Our Second Game Abroad.

LOST TO UNIVERSITY OF ILLINOIS BY
A SCORE OF 10 TO 8.

Monday—blue Monday—was not as lucky a day for our base ball team as last Saturday proved to be. The second game of the eastern trip was lost on that day to the University of Illinois by the close score of 10 to 8. The result was a great disappointment to our base ball enthusiasts here who desired very much to see another victory added to our list.

The game again demonstrated the fact—which has so often been spoken of in these columns—that we are sadly deficient in team work. We have a good battery, our batting records are good, and our individual players, with one or two exceptions, are also good; but the men do not always pull together, and as long as this is the case defeats will not be infrequent.

Monday's game showed our team to be weak in fielding. Bevan made numerous bad errors at third base, and his base throwing was very weak. Wilson was also a little slow at throwing, but otherwise played very well. On first and second we have first-class ball players. Chambers pitched a hard game, making 10 strike outs; he was a trifle wild at times, however. The out field as constituted at present showed itself to be very strong. Illinois' playing was much steadier than ours, and their team work won the game for them.

The positions and batting order of the teams were as follows:

ILLINOIS.	S. U. I.
Lowes, 3 b.	Lyon, r. f.
Baum., r. f.	Hopkins, 1 b.
Roysden, 1. f.	Chambers, p.
Huff, c.	Ingham, c.
Cooper, 1 b.	Bailey, 2 b.
Haskell, s. s.	Bevan, 3 b.
Fulton, 2 b.	Wilson, s. s.
Kingman, p.	Arey, c. f.
Carnahan, c. f.	Herrig, 1. f.

The game was called at 3:10. Our men were at bat, but were retired in very short order. Lyon flew out to Kingman, Hopkins to Fulton, and Chambers struck out. In their half of the first inning the Illinoisans were more fortunate and secured two runs. Lowes rapped out a single and stole two bases more. Baum went out on a grounder to Chambers who fielded it to first. Roysden hit to Bailey, who threw home, but too late to catch Lowes. Huff hit to Chambers; the latter threw to third to catch Roysden, but Bevan muffed and Roysden scored. The inning was soon over with. Cooper fouled and Bevan made a grand stand catch. Huff made the third out; being caught off second by Chambers' quick throw to Bailey.

The second inning resulted in a goose egg for both teams. Ingham struck out, Bailey went out, Fulton to Cooper, and Bevan, who was given first on a dead ball, was put out at third. For Illinois Haskell went out at first on a grounder to Bevan, and Fulton struck out; Kingman fanned on a low ball and Ingham threw him out at first.

In the third inning Wilson struck out, Arey got first on balls but was put out while trying to steal second.

Herrig retired the side with a grounder to Fulton which was fielded to first. Carnahan made the first out for Illinois with a strike out. Lowes batted a fly to Bevan who muffed. An exceedingly good double play now sent Illinois to the out-field again. Baum hit a hard liner to Bailey who threw to Hopkins, thus catching Lowes also.

Lyon came to bat again for S. U. I., and succeeded in making a safe hit to right field. Hopkins struck out and meanwhile Lyon stole two bases. Chambers hit to pitcher, who threw to third and caught Lyon. Ingham ended our half with a foul to Lowes. Roysden was called up for Illinois; he fouled out to Ingham who made a phenomenal catch. Huff hit through Wilson, Chambers threw wild, and the runner made second. Cooper batted a fly to Chambers and Haskell struck out.

Bailey opened the fifth inning with a hit to Fulton who threw him out at first. Bevan also failed to reach first on a hit to Kingman. Wilson hit a fly to left field, but it was caught. Fulton made the first out for Illinois by fanning. Kingman went out at first on a hit to Chambers. Carnahan hit to Bevan, but the latter fielded too slow to catch him at first. Carnahan managed to steal second safely on Ingham's high throw, which Bailey stopped in a beautiful manner. Lowes got first on balls, but the next man went out on a fly to Hopkins.

This made the fourth consecutive inning in which both teams failed to score. The playing was close on both sides, but the odds were in favor of Illinois. Our base running was not as good as usual, and too many men were caught on the lines.

With the sixth, scoring began for S. U. I., but only one lone run was made. Arey flew out to Baum, and Herrig hit safe to center. Lyon hit to Lowes who fumbled. Hopkins made the second out on a fly. Chambers hit a hard one past third, scoring Herrig; Lyon, however, was caught. Illinois secured two runs in her half. Roysden, after making a base hit, scored on a throw that Chambers made to second, when no one was there. Huff got first on balls, and stole second, while Cooper fanned. Haskell hit to Bevan, but the throw to first was too slow. Fulton hit to Bailey and made first on the latter's fumble. Kingman struck out. Huff scored on a half passed ball of Ingham's. Haskell was caught out at the plate by a neat throw of Bailey's. Score, 4 to 1.

In the seventh inning our men went out in quick succession. Illinois came to bat, and the way they filled up their run column was astonishing. Our play was full of errors, and to these, in addition to Illinois' good batting, must be ascribed the six runs that were made. Carnahan hit to Bevan and made first on the latter's fumble. Lowes bunted safely, and Baum hit to left, scoring the first batter. Lowes was caught between second and third. Bevan got another hit, this time from Roysden, and fumbled again. Huff hit to left, and Baum scored on a half passed ball. Cooper made a strong three base hit to center and two more runs were in.

Haskell hit to Wilson, but the throw to first was too slow. Fulton struck out. Kingman hit to left field bringing in Haskell. The slugging match was ended by Carnahan's strike out.

At the opening of the eighth inning things looked very gloomy for the old gold, with a score of 10 to 1 against it, but for the next two innings the men played better ball, shut out Illinois, and, aided by the latter's errors, increased their score to 8. Wilson was the first man up and went out on a fly to Fulton. Arey made first on a hit to third which was fumbled. Herrig and Lyon made safe hits and the bases were full. Hopkins did not bring them in but went out on a foul. Chambers hit to Kingman, who threw wild to first; the ball went into the crowd and all four men scored. Ingham made the final out. Illinois was retired in double quick time, one on a fly and two at first.

The ninth inning caused somewhat of a scare in the Illinois camp when three runs were placed to our credit. Scoring ceased, however, with the third run; after that our men were quickly retired, and our chance to win was lost.

The score of the game by innings was:

Illinois 2 0 0 0 0 2 6 0 *—10
S. U. I. 0 0 0 0 0 1 0 4 3—8

Hits—Illinois, 10; Iowa, 7.
Errors—Illinois, 4; Iowa, 9.

Struck out—By Kingman: Chambers, Ingham, Wilson and Hopkins; total, 4. By Chambers: Fulton, 3; Kingman, 2; Carnahan, 2; Haskell and Cooper; total, 9.

Burdeck umpired the game. He made poor decisions for both sides, and was unable to judge balls and strikes.

The Dentists Convene.

The thirty-third annual meeting of the Iowa State Dental Society opened its session Tuesday morning. It is exceedingly fitting that the Society should meet in our city this year, as many of its members are graduates of our Dental Department or are connected with the department in some manner and will take advantage of the opportunity to visit the department since it has moved into its new and commodious quarters. No part of our University is better equipped than is our Dental department since it has obtained its new building. As Dr. Hunt so appropriately remarked, "The department has no urgent needs at present, but the opportunity has come when it can do a good thing for the University," and with a man who has at heart the welfare of the entire University as has Dr. Hunt, we can feel assured that no opportunity to benefit our entire University will be allowed to escape. The men who compose this society come from all parts of the state, and we can safely say that they will return to their homes with a better idea of the numerous advantages offered to a student of dentistry in our University.

The first meeting of the convention was held at 10 a. m. Tuesday, in the Dental building, at which Mayor Reno gave the address of welcome to the members and Professor A. O. Hunt responded on behalf of the so-

cietly and President Schaeffer welcomed them to the University. After reports of various committees the meeting adjourned until afternoon, at which time the President, J. S. Kulp, gave the annual address. The address contained many valuable suggestions which were ably endorsed by Dr. J. T. Abbott in an address which followed.

Some valuable papers were also read by Dr. W. H. Steele, of Forest City, and Dr. E. D. Brown, of Le Mars. In the evening papers were read by Dr. J. E. Fleener, of Oskaloosa, and Dr. K. M. Fullerton, of Cedar Falls. Both papers were ably discussed by the members present. Wednesday morning was given up to clinics by Drs. Holmes, of Maquoketa, Fleener, of Oskaloosa, Hughes, of Des Moines, McCandless, of Davenport, Begun, of Des Moines, Woodbury, of Council Bluffs, Shriver, of Glenwood, Miller, of Des Moines, Kulp, of Davenport, Peterson, of Dubuque, and Bacus, of Independence.

The convention will close on Friday.

Drake's Field Meet

Drake University held its annual spring field meet last Friday afternoon at the state fair grounds, and although the track was somewhat slow, very good records were made. Over five hundred people were in attendance. The meet was the most successful in Drake's athletic history, and her supporters may expect a better showing from her at Grinnell this year than ever before.

The winners and the records in the various events were as follows:

50 yard dash—Schee, Miller and Gwinn; time, 6 sec.

16 lb. shot put—Gwinn, Sweeney and Murray; distance, 38 ft. 8 in.

Broad jump—Hamilton, McIntyre and Johnson; distance, 19 ft. 10 in.

THE VIDETTE REPORTER,
Iowa City, Iowa.

Entered at the Iowa City Post Office as second class matter.

One week from next Saturday, May 18, will occur the Dual League contest between Grinnell and S. U. I. That this will be an exciting contest goes without saying, and if we expect to make it as successful as it should be we will be obliged to insure a good attendance. The officers of the league are doing all in their power to make it a good contest, so that all that remains is for us as students is to do our part by encouraging them with our attendance. Grinnell will have a good team for that occasion, as they seldom fail to have a good team for such occasions. We hope that our students will all be present to encourage our team financially as well as otherwise. A number of persons have the impression that our association will not send a team to Grinnell to take part in the State Field Meet to be held there May 24, as all of the men cannot be present, but we learn from Captain Crum that we will send a team to compete in that contest.

The Hammond Law Senate.

The above caption forms the name of a new literary society recently organized by members of the Junior Law class, the object of which is, as its constitution declares, to be "the development of a healthful taste for literary and oratorical exercise, and the cultivation of a spirit of social fellowship" among its members.

The society is designed to be a permanent one, and will consist of members of both classes of the Law department. Each member will be assigned a state, which he is supposed to represent in the discussion of all questions of a public nature, and in the treatment of measures of national politics, a diversity of opinion, commensurate with the sectional differences of the nation, will, as a natural and necessary result, give scope and variety to debate and argument.

But it is not intended that the work of the society shall be confined to economic and legal questions. Essays, orations and papers on general literary and social and scientific questions will be a marked feature.

The organization starts out with a

membership of twenty five active and enthusiastic members, who feel that they have inaugurated a measure which has been a long-felt necessity in the Law department, and one which bids fair to achieve all its promoters hope and anticipate.

The officers elected are as follows: L. C. Rinard, President; M. C. Gilmore, Vice President; Park Tourtelot, Secretary; G. C. Lawrence, Corresponding Secretary; Will Ryan, Treasurer; J. W. Hayes, Sergeant-at-arms.

The general policy of the society will be conducted by an executive committee of three members, consisting at present of the following: D. J. O'Connell, A. E. Walsh and Geo. W. Lawrence.

Freshman Erodolphian Program.

In spite of the rainy weather a full house gathered in the north hall last Saturday evening to listen to the Freshman Erodolphians assisted by the Freshman Irvings, give their special program.

The evening's entertainment opened with a piano solo by Miss Desellum. After this was the reading class, conducted by Mary Collson. This was very entertaining, and the different characters were very well represented.

Miss Stauffer then gave a solo which was much enjoyed. This was followed by the farce "Snowball," in three acts. The cast of characters is as follows:

Felix Featherstone Mr. Stull
Uncle John F. W. Brown
Harry Pendergast Mr. Carter
Saunders Mr. Hamann
Mrs. Featherstone Louise Boesche
Ethel Granger Kathleen Connor
Penelope Ida Kriechbaum

The farce consisted of a series of ridiculous plights and misunderstandings, which, when once started, grew like a snowball started rolling. The characters were all remarkably well sustained, and the Irvings and Erodolphians may be congratulated upon the exceptional talent of their Freshmen members.

The program was a success in spite of the fact that in the midst of the performance the electric lights suddenly flickered and went out, and a lamp and a few candles had to furnish light for the stage the rest of the evening. Between the second and third acts Marion Davies favored the audience with a piano solo.

Don't fail to attend "Pinafore" at the Opera House to-night.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature is doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address,

Fact and Rumor.

A. E. Walsch, L. '96, is visiting at his home in Clinton.

The conversation club met at the home of Miss Kostomlatsky, Tuesday evening. Three new members, Marion Davies, and Messrs. Noble and Beardsley, were initiated.

The Junior Law base ball team will play the Freshman Collegiate team next Saturday at 3 p. m. Admission 10 cents. The Junior Laws have a fully organized team, and are desirous of securing more games. They hope to be able to make arrangements for a game with the Junior Collegiates soon.

At a meeting of the Senior Law class, last week, it was decided without dissent to wear caps and gowns commencement week, and to invite the Senior Collegiates to attend the Law graduating exercises in a body. A class album will be placed in the Law Library rather than hang a large class picture among those of past years on the walls of the lecture room.

Instructor Beardsley's class in Classical Economy devoted its hour Tuesday morning to a discussion of Monometalism and Bimetalism, instead of its usual work. The discussion was conducted on the plan of a debate. Three leaders were appointed for each

side and to each of these five minutes were granted to present the question. After the preliminary skirmish the question was thrown open to the class for two minute speeches. The debate was very interesting, but owing to the short time allotted to the speakers the question was not very logically and satisfactorily developed.

Tuesday's Game

Manager Emry secured a game with Wabash College for the open date of May 7th. The game resulted in an easy victory for our team by a score of 11 to 0. The telegrams sent say that they were extremely "easy picking." We have not received a detailed account of the game yet, but will publish it in the next issue.

Some of our Alumni.

We wish to call special attention to the article of Prof. or James A. Rohbach in the current number of the Iowa Historical Record, on "Alumni of the State University of Iowa in Public Life." Heretofore there has been no account kept by the University of her students who after graduation have attained success in public life. Professor Rohbach sent circulars to the alumni with blanks requesting the necessary data to compile this article. He gives a brief sketch of those graduates who have filled any Federal, State or Judicial office, but necessarily excludes the great number who have filled subordinate offices and been members of the State Senate and House of Representatives, to all of whom, however, the alma mater points with pride. Among the number we would mention the following:

- John Campbell, C. '77, L. '79, Chief Justice of Colorado.
- C. D. Clark, L. '94, U. S. Senator from Wyoming.
- C. I. Crawford, L. '82, Atty.-Gen. of South Dakota.
- H. E. Deemer, L. '79, Judge Supreme Court of Iowa.
- W. R. Ellis, L. '74, Congressman from Oregon.
- C. D. Fullen, L. '83, U. S. Atty. for S. D. of Iowa.
- W. E. Fuller, L. '70, ex-Congressman from Iowa.
- W. J. Haddock, '61, ex-Judge of Iowa.
- A. L. Hager, L. '75, Congressman from Iowa.
- J. C. Helm, '70, L. '74, ex-Chief Justice of Colorado.
- F. P. Jackson, L. '74, Governor of Iowa.
- M. N. Johnson, '73, L. '76, Congressman from North Dakota.
- Emlin McClain, '71, '72, L. '73, Chancellor, Code Commissioner.
- J. J. McDannold, L. '74, ex-Congressman from Illinois.
- W. M. McFarland, L. '80, Secretary of Stater
- Smith McPherson, L. '70, ex-Atty.-Gen. of Iowa.
- J. A. Pickler, '70, L. '72, Congressman from North Dakota.
- N. B. Raymond, L. '81, Sup. Court Reporter for Iowa.
- Milton Remley '67, A. M. '72, Atty.-Gen. of Iowa.
- Col. D. Ryan, L. '67, Judge Sixth Judicial District.
- E. P. Seeds, L. '77, ex-Judge Sup. Court of New Mexico.
- J. J. Seerley, '75, ex-Congressman from Iowa.
- J. H. Sweney, L. '81, ex-Congressman from Iowa.
- M. J. Wade, L. '86, Judge Eighth Judicial District.
