## TEAM IN GOOD SHAPE

### ALL SAVE JONES OUT THIS AFTERNOON

Jones not Badly Injured—Will be out Tomorrow—Hard Practice for the Nebraska Game

The varsity candidates reported for practice on Iowa field this afternoon in excellent physical condition, with the exception of Jones, who by Coach Chalmer's orders, rests today. Jones was not badly injured Saturday and he attended his classes this morning. He will be out for practice tomorrow and will be in good shape for the game with Nebraska Saturday.

Hard work in preparation for Nebraska is the program on Iowa field this week. The team has weathered the worst part of its schedule and with the old men recovered from their injuries and with the new men who have turned out a strong line up will be presented against Nebraska.

## JUDGES SELECTED

### PRELIMINARY TO HAMILTON CONTEST

Test on General Delivery will be November 6th Orations will be Judged on Literary Merits

Four contestants appeared at office of Prof. Gordon Saturday morning to determine the date for handing in the orations for the preliminary struggle for the Hamilton Club contest which takes place in Chicago, January 11, 1904.

The oration must be handed in by noon of Friday, November 6. The judges selected are Professors Ansley, Wilcox and Shambaugh. These men are to act as judges on thought and composition.

The test in delivery is to consist of a presentation of any selection which shall contain not more than two hundred words.

The judges on delivery are President MacLean, Professor Macbride, and Miss Everts.

The time for the delivery contest is set for Friday afternoon November 6.

Those who have entered the contest thus far are, H. G. Walker, Joe Johnson, H. L. Bryson, and K. D. Steere. Their orations have dealt with Hamilton, the man.

Professor Veblen visited a Cedar Rapids Saturday.

Dr. L. W. Andrews, of the chemistry department, went to Grinnell Saturday on business.

C. B. West '02 and C. G. Martin of Des Moines visited at the Sigma Nu house over Sunday.

## Nebraska's First Trans-Missouri Game Will be on Iowa Field Saturday

Nebraska's first Trans-Missouri game this season will be played on Iowa field Saturday.

No reliable comparison of Nebraska and Iowa can be obtained from the games the Cornhuskers and the Hawkeyes have played this year. The Nebraskans have defeated the University of Denver, the University of Colorado and the Haskell Indians. Unfortunately, nothing is known of the strength of these teams, and hence Nebraska's strength will remain an unknown factor to Iowa until the game Saturday.

Nebraska has most of her old team back this year, however and the new men are reported to be excellent.

### FIRST GAME IN FOUR YEARS

Iowa has not played Nebraska in football since 1899, when the Nebraskans were defeated 30-0. The previous year Coach Yost had the Nebraskans. Iowa won the Thanksgiving game with Nebraska 6-5.

Nebraska comes to Iowa field expecting victory. A large portion of this hope is due to Iowa's showing against Minnesota.

A game between the Iowa scrubs and the Independence high school team will be played as a curtain-raiser to the Iowa-Nebraska game.

### IOWA 17, GRINNELL 0

Iowa defeated Grinnell 17-0 on Ward field Saturday. Grinnell played a good defensive game, Carson at halfback and Dack at tackle showing up especially well. After the game was well in hand, Coach Chalmers put in substitutes for Capt. Coulthard, Watters, and Allen so as to save them for the Nebraska game.

Gibbs scored the first touchdown for Iowa after center plunging had made Iowa's gains to the goal line. The second touchdown was made by Jones after end runs and tackle bucks had taken the ball down the field to Grinnell's goal-line.

Iowa's third touchdown was

made in the second half by Griffith on a fifty-five yard run after picking the ball up from Capt. Van Lieu's fumble of a punt.

The Iowa backs showed improvement in running with the ball, but in running in the interference did not do as well as in the Drake game. Iowa's line from tackle to tackle was not impregnable, especially for a short time in the second half, when Grinnell advanced from her thirty-yard line to Iowa's thirty-five yard line.

The showing made by Knapp and Coyle, the substitute ends in the second half was excellent. Knapp punted after Jones was taken out and did the best work of the day.

Griffith played the best game he has yet played for Iowa. He seldom failed to return Grinnell's punts to the line, from which Grinnell had punted. He was well in the interference in the plays, and played an all around excellent game.

Jones played a fine game for Iowa. He was injured in the second half by running into spectators who had crowded onto the field near the west side-lines. He was not badly hurt, however, and will be in the scrimmage on Iowa field tomorrow.

On account of the lack of rates, only a small crowd of Iowa rooters accompanied the team to Grinnell.

### The line-up was:

Iowa		Grinnell
Coulthard,	le	Benson
Knapp		
F. Buckley	lt	Auracher
Donovan	lg	Doran
Johnston	c	Shipman
Schwinn	rg	Toole
Magowan	rt	Dock
Watters

## CITY GOLFERS WIN

In the golf contest at Cedar Rapids Saturday, the Iowa City team won out by a final score of 7-6. The individual scores were:

I. C.	C. R.
Finkbine 0	Ferguson 2
Westfall 2	Bolton 0
Lambert 1	Benedict 0
Eastman 0	Lundy 4
Gordon H.E. 1	Beaver 0
Gordon A.C. 3	Dunchee 0

Total 7 6

Several low scores were made. Westfall scored 82, Finkbine 81, Ferguson 80, and A. C. Gordon 79. The best individual work was done by A. C. Gordon, who played the star game of the contest.

## Pennsylvanian to Resume

The Pennsylvanian the daily newspaper of the University of Pennsylvania, will resume publication soon. For two or three years the financial condition of the Pennsylvanian has not been good. The task of publishing a college daily, even in a large city was considered too great at the commencement of the year. The Penn students, however, have decided that a good daily is one of the best things a University can have and have unanimously voted to support it. The first issue will appear soon.

President MacLean will address the Loyal Legion in Des Moines, November 17.

## BIENNIAL REPORT

### REPORT OF PRESIDENT AND REGENTS

Growth is Manifest in every Department and in all a Lack of Facilities to Accomodate the Growth

The biennial report of the president and regents of the university goes to the governor this afternoon. The report is a long and exhaustive one. Every detail of the work of the university is carefully shown. The following is a brief synopsis of the report.

### PRESIDENT'S REPORT

The outside relations of the university give proof that it is recognized as the representative of the state. Our faculty and student members belongs to numerous national and international societies of learning. Our Medical college is represented in the American Association of medical colleges. Our pharmacy college is a charter member of the national association. The system of high school inspection and the calls for university extension work show our relation with the people of the state.

The demand for our graduates exceeds the supply. This is particularly true in the teaching profession. The graduate college is one of the largest in the west with students actually in residence. It has received the informal endorsement of the standard colleges of the state.

### REGENTS' REPORT

The people of Iowa do not like to be outclassed. They are not outclassed in products of farm or factory. Their financial and industrial enterprises are sound. There is thrift and comfort in their home life. There is no stint in public or private charities for the unfortunate. Our school houses have been the pride of the state, the head of the system alone being hindered and handicapped by the lack of adequate support. At the end of forty years the university has received just \$240,000 for the construction of its eight buildings. Adjacent states have far exceeded Iowa in the building equipment of their universities. Recent legislation has given us a one-fifth mill tax for building for the next four years. But other western universities have also increased their support fund, and are not only increasing the value of their work but their attendance. Chicago has an income of \$1,000,000, Michigan \$700,000, while our neighbor state institutions of Illinois, Wisconsin, Minnesota, Nebraska, and Missouri, have \$400,000 or over. Ours is less than \$240,000.

Miss Mae Wright, who teaches at Wilton, spent Sunday with her sister Luella Wright L. A. '05.

**Too Few College Graduates Teach**

The fact that few college graduates make teaching a profession is of vital importance to the State of Iowa. Statistics collected at the office of public instruction show that only 108 out of 652 teachers holding state certificates are college graduates. The question naturally arises, What has brought about this undiscussible state of affairs? One of the causes is the fact that less reward is offered for special preparation than in any other profession. Comparatively speaking, there are but few places which bring over thirty-five hundred and these are reached only after long years of study. A physician's or a lawyer's income, on the average, amounts to that in three or four years after graduation.

But laying aside the matter of remuneration there are many who would "for the love of the work," make teaching a profession but for the ironclad requirements of a petty and trivial nature. The "cut and dried" examinations drive many away from teaching and cause them to enter some other field. Under our present law college graduates cannot even teach special branches without a special examination. A college graduate after four years of work in the humanities and sciences, nat-

urals grows rusty in the common branches, and turns away in disgust from the cramming process. He feels, and has a right to feel, that there is no reward for special preparation. The college graduate objects to being placed on a par with the graduate of the common school who never spent a cent or day in higher education.

The recent teachers' association which met at Mason City is to be commended on the stand it took. It urges the legislature to excuse all college graduates from examinations except in regard to professional fitness. Certainly this is a move in the right direction. The legislature has always been anxious to further the best interests of the public school system. It has always been liberal in all educational problems.

To urge that there be no examinations for college graduates may seem a trifle radical, yet all will agree that conditions should be so remedied that the noblest and best equipped will be attracted to the ranks of teaching.

Let the educators of the state unite and strive to bring about this remedy.

Hampton & Hopkins' beautiful production of "Sandy Bottom," which comes to the opera house Friday night, October 30, is one of those plays which will live for years because there is nothing vulgar, crude or coarse in its construction, nor filled with melodramatic clap-trap. It is simply a wholesome, heartsome play, a story from life in which the characters are natural and human, which, when coupled with faultless presentations by so capable a company of players makes it a play that every one should see.

Carl B. Smeltzer of Fort Dodge ex. '98, crack pitcher of the base ball team of '91, and wife are visiting at the home of Prof. Frank Wilder on Summit Street. Mr. Smeltzer was recently married to Miss Jeannie Ringland of Fort Dodge, who is a cousin of Mrs. Wilder.
