The efforts of those having the basketball team in charge are especially worthy of commendation. After starting out the season brilliantly, two men were removed from the team by injury. That caused the loss of the game to Augustana college and one of the practice games to Grinnell. Then, when the final contest was to be played and it was up to Iowa to have her strongest team on the field, Rose became unable to play because of ill health. However, in spite of this fact the men got together and won, giving them the undisputed title to the college championship of Iowa. It is even more worthy of note that the promoters of basketball succeeded in making the sport a financial success for the very first time. This bodes well for the future of the game here. With the new gymnasium here next year additional interest will be given both to players and spectators and Iowa will hereafter rank with the very best in the way of basketball.

Seniors Select Play

At the meeting of the senior
class yesterday the class play
committee recommended “She
Stoops To Conquer” a comedy
by Oliver Goldsmith to the class
for presentation during come-
memoration week. The recom-
mendation of the committee was
accepted. The selection of the
piece which is left to the com-
mitee will be made in a short time.

The reports of other commit-
tees were given. Two new com-
mitees on stationery and caps
and gowns were appointed.

The committee on stationery consists of K. E. Klemur, Bertha Alex-
ander, Maude Smith and H. D. Hunt. The committee on caps and
gowns follows: E. A. Rule, Paul DOl'weiler, Bertha Kobman, Mable
Sandor.

Professor George T. Flom has
resumed charge of his classes.

The house committee on ap-
propriations voted to recommend for
passage the English bill appro-
priating $200,000 to complete
the state historical building.

The senate committee on appro-
priations is said to be inclined to give
favorable consideration to this
proposition.

The “WU” men at Wisconsin
have begun to form an organi-
zation to promote clean athletics
at their university, and also to act
as a medium to bring all the ath-
letes together socially. It has
received the hearty cooperation
of a number of the faculty and
President Van Hise and is to be
planned somewhat after the
Prier’s Club at Ann Arbor.

The Davenport Times approves
of the segregation of various
educational branches throughout
the state, pointing out the suc-
cess of Ames, the State univer-
sity and the State Normal school,
and saying: “Much of the success
of these three institutions is due
to the very rivalry, the compe-
tition for results, the desire to
surpass others, that independent
management makes possible.”
