NEW OFFICIAL "1'S" TO BE GRANTED

Different I's for Baseball, Football, Track and Tennis—A Great Improvement

At an important meeting of the administration board of control yesterday afternoon a committee has been appointed to make recommendations regarding the wearing of the university official "1" as was adopted by the board. The object of the appointment of the committee was to see if some scheme could not be devised to give more significance to the number 1 won by athletes. Heretofore the I won in tennis by a student has been the same as that won in football and to one unacquainted with the wearer of the honor emblem it was impossible to tell if the I was that worn by a member of the western battalion or if worn by a distinguished member of the eastern. The committee composed of Coach John G. Chappell, President A. Rushek and Captain Nyle Jones recommended adopting different typographic and color and so as to be the emblem of different departments. The regulations regarding the wearing of the honor is given below. In addition to this, the committee recommended that the official track sweater be white, with Old Gold collar and cuffs and a border of Old Gold around the bottom.

Another reason for the change in the present system is that in many different departments is the desire to get athletes to wear more than the one or two I's as is done now. It is impossible now.

Another reason is the report of the committee: I shall be worn on sweaters, jerseys and buttons only on those whom they have been awarded by the Board of Control and in the following manner:

Football—The I granted for football shall be Black on Old Gold. When worn on a sweater it shall be ten inches long by five inches at top and bottom with a two inch block.

Baseball—The I granted for baseball shall be gold on Old Gold. It shall be of the same size as for football.

Tennis—The I granted for tennis shall be in script. Black on Old Gold.

Basketball—The I granted for basketball shall be in script. White on Old Gold.

The I won on a jacket must be of color to match color of the aforementioned combination of colors and shall be of sufficient size to be distinctly visible.

The I on a hat or cap may be of color and kind and size of the present Indiana University insignia. (Hat or Cap may be of any color)

AMUSEMENTS

The best play presented here this season will be seen at the Opera House on next Tuesday April 12, when Paul Gilmore appears as "Lord Lulmeley" in "The Mummy and the Humming Bird." This is the best part this popular and talented actor has been seen in. Mr. Julius Meyer, his manager, has surrounded him with a company of artists, and has given the play a scenic equipment of great artistic quality. Mr. Gilmore played "The Tyranny of Tears" last season. "The Mummy and the Humming Bird" gives him even better opportunities. His success this season is said to have been wonderful.

Dissected a Dog

The medical school of Northwestern University was bailed into justice court. All because four students of the institution pronounced the operation on a dog from the South Side.

The technical charge against the medical school was "malpractice of stolen property." The charge was made by the woman who owned the dog.

After the dog had been caught by the four students it was carefully anesthetised with ether, placed upon a snow-white aseptic sheet and four men who had spent three years in medical study gathered around the unconscious creature and began the operation.

When the operation was completed, the wound was carefully closed, and when the dog regained consciousness he was taken to a well ventilated animal house where he lay for a day or two.

About this time the owner of the dog appeared and carried him away in triumph. Charges were preferred against the school, but the case was settled without coming to trial. The dog has completely recovered.

MOTHER STUDENT—In reply to your question as to where to buy your cigars and tobacco, I would say the Clinton Street Smoke Shop is the place. Its proprietor is Tom Brown, a great fellow and a friend of students and student enterprises. His shop is clean and neat. The fittings are up-to-date and in keeping with a first class cigar store. Brown sells customers what they want and no "as good as" goods. His stock includes all the popular and advertised brands. As for price his line is just right in any to the state.

If you want anything in the smoke line, go to the Smoke Shop, and Brown will please a right. If you say "Beaver," he can roll a good cigar. If you say "Ripper," he can roll a good one.

Yours for a good smoke, WALTER HAWK.
