WILL BE A SUCCESS

STATE MEET MORE FROM BING THEN EVER

List of Entries is a Big One
A Large Crowd Expected
From All Over

From every view point of the situation the indications are that the coming state meet will be the greatest ever held by the Iowa State Intercollegiate Athletic Association. If the weather is good the crowd will undoubtedly exceed anything on record. The additional special train from Mt. Vernon and Cedar Rapids will carry about a thousand people whose going will swell the attendance beyond that of the past year.

The games committee of the association met yesterday afternoon at Des Moines and in session throughout the day made a request to be allowed to compete several days ago, and after a thorough investigation of the program the track the games committee decided that it would be impossible to take another school into the competition unless the program was changed and plans made for the running of the shorter track events.

This meet this year comes on Saturday for the first time in the history of the organization. Herebefore, for the past ten or fifteen years the meet has been scheduled for the last Friday in May. This year it was deemed advisable to move the meet to Thursday in order to facilitate the change to Saturday. A large increase in the size of the crowd is expected to result from the change, especially in the out of town participants.

The entries for the event close on Monday and on that date all entries must be in the hands of Secretary Brewer.

Those who have been following our state athletics closely confidently expect State Normal to do things that will be remembered. It is well known that Iowa and if Grinnell does not show better form than in last Saturday’s meet the Scarlet may be forced to drop into the last division.

The danger does not lie in the possibility of Normal winning first place, but whether the team can lift. A first unexceedably taken from one of the larger schools is likely to create havoc with the hopes of the bigger schools. The track and the Corporation are also strong and will probably spring many surprises.

The 1903 Intercollegiate athletes have been refused permission to engage in the events at the state meet and will have a week off from tomorrow.

AMUSEMENTS

Who of our theatre goers does not remember with pleasure the elegant and refined performance of William Owen and his company? It is with pleasure we note that Manager Coldren has secured them for a performance of the beautiful, romantic drama, "The Lady of Lyons".

To Coach Creighton

Fred A. Williams one of the stars of the Iowa university football team of 1899 and 1900 has signed a contract to coach the team of Creighton college Omaha for next year. Since quitting the field as a player he has coached the teams of the Iowa State Normal, Kansas State Normal, Highland Park, and the Dodge Light Guards of Council Bluffs. Williams' ability is not confined to football, as he won his "I" in track work two years. He will take charge of the Creighton squad shortly after the first of September.
