THE IOWAN TO June 15, $1.00

Valdris Helising
"Valdris Helising" for December is the first issue of a quarterly publication issued in the interest of the Valdres Surnaband, an association of people from the Valdres section of Norway and their descendants. It is printed in the Norwegian language and will doubtless be welcomed by the members of the society and others of Norse parentage. Prof. A. V. Veblen, of this city, is the principal editor, and the magazine is published at Iowa City.

Minnesota Debate Postponed
The Minnesota debate has been postponed from the first week in February to February 20 or 29. This was on account of the earlier date being examined in the Iowa Board of Regents. Meanwhile Minnesota also has a recess at this time.

LIKE THE IOWAN
The University Daily Went to Every Student's Yard. The IOWAN was popular last night. It went into the hands of every student yesterday evening. Those students who have been relying on their neighbors' IOWAN were glad to receive an individual copy. Many were the "Thank you's" received by the hustling IOWAN carriers last night. The distribution of the paper to every student began yesterday and will be continued. The IOWAN desires every student to take advantage of the special subscription offer.

Valdris Helising

The Carnegie Institute
The trustees of the Carnegie Institute, at Washington met Tuesday afternoon and authorized an expenditure of $762,000 in grants for scientific research and $40,000 for publication during the coming year.

That the work of the institution is to take a wide range is shown by the fact that the $762,000 authorized by the trustees will be divided among the great observatories, including Yerkes, Lick, Harvard, Dudley and others, to aid in astronomical research.

Other funds are for the encouragement of biological research at Woods Hole, Mass.; for investigations respecting the nutritive value of foods in the hospital, and for promoting medical science throughout the world, for the establishment of a desert botanical garden in Arizona in order to favor crops of the western region; for the investigation of the agricultural aspects of the region beyond the Caspian Sea; for geology in eastern Asia and western Asia.

At the recent meeting of the Iowa State Teachers Association, held at Des Moines, President MacLean was elected President of the college and university department for the year 1904.

No. 54

TO MANAGE DEBATES
SENATE BOARD OF INTER-COLLEGIATE CONTESTS
Board of Faculty and Students to Manage Hamilton, Minnesota and Illinois Contests

The university senate at their last meeting appointed a senate board of intercollegiate oratory and debate. This board will manage all affairs in connection with the Hamilton meeting, the Minnesota and Illinois debates. An attempt will be made to have Wisconsin give us a similar compact to that with Minnesota and that bring the Wisconsin debate under this control. The P. D. L. contest will undoubtedly be under the same management before long. Professor Trumbull of the board is to be chief manager and to favor it.

The faculty members of this board are, Prof. H. H. Gordon, chairman; Prof. I. A. Loos, Dean A. H. Scudder; Prof. W. C. Wilcox, and Prof. Barry Gilbert. The student members will be the president and secretary of the organizations interested in the contest, viz., in the Minnesota of the debating league, in the Illinois of the Philomathian society, and in the Hamilton of theatorial league.

THE IOWAN

Senators Favor Inter-Collegiate Debates
The present Senate favor disbanding because of inadequacy of its organization, and plans drawn for a new one to be known as the American Graduate Students. The committee on recognition, represented Harvard, Radcliffe, Pennsylvania, and Iowa, the Iowa member being L. F. Schab. The publication of handbooks of graduate theses, as recommended by the Iowa Club, was adopted by the federation, and will be recommended to the American Association of College Presidents for adoption into the various institutions.

The federation favored Iowa as its next meeting place, and if Iowa gives an invitation it will undoubtedly be chosen.

The one great fault in the last has been that the western universities have had almost no representations have known little of the work of the federation. The meetings have always been in the east, and this favor shown Iowa shows that the new organization will not be sectional.

The present Senate favors extension of the invite, and meetings the recommendations of the Iowa Club, championed by delegates, were in the lead.

One feature of the new organization is that the executive committee must be chosen from last meeting place. Committees for the coming year, by this rule, have been chosen from Harvard and Radcliffe. The executive committee being at one place will have better plan the work of the year.

The lawn Tennis men are at work in the Y. M. C. A. gym and have won every game from 10 to 14. Bailey, Iowa's champion, indications, considers the outlook encouraging and desires all men possible to avail themselves of the opportunity to practice during the school term.

James Miner L. A. '05, has gone to Chicago, to accept a position at the University of Chicago for the C. M. and St. P. railroad.

Dr. Sam Hobbs of Aurelia is visiting in the city.

IOWA CITY, IOWA, THURSDAY, JANUARY 8, 1904

GREES AT ST. LOUIS
Delta Upsilon of Harvard will Play Alchemists September 30 is planned to be "fraternity day" at the Louisiana Purchase Exposition. The Harvard chapter of the Delta Upsilon Fraternity will produce this year as its annual Elizabethan revivis "The Alchemist," by Ben Johnson.

Frank G. Wren has been elected Walter professor of mathematics at Telfis college. He is the youngest member of the college faculty.

Harvard won the twelfth annual intercollegiate chess tournament in New York, with Yale second, Columbia third and Princeton last. Of the twenty tournaments played since the present series of intercollegiate tournaments began, Harvard has won seven, Columbia four and Yale one.

IOWA WINS 20-12
Augustana Defeated at Basket Ball last Night. The basketball team returned from Rock Island last night after having outplayed the Rock Island team by a score of 20-12, Coach Rule said this morning. "The team supported each other better than any time this year. Their work was very encouraging except in goal throwing. However you must take into consideration the Second. board are, undoubtedly be under the same management before long. Professor Trumbull of the board is to be chief manager and to favor it. The faculty members of this board are, Prof. H. H. Gordon, chairman; Prof. I. A. Loos, Dean A. H. Scudder; Prof. W. C. Wilcox, and Prof. Barry Gilbert. Iowan Meeting 1:30 tomorrow.

New Management of Contests

The forming of the senate board to control the intercollegiate contests in oratory and debate will be received with favor by individual contestants and by the league. There has been a heavy burden on the oratorical league to pay the price for the home contest and to send two delegations in addition to the final. Many times contestants who have paid their own way, that they might be present and see Iowa represented, have had to wait a year before the expenses of their trip were repaid by the league. Now if any one adds from the contestant goes, which will be rarely necessary, it will be a faculty member whose expenses will be borne by the university.

Such a board will also obviate a vast amount of the worry and delay incident to choosing judges. In future matters, looking to contests with Iowa, it will be a permanent board and easy of access to outsiders. This is something that the old system, by the very nature of the organization could not afford. The present system will be equally advantageous to Iowa in her dealings with other schools.

Registration over 1400

The registrants figure at the university at the holiday recees gave over 1400 students for this year. Twenty-two states and five foreign countries are represented. The foreign countries are Germany, Mexico, Japan, Turkey, and Canada. Outside of Iowa, the state leading in number of students is Illinois.

AMUSEMENTS

Edward Garvie with his "Mr. Jolly Jolies" established himself here in winter as a great favor-ite and the patrons of the auditor-i-um have not forgotten him as two crowded houses greeted him yesterday afternoon and evening on his reappearance. The produc-tion does not differ literally from that of the previous pro-duction and as a play is simply a vehicle for the introduction of any number of songs and spe-cialities which follow one another so rapidly that there is not a druggy dimen-sion during the performance. Garvie is as funny as ever and is supported by Miss Mollie Thompson as a tough girl, who from her swagger is the toughest of the tough—Kansas City World.

Engineering Lab Finished

The electrical engineering lab-oratory has been finished and apparatus is now being installed. The laboratory is provided with an instrument room, a storage battery room, a dynamo and general testing laboratory, and a dark room for photometric work.

The work, which will begin at the opening of the second sem-ester, will be in charge of Dr. Roy T. Wells.

The contract for the 1905 Haw-keyes was awarded to the Uni-ver-sity Press Company yester-day.

$25,000 GYM TO BE READY NEXT SEPTEMBER

$160,000 For One Wing and the Center of a New Museum and Auditorium to be Completed in 1905 is Voted by the Regents

Des Moines Special 4:15 P. M. A $150,000.00 gymnasium and armory, to be ready Sept. 1st, was voted by the board of regents at their meeting in Des Moines this afternoon.

One wing and the center of the new museum and auditorium to cost $160,000 and to be completed in 1905, was also noted.

The new museum and auditorium is to be built on the old campus parallel with the Hall of Liberal Arts. The remaining wing of the building will follow later.

The gymnasium and armory is to be started at once and will be ready for occupancy next fall. It is to be of brick and will be a fine temporary structure. It will be erected facing the athletic park.

The regents favored the proposition for a new gym and empowered the legislative committee to formulate a request for funds for this purpose.

Miss Bertha Alexander is confined to her home by illness.

Miss Lyda Hodge returned yesterday from her Christmas vacation.

Miss Grace Gabriel is unable to attend classes on account of illness.

Miss Gene Ballard, ex-'06, is teaching in the Whetstone school across the river.

Miss Evertt returned yesterday.

The Iowa City high school have received the apparatus for their new gym. The physical director will be Prof. R. R. Randall '02.

Professor George A. Habbel of Brooklyn has been chosen vice president of Berea college, Berea, Ky.

Polygyn elected the following officers for the winter term: Miss Lobeaux, president; Mr. Pierse, vice president; Miss Hillig, secretary.

C. M. Jones, ex-'03, L. A., now engaged in the real estate business in the State of Washington, is at his home in this city for a few days.

S. A. Dunham is teaching in the public schools of Albert Lea, Minnesota.

L. H. Claude Bennett is editor of the Times-Tribune of Waterloo. He expects to make the paper a morning daily the first of the year.

N. W. Whitlenna Ellin is a professional nurse at Waterloo, Iowa.

Abbott Pearson, who is teaching in the Philippines expects to be at Iowa next commencement time.

H. v. McClusky is principal of the Sharon Center high school.

D. D. Will English is practicing his profession at Glenwood, Wisconsin.

M. W. L. Crosswell has located at Danbury, Iowa.

James H. Lees, fellow in geology at Chicago is visiting in the city.

The Business Manager of the Iowa Hawkeye has offered a prize of $20 for the best short story connected with student life. While no definite limit is placed as to the length, those of 2,000 words or less are preferable.

These stories are to be handed in by the middle of January and should be in duplicate typewritten form. The exact date and manner of submission will be specified later.

Ella Waters, Literary Editor.
