IN SCANDANAVIA

PROF. VEBLÉN SPENDS SUMMER IN EUROPE

Collects Two Hundred Negatives To be used in Illustrating Ancient Shipbuilding

Prof. Veblén of the Department of Physics during the summer visited the home of his ancestors in the Scandanavian Peninsula.

While in Norway he gave much of his time to studying the life and conditions of the country people. Though many miles from home his patriotism did not wane. For on July 4th a celebration was held in the customary American fashion. The program consisted in singing "America," reading the Declaration of Independence in the Norwegian language and having the accompanying oration which was delivered by Prof. Veblén.

During this journey the professor secured some two hundred negatives the majority of which are scenery, the others pertain to ship building. These in addition to the literature he procured will greatly aid him in pursuing that subject. Before returning to America Prof. Veblén also visited the Universities of Christiana and Upsala, the latter being the oldest university in Sweden.

MARRIAGE BARS FROM COLLEGE

Beloit Senior Breaks Odd Rule and is Punished by Faculty.

Charles S. Buck, a member of the senior class of Beloit College, will not be permitted to finish his course at that institute because during the summer vacation he was married. Solely for this reason he has been debarred from further study in the university. The laws of the college forbid students marrying while attending college, and Buck must pay this penalty for marrying Miss Della M. Simpson at Epworth, Iowa, on June 25.

Buck was a leader in athletic, musical and oratorical circles, and was a member of the college male quartet last year.

His class has petitioned to have him reinstated, but the faculty has refused to do so, saying the rule against marrying must stand.

Chess Club

The Hawkeye Chess Club will have a business meeting Tuesday at 6:00 P. M. in the General Assembly Hall. The business before this meeting will be the election of officers and the consideration of the report of the committee to secure correspondence games with other Universities. All old members and all students interested in chess are urged to be present.

A NOTED ALUMNUS

PAUL BARSTCH VISITS THE CITY

Is Collecting Geological Specimens for the Smithsonian Institutue at Washington

Paul Barstch a graduate of the liberal arts college of the class of 1896 left Saturday night for the east after having spent several days collecting specimens from the fossil beds at Turkey Creek and from the coral formations across the river. Mr. Barstch was working in the interest of the Smithsonian Institute of Washington D. C. with which he is connected.

Mr. Barstch holds the chair of histology and biology at Columbian University. He has also been connected with the Howard University. He is considered as one of the leading scientists among the younger men in science.

The coral beds, across the river from the university, are the best example of the geological formation they represent of any beds in the United States.

HAMILTON ORATION

Rules Governing the Contest

A new field of oratory is opened to the students of the University by the Hamilton Club of Chicago. This organization offers a first prize of \$100 and a second of \$50 for the best oration on Hamilton or his contemporaries or the events with which he had to do.

The under graduates of the Universities of Chicago, Illinois, Indiana, Iowa, Michigan, and Wisconsin, Northwestern University and Knox College are eligible to participate in this contest.

Every contestant will be allowed \$5 to defray the expense of getting his oration printed. Fifteen copies of the oration must be sent to the chairman of the committee so that they will reach him before November 15. Eight of these must contain the name of the college and author and the other seven should be sent without these names. The oration must be printed with brevier type on twenty-four pound folio writing paper. The pages should be four by six with one and one-half inch margin.

From all the orations received four will be selected to be delivered in the final contest held each year in Chicago on January 11, or the night preceeding if the 11th falls on Sunday.

The four final contestants are allowed a certain sum each by the Hamilton Club for their expenses. This allowance for an Iowan is \$25.

As the field for selection of subjects is broad and often entered for orations in any contest it is to be hoped that several Hawkeyes will enter the contest.

LIBRARIANS MEET

STATE ASSOCIATION TO BE HELD THIS WEEK

Several University People Will Take Part—Program will be Interesting

The annual convention of the Iowa Library association will be held in Marshalltown Monday and Tuesday of this week.

The principal lecture of the meeting will be delivered by John Corton Dana, public librarian of Newark, N. J., considered to be one of the most progressive library men of the day. His subject will be "Library Opportunities." He is well known in national library circles, and is a contributor to the leading magazines treating of library subjects. Other speakers at the convention will be Pres. Geo. E. MacLean, Dr. B. F. Shambaugh, who will read a paper on the State Historical Society and Miss M. E. Ahern, of Chicago, editor of public libraries.

Misses Sawyer and Colcord of the general library expects to attend and Miss Buddington the librarian of the historical library. During the convention there will be several pleasing social events in honor of the visitors. The City Federation of Women's clubs will give a drive about the city, and the Twentieth Century Club will give a reception. Souvenirs, in book form, showing views of the interior and exterior of the Marshalltown library, and scenes of the city, are to be given to the delegates. Altogether the convention promises to be one of the best that has been held in the state.

The officers of the state association are Johnson Brigham, Des Moines, president; Mrs. C. H. McNider, Mason City, vice-president; Miss Cora Estabrook, Eldora, secretary; Hale Douglass; Grinnell, treasurer. The library commission is composed of Johnson Brigham, Richard C. Barrett and George E. MacLean, members ex-officio; Mrs. Harriet C. Towner, Corning; Miss Jessie Waite, Burlington. Mrs. Lizzie Norris, Grinnell; Hon. W. H. Johnston, Fort Dodge; Alice S. Tyler, Des Moines.

NEW OFFICERS

They were Elected by the Elder Daughters

At a meeting of the Elder Daughters of the University held in the tower room at Close Hall Saturday, the following officers were elected for the ensuing year: Mrs. J. W. Rich, president, Mrs. Adeline Hershire, vice-president; Miss Dodder, recording secretary; Mrs. Adeline Jones, corresponding secretary; Mrs. Kate Rogers, treasurer; Mrs. Hardy, custodian; Mrs. W. J. Haddock, member of executive committee.

IOWA SCORES

JONES IS THE STAR OF GAME

The Team Shows Marked Improvement over Previous Games

In spite of the heavy rain on Saturday afternoon, Iowa played the game scheduled with the State Normal team, and succeeded in running up the score of 29 to 0. The game was played in all kinds of weather from brightest sunlight to heavy rain. The field however was very good being covered with a heavy growth of grass. This was greatly appreciated by the Iowa team, after playing the first two games in the mud.

Iowa started to play ball as soon as the whistle was blown, and by long end runs and fine line bucking succeeded in scoring a touchdown after 8½ minutes of actual play.

After this the touchdowns were made in rapid succession, and the ball was in Iowa's possession during almost the entire game. Only once did the Normal eyes hold Iowa for downs, but several times they secured the ball on fumbles. On the other hand, Iowa repeatedly held the Normal team for downs and forced them to kick. A greater part of the second half was played in a heavy down pour of rain, but this did not seem to materially affect the playing of either team.

Of the six touchdowns made during the game, Jones made four, and Allen and Brecke each scored one. Jones did fine work and kicked five out of the six goals. The touchdown by Brecke, was rather unexpected, as he secured the ball on a fumble and carried it thirty yards through the entire Normal team. All of the players did good, work and Jones and Griffith were unusually good.

The Normal team depended mostly on the work of Strawn and Streff at ends and Tom Jones at full. All did fine work, and were in the game both on offense and defense.

The playing of the Iowa team showed marked improvements, and with good weather this week there is no doubt the team will be in fine shape to meet Drake next Saturday.

"Every student will look in THE DAILY IOWAN for official notices as all the official orders are published there. I would advise every student to subscribe for the DAILY IOWAN."

PRESIDENT G. E. MACLEAN.

The lack of spirit shown by the freshmen this year, in the cross country, runs stands out in sharp contrast with the record of last season when the class cup was won by "Liberal Arts '06."

Board Changes

THE IOWAN board wishes to announce the promotion of O. Longueville who has had considerable experience in newspaper work and will add strength to the board. He will for the present have charge of the athletic work, and we can assure our readers of some ably edited articles.

It is with the greatest regret that we are forced to accept the resignation of J. T. Kunz as associate editor. Mr. Kunz has been with the IOWAN since the beginning and has been an able worker as well as a pleasant associate.

Monday Issue

Starting with today the IOWAN will attempt to issue upon Monday. Since the IOWAN was started two years ago, it has been the hopes of the management to be able to issue six times a week instead of five. To do this means a heavy additional expense as well as more work

for the editors. The management believes that it can be successfully done. They believe that a university like Iowa demands it. The question remains will Iowa support it? To do it we must have subscribers and advertisers. And aside from financial aid we must have the moral support of students, faculty and townspeople. It is only when we have such support that we can make a paper that will be a pleasure to you and a credit to the university.

A MONDAY ISSUE
OF THE
DAILY IOWAN

THE DAILY IOWAN begins today the publication of a Monday issue. It was the intention of the founders of the DAILY to issue on Mondays as soon as possible, making an issue for every week-day.

The continuance of the Monday issue throughout the year will depend largely upon the support given it by the university students, professors and alumni.

If all the students who do not now subscribe will send in their subscriptions, the manager of THE IOWAN promises a Monday issue throughout the year. THE IOWAN is fairly entitled to hearty support from every student. It is the university newspaper published for the university, does a great deal for the university, and is just as good a paper as its university support permits it to be.

The way to support THE IOWAN is to subscribe for it. \$2 anytime before January 1, or \$2.50 after that date.

Roy A. Cook,
Manager Daily Iowan,
Iowa City Iowa.

Says Nebraskans Are Amateurs

LINCOLN, Neb. Oct. 5.—At a mass meeting of students' of the state university Saturday in the interests of the support of the football eleven, Chancellor E. Benjamin Andrews was speaker. The chancellor said he was proud that the team is now free from professionalism, and represents the true spirit of amateurishness which alone makes the sport agreeable to the educators. The remarks were significant in the light of the last year's eleven, of which several of the members were not in the university after the close of the football season.

AMUSEMENTS

Among the players engaged to interpret the roles in the latest melodramatic success "In Convict Stripes," which will be seen here next Friday night are Vivion Prescott, Hattie Laurent, Minnie Pearl, Alice Leise, Minnie Leise, Ruth Leise, Archie K. Christie, J. A. West, Walter Hurton, S. A. West, Harold G. Moran, Arthur O'Brien, Willis L. Holmes, Hiram Cornell, Louis Cujbane, W. LeRue and others.

The gowns worn in the new production "A Gambler's Daughter" are all stunning, not of the usual flimsy type, but made of genuine drawing room materials, rich in color and of costly texture at the opera house next Wednesday.

Under the direction of Mrs. Florence V. Coleman the sparkling little operetta, "The Land of Pie" will be presented at the opera house the evening of October 8 and 10.

My Dear Son:—

I am glad to hear from you, and to know that you like Iowa City. I am sure as you know the city better, you will find some of the brightest spots in your life will be associated with your stay at Iowa.

Do not get discouraged. Emerson says, "He only is a well made man, who has good determination."

I would not advise you to look for trouble. Some of the men who have dropped remarks for your benefit probably have recollections of their experiences. Use your best judgement. Do what you think is right.

As to the Fountain Pen. By all means buy a good one, and get a Parker "Lucky Curve." I have been using one for five years, and it has operated perfectly, while the Blank which Charlie has, smears his fingers so much that I do not want you to be so troubled, so buy the right kind. The Accident Policy you will get with the Parker will probably be worth, in the course of a year at least \$1.00 to you. Let us know how you like the pen. Get the Parker No. 24.

Old Bill seems to miss you, as every time I walk in the stable, he whinnies and looks around as much as to say, "Is that you John."

We will expect a letter from you at least once a week. Your sister Vivian sends her love.

Your affectionate Father
OGDEN H. WILLIAMS.

No meeting for purposes of organization has been held as yet, but the policy of last season will undoubtedly be adhered to in offering both individual and class cups, for a series of competition runs, to be held later in the season. In the practice runs, for the present no sprinting at the finish will be allowed, and a slow pace will be made, so that new men without experience should have no hesitation in coming out.
