BATTALION MANEUVERS
IN THEIR HONOR

First Inspection by Board
Wins Their Praise—Band Concert
At 6:30 Tonight

The University Battalion and
Band held review and inspection
this afternoon. On the review-
ing stand were the Board of Re-

genents. This was the first time
the Regents, as a body, have ever inspected the work of the
battalion. The work of the com-
nandant, Colonel Burns, was
highly commended by the board.

The band will give an open air
concert on the campus this even-
ing at 6:30 o'clock. It is expected
that the campus will be packed
with students and townpeople
to listen to the first class music
which is certain to be rendered.
If the first concert is a success,
which it will surely be,
the band will begin promptly at 6:30
tonight.

Philosophical Club

The last meeting for the year of
the Philosophical Club was
held Wednesday evening. The
program consisted of brief re-
ports of researches carried on
by hour of the graduate students
of the Department of Psychology.
The results of these researches
will be published and will form
a very important further con-
tribution to the work already ac-
complished along similar lines.

The first paper, "A Curve of
Central Fatigue" was read by
Miss Florence Brown. Miss
Grace Kent read a paper on,
"The Precision of Capacity
for Continuous Mental Work."
Mr. Daniel Starch reported
upon some tests on "The Peri-
metry of Localization of Sound."
Mr. L. V. Beauleau presented a
deductive study on "The Classi-

fication of Illusions of Sound."
