## SCIENCE OF MAN

### ANTHROPOLOGY SOCIETY FORMED LAST NIGHT

Students Are Eligible on Payment of Small Fee—Secretary Chosen

For the past two years there has been considerable talk in the city, about the subject anthropology and the organization of an anthropological society.

About a week ago a call was sent out to those interested in the subject and Monday night, pursuant to the call a score of people met in the liberal arts building.

A temporary organization was then formed with Prof. Calvin in the chair and Dr. Ward as Secretary.

After a lengthy discussion as to the sphere of the proposed association and its relations to other allied bodies, a constitution was drawn up and adopted. The meeting then proceeded to the election of a permanent secretary, whereupon Dr. Duren J. H. Ward was elected.

It was then voted to adjourn; to meet at the call of the secretary presumably within two weeks.

The following constitution was adopted:

Believing that knowledge both of earlier and later man is now so far advanced as to render it possible to collect and systematize numerous archaeological, biological, sociological, ethnical and historical facts; and wishing to co-operate in this important movement of Science.

Therefore, the undersigned unite to form the Iowa Anthropological Association.

I. This Association shall have its headquarters at Iowa City, Ia.

II. Its object shall be to promote the Science of Anthropology.

III. It shall hold a yearly meeting for the hearing of reports, papers and projects, and for the election of officers. Other meetings may be arranged for and held from time to time.

IV. It shall elect a President Vice-President, Secretary, Treasurer, and an Executive Board. The Executive Board shall consist of the President, Vice-President, Secretary, Treasurer, and five additional members. Five members of the Board shall constitute a quorum.

V. The Executive Board shall meet quarterly, and at the call of the president or on the request of two other members.

VI. The Executive Board shall publish the purposes, programs, reports, papers, etc., of the Association through whatever means it finds most practicable.

VII. Membership is obtained by the approval of the Executive Board, and the payment of one dollar annually.

## FREE FELLOWSHIP

### WELLESLEY COLLEGE GIVES ONE TO WOMEN

The Alice Freeman Palmer Fellowship to which Women of Iowa Are Eligible

The following prospectus may be of interest to College women:

"The President and Faculty of Wellesley College have the honor to announce that the Trustees of Wellesley College have lately received the sum of twenty-five thousand dollars (\$25,000), to endow the Alice Freeman Palmer Fellowship.

The holder of the fellowship must be a graduate of Wellesley or some other American College of approved standing, a young woman of good health, not more than twenty-six years of age at the time of appointment, unmarried throughout the whole of her tenure, and as free as possible from other responsibilities. The same person will not be eligible to the Fellowship for more than two years.

The Fellowship may be used for study abroad, for study at any American College or University, or privately for independent research. But several times during the period of tenure evidence must be furnished that the Fellowship is being used for purposes of serious study and not for general culture.

In accordance with these provisions, the President and Faculty of Wellesley College request nominations for this fellowship to be in the hands of the President not later than February 1, 1904. Further details as to application for the Fellowship may be obtained of the president after October 1, 1903.

The Dramatic Club held their first meeting last night at Miss Evert's room.

Octave Thanet gave a reception to the new girls last evening at their home at Close Hall.

"We all shall have some Pie both they and you and I" at the Opera House Oct. 8 and 10. d-5

Williams of Gilman, Leach of Elkader, Pascal of Bedford, all of the '05 Dental class, have been initiated in Xi Psi Phi fraternity.

Professor Wilder of the department of Geology gave an interesting talk Sunday at Y.M.C.A. upon the need of Bible study.

Dean Alice Young assisted by Mrs. MacLean, received the young women of the University in the Drawing room, Saturday afternoon, from four to six. Rain and the foot-ball game kept many away who would otherwise have been present but still a goodly number enjoyed Miss Young's hospitality. Bon bons were served by Misses Clara Preston and Maude Smith.

## MORE BIBLE STUDY

### LACK OF CHURCH TRAINING DEPLORED

Chancellor of New York University Deplores the Lack Among Students

Chancellor MacCracken of New York University deplored the lack of church training shown by the average student in his annual address to the student body Saturday. He said: "I wish we could require from every freshman a Sunday school diploma that would certify that he knew by heart the Ten Commandments, the Sermon on the Mount, a church catechism of some kind and a score of the scripture Psalms and best classic hymns. This university will join any association of universities and colleges that will demand this as an entrance requirement."

### Country Club Wins

The tournaments between the Iowa City Golf Club and the Country Club was held Saturday afternoon on the links of the Iowa City Golf Club. Owing to the rain not all the players were able to complete the two rounds. However the contest was full of interest and very close. The Country Club won by the narrow margin of two points. The scores were as follows when the rain ended the contest.

Country Club I. C. Golf Club Eastman lost to Lambert 4 pt. Westfall won from Fullerton 9 pt. Gordon won from Plum 6 pt. W. Gordon won from Hagen 6 pt. Carpenter lost to Cady 2 pt. Fairbanks lost to Seashore 13 pt.

The match between A. C. Gordon and Finkbine was a draw.

Efforts are being made to complete arrangements for a golf match between teams representing the Universities of Chicago and Iowa this fall.

### Literary Chat

In the current number of the Scribner monthly magazine the prominent state universities of the west are mentioned in a write up. The article deals with the life in the several schools and is illustrated by some of the best buildings to be seen at the several schools. Iowa is represented by a picture of the liberal arts building. The building shows up in excellent contrast with other buildings shown.

### Edson to Wed

Invitations have been received in this city announcing the coming marriage of Willis Edson and Miss Gail Sweeney at Osage on the 15th of this month. Mr. Edson was the crack half back on the varsity foot ball team in '99 and '00. Mr. Edson has many friends in the city and the university who will wish for him a happy married life.

## PRACTICE IS GOOD

### TEAMS DO FAST WORK ON SOD FIELD

Drake-Iowa Game Next Saturday, Will be a Good Exhibition of Football

The practice last night was held on the field, where Saturday's game was played. The field has an excellent sod surface and will do much to help the men, in developing speed in their playing. Practice will continue to be held there until Iowa field can be put into condition for use.

The work last night was harder than any previous night, and the team showed a snap and vim, which has been lacking up to this time. The work will continue along these same lines, so as to get the team in good condition for the game with Drake on next Saturday, and with Minnesota on the 17th.

The Drake team will be the hardest proposition of any of the state teams that Iowa will play. Then playing will be better, because of the fact that there will be a large number of rooters, from Des Moines, to help them win the game. It is hoped that the weather will be pleasant so that all who are interested in the Iowa team, will have a chance to turn out and see this game, and cheer Iowa on to victory.

The Des Moines crowd, will arrive during the morning, about 400 strong, so that the blue and white will be greatly in evidence at the game.

### Approved Tutors

The following have been appointed tutors, in mathematics Miss Carrie L. Groendycke, and Paul Dorweiler; in German Josef Wiehr; in English Cora G. Curtis.

Sigma Nu Saturday initiated Dixon, '07, of Worcester, Mass. Earle Cutler, D. '04 of Osage and Stanley Smith, L. '06 of Osage.

The first monthly business meeting of the year for the Y. W. C. A. was held at 4:30 today at Close Hall. The Cabinet meet at 4:00 o'clock.

Hesperia gave its first program for the year Saturday night. After the usual good program the members and friends enjoyed a spread in the hall.

Prof. Veblen will give an illustrated lecture. "A Visit in Norway" at the opening meeting of Edda Sat. Oct. 10, 7:30 P. M. Physics Lecture Room. Open to public.

Dr. Andrews will address Sigma Xi and its friends on Science in its Relation to the Ethical Sentiments, General Lecture Room, Wednesday evening Oct. 7th at 8:15 P. M. Admission will be by invitation only.

PRESIDENT G. E. MACLEAN.

We had better begin to prepare for another rain, and football victory on Saturday.

Once more the Hawkeye board have begun the publication of the best annual ever issued by junior class.

We have no big scores to our credit, but we have managed to keep our goal from being crossed so far.

It looks now as though this year we may miss the canvasser with season tickets for the lecture course.

From the activity already shown by the Christain Associations we can promise an even more successful year than last.

From the press reports of the number that took part in the Freshman-Sophomore scrap, there must be a big attendance at Iowa this year.

The freshman probably considers, from the amount of rushing he is receiving, that he has a host of friends. But before joining any organization he should think seriously of his choice. For the friends made in the various societies are the friends of after years.

The cross country runs, that proved so popular last year should not be allowed to lag this year. The runs were of great value in keeping the men in training. Then they afforded an exercise in which a large number could take part. Moreover they were a form of exercise not violent.

SUBSCRIPTIONS

TO THE DAILY IOWAN  
Will be received at Wieneke's Arcade Bookstore, THE DAILY IOWAN office, by any of the editors of the paper, and by solicitors having authorization from the manager.

Subscriptions need not be paid in advance, though you may find it convenient to do so, but may be paid for at the rate of \$2 before Jan. 1 or \$2.50 after Jan. 1, as suits your convenience. Out of town subscriptions received at the same rate as in the city.

Addresses may be left at any place where subscriptions are taken, or mailed to THE IOWAN.

The paper will be delivered regularly to all subscribers.

As the University Daily, THE IOWAN will contain important faculty and under graduate notices, the accounts of games, intercollegiate telegraphic news, reports of lectures, and all interesting facts regarding the activities of Iowa and other universities. It will also prove to be a valuable record for reference, illustrated by occasional half-tone cuts.

To the under graduate students, THE IOWAN is indispensable. It contains the official bulletins which every student must read. Pres. Geo. E. MacLean and Dean Amos N. Currier both advise every student to take the university paper.

The gowns worn in the new production "A Gambler's Daughter" are all stunning, not of the usual flimsy type, but made of genuine drawing room materials, rich in color and of costly texture at the opera house next Wednesday.

"In Convict Stripes" is a play that takes possession of the spectator and moves him to tears and to laughter with equal skill. It tells a horrible story of the life amongst the hills of South Carolina. It will be seen at the opera house on next Friday night.

The King of the Land of Pie has ordered his Lord Chamberlain to make a Treasury Pie, to be divided between his three daughters and princesses, at their marriages with three princes, living near. The Lord Chamberlain directs the making of the pie and pockets much more than his share. He resorts to villainy by encouraging the princesses to break with their princes, for then he thinks he can manage the whole of the pie. He nearly succeeds but is foiled by Kit Cat, the court jester. Kit Cat straightens things out, the princesses find they are unhappy after giving their lovers the mitten. They reconsider, make up with the princes and all ends happily. # NEW FALL GOODS

We can save you money on everything you buy, and enable you to make a selection far more satisfactory than if you order from a catalogue house.

We place before you a stock of first class goods at prices that are positively the lowest. Your neighbors are our customers; they give us their trade simply because we sold them strictly first class goods for less money than they could buy the same elsewhere, and at the end of the year found they had made an average saving of

**25 per cent**

on their purchase. If your neighbors find it to their advantage to trade with us, why not you?

If you have been trading with a catalogue house consign the catalogue to the flames and trade at your own home. (Where you earn your money.) Remember your own merchants are interested in you and wish to hold your trade, where an outside firm cares only for your money.

Weigh this in your own mind and you will see that we are right.

I attribute the supremacy of the Parker "Lucky Curve" Fountain Pen to the years of thought I have given to its perfection. I will guarantee every fountain bearing my name to give its owner satisfaction, and also guarantee any of the rubber parts against breakage, accidental or otherwise, for one year (See Accident Policy) I could not do this if I did not make an honest pen, a pen capable of many years of satisfactory use.

Parker Pens are made in various styles to suit varied requirements, such as correspondence, shorthand writing, bookkeeping, manifold (that is, making duplicate and original copies at one writing), and, in fact, for every purpose where writing is done. No student is properly equipped whose outfit does not include one of these pens. They range in price, starting at \$1.50, to \$2.00, \$2.50, and upward, according to size and ornamentation. A more moderate priced pen—the Palmer—I sell for \$1.00. If you cannot find one of the 9000 dealers who sell the Parker Pen order direct from me.
