FALL FIELD MEET

ENTRIES SMALL BUT GOOD RECORDS MADE

Men Are in Good Condition And Prospects Good For Spring Work

The annual field meet was pulled off yesterday afternoon. Although a small crowd was out it was an enthusiastic one. The boys showed up in good form despite the small amount of training which they have done.

The short events showed great gain over last year. W. Davis of Cresco shows exceptional ability; Crane, although he has trained a very small amount, is in excellent form and came within one half inch of the state record. McMahan made great gains with the discus.

Weinrich in the pole vault did excellent work, as did Ross in the broad jump, and Barker in the high jump showed up well.

In the 100 yd. dash, Davis won first in 10 1-5, Rivers second and Coyle third. In the half mile, Young was first in 2:15 3-5 and Parsons second in 2:16 3-5. In the 220 yd. dash, Davis won first in 23 2-5, Rivers second and Coyle third. In the mile run, Shaw won in 5:32 and Williamson second. In the high hurdles, Anderson won first in 17 1-5 Barker second and Davis third. In the shot put, Crane made 38 ft. 9 1/2 inches, McMahan, 35 ft. 2 1/2 inches, and Durkee, 34 ft. 7 in. Swift tossed the discus 112 ft. 1 in., McMahan 105 ft. 1 in., and Durkee, 91 ft.

Ross in the broad jump made 20 ft. 3 3/4 in., and Weinrich and Barker tied second at 20 ft. 1/2 in. Barber in the high jump made 5 ft. 6 in. In the vault, Weinrich made 10 ft and Smith made 9 ft. 6 in.

Captain Swift was well satisfied with the result although the list of entries was small yet the speed of the men predicts a track-team of considerable force in the spring.

E. E. Carlson C. E. '03 is the democratic candidate for county surveyor in Ida County.

President G. E. MacLean is honorary president of Iowa Fellowship of the American Society of Religious Education which meets in Cedar Rapids on October 30th, 31st and November 1st.

Prof. C. F. Ansley of the department of English will attend the Southwestern Teachers Association at Council Bluffs the latter part of this week. Prof. Ansley will have charge of the English section. During this journey he will visit the public schools at Stuart, Atlantic, and Council Bluffs. It is the plan of the department of education, to have some representatives of the other departments assist in the inspection of the public schools of the state.

WOMEN SHOULD EXERCISE

Dr. Leora Johnson Addresses The Women of University

Dr. Leora Johnson addressed the young women of the University yesterday afternoon at 4:30 in the auditorium on the subject "Hygiene." She said in substance that exercise should be a most important part of every young woman's life in order to gain perfect health, and walking is the best exercise. In comparing the English girl with her American sister, Dr. Johnson said that an American girl was easily recognized in Europe by her talk and her erect walk, and her neat stylish appearance. The English girls have beautiful complexions, but are untidy. Another necessary item is proper food. Late suppers and dinners and eating between meals are invariably harmful. A good rule to follow is the old fashioned one of "Eight hours for sleep, eight hours for play, eight hours for work." At the close of the lecture Dean Young announced a "University Walk," to be taken Saturday afternoon at two o'clock by the young women of the university, the weather permitting. This is not compulsory but is for any one who cares to come. Miss Kastman was invited to lead the walk.

GAME FOR SCRUBS

Will Play Independence High School October 31

The Iowa scrubs will play Independence high school on Iowa field October 31.

Manager Spangler has arranged to play this game as a curtain raiser to the Nebraska game.

The Independence high school team is one of the strongest high school teams in Northeastern Iowa. It defeated Cresco 17 to 0 and bested the State Normal scrubs 12 to 0.

E. S. White for Regent

The Council Bluffs Nonpariel announces the candidacy of E. S. White a prominent attorney of Harlan, for a place on the board of regents to succeed the Hon. Shirley Gilliland of Glenwood in case of the letter's election to state senate November 3. It is said that Shelby county is very much interested in Mr. White's candidacy since many Iowa alumni reside there, who regard him as a very suitable candidate. Concerning Mr. White the Nonpariel says: "Mr. White has ever been an enthusiastic alumni of the State University and has kept in touch with that institution so that he is well qualified to participate in its control."

The assembly this morning consisted of a musical practice Mr. Goodwin accompanied by Miss Chase led the students in practicing the hymns in the new song books.

THIS YEAR FORENSICS

LEG OPPORTUNITIES FOR IOWANS

Hard Inter-Collegiate Contests But Prove Iowa's Strength In This Field

A few weeks hence and the forensic season will be upon us. To students of Iowa an unusually rich field is offered this year. Four inter-university debates, two, and possibly three inter-university oratorical contests, the six preliminaries for the above contests, and the inter-society debates constitute the schedule in the Iowa Forensic field.

The earliest of these inter-university contests will be the Hamilton Club prize oration on January 1 and the Illinois debate on January 15.

The neighboring schools who are eligible to the former are pushing their preparations for the home contests as all orations must be in the hands of the committee of the Hamilton Club before November 15. Thus far but one candidate from Iowa is writing for this contest and should no others present themselves he will be declared the Iowa representative without a preliminary contest.

The Illinois debate concentrates about it the greatest interest of the Oratorical Association of that university. Arrangements are being made to choose the Illinois representatives for this debate from all the colleges of the university upon their ability of handling the question, "Resolved, that the 'closed shop' system is detrimental to the permanent interests of organized labor" on November 14. The six having the highest mark in this contest will have another contest on November 25. The three highest in this will be declared the representatives and the other three alternates.

Under the terms of the compact Illinois submits the question this year and Iowa has the choice of sides.

Dramatic Club

At the meeting of the Dramatic Club the following officers were selected: president, F. D. Kern; vice-president, L. D. Bedford, secretary and treasurer, Sadie Jacobs, and manager, W. M. Baughn.

G. E. Hill, W. M. Baughn and Madge Young were selected on the committee to choose the play that will be presented later in year.

Earl Sweet L. '01, left yesterday for his home at Minneapolis Kansas.

James Remleys L. '01, returned to Anamosa after a short visit with friends at Iowa City.

HARD PRACTICE BEGUN

Coach Chalmers Begins Preparations to Meet Nebraska

Coach Chalmers gave the varsity a hard practice on Iowa field last night. Preparing for the Nebraska game on Iowa field October 31, is a task which will require great work from all the players for the next two weeks.

The Grinnell game which comes Saturday will not be an easy one for the team and the game with "Bummie" Booth's Cornhuskers the Saturday following will push the Hawkeyes very hard to win.

Johnston was put at center on the scrubs yesterday where he played a fierce game against Ballard who was promoted from the scrubs. Johnston's work in practice yesterday was some of the best he has ever done. Allen played at fullback and Fritzel and Will Davis took the halves. Davis played well on offense but still shows the weakness on defense that has so far kept him off the varsity.

Fred Moore of Harlan played left end in a creditable manner. Ross, was tried for a short time at fullback, but was not heavy enough for the position.

Bateman, playing right end on the varsity, achieved the feat of scoring on the varsity, picking up the ball on a fumble and running 60 yards for a safety because some one told him that was the way to go.

Coulthard and Watters will probably be able to be in the line up tonight. The regular varsity players are now getting able to line-up in the scrimmages and excellent practices from now on are to be expected.

Alumnus Honored

F. A. Beckman '97 who entered journalism after leaving the university is rapidly rising in his chosen profession. After reporting for the Council Bluffs Nonpariel he became city editor of the Sioux City Journal. He left this position to become managing editor of the Nonpariel. Lately he has been given complete charge of the news service and a position on the editorial staff of the Register-Leader.

F. D. Kern and his sister went to their home in Reinbeck this morning to attend the wedding of a friend.

Minert C. E. '06, of Waukon and Williams L. A. '07, of Iowa Falls were initiated into Phi Delta Theta last night.

Professor B. Shimek is recovering from a long siege of rheumatism and is again able to meet his university classes.

C. N. Jones L. '96 who has been a guest of the Sigma Nu fraternity, returned to his home at Davenport yesterday. Mr. Jones is a prominent lawyer at Davenport.

Hard Forensic Contests

Never before has Iowa had such a heavy schedule for her debating teams and her orators. It speaks well for the standard which we have made for ourselves. Our past record has been one that honored us. In our few defeats the contests were so well fought that they brought us honor. Every member of the literary societies should help to make the preliminary contests so hard that only the very best will represent Iowa in this years heavy contests. We are confident that Iowa will sustain her past, but to do it means work. No one is big enough to live on a past reputation.

University Credit in Forensics

The faculty at Michigan have voted to give two hours college credit on forensic work, to leaders of inter-collegiate debates and oratorical contests. This action has been widely heralded in the college world. It has been praised as a much needed and just innovation in which Michigan has taken the initiative. For several years Iowa has been giving University credit to her debaters and orators. The opportunity is given to schedule for two hours in the public speaking and political science departments which covers such work. Forensics naturally and logically comes in the work of these departments, and Iowa has officially recognized this fact. It is a part of the modern tendency of schools

to make their work practical and to recognize the work of those, who do something. A practical application of education reflects honor upon the individual and his school.
