SOCIETY IS GROWING

MORE MONEY FOR STATE HISTORICAL SOCIETY

Annual Support Increased from \$2,500 to \$7,500 by The State Legislature

The action of the state legislature in granting a permanent annual support of \$7,500 to the State Historical Society marks an important epoch in the growth of that organization. The rapid expansion which it has made is all the more marked when compared with the funds required to maintain it only two years ago. In 1902 the annual support of the society was only \$1,000. That year, however, it was increased to \$2,500. The present legislature has just adopted a measure giving the association an annual support fund of \$7,500 or an increase of \$5,000 per year. The recommendation was adopted by both the senate and house committees without a single dissenting vote.

The action of the legislature is a fine compliment to the work of the organization, inasmuch as the promoters of the society have permitted their work alone to argue for additional funds. The work accomplished by the society has appealed to the legislators with the result of greatly increased support funds. The additional money will enable the promoters of the work to go ahead on a much larger scale and make their efforts even more widely felt than they have been heretofore.

Iowa City and the State university are the headquarters of the State Historical Society. Iowa City men—university faculty members for the most part—are the most enthusiastic workers in the organization and the library of the society is located in the liberal arts building. It is a fine collection of 30,000 volumes and is open to the students of the university.

The officers of the organization are: Peter A. Dye, president; Isaac A. Loos, vice president; Lovell Swisher, treasurer; Frank E. Horak, Secretary. Benjamin F. Shambaugh is editor of all of the society publications.

Yesterday's Register and Leader contained pictures of Captain Swift and the freshman girls basketball team.

Mrs. Celia Currer will entertain the Elder Daughters of the university at a house picnic April 8 at 11 a. m.

Today's Chicago Examiner contains a cut of M. J. Wade and his speech on the Anti-Beef Trust bill.

Miss Imo Moler who has been seriously ill at Iowa Falls has returned to her home in Iowa City and is on the road to recovery.

KILLED IN THE HOUSE

EDUCATIONAL BOARD BILL IS DEFEATED

Vote Was 51-40 A Commission Will Report to the Next Session

The state educational institutions of Iowa will not pass under the management of a single board of control by act of the present legislature.

So much was determined yesterday in the lower house. By a vote of 50 to 41 that body referred to its judiciary committee, the bill passed by the senate Monday and by whose terms the educational institutions were abolished and those institutions placed under a single board of three members.

A meeting of the judiciary committee was held immediately after the adjournment of the house in the afternoon, and the committee voted to recommend the indefinite postponement of the measure.

At the same time it was voted to recommend the appointment of a commission of three members to inquire into the feasibility and advisability of adopting the single board of control system for the Iowa educational institutions. This commission will be expected to investigate the subject thoroughly and report to the Thirty-first General assembly in 1906.

The debate on the educational board bill was always vigorous, sometimes bitter and now and then a bit personal. In it Representatives Jones, Hart, Temple, Wright, Kendall, Head, Robinson and Chassell indulged.

The Baseball Practice

Yesterday's work with the baseball squad resolved itself into something a little more tangible than on the previous day. There was the usual large number of candidates out for practice. Captain Dye and Coach Chalmers arranged a portion of the candidates into two teams and a game was indulged in. The pitchers were each permitted to warm up for a couple of innings and some fine work was accomplished. It looks as though Iowa would be unusually strong in the pitcher's box this year. Dennis did some good work behind the bat.

Large crowds of students turn out every afternoon to watch the work of the men and there is still room for more.

Dr. Bierring will speak at the Middletonian tomorrow night.

Miss Alice Swisher, '06 of this city is pledged to Delta Gamma.

Miss Eleanor Hossfield, '03, who supplied as a teacher in East Waterloo high school for a time is now teaching in the West Waterloo high school.

SALE NOW GOING ON

BASEBALL SEASON TICKETS TAKING WELL

Call to Help Varsity Baseball Team Meeting With Loyal Response Many to Sell Yet

Although the baseball season tickets have been out but one day yet a large number has been sold. The demand that the tickets be sold before baseball can be finally assured, is bringing many people to the support of the team. The sale, if successful in getting the required number out will not only give us baseball and insure a larger attendance at the games but will also bring about greater enthusiasm. Baseball assured, financial success certain, larger attendance and more enthusiastic support are the advantages of the sale for the team and the university.

The opportunity to obtain these tickets is also a very good thing for the baseball lovers and team supporters as it enables them to see the games at a purely nominal cost. The tickets are money savers to those who buy—\$5.45 for \$2.25 is the way it figures out.

"Fifteen cents each to see the baseball games we will have this spring. Why its dirt cheap and no wonder the tickets are selling," said a prominent Iowa City business man this morning.

"The people know when they are offered a good thing. They don't have to be knocked down with a club."

The sale still being pushed rapidly and wont last long.

The home games which can be seen for \$2.25 are:

Apr 18, Rock Island League	\$.25

" 20, " " "	.25
" 21, " " "	.25

June 7, Coe College	.25

The cost of a season ticket is only \$2.25.

The sale of the season tickets is under the charge of Manager Spangler, President Walker and Captain Dye. The solicitors are given a ticket for every ten they sell. Anyone who will take a list and help in the selling can get one by applying to any of those having the sale in charge. Get in and help by selling the tickets or buy one when the chance is offered you. The tickets are on sale at Brown's Smoke House also.

CHANCE FOR ORATORS

TWO MORE BIG EVENTS THIS YEAR

Hamilton Club Preliminary Contest in June and the N. O. L. Final

The two stirring features of the spring oratorical work will be the preliminaries for the N. O. L. and the Hamilton Club Contest. The final for the former occurs the first Friday in May. The N. O. L. final occurs in Ann Arbor this year and H. G. Walker is Iowa's representative. For the preliminary of the Hamilton Contest for the coming year a much larger number of students than usual are preparing, in fact more than have entered for any preliminary oratorical contest during the last four years. The "cream of the talent" of the college of liberal arts, as far as speaking is concerned, has entered. The senate committee which has charge of this contest has prepared the rules which conform to the requirements of the Hamilton Contest at Chicago and are as follows:

1. The preliminary takes place the last Thursday before commencement week, in the assembly room, hall of liberal arts. (This year 1904, June 9.)

2. Three type written copies of the orations, 8½ inches by 10, with a blank margin on all sides of at least one inch, must be in the hands of the Professor of Public Speaking, on or before the Saturday, at least four weeks before the contest. (In 1904, May 7)

3. On the Saturday, at least 6 weeks before the contest, a list of thirteen judges will be submitted to the prospective contestants from which each contestant will be allowed to strike out ten. Those least cancelled will be invited to act as judges in the order of least cancellation.

4. The judges will mark in the scale of 100, none less than 70.

5. The four orations receiving the highest marks will be the chosen ones for the preliminary.

6. For the final contest a list of your judges will be submitted the Saturday, at least three weeks before the contest and each contestant may cancel four, the least cancelled to act as judges as in the former case.

7. All other conditions governing the contest will be similar to those governing the final at Chicago. A copy of these may be seen at room No 312, hall of liberal arts.

For the N. O. L. preliminary the chief rules are as follows:

1. The preliminary occurs two weeks before the close of the first semester.

2. At least five weeks before the preliminary judges must be selected.

3. At least three weeks before preliminary the orations must be handed in.

A Chance To Help

The season baseball ticket sale is meeting with and should meet with the heartiest support. It is an excellent opportunity for everyone to do something to show the true, loyal, Iowa Varsity spirit. Everyone should do their share and buy one, faculty members, students and citizens of the city. These calls from time to time to help out with the public good come from necessity. They must be made and they must be responded to. Let us all do what we can. Don't hinder but be public spirited. We must have a baseball team and to get one we have to support it. Its just a little thing but it helps to buy a ticket. Then you know it saves money to see the games this way.

The Y. W. C. A. enjoyed an informal spread after the regular business meeting yesterday afternoon in their room at Close Hall.

Dr. Seymour Lectures

Dr. Seymour, Professor of Greek in Yale University, gave his lecture on "Recent Excavations and Explorations in Greek Lands" last evening. In introducing the speaker, Professor Fairbanks remarked that although he might not say that Professor Seymour was an only father to him, yet he was one father to him and to other Iowa professor and many professors of Greek in other states. Professors Seymour introduced his lecture by a brief history of the beginning of attempts at excavation stating that it was about eighty years ago when active work began in the investigation of the ruins of Corinth and Athens. The first attempts were undertaken to locate the site of Priam's city of Troy.

The most noted of the excavations are those of the Germans at Delphi. He spoke of and illustrated by his slides some of the work of Dr. Richardson in the recent excavations of '95. The lecture was very instructive and much appreciated, especially, by students of Greek life and customs.

AMUSEMENTS

The best play presented here this season will be seen at the Opera House on next Tuesday April 12, when Paul Gilmore appears as "Lord Lumley" in "The Mummy and the Humming Bird." This is the best part this popular and talented actor has been seen in. Mr. Jules Murry, his manager, has surrounded him with a company of artists, and has given the play a scenic equipment of great excellence. Mr. Gilmore played "The Tyranny of Tears" last season. "The Mummy and the Humming Bird" gives him even better opportunities. His success this season is said to have been wonderful.

Main Will Stay

Chester Main, Drake's star runner and hurdler, will remain in school. A little over a week ago Main received a letter from his father insisting that he leave school at once and go back to Elk Point. Main answered and begged to be allowed to stay in school until June at least. At first the consent was not forthcoming, but yesterday morning a letter was received saying that Main might stay in school until June. With positive assurance that Main will be on the track team, Dr. Monilaw's hopes for the state meet are on the rise. Main is the only reliable man in the squad for the sprints, and though some of the new ones may develop in time into point winners none are as sure as Main.

MISTER STUDENT:—In reply to your question as to where to buy your cigars and tobacco, I would say the Clinton Street Smoke House is the place. Its proprietor is Tom Brown, a genial fellow and a friend of the student and student enterprises. His shop is clean and neat. The fittings are up-to-date and in keeping with a first class cigar store. Brown sells customers what they want and no "as good as" goods. His stock contains all the popular and advertised brands. As for pipes his line is as fine as any in the state.

If you want anything in the smoke line, go to the Smoke House, and Brown will treat you right. If he don't, tell "Buster."

Yours for a good smoke,
SIR WALTER RALEIGH.

Ivy Lane—Polygon

Ivy Lane and Polygon established a precedent last night. For the first time in the history of the two organizations they united in giving a program. The affair was given at the home of Miss Myra Lyon of the Ivy Lane society and the program of literary numbers was furnished by the members of Polygon. Stories were read by Miss Sadie Jacobs and Miss Rita Kelly. They were of unusual merit. After the literary program there was an informal program of music.

In two weeks a second joint meeting will be held when the Polygons will entertain and the Ivy Laners will provide the program.
