CHAMPIONSHIP GAME
IOWA AND GRINNELL PLAY HERE SATURDAY
Iowa's Team Not In Best Condition—Girls Will Play A Preliminary Game

Manager Carl W. Ross has completed all arrangements for the basketball contest to decide the college championship of Iowa. The game will take place in Clute Ball gymnasium next Saturday.

As it stands now Iowa has won the only championship contest this year with Grinnell. This was the second game of the season and was the first game for Grinnell gymnast. However Iowa and Grinnell have played two other games, both of these exhibition contests. Honors were divided in these contests; Iowa's team will not be in the condition for Saturday's game. Ross is back again but is not certain that he will play. The remainder of the line-up is not known. The practice of Iowa is the only thing that can decide this.

One of the features of the contest will be the certain raising of games to be played between the girls team representing the freshman and sophomore classes. This game is sure to be interesting since the team play a very even game.

From Register and Leader

It is anticipated that the partisans of E. S. Jackson, J. W. Anderson, and Dr. A. R. Hoover will attend the game at Clute gymnasium.

SUCCESSFUL CONCERT
GIVEN BY THE UNIVERSITY OF IOWA MILITARY BAND AT THE ARMORY LAST NIGHT

That the University of Iowa Military Band Concert last night was a success was the conclusion of all. The band now numbering thirty-four pieces has, with little encouragement, under the leadership of Mr. Molsberry been changed from a collection of individuals to an organised and that would be credit to any school. The concert was well attended and will not the band a small profit, which will be used in the purchase of new music and supplies. With the new music the band will give several concerts on the campus this spring.

in the city.

Mr. Bailey, Miss Close and the Iowan Quartette, are now well known to Iowa City audiences to need praise. It only need be said, they never did wrong.

Langenborn made his first appearance in this city, but that first was a winner for he is an artist. Nor is his ability confused to the clarinet. The wide republication of the 5th Band was due to him. Although he was not their leader yet he had charge of their organization and drilling.

After the concert the armory floor was cleared and an informal dancing party was given. The music was furnished by the University Orchestra. Some forty couple were the guests of the band.

On the morning of the 5th it was announced that the University of Cincinnati was the winner for the Isolated T. S. M., then that the University of Missouri will be the 1st challenge. The contest will take place at Lincoln, Nebraska.

The last of the inter-university debates in which Iowa participated will be the Nebraska-Iowa contest in which will be held May 1, but the place has not yet been decided. The debating league prefers that the contest be held at Lincoln and the Nebraska authorities seem favorable to Iowa City.

The members of the Nebraska preliminary debate concluded that Iowa should support the negative of the question sent out. The Nebraska conference reads:

"Resolved: That the interest of the United States no longer requires the maintenance of that system of foreign policy as a principle of national policy. The conclusion involved is subject to be decided.

No European state shall henceforth establish a dependency in the New World.

No European state shall interpose to control the form of government of any independent nation in the Western Hemisphere.

In the event of a European nation making a claim against an American state or European nation in the New World, the United States will support the affirmative and H. G. Walker, R. E. Johnston and C. H. Jackson of Irving will uphold the negative."

Announcement

In Iowa City there are about fifty Oliver typewriters, very many of them being used by University professors and instructors. The Oliver is distinctively the best typewriter now on the market, being the most durable, easiest to operate, and capable of doing a scope and kind of work not possible for any other machines. During the next few weeks you can secure one of these typewriters on terms which I do not believe you can ever obtain again. No traveling salesman can give you such terms and besides my guarantee is iron clad and will fully protect you.
