PRIZES TO STUDENTS

CHICAGO BUSINESS FIRM THE DONOR

For Papers on Subjects Relating To Commerce and Industry Students Eligible

In order to arouse an interest in the study of topics relating to commerce and industry, the Pan-Hellenic Dental Society of the University of Chicago has designed a contest to stimulate an examination of the value of colleges training for business men, Hart, Schaeffer & Marx, Chicago's prominent clothing firm, has offered four cash prizes for studies relating to those lines. This contest is open to students of any American college and is divided into two categories, one for those who have received a bachelor's degree since 1920, and the second for undergraduate students. The prizes, of two high prices each, will be awarded to undergraduates if the merits of the papers warrant the award.

The subject chosen must be one of the following seven: 1. The causes and extent of the recent industrial progress of Germany. 2. To what extent is the present growth of American competition in the markets of Europe due to increased production? 3. The influence of industrial combinations upon the American laborer. 4. The economic advantages and disadvantages of present colonial possession to the mother country. 5. The causes of the panic of 1893. 6. The causes of colonialism, should be addressed for the enlarged view of wage earners from the standpoint of the industrial state in the United States. 7. What location is best suited for men entering upon trade and commerce? It is expected that the number of papers will be high, the prizes will have their papers issued in some permanent form.

The judges of the contest will be Professor J. Lawrence Laughlin, University of Chicago; Professor J. R. Clark, Columbia University; Professor Henry C. Adams, University of Michigan; Horace White, Navy Yard and Carroll D. Wright, U. S. Commissioner of Labor.

Sunday's Register and Leader continued a story on Mrs. Nettie Emery the first woman to receive a law degree in the state of Iowa. She received the degree from University of Iowa.

H. B. Gilbert of the freshman law class has cleared straight out in straightening out the difficulty in the case of Mrs. Nettie Emery. The office in the Interstate Oratorical Association is held by Mrs. Nettie Emery. She was elected at D.C. in $250 and $150 respectively for the members of the association. She was held by his holding the meeting after coming to Iowa is not a member of the association.

It will be held the next annual meeting at Notre Dame.

The "Dentists" are here in force, 12 of them, with "hammer and tong" and foibles, and each one is telling all the trash he can about his college or college team. The latest item in the college press is a rumor that a college board of trustees has voted to institute a law school on the ground that the demands of business men for law men is increasing daily.

At a recent meeting of the dental society the committee having the "Football Tournament" under discussion had made plans for the event. The committee has decided to make the tournament an annual affair and the "Dentists" will be sure to be on hand to watch the games and to enjoy the good fellowship.

The "Football Tournament" will be held at the Maroon this Saturday afternoon and the following is the schedule:

Hawkeyes and Maroons to Meet at Chicago

October 15, the Date—Iowa Has Won Twice From Stagg's Men—Heavy Schedule

Manager H. E. Spangler announced that he has secured a game with the Chicago University football team. The contest is to be played on the Maroon gridiron October 15.

The addition of the Chicago game will give Iowa one of the best schedules it has ever had. Games have already been arranged with Minnesota, Illinois and Nebraska making five heavy games for next fall. Chicago will be playing the regular run of games with the Iowa colleges.

Manager Spangler has quietly been working toward the possibility of having the Chicago game next season. It has been decided to have the games played in Chicago for some time. It had previously been given out from the University of Iowa that it was impossible because Chicago had decided to play games on heavy games from formerly.

Die Germania met at the home of Miss Edna Borner last night.
