DEFEATED IN TENNIS

IOWA LOST TO CHICAGO YESTERDAY

Bailey Beats Opponents in Singles—Finest Entertainment at Northwestern

Special To The Daily Iowan

Chicago May 10—The Chicago-Iowa Tennis Tournament, which is probably to be the closest and hardest fought dual tournament ever played in the West.

The rain on Monday which prevented play for two days, prevented only one match on Tuesday. It was the third match of the day and professors. Although the Western team has only two men on a side, the tournament was so stoutly fought by the Iowans that there were no less than six deuce sets, with the exception of one of 148 games so close was the play that had two games been resolved in the second or third sets of the doubles match, Iowa would have won the tournament. As it is, the Western team has won two matches to two.

On the return of the Bailey of Iowa, took part in all the six deuce sets, and this compiled him to play no less than 110 games. The last three were a narrow rack- ing test of endurance and the first set of the last match which Bailey of Iowa won from Captain Moorehead of Chicago, by the unique score of 10-14, is thought to be the longest set on record in Iowa tennis. Each college won two matches in singles, so the match was decided on the doubles match. The Iowa team pulled out of a bad hole and won 4-2. Bingham led 2-1 after the score had been 4 against them. Chicago never recovered up by taking the second set 7-5 and then went the Iowa team one better and leads 1-0. The same score after the Iowans had obtained the apparently safe lead of 2-1. At this point the Binghammen played perfect and beautiful Tennis, which won the tournament.

The summaries: Moorehead beat Monett, 6-3, 6-1; Bailey beat Bingham, 6-3, 6-7, 6-7; Bingham beat Monett, 6-3, 6-1; Bailey beat Moorehead, 16-14, 6-4; Bingham and Moorehead beat Bailey and Monett, 6-4, 7-5, 7-5.

IOWA ROYALLY ENTERTAINED

The presence of the University of Iowa Tennis team in the city has a lot to do with the Iowans express great obligations to the Northwestern students and professors. Although the contracts did not call for entertainment for the visitors, the members of the Northwestern team took them to their rooms and boarding places, took them boat riding, and spared no pains to make the visiting players welcome. The fair and generous treatment of the visitors on the courts was in keeping with the rest.

No finer hospitality can be imagined than which the Iowans men received.

MISSOURI BLANKED

IT WAS YESELLER VS. MIS- SOURI YESTERDAY

Iowa Pitcher Makes Phenomenal Record—Only 29 Men Forced him—The Score

If "C" Young had only known what happened in Iowa City yester¬day afternoon he probably would have rolled and bosed in his bed last night. His remarkable record in the pitchers box last week when only twenty-seven men faced him was almost equalized by Yeseller, Iowa's freshman law pitcher who supplied twisters for only twenty nine of the "you've got to show me" people during nine long innings. But that is not all. Only one Missouri man got a hit and that was a very dinky one by Centerfielder Newman. Eleven of the nine men fanned the air and only one man walked. Yeseller is also credited with twelve assists and not a single error. In fact not an Iowa man was selected.

Incidentally it might be remarked that the score was 4 to 0 in favor of Iowa. Vanderbrogch uninvited one of Hamilton bowlers for three bases and the rest was easy.

The score: Iowa, 4; Missouri, 0.

The Iowa Team
The selection of the team to represent Iowa in the dual meet with Minnesota next Saturday is the work of the Iowa coaches this week. The team is small because of lack of sufficient guarantee. For this reason it has been necessary to leave some who otherwise would have been taken along. Although no final decision has been reached as to who will constitute the team the following mentioned will probably be members: R. M. Anderson, H. C. Parsons, E. J. Barker, C. W. Ross, E. J. Coyle, E. H. White, E. Davis, W. Davis, P. W. Schwin, H. E. Young, C. P. Schenkel, W. J. Bateman, C. H. Swift, and E. H. Crane.

Sigma Chi Banquet
The Alpha Rho Chapter of the Sigma Chi fraternity will hold its second annual banquet at the Imperial May 14. Unique in invitations have been issued, the coat of arms of the fraternity being placed on the cover in hand painting. W. L. Baughn '06 will act as toastmaster. The out of town guests who will return to town are Paul H. Pilger '06, principal of the Stanwood schools and Professor Lawrence Defriedt of the Highland Park College of Law who is assistant attorney-general of Iowa.

Easy Vacation Money
Students who wish compehensive employment during the vacation months, sure returns for little labor, should address T. H., 1301, 356 Dearborn St. Chicago, Ill.

AMUSEMENTS
Manager Clodren has closed a contract with the well known actor, William Owen, who has appeared here a number of times to the infinite satisfaction of all, for the production of "The Lady of Lyons." It is needless to say that the performance will be a grand one, such as Mr. Owen always presents, and the supporting company is an exception, almost strong one, including the old favorites, Mr. John W. McConnell and Miss Camilla Royndall. Everyone will be willing to pay as the costumes, scenery, etc.

ELECT YELL MASTER
TO DO SYSTEMATIC ROOTING FOR VISITORS

Nominations Made Before Saturday Noon For Practice High School Meet

The following notice signed by President MacLean appeared on the bulletin board this morning:

It gives me pleasure to follow the student suggestions made, and to call for nominations for a yell master for the entire university for all kinds of university occasions, literary, musical, social, athletic and otherwise. This office will require a person of good character, discretion, leadership and voice. Any member of the University is eligible to nominate.

Professor W. H. Swift, the yell master was greatly felt on the return of C. H. Swift after his victory in Philadelphia when an effort was made to give the yell at too assembly. It is to aid in such occasions that this movement is made.

After the yell master has been elected an evening will be spent on the campus with the University Band to practice the yell songs. It is hoped that each student will soon be familiar with the yelling and songs so that they may be very spontaneous on the day of the High School Field Meet.

Mary Malepiece Morris '04 has been elected teacher of Latin in the Hawarden High School.

Professor W. G. Wilcox will lecture on "America and Opportunities" at the Council Bluffs High School May 13.

Professor P. B. Shambaugh will be one of the speakers at the semi-centennial celebration of the founding of Grinnell which will be held June 10.

MOST young people select their life partner and their occupation on a sentimental basis rather than by deliberate judgment.

1st. That whichrenders the greatest service to humanity.
2nd. That which is accompanied by a good income.
3rd. That which makes one his own employer.
4th. That has reasonable office hours, leaving time for self-development and recreation.
