sophomores the three Freshmen did not compete further for first place.

220 yard hurdle; won by Hobbs, time 30 4/5 sec.; 2d, Howell; 3d, Saylor. Saylor and Hutchinson were very close for third place, and there was some discussion as to Saylor's fouling.

Hop, step and jump; won by Gibbs, 40 ft.; 2d, Willis; 3d, Turner.

The meet was successful in bringing out and developing latent power. The Freshmen turned out better and worked harder than the Sophomores. The score would doubtless have been greater in their favor if Miller had been able to participate in the meet. The individual scores are appended:

Running broad jump; won by Gibbs, distance 17 ft. 4 in.; 2d, Hamann; 3d, Turner.

Half mile bicycle; won by Bloom, time 1 min. 16 1/5 sec.; 2d, Gibbs; 3d, Burge.

100 yard dash; won by Saylor, time, 11 3/5 sec.; 2d, Hutchinson; 3d, Hobbs.

Half mile run; won by Gray, time 2 min. 24 sec.; 2d, Barth; 3d, Wessels. 120 yard hurdle; won by Hobbs, time 19 4/5 sec.; 2d, Moore; 3d, Hutchinson.

440 yard dash; won by Palmeter, time 59 sec.; 2d, Taylor; 3d, Hull.

High jump; won by Moore, 5 ft. 3 in.; 2d, Hobbs; 3d, Howell.

220 yard dash; won by Saylor, time 26 sec.; 2d, Hutchinson; 3d, Johnson.

2 mile bicycle; won by Bloom, time 5 min. 54 sec.; 2d, Gibbs; Hetzel got third place but was nearly distanced.

Mile walk; won by R. J. Smith, time 8 min. 31 2/5 sec.; 2d, Moore; 3d, Carpenter. Brown came in ahead of Carpenter, but was ruled out for running. Kiser was still coming at the last report.

Following are the individual scores: Hobbs, '97, 18 points; Gibbs, '97, 14; Sayer, '98, 13; Bloom, '97, 10; Smith, '98, 10; Gray, '98, 10; Moore, '98, 9; Hutchinson, '97, 7; Palmeter, '97, 6; Smith, '97, 5; Howell, '98, 5; Ende, '98, 5; Donahoe, '98, 4; Willis, '97, 3; Hamann, '98, 2; Turner, '98, 2; Frailey, '98, 2; Taylor, '98, 2; Barth, '98, 2. The following made one point each: Carpenter, Burge, Hetzel, Hull, all of '97; and Mullin, Johnson and Wessels, of '98.

The Kappa Kappa Gammas were entertained by the Delta Gammas Saturday afternoon.

RICHMOND Straight Cut No. 1 Cigarettes.

CIGARETTE SMOKERS, who are willing to pay a little more than the price charged for the ordinary trade Cigarettes, will find THIS BRAND superior to all others.
