## TRACK MEN ARE BUSY

### GETTING READY FOR THE FIELD MEETS

Candidates Are Many and Promising—Prospects Are Very Encouraging

The continued cold weather and wind has been seriously retarding the progress of the track team. With the home meet a week off and the Minnesota meet in three weeks the varsity track team wants especially good weather. Most of the men however, tired of waiting for it to warm up are out and working toward good shape.

The squad consisting of most of last year's team and many new men, looks good to coaches Bush and Eastman. As last year, Iowa's strong events are the field events. Capt. Swift in the discus, means five points wherever he competes. Barker and Parsons in the high jump are good for the top places and Parsons and Ross in the broad jump should win something. Crane winner of the shot put at the state meet last year, has been sick but if he gets into shape will do better than his former record. Crossan, Young and Miller last year's 440 team are hard at work and steadily improving. The two-milers, Jeffries, Hands and Gordon are promising. Jeffries especially is running a strong race. In the mile Bate-man is back and Jayne with a good record will keep him company. As last year Schenck and Moore will run the half mile. It is in the dashes and hurdles that the team is weakest. All of the old sprinters have gone and Anderson is very likely out of the hurdles. Coyle, French, and Chapin are trying the dashes and Barker, Buckheimer and Brown the hurdles. Weinrich out of it leaves the pole vault to W. Davis who has a good High School record. Donovan, Schwinn and Allen are working with the hammer.

The whole track has been cindered and good weather will help much.

### The Junior Prom

It was erroneously stated in yesterday's IOWAN that the programs for the Junior Prom would be held until after the athletic benefit is over tomorrow night. The programs will be distributed at the usual time.

Dr. L. W. Andrews left yesterday for New York state. He will be game about a week.

Rev. Dr. L. Cady will deliver his lecture on The Life and travels of David Livingston in Grinnell this week.

Colonel G. R. Burnett has let the contract for the building of his new residence on the corner of Clinton and Market street.

## BIG MEET SATURDAY

### ANNUAL FRESHMAN-SOPHOMORE CONTEST

All Old Scores Will Be Settled At That Time—Will Be Hard Fought

The annual field meet between the sophomore and freshman classes of the liberal arts college will take place at the athletic park Saturday afternoon.

The advisability of allowing the freshmen and sophomores of all the colleges to take part in the contests was brought up and discussed by the Athletic Association but in view of the fact that in the three year courses of Law, Dentistry and Pharmacy there are no sophomore classes, it was decided to restrict the entries as heretofore to members of the liberal arts college.

Both classes are taking a keen and active interest in this contest.

The freshmen expect to have easy sailing in the dashes and weights, while the sophomores are confident of their ability to land the hurdles and long distances. Neither class is doing much with the discus or the pole vault.

This will be the final test of strength between the two classes. All the old scores left from last fall's struggles will be settled once for all.

There is exceptionally good material in both classes and the contest promises to be hotly contested and interesting.

C. A. Barthelow took the civil service examination at the city hall Tuesday.

The sporting editor of the Des Moines News suggests that C. H. Swift be sent to represent Iowa in the Olympic games at St. Louis.

Fay Huff a senior in the college of dentistry, will leave shortly for Racine, Wis., with the view of locating there after graduation.

Professor Shimek has been elected president of the Iowa Academy of Science, T. K. Savage '00, superintendent of the Denison schools, was elected secretary.

The Hesperians and Zetaghians will give their play, "From Sumpter to Appomattox," in Oxford and Williamsburg next Friday and Saturday evening.

## SWIFT WILL COMPETE

### LEAVES FOR PENNSYLVANIA GAMES

Will Compete In The Discus Throw—May Make a New Record

Charles H. Swift captain of the Iowa track team and western champion in the discus throw left last night for Philadelphia where he will represent Iowa in the Pennsylvania relay races and track contests. His going is the result of student patriotism and enthusiasm, inasmuch as the athletic board had refused to send a representative on account of the lack of funds. The money to cover his expenses was advanced by private individuals and these will depend upon other students assisting them in the venture.

During the past week's practice Swift has been hurling the discus daily in the neighborhood of 130 feet. Should he succeed in doing this at Philadelphia he will have won the championship of the world for the present world's record is 127 ft. 7 inches, held by M. J. Sheridan an eastern man. Swift won the western championship last year at Chicago when he hurled the missile a distance of 118 feet. He is confidently looked upon to establish a new world's record this year.

Last year the only schools to win points in the Pennsylvania meet were Michigan and Chicago. Each won one first giving them five points. Should Swift win a first it would give Iowa a standing in athletics like in the days of Johnny Crum.

The senior laws have adopted resolutions extending their sympathy to W. W. White and R. C. Gray. Each of them has suffered a bereavement in the death of his brother.

Polygon met last night with Miss Loizeaux, and the following officers were elected, George West, president; Arthur Gordon, vice-president; and Carrie Waters, secretary.

Miss Anna DeSellel expects to leave the last of this month for southern California, where she will make an extended stay of several months. Miss Margie Hartsock, who is in Des Moines at present, will go with her and join her parents, who are now in Los Angeles.

## PREVENTS ASHUTOUT

### WHITE'S HOME RUN IN SEVENTH INNING

Rock Island Wins The Game By Bunching Hits—The Complete Score

Iowa dropped the third game of the series with Rock Island yesterday afternoon by a score of 5 to 2. The visitors won the game on merit, superior batting at opportune times giving them the necessary scores. Three of their scores were secured by bunching hits in the first inning. 'Fuzzy' White distinguished himself for Iowa by knocking out a home run in the seventh inning with one man on bases. It was White's first time at bat yesterday, he having been substituted. The brilliant play set the grandstand wild. McGregor and VanderSteeg played their usual fast game in the field as did Hampson. Brekke and Dennis. Iowa batted well but could not bunch the hits sufficiently to make them yield scores. Yessler and Gilbert did good work in the box, their work giving assurance that with Voss and Kratzmeyer Iowa will be well supplied with pitching material this year. The same teams are playing again this afternoon.

The score:

Get Out and Root

The series of games now being pulled off with the Rock Island league baseball team affords the rooters an opportunity to start the season off with a whoop. The crowds that have attended the games thus far have been far too small and there has been too little enthusiasm displayed. A little yelling now is worth more than a lot of yelling three weeks from now because its effect grows.

The work of the team thus far shows that it will be one of the strongest aggregations that has represented the university for some time. The team has a good schedule of games on its hands and deserves moral as well as financial support.

Get out and root!

Dr. and Mrs. A. S. Craig are the happy parents of a little son.

The little son of Reverend Cady has improved after a very severe attack of scarlet fever.

Mr. and Mrs. Max Mayer will soon leave for Des Moines where they will visit Mr. and Mrs. Jake Schurman. From there they will go to Onawa to visit at the home of Regent Holbrook.

**MISTER STUDENT:**—In reply to your question as to where to buy your cigars and tobacco, I would say the Clinton Street Smoke House is the place. Its proprietor is Tom Brown, a genial fellow and a friend of the student and student enterprises. His shop is clean and neat. The fittings are up-to-date and in keeping with a first class cigar store. Brown sells customers what they want and no "as good as" goods. His stock contains all the popular and advertised brands. As for pipes his line is as fine as any in the state.

If you want anything in the smoke line, go to the Smoke House, and Brown will treat you right. If he don't, tell "Buster."

**Fine Performance to be Given At the Opera House Tomorrow Night**

The theatre lovers and admirers of Shakespeare will be given a treat Friday night in "As You Like It" with Florence Gale playing the role of Rosalind. The New Haven Palladium has the following to say of the performance as it was given a short time ago there, before an audience of Yale students; "Probably never before has a more finished performance of Shakespeare's great comedy "As You Like It" been given in New Haven than the presentation at the Grand Opera House last evening when a most evenly balanced company gave a rendition that was well nigh perfection. As is the case with all the immortal bard's masterpiece's, the success

or failure depends largely upon the interpretation of two or three leading roles and none of these is of greater importance than that of Rosalind. In last night's presentation this role was filled by Miss Florence Gale and filled most acceptably to the large and critical audience which filled the house. Seldom has a more charming delineation of the character been seen by even the veterans whose recollection goes back decades. Into her part Miss Gale infused a charm that completely carried her audience. She brought out the most sincere sympathy of the audience for the unfortunate heroine Art as Action and Action as Art are the two chief demands upon the portrayer of this part, or are they interchangeable while both are indispensable. Miss Gale combined them to perfection."
