The Festival of Music

The May Festival of Music will be given at the armory on Saturday afternoon and evening. The afternoon program will be rendered by such soloists as Messrs. Van Dordt, Seeboeck and Wagner assisted by the entire Chicago Symphony Orchestra. In the evening the University Choral Society with the help of the orchestra, soloists and chorus from Chicago will render the oratorio "Elijah."

Iowa has no conservatory or school of music. There is no opportunity for the students to cultivate their talent and taste for music except through private schools. Rare indeed is the opportunity to hear at once such soloists, so fine an orchestra, and so

large a chorus on the platform at the same time.

Every student who has any love for fine singing, for beautiful instrumental music should be at the armory on Saturday. It is an assured fact that no one will be disappointed who does attend. The orchestra has appeared here before and the excellence of the choral society is well known. In fact the festival will be a success and every one who attends will be charmed and carried away by the sweet and beautiful music. Be sure that you are one of those who attend the festival.

Ida Grove Wins

In the Northwestern Iowa high school field meet held last Friday, Ida Grove high school came off winner with 51 points. Spirit Lake was second with 28 points.

At Iowa Wesleyan the conservatory of music will give a choral festival lasting two days, with both afternoon and evening programs. The Chicago Symphony Orchestra, which appears here on Saturday, will be one of the principle features.

THE Burlington Route has just issued two publications of great interest to homeseekers.

"Nebraska" is the title of a 48-page book descriptive of the agricultural resources of the state, profusely illustrated with farm scenes and supplemented with an accurate sectional map.

"Big Horn Basin" is an illustrated folder telling all about the rich but undeveloped portion of Northwestern Wyoming. The Big Horn Basin contains wonderful openings for small ranches along good streams, with a million acres of government land open for settlement under the United States land laws.

Both publications will be sent to any address on receipt of two cents in stamps. Address J. FRANCIS, General Passenger Agent, Burlington Route, Omaha

Competition is open to all students who are finishing with the current year, the sophomore work in pure mathematics. The prize of fifty dollars (\$50.00) may be divided equally between not more than two candidates, or may be withheld if it shall appear that the work of no candidate is of a superior order of merit. The subjects to be covered by the examination are Algebra, Geometry, Plane Trigonometry, Analytical Geometry of two dimensions, Differential and Integral Calculus.

The members of the committee charged with the award are Professors Weld, Veblen and Sims, ex officio, Mr. Lorenz and Mr. Mitchell. The questions submitted in previous examinations will be found upon the bulletin board in the mathematical library.

SUMMER SESSION

All students in the college of liberal arts who find it necessary or desirable to shorten the time for completing their course in the interest of an entrance upon professional courses, or for other reasons, or who must do extra work to graduate with their class, are advised and strongly urged to take advantage of the summer session for this purpose. There is reason to believe that the faculty will in the future, more narrowly restrict the allowance of extra hours, especially in view of the opportunities offered by the summer session.
