HAWKEYES TAKE GAME WITH BIG SCORE

NORMAL 13 IOWA 21

Muddy Field Causes Many Errors—Miles Does Good Work in the Box For Iowa

It rained hard Tuesday night at Cedar Falls and the field was deep with mud for Johnnie Vos' ball tossers yesterday. Nevertheless they went in to win and at the end nine innings had succeeded in sending twenty-one men over the plate while Normal scored thirteen.

"Mattie" Miles was in the box for Iowa and despite support which could not be good on the grounds and the muddy, slippery ball, he threw a good, steady game. The fact that the Teachers were unable to score more than they did is largely due to Miles' superior work under the heavy odds.

The score indicated that the game must have been a carnival of errors with no small amount of slugging thrown in to help things along. Normal was three tallies ahead of Iowa at the end of the fifth inning but the next inning brought a total of six runs to the Hawkeyes, the following one, three and to make things sure, eight Iowans circled the diamond in the eighth. The one member of the team who did not score in this inning must have slipped and fell on account of the mud.

The score:

Iowa	3 0 0 1 0 6 3 8 0	—21
Normal	1 2 0 2 2 2 2 2 0	—13

TURKS RECEIVE

Scimitar and Fez at Home to W.O.N.T.S.

The royal Turks, better known as Scimitar and Fez, were at home to the W.O.N.T.S. last night in the K.P. Halls. The dancing hall was decorated in the colors of the girls society red and yellow, red also being the color of the boy's. The music was furnished by the Berryhill orchestra. Besides dancing, games were also provided; and refreshments were served in the halls. Souvenir programs of the occasion were given out at luncheon. These were of yellow pebble paper printed in red. On the front page were the symbols of the order and their song, "Alem mensieb-ol-a Sinnja bi yuks-a-lowa." The giving of this by the boys was greeted with feminine applause. On the inside pages of the souvenir were the roll of members and officers, and the program of events all being printed in Turkish. The menu, however, tasted more modern than the names might suggest. A pretty picture was made, when the girls donning the scarlet fezzes moved to the time of a Turkish dance.

The party last night was the first social event given by the order. It will however be an annual feature of the organization.

MEET MAY SIXTEENTH

Iowa Collegiate Alumnae Will Organize and Ask Membership in National Association

A meeting for the organization of an Iowa branch of the Association of collegiate alumnae will be held in this city May 16. An attempt will be made to join the National Association at the October meeting. To do this requires a great deal of work between now and then. Invitations will be sent out in a few days to all the graduates of the twenty two standard colleges residing in Iowa.

The association was incorporated October 28, 1899 under a special act of the Massachusetts legislature. The act states that they are a constituted body corporate for the purpose of uniting the alumnae of different institutions for practical educational work, for the collection and publication of statistical and other information concerning education, and in general for the maintenance of high standards of education.

The association gives a European fellowship of five hundred dollars annually. Besides this the Woman's Education association of Boston has placed at their disposal another five hundred dollar foreign scholarship. To these fellowships Iowa graduates would be eligible.

By invitation of the Milwaukee branch, the next annual meeting of the association of Collegiate alumnae will be held in Milwaukee, on Nov. 5, 6, and 7, 1903; and Iowa hopes to be able to send a delegate.

Sophomore Debate

Tonight at 8 o'clock in liberal arts hall, the representatives of Irving and Zetagathian Literary societies will meet in the annual sophomore debate.

The question to be discussed is a most interesting one and has been raised a number of times in the national legislature. It is as follows: "Resolved that the freight rates of the United States should be fixed by federal authority. Constitutionality not to be considered." Each man will speak for fifteen minutes, and both sides will have an opportunity for five minutes rebuttal argument.

Irving maintaining the affirmative of the question will be represented by A. C. Gordon, B. S. Allen and J. E. Goodwin, and S. E. Skelley, R. R. Randall and F. E. Snedcor for Zetagathian will argue the negative. The judges chosen are Dean Gregory, Hon. M. J. Wade and Dean Currier.

Subscriptions Due

All cash subscriptions to the athletic union debt are due and payable tomorrow, May 1. The same persons who obtained the subscriptions will collect from those on their lists.

Meyers' orchestra of 10 pieces has been engaged. The program will be a handsome souvenir and will be made up chiefly of Sousa's marches and other latest military music.

An elaborate banquet supper will be served. Mr. Yetter will decorate the armory and he has carte blanche in exercising his decorative faculties, the only stipulation being that it shall be the finest ever.

Numerous electric lights of varied colored shades will lend their effect to the occasion.

The gallery will be open to visitors and the price will be fifty cents. The net proceeds of the ball go to the benefit of the University Athletic fund.

Hesperian Alumnae Banquet

Last evening at the Burkley Imperial a banquet was given by the present membership of Hesperia to the resident alumnae. About eighty guests assembled and before dinner was announced they all indulged in an old-fashioned walk around, a prominent feature of the social events of by-gone days. After a six course dinner Miss Katheryn Martyn, president of the society, called for toasts as follows:

Mrs. Lodge "The Launching of the Ship"

Agnes Safley "Old South Hall" Etta Williams "The difficult night is past, We keep the bridge no more but cross it."

Mrs. Seashore "The Zets."

Cornelia Herman "Geh aus, mein Herz, und suche Freud, In dieser lieben Sommerzeit."

The table was beautifully decorated with myrtle while the society emblem, the narcissus was the dinner favor.

After the toast program the present Hesperians gave their yell in honor of the alumnae who responded with the Hesperian yell of former days.

The Phi Delta Theta fraternity gave an informal dance last evening at the Okapi halls.

The baseball team brought honor to the Old Gold by the Drake game. It is such contests as these that do a fellow's heart good and make it worth while to root all the time and support losing teams and do all the other things that every Iowan does intuitively and still not with the same gladness that he sends up the shout of joy over a clean well-won victory. Yesterday's game, while played under adverse conditions which account for the score, yet shows that the team are stayers and not bluffed out by soggy ground or a wet ball.

The editor of the Iowa City Daily Republican takes violent exception to the conduct of students Tuesday, intimating that

the Odd Fellows were jeered at, while as a matter of fact they were cheered and given the college yell as they went by the university. It was only those who intruded themselves upon the line of march which had been courteously cleared for the Odd Fellows that were the butt of student ridicule.

Mr. Ellsworth, superintendent of grounds and buildings must have been raised on a farm, for he has a warm spot in his heart for those whose tender feet are only used to the ploughed ground and on whose pedal extremities the adamantine surface of city walks bears with anguish, as evidenced by the fact that he spaded up a path all the way up central walk at the side of the hard stones.

Green and white usually blend nicely, but however artistic, they did not look good this morning.

The announcement of the Hawkeye brings a thrill of expectation to many and especially to those who suspect their deeds are caricatured in the great the Hawkeye Magazine.

At the last meeting of the regents of the University of California, a new department of architecture was created and John Galen Howard was appointed its head.

Undergraduate work at Yale has been completely revolutionized by a recent act of the board of trustees. All four years of the college course will now be elective.
