TEAM LOSES YESTERDAY

LUTHERANS WIN IN FIRST INNING

Cretzmeyer Hit Hard at the Start—Saturday's Game a Good One—Des Moines today

The team representing Luther college batted in six runs in the first half of the first inning and won the game from the varsity. The team left at 6:10 in the morning yesterday and when the train arrived in Decorah an hour late the players were tired and nervous from their trip. This fact contributed materially to the score in the first inning when three costly errors aided by six good hits brought in six runners for Decorah. After the one fatal inning, Johnnie Vos' men steadied down and held the Swedes down to three scores, allowing them one in the second and one in the third and another in the eighth. The only scoring done by the varsity was in the second when the Hawkeyes fell against Seaverid for three hits netting two scores. An error contributed to the solitary tally in the seventh. The team went to Des Moines last night and will play the Drake team in that city today. The game ended with the score Luther 9 Iowa 3.

ROCK ISLAND 4, IOWA 2

In the best game of the series Rock Island defeated the Varsity Saturday by a score of 4 to 2.

Miles and Vos were in the box for the varsity and each showed by far the best form of the week. Schneiberg and T. Green divided the slab-work for the professionals and while they did the best job of pitching that has been served up this week the varsity batters were able to find them for 10 base hits.

One of the features of the game which was fast and snappy throughout was "Farmer" Burns spectacular catch in right field. After making along, hard run for a high drive, just as it fell into his mit he tripped and fell, but after a double summersault the ball was found still grasped in his hands. Van de Steeg who has not been in shape all week showed much of his last year's form in his work at second base.

The score is as follows:

Rock Island . . . 1 1 0 1 0 1 0 0 0—4
Iowa 0 0 0 0 0 2 0 0 0—2

Two base hits, Storey, Hampson. First base on balls—Off Miles, 3; off Tos, 1; off Schneiberg, 1; off Green, 1. Struck out, by Miles, 1; by Vos, 2; by Schneiberg, 5. Base hits by Iowa, 10; by Rock Island, 9. Errors, Iowa, 3; Rock Island 1.

New Officers for Edda

The following officers for next year were installed at the Edda meeting last Saturday evening. President, H. C. Anderson; secretary, Valborg Kastman; treasurer, Prof. G. T. Flom.

MAKE DRAMATIC HIT

High School Comedians Win Praise Realize Good Sum for Athletics

High school comedians presented "A Country Kid" to a good audience Saturday night.

The play was well put on, Chester Keppler as Reuben Thacker, A Country Kid carried off the honors and demonstrated that he is possessed of no mean degree of dramatic ability. Albert Dunkel took the part of Bill Taylor in a perfect manner, his solos on the ping pong violin, a new musical instrument never before seen in Iowa City, calling forth round after round of applause. The villain, Frank Blandon was impersonated by Graham Bradley in an admirable way. Lizzie who took the leading lady's part made an inimitable "Chick." The specialties which were interspersed throughout the play were enthusiastically received by the audience.

Manager Albert Dunkel states that the total receipts at the door were ninety dollars and that he will realize a net profit on the entertainment of about forty dollars which will be turned over to the Athletic Union.

State Meet May 27

At a meeting of the J. I. A. A. held in Des Moines recently it was finally decided to hold the state meet on Wednesday, May 27.

This date was picked after a full consideration of the desirability of various dates and with a view of the greatest convenience of the majority.

R. J. O'Brien was in Dubuque yesterday.

MAKE GOOD SHOWING

Ames Athletess Make Good Records at the Home Meet

At the Iowa State College track meet held at Ames last Friday the track team of that institution showed up strong. The hundred yard dash was run in good time, the mile run likewise was a good performance and the hammer throw of 130 feet bids fair to take first place at state meet. As a whole the showing made by Ames compares favorably with that of Drake made Saturday except in the pole vault in which Thurman Chapman was able to clear the bar at 12 feet.

The Ames summaries are:

100 yard dash—Busby.	Time 10 1-5 sec.
Pole vault—W. Smith.	Height 9 ft. 9 in.
16 lb shot put—Fyler.	Distance 36.7 feet.
One mile run—Coates.	Time 4 min. 51 3-5 sec.
Broad jump—Heisey.	Distance 20 feet, 7 in.
220 yard dash—Thompson.	Time 23 3-5 sec.
120 yard hurdle—Kempf.	Time 17 3-5 sec.
16 lb hammer throw—Jorgensen.	Distance 129.6 feet.
440 yard run—Bevan.	Time 57 2-5 sec.
High jump—Mattison.	Height 5.3 feet.
880 yard race—Coates.	Time 2 min. 20 sec.
Discus throw—Warnock.	Distance 101.9 ft.
220 yd. hurdle—Kempf first—	time 27 seconds.
Two mile run—Coates first—	time 11 min. 24 2-5 seconds.
1/2 mile relay won by '06 team—	time 1 min. 38 1/2 sec.

Western Men Win

At the Inter-Collegiate relay races Saturday on Franklin field, Michigan's relay team won the four-mile race in the fast time of 18:39 2-5. Hahn of Michigan ran what seemed to many a dead heat in the hundred yard dash and was given second place. Morgan Park High School took the high school championship. Kellogg of Michigan who beat out Franchot of Yale in the last mile of the race won the contest in the last three hundred yards when he ran away from the heretofore invincible easterner and finished five yards to the good.

No Bids to Students

Colonel George R. Burnett states that no private invitations to the military ball were issued to students. It was the idea of the committee that to a university function like this all students should consider themselves invited ipso facto. No one need feel slighted at not receiving an engraved "bid" to this party for there were none issued except to those outside of the university body who were asked.

MR. HOKACK'S LECTURE

Publicity as a Phase of the Control of Industrial Corporations

Dr. Horack delivered a lecture last evening in room 213 hall of liberal arts under the auspices of the School of Political and Social Science on the subject, "Publicity." Dr. Horack gave some of the conclusions he had reached in his study of the Organization and Control of Industrial Corporations—a subject which he has worked out as his doctor's thesis at the University of Pennsylvania, and which will soon appear in print as one of the publications of the "Equity Series," published at Philadelphia.

Dr. Horack pointed out the utter lack of uniformity in the laws of the several states in their requirements for the organization and control of corporations as well as the fact that the courts in the adjudication of similar cases had arrived at opposite points of view as to the requirements for reporting and the stockholder's right to inspect the corporate books. In conclusion he said that the problem of corporate management is national in extent and cannot be solved by state legislation. Congress must have power to create and dissolve corporations carrying on interstate trade, commerce or business in order to make the proper requirements for publicity efficient.

TRACK MEN LEAVE

Four Members of Track Team Ordered to St. Louis with Company I

Company I, the Iowa City company of the fifty-fourth regiment, of Iowa volunteers left at 3:57 this afternoon for St. Louis to take part in the grand review on the occasion of the dedicatory exercises of the Louisiana Purchase Exposition on May 1.

No less than fourteen of the members of the company are enrolled in the university and four other students have left to accompany their home companies of which they are members. Among those going are Captain Anderson Sidney Hands, Ralph C. Williamson, and P. R. Perrine of the track team. The Company expects to return to Iowa City next Sunday.

The list of those going with Co. I is: R. M. Anderson, R. C. Williamson, G. K. Dunkel, R. C. Chapman, H. G. McClain, E. E. Carlson, B. G. Bradley, Claude Duncan, C. R. Duncan, Sidney Hands, A. C. Johnston, Victor Neander, Francis Nugent and G. W. Yavorsky.

A United Alumni

If the alumni would only get together and realize their strength. Individually the graduates and ex-students of the university are numerous, and loyal. They are ready, individually to help their alma mater in any way they can. They are influential also in the communities where they reside and are in many cases the leaders in political, educational and religious circles. They are doing what they can for the university, too; but their action, without organization or any co-ordinating force is sporadic, its effect lost before that of another is felt. It is like farce expended in running an incessant trip-hammer while if used as power for a stamp mill would crush all before it. If some way could be found of directing this loyal, powerful body of graduates and of uniting their efforts in behalf of the university, they would furnish the greatest power that any institution can have back of it, a united body of thinking loyal enthusiastic alumni.

In Saturday's game the ball team, together for the first time, gave some idea of what can be expected of them this spring.

If it rains as much this summer as it did last a proposition will be made to the next legislature to build a state ark.

Spring football practice is being carried on three evenings out of each week at Iowa State College.

David Earl Mitchel, the new president of Cumberland University, is only twenty-six years of age, and was elected to the presidency of his Alma Mater on the day of his graduation.

The Missouri State University is taking its school of agriculture to those who are unable to attend the school. A modern passenger coach has been fitted up with charts and books; and teachers and lecturers are giving instruction at the homes of the farmers. The plan is said to be successful.

The will of Professor Sylvester Waterhouse, a prominent educator of St. Louis, Mo., who died February 12, 1900, has been made public. He left \$45,000, divided as follows: Washington University \$25,000, Missouri Historical Society \$5,000, Philips Exeter Academy \$5,000, Harvard University \$5,000, Dartmouth College \$5,000. The gift of \$25,000 to Washington University cannot, according to the conditions of the will, be touched until the year 2,000, when it is hoped the fund will have increased to \$1,000,000 by accumulated interest. —Yale Alumni Week'y.
