The Faculty meets are in full swing, and the students are preparing for the big event. The meet is the only one of its kind in the state, and every team will be represented. The meet will be held at the University of Iowa, and will last from May 13 to 15.

CALL WILL BE MADE FOR FUNDS SOON

What the Association Does For Iowa Students—Some Other Facts

Students who have not had an opportunity to show an interest in the Young Men's Christian Association will be given this opportunity in the near future. The matter of raising funds for the maintenance of the association during the coming year will be presented generally throughout the year by the friends of the association. As an argument for the work, the Association will be supported by its constituency and the support is dependent upon the efficiency of the work. It takes a yearly budget of about $250 to run the association. It is an institution of students for students but it is to be supported by students. The students have subscribed $80 this year to the work. At Illinois the students subscribed $1,000 during the opening months of the year. At Michigan, over $1,000, and at Minnesota $1217. The amount subscribed by students in any state has been less than $500. Iowa is no exception to this. It is a university in the state of Minnesota. Our student body has as much money as are our students, but our work is not. The association is going strong, and there will be $500 the next month so as to insure the permanence of the work for the future. Failure to secure that amount means retraction and inabilty to secure a General Secretary for the coming year. With one exception every State University supports a General Secretary and that one exception is at the present time negotiating for the services of such a man. The members of the faculties have promised to give the association the loyal alumni and friends of the university and will gladly contribute as soon as the students take the lead. During the next two weeks a student manager will be systematically carried out and the students will be asked to subscribe.

The Zen-Philo ball game today was postponed. The diamond was muddy.

The "Dixian" is endeavoring to increase enthusiasm in track and field. The new course was designed to encourage the boys to go walking with the boys in the afternoon, but to send them down to the track.

OPPOSITE UNIVERSITY CAMPUS
AMUSEMENTS

Manager Coldren has closed a contract with the well known actor, William Owen, who has appeared here a number of times to the infinite satisfaction of all, for the production of "The Lady of Lyons." It is needless to say that the performance will be a grand one, such as Mr. Owen always presents, and the exporting company is an exceptionally strong one, including the old favorites, Mr. John W. McConnell and Miss Camilla Ray- hole. Every attention will be paid to the costumes, scenery, etc.

Concert Tonight

The band concert will be held tonight evening at 7:15. The Clinton street merchants opposite the campus have paid the expense of an arc light on the campus, so that the concerts may be held later in the evening.

The program for tomorrow night is:

March "The Great Captain"
March Grand March to "The Wave"
March "Crisis" Hall
March "Star Spangled Banner"

Monlaw May Remain

At the regular monthly meeting of the Drake athletic board last Monday evening a committee was appointed to draw up a contract which will be presented to Dr. Monlaw for signing. Since Dr. Monlaw's announcement that he had offered his services to other schools and would likely leave the institution the members of the board have been working hard to retain him. A contract was presented to him some weeks ago but this was not satisfactory and another with a few changes, will be offered.

AFTER MORE SCALPS

BASEBALL TEAM IS OFF AGAIN

Playing Coe At Cedar Rapids
Today—State Normal To-morrow—Cornell

The Iowa baseball team left this morning for Cedar Rapids where this afternoon it is lined up against the fast aggregation from Coe College. The Coe men are said to be very strong, since they held Ames down to five scores a few days ago and defeated the Cornell warriors twice by close scores.

Following the game with Coe today the Iowa players will go to Cedar Falls where they will make connections again with the State Normals. The Iowa men defeated the pedagogues here by the score of 13 to 0, and expect an easy victory tomorrow.

On Saturday the Iowa players will hold hands with Cornell. The Iowa players are confident of being able to win every game on this trip.

Ames Not After Wall

Dr. Monilaw of Drake has received a letter from Professor Byers of Ames in which the latter states that Ames has no case whatever against Wall, the Drake high jumper who was protested at Grinnell last Saturday. Some time ago Dr. Monilaw wrote Prof. Byers in regard to the matter and yesterday received a satisfactory answer. Trainer Marech of Ames stated last week that he could produce two men who would make affidavits that Wall had jumped at Ames in the Ames-Grinnell meet in 1903.

This is the point that Drake denies and on which Prof Byers upholds Drake.

Senior Memorial Committee

At the meeting of the seniors yesterday the following were selected by President Jackson on the Memorial Committee: A. W. Lauer, Fanny Lilly, Clara Preston and Vallely Kastman.

Arrangements were also made to hold a social next Tuesday night.

The Sigma Nu fraternity will entertain at its home on College street Friday evening. The affair will be in the nature of an informal dance.
