The Kansas basketball warriors who were scheduled to play against the Iowans at Chloe Hall on Saturday afternoon cannot come. Manager Ross of the local team is in receipt of a communication from the Jay Hawk manager stating that the game will at least have to be postponed although cancellation is not necessary. He said that because of the failure of a couple of the teams with which the Kansans had scheduled games to live up to their contracts on trips which they were to take had to be given up. The trip was to have included games at Lincoln Neb., Omaha, Sioux City, Des Moines and Lansing with the Kansans playing games in each of those places were strong basketball teams are maintained. The games along the line have been postponed.

In view of the action of the Kansas Manager Ross assures that there will be no regular university game Saturday afternoon but that there will be on Saturday the following Tuesday the University students and other lovers of the game will be treated to a contest between the varsity team and either the Minnesota University team of the Monmouth college team. Both of these teams are fast.

Drake is Hopeful

The coming athletic year at Drake university is very promising for the school. It will be given out by a member of the board of athletic control at that institution. The people have ambitions in track athletics, band work and social work. There is particular emphasis on the first two.

The students there have taken so much interest in baseball that they have already sold 200 season tickets. The men who are to be candidates for places on the team are already doing indoor training and will get out as soon as the weather is pleasant.

Most of the old Drake track stars are back this year. Among these are Main, Randall, Wallers, Burrows, Kinta, Roby, Burcham and Haggard. The Drakists are really looking forward to the coming season. Swift of Iowa hurry in the dash throw.

The Drake management hopes to get the annual football game with Iowa State played this fall. If this cannot be done the Drake team may go to Madison to meet Wisconsin. Another game has been arranged with Michigan and if both these games can be played the Ames will meet again on Thanksgiving day.

Yonkers

The Iowa general assembly now in session at Des Moines has undertaken the task of providing for the many wants of the state educational institutions. Ames, the State Normal at Cedar Falls and the State University each come in for a share of attention. Thus far the assembly has not done anything toward looking after the university but is now considering a bill to provide a gymnasium with the wherewithal to get it going.

A bill has been presented to the legislature providing for the levy of a mill tax to make good a deficit in the state college fund. The bill will not be considered until after the budget is prepared and such a provision will be made as will meet the situation.

Robert W. Dale, President

Professor Patterson

The action of the executive committee last Friday in promoting Dr. Patterson for one from the rank of assistant professor to that of professor of statistics and economics is welcomed by the student body as a unit, both because it is a well earned promotion and because it means the return of Dr. Patterson next fall.

Dr. Patterson has many friends among the upper classes, but by reason of his absence for the past two years, it is unknown to the younger students. All, both faculty and students, however, have regarded him with pride as Iowa's representative in the reform forces in New York, and rejoiced in the prospect of his return to the department with which he has been intimately and successfully connected before. His return to Iowa will bring the Iowa fruit of practical study, which will make his work of greater value than ever before, and it will be good to see him at the university again, both from a professional and personal standpoint.

Welcome Professor Patterson!

"Just Struck Town," the Swedish comedy-drama which made such a favorable impression in the larger cities last season, will be seen at the opera house next Monday night. The leading role, Huldah Gunderson, than a Swedish doll, is a particularly funny character and one that will make you laugh for a week. The same equipment for "Just Struck Town" promises to be perfect in every detail.
