SOCIETY IS GROWING
MORE MONEY FOR STATE HISTORICAL SOCIETY
Annual Support Increased from $5.50 to $7.50 by The State Legislature

The action of the state legislature in granting a permanent annual support of $5.50 to the State Historical Society marks an important epoch in the growth of that organization. The rapid expansion which it has made is all the more marked when compared with the funds required to maintain it only two years ago. In 1902 the annual support of the society was increased to $3.50. That year, however, it was increased to $5.00. The legislature has now increased this annual support to $7.50, an increase of $5.00 per year.

KILLED IN THE HOUSE

EDUCATIONAL BOARD BILL IS DEFEATED
Vote Was 51-40 A Commission Will Report to the Next Session

The state educational institutions of Iowa will not pass under the management of a single board of control by act of the present legislature.

So much was determined yesterday in the lower house. By a vote of 50 to 41 that body referred to its judiciary committee the bill passed by the senate Monday and by whose terms the educational institutions were abolished and those institutions placed under the control of the commission of three members.

A meeting of the judiciary committee was held immediately after the adjournment of the house yesterday, and the committee voted to recommend the indefinite postponement of the measure.

At the same time it was voted to recommend the appointment of a commission of three members to inquire into the feasibility and advisability of adopting the single board of control system for the Iowa educational institutions. This commission will be expected to investigate the subject thoroughly and report to the Thirty-first General Assembly in 1904.

The debate on the educational board bill was always vigorous, but the discussion diminished and the committee voted to have the bill referred to the judiciary committee.

The Baseball Practice

Yesterday's work with the baseball squad resolved itself in something a little more tangible than on the previous day. There was the usual large number of candidates out for practice. Captain Dye and Coach Chalmers arranged a portion of the candidates into two teams and a game was indulged in. The pitchers were each permitted to warm up for a couple of innings and some fine work was accomplished. It looks as though Iowa would be unusually strong in the pitcher's box this year. Dennis will be one of the club behind the bat.

Large crowds of students turn out every afternoon to watch the work of the men and there is much interest in the games.

Dr. Bowering will speak at the Midwestern tonight.

Miss Alice Swisher, '08 of this city, and Miss E. Della Gannow, of Mankato, are the two organizational speakers.

SALE NOW GOING ON

BASEBALL SEASON TICKETS TAKING WELL
Call to Help Varsity Baseball Team Meet With Loyal Response Many to Sell Yet

Although the baseball season tickets have been out but one day yet a large number has been sold. The demand that the tickets be sold before baseball can be fully assured, is bringing many people to the support of the team. The sale, if successful in getting the required number out will not only give us baseball and insure a large attendance at the games but will also bring about greater enthusiasm on the part of the sold out business band of three members.

The opportunity to obtain these tickets is also a very real thing for the ball players and those who sell and support the organization.

The N. O. L. Final

The two stirring features of the spring oratorial work will be the preliminaries for the N. O. L. and the Hamilton Club Contest. The final for the former occurs the first Friday in May. The N. O. L. final occurs in Ann Arbor this year and H. G. Walker of Iowa's representatives. The preliminary of the Hamilton Contest for the coming year much larger number of students than usual are preparing, in fact more. The campus is in for any prelim oratorical contest during the prelim year. The "cram of the talent" of the college of liberal arts, as far as speech is concerned, is under way.

The Senate committee which has charge of this contest has prepared the rules which conform to the requirements of the National League. Copies of the rules are:

1. The preliminary takes place the last Thursday before the commencement week, in the assembly room, hall of liberal arts. (This year 1904, June 6.)

2. Three type written copies of the orations, 9 1/2 inches by 10, with a black margin on all sides of at least one inch, must be in the hands of the Professor of Public Speaking at least 24 hours before the Saturday, at least four weeks before the contest.

3. On the Saturday, at least 6 weeks before the contest, a list of thirty judges is to be submitted to the prospective orcontestants which the National League will allow to strike out ten. Those least cancelled will be in the hands of the judges in the order of their least cancellation.

4. The judge will mark in the scale of 100, none less than 70.

5. The four orations receiving the highest marks will be the chosen ones for the preliminary.

6. For the final contest a list of your judges will be submitted the Saturday, at least three weeks before the contest. Each contestant may cancel four, the least cancelled to act as judges as the former case.

7. All other conditions governing the contest will be similar to those governing the final at Chicago. A copy of these may be seen at room No 312, hall of liberal arts.

For the N. O. L. preliminary the chief rules are as follows:

1. The preliminaries take place the two weeks before the close of the first semester.

2. At least five weeks before the preliminary judges must be given a ticket for every ten they sell. Anyone who will take a list and help in the selling of tickets may apply to any of those having the sale in this city. Get in and help in selling the tickets or buy one when the chance is offered you. The tickets are on sale at Brown's Smoke House also.

3. At least three weeks before preliminary the orations must be handed in.
Dr. Seymour Lectures

Dr. Seymour, Professor of Greek in Yale University, gave his lecture on "Recent Excavations and Explorations in Greece and Italy" last evening. In introducing the speaker, Professor Fairbank remarked that although he might not say that Professor Seymour was an only father to him, yet he was one father to him and to other Iowa professors and many professors of other states. Professor Seymour introduced his lecture by a brief history of the beginning of attempts at excavation stating that it was about eighty years ago when ancient work began in the investigation of the ruins of Corinth and Athens. The first attempts were undertaken to locate the site of Priam's city of Troy. The most noted of the excavations are those of the Germans at Delphi. He spoke of and illustrated by his slides some of the work of Mr. Richardson in the recent excavations of 1935. The lecture was very instructive and much appreciated, especially, by students of Greek life and customs.

Dont fail to see the big vaudeville show at the Opera House April 11, under the management of Albert Dunkel. Admission 35 and 50 cents.

A Chance To Help

The season baseball ticket sale is meeting with and should meet with the heartiest support. It is an excellent opportunity for everyone to do something to show the true, loyal, Iowa Varsity spirit.

Everyone should do their share and buy one, faculty members, students and citizens of the city. These calls from time to time to help out with the public good come from necessity. They must be made and they must be responded to. Let us all do what we can. Don't hinder but be public spirited. We must have a baseball team and to get one we have to support it. Its just a little thing but it helps to buy a ticket. Then you know it saves money to see the games this way.

The Y. W. C. A. enjoyed an informal spread after the regular business meeting yesterday afternoon in their room at Close Hall.

W. H. SWAPPARD, Prop. UNIVERSITY CAMPUS
AMUSEMENTS

The best play presented here this season will be seen at the Opera House on next Tuesday April 12, when Paul Gilmore appears as "Lord Lumley" in "The Mummy and the Humming Bird." This is the best part this popular and talented actor has been seen in. Mr. Jules Mury, his manager, has surrounded him with a company of artists, and has given the play a scenic equipment of great excellence. Mr. Gilmore played "The Tyranny of Tears" last season. "The Mummy and the Humming Bird" gives him even better opportunities. His success this season is said to have been wonderful.

Main Will Stay

Chosher Main, Drake's star runner and hurdler, will remain in school. A little over a week ago Main received a letter from his father insisting that he leave school at once and go back to Elk Point. Main answered and begged to be allowed to stay in school until June at least. At first the consent was not forth coming, but yesterday morning a letter was received saying that Main might stay in school until June. With positive assurance that Main will be on the track team, Dr. Monnig's hopes for the state meet are on the rise. Main is the only reliable man in the squad for the sprints, and though some of the new ones may develop in time into point winners none are as sure as Main.

MOTHER STUDIO—In reply to your question as to where to buy your cigars and tobacco, I would say the Clinton Street Smoke House is the place. The proprietor is Tom Brown, a genial fellow and a friend of the student and student enterprises. His shop is clean and neat, the goods are up-to-date and he keeps with a first-class cigar store. Brown sells customers what they want and no "as good as" goods. His stock contains all the popular and advertised brands. As for price his line is as fine as any in the state.

If you want anything in the smoke line, go to the Smoke House, and Brown will treat you right. If he don't, tell "Buster," Your for a good smoke, Sir WALTER RALPH.

Ivy Lane—Polygon

Ivy Lane and Polygon estab-
lished a precedent last night.
For the first time in the history
of the two organizations they
united in giving a program. The
affair was given at the home of
Miss Myra Lyon of the Ivy
Lane—Polygon and the program of
literary numbers was furnished by
the members of Polygon. Stories
were read by Helene Sadie Jacobs
and Miss Ellen Kelly. They were
of unusual merit. After the
literary program there was an
informal program of music.

In two weeks a second joint
meeting will be held when the
Polygons will entertain and the
Ivy Lane will provide the pro-
gram.
